FOREWORD

It is the sincere desire of the staff of the Fang that this be an annual showing the activities of the 1954-1955 school year; designed not for one class, but for the entire student body of L.H.S.

Our Superintendent

and His Message

Dear Student Friends:

"Lufkin Panthers All the Way" has been our theme song this year and what happy events have been ours to share.

Cooperation, loyalty, and hard work have paid rich dividends and I know will have a carry over value into the future.

I trust that all of you in Lufkin High School this year have found enough learning to make you humble, enough friendship to make your life richer and fuller, enough culture to teach you simplicity, and enough wisdom to help you choose the right path and then follow it "all the way."

Sincerely,

Our Principal

and His Message

To Students of L. H. S.

You have heard it said, "time marches on." It may be added that the speed with which time marches on is ever increasing. We save time in everything we do. What do you do with the time you save? Do you use it or lose it? Your future depends upon your use of time, for all success is composed of the proper use of time, effort and money.

My wish for you is success in the measure you deserve for your efforts. Success is composed of a series of little successes. The time to begin is now.

Yours truly,

W. H. Keene
