Monday afternoon

Dear Denard:

What have you been doing this bad weather staying in the house most all of the time. I have been staying in the old house too. I believe it is going to be cold.

I guess you wont to go to schoal. Is Emma Dean going this week.

You will have to come down here and see Dorthy and I. We will have a big time.

Has your truck got any lights yet. You be a good boy and write
