"Miniver loved the days of old
When swords were bright and steeds

Would set him dancing."

MR. W. F. PATE-SUPERINTENDENT

Superintendent? Yes, if the title can include that of a sincere friend of every student. For it is your friendship and interest in each student that has endeared you to all of D. H. S.

We hope we please you when we wish you another nine years at D. H. S.

MR. ROBERT T. RAMSEY - PRINCIPAL

We, the student body of Diboll High, have really enjoyed your being our principal for the past three years.

As principal and coach, we think of you as one of the best that can be found in any high school.

You have always been a great friend and co-operated with the student body. The continual flow of students in and out of your office never seems to bother you.

May we thank you for everything you have done for us!

One of the projects of F. H. A. is making children's clothing.

Three years of Homemaking are offered. The girls progress from the making of crooked seams to the completion of a tailored suit, from the serving of cereal and cream for breakfast to the serving of a three-course dinner. In addition they are trained in marketing, interior decorating, and home management.

In addition to the regular program, this energetic group of boys, under the supervision of H. N. Garrett, carried out many activities which included painting their building, putting in a new hardwood floor and numerous other helpful deeds for this community.

They carried their school colors into many contests, including Dairy Calf Scramble at Houston, Forestry judging, meats and milk contest at Fort Worth and numerous other events and shows. They came out with several victories and banners.

Yet all was not work--they sponsored some of the best parties given by the school this year.
