Le Rou Pines

Howdy Pardner,

The Southern Pines has "gone Western" for 1951-1952. We reach in our saddle bags and bring out for approval your annual. Along the preparation trail the cactus grew thick and the cockle burrs gave us trouble, but at last we have rounded up all the strays and shut the gate to the old corral.

Hi-ho Silver and Hit the Trail!

Adios Amigos,

The Staff

The Diboll Common School District Number 40,which was instituted in 1894, went out of existence legally on February 23,1952.At this time seven board members were elected instead of three.The term of 1952-53 will open the first term of school as the Diboll Independent School District of Angelina County.Since its beginning as a one teacher school,it has continued to grow and today has a corps of 26 teachers,14 of which have or will have at the beginning of the fall term of school the Masters Degree.

In 1922 our school was designated as a first class high school with sixteen full credits of affiliation.This was a great step in the history of the school,and boys and girls for miles around who wished to graduate from an affiliated high school came to school here.The Diboll Independent School District of Diboll,Angelina County,Texas now has an affiliation of thirty-three credits,and a graduate from our school is eligible to enter any college or university in Texas.
