Jan. 10, 1938

The Angelina County Medical Society met in a regular session at the Hotel Angelina. The Doctors' Wives had been invited to a banquet. A very nice menue was served and after partaking of the dinner there were talks by President E. T. Clark, Secretary Arthur E. Sweatland Doctors R. B. Bledsoe, J. W. Hawkins and T. A. Taylor.

Doctor Clark had for his subject, "The Relationship Of The People To The Physician", which he handled in such a manner that was pleasing and instructive, showing that the people were often neglectful to their physician but for the most part their appreciation for the family physician was was usually well expressed.

Doctor Sweatland in discussing the Relationship Of The Doctor To The Public, among other things, stated that the doctor was always a teacher and should be. As such he helped to keep the minds of the public on the right track and helps teach them the rules of health, hygiene and sanitation.

Doctor Bledsoe stated that the Doctor was often to blame for patients self-prescribing, for the reason that he acquainted his patients with what he was giving them.

Those present were Doctor Mathews & Wife, Doctor Tinkle & Wife, Doctor Estep & Wife, Doctor Clements & Wife, Doctor Robert Taylor & Wife, Doctor T. A. Taylor & Wife, Doctor Clement & Wife, Doctor Burch & Wife, Doctor Sherman & Wife, Doctor E. T. Clark & Wife, Doctor Childers & Wife, ~~Pastor~~ Doctor Wade & Wife, Doctor Denman & Wife, Doctors Bledsoe, Hawkins, Ostendorf, Hutcherson and Sweatland.

The following committees were appointed by President Doctor Clark: Committee on Legislation
D. M. Childers, T. A. Taylor, L. H. Denman
Committee on Scientific Program;
J. H. Wade, Joe S. Burch, Robert Taylor
Committee of Entertainment
L. T. Tinkle, J. W. Hawkins, J. C. Clement

No Farther business to complete the meeting adjourned.

A Social get-to-gether followed.

Coleman Taylor
SECRETARY.

Lufkin, Texas
Jan 24th 1938

The Angelina County Medical Society met in regular session. Members Present were Doctors Clark, T. A. Taylor, Hutcherson Clement, Gandy, Bledsoe, Burch, Tinkle, Ostendorf, Denman, Wade, Robert Taylor, Estep, Hawkins and Sweatland. Doctor J. L. Dubose of Wells, Texas, Cherokee County was a guest of the Society for the evening. The regular order of business was carried out.

Under the head of new business, the matter suggested by the "Works Progress Administration", relative to request for housekeeping aid service was discussed and was endorsed by the Society. It was fully understood by all present that this was merely and effort by the Works Progress Administration to assist those people who were in need of help, by lay individuals and not in any manner connected with the Medical Profession.

SYMPOSIUM ON PNEUMONIA

Doctor Clement discussed the medical treatment of Pneumonia. A synopsis follows:

Doctor Denman Hutcherson discussed the Serum treatment A synopsis follows: The types of Pneumonia and the methods of typing were discussed. The relative ease with which the type can be determined was discussed. It was stressed that all pneumonia for which we have serum should be treated early and adequately. The literature was briefly reviewed to show the reduction of mortality in sera treated cases.

Doctor T. A. Taylor lectured on the use of oxygen in the treatment of Pneumonia, showing by the chart the advantages of using it early to prevent Anoxemia, guarding the treatment carefully to prevent over treatment. Stating the benefit of Oxygen in treating the disease the Doctor gave a very lucid and instructive demonstration.

Doctor Wade took up the treatment with Diathermy and expressed its value definitely. It was the opinion of your secretary that all the papers were reasonably conservative and showed a searching desire on the part of each essayest as well as the part taken by the whole membership of the society in the discussion that theywere searching for the whole light that has not yet arrived, in the care of this formidable malady.

The Subject was well discussed by many of those present. A suggestion was made by Doctor Ostendorf that probably the whole Pathology of Pneumonia might be changed in the future, this because of the varience in the clinical course of the disease.

Your Secretary is still inclined to call the disease Lung Fever with many types of infection which at the present time may work out with typing to great advantages.

There being no farther business the meeting adjourned.

Lufkin, Texas
February 14, 1938

Angelina County Medical Society met in regular session.

Minutes of previous meeting read and approved.

Roll call, Those present were, Doctors Robert Taylor, T. A. Taylor E. T. Clark, Estep, Childers, Clement, Burch
Doctors Wade, Tinkle and Gande came later.

A discussion of whether we would hold one meeting a month or continue with two was passed over until next meeting for further consideration. It was thought that with one meeting of the staff at the hospital and two meetings of the Medical Society was more than necessary or advantageous.

A Symposium on Syphilis was the subject of the papers and discussions.

Doctor Burch discussed the relationship of the disease to the public health; giving percentages of infections by actual tests of the United States Health Department. Stating that about 1,500 people in our county had Syphilis. Also suggested means of eradicating the disease.

Doctor Tinkle discussed Syphilis of the Cardio Vascular System and gave his treatment, which consisted of rest and medication

Doctor Gandy took up the discussion of Syphilitic Dermatitis. He discussed the subject of dermatitis due to administration of Neo salvarsan.

All phases of the subject was then discussed by nearly all of those present and it was the general consensus of opinion that it was very difficult to tell whether a patient who had fully developed syphilis was ever cured. Early diagnosis and early treatment gave the most hopeful results. Many points were brought out that were helpful.

Doctor Childers called attention to the matter of Syphilis in young children and Doctor Burch brought out the thought that pregnant syphilitic women should be treated before the fifth month of pregnancy to save the child from inheriting the disease.

There being no further business to bring before the house the meeting adjourned.

E. T. Clark, M. D., President Arthur E. Sweatland, M.D., Sec't.

Lufkin, Texas
Feb. 28, 1938

The Angelina County Medical Society met in regular session. Members present; Doctors tinkle, Wade, Robert Taylor, Denman, Gandy, Estep, Clement, Stewart, Clark, T. A. Taylor, Burch.

Meeting called to order by president Doctor Clark. Minutes of previous meeting read and approved.

Doctor Clement reported a head injury with cerebral symptoms appearing some eight days after receiving injury. Probably latent infection.

Symposium on Malaria was the subject for the evening.

Doctor Robert Taylor discussed the matter of diagnosis laying stress upon the matter of staining of specimens. Most of us used the Wright stain but preferred the Gimsy although it took more time in making it. The thick specimen was also discussed stating it was the female that infected the person.

Doctor Childers discussed malaria in Children stating as a rule it is different in its onset but was generally quite easy to distinguish the disease. Spoke of the enlarged spleen and palor.

Doctor P. C. Clements not being present treatment of malaria was not brought out.

Doctor Sweatland took up the subject of Chronic Malaria pointing out the difficulty of distinguishing between relapse and reinfection.

Doctor T. A. Taylor discussed the subject referring to a case with abdominal symptoms which proved to be malaria, clearing up in every way with quinine medication.

After the discussion on Malaria other business was brought before the house.

After discussion it was decided to continue our society work with two meetings per month, 2nd and 4th Mondays of each month as in the past.

Doctors T. A. Taylor, Burch and Gandy brought up the subject of having an election to vote hospital tax. This subject was discussed and Doctor Clement moved that we hold such an election and this was seconded by Doctor Estep. Motion carried.

T. A. Taylor moved that the President Doctor Clark appoint a committee of three to secure petitions for circularion. This was seconded and passed. Doctor Clark appointed Doctors Sweatland, Clement and Robert Taylor on this committee.

There being no farther business, meeting adjourned.

E C Clement Edward Sweatland Sec.

Lufkin, Texas
March 14, 1938

The Angelina County Medical Society met in regular session. Members present; Doctors W. R. Taylor, Gandy, Burch, Denman, Wade, Clement and Sweatland. President E. T. Clark being absent Doctor W. R. Taylor was appointed President Pro Tem.

Minutes of previous meeting read and approved.

Some cases were reported. Doctor Gandy reported a case of Staphylococcus Septisaemia. Doctor Denman reported one of fractured pelvis.

The subject for the evening was fractures. Doctor Denman discussed fractures in general, stressing the importance of as perfect reduction as possible. Paid special attention to fractures at and near the ankle joint.

Dr. J. C. Clement talked on fractures in industrial work and said it was his plan to reduce them as soon as possible.

Doctor Burch spoke on X-Raying fractures and of the difficulties in certain fractures of securing a positive when fracture did exist, as an illustration, the vertebra. Lateral view often showed up the fracture of the vertebra more definitely than an A. P.

Discussion of the papers followed. Some complaint was made about the committee on scientific work not giving time for the preparation of papers. Your secretary would suggest that the schedule of subjects be made out for sixty days ahead.

There being no further business, meeting adjourned.

E. T. Clark, President — A. E. Sweatland, Sec't.

Lufkin, Texas
March 28, 1938

The Angelina County Medical Society met in regular session

Members present: Doctors Burch, Robert Taylor, Hawkins, Gandy, T. A. Taylor, J. C. Clement, Clark, Sweatland and Sherman.
Visitor present: Doctor R. T. Treadwell of Hawaii.

No cases reported

There was a Symposium on Appendicitis.

Doctor Childers and Clements not being present Doctor Sweatland discussed the feature of perforative gangreenous appendix, stressing the importance of leaving off all foods and cathartics and giving gastric lavage and a sufficient amount of morphine for rest, if necessary. Hypodermoclysis and rectal feeding giving nature a chance to shut off the spread of infection by reducing peristolsis and thereby saving the patient. No operative measures in such cases. Exceptions in perforative cases, children because the above measures were difficult to carry out and the omentum not sufficiently developed for proper protection and in older people who seldom have perforation and again do not bear well confinement in bed. Of course the cases that were not perforated should be operated upon early.

The above was generally discussed stressing careful diagnosis in every case.

President Clark appointed Doctors D. M. Childers, T. A. Taylor and A. E. Sweatland to prepare resolution of condolence on the death of Doctor W. B. Treadwell and requested that a copy be mailed to his family and the local press.

There being no farther business the meeting adjourned.

E. T. Clark, President — A. E. Sweatland, Sec't.

RESOLUTION

It being designed by an all wise providence to take from our midst our beloved friend and fellow practitioner in the person of Doctor W. B. Treadwell we the Angelina County Medical Society wish to express our heart felt sympathy to his family. Be it resolved that a copy of this resolution be presented to his wife and family and spread on the minutes of our County Medical Society.

The Angelina County Medical Socity met in regular session. Members Present; Doctors Percy, Clements, Wade, Robert Taylor, Estep, Hawkins, T. A. Taylor, Tinkle and Sweatland. President, Doctor E. T. Clark being absent Vice President, Doctor P. C. Clements presided.

Minutes of Previous meetig read and approved.

No Cases reported.

Doctor Edward Percy who is taking Post Graduate work in New York was present.

Doctor Estep read a paper, entitled, Sinusitis of the Para Nasal Sinuses. The Doctor went into the subject rather thoroughly giving some of the Embryology and Anatomy of the sinuses as well as the Histology and Pathology of the diseased sinus. He spoke of the attitude of the patient and their tendancy to run after false Gods. The paper was well received and a general discussion followed.

Doctor Percy read a paper on Otitis Media as limited to the middle ear, mentioning the fact that such infections were usually accompained by paine and suppuration and other complications, the infection being due to streptococcus Haemoliticus is most common, some cases which the specific cause is not demonstrable. He mentioned childhood as the most frequent period of attack and found as a complication of childhood diseases scarlatena, measles and whooping-cough being the most numerous. /Sometimes diagnosis might be difficult. Myringotomy if the drums are bulging after local abortive treatment has failed. The discussion was general and Doctor Estep mentioned Oedema of the drum that should not be incised.

There being no farther business the meeting adjourned.

Taylor C. Clements Vice Pres. * A.E.Sweatland,M.D.,Sec't.

Dr. P. C. Clements, Vice President presided.

Your expressions of sympathy and the lovely flowers will always be remembered with deep gratitude by the family of the late Mr. W. B. Treadwell

Lufkin, Texas
May 23, 1938

The Angelina County Medical Society met in regular session.
Members present; Doctors Tinkle, Clark, T. A. Taylor, Waldman, Sherman, Hutcherson, Robert Taylor, Burch, Wade Clement and Sweatland.
Dentists present; Doctors Mann, Glass, and Hunter.

The Dental profession of the Town and County were invited to confer with the Medical profession relative to the proposed survey of the county as regards adequate medical and dental care of our population.

Dr. L. T. Tinkle read a paper on the injection method for cure of hernia. He stated that he had not treated all cases in this manner but only selected cases. Small hernia and potential hernia. So far the results had been good. Had made no use of the method in large hernia. Stressed the necessity of completely reducing the sack contents and the length of time to cure and the use of truss while recovery was being accomplished. Patient continuing his work while being cured.

Dr. Clement discussed the paper referring to a goodly number of cases under his treatment with seeming good results. Some however were not cured and that he was not as inthusiastic over this form of treatment at this time as he had formerly been.

Dr. Sweatland stated that he felt this was a right unsurgical manner of eliminating a hernia pointing out the resulting scar from this treatment as becoming a menace should radical treatment become necessary latter. He stated that in a properly performed hernia operation there was no cicatrix as no tissues were cut except the sack and skin the others being split in line of their fibres.

The matter of a county survey relative to adequate medical and dental care of our county population was considered and the president appointed the committee on legislation as our committee to carry on the work. Each Doctor and Dentist present received a proper blank for his guidance.

Dr. T. A. Taylor made a motion that the society go on the air on medical subjects. This motion was discussed. This finally ended by the chair appointing a committee to investigate the matter.
Committee: T.A. Taylor, Jos. S. Burch, J.H. Wade -

Dr. T. A. Taylor presented a questionaire, relative, to charity cases entering the hospital. Asked that every physician use his best efforts to see that the institution be not imposed upon.

There being no further business the meeting adjourned.

Sec. Pres.

