MINUTES
AGRICULTURE COMMITTEE
December 18, 1959

Present: Louis Renfrow, Herman Bate, Johnny Childers, Hayne Daniel, Chester Davis, J. W. Dunn, O. L. Hubbard, Herbert Yealding, Bobby McCurry, M. F. Wichman, Lloyd Parrish, Joe Martin, Dr. Roy Saunders, James Pulliam

Herman Brown

Louis Renfrow, Chairman presided at the meeting.

Herman Brown, Manager made a report on the 1959 Junior Livestock Show. His report showed that the Junior Livestock Show had cost $1,561.91 and that Income totaled $772.11 received as follows: Gate Sales, $142.50; Concessions; $156.86; Advance Ticket Sales,; $120.25; and Contributions $352.50. Cost over receipts was given as $789.80.

Discussion was made on show dates for the 1960 show. The Committee finally set Saturday, April 9, 1960 as the date for the show to be held.

A committee composed of Hayne Daniel Chairman. Chester Davis, and Johnny Childers was named to select the Exhibit Classes for the show and also to check with the Negro 4-H and FFA teachers about the Negro Division of the show.

Meeting adjourned.

	Johnny Childers	Pat Scoggins
	E. K. Crouch	Hugh Sessions
	Chester Davis	Herman Bate
	Jack Gorden	Herbert Yealding
	Bobby McCurry	Hayne Daniel
	J. C. Newbill	Charles M. Force
	Lloyd Parish	J. W. Dunn

Herman Brown

Chairman, Louis Renfrow, presided at the meeting. Dates for the Junior Livestock Show were discussed. May 1st, was agreed upon as the best date for the show, a one-day and one evening event. Lloyd Parrish and Hugh Sessions, Angelina Farm Bureau officials related that the farm bureau would cooperate in arranging for the show. Cooperation was also pledged by the Angelina County Sheriff's Posse.

It was agreed that FFA and 4-H Boys of Angelina, Cherokee, and Trinity counties would be eligible to exhibit. It was decided that two divisions would be set up, a show for white boys and one for negro boys.

Various suggestions were made by committee members on ways and means to have a good show. General opinion was that some additional classes should be set up, particularly in the beef cattle division.

It was agreed that the exhibits committee should place health regulations into the exhibit rules, that exhibit animals should be vaccinated by the exhibit entry deadline date.

It was suggested that committeemen sponsor an Amateur Show as part of the evening entertainment feature and that the contests such as goat sacking, calf roping, etc., be arranged again for the 1959 show.

A committee composed of Herman Bate, Hugh Sessions, and Johnny Childers were authorized to meet with Chairman Renfrow, to select various show arrangements committee chairman.

Manager, Herman Brown, stated that when the Exhibits Committee worked out the classes and rules and regulations, that copies of the information would be mailed at once to all committeemen.

Following adjournment of the committee, the sub-committee met and named the following committeemen:

Exhibits, Hayne Daniel, Chairman, E.K. Crouch, Chester Davis.

Chairman Burke explained that the county judge had requested that the Aviation Committee to help make contacts on clearance zone easement at Angelina County Airport. Easement of the requirements are taken by various members of the committee.

The committee also talked about the condition of the airport access road. Airport officials stated that county citizens used the road by coming toward the airport property going to and from Highway 59. It was suggested that commissioners be requested to assist precinct #1 commissioner in improveing the road, should the improvement of the road be to large finincial problem for Commissioner Pouland.

Chairman Burke asked the committeemen to contact property owners about the clearance zone easement and make a report back to the chamber office.

Adjourn.

President J. A. Burke, presided at the meeting. General aviation progress was discussed. It was decided that the committee should keep working with the task of improving the Angelina County Airport, particularly on the effort to secure a new air terminal building.

It was explained that only preliminary plans had been made for the new terminal, but that agreement had been made between airport officials and FAA officials on space requirements for FAA. It was decided that the committee should urge the County to keep alert on the possibility of securing a new terminal and be urged to continue application plans on the terminal building with the Federal Agency.

Motion was made by W. C. Book, seconded by Herb White, Jr. that the committee ask County Precinct Commissioner No. 1, Calvin Poland, to improve the airport access road. Motion carried. It was pointed out that the road was in a bad state of repair and was badly in need of work done on it.

The possibility of Lufkin making a bid for the over-night stop should the Texas Air Tour be conducted again by the Texas Aeronotical Commission was discussed. Manager, Herman Brown was asked to check into the cost possibility of entertaining the group for an over-night stop.

Adjourn.

Mrs. Don Hackney, Lufkin Service League
Mrs. Carl Liese, Trout School P. T. A.
Mr. L. E. Adkins, Mabel Malear P. T. A., Mr. Adkins

Jack Tucker, chairman presided at the meeting. He stated that Fire Prevention Week was October 5-12 and suggested that the chamber and civic clubs and orgnaizations join together in observing Fire Prevention week by sponsoring a round of events and activities to spotlight the need for fire prevention. Activities committeemen were named as follows:

Parade, D. C. McPherson and Harry Kerr.

Fire Prevention Posters, Mrs. Guy Main, Wilbur Kent, and other P. T. A. leaders.

Programs and Talks for service clubs, Dr. George Thannisch, Dr. Peyton Denman, and Dr. B. H. McVicker.

It was stated that Doyle Anderson of the Real Estate group had ordered fire prevention materials which would be available for distribution prior to and during fire prevention week.

