Dear Barbara,

It's really been fun going to school with you this year. I have had lots of fun sitting close to you in most of my classes and also having my locker right next to yours!

I guess you've gotten kinda tired of listening to my troubles, but it seems you're the only one that can really understand them. Also you've been very patient when I tell you of some of my good fortunes.

I do hope we'll get to be as closely associated in Senior High as we have been in Junior High.

Well I guess I could write all day but to sum it all up in just three words:

I love you.

Martha

Dear Cuz.

Fight Song

Onward, ever onward
Onward, o'er the goal
We're gonna cross on o'er that goal line
On to Victory—Rah, Rah, Rah.

On you Junior High Cubs
For old blue and white
We're gonna Fight, Fight, Fight
And then march on to Victory.

School Song

Cheers for our Junior High
Dear to everyone
Blue and white her colors fly
From dawn to setting sun.

Leader in every field.
Honor to her name
Junior High will ever stand
In Lufkin's Hall of Fame.

Foreword

May, 1949

Here is a record of our 1948-1949 school year. During the year we have had many ups and downs, but here we wish to recall only the happy times. Most of all we all remember our teachers, our classmates, the Cubs, the blue and white, that fighting Junior High School spirit and. . . .

Dedication

We, the people, of this staff, in order to form a more perfect annual, satisfy the faculty, and insure better dedication, provide for an extra page, and secure the blessings of the teachers to ourselves and all the rest, we do ordain and establish that this book be dedicated to the FACULTY OF LUFKIN JUNIOR HIGH SCHOOL.

PRINCIPAL'S MESSAGE

The Lufkin Junior High School is what we make it from day to day. To some extent, it is what others think of us, as we go forward each day developing worthwhile habits, progressive attitudes and noble ideals. As we grow, we must never forget that we are members of a living democratic society.