June 13, 1938

The Angelina County Medical Society met in regular session.
Members present; Doctors Clark, Childers, T. A. Taylor, Gandy, Burch, Herndon, Sherman, Robert Taylor, Wade, Clement, and Sweatland
Visitors; Doctor Medford
Dentist; Doctor Taylor Clark

The Chairman of the committee on the National Survey, Doctor T. A. Taylor, made his report, stating that only a few of the Doctors had returned their reports and asked that they be returned during the following week. He showed progress, however.

Doctor T. A. Taylor made his report on broadcasting showing that it would take about $14.00 per month to carry this on. A number of the members signed the report and agreement after Doctor Clement moved and Doctor Sweatland seconded the motion to adopt the report.

Discussion was had as to the method to persue relative to broadcasting, whether we sould secure articles on public health from the American Medical Association or prepare our own, individually. This was passed over until farther information could be secured from the American Medical Association as to whether they could furnish us with talks on preventive medicine.

No other business being brought before the house the meeting adjourned.

E. T. Clark, President

A. E. Sweatland, Sec't.

Lufkin, Texas
October 10, 1938

The Angelina County Medical Society met in regular session.
Members present: Doctors Tinkle, Clements, Sherman, T. A. Taylor, Burch, Denman, Gandy, Clark and Sweatland.
Minutes of previous meeting read and approved.

Legislative Committee, by Doctor T. A. Taylor, made report of Medical Survey and the report was accepted. Doctor Sweatland volunteering to ascertain the number of patients cared for by the County health officer during 1937.

Doctor T. A. Taylor read a paper on anesthesia which was a most excellent production, and was well received. He brought out the necessity of the anesthetist and surgeon cooperating in each case doing team work for the best interest of all concerned. Mentioned the different kinds of anesthetics with the combination of oxygen.

A very nice dinner was had at the Angelina Hotel which appeared to be enjoyed by all present. It is to be regretted that a larger attendance was not present for your secretary feels that more such dinners should be had from time to time. It is the feeling of your secretary that each member should attend our society meetings. A better feeling would thus be engendered and better work accomplished.

No farther business, meeting adjourned.

Lufkin, Texas
November 28, 1938

The Angelina County Medical Society met in regular session.

Members present: Doctors Clark, Estep, Rx Tx Robert Taylor, T. A. Taylor, Wade, Clement, Burch and Sweatland.

This was a public health meeting, City manager, Cline and Doctor Kirby from the city office were present. Miss Ina May Townsend from the Kurth School, Mrs. M. A. Murray, County nurse and Mrs. Mose Buch from the Child Welfare Association were present.

A discussion of the manner of careing for infectious diseases in the school was advanced and the best way of careing for such conditions. No definite plan was adapted.

City Manager, Mr. Cline, advised that a city ordinance was about to be passed relative to health conditions and discussed the matter from many angles. Finally a motion was made by Doctor T. A. Taylor and seconded by Doctor Burch that it is the sense of the Angelina County Medical Society that in issuing a health certificate a Wasserman Examination of the blood should be made. After discussion, Motion was carried.

It was suggested that City Manager Mr. Cline, come before the society with health ordinance when it is completed.

There being no farther business, the meeting adjourned.

Lufkin, Texas
December 12, 1938

The Angelina County Medical Society Met in regular session at the Angelina County Hospital

Members present: Doctors Burch, Robert Taylor, Wade, Stewart, Sherman, T. A. Taylor, Clark, Clement , and Sweatland.

A communication from Doctor R. B. Homan of Elpaso, Texas relative to the appointment of a committee on Tuberculosis for Angelina County was read and President Doctor E. T. Clark appointed the following members for the committee: Doctors Robert Taylor, of Lufkin - C. B. Stewart of Huntington, - and P. C. Clements of Lufkin.

A copy of proposed city ordinance relative to issuance of health certificates to food handlers was read and discussed at length. The general opinion was expressed that the parties concerned should have the privelige of selecting their own physician and the examination be submitted to the city health officer for his final indorsement. It was also considered that one serological exanination per year was sufficient for all practical purposes. Renewal of health certificates every six months was indorsed.

Doctor Burch made a motion that the Angelina County Medical Society go on record as requesting the City Commissioners to require the "Food Handlers" to have physical examinations twice each year and a serologic for Syphilis once each year and that the applicant should be allowed to go to the physician of his choice.

Doctor J. C. Clement of Diboll seconded the above proposed motion. Motion carried

Doctor Sherman read a paper on Pneumonia with discussion of typing and the various serums appropriate for each type. Also, discussed an to serum theraphy. many questions were asked and much interest was shown by discussion.

Doctor Sherman was commended highly for the timely presentation of cases treated by himself.

Meeting adjourned to meet at once oclock p m Dec. 15th 1938 at Doctor E. T. Clarks office.

December 15, 1938

Adjourned regular meeting was held at the office of Doctor E. T. Clark at 1:30 p m for the purpose of discussing the subject of Medical care of the Rehabilitated Farmers of Angelina County.

The District Manager, together, with the Local Manager were present and it was decided that the members of the Angelina County Medical Society would do this work as laid down by the State Medical Association.

Lufkin, Texas
December 26, 1938

The Angelina County Medical Society met in regular session.

Members present: Doctors T. A. Taylor, Robert Taylor, Gandy, Clement, Wade, Clark and Sweatland.

A discussion of care for rehabilitated farmers took place and a synopsis as approved by the State Medical Association was read by the Secretary.

No objections were raised to the plan as outlined.

Sweatland moved that the President appoint a committee to confer with Mr. Johnson about care for the rehabilitated farmers. Motion carried and President Clark appointed Doctors Sweatland, T. A. Taylor and M. A. Estep on the committee.

The Angelina County Medical Society accepted the offer of Lederlee Detail Man to give us a picture on Pneumonia at 7;30 p m January 12th 1939. The Angelina Ball Room being secured for our meeting place. It was suggested that we invite the Doctors of the surrounding Counties to be present. Also the Nurses and Technicians.

It was also decided to have a banquet at our next regular meeting and have the Doctors and their wives present. A program to be arranged by the entertainment committee for that occasion.

This being the night for election of New officers, the following were elected:
Doctor A. E. Sweatland was elected President; Doctor Robert Taylor was elected Vice President; Doctor J. H. Wade was elected Secretary-Treasure.

There being no farther business, Meeting adjourned.

Dr. E. T. Clark, President

Lufkin, Texas,
January 9, 1939.

The Angelina County Medical Society met in regular session at the Angelina Hotel. The officers for the year of 1939 were installed following a banquet which included the ladies. The members present were Doctors Childers, R. W. Taylor, J. C. Clement, Estep, Gandy, Denman, Tinkle, P. C. Clements, T. A. Taylor, Clark, Sweatland and Wade.

After the banquet was served, a motion was made by Dr. Wade to raise the dues from $11.50 to $12.00. This motion was seconded by P. C. Clements. The motion carried and all members present paid their dues.

There were short talks made by most of the doctors and their wives.

A motion was made by Dr. T. A. Taylor and seconded by Childers to have our ex-President, Dr. Clark, go on the air next week and our incoming President, Dr. Sweatland, the following week; and the Secretary-Treasurer, Dr. Wade, the next week. Then all other members to be taken alphabetically.

There being no further business, the meeting adjourned.

Lufkin, Texas,
January 24, 1939.

The Angelina County Medical Society met in regular session at the local hospital. The following members were present: Doctors E. T. Clark, J. C. Clement, Joe Burch, P. C. Clement, O. P. Gandy, L. H. Denman, R. W. Taylor, A. E. Sweatland, L. T. Tinkle and J. H. Wade. The meeting was presided over by Dr. A. E. Sweatland, President.

A brief business session was held at which time a new censor was elected to replace J. H. Wade. A motion was made by P. C. Clement and seconded by Robert Taylor to elect D. M. Childers. The motion carried and Dr. Childers was elected for one year.

There was also a discussion pertaining to our radio broadcast program at which time Dr. Clark made a motion which was seconded by Dr. J. C. Clement, that the radio committee investigate and report back to the society the exact time and date convenient for the station to allow our members to make their talks.

There was a brief discussion pertaining to the city ordinance for food handlers which discussion was led by Dr. Clark who gave a brief resume of the meeting with the commissioners court recently, at which time it was decided to have the City Attorney, Curtis Fenley prepare this ordinance that would enable our food handlers to be examined by any reputable physician.

Doctors Sweatland and Clark reported a number of interesting cases which were admitted to the hospital as charity during December. These cases were discussed by several members of the society.

There were several brief and timely talks made pertaining to the improvement of our hospital, with especial mention of improving our laboratory and X-ray facilities.

There being no further business, the meeting adjourned.

A. E. Sweatland
President.

Joe H. Wade
Secretary-Treasurer.

Lufkin, Texas,
February 13, 1939.

The Angelina County Medical Society met in regular session February 13th at the hospital. The following members were present: Dr. T. A. Taylor, L. T. Tinkle, E. T. Clark, P. C. Clement, A. E. Sweatland and two visiting Doctors, McCausland and Hanna.

A brief business session preceded the regular program at which time several letters were read from our State Secretary, Dr. Taylor pertaining to the Medical Practice Act of the State. A motion was made by Dr. Clark and seconded by Dr. Taylor that the legislative committee of our Society write a letter to the Representative of this district.

Mr. Sam Gibson addressed the Society on the invitation of the President, relative to establishing a medical and dental bureau in conjunction with his Retail Merchants Credit Association. He stated that it would be possible to consolidate information about payments of professional accounts, this information being confidential at all times.

Dr. Tinkle read a paper on Monocytic Leukemia which was very interesting and instructive. He also reported a case of this type of leukemia which was treated recently in the hospital. This was a most interesting and unusual case. The final diagnosis was made from the study of the blood picture. Dr. Tinkle stated that these patients usually die within six months and that no form of treatment is of much value. This paper was discussed by most of the doctors present.

A second unusual and interesting case was reported by Dr. Wade, this being a patient who suffered a spontaneous pneumothorax. Several X-ray plates were shown which showed the collapsed lung, and also another plate was shown which was made several weeks later demonstrating how the lung was re-expanding.

Dr. McCausland's application for membership in our Society was referred to the Board of Censors and will be acted upon at our next meeting. An application blank was also handed to Dr. W. Ray Hanna of Groveton who has applied for membership.

There being no further business, the meeting adjourned.

A E Sweatland
President.

Z H Wade
Secretary-Treasurer.

Lufkin, Texas,
February 27th, 1939.

The regular meeting of the Angelina County Medical Society was held February 27th at the Hospital with President A. E. Sweatland presiding. The following members were present: J. C. Clement, Estep, Burch, Stewart, Clark, Childers, T. A. Taylor, R. W. Taylor, Denman, Gandy, McCausland, Sweatland and Wade.

Dr. McCausland was accepted into the Society as a new member. Dr. Hanna's application for membership was handed to the Board of Censors to be acted upon at the next meeting.

The following papers were read:

Dr. D. M. Childers read a very interesting and instructive paper on "Management and General Treatment of Premature Babies". Dr. Childers stressed particularly the value of keeping the baby warm from the minute it is born. The doctor recommended breast milk be given with medicine dropper along with a few drops of whiskey. This paper was discussed by Dr. E. T. Clark, J. C. Clement, T. A. Taylor and Denman. Dr. Sweatland also discussed the paper and in conjunction with a premature baby under his care in the hospital at present time.

The second paper was given by Dr. J. C. Clement on"Management of Fracture of the Neck of the Femur." He stated that most of these fractures occur in old people and of course are very slow to heal. The classification of fractures were first, Medial Fractures, second, Lateral Fractures and third, Inter-trochanteric type of fracture. He stated that the Medial type were the most difficult to handle. The best method of treating this type of fracture as stated by Dr. Clement is by wire traction which was recommended by Dr. Semb at Norway. Dr. Clement particularly recommended the value of giving 1/6 gr. morphine intravenously to give immediate relief of suffering when first called to see the patient. A thorough discussion of the Roger-Anderson splint was given by the doctor. He also stressed the value of the Smith-Peterson nail. This paper was discussed by Dr. Sweatland, Wade, Denman, Taylor and Burch.

There was a discussion of the Rotating Staff system of the hospital and was presented by Dr. T. A. Taylor who made a motion to spread this resolution on the minutes of the meeting. The motion as offered by Dr. T. A. Taylor was to adopt the resolution as read on the Rotating Staff by the President of our Society. The motion was seconded by Dr. Stewart and carried.

Lufkin, Texas,
February 27th, 1939.
Page 2.

A motion was made by Dr. Denman and seconded by Dr. Burch that Dr. M. O. Gibson be received as a member, his membership being transferred from Huntsville. Dr. Gibson was accepted as a new member.

President Sweatland appointed a committee including Dr. Burch, Clark, Robert Taylor to investigate the Public Health Unit in this section.

There being no further business, the meeting adjourned.

President.

Secretary-Treasurer.

Lufkin, Texas,

March 13, 1939.

The Angelina County Medical Society met in regular session at the Hospital with President, A. E. Sweatland presiding. The following members were present: T. A. Taylor, R. W. Taylor, McCausland, J. C. Clement, Hanna, Sweatland, Gandy, and Wade, Burch.

The minutes of the previous meeting were read and adopted. After a brief business session, the following papers were given: Dr. Robert Taylor read a very interesting paper on the relation of the general practitioner and laboratory. Dr. Taylor stressed very effectively, the value of laboratory examinations in arriving at a correct diagnosis in most all sickness. He also mentioned that the different laboratory methods were invaluable in substantiating or confirming the diagnosis in many different types of disease. This paper was discussed by Dr. Burch, Clement, Sweatland and Wade.

Dr. T. A. Taylor reported a case of pneumonia in a three months old baby who is being treated with sulfapyridine. He reported the blood findings in this case, which were made twice a day. This new drug is being used in medical centers over the country as an outstanding success in the treatment of pneumonia. We hope to hear more from Dr. Taylor pertaining to this case and the success of this new drug at our next meeting.

Dr. W. R. Hanna of Groveton was elected to membership in our society.

There being no further business, the meeting adjourned.

