SUGGESTED AGENDA

AGRICULTURE DIVISION
February 17, 1955

One stop soil tour. Suggested 5 p. m. on some farm, to be followed by meeting of Farm & Ranch Club.

Discuss whether or not to hold Annual Field Day at Experiment Station.

Discuss new dairy cow health law.

Consider 4-H & FFA livestock show. Possibility: Could be held at Field Day, if Field Day is continued.

Farm & Ranch Club

Suggest these all be discussed with all divisions present. After decisions are made, the committee under which the activity falls can handle details.

Other:

ANGELINA COUNTY CHAMBER OF COMMERCE
Beef Cattle and Pasture Committee
Minutes
April 26, 1955

Present;

Dexter Satterwhite	J. D. Allen
Herman Bate	Ed Kennedy
Bryan Byrd	Elbert Havard
E. K. Crouch	Medford Cowart
Dr. Roy Saunders	Herman Brown
Glen Berry	J. F. Burris

Dexter Satterwhite, chairman, presided at the meeting. E. K. Crouch discussed the annual Field Day to be held at the Experiment Station, May 10. It was suggested that some A. & M. official be asked to appear on the program and explain the details of taking soil samples for the purpose of having soil tested at A. & M. laboratories.

It was decided that the program would get under way about 9:15 a.m. and that the tour of the demonstration tracts and the showing of the station cattle would be completed by Noon.

The group decided to ask Mr. A. E. Cudlipp, member of the A. & M. Board, to make the welcome address.

Chairman Satterwhite stated that the pedigree brochure booklets on the cattle being offered for sale were being printed and would be ready formailing at the first of the week. It was decided that the chairman and Mr. Crouch select the corral at the Experiment Station where the registered cattle sale would be held. It was also suggested that invitation be sent to officials of Livestock Breeder magazines.

Adjourn.

Herman Brown, Secretary

Dexter Satterwhite, Chairman

ANGELINA COUNTY CHAMBER OF COMMERCE
Beef Cattle and Pasture Committee
Minutes
March 18, 1955

Present: Members

Dexter Satterwhite
Herman Bate
Bryan Byrd
L. J. Conner
E. K. Crouch
G. R. Sullivan
J. F. Burris
Herman Brown

Present: Cattlemen

J. D. Allen
Glenn Berry
Elbert Havard
R. H. Benedict

Absent:

Gus Boesch, Jr.
D. C. Kenley
Otho Jones
W. E. Wood
Gordon Horn
Dr. Roy Saunders
Dr. Joe Z. Tower

Chairman Dexter Satterwhite presided and stated that permission had been granted by A. & M. College for the committee to hold a trial "registered cattle sale" at the experiment station May 10, in connection with the annual field and pasture day.

He described possibilities and asked cattlemen present if they were interested in trying to have a twenty animal sale. All present agreed to cooperate.

The following was also decided:

1. It would be necessary to get out a brochure, giving information on the animals to be sold, that cattlemen would furnish registration papers, etc., that pedigree information should extend three generations.

2. Hold the sale at 1:30 p. m., following the pasture tour and barbecue.

3. Appoint a screening committee to select the cattle for the sale. It was suggested that J. F. Burris ask J. C. Green, of SFA College, Nacogdoches, together with two advance students and aided by County Agent Chester Davis, to screen the cattle. Burris, Satterwhite and Davis are to arrange for inspection date.

4. Auctioneer Bell of Pollok was suggested as the auctioneer for the sale.

5. Cattlemen agreed that all animals placed in the sale would be actually sold to highest bidder.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

6. Cattlemen could bring mother or sire of animal, but same should be left in trailers.

7. Sale order of animals would be decided by placing owner's names, together and drawing for sale order.

8. Seller would help buyer load and remove animal from pasture station property.

9. Sellers would guarantee animals sold.

Adjourn.

Herman Brown, Manager

Dexter Satterwhite, Chairman

AGRICULTURE COMMITTEE MEETING
Minutes
February 17, 1955

Present:

J. F. Burris, Gus Boesch, Jr., Dr. Roy Saunders, Dairy Chairman, Preston Renfrow, Royce Wilson, Dexter Satterwhite, Pasture & Beef Cattle Chairman, Herman Bate, Bryan Byrd, E. K. Crouch, Dr. Joe Z. Tower, Earl Medford, Soil Conservation Chairman, Chester Davis, A. B. Patterson, Howard Noland, Swine Chairman; Stewart LeSassier.

Absent:

O. L. Hubbard, H. E. Gillispie, Roy Kurth, Jr., Joe Martin, B. M. E. Smith, L. J. Conner, Gordon Horn, Otho Jones, D. C. Kenley, W. E. (Bud) Woods, Poultry Chairman, Tom Melton, M. L. Wilkinson, J. W. Belk, G. C. Carrell, Jr., and Dr. C. C. Murray.

General Chairman J. F. Burris presided at the meeting.

First business discussed was the holding of an annual soil tour, possibly a one-stop inspection, held at 5 p. m., on a private farm and encourage the Farm & Ranch Club members to meet at the same farm for its night meeting. The idea was to get a greater participation in the soil tour.

Motion was made by Herman Bate, seconded by Stewart LeSassier, that the Chairman name a committee to select a date for such a tour and work with the Farm and Ranch club on the arrangements details. Motion carried.

Earl Medford, chairman of the soil conservation division of the committee, together with Stewart LeSassier and Gus Boesch, Jr., were named to work out the plans.

Lengthy discussion was had on the annual field and pasture day, held at the experiment station, General opinion was that the day as held was losing its impact upon the visitors, that the visitors felt they had seen the same thing for a number of years. The problem was outlined as to make the field day attractive and a day which would pull more people.

It was suggested that, if possible, a registered livestock sale should be held in connection with the field day. Tuesday, May 10, was suggested as the date for the field day. Chester Davis, county agent, was designated to check with the extension service at Nacogdoches to confirm the date.

Dexter Satterwhite and E. K. Crouch were named to investigate the possibilities of showing outstanding stock on field day and to survey the possibilities of the registered livestock sale.

The Bangs control program was discussed. It was stated that with the law now requiring Brucella Abortis vaccination, the committee should sponsor a meeting for an educational program, for dairymen and farmers, to be presented by extension service veterinarians. Dr. Roy Saynders was named to organize such a meeting and program.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

It was also suggested that a schedule of vaccination dates and places be set up so that veterinarians could go to the scheduled locations and dairymen could bring their animals to the central place for vaccination and thus reduce the cost of vaccination.

Committeemen were of the opinion that the swine program was on the upgrade in quality and production. The committee discussed the poultry situation particularly the marketing problems of the Angelina County breeders. It was stated that part of the time the local processing plant was paying under the market price.

Adjourn.

SUGGESTED AGENDA

AVIATION COMMITTEE
February 17, 1955

Discuss ways and means to aid county on getting CAA approved for an additional runway.

Discuss proposed increased budget requests --to Legislature-- for Texas Aeronautical Commission.

Outline work done by Chamber of Commerce on behalf of Renewal of Trans-Texas certificate.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

ANGELINA COUNTY CHAMBER OF COMMERCE
Aviation Committee
Minutes
March 14, 1955

Present:

Horace Stubblefield
George Kelly DuPuy
Herman Brown
Leeland Petty
Joe Bob Thompson

With only a few members present, it was decided that the committee would only settle on the date for the dinner or luncheon for the Commissioner's Court.

April 11 was suggested as the date and Chairman Stubblefield was asked to check with the county officials to confirm the date. Joe Bob Thompson was asked to secure a suitable motion picture film on airport construction to be shown at the meeting.

Following the confirmation of the date, a place would be selected by the manager, George K. DuPuy and Leeland Petty.

The committee discussed again the need for the additional runway and agreed to keep at the job of trying to get both County and CAA participation on the project.

Adjourn.

Herman Brown, Manager

Horace Stubblefield, Chairman

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

MINUTES OF CHAMBER OF COMMERCE AVIATION COMMITTEE
February 17, 1955

Meeting was called to order by chairman and roll called. The following people were present:

Chairman - H. G. Stubblefield, Jr.
Co-Chairman - Bill Book
J.B. Thompson
G.K. DuPrey
Johnnye U. Foster
H.C. White, Jr.

A suggested agenda had been prepared by the chamber staff, for the guidance of the committee.

The first topic of discussion was the ways and means to aid the county on getting CAA approval for an additional runway.

The above subject was discussed at length, as to why we need an additional runway and the best way to get some results or action started. We decided that the first thing we needed to do was get ourselves acquainted with the County Commissioners and other County Officials who could be of help in securing favorable support to the project. In this respect, we plan to have a little party for the members of the Aviation Committee and County Commissioners, Judge and Auditor. We plan to have the party in the Terminal Building at the county airport.

We have been advised that one of the major oil companies will loan films on airport improvements, and why they are needed, so we appointed J.B. Thompson to see if he could secure some films for the date of the get-together.

It is felt by the committee that once we get to know the County Officials, and get them fully acquainted with our needs at the airport, they will be able to render fair and just decisions on problems concerning the county airport requirements.

The next topic of discussion was on the proposed increased budget requirements for the Texas Aeronautical Commission. The first question raised was who is on this commission, and what do they do? None of us present knew anything about the commission. Therefore, we concluded that either they were not doing anything, or they did not have the funds with which to operate.

We decided to table any action on this subject until one of our committee members could stop in at Austin and visit the Texas Aviation Committee office and see what they are doing--or what they are supposed to be doing. Johnnye U. Foster said he would do this during the coming week. We will hear a report on Mr. Fosters findings at the next meeting and make our recommendations accordingly.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

The next topic of discussion was to outline the work done by the Chamber of Commerce on behalf of the renewal of Trans-Texas Airline's certificate. It was pointed out that last year a member of our committee was present at one of the hearings concerning this renewal, and the Chamber Staff prepared two brocures in behalf of Trans-Texas. The committee resolved to aid and support Trans-Texas in every way possible.

The last topic of discussion was concerning our own committee. We decided that we would either be an active committee and get something done, or disband the committee all together. Therefore, we set up March 11th as the next date for a meeting, and resolved to have regular monthly meeting for the year 1955.

The meeting was adjourned.

BEAUTIFICATION COMMITTEE MEETING
Minutes
June 15, 1955

Present: Mrs. Barney Chappell, Chairman, Herman Brown and Mrs. J. A. Anderson.

An official meeting was not held due to the fact that a quorum was not present.

However, beautification projects and needs were discussed. Needs were cited as follows: Re-sodding of city parks, including the negro city park; mowing of weeds on vacant lots; papers strewn alongside Timberland Drive from Humason to Denman Avenue; blind corners at street intersections; and the need for tennis court facilities at Winston Park.

Mrs. Chappell stated that another meeting would be called when more of the committeemen were in town.

BUILDING AND CONSTRUCTION COMMITTEE
Minutes
February 15, 1955

Present:

S. A. Almon, Chairman
Joe Stegall
J. E. Parr
Harry A. Thompson

The committee discussed the problem of building codes, rental housing, housing projects and utilities connections.

Housing facilities and utilities were discussed as being greatly needed. Extension of local utilities was considered the key to getting more housing constructed. It was suggested that the matter be discussed with city officials. It was generally agreed that the housing situation could not be corrected until some improvements on the water situation was made.

Those present suggested that another meeting be held at a future date and that an effort be made to get a full committee attendance.

CIVIC AFFAIRS COMMITTEE MEETING
Minutes
September 13, 1955

Present:

Ele Baggett
Bill Collins
Ray Horn
Howard Walker
Etra Barington
Lee Friesen
Harry Kerr
Herman Brown

Chairman Lee Friesen presided at the meeting.

He asked City Manager R. B. Sherrill to explain the details of the proposed $1,835,000 Water and Sewer Revenue Bond Issue. Mr. Sherrill explained that $1,270,000 was for new bonds to carry on much needed expansion and that $565,000 was to take up the existing bond issue so as to get it all into one issue.

It was stated that the bond issue, if voted, would pay for 1 new well, land, right-of-way, pump, fence, 7,000 feet of 12" pipe. Included in the plans were also 1 areator, a one million gallon surface storage tank, 8,000 feet of 24" water main pipe and approximately 60,000 feet of water pipe to loop the business area and to build an outer loop to better serve the residential section.

Motion was made by Ele Baggett, seconded by Ray Horn, that the Civic Affairs Committee endorse the bond issue and urge members to vote for it. Motion carried.

Adjourn.

Dr. Joe Z. Tower
Howard Walker
Rev. Lloyd Mottley

Chairman Lee Friesen presided at the meeting. Discussion and plans were made on the Fire Hazard Inspection Inspection to be held on March 23-24 in cooperation with the Houston Insurance Fieldmen's Association. Committees as follows were named:

Ele Baggett, inspection event chairman.
Ray Horn, Publicity
D. C. McPherson, parade arrangements
Dr. Joe Z. Tower, church inspection coordinator
Wade Keene, school programs and inspection
Lee Friesen, civic club programs
Jack Gorden, Paul Mc Williams and W. Joe Anderson , arrangements committee for boy scouts to aid the inspectors.

Chairman Ele Baggett announced that the local insurance exchange would be host to the visiting insurance inspectors at a dinner to be held at Boggie Slough in the evening of March 23.

It was suggested that the annual Clean-Up Drive be sponsored May 10-13. J. D. Perdue and W. F. Collins were named on a committee to make plans. It was suggested that a representative of the Garden Clubs Council be named on the committee.

The general subject of safety was discussed. The need for more emphasis on safety was outlined. It was stated that the Safety Council had done some work but had not gotten into full swing on its proposed objectives.

The committee decided to write the President of the Safety Council a letter and offer the services of the Civic Affairs Committee and at the same time reiterate the need for an agressive safety program.

Adjourn.

Ernest Medford
Howard Walker

Chairman Lee Friesen called the meeting to order, stating that last year, a little work was done toward getting a fire hazard inspection made in Lufkin.

He introduced Mr. Bob Kennedy, Jack Pereson and Claude Bozarth, representatives of the "Insurance Fieldmen's Association of Houston". The visitors showed a color film of a hazard inspection program, conducted in Magnolia, Ark. They stated that they conducted a similar program in Nacogdoches last year.

They offered the city the services of their association, should the civic leaders want to sponsor such an anspection for Lufkin. Possible dates were discussed. Suggested dates were March 16-17 and March 23-24.

Motion was made by J. A. Anderson, seconded by Jack Tucker, that the Civic Affairs Committee, together with the civic clubs and organizations, fire department and city officials, sponsor the inspection program. Motion carried.

It was agreed that Chairman Friesen name a General Chairman, for the inspection event and further, that Manager Herman Brown, together with J. A. Anderson and the insurance men from Houston select a date.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

The meeting was adjourned. Committeemen Friesen, Brown and Anderson and the Houston representatives settled on March 23-24, as the date for the inspection; with school program and inspection be held on March 15 or 16 and that Service clubs meeting on March 14 through the 17 be requested to have a special program for the inspection event, with the Insurance Fieldmen's Association furnishing the speakers.

Career Day, set for March 18, was discussed. Plans for improving the conferences for Senior High students were outlined by Mrs. Lois Walker, Wade Keene and J. A. Anderson. It was stated that 650 students would participate.

It was decided that the Education Committee select all but a few of the consultants for the conferences.

Conferences were set for 9:00 a. m., general session; 10:00 - 11:30 a. m., conference groups; 1:00 p. m., general session and 1:45 - 3:00 p. m. conference groups.

The committee decided to invite Sophmores, Juniors, Seniors and representative teachers from County High Schools to set in on the Lufkin Career Day Conference, the idea being that these schools might want to hold Career Day in their schools, after having seen the results and workings of the Lufkin event.

It was decided that a pre-career day conference with consultants be held at 3:30 p. m., March 14.

The committee decided to sponsor a reception for teachers in the fall on the opening day for the teacher conferences. Committeemen will be requested to ask their wives to attend the reception.

The committee decided to sponsor Business-Education Day in the Fall, date to be set by Superintendent Anderson, W. C. Royle and Herman Brown.

Chairman Royle stated that not too many business firms should be selected to take teachers for the afternoon.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

Education Committee Minutes February 21, 1955

The committee decided that B. E. Day would start at 12:30 Noon, and that each business firm to receive teachers would take the teachers out to lunch to start the afternoon's visit with the business.

It was decided that teachers would report to the place of business assigned.

On the B. E. Day event, it was suggested that the committee send to the business firms to receive teachers a list of possible questions the teachers might ask.

Chairman Royle and Manager Herman Brown, together with Mrs. Walker and Wade Keene discussed a list of 27 business and professional classifications for which the committee will select local consultants.

Adjourn.

M. L. Wilkinson

Chairman Harvey Sprott presided at the meeting.

A sub-committee composed of Kenneth Nelson, Art Lehman and Bob Strauss reported on work to be done at Community Forest area.

The sub-committee recommended that complete inventory be made of timber. It was stated that it would be necessary for the City to locate boundary monuments or survey the forest areas and establish boundary monuments.

The committee reported that after boundaries were established wood products companies would furnish timber survey crews, namely; Southern Pine Lumber Co., Angelina County Lumber Company, Texas Electric Cooperatives, Inc., Southland Paper Mills, Inc., and Lufkin Creosoting Company.

It was decided that Chairman Sprott and Herman Brown contact City officials about the forest area boundaries.

Adjourn.

The Forestry Committee was called to order about 7:15 February 15, at the Angelina Hotel.

Mr. Herman Brown brought us up-to-date on the work which had been done on the Lufkin Community Forest. He read a portion of the Master Plan which had been prepared and accepted in 1952, so the committee would be familiar with the Plan.

It was suggested by the Chairman that copies of the Master Plan be made and distributed to all committee members.

After a discussion of the work to be done, a three-man committee was appointed to inspect the area and determine if any timber cutting is advisable at this time. The committee is composed of: Art Lehman, Kenneth Nelson and Bob Strauss. After this committee has completed their investigation and decided on their recommendations, a call meeting of the entire Forestry Committee will meet on the ground and discuss the recommendations. If there is any timber needing cutting at this time our recommendations will be submitted to the City Commissioners of Lufkin.

It was decided a Forestry Tour similar to the one held last year would be repeated again this year with Southern Pine Lumber Company acting as host. A definite date was not set, but it would be in the latter part of the summer.

The Forestry Management Campaign carried on last year was thought to have been a success, and something similar should be worked up this year.

The meeting was adjourned.

Boyd Woods

The Committee met with County Judge Eddie McFarland to discuss the North and East Texas County Judges and Commissioners Convention, scheduled to be held in Lufkin October 19-21.

The following plans were made:

1. Chamber of Commerce would write a letter to the prospective convention delegates.

2. County School buses would be available for use to make industrial tours for delegates.

3. It was decided that the delegates be offered a tour through the Southland Paper Mills on October 20th, the hour to be set by Judge McFarland.

4. It was decided that a saw mill tour and a foundry tour would also be held, on October 21.

5. The Chamber committee would handle registrations and furnish badges.

6. The Goodwill Committee would come to the hotel to greet the delegates.

It was stated that the committeemen would also accept assignments to aid in the conducting of the tours.

SUGGESTED AGENDA

GOODWILL AND CONVENTIONS COMMITTEE
February 17, 1955

Contact all local clubs, requesting that bids be made for conventions to be held in Lufkin.

Definitely conduct Goodwill Tour. It has been suggested that a Goodwill Tour be planned on April 15, to journey from Lufkin to Alto, Rusk, Jacksonville, Tyler and end up at the East Texas Chamber of Commerce Convention in Longview, remain over night and return next day. Maybe by different route. This would not entail a long night trip.

Already - Helped with Lions Convention in January
Shreveport trip

Scheduled - March 24-25 - District Convention Federated Women's Clubs
April 14 - District Home Demonstration Women's Convention
April 23-24 - Garden Clubs - Flower Show
July 16-17 - Neches Valley Singing Convention
October 20-22 - (tentative) Music Convention

E. A. Stanfield
Jim Waters
Boyd Woods
Dr. Granville Wright
J. R. Preddy
R. B. Thompson

Chairman W. W. Scott presided. They discussed the problems at hand and made the following recommendations:

1. That special badges, ribbons and streamers be furnished for all members making trips and conventions. That special ribbons be furnished committeemen serving as hosts for local conventions. (Note: Now have hat bands and ribbons)

2. That the committee meet at least once each month at a date and time set by the chairman.

3. That when a convention is held in Lufkin, the committee hold a short meeting in advance of the convention, in order to outline plans for helping with the convention.

