MINUTES
AGRICULTURE COMMITTEE
3:00 P.M., MONDAY
FEBRUARY 13, 1950
JUNIOR BALLROOM ANGELINA HOTEL

The meeting was called to order by Chairman Fowler Burris.

Present were, Burris, Earl Medford, Ele Baggett, Merrell Barfield, W. R. Beaumier, J. N. Behannon, Eulen Berry, Herman Bate, H. H. Dixon, Alton Hart, O. L. Hubbard, Roy Hurst, Davis McKinzie, A. B. Patterson, W. C. Royle, Jean Shotwell, Arthur Temple, Jr., Bill Knapp, and Ed Holden.

Temple told the committee of the importance of its work and emphasized the importance of faithful attendance at committee meetings.

Burris told the committee of the "Save the Soil Save Texas" program meeting being planned for May.

The committee discussed plans for the Pasture Improvement Field Day to be held sometime in May. Bill Knapp said that either May 5, or May 12, would be preferred dates for the Field Day and that May 5, would probably be the better of the two. Burris appointed Jean Shotwell in charge of preparing the food for the Field Day and appointed Hubbard to take charge of working up the program.

The committee discussed steps which should be taken to see that the jersey calves which have been given the 4-H Club and FFA Boys throughout the county are properly taken care of. Burris appointed the following committee to check into this matter:

Eulen Berry, Chairman
Chester Davis
H. N. Garrett

The committee discussed methods by which the jersey calves could best be taken care of. Berry suggested that the committee sponsor a classification day, to be held at the Forest Festival Grounds, where the calves could be classified as a group. It was decided to hold this classification day either the day before or the day after the Pasture Improvement Field Day.

The chairman also appointed the following committee to see what plans could be worked out for beef cattle and dairy cattle which would tie into the Field Day and Classification Day:

Davis McKinzie, Chairman
Merrell Barfield
H. H. Dixon

It was decided all of these activities would be combined to form a two or three day celebration, emphasizing the importance of the beef cattle industry, dairying and improved pastures to this section of East Texas.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

Temple suggested that Fowler Burris, Chairman and Earl Medford, Vice Chairman coordinate the activities of all groups interested in the program outlined above.

Burris told the committee of the increasing importance of the Poultry Industry in this section of East Texas, and appointed the following Poultry Sub-Committee of the Agriculture Committee:

Roy Hurst, Chairman
C. E. Cordts
Nelson Behannon
Gus Boesch
W. C. Royle

He told this sub-committee that their job would be to develop an instructive poultry program to be sponsored by the Agriculture Committee, which will do everything possible to develop the Poultry Industry in Angelina County and the surrounding area. Roy Hurst told the Committee of the development of the Poultry Industry taking place through East Texas, and particularly of the expansion of the broiler business. He said that the standard broiler house is 20 x 120', the cost about $2,000.00 to build, and equipt such a house. Four groups of broilers can be raised and marketed per year from such a house, with an average profit of about $400.00 per group or a total profit of approximately $1,600.00 per year from a $2,000.00 investment.

The committee discussed livestock and agriculture exhibits at the Texas Forest Festival. The committee decided to work out a fat calf show and auction to be held in connection with the Forest Festival. The chairman appointed a committee consisting of Herman Bate, Chairman, Chester Davis, Merrell Barfield, H. N. Garrett, Alton Hart, Billy Joe Irwin, J. C. Thompson to work out detailed plans for a fatstock show in connection with the Forest Festival.

Temple stated that he and Jean Shotwell would be responsible for raising the money necessary for such a program.

Burris stated that it would be necessary for the committee to meet again in the near future, and asked that all members attend the next meeting.

Meeting adjourned.

MINUTES
AGRICULTURE COMMITTEE
4:00 P.M. THURSDAY
FEBRUARY 23, 1950
JUNIOR BALLROOM ANGELINA HOTEL

The meeting was called to order by J. F. Burris, Chairman.

Present were, Burris, Earl Medford, Merrell Barfield, Herman Bate, H. H. Dixon, H. N. Garrett, Alton Hart, O. L. Hubbard, A. B. Patterson, J. C. Thompson, Arthur Temple, Jr., and Ed Holden.

The committee discussed plans for a fat stock show to be held as a part of the Forest Festival. The committee decided on the following program:

Agriculture committee to sponsor a Stock Show. Either 14 or 21 calves will be sponsored and underwritten by businessmen.

Rules will be worked out by the FFA Teachers to cover detailed plans of this program.

The starting bid price is to be .40¢ per pound for these animals; however, this starting bid price is to be kept entiely confidential, with no publicity and the club boys are not to be told of this price.

Meeting adjourned.

ANGELINA COUNTY CHAMBER OF COMMERCE
MINUTES
AGRICULTURE COMMITTEE
May 18, 1950

Present:

J. F. Burris	O. L. Hubbard	W. C. Knapp
Ele Baggett	Roy Hurst	D. B. Byrd
Merrell Barfield	Billy Joe Irwin	C. B. Hollyfield
Eulen Berry	Davis McKinzie	Carl Lane Smith
Herman Bate	A. B. Patterson	Arthur Temple, Jr.
R. R. Ellison	J. C. Thompson	Herman Brown
H. N. Garrett	Fay Wilson	

Committee Chairman, J. F. Burris presided. He introduced Herman Brown, new chamber manager.

He reported that tents had been secured for the Swine Show and that ample space would be available for exhibitors. Chairman Burris also reported the holding of a successful Jersey Day event on May 11, as well as the annual Field Day held May 12. It was stated that plans were underway for even a larger show for 1951.

It was explained that one of the club boys at Zavalla had a heifer which had not calved. The suggestion was offered that the boy be allowed to sell the animal and keep the money. By general consent it was agreed that the sponsor, Mr. Eddie Berry and Mr. W. H. Johnston, be contacted and recommendation to them be made that the boy be allowed to sell the calf. The committee decided that the Vocational Agriculture Teacher should write the committee a letter setting forth the facts of the case and state that the heifer had not calved.

The possibility of requiring all dairy animals to be tested for bangs before allowing them to be exhibited at the festival was discussed. The matter was left to the festival committee for consideration and decision.

Motion was made by O. L. Hubbard, seconded by Roy Hurst that a cash prize of $7.50 for the first lug of tomatoes and that a .05¢ per poud premium for the first bale of cotton from the 1950 crops, ginned in Angelina County and delivered to Lufkin be offered. Motion carried.

Chairman Burris announced that the Jersey Show at the Festival would be held on September 27th and that judges had been secured.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

Possibilities for a Poultry Show were discussed. Opinions differed on holding the show. No definite action was taken.

The "Save the Soil and Save Texas" luncheon, for Region 4, comprising 51 counties, to be held May 26, was announced. Committeemen and Vocational Agriculture Teachers were urged to attend.

D. B. Byrd discussed tomato marketing possibilities and asked for names of tomato growers.

Vocational Agriculture Teachers decided to meet Monday, May 22, 2:00 PM, at the Chamber of Commerce Office, to make further plans for the Festival.

Meeting adjourned.

MINUTES
SPECIAL SUB-COMMITTEE
of the
ATHLETIC COMMITTEE
10:00 A.M. FRIDAY
JANUARY 13, 1950
CHAMBER OF COMMERCE OFFICE

The meeting was called to order by Chairman Pitser Garrison.

Present were, Garrison, Homer Rogers, Ulen Medford, Rip Hinson, and Ed Holden, members of the Special Sub-Committee, and Charlie English, President of the Lufkin Baseball Company.

Chairman Garrison told Mr. English that this committee was very much worried about the fact that they were unable to sell boxes, signs and season tickets, because of a feeling among Lufkin citizens that there was a possibility that the Baseball Club might not operate throughout the season, and that in view of this feeling the committee felt that money raised through the sale of season tickets, boxes and signs should be placed in a special account, in escrow, until the opening of the baseball season in Lufkin, and that this money should be given to the Baseball operator as the season progressed; so that the fans might be assured of seeing organized baseball in Lufkin. This was discussed by members of the committee, and Mr. English, and it was agreed that all moneys raised from the sale of season tickets, boxes and signs would be placed in an escrow account and that this money will be paid to the baseball operator 50% at the time of the first home game, and 50% at the time when half of the scheduled games have been played. At the time the baseball operator receives his first 50% payment he must show definitely his intention and ability to operate a ball club in Lufkin.

The committee requested that Mr. English show a financial statement to one of its members, which would establish his financial ability to operate a baseball club under these conditions. It was agreed that Pitser Garrison would be the committee member to examine this financial statement.

Meeting adjourned.

Ed Holden

MINUTES
ATHLETIC COMMITTEE
10:00 A.M. FRIDAY
JANUARY 27, 1950
CHAMBER OF COMMERCE OFFICES

The meeting was called to order by Chairman J. C. Hinson.

Present were, Hinson, Pitser Garrison, Arthur Bresie, R. C. Musslewhite, J. D. Perdue, Matt Walker, R. D. Warren, Homer Rogers, Tyson Payne, and Ed Holden; Carl Carter and Dale Peterson, representing the Lufkin Baseball Company.

Hinson told the committee that it was their assignment to promote worthwhile sports events of all types in Lufkin during the coming year. He said that the first job was to see that baseball was organized on a sound basis, and that it receive the support of the entire community.

Pitser Garrison explained the set up of the baseball club, and stated that the money received from the sale of season tickets, boxes, and signs would be deposited in an escroe account c/o of the Chamber of Commerce, and that this money will be paid out to the baseball club 50% on opening day and 50% at the middle of the season. This will be a protection for those investing money in signs, boxes and season tickets.

Ed Holden explained the necessity for wholehearted support for the new baseball club from every member of the community. He told of the contest sponsored by the Athletic Committee on the sale of season tickets, signs and boxes. The rules are as follows:

1 Free ticket will be given to any committee member earning 20 points or more.

An additional season ticket will be given to the committee member who earns the most points.

Points will be awarded as follows:

1 point for each season ticket sold
2 points for each box sold
2 points for each sign sold

Prospects were assigned to individual committee members, and the following season tickets were passed out:

Ticket No.	Name	Ticket No.	Name
1 - 10	Homer Rogers	61 - 70	Pitser Garrison
11- 20	Rip Hinson	71 - 80	Arthur Bresie
21-30	R. D. Warren	81 - 90	Rip Hinson

MINUTES
ATHLETIC COMMITTEE
10:00 AM MONDAY
MARCH 27, 1950
CHAMBER OF COMMERCE OFFICE

The meeting was called to order by Chairman J. C. Hinson.

Present were, Hinson, Pitser Garrison, Arthur Bresie, William Hines, Davis McKinzie, Tyson Payne, and Doris Carter.

The committee discussed plans for the advanced ticket sales of the opening day baseball game, April 13. It was decided that the following clubs and organizations should be contacted, to see whether or not they would be interested in selling tickets. Tickets will sell for $1.00 each, with 25¢ of each sale going to the welfare or charity fund of the club:

Club	To be contacted by
American Legion	Davis McKinzie
Kiwanis Club	Davis McKinzie
American Legion Auxilary	Pitser Garrison
V. F. W.	Rip Hinson
Girl Scouts	Rip Hinson
Huntington Clubs	Rip Hinson
Diboll Clubs	Rip Hinson

MINUTES
ATHLETIC COMMITTEE
10:00 AM TUESDAY
APRIL 11, 1950
CHAMBER OF COMMERCE OFFICE

The meeting was called to order by Chairman Rip Hinson.

Present were, Hinson, Arthur Bresie, William Hines, Sam Robinson, Ed Trout, Matt Walker, R. D. Warren, Homer Rogers, Tyson Payne, Dale Peterson, Carl Carter, and Doris Carter.

The committee discussed the possibility of having a parade for opening day, Thursday, April 13. It was decided to have a parade if the band, public address system, etc., could be secured.

It was decided by the committee, to give the following prizes for the opening day game:

1st. Hit	1st. Dbl. Hit
1st. Home Run	1st. Trible Hit
1st. Run Scored	1st. RBI

It was decided, by the committee, not take up collections for the ball players when a home run is hit, or any other outstanding play; however, collections will be taken up at various times during the year, and the money held in a fund for Appreciation Night. Appreciation night will be some date toward the ending of baseball season. At this time the money will be evenly distributed among the ball players.

The committee decided to ask Mayor Wright, Judge Hiram Ralston, and Arthur Temple, Jr., to be guests at the opening game.

Meeting adjourned.

MINUTES
ATHLETIC COMMITTEE
10:00 AM, MONDAY
MAY 1, 1950
CHAMBER OF COMMERCE OFFICES

The meeting was called to order by Chairman Rip Hinson.

Present were, Rip Hinson, Pitser Garrison, Arthur Bresie, O. L. Finley, William Hines, Ulen Medford, J. D. Perdue, R. B. Stroud, Matt Walker, R. D. Warren, Tyson Payne, Dale Peterson, Arthur Temple, Jr., and Doris Carter.

The committee discussed various ways to help build up attendance at the baseball games. Pitser Garrison reported that it had been suggested that merchants and industries buy blocks of tickets, at a reduced price, to give to their employees, paying for only the tickets which are used. Walter Trout was appointed chairman of a sub-committee to work out the details for this program.

The committee decided that the broadcast of the home games was hurting the attendance, and called in Mr. Richman Lewin, of KTRE, to discuss this matter. Mr. Lewin agreed to discontinue the broadcast temporarily, to determine what effect this would have on the attendance.

It was moved by Ulen Medford, seconded by R. B. Stroud that $500.00 of the money being held in escrow be advanced to the ball club, to help in meeting the payroll. Motion carried unanimously.

Meeting adjourned.

Doris Carter

ATHLETIC COMMITTEE
CHAMBER OF COMMERCE
July 11, 1950

Present: J. C. Hinson
Pitser Garrison
W. R. Beaumier
William Hines
Davis McKinzie
Ulen Medford
J. D. Perdue
John Redditt
Ed Trout
Ben Weber
Herman Brown

Chairman J. C. Hinson told committeemen that the Angel Baseball Club was in critical financial condition, and needed to borrow $500.00 at once.

Pitser Garrison outlined the club's financial troubles. He suggested that five men agree to loan the money to be partially secured by the $500.00 being held in escrow to secure the electric bill.

It was stated that the club could sell some ball players, but if immediate delivery had to be made, it would cripple the club.

Dale Peterson said, finally, that $300.00 would relieve the immediate need but that on the 15th a $2,000 payroll would have to be met.

It was stated that under the "new rate" for electricity the $500.00 would be more than enough to secure the bill and that $300.00 could be spared from the "escrow fund."

Motion was made by Pitser Garrison, seconded by Ed Trout that the committee advance $300.00 of the electric escrow funds to the ball club, but that the committee still guarantee payment of the electric bill. Motion carried.

This action was taken in lieu of asking committeemen to personally put up funds. Ulen Medford, John Redditt, Pitser Garrison had agreed to loan $100.00 each, providing such a loan would fairly well assure the club's continuance for the season.

Adjourn.

MINUTES
AVIATION COMMITTEE
2:00 P.M., MONDAY
FEBRUARY 20, 1950
CHAMBER OF COMMERCE OFFICES

The meeting was called to order by E. L. Kurth, Jr., Chairman.