P. T. A. and club leaders were asked to take news of the campaign back to their meetings.

The matter of the general cleanliness and attractiveness of highway entrance streets was mentioned. It was stated that grass was allowed to grow over the curbs, that sand was allowed to remain in street gutters, and in some cases was grown up with grass, that litter along entrance streets as well as others was a problem. It was stated that while some progress in elimination of uncovered garbage cans had been made that there was much yet to be done and that too many citizens had not yet realized the need for a more intensified program. Motion was made by Elwyn Gipson seconded by Dr. George Thannisch that the Committee restate its position that a general cleanup was needed, that uncovered garbage cans was still an unsightly and unsanitary condition and further that permission be requested for a committee representing the committee to appear at a City Council meeting in order to have a friendly and frank discussion of the problem and seek continued aid of the city officials in to work out a ways and means to meet the problem. Motion carried.

Face lifting for some store fronts was discussed.

The problem of more civic pride on the part of Lufkin citizens was

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

brought up for discussion. Opinion was expressed that a general over-all study of the beautification needs should be made and that at the conclusion of such a study--evidentially to require three or four months--that recommendation on ways and means to make Lufkin more attractive and to instill into the citizenry a desire for a more attractive city be made to the Civic Affairs Committee. Motion was made by Rev. Robert Pitman seconded by Elwyn Gipson that a Beautification and Civic Pride Study Committee be named by Chairman Tucker with the request that the committee make a thorough study of the problems and to make recommendations. Motion unanimously carried.

It was stated that Lufkin was becoming a greater health center with improved hospital facilities and the location in Lufkin of more specialists. With this in mind committeemen were of the opinion that Lufkin should take every possible step to become a widely attractive city so that visitiors would become a booster for the city and county.

MINUTES
CIVIC IMPROVEMENT COMMITTEE
February 23, 1959

Present: Jack Tucker, Bob Pitman, Harry Kerr, Norman Norris, Tom Moroney, Reagan Parker, Herman Brown

Chairman Jack Tucker presided.

It was stated that the City officials had made considerable improvement in the City's parks. The committee reiterated its former statement that parks, particularly the old city park and the Negro park had eroded soil conditions and that sometime when it was financially possible the city should try to re-sod the areas not within the heavy play traffic spots in the parks. It was suggested that the committee check into the possibilities that boy scout units, particularly those using the parks area be requested to plant grass presiding that soil could be hauled into the parks.

Store front moderinization and improvement was discussed. It was decided that the committee would inform business owners that the committee would assist in providing possible design and improvement information on modernization.

The committee commended the city officials upon the progress being made on the vacant lot clean-up regulation and in so commending the officials urged even a greater and more wide spread compliance with the regulation.

The garbage receptacle problem was discussed at length. It was decided that the committee would consider engaging in a city-wide cleanup campaign and an educational campaign among residents to secure as many citizens as possible to secure the 20-gallon type covered trash can. Chairman Tucker suggested that possible campaign plans be worked out for consideration for another meeting of the committee.

The committee again cited the need for expanded post office facilities.

New business to come before the group was the suggestion that there was a great need for a downtown city-owned all purpose building which could be used for large banquets, convention business sessions, merchants home and display shows, large social functions. Such a building should be designed for multi-purpose use, committeemen stated.

It was stated the Lufkin now had 400 air-conditioned rooms in hotels and motels but that the problem in securing sizeable conventions was that if having a place at a central location where several hundred people could be seated at a banquet.

The committee accepted the suggestion as a needed project and decided to make further investigations.

Adjourn.

BEAUTIFICATION AND CIVIC AFFAIRS

Advocate greater attention to parks, maintenance and improvement.
Urge downtown face-lifting.
Stress greater enforcement of vacant lot cleaning.
Try to do something about vacant business buildings. The problem of dirty streets, trash and litter, is still evident.
Continue efforts to get city to enforce garbage ordinance.
Urge speedup on outdoor toilet elimination program. Complaints are being received.

Continue a cooperative effort with county commissioners to improve Angelina County Hospital.

Continue program for more adequate Post Office facilities, and possibly a Post Office Federal building combination to house local Federal offices.

Cooperate with city planning study group.

Assist Federated Women's Clubs on program to secure new club building.

Cooperate with committee which is working to establish a Senior Citizens Rest Home.

Consider the possible need for developing a county-wide library program.

Keep the proposal for City-County Health Unit alive. Make some progress on this project during 1959.

Beautification and Civic
Pride Study Committee
October 12, 1959

Present: Harry Kerr
Wilbur Kent
Rev. Robert A. Pitman
Dr. Robert E. Ray
Dr. George Thannisch
Mrs. L. T. Tinkle
Elwyn Gipson
Herman Brown
Jim Waters
Jack Tucker

Chairman Elwyn Gipson outlined the scope of the work for the committee. He related that various sub-study groups would make their studies, check conditions and report to the general committee.

It was decided that the City Councilmen and City officials be named ex-officio members of the committee and that such officials be invited to attend the general meetings of the study committee.

Committees as follows were named:

SUB-COMMITTEE ON BEAUTIFICATION

1. Residential -- Mrs. L. T. Tinkle
2. Business --- Harry Kerr
3. Streets & Parks Dr. George Thannisch.

SUB-COMMITTEE CIVIC PRIDE

1. Improved Relations -- Dr. Robert Ray
2. Project Support Mrs. Parker McVicker
3. Social Problems-- Rev. Robert A. Pitman

SUB-COMMITTEE ON CIVIC IMPROVEMENT

1. Wilbur Kent--Civic Convention & recreation facilities.
2. Mrs. Knox Bunch, Cultural
3. Kenneth Fullen, Trade

General discussion was held on all phases of Community Life. Committeemen were asked to start immediately to check on conditions.

Adjourn.