A. E. Sweatland

SECRETARY

Lufkin, Texas,
March 27, 1939.

The Angelina County Medical Society met in regular session at the Hospital. The meeting was called to order by President, A. E. Sweatland. The following members were present: Drs. Gandy, Denman, Sweatland, Burch, J. C. Clement, McCausland, Hanna, T. A. Taylor, R. W. Taylor and Wade. Dr. Rex McWilliams was a guest.

Dr. T. A. Taylor completed his report in the treatment of pneumonia with Sulfapyridine in a baby three months old. The pneumonia has apparently completely cleared up and the baby is recovering nicely from the whooping cough, which was the initial disease.

Dr. L. H. Denman read an excellent paper on Regional Anesthesia. Dr. Denman related the history of spinal anesthesia on up to our present perfected technic. The Doctor stressed the contraindications of spinal anesthesia with particular reference to any disease of the spine, shock, or perforation. The preoperative medication used was Nembutal in the amount of four to six grains. The doctor stated there were no disadvantages in the use of spinal anesthesia. He stated that the mortality is much less than in inhalation anesthesia. The size of the needle in doing the spinal puncture is very important. Dr, Denman recommended a 22 gauge needle. The Novacaine crystals are the most satisfactory drug to be used. According to the speaker, spinal anesthesia is the best anesthetic for all work below the diaphragm. This paper was discussed by most of the doctors present. Dr. Denman closed the discussion after answering many questions.

A case report was given by Dr. O. P. Gandy with the use of Sulfapyridine in the treatment of pneumonia. Dr. Gandy stressed the importance of having the sputum typed and blood counts made regularly while using this drug. These cases were very interesting and the doctor is to be complimented on such good results with our new drug. These cases were discussed by most of the doctors present.

A resolution was read pertaining to the Board members of the hospital and the manner in which they are to be elected. Final action was not completed in this matter.

The meeting adjourned.

April 10, 1939.

The Angelina County Medical Society met in regular session at the Angelina County Hospital. President A. E. Sweatland presided. The following members were present: Dr. T. A. Taylor, R. W. Taylor, McCasland, Denman, Gandy, Clark, Sweatland and Wade. Burch.

Two interesting cases were reported by Doctors Burch and Wade. These were discussed by several members present.

Dr. A. E. Sweatland read a very interesting and instructive paper on end results in gall bladder operation. The doctor discussed in detail the various results obtained in cases with stones and with simple chronic cholecystitis. The results in 34 patients without stones were reported with 35% cure or 12 patients that excellent results obtained from operations. All cases of gall-bladder disease with stones should be removed. The doctor stated that one should never be hasty in operating for gall bladder disturbance. Cholecystectomy without stones gives a high mortality than cases with stones. This paper was discussed by Doctor Denman, Burch, Wade, Gandy, T. A. and R. W. Taylor. Dr. Sweatland closed the discussion.

There being no further business, the meeting adjourned.

County Medical Society

DOLLARS

H. Hayes
SECRETARY.

Lufkin, Texas,
April 24, 1939.

The regular meeting of the Angelina County Medical Society was held on April 24th at the hospital. President A. E. Sweatland presided. The following members were present: R. W. Taylor, T. A. Taylor, Gibson, Estep, J. C. Clement, Wayne Taylor, Burch and Wade.

Dr. Burch introduced Kent & Coston, Architects, who discussed the possibilities of enlarging the hospital. The tentative plans of enlarging the hospital were presented by Mr. Coston. There was a general discussion of this matter.

The following papers were presented: Dr. Joe Burch on Radiation Therapy. Dr. Burch took up X-ray from the early history and discussed in detail the great value of X-ray treatment in various types of acute and chronic infections. This use of X-ray has only been recently discovered. X-ray is also used for bleeding in young girls during the menstrual cycle. It is also very useful in troublesome bleeding during the menopause. X-ray is also used in some cases of angina pectoris. This paper was discussed by Dr. T. A. Taylor, Estep, Gibson, McCausland and Sweatland. The discussion was closed by Dr. Burch.

Dr. M. A. Estep read a paper on the every day problems in Eye, ~~Ear~~, Nose and ~~Throat~~ injuries. The Doctor discussed the penetrating eye wound. He stated the hemorrhage usually clears up within a short length of time. It usually requires about six weeks for this type of wound to heal. Some cases may have sympathetic opthalmia from the penetrating wounds. The Doctor discussed foreign bodies and their method of treatment and the complications that might arise in this type of injury.

This paper was discussed by Dr. Burch, Taylor, Gibson and Sweatland. Dr. Sweatland made a suggestion that all papers be gotten up earlier and the cards sent out earlier so that members could read up on the different subjects.

The meeting adjourned.

Lufkin, Texas,
May 22, 1939.

The Angelina County Medical Society met in regular session with President Sweatland presiding. The following members were present: Dr. T. A. Taylor, Gibson, Denman, Burch and Wade. P. C. Clements. The minutes were read and approved from the last meeting. A letter was read pertaining to the Retail Merchants Association. Dr. T. A. Taylor made a motion that the Secretary contact the Retail Merchants Association and determine how many members he would be able to get to join the Exchange.

CASE REPORTS: Dr. Wade reported an unusual case in a baby two years of age who had been sick two weeks when first examined. This case presented some symptoms suggestive of Purpura Hemorrhagica, or some other type of blood dyscrasie. This case was discussed by most of the members present.

Dr. Denman reported an interesting case of streptococcus infection of the blood stream in a young woman who was six months pregnant. The final diagnosis was streptococcus endocarditis. The sulfanilamide and other derivatices were used with no improvement. Blood transfusions were resorted to but were of not much value.

Dr. P. C. Clements reported a case of placenta previa, marginal type. Section was done and delivered a six months baby which only lived seven hours.

Reports were made on Texas State Meeting by Dr. Sweatland and a report on the A.M.A. meeting was made by Dr. Burch. The meeting adjourned.

Lufkin, Texas,
June 26, 1939.

A regular meeting of the Angeline County Medical Society was held at the Hospital with the following members present: Dr. E. T. Clark, T. A. Taylor, R. W. Taylor, Burch, Sweatland, J. C. Clement, Gibson and Wade.

There were two members of our local Society on the program for this particular meeting, but neither of the essayists were present; therefore, the meeting was devoted principally to the presentation and discussion of interesting cases.

A motion was made by Dr. Wade and seconded by Dr. Clark that we discontinue our meetings until the second Monday in October. The motion carried.

There being no further business, the meeting adjourned.

Lufkin, Texas,
October 9, 1939.

The first meeting of the fall session of the Angelina County Medical Society was held at the Hospital at 7:30, with President Sweatland presiding. The following members were present: J. C. Clement, Childers, Estep, Clark and Wade. There were three visiting doctors from Beaumont: Drs. White, Williford and Brown.

The minutes were read and approved. Several letters that were received during the summer months were read by the Secretary and discussed by the members present. Dr. Sweatland read some papers pertaining to councilors duties.

A letter was read from the State Board of Health regarding the vaccine for yellow fever immunization, and it was decided to order sufficient quantity to immunize the doctors and nurses who want to take the serum.

A motion was made by Dr. Childers and seconded by Dr. Estep that one or two of our members present a paper at the South Texas District Medical Society in Beaumont. This to be acted upon at our next meeting,

There being no further business, the meeting adjourned.

The Angelina County Medical Society met in a called session at the County Hospital. Those present were Doctors Sweatland, P.C.Clements, J.C.Clement, T.A.Taylor, Burch, Robt.Taylor, Gandy, Denman, Tinkle, and Gibson.

The meeting was called to order by president Sweatland and minutes of the previous meeting were read.

A letter was readf from our state sec., Dr. Taylor pertaining to the Federal aid for building County Hospitals. A motion was made by Dr. P.C.Clements seconded by Dr.J.C.Clement that the society meet in joint session Jan. 5,1940 with the City and County commissioners and the Chamber of Commerce directors in regard to getting and maintaining support of the Hospital. Motion carried.

A motion was made by Dr. T.A.Taylor seconded by Dr. Gibson that the society go on record as being in favor of the Federal aid for County Hospital and instruct the president of this society to write a letter informing the state sec. as such in case we were unable to have the joint meeting of Jan. 5. Motion carried.

There being no meeting in Dec. 1939 Officers were elected as follows; President--Robt. W. Taylor
Vice-President--J.C.Clement. Sec.-Tres.--M.O.Gibson
Censor--Postponed until next meeting.
Delegate--Joe S. Burch. Alternate delegate--P.C.Clements.

It was decided that dues would remain the same as the year before--12:00, and all present paid dues for 1940.

It was decided the society would have a banquet, the arrangement to be left to the 1939 entertainment committee composed of Drs. Denman, Tinkle, and J.C.Clement.

There being no further business, the meeting adjourned.

January 8, 1940

The Angelina County Medical society met in a regular session at the County Hospital with President R. W. Taylor presiding over the joint session of the society, City and County commissioners and representatives of the Lufkin Chamber of Commerce. Those present were as follows:

County Commissioners: Barge, Presnell, LaRue, and Thompson
County Judge Bolton and County Auditor Courtney.
City representatives were Mayor W. M. Glenn, City Manager C. L. Stine, Commissioners Hicks, Winston and Barrington.
Chamber of Commerce Representatives: Manager Abernathy, Homer Rogers and Wilber Kent.
Society Members: President Taylor, Denman, P. C. Clements, Tinkle, T. A. Taylor, J. C. Clement, O. P. Gandy, Sweatland, Burch, McCasland, and Gibson.

The meeting was called to order by the president. The minutes of the previous meeting were read and approved by the membership.

The following committees were appointed:

1. Legislation and Public relations;
   Sweatland, Clark and Stewart.
2. Scientific;
   Burch, Gandy, and T. A. Taylor.
3. Entertainment;
   J. C. Clement, Tinkle, and Denman.

A censor not being elected at the previous meeting this was next attended to, Dr. Tinkle being elected to fill Dr. Denman's place. The board of censors now being composed of the following in order of their seniority to serve:
Burch, Childers and Tinkle.

It was noted since Dr. Burch held office of Censor he could not be Delegate as elected at previous meeting and therefore another delegate was elected. Dr. T. A. Taylor was elected as delegate.

Banquet time was set for the next regular meeting, which is Monday Jan. 22nd.

The Federal Hospital Grants for communities which were able to maintain and administer them effeciently was the subject for discussion brought before the joint session with members present entering upon open discussion of the question.

After much discussion it was decided that with the present maintainance tax of 5% and a perminent improvement tax of 3% and a possibility of raising these special taxes by lowering other special taxes and not raising the general tax that the hospital could be adequetly maintained and effeciently administered. Since the County Commissioners court was in session at the time a motion was made and passed unaminously that the court would sponsor and maintain a community hospital built in this county with a federal grant. Verbal statements were made by each of the City Commissioners present favoring the maintaince of the hospital.

The discussion closed. Dr. Denman thanked the court for the recent improvements of the county hospital and the meeting adjourned.

Jan. 22, 1940

The Angelina County Medical Society met in regular session at the Hotel Angelina for their annual banquet to which the members and their wives were invited.

The following braved the coldest weather and crunched through the deepest snow that Lufkin has witnessed in the past twenty years; Dr. and Mrs. Clark, Dr. and Mrs. T.A. Taylor, Pres. and Mrs. R.W. Taylor, Dr.& Mrs. A.E. Sweatland, Dr.and Mrs Burch, Dr. &.Mrs.Wade Dr. and Mrs. Dillon, Drs. and Mrs.P.C. Clements, Drs. Tinkle, Gibson, J.C.Clement and Denman;Miss.Reagan of the Hospital,Pauline Moss, and Patsy Clements; and Jimmie Tinkle and Junior Dillon.

A very nice menue was enjoyed by those present after which the following program of intertainment was presented by the committe; Mrs. Denman, Tinkle, and Clements, with Jimmie Tinkle as master of cerimonies.

Junior Dillon gave two numbers on the piano: the first being "Blue Danube Walts" and the second "BeerBarrel Polka" causing so much enthusiam by clapping of hands and stamping of feet that the encore requested could hardly be heard, for the noise.by the Doctors.

Miss Patsy Clements,accompanied by miss Jane Rutland on the piano gave a tap dance following a few minutes later with a Ballet.

Mrs. R.W. Taylor, accompained by Miss Pauline Moss at the piano rendered two vocal soloes; The first "Carmine" followed by"Somewhere A Voice Is Calling".

After the most delightful program a round table discussion was presented with every one taking part. No farther business the meeting adjourned.

March 25,1940

The Angelina County Medical Society met in regular session at the Angelina County Hospital at 7:30 P.M. with president R.W.Taylor Presiding.

The following members were present: McCasland,Sweatland, J.C.Clement, Denman,Tinkle,Burch,T.A.Taylor,P.C.Clements, Estep,Wade, R.W.Taylor and Gibson. Visitors were: Dr. George Barns of Nacogdoches, Dr. and Mrs. D.Truett Gandy and Dr. and Mrs..Thomas D. Cronnin of Houston.

The meeting was called to order,the minutes of the previou meetinr read and approved.

Dr. D.Truett Gandy presented a paper on "The Treatment of Early Syphilis" which was instructive and very interestir to the members of the society. The following principals were brought out in the recapitulation of his paper:

1. The patient who begins treatment during the primary stage,before his blood wasserman has become positive, has the ideal prospect of cure. His chancesiss25% better than the patient who has already developed a positive blood reaction, or in whom the secondary druption has appeared. This means that diagnosis should be by darkfield and not by blood test.

2. Treatment,to controle infectiousness andthus prevent dissemination of the disease,must include the arsphenamines. The number of injections necessary to contoole infectiousness has been found by recent large scale studies in this country to be notless than fifteen,and the optimum number for the treatment to a "cure" should not fall below thirty.

3. Bismuth,which has virtually replaced mercury,must be used in conjunction with the arsphenamines, and treatment mu must be continued until all symptoms and signs,including the blood wasserman and the spinal fluid examination,have been negative for one year.