Present were, E. L. Kurth, Jr., S. R. Parker, Ele Baggett, W. C. Binion, Charles Ruby, H. E. Estes, S. W. Henderson, Jr., E. W. Leach, L. C. Martin, A. O. McQueen, Leeland Petty, R. B. Stroud, D. W. Thompson, Arthur Temple, Jr., and Doris Carter.

Arthur Temple told the committee of their duties and activities for the coming year. He urged that all committee members do their best to attend meetings regularly.

Mr. Kurth reported on the Trans-Texas hearing held at Laredo, and attended by Arthur Temple, Jr., E. L. Kurth, Jr., R. W. Wortham, and Ed Holden. He reported that they gave their testimony in writing.

The committee discussed various steps that might be taken to help Trans-Texas. It was moved by D. W. Thompson, seconded by Ele Baggett that we should attempt to secure front page publicity on behalf of Trans-Texas. Motion carried.

Mr. W. C. Binion urged that all members of the committee write their Senators and Congressman. It was decided by the committee that a letter should be written to the membership of the Chamber urging that they use air mail service, air express, air freight, and air passenger service.

It was moved by Temple, seconded by Thompson that a sub-committee be appointed to contact Chicago & Southern Airlines, regarding a stop at Lufkin, since they do pass almost directly over the county airport daily. Motion carried.

D. W. Thompson, Chairman
Arthur Temple, Jr.
S. R. Parker, Jr.

D. W. Thompson gave a report on the needed improvements at the airport. He stated that bids were out on hangars (80 x 80) for the airport, and are to be returned February 27, and construction should start shortly thereafter. He also reported that the Highway Department wants to build a farm to market road to the property line of the airport, and Commissioner Stubblefield reports that probably sometime this year he expected to put an asphalt top on the road from the gate to the Administration Building. Plans are being made to make an east-west runway available in the near future.

Meeting adjourned.

Angelina County Chamber of Commerce

Minutes- Aviation Committee Meeting

May 29, 1950

Present:	Herman Brown	E. L. Kurth, Jr.	A. E. Percy
	H. E. Estes	Ernest Medford	Leeland Petty
	J. U. Foster	P. W. McCann	Jim Pinkerton
	S. W. Henderson, Jr.	A. O. McQueen	E. L. Tucker

Chairman E. L. Kurth, Jr., opened the meeting by making a statement with regard to the chamber's participation and appearance at the Trans-Texas hearing before the CAA at Laredo. He stated that he has received a transcript of the proceedings of the hearing but as yet no word had been handed down with respect to the application for permanent operation.

Chairman Kurth and J. U. Foster reported that County officials has advised that the contract for a hanger had been let and that construction would be under way in about sixty days. It was explained that weather conditions had not permitted the pouring of the slab before starting work on the building proper.

They also reported that the East-West Runway would be paved as soon as possible.

Possibilities of making application for the establishment of an Air Wing of the National Guard were discussed. Mr. Kurth related his conversation with General Harry Crutcher, of the Texas Air National Guard concerning a local unit. A list of requirements necessary for the establishment of a local air wing was read. Most of the facilities required were not in evidence at the County Airport.

Motion was made by K. W. Denman, Sr., seconded by Leeland Petty that the committee withhold making an application for an Air National Guard Unit until more of the requirements could be met. Motion carried.

Adjourn.

MINUTES
AVIATION COMMITTEE
ANGELINA COUNTY CHAMBER OF COMMERCE
NOVEMBER 28, 1950

Present were:

E. L. Kurth, Jr.	H. E. Estes
W. Joe Anderson	A. O. McQueen
Ele Baggett	R. B. Stroud
W. R. Beaumier	E. L. Tucker
W. C. Binion	R. W. Wortham
Charles Ruby	Herman Brown

E. L. Kurth, Jr., presided at the called meeting of the committee.

He stated that the Trans-Texas Airways was very much concerned over the final hearing before the Civil Aeronautics Board in Washington, D. C., to be held on December 14, and that cities on Trans-Texas were being requested to have personal representation at the hearing. He also stated that President Temple felt that Lufkin should possibly be represented at this particular hearing. He also advised that the Post Office Department had taken exception to the examiner's findings that Trans-Texas was needed as a mail carrier.

General discussion insued regarding Lufkin's position with Trans-Texas, and the backing-up of the Airline in the final hearing, to be held before the CAB.

It was explained by the Manager that the hearing was originally set for December 5, and it was thought that possibly Mr. Kurth or Mr. Wortham might have business in the East, and be able to attend the hearing, but a new date for the hearing had found these two gentlemen with previous commitments.

Therefore, it was the recommendation of the Chairman, in collaboration with the suggestion offered by President Temple, that the Manager be authorized to represent the Chamber of Commerce and Lufkin at the hearing. Motion was made by W. R. Beaumier, seconded by Charles Ruby that the Chamber of Commerce send the Manager to Washington to attend the hearing and appear before the Board. Motion carried.

General discussion of the airport conditions and need for better connections between Lufkin and Houston were discussed.

The Manager was instructed to assemble additional pertinent facts, which might be needed in connection with the hearing in Washington.

No further business to come before the group the meeting was adjourned.

MINUTES
CIVIC AFFAIRS COMMITTEE
10:30 AM, THURSDAY
APRIL 6, 1950
CHAMBER OF COMMERCE OFFICE

The meeting was called to order by Chairman Barney Franklin.

Present were, Franklin, E. L. Bartlett, W. C. Binion, Gary Eaves, J. B. Ireson, Homer Rogers, G. E. Barrington, W. C. Royle, C. P. Sumners, George Wells, T. J. Wilroy, Sgt. Edwards, and Doris Carter.

Chairman Franklin told the committee of their duties for the coming year, and expressed his appreciation for all those present.

J. B. Ireson told the committee of the need for a more prominant sign on the new by-pass highway, directing traffic to the business district of Lufkin. The committee discussed this need, and decided to have Mr. Franklin and Mr. Ireson contact Mr. V. G. Koch of the highway department regarding available space for a sign of this type.

Sgt. Edwards told the committee that May 20, and the preceding week would be observed as Armed Forces Day, and that speakers were available for this occasion. Homer Rogers and W. C. Royle were asked to work with Sgt. Edwards by contacting all civic clubs who might be interested in a speaker for their program this week. The merchants will be asked to display flags in front of their place of business on May 20.

Chairman Franklin stated that the problem of a library for the negros of Angelina County was very great. It was decided that a committee composed of George Wells, and two representatives from the negro population and Barney Franklin should go before the city council at their next meeting to bring this before the council and seek their aid.

Meeting adjourned.

MINUTES
CONVENTIONS COMMITTEE
10:00 A.M., WEDNESDAY
FEBRUARY 8, 1950
CHAMBER OF COMMERCE OFFICES

The meeting was called to order by Chairman Leeland Petty.

Present were, Leeland Petty, R. D. Warren, E. L. Tucker, Howard Walker, Davis McKinzie, Ed Lemke, and Ed Holden.

Mr. Petty stated that the principal activities of this committee will be to attempt to secure more conventions for Lufkin. He stated that better facilities were available at the present time than ever before, and that conventions can be a very important source of revenue for the community.

The committee discussed various organizations which might be induced to hold conventions in Lufkin. Scott Sayers suggested that the State Convention of the American Foundrymen's Association and the State convention of Society of Professional Engineers might be available for Lufkin. He promised to check into this on behalf of the committee. Ed Lemke and Davis McKinzie stated that they would invite the summer meeting of Regions 9 and 10 of the Jaycees to Lufkin. Howard Walker said that he thought there was a good chance of getting District Conventions of the American Legion.

Meeting adjourned.

ANGELINA COUNTY CHAMBER OF COMMERCE
CONVENTIONS COMMITTEE
June 29, 1950

Present: Leeland Petty, Chairman
Davis McKinzie — E. L. Tucker
Johnny Foster — Herman Brown

Decided to get in touch with clubs, churches, lodges, fraternal organizations telling them Chamber of Commerce wants to help secure conventions of such size as Lufkin can handle.

Ask organizations to list meetings, conferences and conventions which local delegates attend.

Chamber of Commerce will work with organizations to help get and handle conventions when secured.

It was stated that the Chamber of Commerce was in need of some sort of inexpensive, but unique souvenir to give out to tourists, visitors and convention people. Committeemen were asked to help figure out such an item.

Johnny Foster stated that Dist. 19 VFW Convention would be held in Lufkin September 3 and 4.

Other convention possibilities discussed included Junior Chamber of Commerce Regional Convention, Lions Club Convention (1951), VFW State-wide council meeting, District P.T.A. Convention, and area singing conventions.

Adjourn.

MINUTES
FORESTRY COMMITTEE
10:00 AM THURSDAY
MARCH 16, 1950
CHAMBER OF COMMERCE OFFICE

The meeting was called to order by Chairman B. L. Zeagler.

Present were, B. L. Zeagler, W. Joe Anderson, J. A. Hughes, Carl Kreuger, R. W. Kurth, Jr. E. D. Marshall, Maj. H. A. Maas, Clyde Thompson, Arthur Temple,and Ed Holden.

The committee discussed the advisability of sponsoring a Forestry Field Day, for FFA Classes and 4-H Clubs for the purpose of teaching these clubs the best methods of forestry management.

Maj. Maas told of the demonstration being planned by the Texas Forestry Association, which will emphasize the importance of proper timber marking and grading and which will appeal primarily to timber growers. The Forestry Committee of the Chamber of Commerce will make every possible effort to secure the interest and attendance of 4-H Clubs and FFA Classes in this demonstration being sponsored by the Texas Forestry Association, with the idea that the lessons learned here can be applied at the Forestry Field Day, to be held later.

Clyde Thompson was appointed chairman of the committee to work out a program for a Forestry Field Day. Clyde will name the other members of the committee.

The committee discussed the need for improvement in the Lufkin Community Forest. Johnnye Foster was appointed a committee of one to investigate conditions at the Community Forest to check into the ownership and management of the land and make recommendations for the most effective possible utilization of the Community Forest.

Maj. Maas told the committee of the films which had been prepared by Southland Paper Mills and Angelina County Lumber Company, showing improved Forestry Practices, Logging Methods, and Paper Making Processes. He also stated that through the Texas Forestry Association speakers are available on many subjects having to do with Forestry and Forestry Management. It was moved by Temple, seconded by Thompson that Civic Clubs and all other clubs be informed of the availability of these talks and pictures as club programs and be told that a moving projector and speaker will be furnished to show the pictures to clubs who desire to see them. Motion carried.

Meeting adjourned.

MINUTES
HIGHWAY COMMITTEE
10:00 A.M., TUESDAY
MARCH 14, 1950
CHAMBER OF COMMERCE OFFICES

The meeting was called to order by Arthur Temple, Jr., who acted as Chairman until Carl DuPuy arrived.

Present were, C. L. DuPuy, Chairman, H. J. Shands, W. R. Beaumier, Gary Eaves, O. L. Finley, W. S. Hanover, Arch Hollingsworth, S. W. Henderson, Jr., E; W. Leach, Ulen Medford, G. G. Nettles, John Perry, R. S. Philen, R. B. Stroud, H. A. Taylor, Granville Wright, Arthur Temple, Jr., Vic Koch, and Ed Holden.

Holden read an invitation from the Houston Chamber of Commerce for a joint meeting regarding improvements on Highway 59. The committee decided to take no action on this matter.

Vic Koch gave an outline of work being planned and in process on State Highways in the vicinity of Lufkin. He gave the following report on the status of farm to market roads in Angelina County:

FM 844 - Tentatively set for May letting. Manning Road. Right-of-way practically all secured.

FM 842 - Moffett Road. Under construction.

FM 843 - Allentown Road. October letting. Right-of-way approximately 50% complete.

FM 1270- Sulphur Springs Road. Tentatively set for May letting. Right-of-way 100% secured.

FM 1271 -Old Union Road. Tentatively set for September letting. Right-of-way 90% complete.

Koch gave the following report on progress on Highway 103:

The grading and drainage structures of 7.2 miles from Highway 147 to the Attoyac River is now under contract, and is being constructed with federal funds, allocated to the Federal Forest Service.

The next segment of the road from the Attoyac and Angelina Rivers will be placed under contract as soon as further funds are available, from the US Forest Service.

The 11.7 miles from Lufkin to the Angelina River bottoms have been surveyed and all but one or two small segments of the right-of-way have been secured. Work on this section of the highway cannot begin until further funds are available.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

The improvements of Highway 69, from the end of the new pavement to Huntington cannot be undertaken until further funds are available. Most of the right-of-way has been obtained for this improvement. Koch reported that surveys were complete and that all but one small segment of right-of-way has been secured on Highway 69 by-pass around Lufkin. The State Highway Department has entered into a written agreement with the city, stating that this project will be built, but actual construction cannot start until further funds are available.

The committee discussed the new location of Highway 94, coming through Lufkin, for which right-of-way have not yet been secured by the city.

The chairman thanked Mr. Koch for his very detailed report on the highway situation, as it effects Lufkin.

Chairman Carl DuPuy told the committee of his interest in develment of US 59, and of the work of the US 59 Highway Association on the development of this highway.

Meeting adjourned.

Ed Holden

ANGELINA COUNTY
CHAMBER OF COMMERCE
HIGHWAY COMMITTEE MEETING
June 28, 1950

Present: C. L. DuPuy, Chairman
Gary Eaves
Arch Hollingsworth
John Perry
H. A. Taylor
V. G. Koch
Herman Brown

Chairman DuPuy stated that he had called the committee together to talk general highway improvement problems and also one or two specific matters of business.

He discussed the Highway 59 Expressway and Timberland Drive, stating that new types of warning and stop signals would be placed on the islands where the highway loop and business route divide.

Chairman DuPuy also pointed out the need for street lights along the Expressway loop. He stated further that Nacogdoches was putting lights every 200 ft. on its main thoroughfare on US 59.

It was stated that the city was planning to install some lights on Timberland.

It was estimated that it would cost about $1.500 per year to pay operation costs for sufficient number of lights--which would be installed by Texas Power & Light Company, if city would agree to pay for electric power.

Committeemen related that the city of Lufkin was hard pressed financially.

The committee discussed possible widening projects on South First and East Denman Streets.

Mr. Vick Koch, District Engineer, Texas Highway Department, was recognized. He related that the Moffett Road was under construction, that Farm-to-Market Road contracts had been let in June on the Manning Road, Sulphur Springs Road, Peavy Switch Road. Mr. Koch also advised that the Allentown road was in the planning stage and that a contract might be let in the Fall. It was also stated that work had started on Highway 103.

Installation of Traffic Stop & Go signal lights on the Highway 59 Expressway was discussed. Mr. Koch advised that a survey of traffic did not justify installation of the signals.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

Routing of 94 through town was discussed. Various opinions were expressed as to where it should be routed.

The committee agreed for Chairman C. L. DuPuy and Manager Herman Brown to request a meeting with the City Council, for the purpose of holding a general discussion on lighting of Timberland Drive, possible additional street widening projects, and highway routings through the city. Committeemen agreed to join the manager and chairman in the conference, when scheduled.