EDUCATION

Make Industry-Business-Education Day a power packed event to bring teachers and leaders together.

Sponsor annual Teachers' Reception.

Actually get into better vocational guidance program.

Try to work out plan to give specific and special recognition to students reaching outstanding scholastic achievement and attainment.

Suggest that civic clubs join hands to offer special scholarships.

Continue to keep before educators our members' continuous suggestions that teaching be to a greater degree on the fundamental basics of education. Commend schools when they do a good job.

Sell business to teachers and students (and all citizens for that matter). Try to wo k out ways and means to develop a special information booklet which will set forth the real economic factors which make Lufkin and Angelina County a thriving community.

MINUTES
EDUCATION COMMITTEE
February 25, 1959

Present: W. C. Royle, J. A. Anderson, Ward Burke, O. L. Finley, Latane Temple, Dr. D. H. Brashear, Herman Brown

Chairman W. C. Royle, presided at the meeting.

First order of business was the planning of Business-Industry-Education Day - March 20, was set as the date for the event. Superintendent Anderson stated that teachers would be taken on a tour of about eight industry groups. It was decided that individual industries and groups of industries would be requested to be host to teachers for plant tour, luncheon and meeting to acquaint teahcers of the problems of operation.

Manager Herman Brown and chairman Royle were asked to contact local industries about serving as hosts for the teachers.

The committee decided to continue sponsorship of the annual Teacher's Reception.

It was also decided the Education Committee would invite all teachers who taught in Lufkin for the first time, to a luncheon or dinner.

Manager Herman Brown was requested to check into ways and means of assisting Pineywoods Business College which helped Lufkin by bringing many students from out-of-town to attend the business school.

Chairman Royle expressed great concern and alarm over youth marriages and particularly some notoriety given to youngster's marriages, such as publicity given to a married high school player and his young, wife and baby.

It was suggested that the chamber check with the P. T. A. council and offer assistance on any program to halt such a trend for young marriages. It was also suggested that the matter be disucssed with newspaper editors to urge that not any type glamor publicity be given teen-age marriages.

Recognition for outstanding scholastic attainment was discussed.

Committeemen stated that there was a need for groups to join together to provide scholastic attainment scholarships.

Adjourn

EDUCATION COMMITTEE
August 7, 1959

Present: W. C. Royle, J. A. Anderson, Edwin T. Arnold, Al Cudlipp, O. L. Finley, Latane Temple, Samuel D. Griffin, Dr. Peyton L. Denman, Herman Brown

Chairman W. C. Royle presided at the meeting.

The annual teachers reception was discussed. Chairman Royle was of the opinion that some sort of special reception or recognition should be held for all new teachers.

It was suggested that consideration be given to the holding of such a reception at the Country Club after school had started and the new teachers settled.

Date for the general reception was set for Friday August 28, High School Cafeteria at 9 a. m., with invitations to be extended to teachers of the entire county.

Committeemen were named as follows: W. C. Royle, cookies; Ed Arnold, soft drinks; and A. E. Cudlipp, Jr., coffee. It was decided that badges be prepared for new teachers, members of the committee and for Service Club representatives.

The committee decided to furnish refreshments for the Negro teachers to be held at Garrett School at 2:30 p. m., Wednesday August 26.

It was suggested that the Chamber of Commerce include the County Schools on business visitation program.

Chairman Royle explained that in the Spring of 1960 business leaders should visit the schools. The idea was advanced that a business mailing list be prepared and a special invitation be printed and so designed and addressed to invite a specific individual to a given school and a particular room.

Members of the committee unanimously expressed appreciation to J. A. Anderson, superintendent of schools for his leadership and effort to always keep the citizens and business people informed about the schools and the keeping of the schools close to the people and community.

Adjourn.

FORESTRY COMMITTEE
ANGELINA COUNTY CHAMBER OF COMMERCE
February 25, 1959

Present: Kenneth Nelson
Herman Bate
Shirley Daniel
Gary Eaves
Art Lehman
A. E. Madeville
Jack Mims
Gilbert Simmons
Harvey Sprott
E. R. Wagoner
M. L. Wilkinson
Herman Brown

Chairman Kenneth Nelson presided at the meeting.

It was decided that the committee would sponsor a county-wide FFA and 4-H Forestry Contest. A committee composed of Ed Wagoner, Herman Bate and Jack Mims was named to work out the regulations and details.

Committeemen were urged to continue to urge business firms and citizens to buy soil conservation stamps.

Motion was made by Ed Wagoner, seconded by J. Shirley Daniel, that the committee endorse proposed legislation to outlaw smoking game from hollow trees because of the forest fire hazards. Motion carried.

A discussion was had on the possibility of a state-wide stock law. Motion was made by Art Lehman, seconded by Harvey Sprott, that the committee endorse in principle the adoption of a state-wide stock law, to make it prohibitive for owners to allow stock to run loose on the highways of the state. Motion carried.

Committeemen were urged not to forget the impact that forestry, timber and wood products have on the economy of East Texas, our state and our nation. It was stated that the committee would assist all agricultural agencies, forestry groups, and individual companies in carrying on an educational campaign to acquaint citizens of the benefits and value of our forests.

The committee was urged to attend the Annual Forestry Field Day to be held at the Experimental Forest at Nacogdoches, date to be announced.

Adjourn.

Chairman Jim Waters presided at the meeting. Outline for work which should be done by the committee for the District 8 Teachers Convention scheduled for March 12 - 13 was made. It was stated that the Chamber would provide convention packets for the house of delegates dinner and would provide convention badges and would assist with the registeration. Some committeemen were asked to come to the hotel at 3 p. m. on Thursday to welcome and greet the teachers. Other committeemen were asked to come at 4 p. m.