4. That a sticker "convention visitor" be printed and placed on the visitors' cars, exempting them from police parking tickets. (Note: The chamber now uses such a sticker for conventions. H. B.)

5. That the committee contact Bill Stanford in an effort to secure the meeting of the Vocational Agriculture teachers for the Lufkin-Beaumont area.

6. That goodwill tours be made regularly each year.

7. That the committee sponsor a goodwill trip to Wells, Alto, Rusk, Jacksonville, Tyler and to Longview on April 15, opening date for the East Texas Chamber of Commerce convention.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

8. Recommended that some novelty item be purchased to give visitors and that this item be symbolic of Lufkin and the Pineywoods area.

9. That a committee of I. G. Long, K. Morris and Ed Lemke be named to investigate the possibilities of the novelty items.

10. That committeemen go in groups to visit new families which move to town.

11. That the committee consider the presentation of entertainment programs for communities within Angelina County and that the committee urge the making of trips by business people into the county, to create goodwill and trade.

Adjourn.

Chairman Woodrow Scott presided at the meeting. He outlined the work to be done in greeting the members of the Knights of Pythias Lodge, at 6 p. m. March 7. Members were asked to wear badges and report to the Angelina Hotel.

The Trade Tour and trip to the East Texas Chamber of Commerce Convention on April 15 was discussed. It was explained that twenty double rooms had been reserved. Plan sheets showing the details of the trip and the $10.00 cost per person, including transportation, banquet ticket and room reservation were given to the committeemen.

Names of prospects to go on the trip were given to the committee members. Chairman Scott asked the committeemen to secure reservations for the trip and to get the checks or money for each $10 reservation.

It was decided that the chartered bus would leave from Lufkin at 8 a. m.

General plans were discussed, including the personal visitation and welcome of new citizens by the various members of the committee.

Photograph of the committee meeting was taken by Mr. Mowan of Mowan Studio.

Chairman R. B. Stroud presided at the meeting. He stated that he had called the meeting for the purpose of bringing the committeemen up to date on the West Side Loop project. Chairman Stroud stated that the highway department was about ready to locate the loop and had requested the County to purchase a 200 foot right-of-way instead of the 178 foot right-of-way which the county had agreed to purchase.

Committeeman H. J. Shands, Sr. reviewed the work done on the project and stated that as individual members of the committee contact should be made with Commissioners and urge them to go ahead and issue the right-of-way agreement, and further, that these highway committeemen and other businessmen should assure the County Commissioners and County Judge Eddie McFarland that the Commissioners Court would have the backing of the business people on the right-of-way move and also on other financing problems faced by the County, in providing good roads for Angelina County.

Robert Broadway and R. A. Corbett stated that they thought East Denman Avenue widening was more important. Each expressed the opinion that the West Side Loop was not particularly needed at this time, but both agreed that eventually the project would be required as the city advanced in size and population. Other committeemen took the position that right-of-way should be purchased now, that later the expense would be much greater.

Chairman Stroud read from the minutes of the last meeting, wherein East Denman Avenue was cited as the number one project in need, as far as the Highway Committee was concerned.

Manager Herman Brown related the need for additional "business district" signs to be placed at various strategic spots on highway entrances. Many of the committeemen present voiced the same need, stating that they had had numerous complaints from out-of-town visitors, stating that they had by-passed present directional signs.

R. S. Philen
H. J. Shands, Sr.
B. M. E. Smith
Herman Taylor

R. B. Stroud, Chairman, presided. He read a list of suggested projects for discussion.

The first suggested project was the proposed West Side Highway loop. Various opinions were expressed as to the need for such a by-pass road. It was stated that the loop was proposed to connect Highway 103 with U. S. 59 and U. S. 69. R. A. Corbett and Robert Broadway did not favor the loop proposal. Other committeemen favored the loop but some of those who favored the loop expressed the opinion that other road and street improvements were more important. It was suggested that the Chairman try to get a proposed loop route placed on a map for the committee to consider.

The widening of East Lufkin Avenue from South First Street to Chestnut Street at Two Point was cited as being badly needed. A proposal that an "underground" walkway at Timberland Drive was needed for students to use in walking to the new high school, as well as sidewalks alongside East Lufkin Avenue.

Motion was made by E. W. Leach, seconded by Gary Eaves, that the committee take as its number one project the widening of East Denman from South First Street to Chestnut Street at Two Point, including sidewalks and also the advocating of an "underbround" walkway at Timberland Drive near the East Denman intersection. Motion carried.

Motion was made by Ulen Medford, that the proposed West Side loop be designated as the second most needed improvement. Motion carried.

Widening of South First was declared to be essential. Chamber President, Clyde Thompson, suggested that improvement of the road from Grimes Store, east of Diboll, to Bald Hill be urged.

Adjourn.

INDUSTRIAL SUB-COMMITTEE
MINUTES
March 8, 1955
10:30 a.m.

Present:

R. B. Stroud, Herman Taylor, Elwyn Gipson, Clyde Thompson, Herman Brown, and representatives of the Texas Power and Light Company, Gene Lawhorn and L. B. Blalock.

Elwyn Gipson, Industrial Committee chairman, presided. He stated that the Texas Power and Light Company had agreed to assist the Chamber's committee in the holding of an industrial show for Industry Week on April 7, 8 and 9. Mr. Blalock and Mr. Lawhorn discussed with the committeemen problems to be encountered in staging the show and discussed various details relative to the presentation of the show.

Mr. Blalock advised the local committeemen that the Texas Power and Light Company would furnish the street banner, welcome signs over the entrance of the building where the show would be held, electricity and erect outside flood lights, provide the rental for an organ if one could be secured and assist the local committee in arrangements of displays to be put on by the local industries.

Ways and means for setting up the exhibits, creating interest, and increasing attendance were discussed. It was suggested that every effort be made to get school students participation and the possibility of daily merchandise drawings for prizes, and the possibility of giving a master prize on the final night of the show was discussed.

It was suggested that Chairman Gipson appoint the following committees:

Building Space
Publicity
Schools
Entertainment
Prizes
Outside Exhibits

The local committeemen expressed appreciation and thanks to the Power Company officials for its interest in the show and agreeing to be a joint-sponsor of the show.

Adjourn.

R. M. Woodall

Chairman Elwyn Gipson presided. First order of business was the discussion of Industry Week, normally scheduled for April 1-7. The possibility of a central industrial display was discussed. Opinions differed as to what should be done.

Motion was made by W. R. Beaumier, seconded by S. W. Henderson, Jr., that Chairman Gipson appoint a committee of three to recommend Industry Week observance plans. Motion carried.

Chairman Gipson discussed plans for new industries. Full discussion was given the fact that Lufkin was failing in getting new industries. General opinion was that the chamber should go after all types of industries. The matter of aid for local industries was discussed. The committee felt that effort to aid local industries should be made.

A letter from E. D. Marshall proposing to conduct a special survey on industry possibilities on wood using industries and aid in locating such industries was read.

The chairman was requested to name a committee to consider Mr. Marshall's proposal and recommend any action considered necessary.

Chairman Gipson said that the Texas Power and Light Company would aid in special surveys on possibilities for Lufkin and Angelina County.

Committees appointed included:

SUGGESTED AGENDA

LEGISLATIVE AND NATIONAL AFFAIRS COMMITTEE
February 17, 1955

Letter Writing group.

Support appointment of sub-committees to study and analyze issues to be referred to committee for consideration and also to be referred to letter writers.

Specific Issues: TB Hospital, Tyler - appropriations - see letter - ask that committee recommend board support and letter action.

U. S. Senate Bill 5 - provides that $2 billion be made available for school buildings. Is this a further step toward Federal Control of Education? Should we oppose this measure?

Local County Health Unit - Should committee take a stand. If so, Senator Locks could probably help on State portion of funds for county unit.

LEGISLATIVE AND NATIONAL AFFAIRS COMMITTEE
Minutes
February 17, 1955

Present:

W. R. Beaumier
George H. Henderson
Earl Medford
Ulen Medford
Herman Taylor
Dr. Wm. A. Mitchell
Ned Shands, Jr.
Herman Brown

Absent:

Col. C. C. Chambers
A. E. Cudlipp
S. W. Henderson, Jr.
Roy Kurth, Jr.
W. L. McHale
John S. Redditt
H. J. Shands, Sr.
R. B. Stroud
Arthur Temple, Jr.

Chairman W. R. Beaumier presided. He announced twenty-eight business men and professional men had agreed to serve on the letter writing committee.

Legislation on the state and national level, taxes and spending was discussed.

The committee went on record as being opposed to the following legislation:

H. B. 36 which would, if approved, create a "little NLRB" for Texas and provide for a Mediation Board. It was drafted by Maverick and Berlin, apparently aimed at relatively small business operations not coming under the Taft-Hartley Law.

The President's school building fund aid plan calling for $7 Billion, in a three year period, as well as the Senate Bill No. 5 introduced by Senator Hill of Alabama, which calls for a $2 Billion federal funds for school buildings on a two-year period.

H. B. 71 which would declare it lawful for persons to join labor unions, and for labor unions to obtain employment for members, and to make and enforce employment contracts. Some attorneys, says the TLMA, have expressed the view that this would nullify the Texas "Right To Work" Law.

The Committee went on record as <u>favoring</u> the following:

S. B. 45 which would outlaw strikes and picketing for organizational purposes. This would outlaw strikes and picketing, not in labor dispute cases, but in cases where unions are trying to organize plants, stores and business places.

House Joint Resolution No. 1, a proposed amendment to the State Constitution, authorizing issuance of $200,000,000 in bonds and making of loans by the State for water conservation projects, and levying of an advalorem tax of 1¢ on the $100 valuation. This would be in effect a "revolving" fund from which water districts could borrow funds to help in the building of dams and reservoirs for irrigation, municipal and industrial uses.

Legislative and National Affairs Committee February 17, 1955

Favor the retention of $2,100,000 appropriated by the Legislature in 1953, for new buildings at the East Texas Tuberculosis Hospital at Tyler. The Tyler Chamber of Commerce has issued the statement that indications were that attempts to divert these funds to other uses would be made during the Legislative session. The TB Hospital at Tyler is housed in temporary buildings and serves white patients from 71 East Texas Counties and negro patients from all the state and is currently reported to have over 150 on the waiting list.

The committee went on record as being against the diversion of the funds to any other uses.

The committee discussed but did not take formal action on the Trinity River Authority bill, the Texas Aeronautics Commission's request for more state funds.

Adjourn.

Herman Brown, Secretary-Manager

W. R. Beaumier, Chairman

The group met to decide upon what to do about Christmas Gift wrapping. Various ideas were expressed on "free" gift wrapping.

Motion was finally made by Ned Barrett, seconded by Sam Robinson, that the group agree to do "free gift wrapping" for all items costing $1.98 and above.

Motion carried.

Herman Brown, Manager

Fred Hutson
Elbert Clark
Perry Allgood
Ned Barrett
Mrs. Florence Warren
W. H. Johnston
J. H. Singleton
Bruce Perry
Herman Brown

Chairman Herman Taylor presided at the meeting. He stated that the committee could get Mr. Sam Due to act as SantaClaus for a twenty-day period, following the Christmas Parade on November 29, for a fee of $100.00. It was stated that Santa would be on the streets and in the stores from 2 p. m., until store closing time each of the 20 shopping days.

It was unanimously agreed that the Santa Claus should be employed.

Herman Brown was asked to explained a "free show" proposal, made to the merchants group by Mr. Jim Preddy, Manager of the Pines Theatre. It was explained that the theatre would sell out the show completely for two days for $327.50. Dates of December 20-21 or 21-22 were suggested.

The merchants agreed to purchase the show for two days and selected December 20-21. It was stated that the show would start in the mornings and run until late evenings with absolutely free admission.

Chairman Herman Taylor presented a proposal that the Merchants Division lease a lot and use it for either customer parking or for employees parking space as a move to get more customer parking on the streets in the downtown area. He stated that the lots belonging to Mr. E. L. Kurth and Mrs. E. T. Clark were available at a monthly rental of $200 for the two lots and that thelots together would park some 150 cars. He further stated that it would take approximately $1,250 to place a gravel base on the lot. He suggested that a six months lease be taken on the property by local merchants.

Various opinions were expressed. Those present were of the opinion that more than one lot should be secured, that all possibilities should be surveyed. Not much support was given to the leasing of the lots in question. Some of those present felt that it was too far for customer parking. Others believed that the lot should be leased for a six months period as a trial.

City Manager R. B. Sherrill said that he would recommend the placing of meters on Angelina Street. The idea of a city-owned parking lot was advanced by some of the committeemen.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

Motion was made by Bruce Perry, seconded by Gordon Horn, that Chairman Taylor appoint a committee to survey the possibilities for an "off street" parking lot and make recommendations to the merchants for consideration and action. Motion carried.

Committeemen appointed were: H. W. Simpson, Sam Robinson, Elbert Clark, Gordon Horn and Bruce Perry.

Meeting adjourned.

Herman Brown, Secretary

Herman Taylor, Chairman

O. L. Finley
Mrs. Evelyn Carter
J. A. Brooks
Herman Taylor
Hoyet Williams
Riley Haygood
Leo Dunkin
Monroe Waak
P. L. Allgood
Fred Hutson
Herman Brown

Herman Taylor, chairman, presided at the meeting. He stated that all division committees had been written about the meeting, that the staff had sent a reminder notice and further, that at least 50 telephone calls had been made. He urged those present to encourage other merchants to attend the meeting.

John Brooks explained the details of the proposed "Treasure Hunt" for the Christmas opening. It was agreed that the Treasure Hunt would be held November 23-29, and that merchants would be required to trim windows by November 23 and make "one decoration error" in the window, whereby shoppers could try to detect the window decoration error. It was agreed that each merchant participating in the Treasure Hunt would be required to give one merchandise prize, valued at $5.00 or above, would share in the advertising of the Treasure Hunt event, as a part of the Christmas Opening.

It was stated that the large prize, such as a TV or something comparable in value would be purchased out of the "general budget" for the Christmas Opening, decorations and other Christmas event expenses.

It was also decided that the committee budget would furnish the Treasure Hunt cards, to mark the merchants' windows as having a "Treasure Hunt" window.

Herman Brown outlined the estimated budget for decorations, candy, parade prizes, parade float, electricity, decorations erection as being $1,233.00 and stated that statements would be sent to merchants on the same amount basis as for 1954.

It was stated that the Parade Committee had been working on the parade, that clubs and organizations were being invited to participate in the parade and further that women's clubs, sororities and fraternal orders were being requested to enter floats.

Merchants were asked to indicate whether or not they would sponsor a special float, to be decorated by the club or organization and pay the club $25.00 to take care of expenses.

Seven firms indicated that they would sponsor such type floats.

Adjourn.

Decided to advertise in special section, August 30.

Varied opinions were expressed on "First Wednesday" Bargain Days. Some of those present were of opinion that Bargain Days were of no great value. Others liked the idea.

Opinion was that a special printed insert section should be published for Bargain Day advertising.

Herman Brown said he would talk with the newspaper about getting out window cards preceding Bargain Days.

Adjourn.

Herman Taylor, Chairman, presided at the meeting.

Herman Brown outlined the proposed dinner for salesmen who live in Lufkin and travel out in the trade territory. He stated that the chamber had made a survey which showed that 130 salesmen lived in Lufkin. It was proposed that the Merchants Division of the chamber sponsor a dinner for the salesmen.

Committeemen agreed that the project was a worthy one and that they would purchase tickets to such a dinner.

It was stated that salesmen would be contacted by letter in an effort to ascertain when they could best attend a dinner.

The Christmas Parade was announced for Tuesday, November 29 at 3 p. m.

Chairman Taylor was authorized to appoint a parade committee and also a committee to work out details for a "Santa Claus" treasure hunt for the Christmas opening.

With respect to the floats for the Christmas Parade, it was decided that the chamber should contact clubs and organizations and ask them to prepare floats for entry into the parade, with merchants sponsoring floats to be prepared by the clubs. It was suggested that the merchant pay up to $25.00 for the preparation of a good float. It was also decided that clubs entering the floats, sponsored by the merchants, would compete for cash prizes, to be furnished by the general Christmas Parade Committee, of the chamber.

Herman Brown, manager, gave brief reports on Industrial contact work and on the Navy Jet Base project.

Adjourn.

ANGELINA COUNTY CHAMBER OF COMMERCE
Merchants Division
Minutes
Tuesday, February 8, 1955

Present: (See Attached List)

Chairman Herman Taylor presided at the meeting. He asked that Chamber Manager Herman Brown explain again the workings of the "Solicitations Control" plan. This was done and merchants were urged to require permits when being solicited. The plan was acclaimed by merchants, as being one which save merchants money and assured them of the fact that funds pledged were going to good uses.

Holidays were discussed. The following Holidays were suggested:

Monday, July 4 - Independence Day
Monday, September 5 - Labor Day
Friday, November 11 - Veterans Day
Thursday, November 24 - Thanksgiving Day
Monday, December 26 - Christmas Day
Monday, January 2, 1956 - New Year's Day

Motion was made by H. G. Wood, seconded by Tommie Massingill that the Holidays be approved for the downtown stores and merchants in general. Motion carried.

It was explained that the Automobile Dealers Committee had stated that the Automobile dealers, under existing agreement, would not close on January 1, 1956.

Lengthy discussion was had on the Christmas Season opening. Difficulties in holding the Christmas Parade on the day following Thanksgiving were outlined. Several merchants pointed out the advantages of having school students out of school when the parade was held. It was also pointed out that the parade, to be most effective, should be held in the morning of the day selected.

Motion was made by Earl Medford, seconded by Arthur Bresie, that a committee composed of Ned Barrett, Hoyet Williams and Jeff Noble serve with the Chairman to investigate the possibilities of securing bands and entertainment for the parade and to recommend a date for the parade. Motion carried.

The proposition of selecting one of the products manufactured locally and urging that all merchants and business houses work out a program of six months or a year publicizing the local product, with the idea that increased sales of the manufactured product would in turn increase employment and payrolls. It was suggested that since the Lufkin Trailer was a prominent product and that all merchants dealt with transportation that the Lufkin Trailer be selected as the first product.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

The problem was discussed at length with a motion made by Earl Medford, seconded by H. W. Simpson, that a committee be appointed to formulate such a program. Motion carried.

The committee appointments included: Elbert Clark, Ned Barrett, John D. Smith, John Brooks, Mrs. Evelyn Carter and Earl Medford.

The problem of the Mill Supplies Division of the Lufkin Foundry and Machine Company, allowing retail customers to buy wholesale was discussed. The committee was asked to talk with officials about the problem.

It was decided that the Merchants Division sponsor a retail sales school, to be held on Monday April 25, Wednesday, April 27, Monday, May 2 and Wednesday, May 4, in cooperation with the University of Texas Extension Division.

Store closing hours for Wednesday, Thursday, Friday and Saturday, December 21-24 were set at 6 p. m.

A committee composed of Kenneth Fullen, John Brooks, Ned Barrett, and H. W. Simpson were named to work out a Bargain Day merchandising program, to be held monthly.

Adjourn.

SUGGESTED AGENDA

SPORTS AND RECREATION COMMITTEE
February 17, 1955

Cooperate with Teen Age, Little League and other Recreation Groups.

Check into possibility of securing right-of-way for another EXIT from playing field area.

Check into possibilities of additional parking space at baseball parks.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

SPORTS AND RECREATION COMMITTEE
Minutes
February 17, 1955

Present:

Ted Maberry
Arthur Bresie
William Hines
Murphy Martin
J. C. Hinson
Pat Scoggins
H. J. Shands, Jr.
Donald Spencer
Ben Weber

Absent:

E. O. Brumble
Lee Friesen
Ulen Medford
Bill Morgan
Leland Murphy
W. F. Prince
O. B. Sikes
Dr. Dan Spivey

Ted Maberry, chairman, presided at the meeting and asked for recommendations from each member of the committee.

Pat Scoggins expressed the opinion that recreation for girls should be planned.

Ben Weber suggested that an effort be made to consolidate all recreation activities into a county-wide operation, under one organization.

H. J. Shands, Jr., recommended that a professional man be employed to coordinate and plan recreation for Lufkin and Angelina County.