4. Treatment should be continious. There should be no rest intervals. In various statistical studies it has been shown that continious treatment is from four to seven times as effective as intermittent or irregular treatment.

5. Periodic observations should be continued perhaps throughout life. It is the patient who is told that he is cured and discnarged from observation who may later suffer relapse and perhaps develop serious complications. One should speak of "arrest"rather than "cure".

6. The condition of the central nervous system should be ascertained by examination of the spinal fluid within the first year,for the fluid usually shows changes beforethe development of clinical signs,and when the nervous system ha has become involved,of course,special methodsof treatment must be used.

7. The condition of the heart and aorta should be watched for several years for serious late changes may supervene in these organs with never a hint from the blood wasserman reac reaction.

After the paper a general round table discussion was held by all the Doctors present .

There being no further business the meeting adjourned.

No. 7144

W. H. Taylor
SECRETARY.

Lufkon,Texas
April,8,1940

The angelina County Medical Society met in regular session at the County Hospital at 7:30 P.M.
The following members were present: Drs. Stewart,Clarke, T.A. Taylor,J.C. Clement,Burch,R.W. Taylor,P.C. Clements, Wade,Gandy,Sweatland, and Gibson.

Dr. R.W. Taylor presiding turned the Economic meeting over to the chairman of the Program Comm.,Dr. Burch.

Dr.Burch reviewed the previous meetings with Dr. Pierce of the U.S. Public health Dept. and with Dr.Beck of the State Health Department. He discussed the "set up" as to public health,City and County Health officer, Hospital superintendent,~~of hospital~~ and chairty Doctor comming under the supervision of one Doctor as in Greeg county,Texas.
Dr. J.C. Clement discussed possibility of the county putting up 6000 dollars and the state would donate 10,000 dollars for a perminent health unit.
Dr. P.C. Clements is in favor of the money being given to the local health officers.
Dr. T.A. Taylor thinks that if the county could raise the 6,000 dollars for the state health unit that they could raise the stipulated sum and give it to the local health officers and better work could be carried on.
Dr. Wade is of the same openion and thinks that some should be spent to improve the Hospital.
Dr. Stewart ~~is~~ States that he has seen these units function and that the nurses do the treating and prescribing.

The subject of the hospital staff was brought up and after much discussion the following motion was made by Dr. Clark and seconed by Dr. Burch.
" Be it resolved that since the recommendations made a at a previous meeting (april 19,1937) of the Angelina ~~Coun~~ County MedicallSociety with regards to a rotating Chairty Staff have not been complied with that said action be resended and each Doctor take care of his own chairty."
The motion carried unaminously.

A motion was made by Dr. Burch and seconded by Dr. P.C. Clements that"the society go on record as approving a County Health unit" The motion carried ~~as~~ 7to 3.

Adjourned.

May, 6 1940

Due to conflicting dates of our regular meeting and the state meeting at Dallas the Angelina county Medical society met on the above date with the Medical Officers of the United States Army Hospital at their hospital in Lufkin.

Those present were the Army officers, Members of the East Texas County Medical Societies and a majoriety of our own members.

After an "Old Fashioned Get-togather" where many new acquaintances were made and old ones were renewed the Doctors were escorted through the Hospital beginning at the entrance going through the Acute ward then across the grounds to the building where the ambulatory patients were hospitalized and from there to the Mess Hall..

Dr. Robt. Taylor, presiding introduced Col. Henry Miesh who gave a short address of welcome and then introduced Major S.F. Seeley.

Major Seeley presented a breif summary of the Theories of the Mechanism of Shock and then gave a very interiating detailed discussion of the work he had done on this subject while at the Mayo Foundation. This discussion included the Types of Shock with the Physiological processes, Symptoms and Findings and Treatment in the Various Types of Shock; illustrated with Black board charts.

A general round table discussion was carried on after the paper with most of the Doctors present taking part.

Immediately after the discussion a few minutes recess was enjoyed while the tabel was cleared and set for a most delightful meal. There being no further business the meeting adjourned.

Mr.G.C.Beckham, Secretary
Board of Directors
Angelina County Hospital
Lufkin, Texas

Dear Mr. Beckham:

At the regular meeting of the Angelina County Medical Society on the night of June24,1940,the Society voted to sustain their decision of April 8,1940, and that the Secretary write a letter so informing the board of its action.

The motion of April 8,1940,is as follows:"Be it resolved that since the recommendation made at a previous meeting (April 19,1937)of the Angelina County Medical Society with regards to a rotating Charity Staff have not been complied with that said action be resended and each Doctor take care of his own charity".

Hoping that the above information is satisfactory

I remain,

Very truly yours,

Sec.Angelina County Med.Soc.

The Angelina County Medical Society met in regular session at the Lake Myriad Country Club for their annual banquet to which the members and their wives were invited. Most all were present and those who did not come really missed a treat.

The meeting was called to order by the president Dr. P. C. Clements and a lovely menue was served and thoroughly enjoyed by all. Following this great delight, the intertainment committee took charge and really gave the guests a grand musical program consisting of; Mrs. Merritt, Mrs. Collins, miss Mildred and Mr. Blackburn violinists accompanied at the piano by Mrs. Glenn. Several numbers were rendered by these artists and greatly enjoyed. Following this Mrs. Vernon Glenn gave a lovely solo followed by Mr. Stanford who rendered several numbers on his electric guitar. This was a real treat within itsself. Then to make and complete the musical program, Mrs. Osborn ~~Ausburn~~ rendered two vocal solos accompanied by Mrs. Newsom at the piano.

The Angelina County Medical Society meet in regular session at the Angelina County Hospital with the following members present:

Drs. Bledsoe, Sweatland, Forrest, J.C.Clement, Stewart, Burch, Childers, Denman, Rice, Gandy, T.A.Taylor, Estep, R.W.Taylor, Gibson, Wade, and P.C.Clements.

Dr. M.A.Estep presiding.

Minutes of the previous meeting were read.

Dr. Stewart tended his resignation for vice-president because of holding the office of Censor also. accepted by the society. Dr. Denman moved that Dr. Forrest be elected Vice-president by acclimation- 2nd by Dr. Childers. Motion carried.

Dr. Burch objected to the raising the dues for the year of 1942 to 16 dollars.

Dr. Sweatland, in his discussion states that his idea in ra raising the dues was to make it possible for us to invite members of the adjoining societies to our meetings and furnish them with a meal at the time.

Dr. T.A.Taylor states that he would like to have Speakers at the meetings but if the majority of the society does not want them he doesnt either. His attitude was to invite the president of the State Association and Neighbors.

Dr. Bledsoe that he has nothing to say with regards to the amount of the dues but that the purpose of the orginizati is for the advancement of medicine and that it should be free from friction.

Dr. P.C.Clements says that it is not the dues at all that he is objecting to but the way the meeting was held-there is something shady about the whole thing.

Dr. Denman expressed the same objection.

Dr. Robt. Taylor objected to the raising of the dues.

Dr. Estep states that the minority should abide by the vote of the majority of the members and that there should be full cooperation the members and in order to have unity he would resign as president-elect and call for another election.

Dr. Wade was selected to preside over the election.

The Angelina County Medical Society met in regular session February 9, 1942 with the following members present: Drs. Estep, Gibson, Sweatland, J. C. Clement, Rice, Burch, T. A. Taylor, Wade, and R. W. Taylor.

The minutes of the previous meeting were read and approved. Dr. Sweatland reported a case of coronary thrombosis. Under old business it was decided that the secretary write Dr. Buie and arrange for a meeting here at his convenience.

A symposia on the use of chemotherapy was presented by Drs. J. C. Clement, Rice, Estep, and Wade. Dr. Clement gave a paper on the use of chemotherapy in surgery. He discussed the history of the drugs, how the drug acts, dosage, and its use in surgery. He stated that he thought that the use of sulfanilamide was the best locally. He reported an interesting case in which it was used in the cavity of the uterus following cesarean section with complete recovery.

Dr. Rice gave an interesting talk on the use of chemotherapy in pneumonia and heart disease. He stated that notwithstanding the fact that we do very little lab work or x-ray, the mortality and morbidity rate is less where this work done. He advised lots of fluids, alkali, etc.

Dr. Estep reported on the use of chemotherapy in E. E. N. T. He stated that the sulphonamides are given for the bacterostatic effect in the blood stream. He was dissappointed in the use of the drug locally. Dr. Wade read a paper in the toxicity of the sulphonamide. He stated the most common complications were cynosis, nausia in vomiting, acidosis, drug fever, skin eruption, jaundice, anemia, and kidney disturbance.

All papers were clearly discussed and the meeting was adjourned.

W. A. Estep

The Angelina County Medical Society met in regular session February 23, 1942. The minutes of the previous meeting was read and approved.

Under old business, Dr. Buie was invited to speak at the next meeting. Dr. Burch gave an interesting talk on Civilian Defense. Dr. R. W. Taylor showed some interesting chest plates.

There was no further business and the meeting was adjourned.

Pres: M. A. Estep
Secy: R. W. Taylor

The Angelina County Medical Society met in regular session March 9, 1942 at the hotel where a banquet was served and Dr. Buie gave the main address on the Medical Association and the War.

Dr. Judson Taylor, President-Elect of the State Medical Association gave a brief talk.

There were members from the adjoining counties present and everyone enjoyed the banquet.

Pres: M. A. Estep
Secy R. W. Taylor

The Angelina County Medical Society met in regular session Monday, April 13, 1942 with the following members present: Drs. Estep, P. C. Clements, Tinkle, T. A. Taylor, Burch, Treadwell, Rice, L. H. Denman, J. C. Clement, Byford Denman, Gibson, Sweatland and R. W. Taylor.

A case was presented for discussion and the following Drs. made the following diagnosis:

1. Dr. Rice-------Neoplasm, probably fibrosarcoma.

2. Dr. T. A.------Cancer

3. Dr. Burch------Dissecting anurysm.

4. Dr. B. Denman-----Malignancy of the chest.

5. Dr. Sweatland-----Malignancy

6. Dr. L. H. Denman--Malignancy of the lung.

7. Dr. Tinkle-------- " " " ".

8. Dr. Treadwell-----Suggested a probable actinomycosis.

The case was closed by Dr. J. C. Clement giving the autopsy report of a thymoma, i. e., tumor of the thymus gland.

The next part of the program was given by Dr. Sweatland on procurement and assignment.

Dr. R. W. Taylor discussed diphtheria and smallpox immunization. A committee, consisting of Drs. R. W. Taylor, L. H. Denman and R. Rice was appointed to bring this matter before the public.

Then the meeting was adjourned.

Pres. M. A. Estep
Sec R. W. Taylor

The Angelina County Medical Society met in regular session Monday, April 27, 1942 with the following members present: Estep, Sweatland, L. H. Denman, Burch, Wade, J. C. Clement, P. C. Clements, R. W. Taylor, Forrest, B. Denman and the following guests: Mr. Boutwell, Wallin, and McMineal.

Mr. Boutwell gave an interesting talk on the F. S. A. and the Doctors. He explained in detail how the plan would work and how the Drs. would get paid for their services in treating the families who have loans from the F. S. A. A loan is made of 5% of the family's income for medical services. This money is place in the bank to be used for medical services as needed. Mr. Boutwell stated that there are 100 counties in Texas having this plan. In this county there will be about 100 families. This problem was freely discussed by all the members and the matter was to be taken up at the end of the meeting.

Dr. Burch opened the discussion on the question, "Shall we vaccinate free?" This matter was freely discussed and Dr. Burch made the motion that on May 9 we should start immunization for diphtheria for the charity cases in the county to be given at the hospital. This motion was seconded by Dr. L. H. Denman and was carried. It was agreed that Dr. L. H. Denman was to see that the people would be at the hospital on the above date.

Dr. Sweatland brought up for discussion an election of Dr. E. T. Clark as honorary member. Dr. J. C. Clement made the motion to elect Dr. Clark as honorary member and to refuse to accept the $4.00 dues, seconded by Dr. Wade and carried.

Dr. J. C. Clement made the motion to approve the F. S. A. and to put the money in the bank to draw on and no bills to be paid before the 2nd of each month, seconded by Wade and carried.

Then the meeting was adjourned.

MINUTES OF SPECIAL CALLED MEETING OF Angelina County Medical Society: March 10th, 1943

Dr. L. T. Tinkle, Presiding

Members Present:

Dr. J. C. Clement
Dr. J. H. Wade
Dr. O. P. Gandy
Dr. Byford Denman
Dr. T. A. Taylor
Dr. L. H. Denman
Dr. A. E. Sweatland
Dr. M. O. Gibson
Dr. P. C. Clements
Dr. R. T. Taylor
Dr. J. S. Burch, Secretary

Meeting called to order at 8 P.M.. Dr. Tinkle stated that the meeting was called for discussion of the activities of the procurement and assignment committee. Dr. Wade made a motion that the committee on procurement and assignment be increased to seven members instead of the original three, the additional four members to be appointed to the present society, subject to the approval of the state chairman of procurement and assignment. This motion was seconded by Dr. Byford Denman and passed unanimously. Dr. Tinkle appointed the following additional members to this committee:

Dr. L. H. Denman
Dr. P. C. Clements
Dr. O. P. Gandy
Dr. J. R. Dale.

Meeting March 31, 1943

The Angelina County Medical Society met in a special meeting at The Angelina County Hospital at 8 p.m. on 3-31-43. Members present were Drs. L.T. Tinkle, president, Joe Burch, secretary, J.C. Clement, J. H. Dale, P.C. Clements, M.A. Estep, A.E.Sweatland, and T.A. Taylor.

Dr. J. C. Clement told of discussions with the county judge and county court and it seemed that the court wished an expression of the ideas of the medical society as to the rebuilding of the nurses home. After much discussion the following motion was made by Dr.Burch:

That the Angelina County Medical Society Recommend the building of a new modern fireproof nurses home ,adequat to house sufficient nurses to take care of the needs of the present and future new unit of the hospital, and, if that cannot be done quickly, to buy adjoining property and build any ~~xxxxxxxxx~~ temporary wooden structures needed to take care of the situation. Seconded by Dr. T. A. Taylor. Motion passed- none opposing. There being no further business the meeting adjourned.