Manager Herman Brown, stated the County Judge convention would be held April 2-3 and that committeemen would be asked to assist the Chamber on that convention. Announcement of the East Texas Chamber of Commerce convention, scheduled for April 9 - 10 was made. Chairman Waters indicated an additional meeting would be held to complete plans for being host for the East Texas Chamber of Commerce convention.

General round table discussion on Goodwill and Convention work was had. It was decided that hotel,motel, and restaurants and also service stations would be asked to formulate a cooperative program to assist on goodwill and convention work. Committeemen also decided that Civic groups, lodges and fraternal organizations, and churches should be asked to seek conventions for Lufkin.

It was decided the committee would sponsor a delegate to the Woodville Dogwood festival.

Adjourn:

GOODWILL AND CONVENTIONS

Lufkin now has 400 air-conditioned hotel and motel rooms. The Chamber of Commerce should go after more conventions. A need to enable greater convention realization is to have more adequate banquet meeting facilities.

Work hard to make the East Texas Chamber of Commerce convention, to be held in Lufkin in April, 1959, an outstanding event.

Join hands with school officials to make District 8, Texas State Teachers Association Convention, to be held in March, a gigantic and never to be forgotten meeting.

Urge hotel, motels, restaurants and service stations to formulate a cooperative program on goodwill and conventions.

Sponsor delegations to important meetings and conferences.

Ask all business firms, civic groups, lodges, fraternal organizations and churches to seek conventions for Lufkin.

Sponsor queens and duchesses to area celebrations.

Try to work out a program to get all people to be alert to be especially friendly and helpful to all visitors and tourists.

Minutes, Highway Committee Meeting

September 9, 1959

Present:	Joe Stegall	H. J. Shands, Sr.
	W. R. Beaumier	R. B. Stroud
	M. G. Krueter	Howard Walker
	Ulen Medford	Herman Brown
	J. B. Perry, Sr.	Milton Smith
	John Redditt	

Chairman Joe Stegall, presided at the meeting. Minutes of the February 27, meeting were read and approved.

The matter of highway entrance locations and business routes and the widening of entrance thoroughfares was discussed. It was stated that business routes for U. S. 69, Highway 94 and Highway 103 should be relocated, that North Raguet should be widened, that East Dozier should be improved and E. Denman widened.

Motion was made by W. R. Beaumier seconded by Milton Smith that the Highway committee request the City of Lufkin officials and the State Highway Department officials to approve highway improvements and routings as follows:

Widen North Raguet from Frank Street to Highway 103 intersection; Widen East Denman from South First Street to Chestnut Street; Improve East Dozier from North Third Street to Timberland Drive and approve the routing of U. S. 69 business route to traverse North Raguet Street to Frank Street, be routed along Frank Street to W. Dozier street and traverse W. Dozier street to North First turn right on North First Street and Extend down South first Street to E. Demann and extend on E. Denman to Chestnut Street and connect with the regular highway route for U. S. 69 East.

Route Highway 94 along the proposed improved route on E. Dozier from N. Third to Timberland thus connecting Timberland to the Downtown section via a 94 business route.

Change the business route for Highway 103 to traverse North Raguet Street to Frank Street, turn left on Frank and traverse Frank street, W. Dozier and East Dozier to Timberland Drive. Motion unanimously carried.

It was announced that a highway 7 opening celebration would be held at Kosse, Texas on September 28 and that the chamber had been requested to send a delegation to the meeting, at which John Redditt would be Master of Ceremonies. Motion was made by J. J. Shands, seconded by Howard Walker that the chamber purchase 25 barbecue tickets for the opening at $1.25 and form a delegation to the highway meeting. Motion carried.

Howard Walker, member of the committee, also the right-of-way procurment officer for the county, discussed progress of securing right-of-way for Loop 287, U. S. 59 and on Highway 7. He advised that right-of-way was secured on 287 from Highway 103 to the Old Diboll Highway, that all but three tracts has been secured from Lufkin City Limits to Burke.

Adjourn.

MINUTES
HIGHWAY AND ROADS
COMMITTEE
Angelina County Chamber of Commerce
February 27, 1959

Present: Joe Stegall, Marvin Kreuter, Ulen Medford, Lloyd Moore, J. B. Perry, Jr., Milton Smith, R. B. Stroud, Herman Taylor, Howard Walker, Harold Schmitzer, Herman Brown

Chairman Joe Stegall presided at the meeting.

Discussion on Widening of North Raguet Street, East Denman Avenue, and possibly re-routing of U. S. 69 and state highway 94 alternate routes was discussed. Discussion centered on the possible making of the business route request for U. S. 69 and Highway 94 to extend from downtown to Timberland via Dozier street as one project of a package deal. Committeemen were of the opinion that widening of North Raguet was a must, that U. S. 69 plus local traffic continued to travel over the street though highway designation has been removed. The widening of East Denman was termed extremely important because of traffic conditions from South First to Chestnut street.

Motion was made by J. B. Perry, Jr., seconded by Milton Smith that the committee request the state highway department to consider improvements as one project or package deal as follows:

(1) Designate U. S. 69 on North Raguet as an alternate route. Widen North Raguet and East Denman streets; (2) Relocate State Highway 94 on Dozier Street from downtown Lufkin to Timberland so as to make the 94 route a more direct route from Timberland to the downtown section. Motion carried.

