Just as a tree is a symbol of everlasting eternity, we hope that this book will hold memories which will be everlasting to you.

Just as the leaves of a tree renew their freshness and greenness, so may your memories be renewed as you turn the pages of this, your '51 Southern Pines.

THE STAFF

LUNCHROOM

At twelve-fifteen every day, the noon bell rings and around one hundred students dash hurriedly to the DHS cafeteria in quest of the hot lunch they know will be awaiting them.

The school would like to express its heartfelt appreciation to Mesdames Virgie George, Zuma McAdams, Helen Ashworth, Pearl Day, Onita McKinney, Sally Davis, and Mr. Oscar Davis for their enduring patience and immeasurable service to our school.

FAMILIAR FACES

Ruth Tatum graduated from DHS in 1950. During this year she has served as Mr. Pate's secretary. In addition to this chore, she has performed numerous jobs for the teachers, such as typing and running off stencils.

Whenever you arrive at the office you will find Ruth with a welcome smile, waiting to help you.

While in school, Ruth participated in volley ball, was a member of the F. H. A. Club and was president of the Spanish Club. Last year she was selected as the wittiest girl in high school.

You may find Mr. Oscar Davis, DHS janitor, in many varied places, performing many different tasks for our school. Whether he is trying to find out what is wrong with the furnace or digging out the dead rats Mrs. Schinke is always finding, it is all in a days work to him.

He sweeps approximately 4000 feet of floor daily and lowers 318 windows. He collects 88 pounds of dirt from our floors daily.

After all these chores, he deserves the thanks which we extend to him.

For two years, Mr. Jordan has been satisfying the schools sweet tooth.

In his candy store on the corner of the English, typing, library and junior business building, he comes in contact with some three-hundred students daily.

His grandaughter, Jimmie Jordan, graduated from DHS this year and his son, Willis Jordan, is a member of the school board.

When not in his candy store, he may be found discussing chicken problems with Mr. Garrett.

FHA LEARNS TEXTILE PAINTING

Members of the Diboll Chapter of Future Homemakers of America take pride in the many beautiful things they make in their study of the various phases of homemaking. All of the girls are interested in some kind of craft work. Textile painting especially has created much interest and comment.

FHA is active in school and community affairs. They took first place in the Forest Festival parade with a float sponsored by all County Chapters; presented style show for assembly and assisted with P. T. A. Carnival and Junior-Senior Reception.

Other projects this year have been a buffet supper for FFA; an Easter hunt for the first grade, and activity crafts for the eight grade.

DIBOLL F. F. A. OWNS AND OPERATES BROODER HOUSE

The Diboll Chapter of Future Farmers of America, with the help of Arthur Temple, have become the first in the state of Texas to obtain a large capacity broiler house owned and operated solely by the F.F.A. boys.

The brooder is at the north end of town on a ten acre plot of ground. It is all aluminum, complete with the most modern facilities including an automatic feeder and watering system.

The entire project was erected and finished with the cost amounting to $2,700. The building is 32x110 and has a 4,000 capacity. There are eight brooders placed at various intervals, with each brooder able to care for 500 chickens, small ones that is.

During the two weeks of construction of the project, the F. F. A. boys put in 246 hours outside of class time. The boys took an active part in the wiring of the house under the direction of Shorty Turner. The group studied the work at class time and then put their knowledge to work. H. N. Garrett, sponsor of the group, added that he was trying to get the boys experience in plumbing and painting also.

