UNITED STATES DEPARTMENT OF AGRICULTURE
Agricultural Adjustment Agency
Agricultural Conservation Program

Center, Texas
November 6, 1942

Dear Producer:

Because of the War effort, the scarcity of tires, it will be necessary to elect more committeemen this year than ever before in the AAA Program.

The AAA will have more to do for the welfare of the farmers in 1943 and for the duration of the war than it has ever had before. If the farmers expect to retain control of the program it is going to be necessary to actually turn out and elect good men to fill the places of the committeemen in Shelby County this year. Community committeemen will be used to carry out practically ever phase of the Program even to measuring the land, therefore it is necessary that everyone pick good men to fill these places, and insist that they serve.

The elections will be held on the 13th of November at 2:00 PM at the following places:

Joaquin	James	Sardis	Shelbyville
Hurstown	Patrpon	Neuville	Crockett
North Center-District Courtroom		South Center-Community House in	
Ballard	Huxley		City Park
Jackson	Paxton	Tenaha	Lamar
Mt. Herman	Excelsior	Stockman	Huber
Folsom	South Timpson-up stairs above		Cotton Belt Bank
North Timpson-In Picture Theater			Weaver

Please go to the election that will be held in your community and elect a delegate and three community committeemen to serve the AAA in 1943. The delegates will come to Center on the 14th day of November and elect the County Committee.

Yours very truly,

John C. Kelley
County Administrative Officer