The City of Lufkin officials were commended upon the street paving project currently under way. Improvement of dirt and gravel street conditions was discussed. City Manager Harold Schmitzer informed committeemen that the maintenance program had been stepped up and increased. Kurth School area, on York Drive, was termed a high priority area for improvement. It was stated that wet weather had slowed the improvement.

The committee adopted the following long range projects:

Need for crosstown thoroughfare connecting the west side of town to south and east sections of town;

Improvement of East Paul from downtown section to Herty as an alternate route from the Herty-Paper Mill section; and,

Widening of East Shepherd from Angelina to East Lufkin Avenue intersection.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

The committee offered its help to the county in securing right-of-way for highway improvements.

The committee also discussed the possibility of closing the old Nacogdoches Highway underpass on North First Street to allow possible extention of additional railroad tracks alongside the mainline of the railroad. It was explained that such extention of tracks would allow the railroad to " make up " trains at a point north of Abney streets and thus have less traffic stoppage on streets near the downtown section. Under the plan discussed, Spence street would be improved so that traffic destined for the Old Nacogdoches highway area could be routed under the Kurth Drive underpass and channelled on Spence on the west side of the Southern Pacific Railroad.

Chairman Stegall asked that the possibility be futher investigated by chamber, city and railroad officials.

The committee again cited the need for a downtown area railroad underpass. Committeemen were advised by City Manager that highway department officials had also been requested to survey underpass possibilities for future planning.

Herman Brown

Herman Brown, Manager

Joe Stegall, Chairman

HIGHWAYS, ROADS AND STREETS

Start definite ways and means search and program to secure railroad underpass to serve business district.

Continue effort to get North Raguet and East Denman streets widened.

Consider asking for state designation, as business routes for U.S. 69 and 94 to downtown section via Frank and continue on Dozier to Timberland Drive. This could well be tied in with No. Raguet widening.

Cooperate with State Highway Department and County Commissioners Court on improvement of U.S. 59 through Angelina County, particularly on the right-of-way program.

On a long range basis, ask for definite planning on: crosstown thoroughfare streets connecting west side to south and east sections of town; improvement of East Paul Avenue; widening of Shepherd Street from downtown to Lufkin Avenue.

Seek a definite agreement from city officials that a more intensive street maintenance program with stress on grading, cleaning of gutters and barpits.

Almost every suggestion sheet returned by our members complained about streets in many sections of our city being full of holes, seldom graded, sand bars even in gutters of paved streets to reduce traffic width area; streets where only one lane travel is possible, and other maintenance conditions.

INDUSTRIAL

Carry on aggressive program of seeking new industries.

Develop additional industrial sites.

Give every possible support and encouragement to local industry. Take every possible means to demonstrate and inform citizens of the great economic value of industry.

Take every possible action to keep a good business climate for industrial firms.

Continue to develop detailed information for permanent Industrial Development Committee.

John Redditt
Herman Brown

Chairman George H. Henderson presided at the meeting.

Mr. John Redditt appeared before the committee in the interests of the newly formed Lufkin Concrete Corporation purchaser of the Texas Concrete Corporation's Lufkin Plant. The Texas Concrete Company has a lease-purchase option on 19 acres of industrial site land. Mr. Redditt stated that the new corporation composed of local people and Victoria, Texas people wanted to purchase the 19 acres of land but wanted the chamber to release the "purchase refusal" clause in the TCC contract agreement.

It was stated the 50% of the new corporation was made up of local people and 50% Victoria people. Directors were named as follows: Arthur Temple, Jr., Edward P. Trout, Joe W. Stegall, all of Lufkin and R. D. Carr and A. E. York of Victoria.

The land in question, is located on TSE railroad, just off highway 94 west of town. Varying opinions were expressed about the contract. Some committeemen explained that a clause giving the chamber the right of re-purchase, should the property be discontinued by the TCC Corporation as an industrial operation was so placed because of the low land price, $500 per acre, and somewhat possible temporary nature of the pre-stressed beam operation.

A suggestion was made that the new firm might not require all of the land and that the chamber might possibly give the firm complete title on a smaller number of acres. The idea was also advanced that the purchasers might also increase the price payment since it was generally agreed that the land in question is of considerable more value than $500 per acre, for the land, and thus receive a contract without a re-purchase clause.

Chairman George Henderson named a committee composed of Pitser Garrison, R. B. Stroud and J. F. Burris to meet with Mr. Arthur Temple and Mr. Edward Trout and discuss an agreement on the proposal.

No further business to come before the meeting the same was adjourned.

Most of the discussion at the meeting was about industrial sites. J. F. Burris presented the information about the proposed industrial tract on the Cotton Belt Railroad in East Lufkin, the Wood property, approximately 15 acres. Maps were shown to show the location. It was recommended that the Industry Committee request the Board to purchase the property at $500.00 per acre plus survey costs.

Motion was made by Pat McCann, seconded by R. B. Stroud that the committee recommend to the Board that the property purchase be approved. Motion carried.

Considerable discussion was had on several possible sites. The old City Airport property was discussed with relation to rail facilities and property adjacent to the airport property. It was stated that the City officials should set a price on the land so that the committee would have quick information for prospective industries.

It was stated that the old Junior High School was being suggested as a possible location for a garment factory and that school officials had been requested to furnish square footage and building specifications on the building.

J. F. Burris was asked to check into possibilities of securing large loans from Insurance Companies for financing industrial buildings.

Manager Herman Brown, asked members to become acquainted with data within their specific category of the industrial team. It was suggested that the committee have a dinner and make a trial run on a hyphothetical industry prospect. Bob Stroud stated that he would be glad to invite a member of the industrial department, Texas Power and Light, Dallas to aid in the meeting. Chairman Henderson was instructed to set the date for the meeting after checking dates with the chamber calendar and with Mr. Stroud.