SOUTHERN PINES STAFF

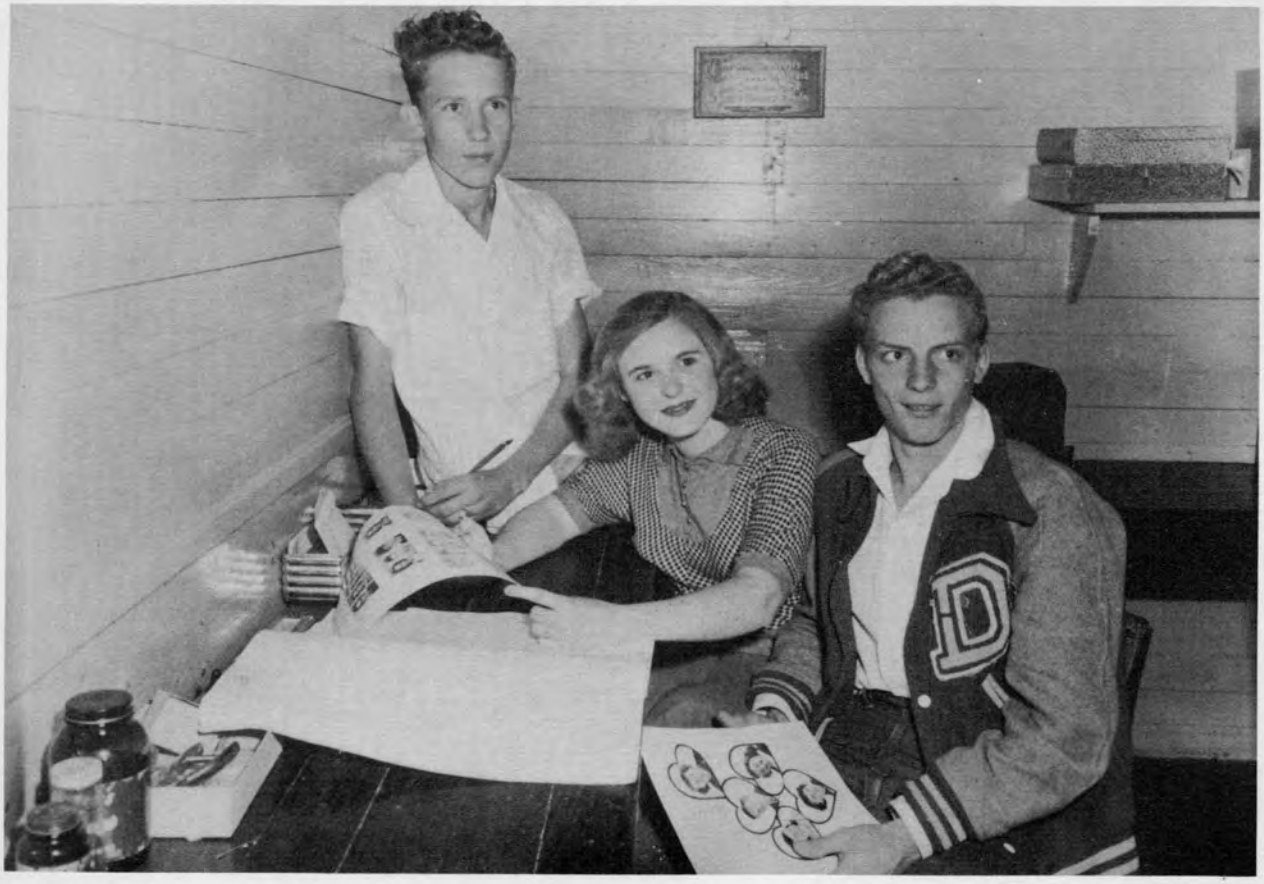

If you have ever been on an annual staff, you can easily understand the hard work that must be done. Deadlines to be met, but no pictures. The rush at the end of the year. Yet, in spite of all the troubles and worry, the staff smiles with pride when the annual is presented in the fall of the year.

We sincerely hope that each of you will take as much pride in the Southern Pines as we have.

Best wishes,

The Southern Pine Staff

HALLOWEEN KING AND QUEEN

Halloween, one of the most exciting nights of the year, is celebrated by Diboll Grammar School students with a huge carnival.

Two weeks before the carnival, queen candidates are chosen from each room and they immediately begin raising money.

Suspense is heightened at the end of the contest. "Who will win after two weeks of hard work?"

The night of the carnival arrives. The master of Ceremonies, Bobby Breazeale, steps forward to crown the Queen.