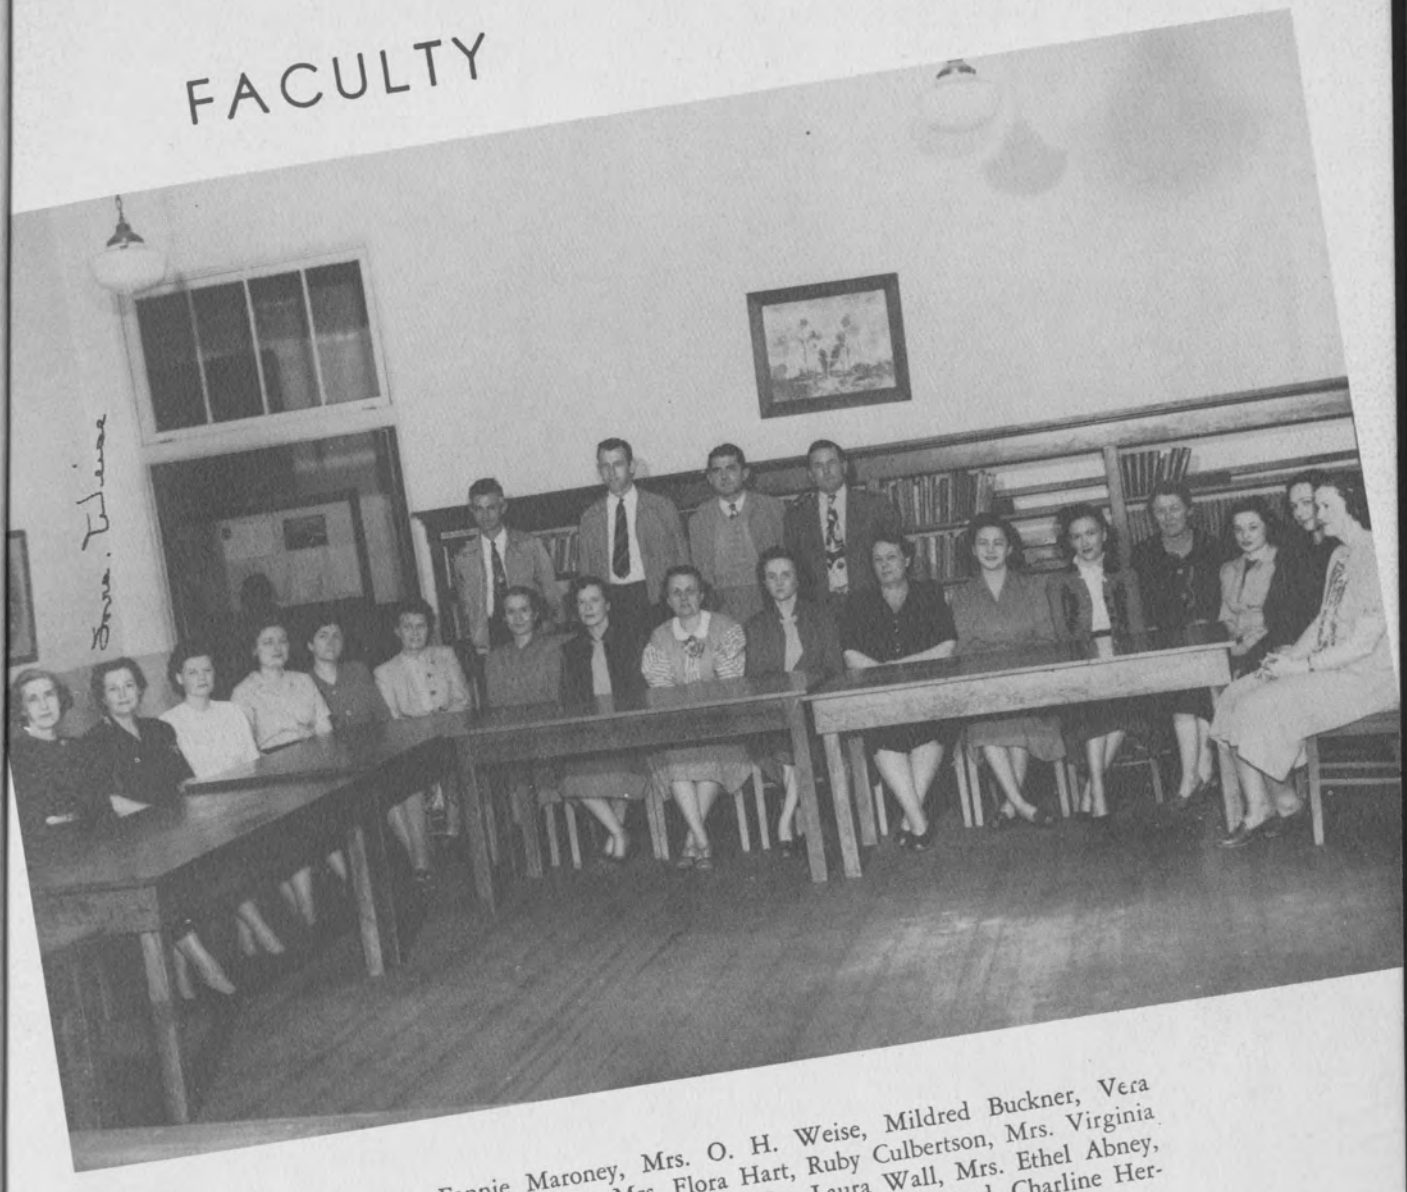

You should enjoy attending Lufkin Junior High with the many organized activities as well as the unorganized ones in which to participate. The main purpose of the school is to assist you in getting acquainted with the world in which you live, the present, the past, and to some extent, the future.

We believe that a democratic society is the highest type to which man has risen. Freedom of choice, respect for the rights of others, improvement of your mental and physical equipment, an enlightened opinion; these, we place before you as a challenge worthy of your consideration and emulation.

(Remember dear Schools Days and me)

Dear Jo, I've enjoyed going to school with you this yr and being a pesty schoolmate to you. As the year passed and I think back over the past about the people [illegible] Nancy, you and I have spooned over, how we've [illegible] each [illegible] the difference [illegible] have given [illegible] I also think [illegible] talked about [illegible] his dog, and [illegible] used about some of the [illegible] old teachers and their ways. But all in all I guess it's been a pretty good year with all its ups and downs we've had in this dear old shabby building. I hope you all the Luck and Success in life. Always remember me as a friend and I hope I see you across the hill next Sept. of 49

Dear Jodean,
You expecting me to tell you how sweet & considerate you are, but I'm not. I guess you know your sweet. I like to look back and see us in our younger days. I can remember our shared loves. Those dear treasured memories. Although our loves have been shared with other lucky people than we are still treasured them dearly. I hope years I've become friendlier with you my years have been happier. Now I hope we can go together through L.D. and graduate together. I hope we can be together until Death do us part.
Seriously now SEVENTH grade such so take my advice and stay that way.

Love Ya Lots,

Clearing Skies Cheer Flood Swept Midwest

By The Associated Press

Clearing skies in the midwestern plains states brought hopes Friday of an early end to floods that have driven more than 300 families from their homes and cost four lives.

Rivers and creeks in western Kansas began falling generally but the overflowing waters spread wider in the western Oklahoma flood zone.

Hardest hit in Oklahoma was Waurika on Beaver creek. Red Cross Field Director J. B. Green from Wichita Falls, Texas, said at least 200 families were homeless in the southern Oklahoma town. Waurika is 45 miles northeast of Wichita Falls.

Some homes were washed away and scores of others flooded. Heavy rains at Lawton, Okla., during the day threatened to pour more waters

which would have created a serious situation.

Some Wichita schools were dismissed because of high water and male students at Wichita university were released from classes to help sandbag levees.

Water reached a depth of three feet in some places in Dodge City, Kan., before the fall started there this morning. No major damage was reported with families moving out well in advance of the rise yesterday.

Lowlands at Fort Cobb, Andarko, and Chickasha were in the greatest danger in southwestern Oklahoma and reservoir engineers at Canton warned residents there.

An earlier report that a child's body was seen floating through Waurika in southwestern Oklahoma proved unfounded. Two 14-year-old Clinton, Okla., students, David Raimer and Tommy Basket were drowned Wednesday when they left their marooned school bus for help. And Gale Simpkins, 18, of Elk City, Okla., drowned after being trapped by sudden rising waters. Two companions of Simpkins swam to safety from their car.

Alabama Man Pleads Guilty To Robbery

One of three men, who were arrested in connection with a safe burglary at Mira, pleaded guilty in Caddo district court yesterday and was sentenced to five years in the state penitentiary.

He is Marvin Pridmore, 31, of Birmingham, Ala. Pridmore told Assistant District Attorney John A. Richardson he was recently released from the Alabama state penitentiary after serving part of a 10-year sentence for robbery.

The other two men, Jewel Ryland, Jr., 32, of Alexandria, and Raymond Carden, 47, of Mason, Texas, entered pleas of not guilty to the charges. Trial dates were tentatively scheduled for the petit jury week here on June 11. Bonds were set at $2,500.

The trio was arrested in Alexandria less than 24 hours after the Dominick Brothers store in Mira was burglarized early Monday morning and $60 in cash and clothing were stolen.

Judge James U. Galloway presided during court.