Adjourn.

MINUTES
INDUSTRIAL COMMITTEE
2:00 P.M., WEDNESDAY
FEBRUARY 8, 1950
CHAMBER OF COMMERCE OFFICE

The meeting was called to order by W. R. Beaumier, Chairman.

Present were, Beaumier, R. W. Wortham, Cal C. Chambers, Mr. Atkinson (representing G. G. Nettles), J. D. Perdue, Scott Sayers, R. B. Stroud, H. A. Taylor, D. W. Thompson, W. W. Trout, R. M. Woodall, Arthur Temple, Jr., and Ed Holden.

Arthur Temple made a statement of the objectives of the committee. He stated that the purpose of this committee is to render service to existing industries and to secure additional new industries to maintain the growth and prosperity in Lufkin and Angelina County.

Beaumier told the committee that the principal need was for a survey of industrial sites, and that this survey should include plats showing streets, railroads, water mains, power lines, gas mains and any other improvements. It was moved by D. W. Thompson, seconded by R. W. Wortham that the manager be directed to prepare such a survey. Motion carried.

Ed Holden gave a report on the progress of Ray's Manufacturing Company. A small company established in Lufkin to manufacture folding high chairs.

The committee discussed prospects for industrial development in this area.

Meeting adjourned.

INDUSTRIAL SITES

Industrial sites mentioned in the discussion by members of the Industrial Committee:

1. Four to five acres owned by Texas Foundries, situated adjacent to the plot on which their plant is located. Would be for sale, to a "desirable industry", at a moderate price. Located on Texas Southeastern railroad.

2. 3½ acre tract located on the Southern Pacific Railroad, south of Abney Avenue. Would be for sale at a reasonable price to a "desirable industry". Owned by Lufkin Foundry & Machine Company.

3. Tract located on Southern Pacific Railroad, south of the Lufkin Foundry & Machine Company. Ownership unknown.

4. Tract located in area to be covered by new by-pass Highway US 59 and US 69. Nine to ten acres owned by S. W. Henderson, Jr.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

MINUTES INDUSTRIAL COMMITTEE MEETING

July 20, 1950

Present:

W. R. Beaumier	R. W. Wortham	Col. C. C. Chambers
K. W. Denman, Sr.	H. E. Estes	J. A. Hughes
James Moore	Scott Sayers	Lloyd Schenck
H. J. Shands	R. M. Woodall	Herman Brown

Chairman Beaumier presided. He referred to minutes of the last meeting, wherein it was decided that information on industrial sited would be assembled.

The committee requested that the chairman and manager continue to gather information, sketches and data on local prospective industrial sites.

Possibility of establishing and Industrial Foundation was discussed. Workings of the Tyler plan were outlined. General opinion was that an attempt should not be made at present to raise a $ 100,000 or $ 200,000 fund.

It was decided that greater stress should be made to secure industries which would employ women.

The manager was instructed to discuss the possibility of raising funds for an Industrial Foundatiob with the members of the Retailer's Committee to see how retail merchants would react.

General round table discussion was had. Types of industries to seek were discussed. Brown related several prospects being worked upon, such as furniture manufacturers. It was stated that a newly established School Photographic Studio Plant----Sims Studio-----would employ 20 girls during school season.

LEGISLATIVE COMMITTEE

JULY 21, 1950

Present: Kester Denman, Jr.
J. O. Klein
H. J. Shands
C. E. Cordts
R. C. Musslewhite
Clyde Thompson
Herman Brown

Two propositions were discussed. 1. The Texas Tidelands Case. 2. The possible change of Lufkin into another congressional district.

Committeemen were of the opinion that no protest action should be taken on the Supreme Court's action, that such protest would not carry any weight, that Congress was unlikely to pass any legislation to change the decision.

Advantages of having Lufkin and Angelina County in another Congressional District. General opinion was that Lufkin would be better off in a congressional district with towns of like size and problems, rather than in a district where a large city dominated the districts.

Motion was made by R. C. Musslewhite, seconded by Clyde Thompson that the committee recommend to the Board that the Chamber of Commerce make an effort, to get placed into Congressional District 7, and that if the recommendation is approved the Legislative Committee be authorized to proceed with plans of contacting other county and city leaders in District 7 to ascertain if such a change would be welcome, and further that the committee work on the legal and legislative angle of making the change. Motion carried.

Lufkin at present is in District 2, composed of Shelby, San Augustine, Sabine, Jasper, Tyler, Hardin, Orange, Jefferson, Angelina and Newton Counties.

District 7 is composed of Henderson, Anderson, Cherokee, Nacogdoches, Houston, Madison, Trinity, Walker, Grimes, Montgomery, and Polk Counties.

Adjourn.

MINUTES
PUBLICITY COMMITTEE
10:00 AM, WEDNESDAY
MARCH 22, 1950
CHAMBER OF COMMERCE OFFICES

The meeting was called to order by Chairman, Richman Lewin.

Present were, Richman Lewin, Ele Baggett, Ralph New, T. J. Wilroy, and Ed Holden.

The committee discussed projects which should be undertaken during the coming year. The first project discussed was the development of a general mailing piece to fit a no. 10 envelope, stressing features of general interest to tourist, newcomers, and others interested in Lufkin. Subjects which should be included in this folder are as follows:

Schools
Parks
Churches
Hospitals
Hotels & Tourist Courts
Recreational Facilities, including parks, playgrounds, country club, swimming pools, theatres, organized baseball, etc.
Business Section, including pictures of the new Perry Bros. Building.
Trade Territory Map, giving information as to the importance of Lufkin as a shopping center.
Outstanding Tourist Attractions in the surrounding area, including Ratcliff Lake, Boykin Springs, and possibly pictures of other scenic spots in this vicinity.
Pictures of the residential district, including outstanding homes in Lufkin.

This folder would be distributed to answer direct mail inquires to the Chamber of Commerce, through the Travel Kits of Trans-Texas, through the Tourist Information Stations of the Texas State Highway Department, through the Tourist Bureaus of the Oil Companies, by the Greer Service, out of town mailing by Chamber of Commerce members and would be sent to other Chambers of Commerce who give tourist information.

The committee also discussed the necessity of building signs, directing travelers to the Lufkin Business District on all highways leading into town. It was suggested that these signs could be partially sponsored by the Civic Clubs and would include the emblem of the sponsoring organizations, with the meeting date and place of each. The sign should include additional information as to Lufkin's prominance as an industrial center and other information of general interest.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

Richman Lewin appointed Ralph New to check into the probable cost and most desirable location for these signs.

Meeting adjourned.

Ed Holden

MINUTES
PUBLICITY COMMITTEE MEETING
ANGELINA COUNTY CHAMBER OF COMMERCE
FRIDAY, DECEMBER 1, 1950

Present: Richman Lewin, Ele Baggett, Ralph New, T. J. Wilroy, Herman Brown

Others Present: Ed Lemke

The committee reviewed discussions had at the first part of 1950 regarding:

1. Publication of general publicity mailing piece and folder.

2. Need for erecting Highway Welcome signs on Highway entrances to Lufkin.

3. Purchase of signs with the wording of "Business District" done in Scotchlite to be placed at the intersections of Denman, First Avenue, Lufkin Avenue and Atkinson on Timberland Drive.

4. Preparation of special mailing pieces, particularly suitable for distribution to the hundreds of school children requests which the chamber is now receiving.

The committee decided to have cost estimates made on:

2 signs, 12 X 30 feet for Highway 59

2 signs, 12 X 30 feet for Highway 69

1 sign for highway 94, 10 X 20 feet

1 sign for 103 size 10 X 20 feet

Ed Lemke of the Quality Sign Company was requested to prepare estimates and a suggested design for the signs on two particular propositions, (1) outright purchase of the signs; and (2) rental of the signs with upkeep provision on a five-year contract basis.

The committee then decided that at its next meeting, when the estimates would be presented, the committee would invite representatives of the Lions, Rotary, Kiwanis and Junior Chamber of Commerce to sit in on the meeting with the idea of a joint sponsorship of the signs. It was suggested that the design include a shield representing each of the clubs.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

It was estimated that about a week would be needed for preparation of the sign design and estimate. The committee expects to present the proposal to the Board for approval for the 1951 program of work and for financing purposes.

Adjourn.

CHAMBER OF COMMERCE
RETAIL COMMITTEE MEETING
June 29, 1950

Present: Elbert Clark, Chairman
Dixon Abney
Leo Abram
Gary Eaves
A. J. Frizzele
Evelyn Kennedy
Clyde Thompson
O. L. Hubbard
R. A. Kennedy
Harold Lee
Hoytt Williams
Tommy Massingill
Herman Brown

Elbert Clark, Chairman presided at the meeting.

Manager Herman Brown talked to the group about the monthly Trades Day activity.

Committee members present agreed to see other merchants and urge them to participate in the Trades Day event by advertising and offering special priced merchandise for fourth Wednesday.

It was decided to call the event Lufkin Fourth Wednesday Trades Day. Committeemen were told that with a majority of local retailers participating the special day could be built into something worthwhile and could enlarge Lufkin's trade area.

Chairman Clark advised committeemen that specials should be advertised by all mediums but that Mr. Beaumier of the Lufkin Daily News had offered to publish extra copies of the "Trades Day" advertising section for special distribution.

It was suggested that a letter outlining the trades day plan be sent to merchants which would help committeemen when they made personal calls.

The matter of stores closing on July 3, thus providing a three day holliday. Round table discussion was had on the proposal. General opinion was that not enough stores would cooperate to make the closing desirable or successful. Some committeemen favored the closing, a much greater percent did not favor the extra closing day. Therefore, the matter was tabled by the chairman, thus leaving the closing date July 4, as had been decided earlier in the year.

Adjourn.

Herman Brown

MINUTES
RETAIL TRADES-DAY SUB-COMMITTEE
10:00 A.M., FRIDAY
FEBRUARY 17, 1950
CHAMBER OF COMMERCE OFFICE

The meeting was called to order by Harold Lee, Chairman.

Present were, Lee, John Dixon, Dixon Abney, H. A. Taylor, Ned Barrett, Elbert Clark, and Ed Holden.

The committee discussed plans for the Lufkin Trades Day. It was moved by Clark, seconded by Barrett that this day be named "The Lufkin Trades-Day".

Harold Lee said that he had gotten some prices on printed streamers from the Banner Printing Company. He reported the following prices for these streamers to be printed, red on white paper:

500 - 5 x 36" Streamers	$5.00
500 - 12 x 19" Streamers	$5.00
500 - 19 x 25" Streamers	$8.50

The committee discussed the desirability of working up a list of participating firms, and decided that the minimum charge should be $5.00 per month for participating firms, and the minimum $3.00 per month.

The committee decided to ask Mr. Beaumier to go see the prospects with members of the committee to sell them on participating, not only on the funds being raised, but the committee would also like for Mr. Beaumier to sell them on newspaper advertising.

The committee decided that a special section of the paper, to be mailed out, should be mailed on Monday, and that advertising should be published in Tuesday's paper. They also decided that the Trades Day should be held on the fourth Wednesday of every month. The committee also decided to observe Saturday's hours on the fourth Wednesday, that is all stores would remain open until 7:00 P.M.

Meeting adjourned.

MINUTES
SALES DAY SUB-COMMITTEE
RETAIL COMMITTEE
2:00 P.M. THURSDAY
FEBRUARY 9, 1950
CHAMBER OF COMMERCE OFFICES

The meeting was called to order by Arthur Temple, Jr., who acted as chairman in the absence of Sid Shafer, Chairman of the Sub-Committee.

Present were, Sam Robinson, Harold Lee, Ned Barrett, H. H. Dixon, Herman Taylor, Lynn Metteaurer, O. L. Hubbard, ~~Elbert~~ [redacted], Arthur Temple, Jr., and Ed Holden.

The committee discussed the desirability of sponsoring the weekly appreciation day, a trade mark promotion of the National Trades Day Association. It was moved by Barrett, seconded by Lee that we not sponsor the Appreciation Day. Motion carried.

The committee discussed other types of Trades Days, which might be more desirable. It was moved by Robinson, seconded by Barrett that Harold Lee be appointed to work up information on other types of Trade Days, and that he present this information at the meeting of the Retail Committee next Tuesday. Motion carried.

Meeting adjourned.

MINUTES
RETAIL COMMITTEE
2:00 P.M. TUESDAY
FEBRUARY 14,1950
CHAMBER OF COMMERCE OFFICE

The meeting was called to order by Chairman Elbert Clark.

Present were, Clark, Dixon Abney, Leo Abram, Ned Barrett, Arthur Bresie, A; J. Frizzelle, J. B. Ireson, R. A. Kennedy, Harold Lee, Kenneth Peters, Harry Nelson, Sid Shafer, Sam Tanner, Herman Taylor, D. M. Thrash, Arthur Temple, Jr., and Ed Holden.

Arthur Temple gave a report on the action of the Sales Day Sub-Committee. He said that the committee recommended that we not sponsor appreciation day. Moved by Kennedy, seconded by Barrett that this recommendation of the committee be approved. Motion carried.

Temple also stated that Harold Lee had been appointed to work out plans for a different type of Trades Day without the objectionable features of a lottery. Harold Lee told of his plans for a monthly trades day. He stated that this Trades Day be held once a month, probably on the fourth Wednesday. He further stated that the newspaper would print a special four page section, containing advertising for the Trades Day, and that the newspaper would give the committee a rebate of .05¢ per inch on this advertising. This money to be used for direct mail advertising, window display, but not for newspaper or radio advertising. Harold Lee suggested that in addition to newspaper advertising the committee should raise funds to cover the cost of radio advertising, and mail out circulars, consisting of reprints of the special section, throughout the Lufkin trade territory. The daily news has agreed to print these circulars for .01¢ each, and to take care of the mailing of the circulars on a cost basis. Harold Lee estimated that the additional cost over and above advertising could be met by a charge of from $3.00 to $5.00 from each participating merchant per month.

The committee decided that it favored this general type of Sales Day. Chairman Clark appointed the following Sub-Committee to work out detailed plans for a monthly sales day:

Harold Lee, Chairman

John Dixon	R. A. Kennedy
Dixon Abney	H. A. Taylor
Sid Shafer	Ned Barrett

Herman Taylor told the committee of the Sales Training Course being put on by Mr. E. C. House of Houston. He stated that the course proposed for Lufkin would consist of three, one hour lectures to be held the evenings of March 27, 28, and 29. The first person from each business firm would cost $4.85 and each additional person $2.75. He stated that the Chamber of Commerce would sponsor the course, but would undertake no responsibility

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

beyond that of furnishing a place for the meetings. It was moved by Lee, seconded by Barrett that the Retail Committee sponsor such a course. Motion carried.

Meeting adjourned.

MINUTES
RETAIL COMMITTEE
9:00 A.M. TUESDAY
FEBRUARY 7, 1950
JUNIOR BALLROOM, ANGELINA HOTEL

The meeting was called to order by Elbert Clark, Chairman.