J. C. (Rip) Hinson advocated that more consideration be given to recreation for the negro boys and girls.

The general discussion was around the establishing a central organization, committee or office, with overall control, responsibility and planning for recreation for the entire county. It was explained that under such an arrangement with a real and effective program, a trust fund might be set up, whereby donations earmarked for recreation purposes could be made to the foundation or fund and used by the central recreation council or group.

A roundtable discussion was had on the physical properties of the parks and playgrounds.

It was stated that the city owned a small park near the Redball Freight terminal, which was not developed. Chairman Maberry wanted committeemen to talk with City officials about the park.

It was also suggested that an effort should be made to secure another outlet street or road from the Little-Pony-Teener League park. Chairman Maberry stated that the manager was in touch with the U. S. Forest Service about the possibility of a right of way for the street.

Adjourn.

H. J. Shands, Vice Chairman and
Acting Secretary

SUGGESTED AGENDA

TRAFFIC AND TRANSPORTATION COMMITTEE
February 15, 1955

Chairman outline rate needs and present status.

Again, cite need for through bus from Beaumont to Dallas, via Lufkin.

Consider asking Beaumont Chamber of Commerce Traffic Department to make study and suggestions.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

ANGELINA & NECHES RIVER RAILROAD COMPANY

GENERAL MANAGER'S OFFICE

W. S. SCOTT
VICE-PRES. & GEN. MGR.

PLEASE REFER TO FILE

KELTYS, TEXAS

February 17, 1955

Mr. Herman Brown, Manager
Angelina County Chamber of Commerce
Lufkin, Texas

Dear Herman:

I was rather pleased at the representation at the transportation Committee meeting. I think we had a good meeting, and we discussed the items on the suggested agenda. With respect to rates, since the principal industries have their own traffic departments, nothing came up. However it was understood that the members of the rate committee would be glad to help any individual who had a rate problem.

The question of through bus service Beaumont to Dallas via Lufkin was discussed, but due to the conflict of interests in the bus lines and the small number of passengers who would probably use that route, due to the much more frequent service Beaumont to Dallas via Houston, it was thought that little could be done to help the situation. As to seeking the assistance of the Beaumont Chamber of Commerce Traffic Department, it seemed to be the consensus of opinion that probably the Dallas Chamber of Commerce Traffic Department could be of more help, but I believe we are wasting our time trying to get additional service when actually the present service is being curtailed.

Carol Watts brought up another subject about the schedules of air freight service out of Lufkin north bound. He complained that the only service was about 7:30 AM and about 1:30 PM whereas his shipments are generally made in the afternoon. I took the position that additional service via air lines was a proper subject for the Aviation Committee. However, since his traffic will probably only average 100 lbs. a day, there is not much chance to get Trans-Texas to put on extra planes to handle it. If I am incorrect in my assumption that this is a matter for the Aviation Committee, please advise me.

I think you have a pretty good transportation committee, and I think they will function when necessary. Personally, I will be glad to do whatever I can for the benefit of the community, but I think we must be realistic in our approach to some of these subjects. If the other fellow is going to lose money, we don't have too good an arguement.

If you have any suggestions, I will be glad to hear them.

Yours very truly,

W. S. Scott

CHAMBER OF COMMERCE HOUSING & SANITATION PROJECT COMMITTEE
Minutes
Tuesday, July 12, 1955

Present: Senior Chamber of Commerce

John Redditt
Col. C. C. Chambers
Herman Brown
Clyde Thompson
H. J. Shands, Sr.
Earl Medford
S. W. Henderson, Jr.
Bee Landrum (Daily News)

Junior Chamber of Commerce

E. L. Bartlett, Jr.
John Cluck

Negro Chamber of Commerce

J. D. Nichols
E. E. Cleaver
A. D. Thomas
Dr. S. C. Packer
E. C. Johnson

John Redditt, chairman of the committee, presided at the meeting. He requested Vice-Chairman Col. C. C. Chambers to outline the over-all objectives of the proposed projects for the central committee.

Col. Chambers reviewed the growth and expansion of Lufkin and also the potential future growth. He outlined the highpoints of the Negro Housing and Sanitation Survey, prepared and released by the Negro Chamber of Commerce. He pointed out the great need for increased adequate descent housing for negroes and for low income white families, for increased sanitation facilities, for correction of slum conditions in existing housing areas, for adult education in many fields for the negroes. He suggested steps in organizing such a campaign, such as a finance plan for housing, type of program on housing, preparation of reports and statistics to show need, publicity for moulding public opinion, present unfilled requirements for housing and additional requirements for housing.

Discussion of the problems by committeemen present was reduced to the following considerations: Chairman Redditt should name:

1. A committee to decide upon the type of housing program.

2. A committee to recommend a finance plan for the over-all project.

3. A sub-committee chairman who would later assist in the selection of sub-committee members for such suggested committees, and possibly others as: Publicity, Health Laws, Sanitation, present demands for housing, additional requirements for housing & education.

4. That the central committee should advocate a program which would enable the securing of land for the location and building of twenty-five or thirty homes as the first start.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

CHAMBER OF COMMERCE HOUSING & SANITATION PROJECT COMMITTEE
Minutes

5. That the central committee investigate the ways and means for entering into a self-help program to build homes for people willing to purchase homes on a work and purchase plan.

Chairman Redditt announced that committees and the committee chairmen would be named at a later date.

Herman Brown, Secretary

John Redditt, Chairman

ANGELINA COUNTY CHAMBER OF COMMERCE

MAJOR PROBLEMS AND PROJECTS

1956

1. Expand Industrial Foundation
2. Low Cost Housing & Sanitation
3. City-wide Youth Program - Survey possibilities
4. Second Runway - Angelina County Airport
5. Aggressive work on "off street" parking for customers who trade in Lufkin
6. Lake Ponta - Bond election on January 10
7. More adequate finances for Chamber operation
8. Street, Highway & Road Improvement
9. Industrial Show
10. Forestry & Tree Planting and Timber Stand Improvement Program
11. Aggressive Conventions Program
12. Salesman Dinner
13. Initiate better Safety Program
14. Emphasis on Civic Affairs, Beautification and Modernization

PROGRAM OF WORK - 1956

AGRICULTURE

Continue Soil Conservation work. Sponsor annual Soil Conservation tour.
Sponsor annual Field & Pasture Day.
Work with Farm and Ranch Club.

AVIATION

Make airport improvement a major project in 1956.

BEAUTIFICATION AND MODERNIZATION

Continue to urge improvement of City Parks.
Study ways and means to remove unsightly and unattractive conditions, such as junk heaps in residential sections of town.
Urge city to strengthen zoning ordinance.

CIVIC AFFAIRS

Sponsor annual clean-up campaign.
Organize safety committees.
Consider fire prevention campaign.
Sponsor Chamber of Commerce Week activities.
Ask city to enforce "covered garbage can" ordinance.
Urge drive to eliminate 55-gallon drum type barrels and replace with 20-gallon covered cans.
Organize and sponsor "residential Christmas Lighting Contest."

EDUCATION

Sponsor Business-Education Day.
Sponsor Career Day for students.
Hold annual reception for teachers at beginning of school year.

FORESTRY

Sponsor tree planting program.
Urge area-wide timber stand improvement program.
Continue Community Forest program.
Work with City on development of City Lake area to provide recreation facilities.

GOODWILL AND CONVENTIONS

Continue aggressive program to secure conventions for Lufkin.
Send delegations to important civic conventions, conferences and meetings.
Furnish welcome delegations for all local visiting groups.
Participate in East Texas Chamber of Commerce Convention.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

HIGHWAYS AND ROADS

Continue efforts to widen East Denman Avenue and South First Street.

Conduct survey to determine streets where elimination of "square corners" are more greatly needed. Urge City to start a program of gradual elimination of such traffic hazard corners.

Stress continued improvement of Highway 103 East and Highway 69 South to Zavalla and Highway 63 to Jasper.

Urge County & State Highway Department to locate the West Side Loop far enough out from the city limits, so that right-of-way costs will be reduced.

INDUSTRIAL

Expand Industrial Foundation to secure funds for land purchases and for funds to develop a better industrial program.

Stage Industry Week program and Industrial Show.

Revise Industrial Brochure information.

Seek ways and means for securing more Industrial prospects, particularly for industries employing women.

Work with Lufkin-Nacogdoches Water District on Lake Ponta.

LEGISLATIVE AND NATIONAL AFFAIRS

Inform members on legislative issues.

Urge letter-writing committee to be aggressive during Congressional session.

Sponsor Business Leaders' Conference.

MERCHANTS

Take as number one project that of securing "off street" parking lots for customers and employees to relieve parking problems for shoppers.

Hold "salesman" dinner in early Spring.

Distribute new Solicitations Control plan pledge and display agreement card.

Set holidays to be observed during year.

Conduct "Miss Valentine" contest for Valentine Day promotion.

Plan in advance for seasonal shopping events.

Urge early preparations for "Christmas Opening" events.

Take aggressive action to support Industrial Foundation expansion.

MEMBERSHIP

Conduct early membership campaign.

Urge many members who are paying the minimum to increase their financial support to the chamber of commerce.

MILITARY AFFAIRS

Cooperate with Air Force officials upon establishment of Air Force Radar Warning Station.

Cooperate with local veterans organizations and the National Guard.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

PUBLICITY

Distribute publicity folders.
Print new supply of City Maps.
Publish and distribute Hotels, Motels and Tourist Court information.
Work out special publicity for chamber sponsored events.

TRAFFIC AND TRANSPORTATION

Keep alert rates and tariffs affecting local shipping.
Continue to stress need for better and faster bus service to Dallas.

SPECIAL

Start plans for celebration of Lufkin's "Diamond Jubilee" - 75th Anniversary of the founding of Lufkin, in 1957.

NEGRO HOUSING AND SANITATION

Get the housing and sanitation program in action during 1956.

SPORTS AND RECREATION

Coordinate recreation program being sponsored by various groups.
Urge comprehensive study of youth and recreation problems. Support a youth program for Lufkin and Angelina County youth.
Consider goodwill courtesies and recognition for visiting hunters during hunting season.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

SUGGESTED ACTIVITIES - 1956

SPECIAL COMMITTEE

Start plans for celebration of Lufkin's "Diamond Jubilee" - 75th Anniversary of the founding of Lufkin, in 1957

AGRICULTURE SUB-COMMITTEE MEETING
Minutes
July 24, 1956

Present:

O. L. Hubbard
Chester Davis
M. F. Wichman
Herman Brown

Discussed Calf and Swine Show, scheduled for October 5.

Discussed Broiler Show to be held November 9.

It was decided that the committee and vocational agriculture teachers and county agents meet August 2, at 10 a. m.

Manager Herman Brown was asked to write letters to teachers and agents urging them to come to the meeting prepared to give certain information which would be listed in the letter.

Places to hold show were discussed. It was stated that a vacant building, if possible to secure in downtown area, would be more suitable. The Pate building on Cotton Square was discussed as a possibility.

Herman Brown was asked to contact W. E. Wood and urge him to attend August 2 meeting.

Adjourn.

Opinion was that for all general purposes, a Spring livestock show would serve 4-H and FFA to their best interests. It was pointed out that the committee should not wait until next Spring to hold some sort of a show and that plans should be made for a Fall show and then make early plans for a 1957 Spring Show.

A definite need was expressed for holding a broiler show.

It was finally agreed that a beef calf and swine show be held October 5, a one-day show.

It was decided that a broiler show for FFA and 4-H groups be held on November 9, and that September 15 be set as the date for the students to start growing the broiler chicks.

Classes for the Swine Show were decided upon as follows:

Gilts: 6 months and under; 6 months to 1 year; one year and over.

Boars: under 9 months.

Barrows: Market weight Barrows, 180-240 lbs.

Swine breeds to be shows: Bacon type (open) Duroc, Poland China.

For the Beef Calf Show, it was decided that two classes be shown. Milk Fed Calves and Dry Lot Calves.

The committee authorized O. L. Hubbard and Herman Brown to select a committee to work details for the shows.

It was decided if at all possible that the show be held in a vacant building in the downtown area.

Adjourn.

AGRICULTURE COMMITTEE MEETING
Minutes
February 27, 1956

Present:

Dexter Satterwhite
M. F. Wichman
Chester Davis
Earl Medford
O. L. Hubbard
Jack Gorden
Dr. Joe Z. Tower
Louis Renfrow
Dr. Roy Saunders
E. K. Crouch
Stewart LeSassier
M. L. Wilkinson
Bryan Byrd
Gordon Horn
W. E. Wood
Herman Brown

Dexter Satterwhite, chairman, presided.

The public scales project was discussed. Committeemen expressed the need for "public bonded scales." Motion was made by Earl Medford, seconded by Chester Davis, that the committee endorse the public scales project. Motion carried.

The possibility of holding a joint Field and Pasture Day and Farm and Ranch Club meeting was discussed.

Motion was made by Earl Medford, seconded by Bryan Byrd, that a joint committee work out plans for a joint Field Day-Farm and Ranch event. Motion carried.

April 27 was set as the preferred date but if speaker could not come on April 27, that May 3rd or 4th be selected as date.

It was agreed that W. R. Thompson of Mississippi State be invited to speak at the meeting.

Lenghty discussion was had on the possibility of sponsoring a Junior Livestock Show. It was finally decided that a committee composed of O. L. Hubbard, Chairman, Dr. Roy Saunders, M. F. Wichman, Chester Davis, set a date for the show and in cooperation with FFA teachers of the county work out details of the show. Motion carried.

M. F. Wichman called attention to the fact that the week of May 6 was Soil Stewardship Week and suggested that the committee ask the Ministerial Alliance to devote sermons on Soil Stewardship.

The committee approved the purchase of special informational kits on Soil Stewardship for distribution to the ministers.

The Manager was asked to seek information from Wharton, relative to the Junior Livestock Show.

Dr. Roy Saunders announced that the Dairy Committee planned to sponsor a county-wide meeting for the purpose of providing important information on animal diseases.

Adjourn.

AVIATION COMMITTEE MEETING
Minutes
November 28, 1956

Present:

Ele Baggett	Leeland Petty
W. C. Book	Jim Bob Thompson
J. A. Burke	H. C. White, Jr.
George K. DuPuy	James L. Love
M. G. Kreuter	B. R. Fisher
Ralph New	E. T. McFarland
Reagan Parker	Herman Brown

Chairman George K. DuPuy presided at the meeting.

Purpose of the meeting was to consider the Angelina County Airport improvement project.

County Judge Edward McFarland informed the committee that first estimates made by the engineering firm making improvement plans were considerably higher than the original estimate made in the county's application for approval and for Civil Aeronautics Board participation. He stated that if proper additions were made that the total estimated cost would be about $100,000 to the county, as compared to the $60,000 estimate at the time of application.

Judge McFarland stated that the Commissioner's Court would meet with the engineer on Saturday December 1 and have the plans explained in detail. He requested that the members of the committee be present at the Saturday morning meeting, to be held in the County Court Room.

It was stated that it would be necessary for Commissioners to agree for the engineer to go ahead with plans and continue engineering details. Some anxiety was registered fearing that with the project jumping in cost estimates the Commissioners might not want to continue engineering plans.

It was agreed that the Aviation Committee would be present for the Saturday meeting of the Commissioners Court.

Joe K. Gipson
M. G. Kreuter
W. F. Prince
Leeland Petty
R. B. Thompson
Jim Bob Thompson
H. C. White, Jr.

Considerable discussion was had on the improvements necessary on the County Airport. County Judge Eddie McFarland stated that another application had been filed with the CAA for the building of an east-west runway. He stated that the CAA had cited the need for "clearnace zones" at the end of the proposed runway when it is lengthened.

It was estimated that the cost of the new runway and the clearance zone would be $120,000.

It was stated that the county would have to lease on a long term contract or buy the necessary land for the "clearance zone" area. It was suggested that the Aviation Committe check on options for the land in question.

Chairman DuPuy appointed Horace Stubblefield, Ralph New, Jim Burke, and Jim Bob Thompson on a committee to check on possible options.

Flight shedules on Trans-Texas were discussed. It was noted that on March 1, Trans-Texas was starting a non-stop flight from Beaumont to Dallas and thereby bypassing Lufkin both on the north and the South bound flight.

It was further noted that after March 1 departing flights from Lufkin would be at 7:19 a. m. north to Dallas; 4;11 p.m. and at 10:07 p.m., with no plane scheduled to arrive in Lufkin from Dallas prior to 4:11 p.m.; that the first plane to leave Dallas for Lufkin would be 2:30 p. m. in the afternoon.

Committeemen were of the opinion that there was a need for a morning service to Lufkin from the North and a late afternoon departure from Lufkin to the North.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

The committee decided to write Mr. Eichner, Traffic Superintendent for Trans-Texas and ask him to come to Lufkin for a meeting with the committee. The manager was asked to arrange a date and notify the committee.

BEAUTIFICATION COMMITTEE MEETING
Minutes
March 23, 1956

Present:

Mrs. J. A. Anderson
Mrs. H. L. Dyer
Miss Aurelia Hopper
Mrs. E. D. Thompson
Herman Brown
Mrs. Barney Chappell
Mrs. N. A. Norris
Mrs. Reagan Parker
Millard Zeagler

Mrs. J. A. Anderson, chairman, presided.

Miss Aurelia Hopper reported for the committee to show conditions on vacant lots and on garbage can conditions. Pictures of conditions were shown. The possibility of writing letters to vacant lot owners later in the summer was discussed.

Millard Zeagler reported as follows:

1. City ordinance in effect requiring covered garbage cans. City does not have to pick up trash unless in garbage disposal cans. City garbage picks up trans if in boxes or containers along with can.

2. City will help to survey cans not of proper covered type.

3. There is no ordinance to govern upkiip of vacant lots. Governed only in case of health hazard. He recommended public campaign on enforcement of garbage can ordinance.

Suggestions were made as follows:

Contact garbage can dealers, ask to run specials during clean-up week, etc.
Ask city to take better care of cans.
Urge people to take garbage cans from out front, after city trucks had emptied cans each week.

Motion was made by Millard Zeagler, seconded by Mrs. Reagan Parker that the committee adopt a program of seeking enforcement of garbage can ordinance and one of getting public action, and further that the committee request to be heard at the April 17 City Council Meeting. Motion carried.

It was decided that the sub-committee chairmen meet on April 13 to formulate final plans for appearing before the City Council.

Adjourn.

Herman Brown, Manager

Mrs. J. A. Anderson

BEAUTIFICATION SUB-COMMITTEE MEETING
Minutes
March 16, 1956

Present:

Millard Zeagler
Mrs. E. D. Thompson
Herman Brown
Miss Aurelia Hopper
Mrs. J. A. Anderson

Millard Zeagler, chairman of the sub-committee, presided at the meeting.

He stated that the purpose of the meeting was to consider ways and means to get started on the problem of getting vacant lots mowed and the possible elimination of uncovered garbage cans, and the elimination of 55-gallon drum type cans in the residential area.

After discussing the problems, three committees were named as follows:

Ordinance and Enforcement Committee, composed of Mrs. J. A. Anderson, Chairman, Millard Zeagler, Gus Boesch and Mrs. Barney Chappell.

The responsibility of this committee was stated to be that of conferring with the City Manager, seek information about the present garbage can ordinance, check into the possibility of getting an actual count of the undesirable cans and ask the legal opinion on what should be done to bring about enforcement of covered 20-gallon type cans for use at all residence houses.

Vacant Lot Committee, Miss Aurelia Hopper, Chairman, Mrs. Hubert Dyer, Mrs. Durwood Witherspoon, Mrs. A. L. Nelson and Mr. O. B. Sikes.

Responsibility of this committee was defined as being to check into the number of vacant lots, consider ways and means of getting people to mow them, compile a list of tractor owners who would mow lots for a fee, arrange for pictures to be made for publicity purposes to show the unsightly conditions and the need for cleaning and mowing vacant lots.

Civic Groups Contact Committee, Mrs. E. D. Thompson, Chairman, Mrs. Reagan Parker, Mrs. N. A. Norris.

Responsibility defined as being to contact Federated Women's Clubs and others to sell idea and ask support of groups on Beautification projects.

It was decided that the committees would report to the general Beautification Committee on March 23, for reports after which recommendations would be made relative to a possible meeting with the City Council.

Adjourn.

