# FOREWORD

*One of the greatest thrills of the school year is to receive your school annual, or yearbook, and to thumb directly through the pages. With this thought in mind, we, the Southern Pines staff, have gathered, and published in book form, the many thrills and unforgetable experiences that have happened, in the past school term, at Diboll High School.*

*Whether you are a Freshman, enjoying your initial year at DHS, or a Senior, about to emerge into college, or work-a-day world, remember deep in your heart, that, here in Diboll, there is always a place for YOU.*

*We may not have the largest school according to scholastic census, but, according to our own consensus, we have the distinct knowledge that we have enjoyed ourselves at DHS. With this in mind, we, the staff, leave you with this book as a reminder of your school years at DIBOLL HIGH SCHOOL.*

# DEDICATION

To the new Diboll High School, and all those who made it possible, the Southern Pines Yearbook Staff takes great pleasure in dedicating its '54 edition of the Southern Pines.

It is with extreme pride that we, the staff and the students of Diboll High, express our fondest appreciation for the wonderful building in which we spend our school days.

May this book, a humble production for such a magnificent school, serve as a lasting memento of those years and days spent at Diboll High.

I have had playmates, I have had companions.
In my early days of childhood, in my joyful school-days.
All are gone, the old familiar faces.

Dear Students:

When you have completed your high school education and are well established in your life's work, I trust you will open this book and memories of your life's happiest days, the days spent in good Old Diboll High, will come back to you. May these days be remembered especially for two things: First, for the profitable days spent here in preparation for life; and secondly for the many good times you had while in high school. May each of you be successful.

An unusual occurrence happened this year in the '54 Commencement Exercises—two Valedictorians—instead of the usual one—were awarded scholarships.

Both were girls—Shirley McKinney and Laverne Weeks—who managed 96.4 averages for all four years in Diboll High School.

They plan to attend East Texas Baptist College at Marshall.

This picture does not portray the "real" annual staff. There is really little time for leisure.

Much "work" and "headache" went into the production of this book.

If you have never had the privilege of being on the staff, then you would never understand the effort put forth by the sponsor and the staff to bring you a book which you would be proud to show. They are the "brains" behind this book. Everything must be completed to the most perfect point before the publisher gets the rough copy.

We, the staff, hope you will enjoy this book and that the memories it brings back will be pleasant ones.

The Diboll Chapter of Future Homemakers, one of the most recognized groups in their district, is also one of the more active chapters in Angelina County.

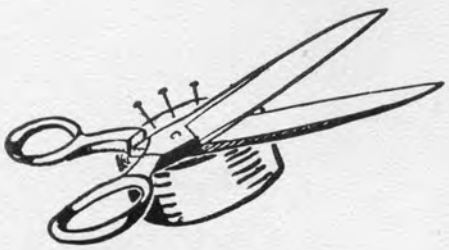

Under the direction of Mrs. Allene Hobson, the group has participated in numerous FHA district and area meetings, sent delegations to the state elections, prepared Christmas boxes for the needy, attended Summer FHA camp, and indulged in many other activities.