Present were, Elbert Clark, Dixon Abney, John Dixon, A. J. Frizzelle, Harold Lee, H. H. Dixon, Sid Shafer, Herman Taylor, Monroe Waak, Ned Barrett, Sr., J. B. Ireson, Gary Eaves, Stannie B. Lemoine, E. Lynn Metteauer, O. L. Hubbard, Sam Tanner, and Ed Holden. Rodney Ward, representing the National Trades Day Association was also present.

The committee discussed holidays to be observed during 1950. It was moved by Shafer, seconded by H. Dixon, that November 11, Armistace Day, be observed as a holiday. Motion carried 7 to 4. It was moved by Taylor, seconded by Metteauer that the motion be made unanimous. Motion carried unanimously.

It was moved by Metteauer, seconded by Ireson that January 1 not be observed as a holiday. Motion defeated 5 to 8. The decision was that January 1, New Years Day, would be observed as a holiday.

It was moved by Eaves, seconded by Ireson that the following additional holidays be observed:

July 4
Labor Day
Thanksgiving
Christmas

Chairman Clark called on Ed Holden to outline a proposed Weekly Trades Day, to be held in Lufkin. He told of the plan which had been discussed to hold a weekly Treasure Chest, by entering into a contract with the National Trades Day Association, who have a copyright to this promotion. Holden introduced Rodney Ward, with the National Trades Day Association, who told in detail of the plan worked out by his company, and in use in over 3000 towns throughout the United States. The committee decided to defer action on this Trades Day until Tuesday, February 14, at 2:00 P.M.

Elbert Clark appointed the following sub-committee to make a detailed study of this proposal and to report to the main committee. The committee consists of the following,

Sid Shafer, Chairman

Sam Robinson
Ned Barrett
Herman Taylor
Lynn Metteauer
O. L. Hubbard
Harold Lee
Hershel Dixon
O. L. Finley
Sam Tanner

Downtown stores and business houses voted a preference to remain open for business on Saturday November 11 by a vote of 4 to 3 majority, according to Elbert Clark, chairman of the Retail Committee and Herman Brown, who sent out the poll cards. Tabulation of the poll was made on Monday.

Service firms and offices and non-retailers voted about on an even basis on opening and closing as most of such firms are not necessarily affected to as large extent by Saturday buying as are retailers.

By a vote of 6 to 4 majority the merchants also selected November 23 as the day they desired to observe for "Thanksgiving".

Therefore it is expected that since the majority of the stores have indicated a preference to remain open other stores, particularly those in the downtown section, will also stay open for business.

Merchants usually colse for November 11. Earlier in the year November was set as a closing date along with a group of other dates, merchants not realizing then that the date fell on a Saturday.

Angelina County Chamber of Commerce
Committee Meeting
Traffic and Transportation
June 14, 1950

Present:	Leslie Tatum	R. E. Irwin	Charles Ruby
	R. A. Jackson	B. J. Peel	R. M. Woodall
	J. M. Anderson	A. G. Perry	Herman Brown

The meeting was called to order by Chairman Tatum, who read letters from Sen. Tom Connally and Lyndon Johnson, relative to the resolution passed by the Board of Directors, and mailed to the Senators and Representatives, wherein the Chamber of Commerce reported the inactment of a law which would prevent the calling of strikes which would halt service tending to deal with the public welfare.

It was stated that traffic on railroads had been somewhat changed, and that the train crews seem to be more efficient; therefore auto traffic was not being held up as long as it had been in the past.

Transportation facilities for Lufkin were discussed. The possible improvement of bus transportation from Beaumont to Dallas, via Lufkin, was discussed. Some committeemen expressed the opinion that through bus service, with better equipment would increase the bus companies business and afford better connection schedules with feeder lines.

Local parking conditions were discussed. Committeemen called attention to the fact that often times cars were parked on private property and in many instances kept the railroad firms from unloading cars into business property and docks.

Herman Brown told the committee that the Highway Department had been requested to put up additional information and directional signs at strategic intersections to show in what direction from such points that the downtown business district is.

Committeemen discussed the possibility of trying to work out an arrangement whereby heavily loaded trucks would not travel in the downtown business sections, except in cases where the trucks needed to enter the downtown section to load or unload but no action was taken.

Adjourn.

MINUTES
TRAFFIC & TRANSPORTATION COMMITTEE
10:00 AM, WEDNESDAY
MAY 10, 1950
CHAMBER OF COMMERCE OFFICE

The meeting was called to order by Chairman, Leslie Tatum.

Present were, Leslie Tatum, R. A. Jackson, J. M. Anderson, Robert Denum, B. J. Peel, Charles Ruby, Sid Scott, C. P. Sumners, R. D. Warren, R. M. Woodall, and Doris Carter.

Sid Scott read the following Resolution to the committee:

WHEREAS, the railway systems of America collectively have been and are now the most important and vital force in the building and the maintaining of the greatest constitutional and industrial democracy the world has ever known; and,

WHEREAS, the continuance of the integrity and adequacy of our railway systems as "going concerns" is more necessary now than ever before because of a changed and changing world in which sinister influences are at work above and under ground to render the American way of life impotent and servile to communistic thinking and acting; and,

WHEREAS, so many of us have committed to memory the Golden Rule and so few of us have committed it to life, we, as individuals and as groups, have failed or refused to "do unto others as we would have others do unto us", thus creating in our thinking and way of living the destructive philosophy of "something for nothing", and a dependency upon the powers that be for means of livelihood to the extent that our spiritual and physical bulwarks against the evils, inside and out, that would destroy us have been weakened.

THEREFORE, in order to assist in regaining our once proud position of spiritual, moral, and physical vitality and strength as a nation which was conceived in the noble passion for liberty and dedicated to the proposition that all men are equal and should ever remain so, BE IT RESOLVED that Angelina County Chamber of Commerce, as an agency representing all the people of Angelina County, go on record as being in favor of the passage of Senate Bill 3463 entitled "TO AMEND THE RAILWAY LABOR ACT, AS AMENDED, SO AS TO PREVENT INTERFERENCE WITH THE MOVEMENT OF INTERSTATE COMMERCE AND FOR OTHER PURPOSES",

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

which is designed to make unlawful all railroad strikes, slow-downs, lock-outs, and other unwholesome conditions or situations arising out of or in connection with disputes falling within the purview of the Railway Labor Act, to the end that our national economy and, in fact, the safety and security of the 160 millions of us as a people and a nation, be not further undermined and made more susceptible to the influences that would destroy us.

BE IT FURTHER RESOLVED that a copy of this resolution be placed upon the Minutes of Angelina County Chamber of Commerce and that a copy thereof be sent to our Senators and Congressmen at Washington with the request that the purposes and the beneficial influences to be derived from the law be given due and favorable consideration.

It was moved by Peel, seconded by Denum that the above resolution be adopted by the Traffic & Transportation Committee, to be presented to the Board of Directors at their next meeting for their approval. Motion carried unanimously.

It was decided that the committee would meet regularly once each month to discuss any problems that need their attention at that time. The committee decided to meet at 10:00 AM, every second Wednesday of each month.

Jackson suggested that something should be done to raise the speed limits of trains going through Lufkin, to prevent traffic jams at the various crossings through town. Chairman Tatum asked that Mr. Woodall and Mr. Scott look into this matter and report their findings at the next meeting.

Meeting adjourned.

MEETING
AGRICULTURE SUB-COMMITTEE
Wednesday, January 17, 1951

Present: Gus Boesch, Chairman — Chester Davis
J. F. Burris — Herman Brown
Davis McKinzie — R. L. Wilson
Miss Sue Hawthorn — G. C. Lennars

Chairman Boesch stated that the leaders had been called together because of negotiations which had been conducted between the Manager and Mr. Alex Lott of the Orange Food Products Company, whose firm was interested in establishing a cucumber buying station in Angelina County.

Mr. Lott stated that his firm had been buying cucumbers in Louisiana for 23 years. He stated that he would need a building or shed 40' x 60' if he could get the necessary minimum of 200 acres.

He stated that he was prepared to pay for graded cucumbers as follows:

#1	Smallest to 1-1/8" Diameter	$5.00 per 100#
#2	1-1/8 to 1-5/8" Diameter	2.00 per 100#
#3	1-5/8 to 2" Diameter	.65 per 100#

He related that he would furnish seed to producers, the price of which could be taken out of sales when cucumbers were first marketed.

All leaders present were highly interested in the possibility of securing a market. However, it was explained that it took a lot of harvesting and labor and some of the leaders doubted if farmers would want to follow this course for extra money income or crop.

It was recommened that only small tracts be planted so that families could keep up with the picking of the cucumbers in order to get the number one and number two grades to market.

It was decided that publicity should be given to the possibility of securing a buying station and holding a meeting in Huntington on Tuesday evening January 23 at 7:30 p.m. in the High School Auditorium. Farmers are to be urged to attend the meeting at which time complete details could be outlined and then farmers could decide if they were interested in agreeing to put in cucumber acreage under contract with the firm.

Mr. Lott agreed to meet with the group.

Adjourn.

Herman Brown

MINUTES
AGRICULTURE COMMITTEE
ANGELINA COUNTY CHAMBER OF COMMERCE
February 19, 1951

Present:	Ele Baggett	H. N. Garrett	A. B. Patterson	Clyde Thompson
	Herman Bate	Alton Hart	Ted Mayberry	Howard Walker
	Eulen Berry	Billy Joe Irwin	Jimmy Parr	J. C. Thompson
	J. F. Burris	Bill Knapp	Nixon Ricks	Gus Boesch
	Chester Davis	Davis McKinzie	H. H. Stanford	George Henderson
	H. H. Dixon	Joe Martin	G. R. Sullivan	J. C. Etheredge
				Herman Brown

Annual Field and Pasture Day was discussed. Bill Knapp of the Experiment Station stated that May 11, was probably the best day to hold the meeting. (Note: It was found after the meeting that May 4, was more suitable for Agriculture Instructors and County Agents, so the meeting date was changed to May 4.)

Various phases of the pasture day and ways and means to improve the effectiveness of the day were discussed. Motion was made by Chester Davis, seconded by Herman Bate that the chairman appoint several sub-committees for field day activities. Motion carried.

Motion was made by Ele Baggett, seconded by J. F. Burris that FFA and boys of Angelina County be invited to the field day and also that Team representatives be represented from 4-H boys in Angelina County and adjacent counties. It was estimated that this would amount to about 250 boys.

Chairman Boesch suggested that an effort to get feed, fertilizer and equipment dealers to establish exhibits at the field day headquarters. Motion was made by Bill Knapp, seconded by Herman Bate that dealers be contacted about the exhibits. Motion carried.

Chairman Boesch named the following committee to work on the equipment exhibit idea: H. H. Dixon, Chairman, Davis McKinzie, and Jimmy Parr.

It was decided that invitation should be extended to W. O. Cox, Executive Secretary of Better Texas Pastures, Inc., organized at the request of Governor Shivers be invited as well as Houston Farm and Ranch Club officials.

Considerable discussion was had on the Club Boys beef calf program. Various ideas were expressed with regard to the handling of the program, feeding out the calves, making sure that the boy made the most of his possibilities, prices, auctions and markets.

General opinion was that smaller calves should be bought if at all possible for the reason that sponsors would be more receptive and secondly that the boys would turn out a better calf, easier to handle and make an over-all better showing with the calf if it were smaller.

Motion was made by Herman Bates seconded by Davis McKinzie that the committee sponsor the calf program again for 1951 and that a contact committee composed of J. F. Burris, chairman, Clyde Thompson, Ele Baggett and O. L. Hubbard be named to secure sponsors. Motion carried.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

A sub-committee composed of Herman Bate, Chairman, Bill Knapp, was named to formulate rules and regulations for the calf program and make a report to the committee.

Gus Boesch and Herman Brown, outlined the details of the method of handling the Chamber of Commerce Jersey Breeding Bull, and asked that the teachers and agriculture workers cooperate with the chamber in the handling of the breeding animal.

Dairy Day was discussed. It was decided that before definite decision could be made on sponsoring Dairy Day that the Land O'Pines Dairy and the producers association be contacted about the possibility of holding Dairy Day in connection with the annual milk producers meeting held each year with Land O'Pines.

Chairman Boesch named a Dairy Sub-Committee composed of Eulen Berry, Chairman, Joe Martin, W. W. Scott and Earl Medford. This committee was authorized to make the contact with Land O'Pines regarding the Dairy Day idea.

The Dairy Sub-Committee was also authorized to make decisions on requirements to be observed by boys receiving calves which had not as yet producted a calf. The committee was empowered to decide if the boy should be authorized to sell the calf.

The Farmers Trading Post, a project proposed for property on East Lufkin Avenue owned by the Chamber of Commerce was discussed. Committeemen were told that the lot had been partially cleaned and that weather permitting would be completed soon, and further that plans were in the making for placing a shed and a catch pen on the property for the convenience of the farmers.

Committeemen were told that Angelina County needed to keep its Soil Conservation District Program and that committeemen should urge officials to keep it going.

Festival exhibits were discussed. It was decided that a meeting of the Manager, Chairman and exhibit committee heads, mainly the agricultural workers and teachers should hold an early meeting and outline rules and regulations. It was believed that since so much time was spent in revising the regulations in 1950, that the problem would be comparatively easy for 1951.

Committeemen express the belief that the Festival should establish a poultry show as soon as facilities could be made available. They were advised that establishing the broiler house on the grounds was a step in that direction and one of the main reasons for allowing it to be built as it would be a starter for a poultry show house.

Adjourn.

ANGELINA COUNTY CHAMBER OF COMMERCE
February 15, 1951

Present:	A. J. Frizzell	Ernest Medford	R. B. Stroud
	Dr. O. L. Benedict	P. W. McCann, Jr.	Everett Tucker
	Ele Baggett	Ralph New	R. D. Warren
	L. C. Martin	Reagan Parker	Herman Brown

Herman Brown, manager presided in the absence of the Chairman E. L. Kurth, Jr.

Renewal of Trans-Texas Airlines permit was discussed, also the addition of Tyler to the system. Views of the Chairman were given to the committee through a letter which had been written to the manager. Committeemen believed that while looking at the addition of Tyler strictly from the standpoint of Lufkin to Dallas the service, of course, would be slowed up to some extent. On the other hand committeemen pointed out that addition of Tyler was a step linking Lufkin with still other connections for air service and also tie two good towns together, via air, Lufkin and Tyler.

Motion was made by R. B. Stroud, seconded by Pat McCann that the committee express to the CAB its appreciation and pleasure upon the decision to extend the operating permit for Trans-Texas Airlines and also express particular gratitude for adding Tyler to the airlines system. Motion carried.

Farming operations at the Angelina County Airport were discussed. A sub-committee composed of Duncan Warren, Ernest Medford and Bob Stroud was named to confer with County Judge Hiram Ralston to learn first-hand just the extent of farming operations which had been approved and at the same time point out that it was the committee's opinion that only an operation such as maintaining a hay meadow should be allowed at the aiport property.

Herman Brown advised the committee that the Civic Aeronautics Administration was making a survey of all approved air school facilities and that Lufkin had been listed as being capable of accommodating 50 students at the City Airport and further that Lufkin could arrange for adequate housing for such a group of cadets if it became necessary to train them at the airport.

