Dear Mama & all,

Should have dropped you all a few lines yesterday but I did not get to it. Hope you all are OK. We are pretty well.

We got back about a quarter of eight Sunday night but would not have been so late if it had not been such a lot of traffic between Willis Point and Dallas. Really did slow us up.

Guess you are busy catching up with your chores aren't you? Warren washed today so I will try to help him iron some. Sure have a big ironing this week too.

I am sending you a letter from Leonard and if you get any more I will send them on to you.

We haven't heard from Warrens folks this week. Guess we will go down there Thursday. His dad and brother-in-law went deer hunting last week-end. No news for now. Answer soon. Love, Dean & Warren