L. T. Tinkle, President

Joe S. Burch, Secretary

Several meetings called by Secretary & No Quorum

Called 11-15-43
Regular Meeting of Angelina County Medical Society

8 Members present were : Drs.Burch, PC Clement,Estep
Gandy, Sweatland, RW Taylor, Tinkle and Dale.

Mr. Gane Shotwell, head of the Red Cross in this county, was present to discuss fees for soldiers families. He said that the Red Cross had about $2,000 for the purpose and wanted us to give a set fee for such as Ob cases, T&A,s and appendectomies on wives and children of service men. It was the opinion of individual doctors present that the Medical Society cannot enter into a contract with any organization to do services for set fees.

Dr Estep moved that the Society go on record as opposing Senate Bill 1161 and the secretary requested to write the Senators from Texas.

adjourned

November 13, 1944

Present: Drs. Dale, Wade, Sweatland, T. A. Taylor & Gibson.

Unfinished Business - Board of Censors met last week, November 8, 1944, and gave report tonight. Agreed that Dr. Clifford McCasland be accused of untehical advertising and recommended his expulsion from the Society.

Dr. McCasland answers to letter from Dr. Denman, admitted he advertised in Beaumont papers and would continue to do so, that he did not care what action was taken. He also stated that the man who had worked with him had been discharged.

Discussed by those present.

Motion by Dr. Sweatland, second by Dr. Dale that the action of Board of Censors be sustained. Motion carried.

No new business or papers.

Adjourned.

B.H. Denman Sec. by letter in Office

December 11, 1944

The Angelina County Medical Society held its regular business meeting Monday night December 11, 1944 at the Angelina County Hospital the following members were present: Dr's T.A. Taylor A.E. Sweatland, B.H. Denman, J.H. Wade, O.P. Gandy, P.C. Clements, L.T. Tinkle, R.W. Taylor, J.R. Dale,& M.O. Gibson. Meeting was called to order by President T.A. Taylor, Secretary gave a report of the years work and the finincial report, there being $124.08 in the First State Bank. The report was adopted as read.

The Secretary read all communications in regard to the case of Dr. Clifford McCasland of Beaumont, Texas, the Board of Censors had reccomended his expulsion, this was voted on and the Society voted 9 to 1 for Dr. Clifford McCasland expulsion from the Angelina County Medical Society.

The following officers were elected for 1945:

President---- B.H. Denman
Vice President----J.R. Dale
Secretary & Treasurer----R.W. Taylor
Board of Censors (Three Years)----O.P. Gandy

Motion made by Dr. A.E. Sweatland & seconed by Dr. B.H. Denman that the dues for 1945 be $25.00 motion carried.

Dr. T.A. Taylor President appointed Dr.L.T. Tinkle on the Procurement & Military Affairs Committee to take the place of Dr. J.C. Clement who is in Military service . There was heated discussion in regard to the action of Procurement & Military Affairs Committee in regard to the nameing of Dr. J.H. Wade for Military Service. Dr. Wade started the discussion & felt there was an irregularity in the method of voting, the irregularity as started by Dr. Wade was as follows: The Chairman of the Committee Dr. A.E. Sweatland called the meeting to order & a letter was read from Dr. Holman Taylor & after the Chairman advised the Committee that Dr.J.H. Wade was the only member eligable as Dr. M.O. Gibson had been rejected. A motion was made that Dr. Wade be named, by Dr. Dale there was no second to Dr. Dale's motion and Dr. A.E. Sweatland ask Dr. T.A. Taylor a member of the committee to act as chairman & Dr. Sweatland seconded the motion, this procedure was questioned by Dr. Wade.

The Society on motion by Dr. R.W. Taylor & seconed by L.T. Tinkle voted 5 to 2 for the Procurement & Military Affairs Committee to have another meeting some future date to correct this irregularity.

Motion to adjourn

March 12,1945
Lufkin, Texas

The Angelina County Medical Society met in regular session at the Angelina County Hospital at 7:30 PM.

Those present were: Drs. B.H. Denman,President, J.R. Dale, P.C. Clements, A.E. Sweatland, O.P. Gandy, T.A. Taylor, J.H. Wade, and Robert W. Taylor.

A general discussion was made in regard to writing congressmen about legislative affairs and it was urged that everyone do so. There was also a general discussion of charity staff. Dr. O.P. Gandy moved that the Angelina County Medical Society abandon the hospital charity staff. This was seconded by Dr. Wade. Dr. P.C. Clements made a move that the motion be amended and that the doctors treat their own charity, but that a rotating staff be set up by the Angelina County Medical Society to provide for this care of emergencies and such charity patients who have no choice of physicians and that no patients be admitted to the hospital on charity except by authority of a regular licensed physician. Dr.Dale seconded the amendment and it carried by a vote of 5 to 1. Dr. Denman moved and seconded by Dr. T.A. Taylor that a copy of the above amendment be sent to Mrs.E.L. Walters,Supt.,Angelina County Hospita l and also to the Commissioners Court. This motion was carried. The subject of a V.D. clinic was discussed and Dr.P.C. Clements moved that the matter be postponed. This was seconded by Dr. T.A. Taylor and the motion was carried.

A general discussion of nurses giving anesthetics was made. It was the concensus of those present that no nurses give anesthetics except in emergency and that doctors give their own anesthetics for posted operations.

The meeting adjourned.

March 20,1945
Lufkin, Texas

The Angelina County Medical Society met in special session at the Angelina County Hospital at 7:30 PM.

Those present were: Drs. B.H. Denman, President, P.C. Clements, L.T. Tinkle, T.A. Taylor, M.O, Gibson, R.B. Forrest, L.H. Denman, J.R. Dale, and R.W. Taylor.

Dr. L.H. Denman made a motion that each present member of the Procurement and Assignment Committee resign. This motion was seconded by Dr. P.C. Clements and carried. All members of the committee resigned.

Dr. L.H. Denman made a motion that the president nominate three or more members of the society to serve on the Procurement and Assignment Committee and that these names be submitted to Dr. Holeman Taylor. This was seconded by Dr.Dale and carried.

Dr. L.H. Denman made a motion that the Society cooperate with the Federation of Women's Clubs in any thing they may do toward organizing a V.D. clinic in Lufkin. The motion was seconded by Dr. T.A. Taylor and carried 6 against 2.

Dr. Joe Burch in the absence of the President Dr. Dale Medford called a special meeting to order.

Those present were Dr's L.H. Denman, J. Burch, L.T. Lunkle, J.C. Clement, J. Wafer, J.C. Klein, M. Gibson, O.P. Gandy.

Dr. J.C. Clement opened the discussion and stated that the recent article in the Luffkin Daily News was a personal insult to Dr. Dale and recommends a thanks be given Dr. Dale for his work on the Hospital board. Dr. Dale has been on the Hospital board off & on since 1927.

Dr. J.C. Clement made a motion that the acting President appoint a committee of three to draw up a resolution of thanks to Dr. Dale for his services on the Hospital board during the past years, off and on, since 1927. This resolution to be published in the daily paper. Motion 2nd by Dr. Klein Unanimous approval. No negative votes. Dr. Burch appointed Dr's J.C. Clement L.T. Lunkle, & J.C. Klein as the committee.

Meeting adjourned at 8:20 pm.

J.C. Klein Secy.

25 July 1947.

Dr. Dale Medford opened the meeting at 7:55 pm.

Minutes of the last meeting were read and approved. - no descending votes.

Those present were Dr's. Dale Medford, J.C. Clement, Dale, Burch, Wafer, Evans, J.A. Taylor, J. Wade, D.W. Taylor & Klein.

Dr. Medford opened the discussion concerning the recent letters between the Doctors and Mr Beaumier.

Dr. Wade stated that as long as the purpose of the letter to Mr. Beaumier has been obtained and sees no reason for publishing the letters.

Dr. J.C. Clement states that the Doctors and the Hospital have been the silent end of everything and this has

Copied from an original at The History Center Diboll, TX 2016:040 www.TheHistory CenterOnline.com

to be stopped. Mr Beaumier has refused to be present for the meeting tonight with the Doctors. He states that he objects to retracting the letters.

Dr. T. G. Taylor stands on parliamentary law as the signers of the letter do not involve the County Medical Society so this is not a Society matter.

Dr. Klein made a motion that the Angelina County Society discuss the present problem of the letters to Mr Beaumier as an open discussion. Seconded by Dr. Wade - No negative votes.

Open discussion - on these letters followed.

Dr. Wade makes a motion that the signers of the letter are responsible for the letter, and the Angelina-County Medical Society be not involved as a Society 2nd by Dr. T. G. Taylor.

No negative votes.

Dr. R. W. Taylor moves that the society adjourn. 2nd By Dr. Reed.

no negative votes.

9 February 1948

The regular monthly meeting of the Angelina County Medical Society was held at the Angelina County Hospital with Dr. Joe Burch presiding, and the following members in attendance: Drs. Burch, Byford Denman, Klein, Robert Taylor, Sweatland, J. C. Clement, T. A. Taylor, Gandy, Hyman, and Medford.

Clinical cases were presented by Dr. Robert Taylor and Dr. Joe Burch. Dr. James Klein presented a paper on "Continuous Caudal Analgesia", which was discussed by Drs. Burch, T. A. Taylor, and J. C. Clement.

Dr. T. A. Taylor announced that the Hospital Board was considering the institution of a Hospital Staff. Dr. Taylor requested that the secretary read a communication from the Board to the Medical Society. The communication dealt with the proposed new regulations for the hospital and, following a general discussion, President Burch appointed a committee composed of Drs. J. C. Clement, T. A. Taylor, and Gail Medford to study the regulations.

The application of Dr. J. H. Alexander for membership in the Society was read. Dr. B. H. Denman moved that Dr. Alexander's application be accepted. This was seconded by Dr. Sweatland, and the motion carried unanimously.

There being no further business the meeting adjourned at nine p.m.

9 March 1948

The regular monthly meeting of the Angelina County Medical Society was held at the Angelina County Hospital with Dr. Joe Burch presiding, and the following members in attendance: Drs. Burch, B. Denman, Klein, J. C. Clement, Gibson, Medford, And Peebles.

The program was to have consisted of a paper by Dr. T. A. Taylor. Due to Dr. Taylor's absence there was no scientific program.

Dr. J. C. Clement reported for the committee on recommendations: that in view of the recent newspaper publicity and the action by the Hospital Board, the committee submits a negative report and asks to be relieved. President Burch accepted the report and discharged the committee.

Dr. Burch appointed the Legislative and Public Relations Committee
Dr. J. C. Klein, Dr. M. O Gibson, & Dr. B. H. Denman.

Dr. Burch then appointed Drs. T. A. Taylor, Dr. M. O. Gibson, and Dr. Robert Taylor as a special Resolutions committee to express sympathy on the death of Dr. A. E. Sweatland.

There being no further business the meeting adjourned at 7:50 p.m.

Angelina County Medical Society

Lufkin, Texas

J. H. WADE, M. D. President | A. E. PERCY, M. D. Vice-President | W. D. THAMES, M. D. Secretary

The September meeting ofthe Angelina County Medical Society was held Wednesday night, September 28, 1949, at the Lufkin Country Club at 7:30.

The meeting was opened by the president, J. H. Wade, and the minutes were read and approved.

The applications of J. M. Montgomery, M.D., Diboll, and Joe Walker, M.D. were presented and they were approved for membership in Society.

During the business session the question of the $25.00 donation arose. Dr. Gail Medford said rest of societies were 80% and that our councilor, Dr. Powell, was greatly distressed by our poor showing. This subject to be discussed further at next meeting.

The speaker for the evening was Dr. R. L. Sanders, Head of Surgery, University of Tennessee Medical School at Memphis, and he spoke on "General Practioner's View ofGall Bladder Disease". Afterwards, the talk was discussed in an open forum.

Invitations were extended to the meeting to doctors in surrounding counties and guests present were: Doctors Joe Walker, Lufkin: Saddler, Jasper: Pennington, Nacogdoches; Goolsby, Crockett; Brown, Crockett: Jackson, Rusk; McDonald & wife, Alto: Nelson, Nacogdoches; Herman, Groveton: Marsh, Nacogdoches. Nurses from Lufkin present were: Mms. Grimland, Milligan, Hayes, Walters, and Davis.

Members of local society present were: L. T. Tinkle, Dan Spivey, Bobby McVicker, J. C. Clement, J. H. Wade, J. H. Alexander, M. A. Estep, A. E. Percy, Groom Shepard, J. C. Klein, R. W. Taylor, T. A. The Angelina County Medical Society met October 10, 1949 at the Angelina County Hospital at 7:30 P.M. with the following members present: Dan Spivey, J. H. Wade, Gail Medford, L. H. Denman, L. T. Tinkle, J. C. Clement, J. C. Klein, Bernard Hyman, T. A. Taylor, W. D. Thames, Jr., C. W. Evans, R. W. Taylor, and Bobby McVicker.

The meeting was opened by the president, J. H. Wade. The minutes read and approved.

Question of the $25.00 donation was brought up. Dr. Powell, Councilor of 10th District who was our guest, said we should pass some resolution endorsing assessment and that all members should pay. He stated that the money was needed badly. He also said that the Society should write a letter to Legislature. After the discussion, the Society voted in favor of endorsing the assessment and the campaign.

The speaker for the evening was Dr. L. C. Powell, Beaumont, Councilor for 10th District, who spoke on "Sterility". Dr. Powell spoke first about duties of councilor and urged our Society to enlarge membership. Also in his talk he said the idea and method of limiting number of labs in state should be amended. (This pertaining to new law passed in regard to pre-marital medical examination). This was discussed pro and con by Society. Then Society voted by majority to write a letter to Dr. Cox, State Health Dept., Austin, stating we as a Society are not in favor of method now being used in qualifying labs.

