UNITED STATES DEPARTMENT OF AGRICULTURE
AGRICULTURAL ADJUSTMENT ADMINISTRATION
CENTER, TEXAS, AUGUST 15th, 1939.

1939 Operator W. Y. Ramsey Work Sheet Serial No. 153

Dear Sir:

The following information regarding the farm that you are operating in 1939 is needed at once in connection with the 1940 Agricultural Conservation Program.

Please study the following questions carefully before filling in the answers. It is absolutely necessary that you give this matter your prompt attention and return this letter in the enclosed envelope which requires no postage. If you do not understand the following questions, please contact your local committeeman or this office. If you do not know the exact acreage referred to below, make the best estimate of the acreage that you can.

Commercial vegetables as referred to below means the acreage of vegetables or truck crops including onions, tomatoes, watermelons, cantaloups, Irish and sweet potatoes, strawberries, commercial bulbs, and flowers. Peas for canning or freezing and sweet corn for canning are not considered as commercial vegetables. Any vegetables grown in home gardens for home use should not be considered as commercial vegetables. If the sameacreage is planted to more than one crop of vegetables, the acreage is to be counted only once.

Question I. How many acres of commercial vegetables were planted on this farm in 1936?

_____ Acres