BEAUTIFICATION COMMITTEE MEETING
Minutes
March 7, 1956

Present:

Mrs. J. A. Anderson
Mrs. Barney Chappell
Mrs. H. L. Dyer
Miss Aurelia Hopper
Mrs. E. D. Thompson
Mrs. Durwood Witherspoon
Millard Zeagler
Herman Brown

Mrs. J. A. Anderson, chairman, presided.

General discussion developed the idea that the committee should take on a major objective, a project on clean-up, enforcement of covered garbage can ordinance and the cleaning up of vacant lots.

Herman Brown reviewed the work on getting parks improved.

It was decided that a committee composed of Millard Zeagler, Chairman, Mrs. Barney Chappell, Mrs. Hubert Dyer, Miss Aurelia Hopper, Mrs. Durwood Witherspoon, Mrs. E. D. Thompson and Mrs. J. A. Anderson compose a ways and means committee on the garbage can and vacant lot committee.

The group decided to meet Friday, March 16, at 10:00 a. m. to start work on the project.

Other needs cited were: Planting of grass in city parks; Beautification of business area property and lots; removal of unsightly just collections from residential sections; elimination of blind corners; the building of civic pride within citizens to want to beautify their property.

Adjourn.

Herman Brown

It was decided that the committee would sponsor the Annual Clean-Up Campaign on May 16-17-18.

Traffic Safety was discussed. The committee authorized the chairman to appoint a Safety Committee, as a sub-committee to work with the Safety Council.

The program of uncovered garbage cans was discussed. Motion was made by Dr. Wm. A. Mitchell, seconded by J. B. Ray, Sr., that the committee urge the city to enforce and strenghten the covered garbage can ordinance, and further a campaign be considered to eliminate 55-gallon trash cans in the residential area. Motion carried.

R. V. Welch, Post Master, explained the great need of additional post office terminal facilities. He stated that the post office was built in 1936 and that no major improvements had been made since 1938. It was pointed out that there was room for post office enlargement on the present post office lot.

Motion was made by Tex Allen, seconded by Norman Norris, that the committee urge enlargement of the post office facilities. Motion carried.

The committee discussed the possibility of sponsoring a Christmas Lighting Contest in the residential area, next December. Motion was made by Howard Walker, seconded by Dr. Wm. A. Mitchell, that the committee sponsor the contest. Motion carried.

Motion was made by Ray Horn, seconded by Wayne Bell, that City officials be commended upon starting the street name signs project, and further that officials be urged to place block numbers on the signs. Motion carried.

The matter of trash being dumped on roads near the city was discussed. It was decided that the matter be brought to the attention of law enforcement officials.

Home improvement was discussed. It was stated that the building material dealers were going to conduct a campaign and that the committee would be asked to assist in the drive to get homes improved.

Adjourn.

EDUCATION COMMITTEE MEETING
Minutes
August 10, 1956

Present: J. A. Anderson, Lee Friesen, W. C. Royle, Howard Walker, R. C. Yeoman, and Herman Brown.

Howard Walker, chairman, presided.

Superintendent Anderson explained that all of the teachers would be meeting together on August 29 for the workshop session.

It was decided that the chamber of commerce sponsor a reception and hold it in the new cafeteria at 8:30 a. m. and invite all of the Civic Club representatives to the reception to welcome the teachers.

The committee decided to urge that wives of the committeemen should also attend the reception.

It was decided that coffee, doughnuts, and soft drinks would be served at the meeting.

It was decided that favors and literature would be given to the teachers, and that city maps be given to all of the "new" teachers.

The program committee was asked to plan a special introduction and recognition of all the new teachers at the reception. No meeting of the teachers is to be held in the auditorium until the official school workshop session. Welcome and reception, at 8:30 a. m., will be held in the cafeteria.

Committeemen as follows were appointed: Refreshments: W. C. Royle, Chairman; Pat Scoggins, R. C. Yeoman, Hugh Byrd, T. J. Wilroy, Lee Friesen. Program Committee: Howard Walker, J. A. Anderson, Herman Brown, Mrs. Lois Walker.

Committeemen are urged to be present at the Cafeteria at 8:00 a. m.

The committee will schedule a reception for the negroes on a date to be selected. Committeemen will be asked to go out and meet with negro teachers.

FORESTRY TOUR PLANNING MEETING
Minutes
August 30, 1956

Present: Harvey Sprott, Herman Brown and H. W. Porter

C ommittees:

Program and Tour Arrangement:
Harvey Sprott, Bruce Stewart, Shirley Daniel

Invitations:
M. F. Wichman, H. W. Porter, Kenneth Burton, Chester Davis
Jerry Lumpkin, Royce Wilson, Herman Brown

Tour Date - November 7, 9:00 a. m. - 1:30 p. m.

Theme: "Pulpwood Management"

Program, talk & meal at Noon.

Leave from Chamber of Commerce office.

Arrange for cold drinks, at 10:30 a. m. stop.

Complete invitations mailing list by October 15.

Committee to meet at Chamber of Commerce office 10 a. m. - October 15.

Sponsors of tour - Upper Neches Soil Conservation District and
Forestry Committee, Chamber of Commerce.

Host at noonday barbecue - Southland Paper Mills, Inc.

Herman Brown

GOODWILL AND CONVENTIONS COMMITTEE MEETING
Minutes
May 31, 1956

Present:

Kenneth Fullen
Raymond Geye
Ed Lemke
K. Morris
Scott Sayers
J. B. Perry, Jr.
Bryan Byrd
Richman Lewin
Herman Brown

Chairman Kenneth Fullen presided at the meeting.

It was suggested that the committee sponsor a goodwill trade tour to tie in with the completion of the last stretch of paving on highway 103 to connect with highway 147 a few miles south of San Augustine. The committeemen decided to sponsor the tour on June 22.

It was decided that the tour would journey on highway 103 and on to San Augustine, to Bronson, to Hemphill and stop at Pineland for a lunch stop at noon. The return trip would be made via Jasper, Zavalla, and Huntington. Manager Herman Brown was instructed to map the route, secure the bus, arrange for a luncheon, and work an all expense ticket charge for the trip.

The committee also discussed the possibility of cooperating with local and Neches Valley singing officials with respect to the possibility of inviting the National Singing Convention to be held in Lufkin. It was explained that such a convention might draw official delegates from about ten states but that the major portion of the attendance would come from Louisiana and East Texas. Manager Herman Brown stated to the committee that Mr. Burl Carter of Beaumont had indicated that Lufkin might secure the convention but that total expense in putting on the convention might run about $500, and further, that music company fees and state delegate fees would finance about 50% of the convention cost.

It was stated that a banquet and lodging for the actual official delegates from the other states was usually furnished. The chamber's policy was explained as being one of not trying to buy conventions but rather to help with the expense on a convention in proportion of the value to the city.

It was decided that a committee composed of Chairman Kenneth Fullen, Herman Brown, Richman Lewin, and Bryan Byrd be authorized to investigate the possibilities and to make whatever offer the committee decided feasible to Mr. Carter. It was explained that the convention in question, if invited and held in Lufkin, would be in November, 1957, that the bids for the same would be made at the 1956 convention.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

Committeemen were advised that the Veterans of Foreign Wars District Convention would be held in Lufkin on June 9-10 and that committeemen would be ask to come to the hotel to greet the delegates.

Adjourn.

Herman Brown, Secretary

Kenneth Fullen, Chairman

Present:

C. W. Alexander
Wayne Bell
Raymond Geye
Roy Kurth, Jr.
Ed Lemke
Tommie Massingill
Leeland Petty
Pat Scoggins
Jim Waters
Herman Brown

It was announced that the Liberty Bi-Centennial Booster group would visit Lufkin on April 5, about Noon, and that the committee would be asked to welcome the visitors.

Chairman Fullen stated that the Texas Gulf Coast Press Association convention would be held in Lufkin on April 13-14 and that the chamber would assist the convention group.

The possibility of sponsoring a Goodwill Trip to Nacogdoches, Center, St. Augustine, Hemphill and points east was discussed.

It was decided that the committee sponsor the trip and that the Manager and Chairman investigate the possible completion of the new paving on Highway 103 and set the tour date near that completion date, if possible.

Committeemen were of the opinion that the tour should be held in June if at all possible.

It was announced that the Eastern Star lodge conference would be held in Lufkin March 12.

Committeemen were asked to respond to the call of the chairman and manager when requested to come to the hotel or convention meeting places to welcome visitors and delegates.

Adjourn.

HIGHWAY COMMITTEE MEETING
Minutes
June 28, 1956

Present:

Reagan Parker
Fred Hutson
Ulen Medford
R. B. Stroud
Howard Walker
Wood Spears
Herman Brown
R. A. Corbett, Jr.
E. W. Leach
K. Morris
Herman Taylor
Jack Tucker
Dr. Forrest Orman

Chairman Reagan Parker presided at the meeting.

The federal highway program was discussed. It was stated that U. S. Highway 59 should be included on the interstate system which would receive federal highway aid. Motion was made by Fred Hutson, seconded by Ele Leach, that the committee ask that U. S. Highway 59 be included in the federal system for the new highway program. Motion unanimously carried.

Several street improvement projects were discussed. Motion was made by Ulen Medford, seconded by Herman Taylor, that the committee adopt a program comprising the following projects on a priority basis:

1. North Raguet -- widening to four lanes, possibly a new control to establish a new thoroughfare from Abney to the downtown business section via North Bonner street; and a traffic control to channel traffic to Branch Street to be extended to connect with North Bynum Street.

2. Widening of East Denman Street.

3. Improvement of East Dozier Street as a thoroughfare to connect with Chestnut Street and to continue to Timberland Drive.

4. Widening of South First Street.

5. Improvement of East Paul Street to the eastern section of the city.

Considerable discussion was had on the condition of city streets. The committee cited the need for better maintenance of all streets.

The committee pointed out the need for study and action with respect to traffic control on the following intersections:

East Dozier Avenue between Second and Third Street, van type trucks blocking the street.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

South Angelina Street and West Denman, need for pavement stop lines to indicate stop points.

North First and Laurel, traffic control.

East Denman and Chestnut, installation of a traffic light.

It was pointed out again that the "S" curve on East Lufkin Avenue should be eliminated.

Committeemen also asked that the City officials make a check on Fairfield Street from Bynum to Jordan with respect to the possibility of providing a better two-way street.

The proposal that a sidewalk be built to extend through the colored city park to Dunbar High School was unanimously adopted.

Motion was made by R. B. Stroud, seconded by K. Morris, that the City officials be commended upon the completion of the East Lufkin Avenue project and for the paving of the parking meter islands around the court house square. Motion carried.

Discussion was in evidence on several other possible projects, but no official action was taken.

Adjourn.

Herman Brown, Manager

Reagan Parker, Chairman

SUGGESTED ACTIVITIES - 1956

HIGHWAYS AND ROADS COMMITTEE

Continue efforts to widen East Denman Avenue and South First Street.

Conduct survey to determine streets where elimination of "square corners" are more greatly needed. Urge City to start a program of gradual elimination of such traffic hazard corners.

Stress continued improvement of Highway 103 East and Highway 69 South to Zavalla and Highway 63 to Jasper.

Urge County & State Highway Department to locate the West Side Loop far enough out from the city limits, so that right-of-way costs will be reduced.

INDUSTRIAL COMMITTEE MEETING
Minutes
February 23, 1956

Present:

Elwyn Gipson
Lacy Adams
Guy Croom
Jack Gorden
Jewell Hudgens
Robert P. Killion
Norman Norris
J. D. Perdue
Ned Shands, Jr.
Herman Brown
Herman Taylor
W. W. Trout

Chairman Elwyn Gipson presided at the meeting.

A lengthy discussion was had on whether or not to sponsor an Industrial Show. It was stated that the show sponsored in 1955 drew an attendance of 3,000 people, despite a rainstorm, that thirty industrial firms prepared displays and that the all-round success of the show was good.

Some of the members questioned the value of sponsoring the show a second year in a row.

Chairman Gipson asked each person present to express his views about the matter.

It was suggested that the chamber again sponsor plant visitation during Industry Week, April 1-7.

Motion was finally made by Ned Shands, Jr., seconded by Jewell Hudgens, that the industrial show not be held and that plant visitation be encouraged. Motion carried.

Manager Herman Brown outlined industrial brochure information available and data, which he stated was provided industrial prospects.

It was stated that the formal opening of The T. L. Smith Company plant would be held in May, and that committeemen would be advised and urged to attend.

Brief explanation of the drive for $40,000 for the Industrial Fund was made. Manager Herman Brown stated that a rating committee had been appointed, that industrial firms would not be requested to make contributions to the fund.

Herman Brown

CIVIC GROUP MEETING
GET-OUT-THE-VOTE-CAMPAIGN
Minutes
October 25, 1956

Herman Brown presided as temporary chairman.

John Duke, Jaycee representative and Mrs. E. D. Thompson were named co-chairmen of the campaign.

Suggested activities included:

Place "ad" lines in newspaper advertisements being run by merchants.

Distribute inserts in papers being delivered to houses.

Distribute "Get-Out-The-Vote" material by Girl Scouts on November 3 to homes where girls pick up old newspapers.

Distribute circulars through food stores.

Ask all clubs to contact all of their members and ask them to vote.

Arrange for "free" transportation to polls.

Use Public Address system if available.

Story Club announced its members would call every telephone in book and ask people to vote.

Work up slogans such as the scout slogan "Vote As You Think-but Vote November 6," and "Take Your Neighbor To Vote."

It was stated that the Boy Scouts would distribute 12,000 door-knob hanger reminders about voting on November 6, also 750 posters.

Teachers of county distribute "Go Vote" materials to all homes.

Ask Ministerial Alliance to urge that pastors urge people to vote.

Present were: Mrs. John Odom, Mrs. G. C. Reynolds, Mrs. Pat McCann, Jr., A. J. Stanbery, Mrs. W. L. McHale, D. B. Byrd, Claude R. Smithhart, Lynn Yantis, Rex Weisinger, H. R. Rolston, John W. Duke, Jr., Wood McMullen, Robert Denum, Stanley Vodicks, Jr., Mrs. E. D. Thompson, Jr., Mrs. Grover Atkinson, Miss Hyacinth Odum, John W. Moody, Tom Hooser, Jr., J. B. Perry, Jr., and Herman Brown

MERCHANTS DIVISION
Department & Specialty Stores Committee Meeting
Minutes
November 5, 1956

Present: John Brooks, Burton Riley, John Miller, Perry Markus, Frank Aydelotte, Mrs. R. A. Kennedy, Miss Glennie Dell Thompson, Elbert Clark, Herman Taylor, J. B. Perry, Jr., Leo Dunkin, Ned Barrett, Mrs. Arthur Bresie, Mrs. Johnnie Crawford, Mrs. Jeff Noble, Kenneth Fullen, Byron McNeil, Mrs. Alma Tucker and Herman Brown.

John Brooks, chairman, presided. He suggested that stores try to combat the shoplifting problem. The seriousness of shoplifting was related by those present. It was suggested that committee of three be named to confer with city and county officers.

Motion was made by Elbert Clark, seconded by Burton Riley, that committee confer with county attorney on penalties and means of cracking down on store thieves. Motion carried. Committee appointed: Burton Riley, John Miller, Leo Dunkin.

The Gift Wrapping problem was discussed. Various opinions were expressed. Some committeemen wanted to discontinue "Free" gift wrapping. Others suggested a charge for purchases under a certain dollar amount.

Since a plan could not be worked out which would secure the support of all merchants present, motion was made by Ned Barrett, seconded by Perry Markus, that the matter be tabled. Motion carried.

Adjourn.

Herman Brown

Kenneth Fullen
J. B. Perry, Jr.
Herman Brown

Chairman Elbert Clark presided at the meeting.

Chamber Manager Herman Brown stated that the Merchants Parking Lot would be opened on East Shepherd Avenue, October 1, with spaces to be available at $4.00 per month.

Date for the annual Christmas Opening and Santa Claus Parade were discussed. Opinion of all those present was that the Parade should be held at 10 a. m. Friday, November 30. However, it was stated that difficulty was evidenced in securing bands for the Parade due to the fact that the Thanksgiving Holidays would be in effect.

The other possible date for the parade was set as December 4 for an early afternoon parade.

It was finally decided that Chairman Clark and Manager Herman Brown confer with school officials and if bands could not be secured for the 30th of November, that the Chairman then announce December 4 as the date for the Christmas Opening and Parade.

It was decided to again hold the Treasure Hunt. Those present asked that the rules be modified to some extent. A committee composed of Kenneth Fullen, Hoyet Williams, Burton Riley, Ned Barrett, and Mrs. Elmarie Meadows was named to work out details of the event.

It was decided again that Merchants would sponsor floats to be built and prepared by Civic Clubs and organized groups, and that sponsoring merchants would pay $25 on float expenses and the merchant in turn would have the firm's name on the club or organization's float.

The following merchants agreed to sponsor floats: Beall Brothers, J. C. Penney Company, Taylor Hardware, Piggly Wiggly, Hemphill-Wells, Cash Drug Store, B. F. Goodrich Co., Perry's, Noble Drug, Clark-Ayres, and Green's Department Store.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

Motion was made by Ned Barrett, seconded by Herman Taylor, that store hours be set 8:30 a. m. until 5 p. m. Monday through Saturday, thus changing Saturday closing hours from 6 p. m. to 5 p. m. When the vote was taken, a tie vote was recorded. Considerable difference of opinion arose over the matter, and Chairman Clark accepted the suggestion that various classified groups try to have meetings and settle on hours for such groups as furniture stores, department stores, appliance stores, etc.

Motion was made by John Brooks, seconded by Ned Barrett, that to accommodate Christmas shoppers the store closing hours be set at 6 p. m. on December 20, 21 and 22. Motion carried.

Adjourn.

Herman Brown, Secretary

Elbert Clark, Chairman

J. B. Perry, Jr.
Herman Brown

The matter of Holidays was discussed. It was stated that some question had been brought up about the observance of Labor Day, September 3, and of Veteran's Day, November 12, since Veteran's Day came on a Sunday in 1956. Considerable discussion was had on the merits of staying open or closing. General opinion was that the stores should close on these two particular holidays.

Motion was made by Howard Walker, seconded by Hoyet Williams, that stores and business houses close on September 3, Labor Day, and on Monday, November 12, for Veteran's Day. Motion unanimously carried.

It was explained that at the last meeting the Thanksgiving Holiday was designated as November 22 when it should have been designated as November 29.

President J. B. Perry, Jr. reported a very successful Salesmen's Dinner.

The traffic and parking problem was discussed at length.

It was reported that space alongside the Cottonbelt tracks between North First and Angelina on Groesbeck would be made available to the City for parking use. It was reported that the lots on East Shepherd known as the old Satterfield property were being cleared of houses and would be used for parking. It was reported that Mr. J. H. Kurth was making the old Christian Church property into a downtown parking lot.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

The possibility of trying to secure the old Bonner Hotel lot site was discussed. The idea was advancedthat the lot be secured and arrangements be made for business firms to underwrite the cost and make it into an employee's parking lot. The possibility of the City of Lufkin leasing the lot and putting "off-street" parking meters thereon was also discussed.

Motion was made by Harry Feick, seconded by Tommie Massingill, that a survey and investigation be made about the lot to see if it would be made available and, if so, a plan be worked out for presentation to the merchants and to the City of Lufkin. Motion carried. Chairman Elbert Clark named a committee composed of Earl Medford, Perry Allgood and H. W. Simpson to work up the details.

It was stated that Mayor Scott, Herman Brown and Elbert Clark would seek an interview with Mr. E. L. Kurth and learn if the property would be made available.

Adjourn.

Herman Brown, Secretary

Elbert Clark, Chairman

Chairman Clark presided at the meeting.

He asked Mr. R. B. Sherrill to outline the work being done on securing off street parking. Mr. Sherrill stated that the city was making trials out of two or three lots, by providing off street meter service, such as 2 hours for a nickel, that he had contacted lot owners about cooperative agreements and further that some free parking would likely be made available on a city-owned lot, located on Shepherd Street, once some old buildings were sold off the lot.

Herman Brown related that negotiations were being made with the Cotton Belt Railroad, about use of railroad owned property for parking lots. It was also stated the possibility of utilizing the old First Christian Church lot as a parking lot, and possible two other lots, currently under lease.