The meeting adjourned at 9:10 P.M.

Respectfully submitted.

The Angelina County Medical Society held their annual banquet at the Hotel Angelina January 17, 1950 at 7:30 PM. Dr. Jack H. Wade, the out-going president, presided and introduced the old and new officers.

Dr. C. W. Evans, Jr. gave a short explanation of the program and then turned the program over to Dr. Wade. The program was as follows:

1. Several vocal selections by Mrs. Robt. Taylor accompanied at piano by Dr. Byford Denman.
2. Piano selections by Mrs. Jack Wade with Dr. Byford Denman on the drums and Dr. Evans on the saxaphone.
3. Jazz session with Dr. Byford Denman on drums, Dr. Evans on saxaphone and Mr. Lyle Blackmore, guest, at the piano.

Wives of the members were guests. Program and banquet enjoyed by all. Mrs. Perdue from Houston was guest of Dr. Byford Denman.

Dr. Evans made a short talk and asked for cooperation of all members in helping plan programs. Dr. Thames made announcement concerning payment of dues. Meeting adjourned.

ANGELINA COUNTY MEDICAL SOCIETY

LUFKIN, TEXAS

A. E E. PERCY, M. D. President
R. K. K. ARNETT, M. D. Vice President
B. H HYMAN, M. D. Sec'y-Treas.

The regular meeting of the Angelina County Medical Society was held at the Episcopal Parish House February 12,1951, at 8:00 P.M.

The meeting was called to order by the VicePresident, Dr. Arnett. Minutes of the last meeting were read and approved. Dr. Percy, the President then took charge of the meeting. There being no further business at hand Dr. Arnett introduced the first speaker, Dr. D.D. L. Tuttle of Houston, who addressed the group on the subject of "Nonmalignant Tumors of the Breast."

Dr. Tuttle stated that cancer of the breast is currently an important subject. It is necessary to know benign tumors in order to differentiate these from cancer. Tumors in upper outer quadrant should be suspected of cancer. Benign tumors are listed as lipoma, epidermoid cysts, chondroma, myxoma, fat necrosis, fibro-adenoma, papilloma, and cysts. Bleeding from the nipple does not necessarily mean carcinoma. Fibrocystic disease may degenerate to cancer. Dr. Tuttle's paper was illustrated with charts, and sections of breast neoplasms.

Dr. Percy then introduced the second speaker, Dr. Harbert Davenport of the Travis Clinic, Jacksonville. Dr. Davenport followed with his classification of breast tumors.

Ageneral discussion of the subject followed.

Dr. T. A. Taylor and Dr. Percy expressed the appreciation of the membership for the two excellent papers presented by Dr. Tuttle and Dr. Davenport.

Members present were: A.E. Percy, R.K. Arnett, Bernard Hyman, Byford Denman, Mitchell Gibson, Felix Peebles, P.C. Clements, J.C. Clement, W.D. Thames, C.W. Evans, J.H. Wade, R.W. Taylor, T.A. Taylor, J.C. Klein, Gail Medford. Guests present were: Dr. Herman of Groveton, Dr. Singleton and Dr. Wall of Corrigan.

The meeting adjourned at 9:00 P.M.

Respectfully submitted,

Bernard Hyman M.D.

B. HYMAN, M. D. Sec'y-Treas.

The regular meeting of the Angelina County Medical Society was held on April 9, 1951, at the Angelina County Hospital at 7:30 P.M.

The meeting was called to order by Dr. A. E. Percy. The minutes of the previous meeting were read and approved.

The question of admission of Doctor C. McCasland was brought up, but since there was no report from the Harris County Medical Society secretary at this time the question was shelved for this meeting.

Doctor Arnett asked what action had been taken on the Blue Cross Insurance plan. There were not enough members present interested in participating at the present time.

Doctor Percy reminded members to attend a lecture by Mrs. Rex Fortenberry on " Socialized Medicine " to be sponsored by the County Medical Auxiliary April 19, 1951/

HYMAN
Dr. ~~Arnett~~ was to see if Dr. Raymond Gregory of Galveston could present a paper at the May meeting.

Members present were J. C. Clements, B. H. Denman, W. D. Thames, J. H. Wade, R. K. Arnett, B. H. McVickers, A. E. Percy, and Bernard Hyman.

A motion was made to close the meeting at 8:15 P.M. Motion was seconded and passed.

ANGELINA COUNTY MEDICAL SOCIETY

LUFKIN, TEXAS

A. E. PERCY, M. D. President
R. K. ARNETT, M. D. Vice President
B. HYMAN, M. D. Sec'y-Treas.

The Angelina County Medical Society met in special session August 14, 1951 at the Angelina County Hospital at 7:30 pm.

Members present were Doctors Arnett, Burch, P.C. CLements, Estep, Evans, Gibson, Hyman, Klein, Medford, McVickers, Peebles, Percy, Shepard, R.W. Taylor, T.A. Taylor, Thames, and Tinkle.

Dr. Percy opened the meeting. Reading of the minutes were dispensed with. Dr. Percy introduced a Red Cross drive for blood donors. This subject was to be enlarged upon at a future meeting.

The subject of financial difficulties at the Angelina County Hospital was introduced. Dr. Percy asked for opinions of members present on the failure to pay nurses at the hospital. Dr. McVickers stated that the board of County Commissioners had failed to set up a budget for the year 1951. After considerable discussion Dr. Evans suggested that a committee be appointed to confer with the Commissioners Court. There was no immediate motion following this suggestion. Dr. T. A. Taylor made a motion to appoint a committe of three to visit with the Commissioners Court meeting jointly with hospital board of managers, with the purpose of working out a plan operate the hospital so that hospital debts could be discharged on time. This motion was carried unanimously, but an amendment was made to add a fourth member to the committee. Dr. Percy then appointed Dr. T.A. Taylor, Dr. P. C. Clements, L.H. Denman, Chairman, and L.T. Tinkle. Dr. Taylor requested the action of the medical society be published in the Lufkin Daily News.

Dr. Percy appointed a committee to study the by-laws which were to be presented at the next regular meeting. The committe appointed was Doctors Hyman, T.A. Taylor, and M.O. Gibson.

Motion was made to adjourn the meeting, and seconded.

Respectfully submitted,

Bernard Hyman, M.D.
Secretary

ANGELINA COUNTY MEDICAL SOCIETY

LUFKIN, TEXAS

A. E. PERCY, M. D. President
R. K. ARNETT, M. D. Vice President
B. HYMAN, M. D. Sec'y-Treas.

A regular meeting of the Angelina County Medical Society was held at County Hospital September 17th 1951 at 7:30 pm.

Members present were Doctors Estep, J.C. CLement. W.D. Thames, Gail Medford, M.O. Gibson, B.H. McVickers, Feelex Peebles, A. E. Percy and Bernard Hyman.

The secretary read the minutes of the previous meeting which were approved.

In discussing business at hand, the question of a communication to the State Secretary upon Dr. J. E. Arrington was brought up. The secretary was advised to indicate that Dr. Arrington was not regarded as an ethical practicing physician.

There was a short discussion of the Harris County Blood Bank, and Dr. Medford mentioned that when the bank became functional it may be made available to adjacent communities including Lufkin.

The question of Constitution and By Laws was introduced by the Secretary, and the committee was asked to report at the next meeting.

A motion was passed to obtain a Medical Society kit as required.

Dr. Percy brought up the subject of the need for training practical nurses. Doctors Estep, Peebles and Gibson were then appointed to a committee to investigate training of nurses.

There being no further business the meeting was adjourned.

Respectfully submitted,

Bernard Hyman, M.D.
Secretary

No meeting in October

ANGELINA COUNTY MEDICAL SOCIETY

G. S. SHEPARD, M. D.
Secretary-Treasurer

The regular monthly meeting of the Angelina County Medical Society opened at 7:30 p.m. March 10, 1952.

The following members were present: Doctors R. K. Arnett, J. C. Clement, P. C. Clements, Charles W. Evans, M. O. Gibson, Bernard Hyman, J. C. Klein, B. H. McVicker, Gail Medford, A. E. Percy, G. S. Shepard, Robert Taylor, W. D. Thames, Jr., L. T. Tinkle, and J. H. Wade. Dr. H. A. Wall, Jr. from Corrigan was present.

Minutes of a called meeting held February 12, 1952, were read and approved.

President Arnett announced that arrangements had been made for representatives of the American Red Cross to meet with members of the County Society the evening of March 11 to discuss whether or not Lufkin will be included in the American Red Cross Blood Bank program.

The fact was made known that Dr. Joe Burch, formerly of this city, has notified certain members of the Society that he is no longer an alternate delegate to the State Medical Association annual meeting. Dr. Klein nominated Dr. Gail Medford alternate delegate. Dr. Medford was unanimously elected.

Motion was made by Dr. Shepard that the Medical Society purchase Golde "Air-Flo Stereopton" for 3¼ x 4" slides with adapter for 2 x 2" slides. This motion carried.

Following the business meeting, Dr. Holman Taylor, Houston, discussed Diagnosis and Treatment of Contact Dermatitis. After Dr. Taylor's talk, Dr. E. M. Yow, also of Houston, discussed The Use of Antibiotics in Various Types of Infections. A period of questions and answers followed each of the above doctor's talks.

The meeting adjourned at 10:05 p.m.

Respectfully submitted,

G. S. Shepard

Special meeting Angelina County Medical Society was held March 11, 1952.

The following members were present: Doctors J. C. Clement, R. K. Arnett, Robert Taylor, M. O. Gibson, Charles W. Evans, Jr., Gail Medford, A. E. Percy, G. S. Shepard, J. H. Wade, M. A. Estep, L. T. Tinkle, and O. M. Dillen.

The purpose of the meeting was: (1) Attendance of second telephone program presented by State Medical Association; (2) Discussion with a representative of the American Red Cross of the possibilities of Angelina County participating in the American Red Cross Blood Bank program.

Mr. Hector Wark, Chairman of the local Chapter of Red Cross, represented the American Red Cross. This discussion lasted some thirty minutes and various angles were considered. It was decided that the Medical Society does not wish to participate in this program without further consideration. This offer was made by the Society--that, if possible, the Red Cross should have its mobile unit for blood collection visit Lufkin one time and thus give the doctors and the people here a chance to see more what it is like, after which time it was felt the Medical Society would be in a position to give the Red Cross either an affirmative or a negative answer. Mr. Wark agreed to see if such arrangements can be made.

Meeting adjourned at 9:00 p.m.

Respectfully submitted,

G. S. Shepard

The regular monthly meeting of the Angelina County Medical Society was held at the Episcopal Parish House April 14, 1952, at 7:30 p.m., Vice-President Byford Denman presiding.

The following members were present: Doctors J. C. Clement, P. C. Clements, Byford Denman, Charles W. Evans, Jr., M. O. Gibson, Felix Peebles, A. E. Percy, G. S. Shepard, Robert Taylor, and J. H. Wade. Guests were Doctors Wall and Singleton, Corrigan; Hermann, Groveton; Bell and Henry Tucker, Nacogdoches.

Minutes of the regular meeting on March 10 and a called meeting on March 11 were read and approved.

The secretary read a letter from Mr. Hector S. Wark, Chairman, Angelina County Chapter, The American Red Cross, stating that arrangements could be made for one visit of the Red Cross bloodmobile with no obligation for future visits unless requested by the Red Cross and the Medical Association. Dr. Charles W. Evans, Jr., made the motion that the County Medical Society agree to the offer made by the Red Cross. The motion was seconded and carried unanimously.

The secretary read a letter from Dr. W. D. Thames, Jr., in which he requested that his name be placed on the Society's list of members in military status because of his call to active duty by the United States Navy. Dr. Robert Taylor made the motion that Dr. Thames be placed on inactive status accorded members of the County Medical Society in military service. The motion was seconded and passed unanimously.

Doctors Robert Gardner and Luke Able, of Houston, were the guest speakers for the evening. Their subject was Medical and Surgical Aspects of Dysnea in Infancy.

Following this program, the meeting adjourned.

Respectfully submitted,

The regular monthly meeting of the Angelina County Medical Society opened at 7:30 p.m. May 12, 1952. Meeting was held at the Episcopal Parish House.

The following members were present: Doctors Kenneth Arnett, J. C. Clement, P. C. Clements, Byford Denman, M. A. Estep, Bernard Hyman, J. C. Klein, B. H. McVicker, G. S. Shepard, Robert Taylor, L. T. Tinkle, and J. H. Wade. Dr. Hermann, of Groveton, was a visitor The following nurses were present as visitors: Mrs. Hayes, Mrs. Hawthorne, and Miss Del Bueno.

Because of President Arnett's absence during the first part of the meeting, the meeting was called to order by Vice-president Byford Denman. Minutes of the previous meeting were read and approved. Dr. Arnett read a letter from the American Cancer Society. This letter sought the approval of the County Medical Society in presenting their film "Self-Detection of Cancer"to various lay organizations of the city. Dr. J. C. Clement stated that he had seen the film and believed it worthy of public attention. Dr. Byford Denman made the motion that the County Medical Society go on record as endorsing this film. The motion was seconded and the Society voted their approval.

Dr. Bernard Hyman called attention to an advertisement in the Lufkin Daily News by a member of the Society. After brief discussion, Dr. Byford Denman made a motion that a committee be appointed to investigate said advertising by a physician in the Lufkin Daily News. Dr. Arnett said that he would appoint this committee later.

The following scientific program was then presented. Dr. White, Associate Professor of Surgery, Baylor University Medical School, gave an interesting discussion of malignant melanoma. The following doctors discussed the use of some of the newer drugs used in the treatment of hypertension: Dr. Moyer, Associate Professor of Internal Medicine; Dr. Miller, Assistant Professor of Internal Medicine; Dr. Mills, Senior Resident, Internal Medicine--all from the Department of Medicine, Baylor University Medical School.

Following the period of questions and answers, the meeting adjourned at 10:15 p.m.

The Angelina County Medical Society held a called meeting at Memorial Hospital July 31, 1952, for special consideration and acceptance of the report of the Board of Censors concerning the case of advertising by one of its members.

