We, the Seniors of 1950, are happy to dedicate our annual to Mrs. Julia Burris and Mr. Ernest Balch.

Both are very good natured, warm hearted, and eager to help others. We deeply appreciate their interest in our problems and readiness to sit down and help us with them. To know them is to like them. They rule the roost but we follow eagerly because of the nice way they do it.

To them, we, the Senior Class of C. H. S. say, "Thanks a million for all you've done for us."

Very Sincerely,
The Seniors.

SUPERINTENDENT'S MESSAGE

Through the mist of after years, may this book awaken hallowed memories of your high school days. May thoughts of its associations and spirit prove an inspiration for everlasting good.

We are proud of you; we appreciate your loyalty and devotion to the duties and responsibilities of your school. It is a source of pleasure and satisfaction to serve as superintendent to such a faculty and student body.

You are now ready to turn the pages of memories. Remember that it was only through hearty cooperation and perseverance that your annual is a success.

Sincerely,
C. C. Steed