Herman Brown explained the past considerations on a project to secure "Public Scales." W. E. Wood outlined the need, saying that public scales were greatly needed and suggested that Merchants committeemen underwrite their cost, estimated at $5,700 plus installation. It was stated that the poultry industry amounted to $20,000 per month in business. He stated that the new license law required pickup trucks and other trucks to weigh before securing license plates, and therefore, the scales should be purchased soon.

The merchants discussed the possibility of securing the aid of the City and the County, in the installation of the scales and possibly operating the scales, with the proceeds from the scales to pay for operation and to repay merchants or individuals underwriting the scales installation.

Motion was made by Byron McNeil, seconded by John Smith, that the Merchants Committee endorse the Public Scales project and that Chairman Clark appoint a committee to work out details and get their cost underwritten. Motion carried. Committee appointed: W. E. Wood, Bryan Byrd, Fred Hutson, Bob Denum.

Herman Brown discussed the Solicitations Control plan and urged merchants to support it more fully, stating that some merchants had failed to live up to the agreement. It was also decided that only school annuals in Angelina County be approved for solicitation and requests for annual advertising from schools outside Angelina County not be approved.

It was decided that the Merchants Committee would sponsor a Salesman Dinner on May 4, a Friday evening.

Considerable discussion was had on whether or not to invite the wives of the salesmen and make it an outdoor picnic affair. It was finally decided that Chairman Clark and the Manager check on possibilities for a husband and wife picnic event and formulate necessary plans.

The matter of Holidays to be observed by Lufkin stores was discussed. Approval was given on closing for July 4, November 22, December 25 and January 1, 1957.

Considerable discussion was evident on whether or not to close on Monday, September 3, Labor Day and on Monday, November 12, Veteran's Day (since Veterans Day came on Sunday, November 11).

It was finally decided that a check with Veterans Organizations and labor groups would be made to ascertain if there would be any objection to eliminating those two particular dates in 1956.

Herman Brown, Manager, presented a finance statement on the operation of the Christmas Fund, showing the activities lacked $272.38 being self sustaining and that the chamber paid the deficit out of the chamber budget.

Adjourn.

Herman Brown

The matter of Holidays was discussed. It was stated that some question had been brought up about the observance of Labor Day, September 3, and of Veteran's Day, November 12, since Veteran's Day came on a Sunday in 1956. Considerable discussion was had on the merits of staying open or closing. General opinion was that the stores should close on these two particular holidays.

Motion was made by Howard Walker, seconded by Hoyet Williams, that stores and business houses close on September 3, Labor Day, and on Monday, November 12, for Veteran's Day. Motion unanimously carried.

It was explained that at the last meeting the Thanksgiving Holiday was designated as November 22 when it should have been designated as November 29.

President J. B. Perry, Jr. reported a very successful Salesmen's Dinner.

The traffic and parking problem was discussed at length.

It was reported that space alongside the Cottonbelt tracks between North First and Angelina on Groesbeck would be made available to the City for parking use. It was reported that the lots on East Shepherd known as the old Satterfield property were being cleared of houses and would be used for parking. It was reported that Mr. J. H. Kurth was making the old Christian Church property into a downtown parking lot.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

The possibility of trying to secure the old Bonner Hotel lot site was discussed. The idea was advancedthat the lot be secured and arrangements be made for business firms to underwrite the cost and make it into an employee's parking lot. The possibility of the City of Lufkin leasing the lot and putting "off-street" parking meters thereon was also discussed.

Motion was made by Harry Feick, seconded by Tommie Massingill, that a survey and investigation be made about the lot to see if it would be made available and, if so, a plan be worked out for presentation to the merchants and to the City of Lufkin. Motion carried. Chairman Elbert Clark named a committee composed of Earl Medford, Perry Allgood and H. W. Simpson to work up the details.

It was stated that Mayor Scott, Herman Brown and Elbert Clark would seek an interview with Mr. E. L. Kurth and learn if the property would be made available.

Adjourn.

Herman Brown, Secretary

Elbert Clark, Chairman

SUGGESTED ACTIVITIES - 1956

MERCHANTS COMMITTEE

Take as number one project that of securing "off street" parking lots for customers and employees to relieve parking problems for shoppers.

Hold "salesman" dinner in early Spring.

Distribute new Solicitations Control plan pledge and display agreement card.

Set holidays to be observed during year.

Conduct "Miss Valentine" contest for Valentine Day promotion.

Plan in advance for seasonal shopping events.

Urge early preparations for "Christmas Opening" events.

Take aggressive action to support Industrial Foundation expansion.

PUBLICITY COMMITTEE MEETING
Minutes
March 9, 1956

Present:

Richman Lewin
Dr. O. L. Benedict
I. G. Long
Herman Brown
Virginia Allen
Ed Lemke
Arnold Shaw

Richman Lewin, chairman, presided.

The meeting was held at KTRE-TV studios and the final 15 minutes of the committee meeting were telecast.

The erection of highway signs was discussed. It was decided that they should be placed at strategic spots once loops and entrances were completed.

It was announced that the committee would publish a new Hotel, Motel and Tourist Courts list.

The committee was shown the new city maps.

It was also stated that the chamber of commerce would publish a revised manufacturers directory.

In discussing the ways and means to give publicity to various chamber projects, the idea was developed that on important cases the production of motion pictures for use on TV would be effective.

The new publicity folder, developed and produced by the committee, was shown to television viewers.

Adjourn.

Herman Brown

H. J. Shands, Sr.
Don Hackney
Earl Medford
Elbert Clark
Dr. Charles Mann

Chairman John Redditt presided at the meeting.

Mr. Redditt stated that several plans for financing and several types of foundations for financial organizations had been considered by the finance committee. He recommended the formation of a Lufkin Housing Corporation with a possible eventual capital stock of $250,000. He further stated that the Lufkin Foundry and Machine Co., Southland Paper Mills, Inc. and Texas Foundries, Inc. had agreed to put a first installment of $44,000 into the corporation and for a like amount or more in 1956, and that the corporation would, therefore, substantially have $100,000.

Mr. Redditt further stated that the finance committee's idea was to limit the profits of the corporation to not over 5% and that all profits possible for the corporation be placed back into the building program.

It was suggested that the Chamber, sponsoring committees through the housing setup, build twenty or twenty-five houses. In a general discussion which followed, opinion was that if the housing corporation could produce a good quality house at a low cost, there would be plenty of purchasers, both negro and white.

It was stated that the next step would be to secure adequate land on which to build houses and to work on the designs for homes which could be built at a low cost.

Motion was made by John Cluck, seconded by Dr. S. C. Packer that the Central Committee representing the three sponsoring organizations approve the finance plan and further, that work on the project be continued. Motion unanimously carried.

A round table discussion was had on problems about housing and on committee problems, particularly in the Negro sections of the city.

Adjourn.

Herman Brown, Secretary

John Redditt, Chairman

CONSTITUTION AND BY-LAWS OF THE LUFKIN TENNIS CLUB

CONSTITUTION

ARTICLE I -- Name and Purpose

Section 1. The name of this organization shall be the Lufkin Tennis Club.

Section 2. The purpose of the Lufkin Tennis Club shall be to develop and promote tennis as a healthful recreation and a means of maintaining physical fitness for children and adults, and to encourage a high standard of fair play and sportsmanship.

ARTICLE II -- Membership

Section 1. Membership shall consist of all dues-paying persons who are active in playing, teaching, or coaching of tennis, or who are otherwise interested in tennis.

Section 2. All members shall have equal voting privileges. A membership fee of one dollar shall be paid annually by each member. All members shall receive membership cards.

Section 3. The fiscal year of the Lufkin Tennis Club shall begin on the first day of September and continue through the last day of August of the following calendar year. Officers elected for the first year shall serve through August 31, 1957.

Section 4. A member may be expelled for just cause by an investigating committee of nine members, six members of said committee being appointed by the President with the other three members being the President, the Vice-President, and the Secretary-Treasurer.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

ARTICLE III -- Officers

Section 1. The affairs of the Lufkin Tennis Club shall be conducted by a President, a Vice-President, and a Secretary-Treasurer. Their terms of office shall be for one year, or until succeeding officers are elected. Officers shall be elected at the first meeting of each fiscal year.

Section 2. The duties of the President shall be to preside at all regular or called meetings, to preserve order, to appoint committees, and to see that the officers and committees adequately perform their respective duties.

Section 3. The duties of the Vice-President shall be to assist the President in the performance of his duties, to serve on committees, and to perform the duties of the President during the absence of the President.

Section 4. The duties of the Secretary-Treasurer shall be to keep a current roll of the membership, to notify membership of meetings, elections, and events, to keep minutes of all meetings, to receive and disburse membership fees and other monies, to maintain an accurate and current record of monies handled, to issue membership cards, and to give financial reports at meetings. The Secretary-Treasurer shall make available all fiscal records for inspection upon the demand of the President or Executive Committee.

ARTICLE IV -- Committees

Section 1. The committees of the Lufkin Tennis Club shall be (a) Executive Committee, (b) Tennis Committee and, (c) such other committees as may be deemed necessary from time to time.

Section 2. The duty of the Executive Committee shall be to act in advisory capacity to the elective officers and to see that members comply with the rules and regulations of the Lufkin Tennis Club.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

Section 3. The duty of the Tennis Committee shall be to organize, arrange, and conduct all tennis play or tournaments sponsored by the Lufkin Tennis Club, to collect entry fees and hold drawings for said tournaments, to appoint tournament officials and to periodically rank all members of the Lufkin Tennis Club and to release these rankings.

Section 4. Other committees appointed by the President shall be delegated and governed by his directive.

ARTICLE V -- Meetings

Section 1. Unless otherwise voted for, regular meetings of the Lufkin Tennis Club shall be held every second Tuesday of every second month beginning in October, 1956.

Section 2. Special meetings of the Lufkin Tennis Club may be called by the Executive Committee or upon the written request of any twelve active members to the President.

Section 3. Members may vote a proxy to represent the Lufkin Tennis Club at meetings of the Texas Lawn Tennis Association or of the United States Lawn Tennis Association.

ARTICLE VI -- Amendment

Section 1. Amendments to this constitution may be made by a two-thirds vote of members attending any regular or called meeting, provided each member was notified of the proposed amendment at least one week prior to the date of the meeting.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

BY-LAWS

ARTICLE I -- Order of Business

Section 1. The standard order of business for Lufkin Tennis Club meetings shall be as follows: (a) Call to order, (b) Reading of minutes, (c) Secretary-Treasurer report, (d) Report of Committees, (e) old business, (f) New business, (g) Program, and (h) Adjournment.

ARTICLE II -- General Regulations

Section 1. The Lufkin Tennis Club shall be officially affiliated with the Texas Lawn Tennis Association and the United States Lawn Tennis Association. All members shall be governed by all applicable laws or regulations of these parent organizations.

Section 2. All Lufkin Tennis Club tournaments or matches shall be governed by USLTA rules unless otherwise designated by the tournament director.

Section 3. Entry into any match or tournament of the Lufkin Tennis Club may be refused unless entrant is an active member of the Lufkin Tennis Club, is in the armed forces, or is in the Junior or Boys or Girls Divisions.

Section 4. The policy of the Lufkin Tennis Club shall be to hold match play and tournaments, to teach, coach, or otherwise assist the younger club members in tennis, and to assist Junior members to travel to, and participate in, out-of-town tournaments.

Section 5. The financial policy of the Lufkin Tennis Club shall be to collect dues and other monies in order to develop playing facilities, to promote tennis playing, and to assist in supplying expenses for members entering tournaments.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

Section 6. The Tennis Committee shall rank all playing members of the Lufkin Tennis Club as frequently as necessary to reflect their current abilities and development.

Section 7. The Lufkin Tennis Club shall hold club championship tournaments at least once each year and preferably one each in the Spring, Summer, and Fall seasons.

Section 8. The tournament divisions shall be established in accordance with USLTA rules and the following divisions will be used for all Club tournaments unless otherwise established by the tournament director; (a) Men -- over 18, (b) Women -- over 18, (c) Junior Boys -- 16-18, (d) Junior Girls -- 16-18, (e) Boys -- under 15, (f) Girls -- under 15, (g) Veterans -- over 45. The applicable birthdate shall be January 1, of the year of play.

Minutes
AGRICULTURE SUB-COMMITTEE MEETING
November 7, 1957

Present:

M. F. Wichman
Herman C. Bate
W. E. (Bud) Woods
Gus Boesch
O. L. Hubbard
Roy Hurst
Norris Gipson
Herman Brown

M. F. Wichman, chairman of the agriculture committee, presided at the meeting.

Herman Bate, vocational agriculture instructor for the Lufkin Public Schools, presented a plan for the enlargement of the 4-H and FFA Project Show. He proposed to secure $100 underwriting commitments from various civic clubs and stage a large project show for one or two evenings at the Sheriff's Posse Rodeo Arena and make a charge for the show. He proposed to buy calves and have a calf scramble, various stunts, showing of champions in the show divisions and other entertainment.

Considerable discussion was had on the proposal. Committeemen liked the idea of a larger show and one which would bring out the public but did not approve of the calf scramble. General opinion that such an event was furnishing too few boys with calves for the cost. Opinion was that the civic clubs would bet tired of sponsoring the event in event it should not be self sustaining. Doubt was expressed as to the money making success unless more than a calf scramble and FFA and 4-H Boy contest was presented.

Mr.Bate said that the main desire of the teachers was to get the crowds and to encourage the boys.

Someone suggested that possibly the Agriculture Teachers and the 4-H group would like to sponsor and conduct their own show without the chamber's sponsorship.

Herman Brown advised that as far as the chamber was concerned the organization would be willing to go all out for a large show, more participation, more committees, but that the question of raising money for a calf scramble was questionable.

Motion was made by Gus Boesch, seconded by Norris Gipson, that the FFA and 4-H group decide if they wanted the Chamber to sponsor the show and discuss the ideas as put forth by the committee and to pass on to the FFA group the committeemen's lack of approval of the calf scramble. Motion carried.

Adjourn.

Stewart LeSassier
Earl Medford
Dr. S. T. Neubert
Harold Porter
Dr. Roy Saunders
M. L. Wilkinson
Dexter Satterwhite
Herman Brown

Chairman M. F. Wichman presided.

Explanation was made about the project show for FFA and 4-H boys to be held April 12. It was reported that Herman Brown, M. F. Wichman, and Chester Davis met on January 17 with FFA Agriculture insturctors and worked out details for the show which calls for prizes to be given to winners in Beef Cattle, Dairy Cattle, Swine and poultry divisions. Committeemen were urged to help with the show which will be held on a vacant lot downtown.

The possibility of holding a meeting, possibly in conjunction with the Farm and Ranch Club, to recognize citizens receiving awards from the Soil Conservation District, late April or early May, was suggested for the meeting date.

A committee composed of Jack Gorden, Earl Medford, and M. L. Wilkinson was named to contact the Farm and Ranch Club and discuss the proposed plans and ask the Farm and Ranch Club's cooperation.

Motion was made by Earl Medford, seconded by O. L. Hubbard, that the Committee point out the need for more funds for the Hudson pasture agriculture experiment station. Motion carried.

The Committee discussed the Agriculture Conference to be held in Nacogdoches February 13-14. It was decided that the Committee would sponsor a delegation to the meeting on February 12-13, with those who could attend to meet at the Chamber of Commerce office at 9 a. m.

Herman Brown related that Simon Purvis had asked that the Committee urge government officials to allocate at least 5 acres of cotton to any farmer who wanted a cotton allotment. The matter was discussed but no formal action taken.

Adjourn.

	Wm. G. Miller	R. B. Thompson

Chairman George Kelly DuPuy presided at the meeting. He reviewed the fact that engineering on the County Airport improvement had gone forward, that the project was being submitted to CAA officials for final approval. Chairman DuPuy stated that the airport project was possibly the most pressing of projects where county funds would be required. It was estimated that $100,000 would be required to match the federal allocation for the extra runway and other airport improvements including the securing of additional land for making runways longer. He said that since the committee had been backing and urging airport improvement that the committee should now recommend to the Board that the Chamber of Commerce work with the Commissioner's Court in determining ways and means to secure necessary finances.

Judge Eddie McFarland cited the need for a "package" deal on county needs. He stated that the Government would require some assurance from the County Commissioners by June 30 that the county's portion of the funds would be made available. Judge McFarland explained the package deal as being funds for the airport project, funds for the West Side Loop, and funds for improvement and modernization of the County Hospital, all of which could possibly be grouped into a cost of $500,000.

Motion was made by Leeland Petty, seconded by H. C. White, Jr., that the Aviation Committee recommend to the Board of Directors of the Chamber of Commerce that the Chamber of Commerce work with the County Commissioners in an effort to work out ways and means to secure adequate finances for the county's portion of the airport improvement project funds. Motion carried.

Judge McFarland stated that when engineers and CAA officials returned with plans about the airport that he would like for several of the committeemen to join the officials in view and consideration of the plans.

Adjourn.

Kenneth Fullen, Kiwanis Club
D. C. McPherson, Fire Chief
Doris Brashear, City Federation
Dr. Nash Hogue, Jaycees
Mrs. Roy Stout, Pilot Club
Roscoe Gibson, Fire Dept.

Herman Brown presided in the absence of Gus Boesch, Jr., Chairman. He explained that discussion had been had with the chairman and with Fire Chief McPherson about a round of activities for Fire Prevention Week, October 6-12. General discussion was held on the merits of Fire Prevention Week and it was decided that the committee together with other civic club representatives present would sponsor Fire Prevention Week activities. Committees were set up as follows:

PUBLICITY COMMITTEE: A. E. Cudlipp, Jr., Chairman, Dr. Joe Z Tower, and Ray Horn.

"MISS FLAME" CONTEST: Dr. W. A. Mitchell, Chairman, Pat Scoggins, and others to be named.

PARADE COMMITTEE: Fire Chief D. C. McPherson, Chairman, Kenneth Fullen, and J. D. Perdue.

POSTER COMMITTEE: Mrs. Roy Stout, Chairman, representatives of the Pilot Club.

CIVIC CLUB PROGRAM: Dr. Nash Hogue, representative, Jr. Chamber of Commerce.

JUNIOR INSPECTION TEAMS: Ed Arnold, Chairman, Charles Hatcher, and Roscoe Gibson, Fire Department.

Additional members will be named to some of the committees.

In discussing the Junior Inspection Team idea it was planned that outstanding Senior Scouts and other outstanding youth be formed into fire hazard inspection teams to make inspections under the guidance of the Fire Department. It was decided that an additional committee would be formed, that the Federation of Women's Clubs would be asked to participate and to assist with the program.

Adjourn.

ANGELINA COUNTY CHAMBER OF COMMERCE
Civic Affairs Sub-Committee Meeting
Minutes
March 25, 1957

Present:

Gus Boesch, Jr.
Alf Taylor
Harold Schmitzer, City Manager
Harry Kerr, Sr.
Herman Brown

The City Manager reviewed plans for increasing wages for Firemen and Policemen. He explained the need for additional funds. He advocated increased valuations but lower tax rates. He advocated increasing the sewer rate and the garbage collection fee. City Manager Schmitzer stated that minimum pay would be raised to approximately $255 minimum base pay, even should increased city financing not be secured; and a greater increase if additional funds were made possible.

Committeemen discussed with Mr. Schmitzer the need for making faster and better repairs on streets when the paving has been broken, to install water and sewer connections. Mr. Schmitzer stated that he was mindful of the situation and had plans to do a better job by keeping a closer watch on contractors doing such work.

Adjourn.

Lee Friesen
Ray Horn
Harry Kerr
J. D. Perdue
Dr. Roy Saunders
Alf Taylor
Boyd Woods
Herman Brown

Gus Boesch, Jr., chairman, presided at the meeting.

Chairman Boesch discussed the fact that the Police Department and the Fire Department employees were underpaid and, therefore, securing highly capable employees was not possible. He expressed the desire for the Committee to work with the City officials and, if possible, work out a solution to the problem.

Motion was made by J. D. Perdue, seconded by Lee Friesen, that the Committee Chairman name three committeemen to serve with the chairman as a special committee to confer with Mayor Scott and City Manager Harold Schmitzer and determine the best approach to attack the problem. Motion carried. Committee names included J. D. Perdue, chairman, Gus Boesch, Harry Kerr, and Alf Taylor.

