DEDICATION

The world is composed of leaders and followers. By their actions, individuals classify themselves and their standing among their fellowmen. Some persons inspire leadership in others. By words and by deeds they stimulate and bring out that which is finest in those with whom they come in contact.

With sincere admiration for one who is a leader among her fellowmen, and who has inspired all those who have been fortunate enough to be with her, we affectionately dedicate this, the 1946 FANG, to MISS LUCY MELEAR.

MISS BERYL BOOZER

We, the students and the annual staff of Lufkin Senior High School, want to show our appreciation to Miss Beryl Boozer for being the sponsor of our '46 "Fang". Miss Boozer deserves much credit for the contents of this annual as well as for previous annuals.

To the Students of Lufkin High School:

Once more we read the story of another school year. To each of us within these days has come the opportunity to write glory, success, service, and honor upon its pages.

We read here the story of school days full of much living and doing, frequent conquests and earnest endeavors, varied interests and many activities.

To each of you we bring the challenge of the unwritten story of a coming school year. It promises you a fine experience in social living, a further development of your natural talents, and a deep satisfaction in doing your share by bringing honor to your high school. Make your plans now to be a part of a greater achievement for that year.

UFKIN HIGH SCHOOL

W. C. ROYLE, PRINCIPAL

LUFKIN, TEXAS

To The Student Body:

This thought I wish to leave with you--a good character is, in all cases, the fruit of personal effort, an educated will. It is not inherited from parents; it is not created by external advantages; it is not a necessary appendage of birth, wealth, talents, or station; but it is the result of one's own endeavors--the fruit and reward of good principles manifested in a course of virtuous and honorable action.

I am happy to say to the entire student body that I have enjoyed this school year. The student body is largely responsible for the type of school we have, and I truly appreciate your cooperative attitude in making a school where character building is the basis for all school program.

Sincerely, your friend,

W. C. Royle