The committee authorized the manager to offer cooperation with the CAA on the matter.

Adjourn.

MINUTES
CIVIC AFFAIRS COMMITTEE
ANGELINA COUNTY CHAMBER OF COMMERCE
February 15, 1951

Present:	G. E. Barrington	Charles Krause	T. J. Wilroy
	Elwyn Gipson	Ernest Medford	Wilbur Kent
	Andy Jones	Ben Weber	Herman Brown
	Harry Kerr	Howard Walker	

Wilbur Kent, Chairman presided. Herman Brown explained the general functions of the committee.

In the discussions several projects were listed as needed and on which the committee should do some definite work and planning. The committee was cognizant of the fact that even if financed construction projects in the main would be delayed until the period of National Emergency was over.

The committee cited a definite need for a new County Court House and stated that plans pointing toward the financing measure and plans should be advocated.

For considerable discussion was the need for a new city hall and a city auditorium. After several ideas were advanced it was the opinion of the committee that a combination city office and municipal auditorium should be recommended by the committee. Numerous cities were named which have administrative office quarters designed into a municipal auditorium. General thought was that the auditorium part of the building should be designed as to be an all purpose building.

Committeemen were told that the proposed National Guard Armory project was at the moment at a standstill pending funds appropriations and action by the Texas National Guard Armory Board.

The committee also discussed the need for a new Junior High School. The group stated its desire to cooperate with other groups which are already doing some work in trying to work ways and means to finance the construction of a new Junior High School.

Utilization of parking space in the downtown business section area came in for considerable deliberations. It was stated that the parking arrangement between the court house and Post Office should be rearranged to eliminate so much conjestion. It was pointed out that in the outer fringes of the downtown section that the city should be requested to paint parking lines, even though the space does not have meters, in order to get greater efficiency in parking.

Other general traffic conditions were discussed.

A committee composed of Ernest Medford, Andy Jones and Ben Weber was named to confer with the City Manager and Chief of Police regarding the problems mentioned, offer the assistance of the committee and give the officials the benefit of the ideas advanced.

The committee talked fire prevention and fire waste work and decided to enter the National Fire Waste Contest being sponsored by the U. S. Chamber of Commerce and the National Fire Waste Council.

Minutes - Civic Affairs Committee

Invitation was also extended to the Junior Chamber of Commerce to work jointly with the committee on the activity.

Round-table discussions was had on tax structures and on problems confronting the county hospital but no definite action or recommendations taken.

Adjourn.

MINUTES
GOODWILL AND CONVENTIONS COMMITTEE
ANGELINA COUNTY CHAMBER OF COMMERCE
March 5, 1951

Present:	Ben M. E. Smith	Wm. F. Hanks	Roy Kurth, Jr.
	Ed Lemke	K. Morris	Leeland Petty
	Woodrow Scott	Miss Thompson	Everett Tucker
	A. E. Richards	D. H. Myrick	Herman Brown

Chairman Smith related that invitation had been extended for Lufkin to send a Queen representative to Woodville, March 31, for the Dogwood Festival, and further that Lufkin was asked to send a duchess or duchesses to the Neches River Festival to be held at Beaumont April 11, 12, 13.

Motion was made by Leeland Petty seconded by Woodrow Scott that the Senior Class be invited to name a Lufkin Queen representative for the Dogwood Festival, to be held in Woodville. Motion carried.

It was suggested that Miss Gail Redd, 1950 Texas Forest Festival Queen, be asked to represent Lufkin at the Neches River Festival. Other prospects were discussed. Committeemen were told that the expense would have to be held down as much as possible.

Motion was made by D. H. Myrick, seconded by A. E. Richards that the Committee recommend to the Board that Miss Redd be asked to represent the Chamber at the Festival, and that expenses up to $25.00 be allowed for the young lady, if she could take the time out from school at Stephen F. Austin. Motion carried.

The proposition of sending the High School Band to Jasper for the annual rodeo on April 11, was discussed. It was pointed out that buses for the trip, coming at a time when school buses could not be used, would cost $72.80.

Motion was made by Ed Lemke, seconded by A. E. Richards, that the committee recommend the sending of the band to the Jasper Rodeo, April 11. It was suggested that possibly three or four of the larger industries might be willing to pay $15.00 each to help defray the cost of sending the band on the trip. Motion carried.

Announcement was made regarding the Lions Club District Conference to be held in Lufkin May 13, 14, 15, with the local Lions Club as host. It was stated that the Chamber would help with the convention, send letters of welcome to the area Lions Clubs, publicize the convention.

Chairman Smith announced that the Board of Directors for the Texas Manufacturers Association would be held in Lufkin on April 13.

Minutes - Goodwill & Conventions Committee
March 5, 1951

Announcement was made that the A. & M. College Board of Regents would meet at a date to be named in April.

Committeemen were urged to be present when Military Service inductees were sent from Lufkin. Chairman Smith asked the Manager to see if he could get the Draft Board to notify the Chamber prior to each group's leaving.

The Committee discussed the possibility of inviting the East Texas Chamber of Commerce Convention for 1952. Various phases of the program was discussed. It was stated that the 1952 convention would probably streamlined into a one-day convention, that the expense would not be over $200 or $300 unless the national emergency had cleared and greater convention plans were made.

The 1951 convention was announced to be held at Waco, on April 19, and 20.

Motion was made that the committee recommend to the Board that a bid for the 1952 East Texas Chamber of Commerce Convention be made and that the Goodwill and Conventions Committee consider working up a chartered bus load of delegates. Motion carried.

Herman Brown advised the group that the County Judges and Commissioners Convention would likely be held in Lufkin in October, He stated that Judge Hiram Rolston had intended to attend the committee meeting, but had unavoidably been detained.

Round-table discussion was held prior to adjournment.

MINUTES
GOODWILL TRIP COMMITTEE
TEXAS FOREST FESTIVAL
August 24, 1951

Present:			
	Hugh Byrd	J. E. Parr	Richman Lewin
	George Campbell	Leon Jones	R. L. Smith
	H. H. Dixon	George Powell	R. D. Warren
	Elwyn Gipson	G. P. Scoggins	Ross Wyatt
			Herman Brown

With Mr. J. E. Parr, Chairman of the Committee presiding, the committee discussed various phases of the prospective Goodwill and Booster Trips of the Texas Forest Festival. It was the general opinion of the committeemen present that the trips should be made a combination trip to advertise the Festival, and also a goodwill trade trip for the merchants. Considerable discussion was had as to whether or not buses should be taken for the trip or whether or not business people and citizens should be requested to take cars. It was decided that we should take two buses, and that the same be accompanied by Sheriff, Police Department and Highway Department cars if at all possible.

Date set for the West trip was Thursday, September 13; East trip Thursday, September 20.

The committee decided it would be better to get several business firms to sponsor part of the cost of the bus charter rather than sell transportation tickets for the trip. Pat Scoggins, Richman Lewin, H. H. Dixon, R. D. Warren, and Elwyn Gipson each agreed to pay $25.00 on this cost and Richman Lewin and Pat Scoggins were named to secure other sponsors to help defray the expenses. Jimmy Bell

change to 12.50 DE

Estimate on the trip cost was $400.00 for the four buses. The committee decided that if at all possible air-conditioned buses should be secured.

Committee composed of George Campbell, H. H. Dixon, Tommy Massingill, George Powell, Pat McCann, Ross Wyatt, Jay Boren and Leon Jones were named to contact merchants and business people about making the trip. The manager was instructed to prepare trip tickets which would be issued to the business men, once they had definitely given word that they would go or send some member of their firm.

General opinion was that if at all possible route schedules should be prepared so as to at least include Jacksonville and if possible include Palestine. Herman Brown, Duncan Warren, and Chairman J. E. Parr were authorized to work out the trip schedules.

Adjourn.

EDUCATION COMMITTEE
ANGELINA COUNTY CHAMBER OF COMMERCE
February 7, 1951

Present: Ned Shands, Jr., Chairman Dr. R. K. Arnett
I. A. Coston Herman Brown

The chairman and manager outlined purpose of committee, that of lay citizens being helpful and alert on educational problems and also to bring important issues to attention of people--especially those where education of people is needed on community issues.

It was also stated that other members would be added to the committee.

Herman Brown outlined the purposes of the East Texas Chamber of Commerce "Education for Citizenship Meetings", being sponsored in cooperation with schools, and local Chambers of Commerce. It was announced that arrangements were being made for the Senior Class to go to Nacogdoches on February 16, for such a meeting to be held at Stephen F. Austin College.

Round-table discussion was had on educational problems such as school buildings, and longer term contracts for teachers with special qualifications.

MINUTES
FORESTRY COMMITTEE MEETING
CHAMBER OF COMMERCE
February 9, 1951

Present:	Dr. Joe Burch	Carl Krueger	E. D. Marshall
	Chester Davis	H. A. Maas	Vernon G. Pool, Ass't.
	J. S. Daniels	Joe Stegall	County Agent
	J. A. Hughes	R. E. Erwin	Herman Brown

Chairman E. D. Marshall presided at the meeting. Ways and means to get land owners to engage in good forestry practices was discussed. It was evident from the discussions that more tree planting should be advocated.

Purchase of a tree planter to be loaned out to farmers was discussed. The idea was advanced that the banks should become interested in urging that farmers plant more trees.

The idea advanced was that Angelina County should take the lead and set an example of good forestry practices as an added means to encourage other counties within the timber belt.

Various means of educating the land owners, school boys, and girls was discussed which included demonstrations, field days, exhibits, and special forestry days.

It was explained that it was hard to show a farmer the value of forest management, that the time element had a great deal to do with the matter. Farmers need ready cash now.

It was decided that a sub-committee composed of Dr. Joe Burch, Joe Stegall and Chester Davis together with the Manager and the Chairman contact the City Manager regarding the Lufkin Community Forest with respect to surveying it to determine timber growth and yield for the years it has been in existence and possibility of making it into a project whereby publicity could be given to show the value per acre yield on timberlands. The group made a date to see the City Manager on Monday, February 12.

Also it was advocated that in the tree planting program that consideration be given to the advocating of planting native timbers and other species other than pine, particularly native cedar which would be a good fence post source of supply.

The committee also discussed the possibility of asking that a definite "forestry course" be made a part of the textbook training within the schools at a certain level.

A sub-committee composed of Carl Krueger, Shirley Daniels, J. A. Hughes and Chester Davis was named to have an interview with County School Superintendent T. J. Wilroy to discuss the idea. An appointment for Thursday, February 15, was made to hold the meeting.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

Another division of the Forestry Program was considerably discussed, Forest Products Utilization. The committee discussed the need for finding of uses for the low-grade hardwoods and a market for such timber, that this project played an important part in the timberland economy.

It was announced that researchers were trying to find new uses. Committeemen were told that efforts were being made to secure furniture factories and other wood using industries which might use the type of hardwoods in question.

The committee decided to work in close harmony with the industrial committee with respect to efforts to get wood-using industries to locate in Lufkin and Angelina County.

It was felt that furniture manufacturing concerns, milk crate manufacturers and pallet manufacturing firms might be encouraged to locate in Lufkin.

Adjourn.

MINUTES
INDUSTRIAL COMMITTEE
ANGELINA COUNTY CHAMBER OF COMMERCE
February 22, 1951

Present:	W. R. Beaumier	James M. Moore	Scott Sayers
	Arch Hollingsworth	C. P. Norris	H. C. White
	G. G. Lennard	J. D. Perdue	Arthur Temple, Jr.
	Lynn Metteauer	Ned Shands, Jr.	Herman Brown
		R. B. Stroud	

Arthur Temple, chairman of the committee, presided at the meeting.

The committee decided to sponsor special observance activities for the second annual Texas Industrial Week, outlined by the Texas Manufacturers Association and proclaimed by Governor Shivers for April 1-7. Suggested plans included:

1. Publicity for Industry Week.
2. Speakers for all service clubs in Angelina County.
3. Distribution for posters announcing Industry Week.
4. Mayor's Proclamation for Industry Week in Lufkin.
5. Special programs for High School and Junior High levels.
6. Radio coverage and publicity, with the possibility of making a broadcast from one of the industrial plants or the making of a tape recording for a re-broadcast during the week.
7. Organized tour through industries for students, officials, and business people.
8. Securing proper speech draft material from Texas Manufacturer's Association for use by local speakers.

Chairman Temple requested Scott Sayers to outline plans for conducting an organized tour through the industries during Industry Week.

The Chairman and Manager reported on various activities to secure new industries for Lufkin. They stated that work was still being carried on to secure a west coast furniture manufacturer to establish a plant in Lufkin, that prospects were somewhat favorable. Various other prospects were discussed.

Question was thrown out as to just why Lufkin was not able to secure industries though it made many contacts and tried to interest plants in locating in Lufkin.

General opinion was that the community as a whole was not in unity in the desire to get more industry; that local governmental attitude was not too favorable toward new prospects; that merchants and retailing business houses were not properly concerned and enthusiastic about working to get new industry and not concerned in

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

general with industry's problems.

It was suggested that with Industry Week coming up a dinner meeting composed of merchants, business men large and small, officials and industry's representatives should be held. At the dinner it was suggested that plain talk be presented to the group as to why the chamber was not able to do a better job on getting industries and seek to get greater cooperation on the part of all citizenry.

The idea was for the huge dinner meeting to climax the activities of Industry Week and thus spotlight the local need for a unified and effectual effort to get industry.

A committee composed of Bob Stroud, Chairman, Ned Shands, Jr., W. R. Beaumier, Scott Sayers and Lynn Metteauer was named to work out details and arrangements for such a meeting and tied it in with the activities of Industry Week, April 1-7.

Labor supply problems and legislative matters relating to industry were discussed but no official action taken. Committeemen were told that some labor recruiting was being done in Angelina County by larger cities. Local officials indicated good labor supply conditions.

Adjourn.

MILITARY AFFAIRS COMMITTEE
ANGELINA COUNTY CHAMBER OF COMMERCE
February 22, 1951

Present: Johnny Foster R. D. Warren Herman Brown
Ralph New Eulen Berry

Purposes of the committee were outlined.

The committee cited again the need for a National Guard Armory, and asked that further investigation be made as to possibility of funds being appropriated for the construction of the building.

The committee discussed possible celebrations for November 11 -- Armistice and Memorial Day May 30. It was the general opinion of the group that Veterans organizations would not become very interested in a special celebration for May 30.

The committee discussed ways and means to furnish entertainment for service men station in camps in the East Texas area who might be brought to Lufkin on week-ends.

It was stated that the Veterans of Foreign Wars was entertaining a group from Alexandria as a test case on what could be done.

The committee decided to cooperate with the County and City Officials in the matter of planning for Civilian Defense. The County and City is to call for a general meeting at an early date for the purpose of formulating plans.

Adjourn.

Herman Brown

A proposal to build six (6) highway Welcome Signs was discussed. It was explained that two propositions were possible; (1) Where signs would be purchased outright for $2,500; or (2) Where Quality Sign Company would erect signs and maintain them in good order each year for $1,500 per year.