The matter of two additional deputies for the Sheriff's Department was discussed. Chairman Boesch stated that in his opinion four deputies were not enough to allow the sheriff ample law enforcement help. He suggested that the committee back Sheriff Leon Jones in his request for more deputies. Motion was made by Dr. Roy Saunders, seconded by Howard Walker, that a committee be named to confer with County Judge Eddie McFarland about the matter and then on Monday attend the Commissioners' Court meeting and record the committee's belief that additional deputies should be granted. Motion carried. Committee appointed: Howard Walker, chairman, Dr. Roy Saunders, and Wayne Bell.

The committee again cited the great need for the elimination of outdoor toilets. Motion was made by Boyd Woods, seconded by Ray Horn, that the City engage in a program to remove outdoor toilets. Motion carried.

Herman Brown, Manager, outlined the contact work which had been done relative to securing terminal facilities for the Post Office in Lufkin and to speed up the greatly needed post office boxes.

Chairman Boesch asked that members of the committee meet at the Commissioners' Court meeting on Monday, February 11, and with the City Council on Tuesday evening, February 19.

Minutes
FORESTRY COMMITTEE
July 16, 1957

Present:	J. Shirley Daniel	Art Lehman
	Lacy Adams	Harvey Sprott
	Sam Fate	M. F. Wichman
	Chester Davis	M. L. Wilkinson
	J. A. Hughes	Herman Brown
	Dr. Joe Z Tower	
Absent:	R. E. Erwin	Ted Maberry
	Glen Fitzgerald	Kenneth Nelson
	George H. Henderson	Hayes Smith
	James L. Love	Bruce Stewart
	E. R. Wagoner	Norris Gipson

Shirley Daniel, chairman, presided at the meeting. He asked M. F. Wichman to outline previous discussions for a forestry tour and meeting to be scheduled in October in cooperation with the Angelina Farm and Ranch Club.

Mr. Wichman stated that through efforts of the Southern Pine Lumber Company a small area had been sprayed from the air for hardwood control, that the spot was on U. S. Highway 59, South, near the American Legion building. He stated that killing effect would become evident by October, time for the demonstration and meeting. Other suggested activities for the program were outlined as follows:

A helicopter flight spray demonstration if possible, J. Shirley Daniel to arrange.

A prescribed burn demonstration to be supervised by the Texas Forest Service, Sam Fate to arrange.

A tree girdling demonstration to be arranged by Kenneth Nelson and Harvey Sprott.

A brush control demonstration and also demonstration of power saws and tools with invitations to be extended from chamber office.

Soil injector demonstration on tree poisoning, injection of 245 T into soil, to be arranged by Sam Fate.

Demonstration of Cornell Tube or equivalent thereof to be arranged by Art Lehman.

Discussion on importance of wildlife protection by Dan Lay being arranged by M. F. Wichman and Herman Brown.

It was decided that the Forestry tour meeting should be held at 3:30 p. m., October 10, 1957, and tie in with the evening meeting of the Angelina Farm and Ranch Club.

It was decided that a committee composed of Ed Wagoner, M. F. Wichman and Herman Brown should work out special promotion of the event and circulate mailing lists to cover the East Texas Area on invitations to attend.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

Special promotions suggested: Governor's Proclamation; George Roesner, KPRC-TV farm program; local TV and special pictorial program folder.

It was dediced that $1.00 be charged for the meal, this coming under the Farm and Ranch portion of the event.

Herman Brown, Manager

J. Shirley Daniel, Chairman

Minutes
FORESTRY COMMITTEE
April 29, 1957

Present:	J. Shirley Daniel	Harvey Sprott
	Chester Davis	E. R. Wagoner
	R. E. Erwin	M. F. Wichman
	George H. Henderson	M. L. Wilkinson
	Art Lehman	Herman Brown
	James L. Love	Norris Gipson
Absent:	Lacy Adams	J. A. Hughes
	Kenneth Burton	W. L. McHale
	Glen Fitzgerald	Ted Maberry
	Hayes Smith	Bruce Stewart

J. Shirley Daniel, chairman, presided at the meeting.

He stated that he would like for the committee to have a real demonstration on Timber Stand Improvement. He suggested that the committee try to get the San Antonio Company which was doing hardwood and underbrush control spraying via helicopter to stage a demonstration for a large meeting of farmers, landowners, FFA and 4-H Boys and possibly the Farm and Ranch Club.

It was explained that the company was to do some spraying work in Nacogdoches County early in May and that a "spot" might be treated in Angelina County on the same trip which area could later be used as a demonstration to show the result as it became visible. Mr. Daniel was of the opinion that by October that the killing effects would be visible and that a Forestry demonstration could then be held.

General opinion was that all types of Timber Stand Improvement work and methods should be presented. It was agreed that the committee sponsor such a meeting and if possible arrange for the helicopter spray treating demonstration at that time. Norris Gipson, President of the Farm and Ranch Club, was present and stated that the matter of cooperating with the Forestry Committee on the project could be placed before the Farm and Ranch group at its July meeting and even before that time at a Farm and Ranch Board meeting.

Mr. Daniel was asked to go ahead with the prospective plans of securing the aerial treatment method and also to work out plans for a complete program for the event.

It was urged that schools be contacted about having Agriculture Class and 4-H boys attend the demonstration and program.

Adjourn.

Boyd Woods
I. G. Long
Herman Brown

Chairman Pat Scoggins presided at the meeting.

It was announced that a students' convention, Future Teachers District 8, would hold a convention meeting at the High School Saturday, January 26, that materials would be furnished the group.

The approaching District Rotary Converence scheduled for March 10-11 was discussed. Rotary President Jack Tucker, also a member of the committee, stated that the cooperation of the committee would be most appreciated. It was decided that the committee would provide a welcome group on Sunday afternoon March 10 and also assist in the registration of the delegates, housing and furnish badges.

It was announced that the Manager and the Chamber President J. F. Burris, Shirley Daniel and Clyde Thompson had been asked to meet with citizens of Huntington to advise them on plans for a Homecoming. Manager Herman Brown stated that this would be a good opportunity for the Goodwill Committee to help on the day of the homecoming, tentatively set for May 4.

It was decided that the committee would sponsor a delegation to the East Texas Chamber of Commerce Convention, to be held in Nacogdoches April 12-13. It was pointed out that the chamber would bid either for the 1958 convention or for the 1959 convention.

It was decided that the committee would sponsor a goodwill trade tour. Chairman Scoggins named a committee composed of I. G. Long, Chairman, Woodrow Scott, and Raymond Geye to work out a tour route for approval.

The suggestion was made that the committee sponsor a series of entertainment programs to be presented in the schools of the county as a goodwill project. It was suggested that a program be formed and contacts be made to schools about presenting the entertainment. It was suggested that the programs be taken to Hudson, Central Consolidated, Redland, Diboll, Huntington and Zavalla.

A committee composed of Boyd Woods, chairman, Jack Tucker, and Bill Collins was appointed to investigate the possibilities and make plans for such programs if financially the programs could be arranged and schools wanted the programs.

The group adjourned to go to the Angelina Hotel where the group welcomed the Houston Fat Stock Show visitors at 5:45 p. m.

Minutes
HIGHWAYS AND ROADS COMMITTEE
October 29, 1957

Present:

R. B. Stroud	Reagan Parker
R. A. Corbett, Sr.	J. B. Perry, Sr.
Fred Hutson	Herman Taylor
E. W. Leach	Edward P. Trout
Ulen Medford	Herman Brown
D. C. O'Neal	Calvin Pouland
Dr. Forrest C. Orman	Eddie McFarland

R. B. Stroud, chairman, presided at the meeting.

It was pointed out that the City Commission had been requested by the State Highway Department to establish a no parking regulation on South Timberland Drive from where South First intersects Timberland to the City Limits line. General discussion was had on the matter. It was explained that some of the property owners objected to a no parking or stopping in front of their places in that area, that until more lanes were made available by widening of the street and road that only two lanes of traffic were available for traffic and that the parking at present was not particularly a hazard.

General opinion was that the street should be widened. Motion was made by Fred Hutson, seconded by Dr. Forrest C. Orman, that the committee object to a no parking regulation on South Timberland Drive from South First to the City Limits line; and further that the committee recommend that efforts be made to get the street in question widened. Motion carried.

County Judge McFarland outlined the progress on the West Side Loop stating that both appraisers for the county and for the state were working and that purchases would likely start about December 1 and that possibly in May of 1958 the State would let a contract on one-half of the loop in event the county cannot get all of the right-of-way by that time.

Judge McFarland and County Commissioner of Precinct 1, Calvin Pouland, displayed a county road marker sign which Commissioner Pouland stated will erect in his precinct. Judge McFarland stated that in time all of the county roads would have the markers. He asked that the chamber of commerce join the county in a project to prepare for distribution a county road map for public distribution.

Motion was made by Ed Trout, seconded by Ulen Medford, that the Highway Committee recommend to the chamber board that a project of providing a county road map be undertaken. Motion carried.

Adjourn.

Herman Brown

Minutes
HIGHWAYS AND ROADS COMMITTEE
March 19, 1957

Present:	R. B. Stroud	Herman Taylor
	Fred Hutson	Eddie McFarland
	Reagan Parker	Herman Brown
	B. M. E. Smith	
Absent:	R. A. Corbett, Sr.	Dr. Forrest C. Orman
	Simon Henderson, Jr.	J. B. Perry, Sr.
	M. G. Kreuter	H. J. Shands, Sr.
	E. W. Leach	Wood Spears
	Ulen Medford	Edward P. Trout
	Lloyd Moore	Howard Walker
	D. C. O'Neal	R. W. Wortham

Minutes of the June 28, 1956 meeting dealing with street widening projects were read and approved.

It was stated that the Chamber of Commerce through board resolution and request had asked that U. S. Highway 59 be included on the Federal Interstate system. Judge Eddie McFarland related that should Texas secure any of the additional 1,000 miles designated for the United States that Highway Department officials had promised allocations for U. S. 59, but that Texas' getting any of the allocation was remote.

Major topic for discussion was street widening projects, dealing with the problem of which of the streets needed attention first.

Motion was made by Fred Hutson, seconded by B. M. E. Smith, that the widening of North Raguet Street be designated as the Number One project for widening. Motion carried. Other projects termed greatly needed were set on a priority basis:

Number Two: Widening of South First Street and East Denman Street.

Number Three: Improvement of East Dozier Street as a thoroughfare to connect with Chestnut Street and to continue to Timberland Drive.

Number Four: Improvement of East Paul Street to the Eastern section of the city.

Committeemen discussed the West Side Loop. County Judge Eddie McFarland outlined the lack of funds with which to purchase the necessary 6.6 miles of right-of-way. He stated that the project was in Precinct No. 1 and that at the present time there was only $12,000 available for the West Side right-of-way. He stated that finances would have to be secured in order for the County to go ahead on the project. Judge McFarland said that U. S. Government approval was being secured on the Airport Improvement and thus County funds would have to be provided to match Federal allocations and, further, that improvement of the County Hospital was greatly needed and a project considered highly important by the rural people and would take additional funds. He suggested that some ways and means be worked out

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

to secure finances for all three projects as a "package unit."

Herman Brown stated that the Aviation Committee and the Commissioners would soon be meeting on the Airport project, that eventually a recommendation financing would be made to the Board.

Motion was made by Reagan Parker, seconded by B. M. E. Smith, that the Highway Committee recommend to the Chamber's Board of Directors that the Board take action to help work out finances for the West Side Loop right-of-way. Motion carried.

The Committee again cited the need for elimination of traffic hazards, of better maintenance, particularly of non-paved streets.

The project of building some sort of sidewalk from Kurth Drive through the Negro City Park to Dunbar High School was again cited as needed.

INDUSTRIAL COMMITTEE MEETING
Minutes
February 25, 1957

Present:

Herman Taylor
Elbert Clark
Guy Croom
George H. Henderson
Jack Gorden
Dale Ballier
Jewell Hudgens
Robert P. Killion
Marvin Kreuter
Jeff Noble
Norman Norris
J. D. Perdue
D. V. Smith
R. B. Stroud
Herman Brown
A. E. Cudlipp, Jr.

Manager Herman Brown outlined the work being done on industrial prospects. He displayed copies of the new industrial information brochure which he stated was placed in the hands of industrial prospects.

The matter of Industry Week, scheduled for April 1-7, was discussed. It was stated that civic clubs and other groups would be sponsoring Industry Week programs.

The possibility of the Merchants Division sponsoring an Industry Appreciation Dinner was discussed. Chairman Taylor suggested that the Industrial Committee cooperate with the Merchants group in the holding of the dinner.

Motion was made by Guy Croom, seconded by R. B. Stroud, that the committee sponsor industry week activities. Motion carried.

The suggestion was made that school officials be asked to urge students to visit as many of the industries as possible. It was stated that generally speaking students elected to visit but a few of the more prominent industries. General opinion was that if visitors could be placed in almost all of the industries that much education and goodwill could be accomplished.

Herman Brown, manager, stated that the chamber was conducting the annual industry survey relative to payrolls, employment, growth and development and other information which would be used to show the great importance and impact of industry on the community.

Adjourn.

ANGELINA COUNTY CHAMBER OF COMMERCE
MERCHANTS DIVISION MEETING
Minutes
October 25, 1957

Present:

J. A. Brooks	Arch Durham	Hershel Dixon
Lee Frieson	Riley Haygood	Leo Dunkin
Jeff Noble	John D. Smith	G. M. Hudgens
Ralph Riley	Ned Barrett Sr	Herman Brown
Herman Taylor	Walter L. Phillips	R. C. Trimble
Earl Medford	Mrs. R. A. Kennedy	Elbert Clark
O. L. Hubbard	Mrs. Johnnie Crawford	J. R. Knight
J. C. Holliday	Mrs. Bertha Smith	Mrs. Ruth Messer
Kenneth Fullen	C. H. Brannen	Mrs. Dubie Lee Swan

Jeff Noble, chairman of the Merchants Division presided at the meeting.

Herman Brown, manager reviewed for the merchants the results of the customer opinion survey made by the Chamber Of Commerce. He also reported on the parking survey made in April. Merchants were urged to take advantage of the constructive suggestions made by those who replied to the questions asked in the survey questionnaire.

Motion was made by John Brooks, seconded by J. C. Holliday that the merchants urge the City Council to enforce the ordinance or create an ordinance if there was not at present an ordinance prohibiting the tacking of posters on poles in the downtown section of the City. Motion carried.

It was pointed out that the City Council was studying the possibility of establishing four streets for one-way traffic. North and South. Opinions were varied but most of the merchants seemed to favor the prospective move on the part of the City.

Motion was made by Walter Phillips, seconded by Hershel Dixon that the merchants ask that the City Council go ahead with plans to make a test of the one-way street traffic, but that the test be either started before the Christmas Holiday rush or after Christmas so that the new system and trial would not be started during conjested traffic. Motion carried.

Merchants in unanimous voice urged the City to make every possible effort to reduce the time that trains block the streets.

In discussions about the survey merchants also pointed out the unclean and unsightly conditions in the downtown area and of the blocking of traffic in alley ways by illegal parking.

Motion was made by Walter Phillips, seconded by Ned Barrett that November 29, at 10:00 a. m. be selected as the desired day for the Chridtmas Parade and further that in event the bands should mot be available on that date that the Chairman and the Manager make arrangements for an opening date for December 3, for an afternoon parade. Motion carried.

Merchants Division Meeting October 25, 1957

It was stated that civic clubs would decorate Christmas theme floats for a fee of $25.00 and place a business firm's name thereon. The following merchants agreed to sponsor such type floats: Noble Drug, Taylor Hardware, J. C. Penney Co., Beall Brothers, Goodrich Tire and Hemphill-Wells.

Adjourn.

Jeff Noble, Chairman

Herman Brown, Manager

Herman Brown

Herman Brown, Manager, presided in the absence of Chairman Kenneth Fullen. He stated that some members of the committee had called and asked that a meeting be held relative to store opening hours, that some stores were of the opinion that the group should go back to 8:30 a. m. for the store opening hour. He opened the meeting for discussion on this problem.

Ned Barrett who said he was speaking for John Brooks, John Miller and Mrs. Crawford related that this group would like very much to go back to the 8:30 a. m. opening hour and stated as a reason that one or two stores in competition to department stores in general were opening at 8:30 and that customers were coming to the stores wanting entrance before 9 o'clock. Mr. Barrett said that he liked the 9 a. m. opening but was of the opinion that the stores should not continue to remain closed as some of the group were not maintaining the 9 a. m. opening hour. The Chairman then asked each individual his opinion as to the store hours.

Motion was made by Ned Barrett, seconded by John Miller, that the department and specialty stores group set 8:30 a. m. as the store opening hour and that the group continue the 5 p. m. closing hour Monday through Saturday. When the vote was taken it was nine against the motion and seven for the motion.

After lengthy discussion on the merits of an early or later opening hour, the group adjourned in agreement to give the 9 a. m. opening store hour a further trial.

Adjourn.

Herman Brown

Herman Brown, Manager

ANGELINA COUNTY CHAMBER OF COMMERCE
MERCHANTS DIVISION MEETING
Minutes
February 27, 1957

Present:

Warren H. Cooper	John D. Smith	O. L. Hubbard
J. M. Warren	Kenneth Fullen	Archie Pinner
Leo Dunkin	Burton Riley	Curtis Swain
Ray Redd	Ned Barrett	Elbert Clark
J. D. Pearson	Howard Walker	Walter L. Phillips
Leeland Petty	Mrs. Johnnie Crawford	J. A.Brooks
J. B. Cauthen	Ernest Bartlett, Jr.	John Miller
Lyle Peden	Dell T. Balch	J. H. Singleton
Arch Durham	Mrs. R. A. Kennedy	Hershel Dixon
Dubie Lee Swann	R. R. Ellison	Glennie D. Thompson
Ralph Riley	Arthur Brooks, Jr.	Morris Hudgens
Herman Brown	Jeff Noble	

Herman Brown, manager, reported that several store group divisions had adopted store hours as follows:

Department & Specialty Store	9-5
Grocery Stores	8-6 Mon. thru Fri. 8-7 Sat.
Dry Cleaners	7-5:30 Mon. thru Fri. 7-5 Sat.
Auto Dealers	Close 1 p. m. Saturdays
Hardware & Furniture	(Unsettled)
Auto Accessory & Appliance	(Unsettled)

Lengthy discussion was had on Holidays. Some merchants present expressed the opinion that Memorial Day, May 30 should be observed instead of Veterans Day. Motion was made by Walter Phillips, seconded by John Brooks, that May 30 be substituted for Veterans Day and other holidays remain the same. This brought about lengthy discussion. Almost all merchants present voiced the opinion that if the group voted such a change, it could not be carried out as veterans organizations would circulate petitions for the observance of Veterans Day, November 11, and that merchants would sign the petition to close.

Finally, Walter Phillips withdrew his motion as did Mr. Brooks his second.

Motion was made by Elbert Clark, seconded by Burton Riley, and voted that the following Holidays be observed for 1957:

Thursday, July 4.....Independence Day
Monday, September 2.....Labor Day
Monday, November 11.....Veterans Day
Thursday, November 28.....Thanksgiving Day
Wednesday, December 25.....Christmas Day
Wednesday, January 1, 1958.....New Year's Day

Herman Brown gave a detailed outline of the Merchants Parking Lot situation stating that the Merchants had not supported the lot, that several merchants had not continued to pay for spaces as agreed and that the chamber stood to lose considerable money on the lot operation. He stated that based on the fact that only 36 of the 49 spaces were being leased that the chamber stood to lose $1,270 plus utilities.

Motion was made by Herman Taylor, seconded by Elbert Clark, that the Chairman appoint a committee of three men to try to work out some solution to the parking lot problem. Motion carried.

It was decided that the Merchants group would sponsor a Sales School to be conducted by the University of Texas on May 13-16.

It was decided that the Merchants Division would sponsor an "Industry Appreciation Dinner" on April 4 and invite representatives of all industries to be the guests at the meeting. Merchants would be requested to make ticket reservations for the dinner.

Solicitations were discussed. It was stated that the panhandling problem seemed to be greatly on the increase. Motion was made by Leeland Petty, seconded by Elbert Clark, that the Police Department, if it does not already have a policy of doing so, investigate and question out-of-town beggers and panhandlers. Motion carried.

