DIBOLL LUMBERJACK BAND

TENSION THEN VICTORY

The afternoon was filled with excitement as bands were on and off the Liberty High School football field. Our band stood at attention waiting for the signal to declare our entrance onto the field. The whistle blew and with a thundering drum roll the Diboll Lumberjack Band was marching for a first division. As they marched, keeping alert to every command, the spirit of our school never seemed more real.

After they came from the field there was a tense waiting. The hour dragged by then the loud-speaker boomed that for the first time in their history the Diboll Band had won a First Division.

The D.H.S. Student Council was organized in the 1956-'57 school year. Its membership consists of a student elected president, the class president from each junior and senior high school class, and one council representative elected from each class.

Since small projects are initiated throughout the year, the council undertakes only one big activity yearly. Last year the group purchased large mirrors for each restroom; this year they supervised the purchase of a mailbox and storage unit for the reception office.

HOME EC. II GIRLS PREPARING FULL COURSE DINNER

The Diboll Chapter of the Future Homemakers of America went to Nacogdoches to their District C. Meeting. The area IX meeting was held in Lufkin this spring. The theme of the meeting was "F.H.A. This Is Your Life"

In the fall the girls attended the State Fair in Dallas and in the spring the Houston Fat Stock Show.

As a service project the girls provided stamped Christmas cards for the patients at Rusk State Hospital for their use at Christmas time. They also assisted the Future Nurses Club in making Easter favors for the hospital.

During F.H.A. Week, shrubbery and red roses, the F. H. A. flower, were planted on our campus.

From proceeds of various activities three complete sets of dishes were purchased by the Club for use in the Foods Lab.

JUNIOR RED CROSS

The Junior Red Cross has well served our school this year. Because of the fine spirit, our service was efficient as well as successful.

Our theme for the year was "Aid to the Public-Through Public Schools."

The highlight of our work was a trip made to the State Mental Hospital in Rusk. A well-planned program was presented there, and the results were successful.

We wish to thank everyone who furthered the interests of this organization, and especially our directors, Mrs. Sneed and Mr. Point.

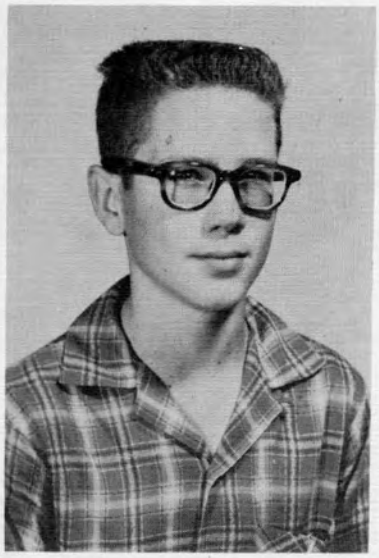

The Junior Red Cross hopes that Diboll High School will have an organization as progressive next year as it had this year.
