Memorial Hospital

Keltys, Texas
May 2, 1949

To Our Employees (Lumber Company and A&NR)

Our new Memorial Hospital will be ready to receive patients some time between the opening ceremony May 7 and Monday, May 16. Every effort is being made to have it ready by Thursday, May 12. This hospital was built and equipped by your company and other local companies primarily for employees (and their dependents) of the contributing industries.

Your Management has arranged for group hospitalization insurance for its employees and their dependents and recommends that each and every employee be covered by this type of insurance for your own protection as well as your dependents. To get the benefits of this group hospitalization insurance it is necessary that at least 75% of our employees join in the plan. For your information, there is given below a brief summary of the benefits provided by the plan, as submitted by Aetna Life Insurance Company, our present group life insurance carrier. Also shown are the monthly premium rates, one-half of which your company will pay, leaving the other one-half to be paid by you.

Daily hospital room and board benefits $6.00

Maximum number of days for which room benefits will be paid for each disability 31

Maximum miscellaneous hospital charges for each disability 186.00
(This includes all charges made by the hospital with respect to hospital confinement in addition to room and board. In maternity cases the total benefits for both room and miscellaneous is $60 instead of as shown above)

Maximum surgical benefits for each disability 200.00
(This covers charges as made by the surgeon for the particular operation, up to the maximum shown and in accordance with detailed schedule which may be seen at the office upon request.)

Benefits payable would apply for expenses not only at MEMORIAL HOSPITAL but at any other legally constituted hospital, but would not apply except at such hospitals.

Monthly Premium Rates	Total	One-Half Company	One-Half Employee
Unmarried employee	$1.24	$ .62	$ .62
Married employee with wife only	3.92	1.96	1.96
Married employee with one or more children	5.47	2.74	2.73

Successive periods of hospital confinement will be considered as having occurred during one continuous period of disability unless complete recovery from the disease or non occupational injury causing the previous confinement has taken place before the later confinement or unless the later confinement commences after the employee has returned to work for one day.

Copied from an original at The History Center, Diboll, Texas. www.TheHistoryCenterOnline.com 2015:015

If our employees so desire we will discontinue present monthly doctor's fee which would mean that on all occasions it would be necessary for you to select your own doctor as there would be no company doctor. The charges for such doctor's services, would, of course, be for your expense except for operations and child birth, as the proposed hospitalization insurance does not include any reimbursement of charges for doctors for ordinary illnesses not involving surgery, although it does cover hospital charges for such cases.

To make it convenient for you there is attached a ballot for your use in signifying your willingness to cooperate in the hospitalization plan. In addition you may indicate whether or not it is your desire to continue your present monthly doctor's fee. Should 70% of our employees vote to continue the practice of having a company doctor as has been done in all past years, then there will be no change in our policy. These ballots should be returned promptly either through your foreman or direct to the office.

If additional information is desired please feel free to come by the office and discuss this matter with either Mr. Jayroe or Mr. McMullen.

Very truly yours,

E. L. Kurth

President and General Manager

Dear Sid:

On April 20, Mr. John S. Redditt sent you form of Service Contract between your firm and Memorial Hospital effective May 1, 1949. In this letter from Mr. Redditt, he suggested that as soon as you had executed the contract same should be addressed to the undersigned as Secretary of Memorial Hospital.

To date your contract has not been received and inasmuch as Memorial Hospital will soon be in operation, it is hoped it will be convenient for you to give the matter early attention, not overlooking to send with the Contract, a statement showing names and dates of birth of all employees and their dependents. Also, it will be necessary to show the relation of the dependent to the employee.

Kindest regards,

Mr. W. S. Scott
Angelina & Neches River Railroad Co.
Keltys, Texas

Dear Mr. Scott:

I have received the booklets on Memorial Hospital that the Board of Directors authorized to have printed. It was the Board of Directors' desire that each employee of the participating industries receive one of these booklets.

If possible, I would appreciate you sending someone from your Company to the hospital to pick up your quota of booklets.

Sincerely yours,

H. M. Cardwell,
Administrator