The possibility of holding the Salesmen's Dinner for a second year was discussed. All merchants thought the meeting held in 1956 was excellent and should be repeated. Motion was made by Burton Riley, seconded by John Smith, that the Salesmen Dinner be held, possibly in May, and that the chairman be authorized to name a committee.

It was stated that letters were being mailed to clubs and organizations warning them of fraudulent schemes and promotions and for the clubs to urge that their members check with the chamber of commerce before taking on promotions.

Adjourn.

Present:

R. D. Warren
Jack Flecthner
Ulen Medford
Lynn Metteauer
Ralph New
Pete Sumners
Herman Brown

R. D. Warren, chairman, presided.

Herman Brown, manager, explained that soon a general merchants meeting would be held at which time it would be advocated that the merchants give an appreciation dinner for the industries of Lufkin and Angelina County. He urged that the auto dealers support the proposal and attend the meeting.

Explanation was made of the holidays likely to be observed during the year. The committee decided to remain open on January 1, 1958, but to close the four other holidays as observed by the merchants and business firms of the city.

The matter of closing at noon was discussed. General opinion of those present was that all dealers would benefit by a noon or 1:00 p. m. closing on Saturday. The matter was held over until dealers who were not present could be contacted after which the group would meet again on Monday, February 25.

Adjourn.

Present:

John D. Smith
Henry Galipp
Charles Hatcher
R. R. Ellison
Ray Redd
Wood Spears
O. L. Hubbard
Herman Brown

John D. Smith, Chairman, presided.

Store hours for the grocery and food stores were discussed. General opinion was that the stores should open at 8 a. m. and close at 6 p. m. six days each week. It was explained that with many of the downtown stores closing at 5 p. m., employees would be given an hour to do shopping after work hours.

The group went on record as desiring a 6 p. m. closing on Saturday. Mr. Hatcher of Safeway Store related that he would have to check with company officials relative to the store hours. Committeemen present agreed that if the Safeway people could not agree on a 6 p. m. closing for Saturday that the group would accept a 7 p.m. closing on Saturdays.

Mr. Smith, Chairman, stated that he would contact other stores about the store hours.

It was agreed that the new hours would be put into effect two weeks after final agreement had been made on hours.

Monroe Waak
W. R. Haygood
G. M. Hudgens
Robert Knight
W. H. Johnston
Hershel Dixon
Roy Applewhite
Charles Brannen
J. C. Holliday
Bill Lewis
Earl Medford
Joe McClendon
Herman Taylor
J. M. Warren
Hoyet Williams
Herman Brown

Hershel Dixon, chairman of the Hardware and Furniture group, presided at the meeting.

Herman Brown related that the hours of 8 a. m. to 5 p. m. for six days a week had been proposed as the store hours for the group.

The problem of store hours was discussed. Earl Medford related that he was for the hours but that the matter would have to be taken up with his partner. Joe McClendon stated that the suggested hours were agreeable but that the matter would have to be taken up with his business associate.

Motion was made by Herman Taylor, seconded by Charles Brannen, that the stores set 8 a. m. to 5 p. m. Mondays through Saturdays as the hours to open for business.

It was stated that stores not represented at the meeting would be contacted. Representatives of Abney-Medford Hardware and McClendon-Abney Hardware stated that they would contact their partners and give the chairman decisions on whether or not they would agree to the hours as voted by a majority of the merchants, and with these two in agreement the Manager would be authorized to release a news story advising of the new hours.

Adjourn.

Herman Brown, Manager

Hershel Dixon, Chairman

Note: Following the meeting, contacts were made with Ray's Auto; Howard Walker, Sinclair; Pearson Furniture; Singleton-Bivin; Campbell's, all agreeing to observe the 8 a. m. to 5 p. m. hours.

Contact was made with Abney-Medford Hardware and McClendon-Abney Hardware. Each said that members of the firm would be coming to the store earlier than 8 a. m. but that they would close the door and not open until 8 a. m. with the exception that if someone knocked on the door and wanted admittance, that they would open the door and admit them to the store.

CITY-COUNTY AFFAIRS COMMITTEE
Minutes
February 18, 1957

Present: 100%

O. L. Finley
J. A. Barge, Sr.
O. L. Hubbard
Earl Medford
Joe Stegall
Howard Walker
R. D. Warren
J. F. Burris
Herman Brown

Chairman O. L. Finley presided at the meeting.

Chamber President, who met with the group, explained the nature of the committee's work. He advised that the committee would not have any particular project to sponsor but rather asked that the committee make contact with the members of the Commissioners Court and the City Council and confer with the groups from time to time on important issues wherein the thinking and counsel of business men should be considered; to back the governmental groups on issues designed to make for a progressive county and city; and to counsel with the government groups in issues, projects, finances and matters which other citizens or chamber of commerce committees might consider important to the welfare of the city or county.

It was also stated that while the committee as such would not advocate any slate of officials or candidates that the work of the committee should be to serve as a coordinating committee between business people and the elected government heads to speak out on every occasion for a program to upgrade the governments to such an extent that more capable citizens would be attracted to giving of their time to serve as public servants for the county and the city.

The approaching City Election was discussed. General opinion was that a citizens committee should be organized to secure capable leaders to run for the office of Mayor and for places on the City Council.

It was decided that sometime after the first of April, that the committee entertain the members of the County Commissioners Court and the membership of the City Council at an informal dinner and offer to the groups the cooperation, assistance and help of the committee.

Adjourn.

MEMORANDUM TO COMMITTEEMEN
AND WORKERS--ANGELINA COUNTY JUNIOR LIVESTOCK SHOW

The attached minutes of the Agriculture Committee meeting held February 11 are self-explanatory. You note that committee chairmen have been named. These chairmen will select other committeemen and report them to me or to Herman Brown at the chamber of commerce.

FFA and 4-H instructors will note the exhibit divisions and classes approved by the committee.

Start to work now to make the "Junior Livestock Show" April 25 a gigantic event.

-----M. F. WICHMAN

- -

Minutes
AGRICULTURE COMMITTEE
February 11, 1958

Present: M. F. Wichman, Herman Bate, Johnny Childers, Chester Davis, Jack Gorden, O. L. Hubbard, Roy Hurst, Bobby McCurry, Dr. S. T. Neubert, Robert Poland, Dr. Roy Saunders, Dr. Joe Z. Tower, Herman Brown

M. F. Wichman, chairman, presided at the meeting. He outlined the possibilities for the 4-H and FFA livestock and project show. He stated that the committee should make the event a big one, that the Sheriff's Posse had offered use of the arena and would work with those promoting the show. He further suggested that a night entertainment be presented for the one-day show.

It was decided that April 25 be set as the date for the show.

It was decided that a white division and a negro division show be held, that FFA and 4-H Boys of Angelina County be eligible to participate in the show.

Motion was made by Dr. Joe Z. Tower, seconded by Herman Bate, that a Steering Committee composed of M. F. Wichman, chairman, O. L. Hubbard, J. F. Burris, James Horton, Dexter Satterwhite, Robert Pouland and Chester Davis be approved. Motion carried.

Motion was made by Herman Bate, seconded by Chester Davis, that the chairman name sub-committee chairmen for the various tasks of promoting and staging the show. Motion carried: Sub-Committee Chairmen were named as follows: Exhibits Committee, James Horton; Judges Committee, Bobby McCurry; Awards Committee, Dexter Satterwhite; Concessions Committee, to be named; Grounds Committee, Robert Pouland; Parade Committee, O. L. Hubbard and Leon Jones; Program and Special Events Committee, Herman Brown; Ticket Sales and Attendance, Herman Bate; Publicity Committee, A. E. Cudlipp, Jr.; Parking and Traffic Committee, Johnny Childers.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

Mr. Wichman stated that each chairman should select at least two committeemen, and in some cases more than two to help carry on the work of the committee.

Other decisions made by the committee included:

The show would be named the Angelina County Junior Livestock Show.

A charge of 25¢ and 50¢ would be made for admission to the night entertainment show and contests.

Exhibit classes will include broilers, laying hens, beef cattle, male; beef cattle, female; dairy cattle, male; dairy cattle, female; swine show to include boars, sows, gilts, barrows and sow and litter.

Boys would be eligible to show only animals personally belonging to the boy.

An open class or Exhibition Class for cattlemen of the county would be arranged but as a non-competitive group.

Exhibits Committee will work out details of rules and regulations.

Animals entered into the show will be required to remain at the show grounds until a time set by the committee on Friday evening so that spectators for the night show would see the exhibits.

A parade of champions would be conducted in the arena at the night show.

Service Clubs would definitely be requested to have responsibilities in connection with the show.

Herman Brown reported to the committee that additional funds were needed at the local agriculture experiment station, that efforts were being made to secure additional funds.

Adjourn.

	W. F. Prince	Hilton Quine
	Horace Stubblefield	

Chairman W. C. Book presided at the meeting. He related that the committee should discuss two matters of business. First, the cooperation with the Aviation Association in sponsoring the Angelina County Aviation Day show to be held at the county airport on July 4; and second, the airport improvement project and the building of an all wood terminal administration building. It was explained that the Aviation Association had named Mr. Pitser Garrison as general chairman of the day's activities. It was also decided that an executive and steering committee for the activities should be composed of Pete Rogers, J. A. Burke, Ray Fisher, Carnes Manning and W. L. Moore. Other committee heads which had already been named by the Association were announced as follows: C. E. Carroll, publicity and program; Dr. D. L. Dennis, transportation and traffic; Henry Rogers, grounds and safety; David Boles, concession; Judge Eddie McFarland, ceremonies. It was stated that the county commissioners should be asked to serve as the grounds committee.

It was stated that arrangements were in the process of being made to have the following: sky writing and acrobatics by the Farm Air Service, Nome, Texas. Air Force Band, Prison Band, 35 airplanes, 15 helicopters, 2 parachute jumps (A&M Jump Team), Trans Texas Presidential airplane for local courtesy flight, air force jets. Claude Smithhart was asked to work up a publicity folder. The chamber of commerce was requested to make contacts with civic groups relative to assisting with concession stands.

It was explained that preliminary designs had been made for the building of an all wood terminal administrative building. Such building would include CAA facilities of at least 600 square feet. It was further explained that the wood terminal building had been discussed with the Texas Lumber Manufacturers Association and that local lumber people had made contact with Southern Pine Association looking towards the possibility of receiving nation-wide publicity on a modern, all wood terminal. County Judge McFarland explained that more details about the terminal possibilities would be announced later, as application was being made to the Civil Aeronautics Association.

It was also announced that the Aviation Association was making arrangements to have some Lufkin citizen to receive flight training throughout the day and the making of a solo flight as a result of the flight training. It was further announced that the individual toreceive the training would be a "mystery" student and the flight training would be carried on as a feature of the July 4 celebration.

- Adjourn.

Beautification Committee September 30, 1958

Herman Brown, Manager, Mrs. Knox Bunch, Chairman of the Beautification committee and Mrs. Milton Smith, committee member, met Tuesday evening, September 30, at Brandon School with Negro Chamber of Commerce leaders and residents of the block surrounded by Highland, Fair, Weaver, and Keltys streets for the purpose of organizing a block beautification demonstration.

J. D. House was named chairman for the cleanup day activities. Mrs. Elnora Conner was named Co-Chairman. Saturday morning, October 11, was set as the cleanup day date.

Residents of the block were requested to clean up their resident property, street fronts, back lots and make the block a demonstration on what could be done in beautification.

Mrs. Bunch advised that Garden Club women would share plants and San Augustine grass with the residents for the work day.

It was stated that the city street department had already done some work in improving the street.

It was decided that the work day for the project start at 7 a. m. It was also decided that should it be raining that the following Saturday, October 18, be set as the cleanup day for the block .

Residents present were:

Elnora Conner
Earnie May Spencer
Mrs. Rosa Lee Owens
Mossie Mathus
Nettie Mae Ferguson
M. E. Lyons
Sirvator House
J. D. House
John W. Bradford
Savanah Bradford
Mrs. Ruth S. Washington

Minutes
BEAUTIFICATION COMMITTEE
February 26, 1958

Present: Mrs. J. K. Bunch
Mrs. J. A. Anderson
Mrs. Ned Barrett, Jr.
Mrs. H. C. Billingsley
Mrs. Eugene Ford
Miss Aurelia Hopper
Mrs. Parker McVicker
Mrs. R. C. Musslewhite
Mrs. Reagan Parker
Mrs. Milton Smith
Edward Trout
Bert Lively
Herman Brown

Mrs. Knox Bunch presided at the meeting.

Chamber of Commerce President Edward Trout spoke briefly about the Ellen Trout City Park. He asked that the committee request the city council to stop "garbage dumping" in the park and lake area. Mr. Trout was informed that the matter was on the committee's agenda and thataction would be taken. Mr. Bert Lively told the committee that some pulpwood would be sold off the park area and the funds for improving the park.

The committee then adopted the suggestion that the city council be contacted and be urged to take necessary continued action to stop the dumping practice.

It was suggested, that in an effort to get more clean-up done in the negro section of town, the committee consider selecting a specific neighborhood block and encourage residents of the block to beautify and clean-up as an example. It was stated that the negro chamber of commerce would aid in the selection of the block. Mrs. Parker McVicker, Mrs. Milton Smith and Miss Aurelia Hopper were named as a committee to work on the project.

The committee again advocated that City and Negro City Parks be re-sodded and grass planted for improvement.

The committee took a stand that business firms and the city should work together to clean up alleyways and areas at the rear of store buildings. Many cases of stores failing to keep trash cleaned up was cited.

The committee reaffirmed its stand that city officials and merchants should work out ways and means to improve the trash can situation as it exists in front of the stores. Possible solutions to the problem were listed as: (1) Move as many of the receptacles as possible to an alley location or to rear of buildings; (2) Purchase large push-in lid type container with galvanized "inside" container jacket which could be removed by sanitary department workers and dumped in truck.

The committee endorsed the Federated Garden Clubs project to plant flowers and beautify the Memorial Library grounds. Mrs. R. C. Musslewhite was named to represent the committee for any conference with the city on maintenance.

The committee will also ask that Garden Clubs cooperate by selecting other specific beautification projects.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

Enforcement of the "covered garbage" can ordinance and possible elimination of 55-gal. drum-type trash cans in residential sections was taken as a major project.

It was decided that the committee would ask permission to present its recommendations to the city council on March 4.

Adjourn.

Minutes
Civic Affairs Committee
May 28, 1958

Present:

Elwyn Gipson
Edwin T. Arnold
Al E. Cudlipp, Jr.
Lee Friesen
Pitser Garrison
Dr. Juan E. Martin
Reagan Parker
John D. Smith
Herman Brown

Chairman Elwyn Gipson presided at the meeting.

The matter of keeping the zoning ordinances was discussed. Mayor Parker stated that new zoning ordinances were being prepared. He also stated that the City Council was advocating that a City Planning Commission be established and further that he, the Mayor, was to name a study committee, on the Planning Commission proposed. Mr. Parker stated that he had already requested Manager Herman Brown to suggest the names of two men for consideration as possible committeemen on the study group. It was stated that the names suggested were Mr. Karl Cook and Mr. Jack Klein.

Motion was made by Lee Friesen, seconded by A. E. Cudlipp, Jr., that the Civic Affairs Committee endorse the city's proposal that a permanent City Planning Commission be established and endorse also the names as suggested. Motion carried.

Possibility of the establishment of a County Health Unit or possibly a City-County Health unit was discussed. Some were of the opinion that such a unit might coordinate the work of some of the health agencies. Others were of the opinion that a health unity might not be needed.

Manager Herman Brown was instructed to secure more detailed information about such a unit for presentation to committeement at a later date.

The committee discussed the need for a more adequate home for elderly people. Opinion was expressed that a good home with proper facilities and operated by experienced and capable personnel would secure many residents who would pay their way for residence in such a home. Dr. Martin stated that he had recently had a talk with some individual from Fort Worth who was interested in establishing such a home to be privately owned and operated.

The committee cited the need for such a home possibly privately owned but one which would have the support and backing of the community leaders and civic organizations.

Herman Brown related the beautification committee's program on removal of uncovered garbage cans, cleaning up downtown sections of the city, making streets and other areas more beautiful and of a possible special one block project in the colored section on a clean-up campaign as an example block. He and chairman Gipson urged the committee to support on every hand by word of mouth and civic support all efforts to make Lufkin a better city and one with more civic pride.

It was decided to hold the reception at 9:45 a. m. Tuesday, August 26, at Senior High School cafeteria. Superintendent, J. A. Anderson, stated that Lufkin Schools would have the initial workshop session at 8:30 a. m. for the white teachers and 2 p. m. for the negro schools.

W. C. Royle was named to arrange for coffee, soft drinks, doughnuts and cookies. Manager Herman Brown, was asked to arrange for some sort of small favor to be given to teachers.

Ed Arnold was requested to secure some special entertainment.

It was decided that special introductions would be given to new teachers.

Though teachers of other schools in the county would not be scheduled to be in session, the committee decided to issue public invitation to attend the reception.

The holding of Industry -- Business --- Education Day was discussed. March, 1959, was set as the month for the event, date to be set later. The general plan discussed was to tour teachers through industries in the morning and to business firms in the afternoon.

Announcement was made that the District 8 Texas State Teachers Convention would be held in Lufkin, on March 12th, 13th, 14th. Supt. J. A. Anderson, stated that a Pre-convention House of Delegates dinner would be held on March 12.

It was stated that the Education Committee would need to join the Goodwill and Conventions Committee and school personnel to make the convention a success.

The need to stress scholarship and the recognition of excellent academic students was discussed. Committeemen were asked to give some thought to ways and means of giving special recognition to outstanding students, possibly at a dinner or by special awards.

Herman Brown presided in the absence of Chairman Earl Medford who was ill.

Education-Business Day in the schools and annual county-wide reception for teachers was discussed.

Motion that Education-Business Day be held February 28 was made by Lee Friesen, seconded by A. E. Cudlipp, Jr. Motion carried.

It was decided that business people would be requested to meet at the Senior High School Cafeteria at 12:00 noon, eat lunch and then be assigned various schools to visit and "sit in" for a class period.

It was suggested that business firm managers or owners attend or agree to have a representative at the E-B Day event.

Ways and means to get participation included: 1. Ask service clubs to send a minimum of ten members; 2. Merchants and business firms register number to attend; 3. Announcement at PTA meetings; 4. Newspaper and television and radio publicity.

The annual teacher reception was discussed. It was suggested that August 25 be set as the date for the reception, that Chairman Medford be authorized to name, as soon as possible, a 3-member committee to study possibilities of making a big night event of the teachers reception to possibly be held at Hotel or Cafeteria. The manager was asked to ask Mr. Medford to name the committee.

It was decided that the committee consider a fall Business-Education Day in the form of a special tour - for teachers - to industries of the county.

FORESTRY COMMITTEE
Angelina County Chamber of Commerce
September 2, 1958

Present: E. R. Wagoner, Kenneth Burton, J. Shirley Daniel, Art Lehman, Jack Mims, Kenneth Nelson, Harvey Sprott, M. F. Wichman, and Herman Brown.

Chairman Ed Wagoner presided at the meeting. He urged completion of "350th Anniversary" plans for the forest and wood products industries, scheduled for September 8-15.

J. Shirley Daniel stated arrangements would be complete for Ed Wagoner and Jack Mims to make short talks on the anniversary at the civic clubs.

Chairman Wagoner stated that a committee would appear on KTRE-TV at 6:15 Tuesday, September 9.

Kenneth Nelson and Art Lehman were asked to check further into possibilities for "open house" arrangements at some of the industries.

It was decided that $50.00 which was being furnished by the Texas Forestry Association be used to purchase walking canes to give to civic club members as a means to further advertise the observance.

Jack Mims and Kenneth Burton were furnished witha list of stores where wood products industries would be exhibited. The committeemen assigned wood products firms to the stores. Manager Herman Brown was asked to notify the firms.

Chairman Wagoner stated that arrangements were made for a special picture and section of publicity would be published in the Lufkin Daily News and that he and Herman Brown would follow up.

It was announced that arrangements were made to have truck exhibits on three sides of the Court House Square on Saturday, September 13 to conclude the week's observance.

