Dear Home folks:

How are you all this beautiful Sabbath day? O.K. I hope. As for me about the same. I can't help but think about just a month ago today I was at home. mama do you intend to pay your poll-tax? and you will have to pay $2.09 Car tax too by February 1st. If you use the Car. I will send some money soon after payday. I would pay my poll-tax if I were you and Ellis will get a free vote if he will get a receipt by Feb 1st. I intended to say some-thing to you all about it in my last letter but I forgot it. Guess I will go to Church tonight as I did not get to go this morning as I am on duty. Take Care of yourselves and ans. soon, Love, Lenard.
