We started climbing the ladder toward completion of this year's annual and finally got to the top. Our goal was to tell a picture of activities and classes here at Hudson during this school year 1956-'57. We sincerely hope you enjoy your "Hornet" and that in future years it will give you many hours of fond memories.

THE STAFF

No one has ever done more for our school than our Superintendent and his wife. Their Christian leadership and constant work to make our school better has been an inspiration to us all.

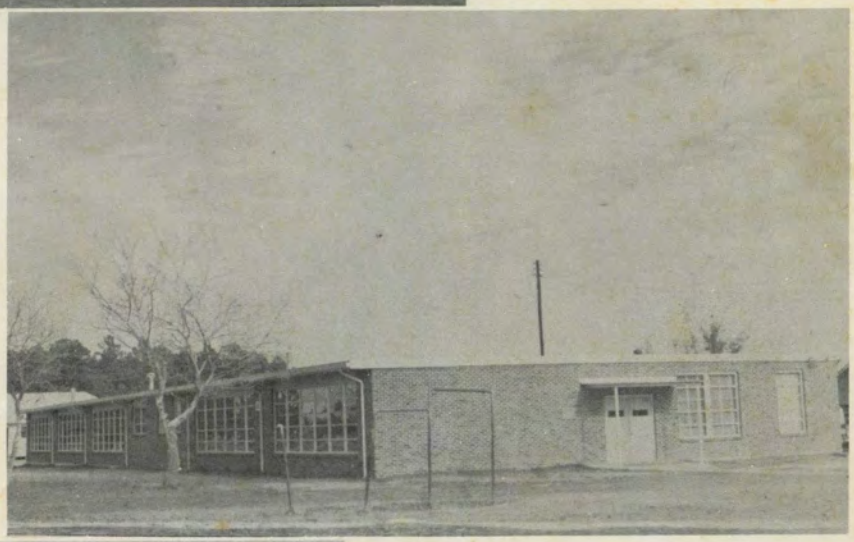

To show our appreciation for their devoted service, we gratefully dedicate our 1957 HORNET to Mr. and Mrs. W. R. Young.

HUDSON SCHOOL BOARD 1956–1957

Pictured above are School Board Members of the Hudson Independent School district for 1956-'57. They are, left to right, Ted Collins, Norman Ross, Arval Clark, O. C. Adkison, R. C. Fenley, W. G. Harbuck and Avery Lee.

Our school is indebted to them for the many improvements which have taken place on our campus. They are always ready to take steps which would increase the educational opportunities of students attending Hudson.

The students of Hudson would like to take this opportunity, through the yearbook, to thank them for their fine support of school program.

Supt. W. R. Young and Mrs. Young

Dear Students:

May I be the first to offer congratulations to the Annual Staff and to Mr. Harvey for this fine Annual that gives such a vivid picture of our school.

I can sincerely say that it is a joy to associate with you as a student body and with the faculty of our school. It is always my desire to provide each of you with the best that we can afford in order to make your stay here more profitable.

My greatest desire is that you have applied yourselves, and that you will continue to do so, to the extent that you will attain the greatest achievements possible both here at school and in the future.

I trust that each of you will always seek God's will for your life and then be happy and content in the paths He leads you.

Very Sincerely,

W. R. Young

T. M. Harvey, H.S. Prin.

Dear Students:

This has been a successful year at Hudson. And, that has been due to your good attitudes and willingness to work.

I feel proud to have been a part of this school year and to have been associated with each of you.

I sincerely urge each of you to continue your education, work hard, live by the golden rule, and you will lead a happy and fruitful life.

Sincerely,

T. M. Harvey

Verna Kitchens--An A plus student who is never satisfied unless she gives her best. Studying is her main interest, and her plans are to go to college next year.

Bobbie DuBose--She has been active in many phases of school life; a cheerleader, Buzz editor and FHA to name a few. She is an excellent student and a friend to all who know her.

