Dallas Texas
April 17.

Dear mama & all:
will answer your letter recieved a few days ago glad all were well, we are up I'm still grunting my head is still bothering me & Dee just got in from work & I'm tired, no mama I don't gained any I did while I was off from work but I've lost it. I weigh less now than I've weighed in a long time, sure was bad about Dorthey having the measles, did they hurt her much & has the baby taken them? Got a letter from Lin. yesterday said he thought he would get a 15 day furlough begining sunday I know you all are glad, & him to as he wanted to go home so bad. they sure sent aaron way off didn't they? I sure would like to come down nyt week but I'm not able to drive there & back. They are moving Everette around to first one station & another, he's about ready to quit, he thinks he will get an at north american he sure long, sure hate (over)

he does, so I can quit work, looks like I'm going to have to if I don't get to feeling better.

Well it sure has turned off hot but its been raining to - did you all get the Tomatoes set out I know it was a job. How are the little Chickens guess you'll got a bunch of them. They sure are big up here & egg's to.

Did Lois Clark ever get alright? she sure had a time, how much longer does Dan, have to go to school? guess he'll be glad when its out, & Ed to so he can help him. Well Emma & me finely got our painting done & got the sleeping porch fixed up, she likes it, her & Patsy have a time here by them selves all day.

I don't know what has became of Billo & Alb folks we don't ever see or hear from them, do you know what they ever done about that land? I told Emmett we aught to go over that but we're so timid at night we don't ever go any where maby to a show once in a while, will I've got to. Cook supper & for get Emmett so be good & write soon Love Lillie