Members present were: Doctors R. K. Arnett, L. H. Denman, J. H. Wade, Dan Spivey, J. C. Klein, J. C. Clement, P. C. Clements William Mitchell, G. S. Shepard, C. W. Evans, Felix Peebles, Jr., Gail Medford, and Bernard Hyman.

Doctor O. M. Dillen is said to have advertised for practice in The Lufkin Daily News in May, 1952. Dr. J. H. Wade, Chairman of the Board of Censors, gave his report orally and stated that he would give Dr. Arnett a written summary of the report. Dr. Wad stated that he and one other member of the Board of Censors contacted Dr. Dillen and discussed this matter with him. He state that Dr. Dillen said that he is sorry this has happened and that it will not happen again; also, that he hopes the Society will not hold this matter against him. Members of the Society present then voted by secret ballot guilty or not guilty of advertising. The votescast were 9 not guilty and 2 guilty. Dr. Arnett stated that as of now this matter will be dropped.

With no further business to come before the Society, motion was made and seconded for adjournment at 8:45.

Respectfully submitted,

G. S. Shepard

FORD DENMAN, M. D.
Vice-President

S. SHEPARD, M. D.
Secretary-Treasurer

Regular monthly meeting of the Angelina County Medical Society opened at 7:30 p.m. on September 8, 1952. The meeting was held at the Episcopal Parish House.

The following members were present: Doctors Kenneth Arnett, J. C. Clemen P. C. Clements, Byford Denman, C. W. Evans, Mitchell Gibson, Bernard Hyman, J. C. Klein, Gail Medford, G. S. Shepard, Dan Spivey, and Robert Taylor. Doctors F. C. Orman and William Mitchell were guests.

Minutes of the last regular meeting were read and approved.

Mr. H. J. Shands, Jr., was present during the first fifteen minutes of the meeting and discussed points which should be considered in buying health insurance.

The following resolution regarding the death of Dr. T. A. Taylor was presented to the Society by Dr. Bernard Hyman:

"Resolution by the Angelina County Medical Society

"The Angelina County Medical Society observes with deepest regret and sorrow the death of its oldest member, Doctor T. A. Taylor. Doctor Taylor had been a member of the society since 1908.

"He had served on many local and state offices during his long affiliation in medical organizations, and the wisdom of his counsel will be missed by his associates.

"The membership of this society wishes to extend this resolution of sympathy to Mrs. T. A. Taylor, and to Doctor Taylor's sons, Mr. Herman Taylor, Doctor Robert Taylor, and Doctor Wayne Taylor."

Dr. Medford made the motion that the Society adopt this resolution. Motion was seconded and passed unanimously. President Arnett asked that the secretary send copies of this resolution to members of T. A. Taylor's family.

It was noted that Dr. F. C. Orman and Dr. William Mitchell have made application for membership to the Angelina County Medical Society. These applications are to be turned over to the board of censors and the applicants will be voted upon at the next regular meeting.

The question of courtesy privileges at the Angelina County Hospital for the only Negro doctor in Lufkin was brought before the house. Pros and cons were discussed by various members. Doctors P. C. Clements and J. C. Clement together formulated the following resolution regarding hospital privileges in the county hospital by Lufkin's Negro physician, Dr. S. C. Packer. (There was an item in last Sunday's Lufkin Daily News stating that the governing board of the Angelina County Hospital has granted Dr. Packer staff privileges.)

"Resolved that the Angelina County Medical Society goes on record as disavowing any connection with the recent action of the 'powers that be' in extending staff privileges in the Angelina County Hospital to doctors not members of the County Medical Society. It is pointed out that this action was taken without consultation with or advice from the County Medical Society. The Medical Society therefore goes on record as neither condoning nor condemning the action of the board of managers and assumes no responsibility in the matter."

Dr. Byford Denman made motion that this resolution be adopted. Motion seconded and vote was unanimous for adoption.

Attention was called to the Society that a large portion of the hospital records at the Angelina County Hospital prior to 1949 was destroyed as ordered by the governing board of the hospital. After some discussion, Dr. Medford made a motion that the following resolution be adopted:

"The Angelina County Medical Society deplores the irresponsible action which resulted in the destruction of the permanent records at the Angelina County Hospital. The Society questions the authority of the board to order these records destroyed and feels that it is a matter for investigation for the Angelina County Commissioners Court."

The motion was seconded and the vote was unanimous in accepting this resolution.

Question of night calls at the hospitals was discussed. Since no definite decision was reached as to how this problem can be handled at this time, Dr. Arnett appointed the following members on a committee to study the problem and make recommendations at the next meeting: Dr. J. C. Clement, chairman; Dr. Robert Taylor; Dr. C. W. Evans.

A report on the meeting concerning the Red Cross blood donation program was given by Dr. Arnett, who attended this meeting on August 28, 1952. Some of the points are as follows:

They want all new donors each time.
They want no RH Negative donors.
They want no Type B or Type AB donors.
Individual donor types will be made permanent record by the American Red Cross. These records will be available to local doctors only as each donor gives permission for this.

The first donations will be Thursday, October 9, from 1:00 to 7:00 p.m. Dr. Arnett appointed the following committee to be responsible for a doctor being present at that time to help as needed: Dr. Robert Taylor Dr. Byford Denman, and Dr. Dan Spivey.

A total of seven collections is scheduled for the coming year. The Red Cross understands that this first collection is to be a trial to be accepted or rejected by the County Medical Society.

Dr. Byford Denman made a motion that the Society adjourn. Motion was seconded. Adjournment at 9:30 p.m.

Respectfully submitted,

G. S. Shepard, M. D.
Secretary

The regular monthly meeting of the Angelina County Medical Society was held October 13, 1952. Meeting was held in the Personnel Room of the Lufkin Foundry. Meeting opened at 7:30 p.m. and adjourned at 9:20 p.m.

The following members were present: Doctors Kenneth Arnett, J. C. Clement C. W. Evans, Gail Medford, G. S. Shepard, and J. H. Wade.

A movie on the early diagnosis of gastro-intestinal cancer was presented.

A report from the committee appointed at the last meeting to check into the matter of night calls at the local hospitals was deferred because the committee had not finished its study. Dr. Wade, Chairman, Board of Censors, made a motion that Doctors Forrest C. Orman and William A. Mitchell be accepted into the Medical Society as active members. The motion was seconded and the vote for this was unanimous.

Dr. Medford called attention to the fact that the Texas Cancer Society has offered to hold a tumor clinic here for attendance by the doctors of this area. Date for this was set November, 1952. After discussion, it was decided that the Society should like to have this group present their clinic at the above date. Dr. Medford was asked to notify the Texas Cancer Society of this decision.

Letter from Dr. Carlos Fuste regarding the Association of American Physicians and Surgeons was read by Dr. Arnett. This letter was accompanied by printed material urging membership. No definite decision was made.

Letter from Dr. C. McCasland, of Highlands, Texas, requesting a transfer from Angelina County Medical Society to the Harris County Medical Society was read. Considerable discussion. Old minutes regarding Dr. McCasland's expulsion from Angelina County Medical Society and Beaumont Medical Society read. Motion made by Dr. Wade that secretary write Dr. McCasland and suggest he contact secretary of Harris County Medical Society. It is believed he can apply for membership there without going through this Society. Motion that Dr. McCasland's check be returned to him was incorporated into the above motion by Dr. Wade. This motion was seconded and approved by unanimous vote.

Letter from Texas Medical Association was read asking if the local medical society would like for Dr. Charles W. Spears, who died in July, to be honored during the memorial services of the next annual session. The secretary was instructed to write Texas Medical Association that Dr. Spears never practiced in Lufkin and that it is thought he practiced near Greenville, Texas.

Dr. Wade made the motion that we adjourn.

Respectfully submitted,

The regular monthly meeting of the Angelina County Medical Society was held at 7:30 p.m. November 10, 1952, in the Personnel Room of the Lufkin Foundry.

The following members were present: Doctors Kenneth Arnett, J. C. Clement, C. W. Evans, J. C. Klein, Gail Medford, William Mitchell, Felix Peebles, F. C. Orman, G. S. Shepard, Robert Taylor. Dr. Hermann, Groveton, was a guest.

A letter from the American Red Cross was read by Dr. Arnett. This was a summary of the blood collections made by the Bloodmobile on October 9. The Red Cross wants to bring their Bloodmobile back enough times to fill their desired quota. After some discussion, Dr. Medford made the motion that any action upon this be deferred. The motion was seconded by Dr. Mitchell and the vote was unanimous for deferral. The letter will be filed.

Dr. Klein made a motion that we change the night of meeting to some other night than the usual second Monday. Discussion followed. Dr. Medford seconded Dr. Klein's motion. The vote was 10 for change, one against. The new meeting night will be the second Thursday of the month. This must be brought up at the next meeting because it will entail an amendment to the Constitution.

Following the business meeting, guest speakers Dr. John Wall and Dr. Homer Leifieste, of Houston, made talks on malignancy of the female reproductive tract and its effect upon the urogenital system. An interesting period of questions and answers followed.

Meeting adjourned at 9:20 p.m.

Respectfully submitted,

G. S. Shepard, M. D.

R. K. ARNETT, M. D.
President

BYFORD DENMAN, M. D.
Vice-President

G. S. SHEPARD, M. D.
Secretary-Treasurer

The regular monthly meeting of the Angelina County Medical Society opened at 7:30 p.m., December 8, 1952, at the Episcopal Parish House.

The following members were present: Doctors Kenneth Arnett, J. C. Clement, P. C. Clements, J. R. Dale, Byford Denman, L. H. Denman, O. M. Dillen, C. W. Evans, M. O. Gibson, J. C. Klein, William Mitchell, Felix Peebles, Jr., Forrest Orman, G. S. Shepard, Spivey, Robert Taylor, L. T. Tinkle, and J. H. Wade.

A letter from the American Red Cross was read by President Arnett. The Red Cross wishes to know the Society's desire regarding other blood collections. Dr. Byford Denman made the motion that the Society notify the American Red Cross that we are in favor of another Bloodmobile collection. Dr. J. C. Clement asked Dr. Byford Denman to alter his motion to include that we ask the Red Cross not to collect blood from our walking blood bank (namely, local industry employees). Discussion: Dr. Mitchell--"Would it not be better if they come to collect blood four times a year instead of eight times?" Dr. Arnett stated that they want to collect 1,080 donations, whether this takes eight or four times. The vote was unanimous for asking the Red Cross to come back the number of times they need to.

Question of changing meeting night from second Monday to second Thursday was brought before the Society as required in order to make this change. (This question was discussed at the last meeting.) The vote to change the regular meeting from second Monday to second Thursday was unanimous.

The following officers for the year 1953 were elected by secret ballot:

President: Dr. Byford Denman
Vice President: Dr. Gail Medford
Secretary-Treasurer: Dr. Dan Spivey
Member, Board of Censors, for three-year term: Dr. J. C. Klein
Delegate to state convention: Dr. L. H. Denman
Alternate delegate: Dr. Gail Medford

Meeting adjourned at 8:50 p.m.

The Angelina County Medical Society met in regular session on February 17, 1953 at the KTRE studio in Lufkin, Texas. The following members were present: Dr. R.K. Arnette, Dr. Byford Denman, Dr. M.A. Estep, Dr. J.C. Clement, Dr. Gail Medford, Dr. William Mitchell, Dr. Forest Orman, Dr. Felix Peebles, Jr., Dr. Robert Taylor, and Dr. Dan Spivey.

Dr. R.K. Arnett was appointed to the Planning Committee of Angelina County. Time of election of officers was discussed and the majority felt that the election of officers should be in November instead of December each year. It was decided to consult the constitution and discuss this again at our next meeting. A discussion of telephone exchange was begun but no action was taken.

A Telephone program was presented from Texas State Medical Association. Moderator was Dr. Tate Miller of Dallas, Texas.

The meeting was adjourned at 9:00 P.M.

Angelina County Medical Society
Lufkin, Texas

The Angelina County Medical Society held it's regular monthly meeting on October 13, 1953, 7:30 p.m. in the studio of Radio Station K.T.R.E. The following members were present, Doctors R. K. Arnett, B. H. Denman, Jim Klein, Gail Medford, W. M. Mitchell, Lee Roy Rice, and Dan Spivey. There was a discussion about passing a resolution giving the County Medical Society's views to local druggist on the over-the-counter sale of aureomycin, terramycin, penicillin and other antibiotics. The following committee was appointed to investigate this; Dr. R. K. Arnett, Dr. Gail Medford, and Dr. Dan Spivey.

Dr. Arnett encouraged members of our society to join the American Association of Physicians and Surgeons, which is a political organization of doctors. It's purpose is to stop socialized medicine.

There was a discussion as to what should be done in the case of one of our members who is in arrears with A.M.A. dues. It was decided he should be notified by the jurisprudence committee, and if these dues are not paid, he should be dropped from the roll until dues are paid.

The telephone broadcast, by the State Medical Society was heard on Obstetric Emergencies.

The meeting was then adjourned.

Angelina County Medical Society
Lufkin, Texas

The Angelina County Medical Society held it's regular monthly meeting on 10 November, 1953 at 7:00 p.m. at the studio of Radio Station KTRE. The following members were present: R. K. Arnett, P. C. Clements, Byford Denman, C. W. Evans, Mitchell Gibson, Benard Hyman, J. C. Klein, Gail Medford, B. H. McVicker, Felix Peebles, Groom Shepard, Dan Spivey, Robert Taylor, and Juan Martin.

The first order of business was the election of officers. The following were elected:

President:	Gail Medford
Vice President:	C. W.Evans, Jr.
Secretary-Treasurer:	Forrest C. Orman
Member, Board of Censors:	Felix Peebles

The Board of Censors now consist of:
L. H. Denman, 1 year to serve
J. C. Klein, 2 years to serve
Felix Peebles, 3 years to serve

Dr. Juan E. Martin was elected to membership unanimously on a motion made by Jim Klein and seconded by R. K. Arnett.