Sample design of the proposed signs was shown - 4 signs being designed for 10' x 30' and 2 signs 8' x 18'. Signs were designed to have insignia of Service Clubs.

It was decided to contact service clubs to see if clubs would be interested in helping to put the project over.

It was also decided to make further check on purchase proposal of signs.

Other forms of publicity was discussed. Chairman Beaumier and Herman Brown were authorized to prepare a layout for an all purpose publicity folder on Lufkin.

Pictorial folder and street maps were also discussed. Herman Brown advised that work was going on in preparing the map folder.

Adjourn.

ANGELINA COUNTY CHAMBER OF COMMERCE
February 2, 1951

Present:	H. H. Dixon	A. J. Frizzelle	T. P. Ramsey
	Leo Abram	Billy Jack Finley	Sam Robinson
	Ned Barrett	J. B. Ireson	Herman Taylor
	Elbert Clark	Harold Lee	Monroe Waak
	Gary Eaves	K. E. Peters	Hoyet Williams
			Mrs. Crawford (Franklin's)
			Herman Brown

H. H. Dixon called the meeting to order and stated that the purpose of the meeting was to decide upon holidays to be observed and to make plans for the approaching year.

Herman Brown outlined the various holiday dates. It was explained that due to change in football districts that the annual football game between Nacogdoches and Lufkin would not be played on November 11. It was also stated that the schools would observe November 22 as the Thanksgiving holiday.

Motion was made by Hoyet Williams and seconded by J. B. Ireson that the merchants and stores of Lufkin observe November 22 as Thanksgiving Holiday. Motion unanimously carried.

Considerable discussion was had on whether or not stores should close on November 11 (in the case of 1951 on November 12, as Armistice falls on Sunday). General opinion was that not many cities observed the day as a Holiday. However, it was pointed out that if Lufkin wanted to observe it as a Holiday that what others did nr did not do was not too important.

The suggestion was offered that merchants consider observing Memorial Day, May 30, as a Holiday instead of November 11. Some Legion officials had said that no request would likely be made for stores to close on November 12, since the day fell on Sunday and that observance activities would likely be held on Sunday.

Motion was made by A. J. Frizzell, seconded by Monroe Waak that the committee vote to close on November 12, unless an agreement could be made with the American Legion for special observance ceremonies on Memorial Day, May 30, and that if such agreement was not made with the Legion officials that the motion automatically provide that stores observe November 12, as a Holiday. Carried by a vote of 14 for and one (1) against.

Motion was made by Sam Robinson seconded by A. J. Frizzell that the committee ask merchants to observe as Holidays the following other days: Independence Day, July 4; Labor Day, September 3; Christmas Day, Tuesday December 25; and New Years Day, Tuesday January 1, 1952. Motion unanimously carried.

The matter of trade promotions and special sales events were discussed. Herman Brown stated that he believed merchants should be aggressive and on the job toward getting new business and extending Lufkin's trade territory.

Monthly trades days were discussed. Merchants were of the opinion that the Fourth Wednesday Trades Day events should be continued. Mo-

tion was made by Harold Lee, seconded by Ned Barrett that the merchants observe 4th Wednesday Trades Days during 1951 starting with February. Motion carried.

It was decided that the Chamber of Commerce would have cards printed announcing 4th Wednesday Trades Day to be placed in store windows in advance of 4th. Wednesday.

It was decided that the committee appointed November 8, to survey new decoration system possibilities should be authorized to recommend plans for presentation within a couple of months. The committee included:

Earl Nesbit, Chairman
L. C. Martin
Hoyet Williams
Tommy Massingill

	Gary Eaves	Bruce Perry	John Mendlovitz
	W. R. Haygood	J. L. Noble	Harry Steenson
	Robert Hutson	Kenneth Peters	Herman Brown

Chairman H. H. Dixon, presided. Herman Brown outlined proposed plans for christmas decorations and activities. Mr. Lewis Williams, decorator of Houston, displayed samples of aluminum foil street streamers. He advised the committee that the streamer which was displayed across the street was 60 feet in length had a 36" star and wreath and would cost $48.75 completely fabricated ready to attach to the electric streamer lines.

Opinion of those present was that all types of business should join together to install uniform and beautiful decorations in the downtown area where the heaviest concentration of people would be.

It was estimated that the total cost would be $3,000 for the purchase of new equipment, installation of new equipment, old streamers, etc.

Motion was made by Sam Robinson, seconded by Arthur Bresie that the Merchant's Committee campaign for $3,000 needed to handle the project. Motion carried.

The following firm representatives stated that they would pay $100 each on the cost of the project.

Abrams -- $100.00
Bealls -- 100.00
Penney Co.-100.00
Green's -- 100.00
Taylor Hdwe.100.00

Manager Herman Brown was instructed to prepare area pledge lists for distribution to the committeemen. Chairman Dixon urged all committeemen present to accept the responsibility of helping to raise the money. He also asked that the committees work in teams of two people each.

SPORTS & RECREATION COMMITTEE
ANGELINA COUNTY CHAMBER OF COMMERCE
February 21, 1951

Present:	Pitser Garrison	Davis McKinzie	Maxwell Wortham
	J. R. Hinds	Ed Trout	Herman Brown
	J. C. Hinson	Ben Weber	

General purposes of the committee were outlined to the members present by Manager Herman Brown and Chairman Maxwell Wortham. It was stated that the committee should be interested in and reflect the business men's interest with regard to suitable recreation for Lufkin and for the support of school and other organized sports and athletic programs.

Chairman Wortham explained that permission had been granted by the Board for the use of the Festival Grandstand for Semi-Pro baseball, a team to be sponsored by the Lufkin Foundry & Machine Company. He also stated that the use was subject to the stadium being declared safe in order for the chamber not to be involved in liability should injury occur as a result of unsafe stands, etc., that the committee had made an inspection and that the general grandstand, with a little repair, would be safe, but that part if not all the box seats should be removed. Decision on this was dependent upon the committee and Mr. W. W. Trout getting on the scene to view the property and discuss re-arrangement of fences, rodeo chutes etc.

Considerable discussion was had with regard to the Nacogdoches request that athletic relations between the two schools be severed. It was the general opinion that Lufkin was as much at fault as Nacogdoches and probably more so with regard to recent incidents.

Committeemen were unanimous in the opinion that strained relations between the school groups was not good for either of the towns and did not actually truly represent the friendship existing between the business people.

Motion was made by Pitser Garrison, seconded by Ed Trout that the committee take recognition of the strained relations existing between the schools and the effect such a condition has on the general welfare and reputation of the towns and therefore offer to the School administrators and to the Board assistance in any effort to halt incidents which create unfriendly feelings between Lufkin sports fans and schools with other schools which contest against Lufkin in sports events. The motion included that a letter be written to the school officials advising them of the committee's concern anddesire to be of assistance and help on the matter. Motion carried.

Adjourn.

Friday, Oct. 12, 1951

Present:	Maxwell Wortham, Chairman	William Hines
	Ed Trout	J.C. Rip Hinson
	Murphy Martin	Ben Weber
	Arthur Bresie	Herman Brown

The purpose of the meeting was stated to be for discussing the possibilities of holding a dinner honoring Pete Runnels, Washington Senator Big League Baseball Player from Lufkin.

All committeemen agreed that the dinner should be held.

General opinion was that Big League players who might be spending the winter in Houston could be secured for the dinner.

A committee composed of Max Wortham, Murphy Martin, and Herman Brown was appointed to work out details. It was suggested that Morris Frank of Houston be contacted for help on getting the Houston big leaguers and to serve as Master of Ceremonies for the dinner.

Date for the meeting could not be set pending a contact with Pete Runnels to ascertain when he might be able to attend. A date late in October or early November was suggested.

Adjourn.

ANGELINA COUNTY CHAMBER OF COMMERCE
February 21, 1951

Present:	I. A. Coston	V. G. Koch	R. D. Warren
	Fred Hutson	B. J. Peel	R. M. Woodall
	R. A. Jackson	Sid Scott	Reagan Paker
			Herman Brown

Considerable discussion was had in the committee about impending Truck Legislation in Austin. The " On the Spot Unloading" bill House Bill 11 and Senate Bill 57 on load limits came in for most of the discussion.

It was stated that any view of the committee should be that which would be for the welfare of local industries and Lufkin in general. A sub-committee composed of Fred Hutson, V. G. Koch and Sid Scott were named to assemble copies of the bills in question and study them for possible recommendation to the committee. General opinion was that no action on the proposed legislative measures should be taken at the present time.

Bus transportation was again discussed. It was stated that this had been discussed at each meeting last year and that probably the only method of attack was to keep urging the lines to offer better connecting service between Lufkin and Dallas.

Street traffic in the business section of town was discussed. Possibilities of certain streets being made into one-way streets in some particular areas were discussed. Examples of conjested traffic spots were named as being on Kiln from Bonner to Raguet; East Lufkin Avenue which needs widening; Abney and Raguet; and on North First where North First, Laurel and Abney intersects.

It was decided that the chairman and the manager discuss with the City Manager and Chief of Police any plans which the officials may have on traffic control and that if no definite plans are in the making that the officials be advised of the committee's ideas on traffic control.

Committeemen I. A. Coston and R. D. Warren were asked to make personal observations of traffic in the business area during the next several weeks and report to the committee opinions formed regarding traffic needs.

Adjourn.

Angelina County Chamber of Commerce

Minutes --Agriculture Committee Meeting

February 6, 1952

Present:

Ele Baggett	Sam Garcia	Jimmie Parr
Eulen Berry	H. N. Garrett	C. B. Richardson
J. L. Bradford	Alton Hart	Nixon Ricks
J. F. Burris	Billy Joe Irwin	G. R. Sullivan
E. K. Crouch	Otha Jones	J. C. Thompson
Chester Davis	G. G. Lennard	O. L. Hubbard
J. C. Etheredge	Ted Mayberry	

O. L. Hubbard called the meeting to order. First subject for discussion was the annual FFA and 4-H Club calf raising project.

It was stated that the merchants and business men would not go along on the same finance plan and Manager Herman Brown outlined the provisions of a new plan. In general terms it was accepted but there seemed to be a few changes which had been suggested. Basically the plan was to put several hundred dollars into premium funds instead of requiring merchants to guarantee a sale price on the finished calf. It was suggested that some 20 prizes be offered in two divisions with division top prize suggested at $150. Boys would secure their own calves.

Upon authority of the committee Chairman Hubbard appointed a committee composed of J. F. Burris, E. K. Crouch, County Agent Chester Davis, J. C. Etheredge, H. N. Garrett, Alton Hart, Billy Joe Irwin, J. C. Thompson - Murrel Barfield and Herman Bate to work details of the plan.

The group discussed the annual Field and Pasture Day. E. K. Crouch, experiment station manager suggested either May 2 or May 9 as dates. It was generally agreed that several changes should be made in the activities for the day. The following committee was named to work out details for the annual pasture day:

E. K. Crouch, Herman Bate, Eulen Berry, J. F. Burris, Chester Davis, H. H. Dixon, Otha Jones and Gus Boesch.

Considerable discussion was had on the need for an increased dairy program. As a starter it was decided that the committee seek through the cooperation of the County Agent, agriculture teachers, personnel directors of the larger industries and the feed companies the names of farmers and owners of 50 to 100 acres of land who might be interested in the dairy business.

Agriculture Committee, February 6, 1952

Following the compilation of the list the idea was to invite such people to a mass meeting wherein leaders in communities where successful dairy programs had been advanced would come and provide details on the dairy programs.

Motion was made by Eulen Berry seconded by H. N. Garrett that the Committee endorse the installation of the soil testing laboratory at Stephen F. Austin College in Nacogdoches and also urge the use of the laboratory when it was completed. Motion carried.

Committeemen were told that Invitation had been extended on behalf of Lufkin for a state-wide soil conservation awards meeting to be held in April or May. Committeemen were asked to support the event if Lufkin should be awarded the meeting.

Short discussion was had on broiler raising. It was decided that an effort should be made to compile a registery or list of all broiler houses in the county.

Discussion was had on Dairy Day but no action taken. Organization of a Farm and Ranch Club to be composed of farmers and business men was discussed but no action taken.

Chairman Hubbard urged the calf project committee to work out details as soon as possible.

Adjourn.

A. J. Frizzell	Reagan Parker	Herman Brown
L. C. Martin	Leeland Petty	

Absent:

Dr. A. E. Percy	Everett Tucker	R. D. Warren

Chairman E. L. Kurth, Jr. outlined briefly the history of the establishment of the Angelina County Airport.

He told committeemen that the airport needed much improvement and that another runway was almost a must.

Bill Book spoke to the group and reviewed the airport problem and urged a movement for the City and County governments to get together and eliminate the city airport and bend all efforts on establishing a much improved Angelina County Airport.

He reviewed the services rendered at the County Airport and stated that the CAA had seven civil service employees at the airport in addition to the Airlines personnel.

The suggestion was offered that the aviation committee name a sub-committee to request a conference with the Mayor and City Commissioners for the purpose of discussing the problem with city officials.

The committee was also of the opinion that an active Airport Board should function with regard to the operation of the airport whether operated as a county airport or as a city-county airport.

Chairman Kurth was authorized by the group to name the suggested sub-committee to see the City Commissioners and named the following committee:

A. O. McQueen
R. B. Stroud
Pat McCann
L. C. Martin
W. R. Beaumier

MINUTES OF MEETING - FORESTRY COMMITTEE

Angelina Chamber of Commerce
October 2, 1952

The meeting of the Forestry Committee was called together at 2:30 P.M., October 2, 1952, by Chairman Marshall.

Members present were:

Simon Henderson
Chester Davis
J. A. Hughes
Bruce Stewart (new member replacing L.L. Bishop)
R. E. Irwin
E. D. Marshall
Herman Brown

Guests present were:

Joe McClendon, Acting City Manager
Dan Lay, Texas Game and Fish Commission
Theron D. Carroll, TG&FC
Cecil Reed, TG&FC
Herman Bates, Vocational Agriculture Dept., Senior High School
Charles Sturrock, " " " " " "

The Chairman outlined the status of the Lufkin Community Forest project. The need for assistance in furnishing boundary posts, road grading, signs, etc., was briefly discussed. It was decided that as definite recommendations are made, an effort will be made to accomplish the work the best way possible. Very little, if any, initial assistance may be expected from the City of Lufkin.

On August 5, 1952, the Lufkin City Council approved a ten-year lease to the Forestry Committee, Angelina County Chamber of Commerce, of the Jones Lake Area and City Lake Area, constituting the "Lufkin Community Forest". However, before filing the lease a Master Plan must be submitted to the Lufkin City Council and approved by them. The Master Plan should describe the type and extent of proposed activity on the Lufkin Community Forest for the next ten years. The Chairman stated that the primary purpose of this meeting was to discuss several details of the Master Plan, particularly the fish and game aspects. For this reason ~~the~~ three representatives from the Texas Fish and Game Commission had been invited to attend this meeting. The forest management aspects of the Master Plan have been completed in cooperation with the District Forester, Texas Forest Service, Lufkin, Texas.

