Dear Home folks:

Just a line to let you hear from me again. I am O.K at the present. I hope this finds you all feeling fine. What are you all doing? Guess you have been caning peas. I don't know how I am going to get along. I started night watching last night. My biggest job is staying awake. Don't forget to send me the paper (Timpson Times) as I want to see how the votes went. I went and saw Yallie before I came back down here. How is she by now? I will write you a letter this week as I have some thing to tell you. Ans good one

Love, Lenard Ramsey
