FOR GRANDMOTHER at Christmas

Copied from an original at The History Center, Diboll, Texas. www.TheHistoryCenterOnline.com 2018:018

This isn't much of a Christmas present but I didn't know what to get you so I just decided to let you get yourself something.

Howard

Dear Grandmother,

This greeting
You're holding in your hand
Is filled with happy memories
That you will understand...
It brings a special thank-you
For thoughtful things you do,
And lots of love, too, Grandmother,
Especially for you.

MERRY CHRISTMAS!

With love

Howard