MINUTES
PUBLICITY COMMITTEE
March 24, 1959

Present: Bill Bogart
A. E. Cudlipp, Jr.
Hampton Keathley
James A. Todd

Herman Brown

Manager Herman Brown outlined work done by the staff on publicity, such as preparation of mailing pieces, brochures, folders, and maps.

It was stated that the committee should not only publicize the community but to publicize the work of various committees.

Media used were discussed, namely, regular news releases, newspapers, radio, and television.

Special publicity in form of action pictures, was suggested.

It was suggested that the committee contact service clubs asking them to consider printing a short paragraph of information on cards which the clubs send to out-of-town civic clubs announcing that out-of-town members had attended the local club.

Possibilities of making T. V. strips were discussed. Murphy Martin advised that movie film for T. V. use should be produced and edited to following specifications, 20 seconds time, 12 ft; 40 seconds, 24 feet; and 60 seconds, 36 feet of film, size 16 m.m.

Adjourn.

Herman Brown

MERCHANTS

Urge merchants to develop more aggressive retail trade program.

Stronger enforcement is needed to prevent out-of-town (non-county) vendors from selling merchandise from parked vehicles on streets.

Strive for more unity among merchants on such problems as seasonal and Christmas opening and decorations and on holidays and store hours.

Renew general solicitations pledges and post new notice cards.

Consider naming sales person of the year in a program to create better, more effective and courteous sales and service people by business firms.

Make a real study and recommend a course of action on the downtown "off street" parking problem for customers. Cooperate with city planning commission study committee.

Revaluate the salesmen's dinner project.

Cooperate with Industry Committee on any Industry Week observances.

Right from here.

RETAILERS
Minutes, Meeting
September 30, 1959

Present:	Hoyet Williams	Dulie Lee Swann
	J. A. Brooks	May Kennedy
	Walter Phillips	Ralph Riley
	Ned Barrett	Burton Riley
	John Miller	Herman Taylor
	J. R. Rutland	Fred Daiches
	Fred Thomas	Joseph Tatum
	Johnnie Crawford	Herman Brown

Herman Brown presided at the meeting in the absence of H. W. Simpson, who was out of town.

It was explained that Grotesque Mardi Gras figures would be used in the parade, that four bands had been invited to participate in the parade scheduled for 2 P. M., Friday, November 27, day following Thanksgiving Holiday.

It was also decided that balloons would be released with gift certificates inside.

In discussing the floats it was decided that merchants would sponsor clubs and organizations desiring to enter a float, that the firm would pay $25.00 to the club and that the club in turn would have the name of the business on the float. Stores indicating that they would sponsor floats were: Cash Drug Store, Daiches Jewelers, J. C. Penny Company, Taylor Hardware Company, Hemphill-Wells Company, and Lively Furniture.

Manager Brown stated that the Christmas decorations would be installed on Thanksgiving and be ready for the Christmas Opening.

MINUTES
RETAILERS MEETING
Angelina County Chamber of Commerce
April 15, 1959

Present: W. G. Adams, D. C. Satterwhite, Mrs. Tommit Massingill, W. C. Royle, Herman Taylor, Mrs. Johnnie Crawford, John Brooks, Mrs. Jeff Noble, Herman Brown, Kenneth Fullen, Elbert Clark, Mrs. R. A. Kennedy, Walter Phillips, Joseph Tatum, Ralph Riley, Kenneth Barfield

Considerable discussion was had on the Gift Wrapping problem. General opinion was that if all stores would go along, that is Department, Specialty, Shoe, Men's, Jeweler's, those merchants would start charging for gift wrapping, on April 16. With only one drug store represented no decision could be made by the drug stores. It was stated that drug stores would be invited to discuss the matter.

It was decided that the Department Store Groups contact several stores about participating in the gift wrapping policy, final outcome depending upon what the entire group would do.

The starting of a Trades Day or Bargain Day was discussed. The group present agreed to participate in Trades Day on Each First Wednesday. Kenneth Fullen, Elbert Clark, and Kenneth Barfield were asked to check advertising services for suggestions on a trades day event name.

Adjourn.

Herman Brown

MINUTES
RETAILERS MEETING
February 18, 1959
3 p. m.

Present: Herman Taylor, Joseph Tatum, Ralph Riley, J. O. Cone, Monroe Waak, W. C. Royle, Walter L. Phillips, Earl Medford, H. W. Simpson, D. C. Satterwhite, W. G. Adams, Hoyet Williams, J. R. Rutland, John D. Smith, Kenneth Fullen, Mrs. Johnnie Crawford, Elbert Clark

Herman Brown

H. W. Simpson, chairman presided at the meeting.

Discussion was had on Hollidays to be observed. Motion was made by Herman Taylor seconded by Monroe Waak that Hollidays as follows be observed for 1958: Independence Day, Saturday, July 4; Labor Day, Monday, September 7; Veterans Day, Wednesday, November 11; Thanksgiving Day, Thursday, November 26; Christmas Day, Friday, December 25; and New Year's Day, Friday, January 1, 1960. Motion carried.

Whether or not to continue sponsorship of the Salesmen's Dinner was thoroughly discussed. Herman Brown, manager reported that the 1958 Salesmen's Dinner was not attended well by the merchants and business men and not too well by the salesmen; that the event has cost the chamber about $300. He expressed the opinion that unless business firms felt the worth of the event enough to buy ticket for themselves, employees and an additional one for a salesman living in Lufkin and traveling out of Lufkin, that the cost was too great for the chamber to bear. It was suggested that a change of the type of event to a barbecue, fish fry or an event to include the salesmen's wives might be staged. Various opinions were held on those ideas.