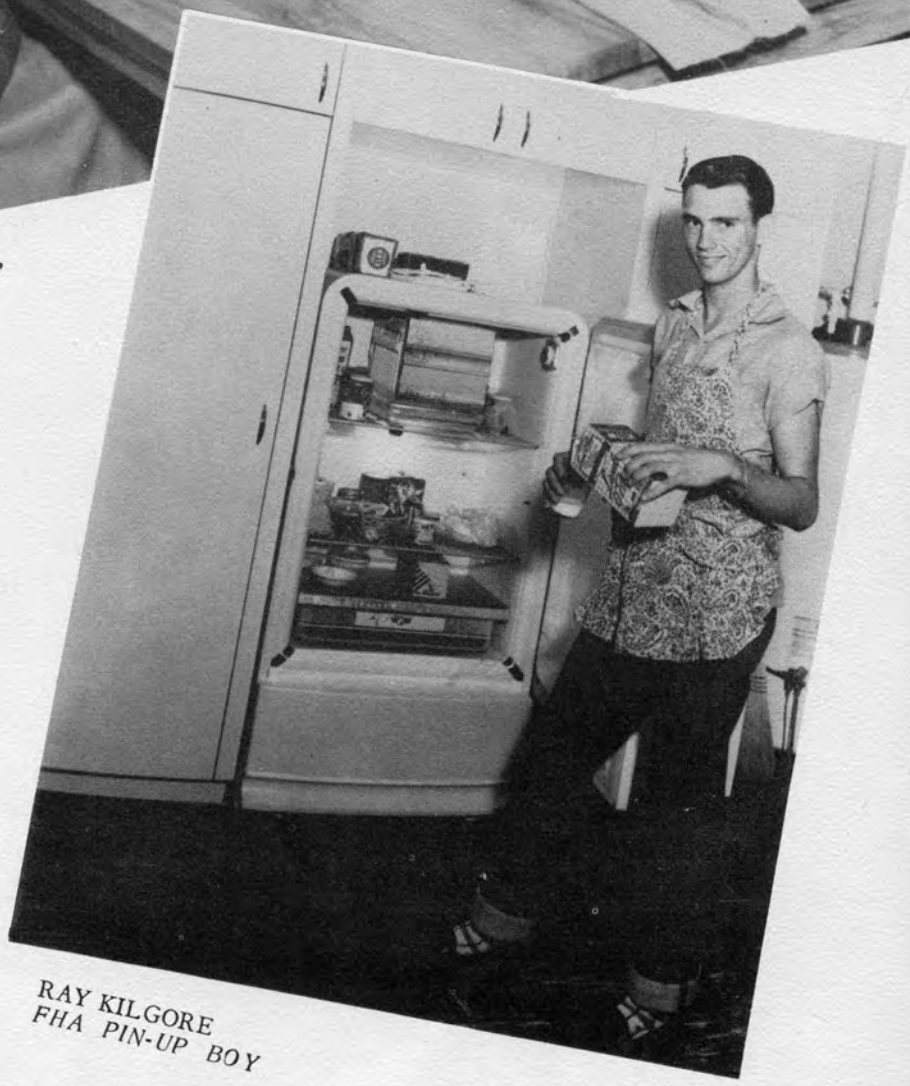

They went all out for National FHA week in October, initiating many new campaigns to improve their chapter.

# JACKS TIE FOR FOURTH IN DISTRICT COMPETITION

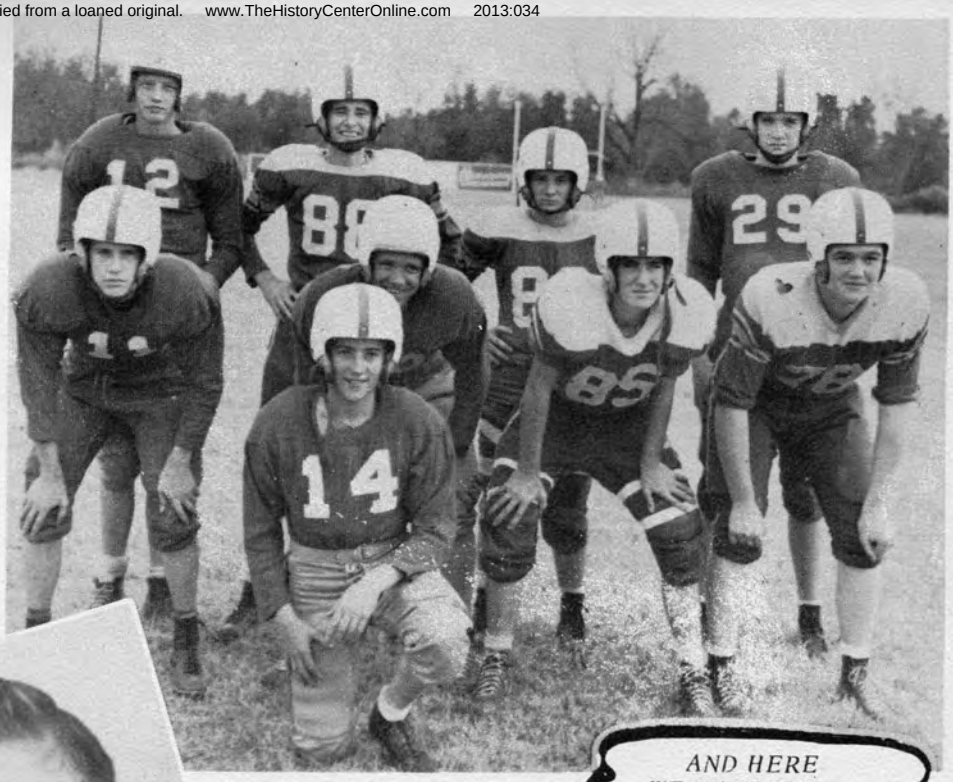

The Diboll Lumberjacks failed to get the ball rolling in the grid sport this year as they captured only one victory on the fields. The 'Jacks opened their '53 season with a 6-6 deadlock with the Lufkin–B squad.

The locals failed to place any gridsters on the all-district first team, but had one on the second–tackle H. C. Timms. They had four honorable mentions: Billy Breazeale, Sterling Burnett, Donald Cutler, and Clayton White.