MINUTES
FORESTRY COMMITTEE
ANGELINA COUNTY CHAMBER OF COMMERCE
Lufkin, Texas
March 5, 1958

Present: Shirley Daniel, Harvey Sprott, M. L. Wilkinson, George H. Henderson, K. L. Burton, Major H. A. Maas, Jack Mims, Herman Brown, and Ed Wagoner.

The Forestry Committee meeting was called to order in the Angelina County Chamber of Commerce office at 10:00 A. M., March 5, 1958, by Chairman E. R. Wagoner. Numerous ways to observe the 350th anniversary of the lumber and wood industries were discussed. These included the use of exhibits, a television program, civic club programs, local proclamations, a special newspaper section, and open house at local mills.

Harvey Sprott, Kenneth Burton and Jack Mims were appointed on a special sub-committee to handle exhibit arrangements. Use should be made of Texas Forest Service, Southern Pulpwood Conservation Assn., exhibits and forest products. Exhibits could be displayed in the window of the Angelina County Chamber of Commerce, store windows, bank and hotel lobbies. Special cards or signs will be printed for displaying with the exhibits, calling attention to the 350th anniversary of the lumber and wood using industry. Exhibits should be rotated, or moved, every week if possible, and at least every two weeks for the remainder of 1958.

The time on KTRE-TV, At Your Service, has been reserved for the Angelina County Chamber of Commerce Forestry committee on September 9th. Mr. W. R. Beaumier has tentatively agreed to give special recognition to the observance of the 350th anniversary, possibly by a special section. A television program sub-committee was composed of George H. Henderson, Hays Smith, Herman Brown, and Ed Wagoner.

The committee felt that it would be desirable to concentrate anniversary efforts during the week of September 8 - 13. Judge Eddie McFarland and Mayor Reagan Parker will be asked to proclaim the week as Lumber and Wood Industry Anniversary Week.

Shirley Daniel was asked to assist with special programs for the civic clubs. Kenneth Nelson and Major H. A. Maas, Sr., were appointed on a special sub-committee in charge of open house activities.

The committee opposed holding a forestry field day in 1958. Vocational agriculture students, other youth groups and interested individuals will be urged to attend the annual field day at the Experimental Forest of the U. S. Forest Service near Nacogdoches. Members of the Forestry Committee were urged to attend.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

Due to the scarcity of foresters, the committee agreed to offer career guidance to any Angelina County high school students interested in studying forestry as a career.

Because of the extreme forest fire hazard associated with the careless disposal of trash and litter, the committee agreed to help in any way possible to eliminate the litter problem.

It was suggested that Ted Maberry be asked to make some contacts to oil companies about the possibility of furnishing litter bags.

At the suggestion of J. Shirley Daniel, the committee voted to recommend to the chamber's Board of Directors that a resolution be adopted which pointed out and cited the great need for agricultural instructors in the public schools who have had college courses in Forestry and further the board recommend and advocate that Texas Colleges teaching agriculture have forestry as a requirement in the agriculture course rather than just as an elective course.

An announcement was made regarding the Wood Products Division of the Texas Safety Association Meeting in Dallas on March 18, in cooperation with the Texas Lumber Manufacturers Association.

Adjourn.

Minutes
GOODWILL & CONVENTIONS COMMITTEE
March 12, 1958

Present:

Pat McCann	Marvin Kreuter	Pat Scoggins
W. G. Adams	I. G. Long	Jim Waters
Wayne Bell	Tommie Massingill	Herman Brown
W. T. Grace	Byron McNeil	Al Cudlipp, Jr.

Chairman Pat McCann presided at the meeting. It was stated that the chamber wanted to bid on the 1959 Convention for the East Texas Chamber of Commerce scheduled for April 11-12.

The committee decided to sponsor an all-expense bus at $20.00 per person to include bus transportation, hotel room, banquet ticket and luncheon ticket and funds for campaign expenses in getting the convention such as reception, music, special printing, canes etc. The committee agreed to work toward getting a delegation to fill a 37-passenger bus.

It was stated that letters would be written in advance to the seventy-two directors of the East Texas Chamber of Commerce.

A short discussion was had on the possibility of securing a permanent home auditorium for the Neches Valley Singing Convention comprising Louisiana and East Texas regions. The Manager was instructed to check into the land possibilities and ascertain the convention's fund raising possibilities for the proposed building. It was stated that should the group be able to finance the building that the community might be able to furnish the site for the building.

Adjourn.

Minutes
HIGHWAY AND ROADS COMMITTEE
February 21, 1958

Present:	J. B. Perry, Jr.	Milton Smith
	R. A. Corbett, Sr.	R. B. Stroud
	M. G. Kreuter	Herman Taylor
	Ulen Medford	Clyde Thompson
	J. B. Perry, Sr.	Howard Walker
	Herman Brown	
Absent:	W. R. Beaumier	H. J. Shands, Sr.
	Fred Hutson	B. M. E. Smith
	Reagan Parker	R. W. Wortham

J. B. Perry, Jr., Chairman, presided atthe meeting. Various projects were discussed.

The committee declared the widening of North Raguet Street and widening of East ~~Raguet~~ Denman Street as the No. 1 street improvement project. It was stated that the city officials were working on a city-property owner project to widen North Raguet from Abney to city limits.

Committeemen were advised that the city was progressing on the South First widening project, that only one or two pieces of right-of-way property remained to be secured. The committee urged as early a completion as possible of South First Street.

Committeemen voted to urge the paving of Chestnut from East Lufkin Avenue to East Dozier and the paving of Sayers Street from Leach to Kurth Drive.

Motion was made by Howard Walker, seconded by Milton Smith, that the committee request County Commissioners to speed up program to secure right-of-way for the West Side Loop and further that the chairman appoint a sub-committee of three members to discuss the matter with County Judge Eddie McFarland. Motion carried.

City officials were commended upon the installation of the traffic control set-up and island at intersection of Angelina, North Raguet and West Denman Streets, which had been advocated by committee for two or three years.

Committeemen reiterated the need for a traffic control at North First and Laurel Streets.

Cited need eliminating sharp curves at intersections with heavy traffic. Specifically, widening the curve on Burke Street at end of Lufkin Foundry building was termed to be greatly needed at the present time.

Railroad crossing problem was discussed. It was decided that city officials be requested to demand that railroads keep crossings in better state of repair.

The committee also recommended a program of planning and study on possibilities of a railroad underpass near the business section. The aid of the local chapter of the Society of Professional Engineers in studying a feasible location for an underpass, and also to study the possibility of shifting major switching tracks to the north section of town.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

A better street maintenance program by the city was advocated, particularly the grading and smoothing of dirt streets more frequently. They cited many instances where barpits and drainage ditches needed opening and dirt and sand cleaned of unpaved streets.

On long range programs the committee reiterated the need for definite improvement planning on East Paul Street from East Second Street to the east section of the city, and on East Dozier from downtown to Timberland Drive. It was explained that East Paul, from Timberland east, could well help to relieve traffic from the paper mill, as an alternate route.

Long-range planning for a crosstown thoroughfare connecting the West side of town to the South and East sections of town was advocated.

The installation of an "alternate route" marker to downtown section to be located at the Northwest "Y" on 69 was recommended.

Adjourn.

Minutes

INDUSTRIAL DEVELOPMENT COMMITTEE

August 22, 1958

Present: Geo. H. Henderson, Chairman, W. R. Beaumier, J. F. Burris, Elbert Clark, Pat McCann, Virgil Moon, J. B. Perry, Jr., R. B. Stroud, Herman Taylor and Herman Brown.

Absent: Pitser Garrison, who was out of town.

Herman Brown, Manager, reported that request had been made for industrial site acreage for a candy factory plant for Atkinson Candy Company. It was stated that Temple Associates were negotiating with Mr. Atkinson relative to the building of a building 80' X 250'. Request was made for at least a 200 ft. frontage strip of chamber owned land located on Highway 94, adjacent to the Pluss-Tex Processing Plant.

Manager Herman Brown stated that because of a pipeline crossing the property diagonally, it would probably be better for all of the 5 acre tract to be offered to the candy manufacturer. It was stated that $1,000 per acre had been mentioned as a probable price. It was further stated that the land could not be replaced for less than $1250 to $1500 per acre.

Committeemen were of the opinion that the chamber should especially cooperate with local industries on site and other problems.

Motion was made by Elbert Clark, seconded by Pat McCann, that the committee recommend to the Board that the 5 acre tract adjacent to Pluss-Tex Poultry Processing Plant be offered to Atkinson Candy Company for a factory site at a price of $1,000 per acre, with the understanding that all of the 5 acre tract extending from Highway 94 to TSE Railroad be taken by Atkinson Candy Company. Motion unanimously carried.

Manager Herman Brown was asked to inform Atkinson Candy Company and Temple Associates of the committee's action.

Adjourn.

Chairman Ottis Locke presided at the meeting. He named various study groups for major national and congressional issues.

Round-table discussion was had on ways and means to get local business executives to voice their opinions to congress.

Study groups were asked to make recommendations to the committee issues involved. It was stated that a legislative bulletin would be issued from time to time to alert the membership and the Congressional Action Committee for letter writing.

Chairman Locke stated that hearings in Washington on major issues would soon be held and committeemen were asked to carefully check the information sent them by the U. S. Chamber of Commerce.

It was pointed out that the local governments were suffering because so much taxes were being taken by the federal government.

Extreme liberal legislation on college scholarships were mentioned.

Announcement was made that the committee would meet upon call by the chairman.

Adjourn.

R. B. Stroud
Herman Taylor
Herman Brown

Absent:

Elbert Clark

George H. Henderson, chairman, presided at the meeting. It was explained that members of the committee should become well informed on specific information about our community. It was decided that individual assignments would be as follows:

George Henderson, Chairman
Pitser Garrison, Vice Chairman
Financing-- J. F. Burris
Labor Information -- W. R. Beaumier
Sites -- Pat McCann, Pitser Garrison
Utilities -- R. B. Stroud
Insurance Rates -- Herman Taylor, Elbert Clark
Transportation -- Virgil Moon
Local Government -- J. B. Perry, Jr.

Manager Herman Brown displayed aerial photograph map sections of the Lufkin area which will be used by the sites committee in working with industrial prospects. Maps showing utilities were also shown. It was stated that upon completion of new city maps the Chamber would also have water and sewer system maps reproduced for committee use.

The necessity of securing additional site land was discussed. It was decided that a definite price should be secured from City of Lufkin on old Airport property so that the 75-90 acre tract could be developed for industry. The sites members of the committee were asked to investigate possibilities of securing options on several tracts of land which might be suitable for industry locations.

Industrial Brochures containing information about Lufkin and Angelina County were given to each member of the committee.

Chairman Henderson stated advance notice would be given before the next meeting of the committee.

Minutes
Merchants Meeting
September 25, 1958

Present:	John D. Smith, Chairman	Gary Eaves
	Herman Brown	John D. Miller
	Elbert Clark	H. W. Simpson
	Riley Haygood	Mrs. R. A. Kennedy
	R. R. Ellison	Mrs. Johnnie Crawford
	O. L. Hubbard	John H. Aven
	Ralph New	Arthur Brooks
	Jack Newbill	C. E. Nisbet
	B. E. Atkinson	Herman Taylor

Chairman Smith presided at the meeting. He stated that the group should set the date for the Christmas Season opening and for the Christmas Parade. After considerable discussion, motion was made by H. W. Simpson, seconded by Elbert Clark that the parade be held at 2 p. m. Friday, November 28th. Motion carried.

Herman Brown related that an order had not been placed for new aluminum foil garland material for the street streamers. It was estimated that about $1,000.00 would be the cost of replacing the foil which had been purchased in 1951. Motion was made by Herman Taylor, seconded by C. E. Nisbet that new foil be purchased and that Merchants be requested for funds to pay for new material. Motion carried.

Upon motion made by Elbert Clark, seconded by John Miller, store closing hours were set at 6 p. m. for Saturday, December 20, and on Monday Tuesday and Wednesday, December 22- 24, before Christmas. Motion carried.

Sponsorship of morning kiddie shows during Christmas season was discussed. Merchants were not in favor of sponsoring the shows.

Herman Brown, Manager urged merchants to use Community Chest advertising cuts in their merchandising advertisments.

Adjourn.

MINUTES MERCHANTS DIVISION COMMITTEES
Angelina County Chamber of Commerce
2:30 p. m., February 25, 1958

PRESENT: W. C. Royle, Monroe Waak, R. R. Ellison, John D. Smith, M. E. Traylor, Miss Aurelia Hopper, Charles H. Hatcher, Charles Brannen, H. A. Taylor, Windell Roberts, A. T. Nelson, Jeff Noble, Wood Spears, Mrs. R. A. Kennedy, Mrs. Johnnie Crawford, Elliot Cavanaugh, Walter L. Phillips, Leo Dunkin, Frank Aydelotte, Jr., R. C. Trimble, J. R. Rutland, Ralph Riley, Jim Roper, Reagan Bowman, J. C. Newbill, Harry Castleberry, Jim Waters, Gary Eaves, Howard Walker, Earl Medford, J. C. Holliday, Elmarie Meadows, Bryan McNeil, Woodrow Scott, Herman Brown, W. G. Adams, Tommie Massingill, John Brooks.

John D. Smith, presided at the meeting.

The meeting was opened by the showing of a film produced by the U. S. Chamber of Commerce, "Main Street and the Minimum Wage."

The first order of business was a discussion of the holidays to be observed during the year. Motion was made by Walter Phillips, seconded by John Brooks that Memorial Day, May 30 be substituted for Veteran's Day, November 11;and Independence Day, July 4; Labor Day, September 1; Thamksgiving Day, November 27; Christmas Day, December 25 in 1958, and New Years Day January 1, 1959, be observed as the holidays in Lufkin, When put to a vote the motion received only five votes for the motion and about twenty votes against the motion.

Considerable discussion was had on the problem.

Motion was made by Howard Walker, seconded by J. C. Holliday that business firms in Lufkin observe both May 30 and November 11 as well as the other holidays usually observed. The motion was carried by a vote of 16 for and 13 against. Motion was then made by Walter Phillips, seconded by Elliott Cavanaugh that the vote for the adding of May 30 to the six other holidays namely July 4, September 1, November 11, November 27, December 25 in 1958, and January 1, 1959. Motion carried.

The manager was asked to advise the School officials of the holidays selected.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

Merchants present at the meeting stated that merchants on a city-wide basis should be asked to help with the decorations because the attractive decorations for Christmas Season helped all merchants and not just the local downtown retailers. It was decided that merchants city-wide should be contacted and requested to pay for the new materials and the yearly cost of hanging, installation, electricity, taking down and other expenses.

Adjourn.

Minutes
Department and Specialty Stores
May 6, 1958 10:00 a. m.

Present: Walter Phillips, Ned Barrett, John A. Brooks, Leo Dunkin, Gary Eaves, Kenneth Fullen, Mrs. Odessa Lehman, J. B. Perry, Jr., Miss Katherine Swan, Herman Brown.

Absent: Mrs. Arthur Bresie, Elliott Cavanaugh, Elbert Clark, Mrs. Johnnie Crawford, Mike Edelman, T. B. Gober, Mrs. J. B. Ireson, Ile Levy, Raymond Levy, Tommie Massingill, Mrs. Elmarie Meadows, John Miller, I. L. Miller, Byron McNeil, W. H. Pollard, H. E. RAins, O. P. Reynolds, Mrs. Roy Swan, Miss Glennie Dell Thompson, Mrs. Berl Atkins, Anthony Niosi, Joseph Tatum.

Chairman Walter Phillips presided at the meeting. He stated that some merchants wanted a recheck on the decision which had been made by the Merchants Division Committee earlier in the year that stores would be closed May 30, Memorial Day.

There was considerable discussion on the matter. Some expressed the opinion that since the closing had been announced and that the Merchants Division had already voted to close May 30, they thought plans should not be changed.

Others said definitely that the stores ought to stay open May 30.

It was explained that even at the present meeting there was but a small number of the committee present and a decision made would not reflect any real representation of the entire committee.

A vote was taken relative to the May 30 clising and the vote was six for staying open and five for closing.

The meeting was adjourned.

W. T. Grace
Jeff Noble
H. W. Simpson
Mike Millif
Herman Brown

Chairman Leeland Petty stated that he had called the committeemen together to hear a request from Mike Millif, chairman of the March of Dimes for Angelina County.

Mr. Millif requested that the firms which served coffee give coffee sale proceeds to the March of Dimes campaign for one day.

Those present agreed to cooperate with the campaign and selected Saturday, February 1 as the date to give coffee sales to the Polio Drive.

Mr. Petty stated that many of the committeemen were not present and further that many coffee serving firms were not members of the chamber of commerce but should be contacted by the Jaycee organization.

Adjourn.

Minutes
SPORTS COMMITTEE
Angelina County Chamber of Commerce
September 10, 1958

Present: Pitser Garrison, Lee Friesen, Riley Haygood, William Hines, R. A. Hunter, Buddy McKinney, Tommie Massingill, Burton Riley, Roy Rudd, H. H. Stanford, Robert Hutson and Herman Brown.

Chairman Pitser Garrison presided at the meeting. He recognized Coach Bill Sheffield, High School Principal Ben Harris, Superintendent J. A. Anderson and school business manager, Wilson McKewen, who had been invited to meet with the committee.

The purpose of the meeting was to discuss ways and means to create more fan interest in high school football and to create more interest on the part of high school boys to go out for football.

It was stated that because of more and more students having access to automobiles, a change in students' hangout places from downtown drug stores to drive-ins, a wider range of activities and interests, that football boys were not as well known to businessmen and fans as in former years.

It was also stated that the reactivation of the "B" team, for games, might create some renewed interest in football, as some boys not capable of making the varsity squad would actually get in some play.

Following full discussion, it was agreed that the following would be a good course of action:

(1) Have coaches to give the committee a list of boys who would be good team prospects and have businessmen talk to boys about going out for football.

(2) That the committee help to secure summer jobs for certain football boys.

(3) That special recognition and courtesies be extended to members of the football squad.

(4) That the committee consider sponsoring, before the start of the 1959 season, a pre-season football barbecue with players and dads to be guests.

(5) That for Friday, September 12, the committee and service clubs urge a lot of businessmen to attend the pep rally to be held at 10:00 a.m. at High School gymnasium.

Please try and be there.

Adjourn.

Minutes
Chamber of Commerce Sports Committee
September 4, 1958

Present: Pitser Garrison, Charles Hatcher, Buddy McKinney, R. L. Mitcham, Arthur Nelson, Burton Riley, Roy Rudd and Herman Brown.

Chairman Pitser Garrison presided at the meeting.

Manager Herman Brown issued a mimeographed report of the financial operations for the summer youth baseball program as administered by the Lufkin Youth Baseball Association. His report showed: Balance November 30, 1957, $390.98; Receipts, $8,552.11; Disbursements, $8,315.94; and a balance on hand as of September 4, 1958, of $627.15. He stated that $166.00, plus interest, had been paid to the Lufkin National Bank on the note, reducing the note to an even $2,000.

It was recommended that consideration be given to asking the City of Lufkin to take over the upkeep, repair and maintenance of the baseball parks and properties as a part of their parks system.

Mr. Brown also stated that several young adult independent baseball teams were in evidence and that one regulation sized playing field was not sufficient to handle all of the games and allow time for teams to practice.

Motion was made by Burton Riley, seconded by Roy Rudd, that the Sports Committee join the board of the Lufkin Youth Baseball Association in expressing thanks to the City of Lufkin for having furnished lights for the youth league summer games and further that the city be asked to consider the taking over of the parks, grandstands and physical properties and maintaining and keeping them as a part of the city parks system. Motion carried.

He stated that if the trend continued for older boys teams to keep organized, that another full-sized field would be required. The committee was told that a full and detailed report would be made to the Lufkin Youth Baseball Association board of directors.

Round table discussion was had on athletics in general. Football came in for the most of the discussion with committeemen citing the need for greater fan interest and a greater interest on the part of boys to play football. A number of opinions were expressed as to the reasons for a somewhat loss of interest and possible ways and means to be of help were discussed. It was decided that Chairman Garrison contact Superintendent J. A. Anderson and offer the services of the committee to help with the problem and, if Mr. Anderson and the coaches desired, offer to meet with them and discuss the problems which the coach had brought up in recent talks at service clubs.

It was also decided that in event Pete Runnels won the American League batting championship, that the committee would sponsor a sports dinner honoring him.

Adjourn.