The matter of fish management in the City Lake was discussed. Mr. Cecil Reed recommended that the City Lake and all drainages above (Jones Lake, two mill ponds at Keltys, Country Club lake) be treated with rotenone to remove all the fish. Rotenone stuns the fish and when they come to the surface are easily caught in nets. The rotenone will not harm the water for drinking purposes and in about three days any taste from the rotenone will have disappeared. After all fish are removed, then the lakes may be

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

restocked with game fish. In this manner all rough fish or undesirable fish are eliminated from the waters. It will require about ten months for the fish from the hatcheries to grow to catch size. The lakes should be fertilized with a commercial fertilizer to improve the growth and development of the fish.

It was stated by some members that the Country Club Lake had recently been treated - hence no need to treat it. This would leave the two mill ponds at Keltys, Jones Lake, and City Lake to be treated. With the low water level prevalent at this time, the amount of rotenone needed will be less. Mr. Brown stated that he thought the Angelina County Chamber of Commerce would underwrite the cost of the rotenone. The rotenone should be spread into the water from boats. The Chairman appointed Mr. J. A. Hughes to arrange for the necessary boats and man-power needed for the treatment. The Chairman also requested that Mr. Joe McClendon determine the number of acre-feet of water to be treated so that the amount of rotenone necessary could be determined.

The Texas Fish and Game Commission promised to furnish a representative for technical supervision during treatment ~~of~~ with the rotenone.

The Chairman then called upon Mr. Carroll and Mr. Lay for an outline of educational projects for wildlife. Mr. Lay stated that because of the size limitation of the areas, turkey and deer management would not be feasible. However, retaining den trees for squirrels and coons, planting of lespedeza, etc., for quail management, placing of kegs in the trees along the water for wood ducks, planting of duck millet and smartweed on mud flats, etc., could be carried out along with a sound program of education for the school children. Mr. Carroll stated that he was ready and willing to help out on the educational phases of the work. In addition to the outline of work that Mr. Carroll furnished us previously, he stated that he would attempt to schedule definite stop-overs at Lufkin if called upon to do so.

Mr. Lay promised to furnish us with a list of desirable trees and shrubs to leave for game - such as red haw, black haw, chinquapin, etc. This is to be considered during the laying out of plots for wildlife study and in cutting practices on certain forest areas.

Mr. McClendon suggested that five or ten acres of the garbage dump area adjoining the City Lake area might be desirable for quail management studies. However, after the meeting, the area was examined and Mr. Lay was of the opinion that the area was too sandy and not adaptable for cultivation for feed crops for quail.

The Chairman stated that as the various forest and wildlife demonstration plots were developed, that foot trails would be established and maintained for the public's use.

After the meeting, Messrs. Carroll, Lay, McClendon, Bates, Sturrock and Marshall visited the Jones and City Lake areas for the purpose of acquainting Messrs. Lay and Carroll of the Texas Game and Fish Commission with the areas.

The Chairman will prepare a Master Plan for the area for presentation and approval of the Lufkin City Council.

Minutes---Industrial Committee Meeting

February 26, 1952

Present:

W. R. Beaumier	James M. Moore	W. W. Trout
George H. Henderson	J. D. Purdue	R. M. Woodall
S. W. Henderson, Jr.	Herman Taylor	Arthur Temple, Jr.
		Herman Brown

Absent:

C. C. Chambers	W. L. McHale	W. L. Slaughter
R. M. Eagle	Lynn Metteauer	Ned Shands, Jr.
Jewell Hudgens	Leland Murphy	R. B. Stroud
W. H. Johnston	~~C. P. Norris~~	H. C. White. Sr.
G. G. Lennard	Scott Sayers	R. W. Wortham, Pres.

The staging of activities in Lufkin and Angelina County for Industry Week, April 1-7 was discussed at length. Most members present opinioned that the events as sponsored last year were worth the effort and necessary work.

Motion was made by W. W. Trout seconded by George H. Henderson that the committee sponsor Industry Week activities again in Angelina County and that the chairman name a special committee to handle the events to be staged. Motion carried.

Chairman Temple announced that he would appoint the committee later.

Need for making a county-wide scrap metal drive was discussed. Chairman Temple appointed W. R. Beaumier, scrap drive chairman and requested that W. W. Trout serve as chairman of a committee to work out scrap collections by the schools.

It was announced that a date for the drive would be set later.

Considerable discussion was had on the creation of an Industrial Foundation or fund for the purpose of being able to attract more industries to Lufkin and Angelina County. A fund of $150,000 to $200,000 was suggested.

The suggestion was made that a plan for the creation of a foundation be worked out, and that a mass meeting of merchants and business men be held to present the plan and start raising the funds.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

A committee composed of Herman Taylor, chairman, W. R. Beaumier, Lynn Metteauer, R. A. Jackson and R. M. Woodall was named to work out details and make arrangements for a meeting of merchants and citizens.

Reports were made by the manager and the chairman on various industrial prospects with whom the chamber was in contact. It was reported that the Ralston-Purina Company mill would be located in Shreveport and that the company had given "transient freight rates" favoring Shreveport as being the real reason for selecting Shreveport.

Herman Brown reported that the Lee Manufacturing Company was delaying decision on the garment plant and that it might be 1953 before the company would actually locate. He also reported a contact being made with the Colony Furniture of Linden, N. J., regarding the possibility of locating a branch bedroom furniture plant in Lufkin.

Round-table discussion was had on industrial possibilities with respect to facilities, taxes, attitude of government officials, labor and general attitude of the people.

Adjourn.

ANGELINA COUNTY CHAMBER OF COMMERCE
Joint Meeting
Board of Directors & Industrial Committee
May 29, 1952

Present:

Board Members:

Gus Boesch	Guy Croom	Elwyn Gipson
Gordon Horn	Wilbur Kent	Roy Kurth, Jr.
Reagan Parker	J.B. Perry	B.M.E. Smith
H.J. Shands	Maxwell Wortham	Elbert Clark

Industrial Committee:

George H. Henderson	W.H. Johnston	G.G. Lennard
James Moore	Scott Sayers	Ned Shands, Jr.
R.B. Stroud	Herman Taylor	Ed Trout
R.M. Woodall	Arthur Temple	Herman Brown, Mgr.

B.M.E. Smith, Vice President, presided at the meeting in the absence of President R.W. Wortham, Jr.

Purpose of the meeting was to discuss ways and means to secure finances to build a building for the purpose of leasing to the Atlas Plywood Company with which Industrial Committee Chairman Arthur Temple and Chamber officials had been negotiating for the past five months.

Arthur Temple told the group that the Atlas people were sending officials to Lufkin on Tuesday, June 3 for the purpose of trying to work out a definite deal to locate in Lufkin. He stated that Company officials had cited plant needs for the proposed Door Plant and the Veneer Plant as being 100,000 square feet. Such a building was estimated to cost approximately $275,000.

He advised that merchants and businessmen would have to raise funds to assure the building of the building. He proposed to offer to lease the industry a building at 6% on a 12 year pay out plan and to give the industry an option to buy the building.

Chairman Temple stated that the Texas and Southeastern Railroad would donate the site on which to build the building.

It is proposed that the Chamber form an Industrial Foundation by selling negotiable profit bearing stock and raise at least $150,000, or all of the $275,000 if possible to provide funds with which to build the building.

Directors and committeemen were told that unless merchants and business firms did raise such funds, which would be placed in a revolving fund to help get the new industry, that Lufkin might as well forget about trying to go after new industry.

stated to the

While this first hot prospect seemed a rather big money raising deal, it was a sound investment, and that to get the industry, furnishing a building for lease was a "must"

Herman Taylor	Frank Aydelotte	Ken Fullen
Leo Abram	Mrs. Johnnie Crawford	Evelyn McDermott
T. B. Gober	Gary Eaves	Jim Waters
Herman Brown	G. L. Ricks	

General Chairman John B. Perry presided at the meeting. Manager Herman Brown explained that the meeting was for the purpose of discussing the closing or not closing for November 11.

He reviewed the decision made by the group at the February 18th meeting wherein it was not decided to close on November 11. General opinion in February was that the merchants should not close unless there was a special commemoration celebration staged by the veterans organizations.

G. L. Ricks, post commander for the V. F. W. and Roy Stout, post commander for the American Legion made brief statements wherein they stated that the two veterans organizations had hoped that the stores would close on November 11.

Motion was made by Hoyt Williams, seconded by Chester Mowan that the group recommend that all stores close on November 11, and that the chairman be authorized to name a special committee to make a study and survey relative to the setting of a special veterans commemoration day and recommend to the merchants group when it met to set the 1953 Holidays. Motion carried.

The shooting of fire crackers in the city limits was discussed. It was the general opinion that it would not be wise to try for a complete city-wide ordinance.

Herman Brown, manager, was instructed to check into the ordinance and that if there was an ordinance prohibiting the shooting of firecrackers in the fire zone and the downtown business section, that he ask the council, on behalf of the merchants present, to enforce the ordinance; and further that should there not be an ordinance that an effort be made to have such an ordinance passed.

The motion was made by Sid Shafer, seconded by Tommie Massingill and unanimously carried.

(continued)

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

Plans for the Christmas Season were outlined. It was stated that the Santa Clause parade would be held on November 28 at 10 a.m. with real live reindeer. Committees were given contribution pledge lists for the purpose of securing the $1,300 needed to finance the decorations and Christmas activities.

Motion was made by Gary Eaves seconded by Ned Barrett that the chairman be authorized to name a committee to work out details for a show window contest for the Christmas opening. Motion carried.

The group discussed various trade promotion events, particularly the monthly Bargain Days.

General opinion was that they should be held earlier in the month.

The group also wanted to try for a promotion on "Leap Year Bargain Day," to be held February 29.

It was decided that the Manager call for a meeting of all the committee sub-division members to discuss the trade promotion plans and to settle on Holiday dates.

The meeting date was set for Monday February 18, 2:30 p. m.

ANGELINA COUNTY CHAMBER OF COMMERCE
LUFKIN, TEXAS
Minutes -- Military Affairs Committee

May 6, 1952

Present:

Dr. R. K. Arnett
Ralph New
R. D. Warren
Sgt. Joe Murphy
Eulen Berry
Howard Walker
Herman Brown

Sgt. Murphy explained to the committee that the Army needed the help of local committees to make plans for the observance of Armed Forces Day. It was suggested that the local committee sponsor Armed Forces Day on Friday May 16, that the day should be observed by the following:

1. Stage a street parade at 3:30 p.m. inviting the local High School and Junior High School bands to participate as well as the Diboll High School Band.

2. Request that the Veterans Organizations, National Guard, and other organizations participate in the parade.

3. Secure speakers for special radio braodcasts to be held on Friday May 16, designated Armed Forces Day.

4. Halt the street parade downtown, about First Street and Lufkin Avenue for a short Armed Forces Day program.

Howard Walker was named to secure the radio speakers.

R. D. Warren and Sgt. Murphy were designated to handle details of the parade.

It was decided that City and County government officials be invited to ride in the parade.

Adjourn.

MINUTES
Chamber of Commerce Committee
and
Members of Lufkin School Board

December 4, 1952

PRESENT: Chamber of Commerce Committeemen:
B. M. E. Smith
John Perry
H. J. Shands
Herman Brown

PRESENT: School Board Committeemen:
W. Joe Anderson
Ned Shands, Jr.
O. L. Hubbard
Geo. Henderson
Ted Mayberry

Herman Brown presided at the meeting in the absence of committee chairman, Simon Henderson Jr.

He reviewed the discussions for a meeting held a few days back.

Round the bable discussions was held. General opinion was that the Chamber of Commerce Committee was agreeable to selling the festival property to the school board ift it was need. Some opinion was expressed as to whether or not all of the land would be needed.

Chamber of Commerce committeemen were of the opinion that outright sale of all the property, if the school board found it had to have it, would be the best solution.

School Board members stated that the school would not need but a part of the property at once, and that the chamber of commerce could use the property until it was actually required in the school building program.

It was generally agreed that the chamber should get $15.000 for the property and retain all the equipment and property with the exception of the baseball field lights.

School board members stated that they wanted to have planning surveys made, and wanted to know if the property would be made available, though it would not be required for use for a year or two.

Motion was made by H. J. Shands, seconded by John Perry that the Chamber of Commerce committee recommend to the Board of Directors that the chamber of commerce offer to sell the festival property, 27.4 acres to the school board at a price of $15.000 and retain all of the buildings and improvements except the field lights and poles on the baseball playing field, and that until the school required the use of the property that the chamber of commerce be allowed the use of the property and facilities thereon. Motion carried.

Adjourn

ANGELINA COUNTY CHAMBER OF COMMERCE
LUFKIN, TEXAS

Minutes--Special Committee
To Make Recommendations on
Use of Festival Park For
"Little League" baseball

January 9, 1952

Present:

Herman Brown, B. M. E. Smith, Wilbur Kent, Maxwell Wortham.

After discussing possibilities of the "Little League" baseball for youngsters as proposed by the organizers the group agreed that the park should be made available and voted to so recommend to the Board of Directors.

In recommending that the "Little League" be allowed to use the park the committee set down the following recommendation:

1. That permission be granted for but one season, 1952 starting approximately June 1 and continuing throughout the Summer School Vacation months.

2. That the "Little League's" use of the park present no cost to the Chamber of Commerce, other than maintenance which would be incurred anyway.

3. Since field outlay, diamond and the proposed "Little League" park is in miniature the committee recommended that such equipment, park fences and the like be erected so that it could be moved.

4. That in event it should be necessary to move any of the field light poles that the league agree to move them back to the original position if such poles should be in way of activities or events to be held at the grandstand by the festival or the chamber of commerce.

5. That the league pay its own utility bills and expenses such as water, lights, caretaker and playing field maintenance.

6. That the league be allowed to use the grandstand concession stand and to have concession rights during the league season.

MINUTES
SPORTS AND RECREATION MEETING

April 17, 1953

PRESENT:

Murphy Martin
H. J. Shands, Jr.
William Hines
Lee Freisen
J. C. Hinson (Rip)
Wilson McKewin
Herman Brown
Ben Weber
O. L. Finley

Chairman Wilson McKewen presided at the meeting.

Ben Weber related that The Catholic Youth Center had offered the use of eleven acres of land for recreational purposes and would provide a free long-term lease to a responsible group.

Committeemen discusses the possibility of securing the use of the land for the erection of baseball parks for the Teener and other organized play groups.

It was suggested that the City Officials be contacted about the possibility of including the land in the city parks setup or as a supplement thereof.

Committeemen authorized Chairman McKewen to name a three member sub-committee to contact the City Officials and Father Julian relative to the project.

Committeemen appointed were Ben Weber, Lee Friesen, and Murphy Martin.

Adjourn.

SUGGESTED ACTIVITIES

PUBLICITY COMMITTEE

Survey possibilities for new publicity, pictorial and facts folders.

Reprint city map for distribution.

Arrange publicity for various events and activities staged by the committees of the Chamber of Commerce.