President Byford Denman discussed payment of dues and pointed out that one of our members, Dr. Mitchell Gibson had not paid $ 90.00 each year as outlined in the bylaws of the constitution. Dr. J. H. Wade, Chairman of the medical jurisprudence committee,read a letter which was hand-carried to Dr. Mitchell Gibson. In this letter the A.M.A. dues which had not been paid by this member were discussed. No further action by the committee will be necessary Dr. Wade stated since the non-payment of dues automatically suspends a member according to the constitution and bylaws. Dr. Byford Denman, president, received this report and stated that this member was suspended for non-payment of dues and would be immediately re-instated as soon as the dues were paid.

A discussion was held on the correspondence with the Texas Medical Association reguarding the sale of antibiotics by local druggist. Dr. C. W. Evans made a motion that a copy of the letter from the state be sent each druggist along with a letter from the society. This was seconded by Jim Klein and motion carried unanimously.

Five subscriptions to "Todays Health" which will be placed in the libraries of the schools by the Medical Auxiliary. The Medical Auxiliary had no funds with which to finance this project and they requested the Society to help in this way.

The following program committee was appointed for the annual banquet: R. K. Arnett, chairman
Jack Wade
C. W. Evans

A telephone broadcast of the use of antibiotics was presented; after which, the meeting was adjourned.

The Angelina County Medical Society held it's regular monthly meeting on 10 December, 1953 at the Episcopal Parish House. The following members were present: Byford Denman, Benard Hyman, W. M. Mitchell, Robert Taylor, Gail Medford, Jim Klein, Jack Wade, Denneth Arnett, Leroy Rice, Dan Spivey, P. C. Clements, C. W, Evans, Jr. and Forrest Orman.

Dr. Denton Kerr of Houston was the guest speaker. He discussed many current political problems confronting doctors on county, state, and national levels and our obligation as American citizens. Dr. Tom Arnold, also a guest speaker from Houston gave a talk on Prolaping Gastric Mucousa.

Dr. P. C. Clements was appointed to the jurisprudence committee to fill the vacancy left by Dr. Dale.

Dr.Denman reminded that each member must pay dues. Dr. J. H. Wade, chairman of the jurisprudence committee, discussed the case of one member who has not paid his AMA dues, after which, the meeting was adjourned.

November 9, 1953.

Doctor Mitchell Gibson,
302 Lufkin National Bank Bldg.,
Lufkin, Texas.

Dear Doctor Gibson:

I received a letter in October from the Secretary of our local County Society stating that you were behind with your A. M. A. dues since 1949. Since I am Chairman of the Medical Jurisprudence Committee of the Angelina County Medical Society, I would like to call it to your attention that according to our bylaws, any member who fails to pay his dues by January 1st shall be held as suspended, without action on the part of the society.

Also I would like to state that any member who is suspended for non-payment of dues shall be restored to full membership as soon as his indebtedness is paid.

I wanted to talk with you about this before our next meeting, but have been unable to contact you during the past two weeks.

Sincerely yours,

Jack H. Wade, M. D.

The annual officer installation banquet of the Angelina County Medical Society was held at the Hotel Angelina on January 9, 1954. Arrangements were under the supervision of Drs. J. H. Wade, R. K. Arnett, and C. W. Evans. Officers installed were:

Dr. Gail Medford, President
Dr. C. W. Evans, Vice President
Dr. F. C. Orman, Secretary-Treasurer

Refreshments and dinner were thoroughly enjoyed by all those present - as follows:

Dr. and Mrs. R. K. Arnett
Dr. and Mrs. P. C. Clements
Dr. and Mrs. L. H. Denman
Dr. and Mrs. C. W. Evans
Dr. and Mrs. Bernard Hyman
Dr. and Mrs. J. E. Martin
Dr. and Mrs. F. C. Orman
Dr. and Mrs. G. S. Shepard

The regular meeting of the Angelina County MedicalSociety was held on February 18, 1954, at 7:30 p.m. in the Episcopal Parish House. The following members were present:

	Dr. J. C. Clement	Dr. Byford Denman
	Dr. L. H. Denman	Dr. C. W. Evans
	Dr. Bernard Hyman	Dr. J. C. Klein
	Dr. J. E. Martin	Dr. Gail Medford
	Dr. Wm. A. Mitchell	Dr. Forrest C. Orman
	Dr. Leroy Rice	Dr. Dan Spivey
	Dr. Robert Taylor	Dr. J. H. Wade
Guest:	Dr. P. A. C. Singleton of	Corrigan, Texas

The meeting was called to order by the president, Dr. Medford, who read a letter from the State Medical Society relative to inactive membership in the County and State Medical Societies. He stated that if Dr. Tinkle wished to become an inactive member, he would first have to make application for membership and after his membership was accepted, make application for inactive membership. Dr. Tinkle's application for membership was then presented. A motion was made by Dr. Spivey and seconded by Dr. Klein that his application be accepted, and he was unanimously voted into the Society.

Dr. Medford then read a letter from the Negro Chamber of Commerce wanting help from the Angelina County Medical Society in their plan to improve sanitary conditions in the colored community. Drs. Taylor and Spivey, City and County Health officers, were appointed to work with the colored organization.

Dr. Medford then read a letter from Mrs. George Henderson, thanking the Society for flowers, despite the fact that no one present knew of any flowers being sent.

Dr. Everett Fox of Dallas, the speaker of the evening was introduced. Dr. Fox gave a very instructive talk in regard to the part the Veterans' Administration is playing in the treatment of the patients in the United States today. He pointed out that by far the greatest percent of the patients treated by the V. A. were not those suffering from service-connected disabilities but were those suffering from non-service-connected disabilities. He also presented statistics which showed that the majority of patients treated by the V. A. did not have chronic long-term diseases but had general medical and surgical diseases. The talk was well received, and a general discussion followed.

The following committees were then ANNOUNCED ~~appointed~~ by Dr. Medford:

Board of Censors	Dr. L. H. Denman Dr. J. C. Klein Dr. Felix Peebles
Grievance Committee	Dr. R. K. Arnett Dr. Dan Spivey Dr. Robert Taylor
Public Relations Committee	Dr. F. C. Orman Dr. P. C. Clements Dr. W. A. Mitchell
Tuberculosis Committee	Dr. Robert Taylor Dr. Byford Denman Dr. J. E. Martin
Finance Committee	Dr. J. C. Clement Dr. G. S. Shepard Dr. Bernard Hyman
Jurisprudence Committee	Dr. J. C. Klein Dr. J. H. Wade Dr. Leroy Rice

The meeting was then adjourned.

Dr. J.C. Klein	Dr. W.D. Thames
Dr. J.E. Martin	Dr. J.H. Wade

Guest: Dr. Peyton Denman of Houston, Texas.

The meeting was called to order by the president, Dr. Medford, who pointed out that according to the constitution and bylaws the clinical portion of the program was suppose to be given prior to the business meeting.

Dr. Medford then introduced the speakers of the evening, Dr. Hugh Hanson and Dr. Frank Denman of Houston, who discussed the medical and surgical aspects of arteriosclerotic areurysms of the aorta. Dr. Hanson presented the medical aspects of the disease and Dr. Denman presented the surgical aspects. There were lantern slides accompaning each phase of the presentation.

Following the discussion of the papers the application of Dr. J.C. Koch for membership in the Angelina County Medical Society was presented. A motion was made by Dr. Byford Denman and seconded by Dr. Wade that his application be accepted and he was unanimously voted into the Society.

Dr. Medford then read a letter from the Dallas Tuberculosis Association inviting the members to a seminar on tuberculosis to be held in Dallas on May 24 and 25.

As there was no further business the meeting was then adjourned.

After a social hour in the Lufkin Club provided through the couresty of the president Dr. Gail Medford, members and guests retired to the Grecian Room were an unusually good meal was thoroughly enjoyed.

Following the dinner the meeting was called to order by the president De. Gail Medford, who presented the speakers of the evening. The first speaker was Dr. Denton Kerr of Houston, member of the Board of Trustees of the State Medical Association, who discussed the facilities of the State Medical Association which were available to the members of the Society and some of the function of the Board of Trustees.

The second speaker was Mr. C. Lincoln Williston of Austin, assistant executive secretary of the Texas State Medical Association, who pointed out that the State Society had three main aims for the coming year to improve relations between the State and County Societies. The first was to have each County Society visited personally during the year by some official officer in the State Medical Society. The second was to improve County Society attendance and the third was to help the County Society to provide better

The regular monthly meeting of the Angelina County Medical Society was held at Hotel Angelina at 7:30 P.M. on October 14,1954. The following members were present:

Dr. R.K. Arnett	Dr. W.A. Mitchell
Dr. Byford Denman	Dr. F.C. Orman
Dr. C.W. Evans	Dr. G.S. Shepard
Dr. Bernard Hyman	Dr. Dan Spivey
Dr. J.C. Klein	Dr. Robert Taylor
Dr. J.C. Koch	Dr. W.D. Thames
Dr. Gail Medford	Dr. J.H. Wade

The meeting was called to order by the president, Dr. Gail Medford. A motion to raise the annual dues of the Angelina County Medical Society from $90 to $100 was made by Dr. Byford Denman and seconded by Dr. Klein. It is felt that with the additional revenue to the County Society, more dinner meetings of the type which was held in October would be possible. The motion was held for voting during the November meeting in accordance with the County Medical Society constitution.

A motion was made by Dr. Koch and seconded by Dr. Evans that the Society buy the ususal subscriptions of "Todays Health" for the County Auxilliary. The motion carried unanimously.

Dr. Medford then introduced the speaker of the evening, Dr. Hardy Kemp, Professor of Preventive Medicine at Baylor University School of Medicine. Dr. Kemp discussed the subject of City - County Health Units. He outlined very clearly the requirments in the matter of personell and finances which would be necessary to staff a unit of this type for Angelina County. He also indicated to some extent the amount of financial help which might be expected from the state government. He gave the following six functions whcih should be performed by the unit. These were:

1. Registration, tabulation and analysis of births, deaths, and notifiable diseases.
2. Controll of communicable diseases.
3. Environmental Sanitation.
4. Public Health Laboratory Service.
5. Maternal and Child Health.
6. Public Health Education.

Dr. Kemp also pointed out the inherent differences in the practice of preventive medicine and curative medicine and the inherent dangers which would be present if the Public Health Officer in charge of the unit had to combinehis duties to encompass the two types of practice.

The address was very informative and interesting and considerable discussion resulted. During the discussion the secretary was requested to write to the Committee on Administrative Practice, American Public Health Association in New York for literature on the

The annual business meeting of the Angelina County Medical Society was held at 7:30 P.M. on November 11,1954, at the Angelina Hotel. The following members were present:

Dr. R.K. Arnett
Dr. P.C. Clements
Dr. Byford Denman
Dr. W.A. Dillen
Dr. Bernard Hyman
Dr. J.C. Klein
Dr. J.C. Koch
Dr. J.E. MARTIN
Dr. Gail Medford
Dr. F.C. Orman
Dr. Dan Spivey
Dr. R.W. Taylor
Dr. W.D. Thames
Dr. L.T. Tinkle
Dr. J.H. Wade

The meeting was called to order by the president Dr. Gail Medford. The first order of business was to vote on a motion carried from the October meeting to raise the annual dues from ninety ($90) to one hundred ($100) dollars. A vote was held and the motion carried.

The membership of Dr. Jack Pruitt was transfered from the Harris County Medical Society to the Angelina County Medical Society. Dr. Medford then read a letter from the Texas State Medical Society relative to advertising in the telephone directory. In the discussion which followed it seemed that the majority of those present were in favor of allowing only one listing in a special category in addition to the general listing of Physicians & Surgeons-M.D.

The annual election was then held with the following officers being elected:

President: Dr. R.W. Taylor
Vice President: Dr. W.D. Thames
Secretary-Treasurer : Dr. F.C. Orman
Delegate: Dr. Gail Medford
Alternate: Dr. R.K. Arnett

Dr. Jack Pruitt was elected to the board of censors replacing Dr. L.H. Denman whose term had expired. This left the board of censors as follows:

Dr. J.C. Klein one year to serve.
Dr. Felix Peebles two years to serve.
Dr. Jack Pruitt three years to serve.

As there was no additiom business the meetimg was adjourned.

CHANGE IN CONSTITUTION

Chapter V Section 2 has been amended to read as follows:

Section 2. The annual dues shall be $100.00, and shall be payable on January 1 of each year. Any member who shall fail to pay his annual dues by January 1 shall be held as suspended without action on the part of the society. A member suspended for non-payment of dues shall be restored to full membership on payment of all indebtedness. Members more than one year in arrears shall be dropped from the roll of members.

The regular monthly meeting of the Angelina County Medical Society was held on December 9,1954, at 7:30 P.M. at the Angelina Hotel. The following members were present:

Dr. R.K. Arnett	Dr. Felix Peebles
Dr. Byford Denman	Dr. Jack Pruitt
Dr. J.E. Martin	Dr. G.S. Shepard
Dr. Gail Medford	Dr. R.W. Taylor
Dr. W.A. Mitchell	Dr. W.D. Thames
Dr. F.C. Orman	Dr. Jack Wade

The visitors were: Dr. Robert Kurth of Livingston, and Mr. Horace Cardwell of Lufkin.

The meeting was called to order by the president, Dr. Gail Medford, who introduced the speaker of the evening, Mr. Philip Overton, of Austin, the General Council of the Texas Medical Association . Mr. Overton's subject was "Malpractice and Other Legal Aspects of Medicine". He discussed the raised rates in Malpractice insurance and discussed the Legal Aspects of Medicine using the pamphlet "Facts to Protect You and Your Patient" which was compilied and distributed by the Council on Medical Defense in May of 1953. There was considerable discussion following the talk. Dr. Medford appointed the following committee for the dinner meeting for the installation of officers in January. F.C. Orman chairman, W.D. Thames, Byford Denman.

As there was no further business the meeting was adjourned.
