Foreword

In presenting this volume of the 1949 Bulldog, we have endeavored to give you in Bulldog fashion the life and activities of Central Consolidated Schools. We hope that you will enjoy seeing these scenes as much as we have enjoyed presenting them to you. We wish to express our appreciation to the students and faculty members for the assistance they have given us in collecting the material for this year-book.

Dedication

We, the Seniors of C.H.S. are dedicating our annual this year to Mrs. Julia Burris and Mr. Ernest Balch.

The lives of all of us revolve around these teachers' desks where we have spent so much of our time seeking and getting friendship and advice as well as knowledge. We are firmly convinced they have given us their very best because they have never been too busy or too tired to be interested in our problems. It has long been our deep conviction that our sponsors had an intimate, personal warm-hearted interest in us individually. We know that they are the seniors' best friend and advisor.

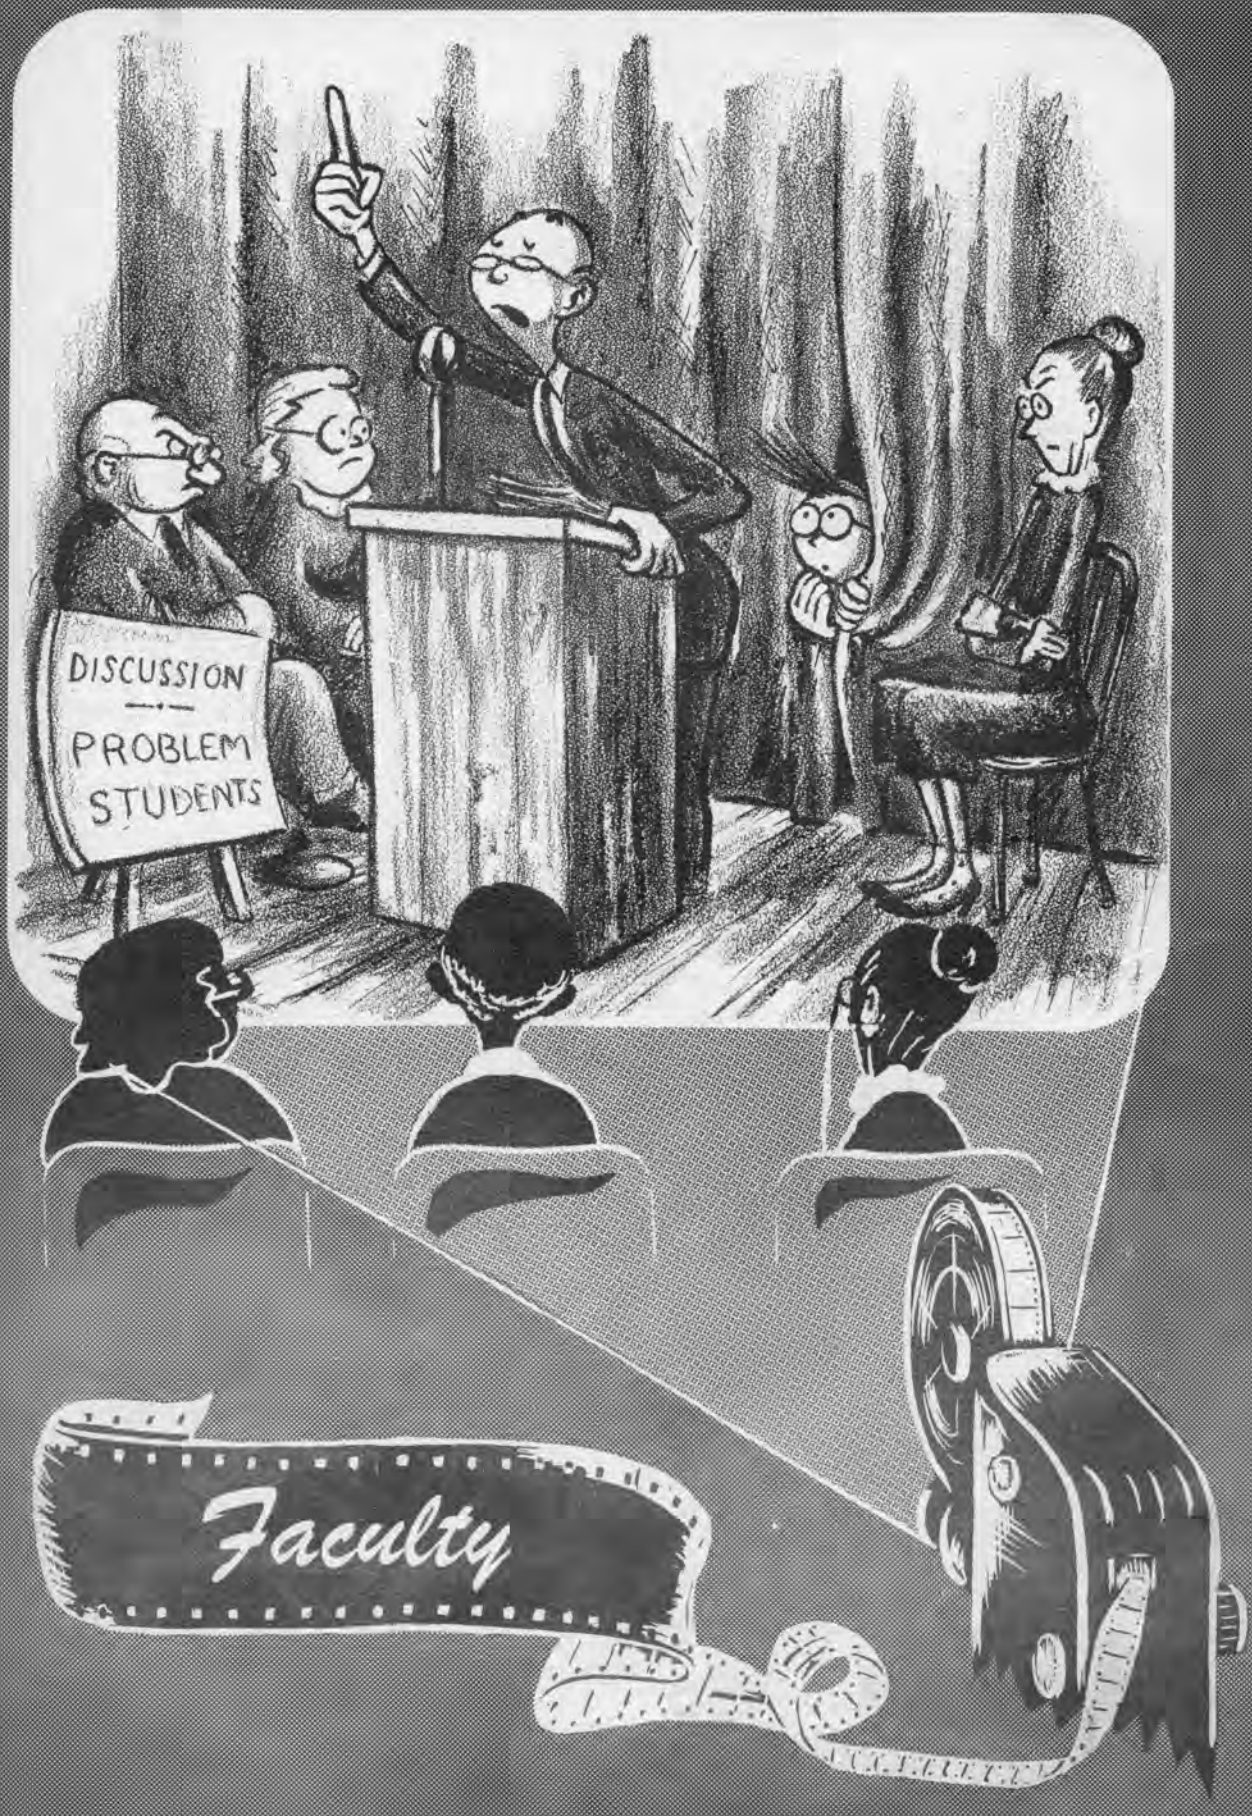

The unparalleled success of their teaching throughout our high school days is now a matter of genuine pride and satisfaction to all of us.

We, the Seniors, know of the impossibility of forecasting accurately the future, for we know not what a day may bring forth, but we are hoping for a grand and glorious one for Mrs. Burris and Mr. Balch and their families.

Sincerely,

The Seniors

Home of "Taylor made" Annuals

Your yearbook is a store of treasured memories. The oft repeated thrill of recollection which accompanies each new search through its pages will many times repay you for the care and consideration which has gone into its creation.

We are proud of the part we have had in preserving "treasured memories" in 1949 Annuals for more than 1100 Colleges and High Schools in seventeen States.
