Look not into the Past ... it comes not back again ... Wisely improve the Present ... it is thine ... Go forth to meet the shadowy future without fear, and a manly heart.

STUDENT GREETINGS:-

The knack of getting along with others is one of the basic principles of a successful and happy life. We hope that each of you has participated in all of the school program and as a result will have grown in understanding and tolerance of others. Those who serve well are usually the ones who are happiest.

Yours for happiness,

Students of Lufkin High School
Lufkin, Texas

Dear Students:

It is a fundamental biological and psychological law that we grow by exercise and effort. To many people growing into adulthood is quite a confusing process. You have had many opportunities to grow physically, mentally, and spiritually while attending school the past year.

Did you grow during the past year or did you just exist? If you grew, then many habits of growth and development will follow you into adulthood. The final product of our school is a well adjusted participating contributing member of our society.

There are still many opportunities for service and success in our Great Land and Country.

My hope is that you will find your place and station in society early, and get on the road to success.

Sincerely,

W. H. Keene

W. H. Byrd, Director

L. H. S. is proud of Mr. Byrd and the members of the Lufkin High School band. They have had a outstanding record for 1953-1954, and have made first division in the state marching contest, concert and sight reading contests. Faithful support has been given to all athletic and civic events of Lufkin. We congratulate OUR band.