Other Suggestions:

Fact folder - (Industrial) suggest folder included some of City Buildings, churches, Lumin Park, down town street scene

City Map - Suggested map be brought up to date and if possible have city map on one side & County map on other with various city county and Industrial scenes around the margin - Name of streets are too small

Lufkin Days Folder - have some industries included and information brought up to date

Bill Board on all Major highway into Lufkin with name of all civic clubs -

H. A. Sanders	W. H. Johnston	

Service Stations & Garages	Hardware & Furniture
Reagan Parker	Herman Taylor
H. C. Polk	J. H. Singleton
K. Morris	J. M. Warren
H. E. Estes	Leslie Biggs

Real Estate & Insurance	Drug Stores & Cafes	Laundries & Clean. Shops
Jack Tucker	Edwin D. Thompson, Jr.	R. L. Cunningham
Doyle Anderson		Grady Clayton
G. G. Lennard		
E. L. Bartlett		

Department & Specialty Stores	Auto Dealers	Wholesalers
Ned Barrett	Eddie Berry	Carl Garner
Gary Eaves	Finis Gibbs	
Kenneth Fullen	Ulen Medford	
W. C. Hendrix	Lynn Metteauer	
Harold Lee	Pete Sumners	
	R. D. Warren	

John B. Perry, general chairman of the Merchants Division Committees, presided at the meeting. Gary Eaves served as meeting Secretary.

The group upon motion by John Smith seconded by R. D. Warren endorsed the Public Scales idea.

Chairman Perry urged each sub-division committee for the merchants group to study needs particular to their respective business classifications and meet separately on these committees.

Once a month Trades Days were suggested by Ned Barrett. Motion was made by Reagan Parker seconded by John Smith that a meeting be held at a later date to decide on that particular event. Motion carried.

Merchants Division Committees March 3, 1953

MINUTES

It was announced that Veterans organizations of the City had agreed to observe Memorial Day instead of November 11.

Motion was made by Harold Lee seconded by Ned Barrett that the stores and business houses close on Memorial Day instead of Armistice Day and further that the following named holidays be observed in Lufkin:

Memorial Day, Independence Day, Labor Day, Thanksgiving Day, Christmas Day, and New Year's Day (January 1, 1964). Motion carried.

It was also decided that since Memorial Day May 30 and Independence Day, July 4, fell on a Saturday that the stores close on the following Monday to observe each of these days.

Discussion was had on the Christmas program for 1952. Merchants agreed that the Christmas Opening for 1952 was highly successful. Manager Herman Brown asked opinion of the committeemen as to when the 1953 Christmas Opening should be held.

It was announced that a contract for the Reindeer was in effect for another year, with the 1953 fee for the reindeer the same as 1953, $400.

Motion was made by Harold Lee seconded by Monroe Waak that the Christmas Opening and parade be held at 10 a. m. November 27, which is the day following Thanksgiving. Unanimously carried.

Motion was made by Herman Taylor seconded by Harold Lee that John B. Perry, Sr., be named to represent the merchants on the Angelina County Planning Board. Motion unanimously carried.

Members of the Automobile committee cited the need for a parking lot in the downtown business section of Lufkin.

No other business to come before the group the meeting was adjourned.

Gary Eaves
Meeting Secretary

John B. Perry
Chairman

Not having a quorum, the members present ask that C. of C. call a meeting in near future of all men that are in real estate or insurance business & members of C of C. to see what can be done by these two groups to assist C. of C.

It seems to those present that Building & Construction Com. should work & meet jointly with this Committee.

ANGELINA COUNTY CHAMBER OF COMMERCE

Legislative and National Affairs Committee

Minutes

November 23, 1953

Present:

W. R. Beaumier
S. W. Henderson, Jr.
Roy Kurth, Jr.
Earl Medford
Ulen Medford
Clyde Thompson
Herman Brown

Absent:

Leo Abram
Col. C. C.Chambers
George Henderson
W. L. McHale
John S. Redditt
R. B. Stroud
Herman Taylor
Arthur Temple, Jr.
H. J. Shands, Sr.

Chairman W. R. Beaumier presided. He related that several issues of major importance would be commanding the attention of the National Congress in its next session and that local business people and citizens should express their opinions on those in which they are interested.

Taxes, Spending and the Taft Hartly Act were three issues the committee believed should be discussed before leaders. Federal Highway Aid, Social Security, Postal Rates and Government Functions were also discussed as measures which should be studied.

It was decided that a meeting should be held late in December or during the first week in January 1954 wherein Legislative & National Affairs Committeemen, Board members and other leaders would meet in a joint session.

The idea was advanced that three major issues be discussed at the meeting with recommendations to be made to a larger letter writing "action group" of citizens and business men.

Chairman W. R. Beaumier and Manager Herman Brown were requested to secure a speaker to present three issues and to make arrangements for the meeting.

It was announced that Chairman W. R. Beaumier and the Manager would attend a National Affairs round table meeting to be held by managers of several towns in Huntsville, December 4th.

Adjourn.

Herman Brown, Manager & Sec'y

W. R. Beaumier, Chairman

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

Committee organized and agreed on program for year — feel Business Education Day would be worthwhile.

It is believed Committee should be called together in the near future for more detailed discussion of state and national legislation —

MINUTES
SUB-COMMITTEE SPECIAL MEETING
MERCHANTS COMMITTEE AND VETERANS AFFAIRS COMMITTEE
AMERICAN LEGION AND V. F. W.

February 26, 1953

PRESENT: Merchants Committee
John B. Perry
Elbert Clark
Herman Taylor
Herman Brown

V. F. W. Committee
Mr. Ricks
Judge Maroney

American Legion
Roy Stout
Jim Waters
Doyle Anderson

J. B. Perry, Chairman, Merchants Committee, Chamber of Commerce presided at the meeting.

Discussion was held concerning whether or not the town should observe Memorial Day as a tribute to War Veterans or observe Armistice Day as a tribute to War Veterans. Representatives of the V. F.W. stated that the committee had canvassed members of the V. F. W. and that it was agreeable for Memorial Day to be observed.

Representatives of the American Legion expressed the opinion that Memorial Day would be good to observe rather than November 11th. Therefore it was agreed by all members present that the committee would recommend to the General Session of Merchants that Memorial Day be observed as a tribute to Veterans in the place of Armistice Day.

It was further decided that since Memorial Day and Independence day, July 4th fell on Saturdays for 1953 that the committee recommend to the Merchants Group that Monday, June 1, be observed as Memorial Day and that Monday, July 6th, be observed as Independence Day, and that if the recommendation is accepted by the General Merchants Session that the merchants be asked to close on these two days.

No further action coming before the group the meeting was adjourned.

Herman Brown, Manager

J. B. Perry, Chairman

Minutes of Goodwill and Conventions Committee Meeting held at High School March 3, 1953

Nine members were present for a part of the meeting. Some were unable to stay because of other committees.

Everyone present expressed their desire to do anything possible to further the goodwill of Lufkin and to get more conventions.

It was suggested that the Chamber of Commerce make a welcome sign for the colored school teachers convention to be held April 3 - 4, as they are short on finances and have expressed a desire for this. Ed Lemke was appointed to take care of this matter.

Mr. Long suggested a plan for free parking tickets to out of town automobiles overparking in Lufkin. It was brought out that one is in operation by the Junior Chamber of Commerce at the present time.

The Welcome Book that is delivered to all of the newcomers to Lufkin was explained and suggestions were made on this. Also, in connection with newcomers, a program was briefly discussed to entertain at intervals with some type of refreshments and entertainment.

The meeting was dismissed at 8:30.

ANGELINA COUNTY CHAMBER OF COMMERCE
MINUTES-CIVIC AFFAIRS COMMITTEE
MEETING-JULY 14, 1953

Present:

Doyle Anderson
B. A. Bradshaw
Elwyn Gipson
W. M. Glenn
Ray Horn
Harry Kerr
Ernest Medford
Lee W. Friesen
Edwin T. Arnold
Herman Brown

Absent:

G. E. Barrington
Dr. Barney Chappell
Curtis Fenley
Pitser Garrison
Howard Walker
Wilbur Kent
H. E. Lacy
J. D. Perdue

Elwyn Gipson, Chairman, presided at the meeting. Subject for discussion was the Street Name Marking Project..

Manager Herman Brown showed samples of cast aluminum signs, quoted prices for various manufacturing companies.

Motion was made by B. A. Bradshaw seconded by Ray Horn that the committee decide on securing cast aluminum signs which could be secured for a base price of $2.52 each, plus .20¢ per letter extra for names over eight letters and .40¢ extra for block numerals for block numbers 900 and under, and .65¢ for block numerals 1,000 and over. Motion carried.

Various types of pipe installations were discussed. Used pipe was quoted at .15¢ per foot. New black iron pipe was estimated at .35½ ¢. Galvanized pipe was quoted at approximately .44¢, but it was stated that estimates and quotations was being secured on galvanized pipe with plain ends in specified lengths which might reduce the bulk cost.

Opinion was that galvanized pipe would be better and cost less in the long run. Motion was made by Ray Horn seconded by Doyle Anderson that the Committee recommend galvanized pipe. Motion carried.

Installation of signs after thay were made were discussed. Opinion was that the City maintenance employees were too few in number to keep up their own work and install the signs in a reasonable length of time. Suggestion was made that a contract be let for the installation of the signs.

Motion was made by Ernest Medford seconded by Lee Friesen that the contract method of installation be recommended. Motion carried.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

In financing the project committeemen were of the opinion that since parking meter funds were for traffic conditions and that street name markers helped the traffic that the project should be financed out of the parking meter funds. It was decided that the Committee ask the city to finance the long over due project.

Committeemen decided that the Manager continue gathering detailed cost estimates and data and when completed arrange for the Committee to meet with the City Commission for a recommendation of the project.

Metting was adjourned.

Civic Affairs Committee
Angelina County Chamber of Commerce

Minutes

March 27, 1953

Present:

B. A. Bradshaw	Harry Kerr
Howard Walker	J. D.Perdue
W. M. Glenn	Elwyn Gipson
Wilbur Kent	Herman Brown

Absent:

Doyle Anderson	Ray Horn
G. E. Barrington	H. E. Lacy
Dr. Barney Chappell	Ernest Medford
Curtis Fenley	
Pitser Garrison	

Elwyn Gipson, chairman presided at the meeting.

Round Table discussion was had on school building and improvement problems, the need for a new court house and general civic improvements.

One of the chief items of discussion was the need for street name markers. General opinion was that the committee should request the city to budget a portion of the parking meter funds to purchase intersection markers.

Motion was made by Howard Walker and seconded by Barney Bradshaw that such a proposal be placed before the City Council. Motion carried.

A committee composed of Howard Walker, W. M. Glenn, Harry Kerr to contact the City Manager relative to statistics intersections and needs.

The bad state of repair on city streets was cited by the committee. The possibility of setting up a Traffic Commission as an advisory group to the City was advocated.

Motion was made by Howard Walker, seconded by Wilbur Kent that the Chairman be authorized to name a co-Chairman of the Committee. Motion carried.

Motion was made by Howard Walker,seconded by J. D. Perdue that the Committee go on record as favoring the Traffic Commission idea. Motion carried.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

A city-wide cleanup campaign was discussed. No official action was taken but Chairman Gipson stated that a date, probably in May would be set wherein citizens would be asked to make a special effort to clean up their premises and rid their property of rubbish and trash.

Adjourn.

Minutes Education Committee Meeting
Angelina County Chamber of
Commerce

October 20, 1953

Present:

J. A. Anderson
T. J. Wilroy
R. C. Yeoman
G. P. Scoggins
Robert T. Broadway
Lee Friesen

Absent:

Dr. Kenneth Arnett
I. A. Coston
Cliff Estes
O. L. Finely
W. C. Royle
Ned Shands, Jr.
Dr. Charles Mann

G. P. Socggins, Chairman of the Committee presided at the meeting.

Subject for discussion was the holding of a Business Education Day. Plans wherein business firms would be host to teachers for an afternoon were discussed.

It was decided that the first B-E Day should be just a half day to see just how it would be accepted and how it would work.

November 17 from 1 to 5 p. m. was set as B-E Day date. It was decided that the chamber write all members and ask them to take a teacher for the afternoon.

The group decided to meet with the Planning Committee composed of teachers on November 10 to complete the plans for the holding of the special day.

It was suggested that a suggested agenda for the business firms to use as hosts to the teachers.

Adjourn.

Herman Brown, Manager

MINUTES OF EDUCATION COMMITTEE MEETING HELD AT HIGH SCHOOL AUDITORIUM MARCH 3, 1953.

The Education Committee met at the high school auditorium at 7:00 p.m., March 3, 1953. Members present were: Chairman, Pat Scoggins, Dr. K. Arnett, Cliff Estes, W. C. Royle and Ned Shands. Members absent were I. A. Coston, O. L. Finley and R. C. Yoeman.

W. C. Royle was named co-chairman of the committee and it was suggested that Superintendent Andy Anderson and County Superintendent T. J. Wilroy be added to the membership committee.

Motion was made by Ned Shands, and carried, that the first thing on our agenda would be to support a meeting of all the school teachers in the county, at which time a good speaker would entertain them and his subject would be "Freedom, Service to One Another and Local Industry." After the meeting the teachers are to go on a tour through local industries. Refreshments are to be served upon the completion of the trip, either at the high school cafeteria or at the cafeteria of one of the local industries.

It was recommended that senior days be sponsored by the committee, and that this should be done by having one or two schools in at the time.

Adult education was briefly discussed, and it was suggested that definite suggestions would be made at a later date.

The committee voted to cooperate with citizenship meetings for high school seniors, sponsored by the Chamber of Commerce. It was also voted unanimously to sponsor a reception and entertainment for teachers for the pre-school season just prior to the opening of the schools this fall. The committee also voted that Chairman, Pat Scoggins, contact County Superintendent T. J. Wilroy and Superintendent Andy Anderson regarding this meeting for all the teachers.

There being no further business the meeting was adjourned.

H. A. Maas
E. L. Quirk
W. L. McHale
Kenneth Nelson
Frank Razor
Maxwell Wortham
N. B. Weatherford
E. D. Marshall

J. Shirley Daniel, Chairman presided at the meeting.

Chief topic for discussion was whether or not the Chamber should sponsor an "Annual Lumbermen's Show and Contests", on a one or two day basis.

S. W. Henderson, Jr., was of the opinion that the celebration should be delayed a year or two for reason that the present grandstand could not be used but this Fall at the most, that the matter of re-locating the celebration spot would have to be settled and further he doubted if the celebration was worth the time and money expended on it.

Some of the committeemen felt that the city should have some sort of celebration.

General opinion was that Lumber Company officials should be contacted and if such officials were not in favor of the celebration that it not be attempted.

It was suggested that the Executive Committee of the Texas Lumber Manufacturers Association be contacted and that the matter be discussed with the group in an effort to ascertain if the lumber firms were in reality ready to forget the celebration.

It was decided that Chairman Daniel and Manager Herman Brown contact the Lumber Association group and get that association's opinion on the matter before final decision was made.

Announcement was made that the Texas Lumber Manufacturers Association Executive Committee would meet on May 15.

The Community Forest project was discussed. Committeemen were told that aid from the lumbering firms would be needed to put the community forest in the City and Jones Lake areas in proper shape for the educational and demonstration projects. Suggestion was made that the next meeting be held at the forest project area.