Motion was made by Walter Phillips seconded by John D. Smith that the Retailers Committee sponsor the sales event, that the Chairman be authorized to name a committee which would decide the type of event and designate other committees to promote and sell tickets to the event. Motion carried. Mr. Simpson announced that he would take a little time to name the committee.

The matter of solicitations, telephone sales gimmick requests and promotions in general were discussed. Motion was made by Earl Medford seconded by Kenneth Fullen that the Committee redistribute Solicitation Permit notice cards and urge merchants to support the solicitation permit plan on promotions, schemes and fund requests. Motion carried.

The "hot check" law was discussed with the opinion being that merchants should ask state legislators to adopt a stronger law.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

A Shop Lifting Bill being proposed at the legislature was discussed with motion made by Monroe Waak seconded by W. G. Adams that the Retailers Committee go on record as favoring the shop lifting legislation and that copies of the action be transmitted to legislators and proper committeemen. Motion carried.

The committee also discussed the possibility of holding a "Shop Lifting Clinic" in advance of the rush shopping season next Fall.

The matter of lottery violations such as car drawings by groups was brought up for discussion. It was stated that despite the claims, tickets given on such a give-away events were a violation of the lottery law.

Motion was made by Herman Taylor seconded by Hoyet Williams that the Retailers Committee request the County Attorney to enforce the lottery law and eliminate the car drawing merchandisizning plan as being practiced during the Fall and Christmas shopping seasons. Motion carried.

Merchants praised the Friday after Thanksgiving Day Christmas Season opening and again set November 27 as the date for the 1959 Christmas Season opening.

The problem of cleaner streets and alleways was discussed. It was stated that the city officials were working with committeemen to better the situation and that merchants needed to urge all merchants to cooperate on a trash elimination program.

Adjourn.

MINUTES
SPORTS AND RECREATION COMMITTEE
March 2, 1959

Present: C. W. Alexander, Joe Anderson, Joe Carter Denman, George H. Henderson, Jr., William Hines, R. A. Hunter, Roy Hurst, Robert Hutson, Buddy McKinney, Burton Riley, Roy Rudd, H. J. Shands, Jr.

Herman Brown

Chairman C. W. (Lefty) Alexander presided at the meeting. Chief discussion centered around the declining interest among high school boys in football. Ways and means to bring about renewed interest in football and all athletics for that matter were discussed at length. General opinion was that a renewal of a citizens Booster or Panther Club was one of the best ways and means to accomplish the desired goal. It was decided:

1. That the committee advocate the reorganization of a Panther Club to foster a better athletic program, to aid coaches and school personnel.

2. That the committee make an effort to get Junior High football players to continue to go out for football when entering high school.

3. Secure names of possible high school football players and make an effort to interest them in going out for football.

Committeemen approved the appointment of a sub-committee composed of Roy Hurst, H. J. Shands, Jr., and Joe Anderson to discuss these matters with the school officials and coaches and recommend a course of action.

It was suggested that the committee hold a gigantic "athletic recognition" meeting to honor school athletes.

Committeemen also adopted other program objectives as follows:

Request that the City of Lufkin take over the parks, facilities and grandstands for maintenance and upkeep.

Cite the need for a City-Wide Recreation Department with full-time personnel to hnadle playgrounds, parks, summer and winter sports. It was stated that Youth Baseball activities would be directed by such professional personnel.

Encourage still greater development of Ellen Trout Lake as a beauty, sports and recreation area. Commend the good work in developing the lake area to its present stage.

On a long range basis, when city finances are available, make Winston park a better park and suggest that the City Commission or possibly the prospective City Planning Commission investigate need for establishing a new park in the Southeast section of the city.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

Urge the Chamber of Commerce and citizens of Lufkin to inaugurate plans which will enable the Lufkin area to take full advantage of the recreational possibilities to be afforded by the creation of McGee Bend reservoir and to urge the highway committee to seek direct access roads to the lake area.

The committee also expressed the opinion that the Lufkin High School, for use of the large park and grandstand, be requested to help on the upkeep and maintenance of the grandstand and property.

Adjourn.

Herman Brown

SPORTS AND RECREATION

(1) Continue program started in 1958 to create more interest in high school athletics. Hold a pre-football season meeting of dads, sports fans and boys.
(2) Improve baseball program. Follow up request that city take over baseball parks, facilities and grandstands and place into parks system for upkeep and improvement.
(3) Suggestion has been made that city create a recreation department with full-time personnel to handle playgrounds, parks, summer and winter sports, and youth baseball.
(4) Encourage establishment of a bowling alley.
(5) Encourage still greater development of Ellen Trout Lake, a truly potential beauty, sports and recreation area right at our door.
(6) On long range plans, when finances are available, make Winston Park a better park with more facilities.

Herman Brown

Chairman C. W. Alexander presided at the meeting.

He asked that Herman Brown outline the proposed plans for sponsoring a Sports Tribute Banquet for the Huntington High School Basketball Team, boys; and the Central Consolidated Girls Basketball team both of which teams won the State Championship in their Class.

It was decided that the banquet would be held at 7 p. m., March 31, at the National Guard Armory.

Considerable disucssion was had regarding the charge to be made for the tickets. Motion was made by George H. Henderson, Jr., seconded by Charles Hatcher that the tickets be $1.00 and that the committee accept the $1.00 barbecue menu and service as proposed by Avalon Restaurant Catering Service. Motion carried.

It was decided that the members of the two teams, the coaches, principals and superintendents and their wives be guests of the chamber for the banquet.

