ADMINISTRATION

SUPERINTENDENT — WILBER F. PATE

Through trying times, Mr. Pate has heard our whims; through busy times he has listened to our woes. He and administration work have long been associated. He has held this type of position for thirty years, fifteen spent in Diboll.

He began his career in a one-room school, serving as principal, teacher, janitor, etc. His fifteen year tenure at Diboll saw him in service as principal one year, superintendent the remaining fourteen. We like to think of that as a record, a record to be proud of.