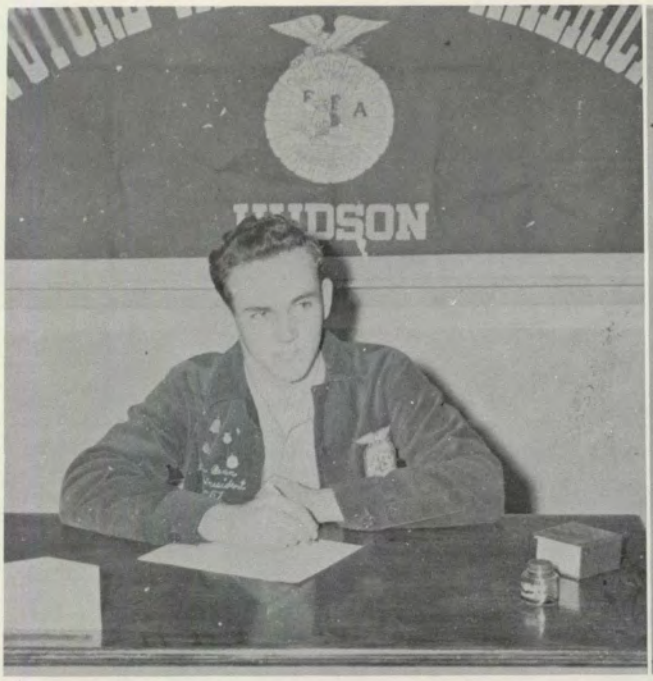

Jane Skelton--She likes to sing as you can guess from this picture of her. Also, she is a good student and always ready with a friendly smile.

Carole Poulan--A freshman who is in Hudson for the first time this year. She has been on the honor roll each six weeks this year.

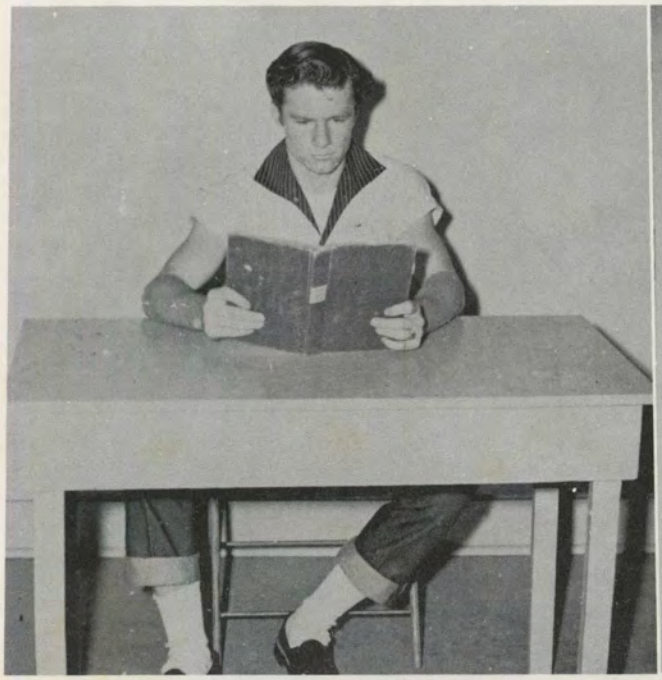

Copied from an original at The History Center 2023:003 www.TheHistoryCenterOnline.com

Billy Penn--FFA President of this area, Billy is shown working on his letter writing. He excells not only in FFA, but in speech and all phases of class work.

Royce Kendrick--A general favorite among the students, Royce will be missed at Hudson after this year. His good nature and reliability have made him a favorite here.

William Lee--Another A student, it is a well known fact that William likes to argue. No one could argue the fact that he is well liked here at Hudson.

Hal Kent Hill--If you don't want to laugh, stay away from this boy! Always joking and in a good humor, Kent is also an A student. He also plays basketball.