It was suggested that Morris Frank be invited to deliver the address, but that in event he could not attend that the Chairman and the Manager be given authority to arrange for a speaker.

Committeemen present agreed to sell tickets for the sports event. Herman Brown promised tickets for distribution by Wednesday morning. It was announced that tickets would be taken to Central and to Huntington for distribution and sale.

Preliminary report was made on the Quarterback or Boosters Club. Sub-committee Chairman Roy Hurst, who could not be present at the meeting, sent word via Manager Herman Brown, that he was securing response to the formation of a Panther or Boosters club but that formation of strictly a Quarterback club stressing only football was not favorable to some of his contacts. He asked that he and Chairman Alexander be able to do some more investigation about the proposal.

TRAFFIC AND TRANSPORTATION

Aid industries, particularly new ones, on securing proper rates for shipments.

Work with railroads on crossings problems.

Ask railroads to prepare special information for use of industry committee.

Consider sponsoring "Transportation Day" event to recognize all of the transportation firms in community.

Ask city officials to place left, right and forward directional signal at intersection of Timberland Drive and East Denman.

MINUTES
TRANSPORTATION COMMITTEE
ANGELINA COUNTY CHAMBER OF COMMERCE
March 10, 1959

Present: Virgil Moon, Wayne Bell, R. A. Jackson, R. A. Corbett, Jr., Carrol O. Watts, Herman Brown, B. J. Peel

The problem of general transportation was discussed. Manager Herman Brown, expressed appreciation to committeemen for their aid and help to the Chamber and to new industries in the matter of securing proper freight and transportation rates on new products being manufactured in Lufkin. The problem of Railroad transportation was discussed and it was stated the highway and roads committee was giving attention to this problem.

The possibility of holding " Transportation Day " was discussed. Wayne Bell, chairman of the Bus & Truck division suggested that "Transportation Day " be held on May 15, since President Eisenhower had set that day as Transportation day. The committee decided to invite the Military Affairs committee to investigate the possibility of having the Radar Base to participate in the celebration . It was stated that in observing such a day, transportation firms and companies should collect pertinent facts, such as number of employees, payroll, and other data to show the value of transportation industry to the community.

A sub-committee composed of Wayne Bell, Virgil Moon, and Caroll Watts, was named to outline a suggested program of events for the day.

No other business to come before the committee, the meeting was adjourned.

MEETING
Agriculture Committee
March 7, 1960

Present: Roy Hurst, Jim Ames, Herman Bate, Chester Davis, Gary Eaves, Lloyd Parrish, Robert Pouland, R. B. Stroud, M. F. Wichman, M. L. Wilkinson, W. G. McPhaul, Harold Strong

Herman Brown

Plans were made for the Junior Livestock Show, scheduled for April 9.

There was some discussion about having the show at the Livestock Auction sales barn on Highway 69 east of Lufkin. The idea for holding the show near the auction barn was to provide opportunity to boys to sell their calves. It was decided that it would be better to wait at least a year before trying to have such type of a show and that the show would be held at the Sheriff's Posse Rodeo Arena.

It was decided to have contests and some sort of musical entertainment at the show at a charge of 50¢ for adults and 25¢ for students. Committeemen also decided to give FFA Chapters and 4-H Clubs 25% of all advance ticket sales made by members of the various chapters.

Twenty-six classes for beef, dairy and swine animals were approved and two classes of poultry. Prizes and premiums for the exhibits totaling $810 were approved by the committee. It was decided that for the exhibits that all chapters in the county participate in the exhibits.

Manager Herman Brown and Herman Bate were instructed to name committee chairmen for the various exhibit responsibilities and to make some other detail plans for the show.

Herman Brown, Meeting Secretary

Roy Hurst, Chairman

W. McPhaul, Negro Agri. Agent
Harold Strong, Agri. Teacher

Roy Hurst, chairman, presided at the meeting.

Report on the 1960 Junior Livestock Show was made showing: Receipts, Donations, $490.50; Ticket Sales, $173.52; Concessions, $69.47; total income $733.49. Expenditures: Contest Events, $100.; Exhibit Premiums; Entertainment, Ribbons, Concessions, Hauling, Printing, and other $186.00. Total $816.00.

The idea was advanced that the committee sponsor a "Fat Calf" show and sale and a "Fat Hog" show and sale. It was proposed that the committee offer to 4-H and FFA boys of Angelina County to guarantee of 5¢ per pound above quoted Ft. Worth livestock market price on the date of the show on animals graded "Good" or better in event such animals did not bring 5¢ above market at the auction sale. This proposal was accepted. The committee elected to underwrite the guarantee rather than seek individual sponsors.

It was also decided that the committee sponsor show divisions for Beef, Swine and Dairy Breeding animals as follows: Beef Bulls, under 2 years; Beef Bulls two years and over; Dairy Bulls, under two years, Dairy Bulls, two years and over; Dairy heifers, under two years; Dairy females, over two years; Gilts; Boars, all ages and sows, all ages.

Tentative date for the show was set as May 1, 1961.

Agriculture class instructors and county agents present, estimated that from 60 to 70 boys would enter the "fat calf" show. September 15, 1960 was set as a date for teacher and advisors to notify the committee of the number of boys to raise sale show animals.

Chairman Hurst was authorized to name a sub-committee to outline show details and to recommend a definite date for the show.

Adjourn.

C. E. Phillips presided at the meeting. Herman Brown, manager reported that plans were being made to file request at the Southwest Area Airlines Case hearing to be held in Houston in the Fall a request for Airline service between Shreveport, Lufkin, Bryan and Austin.

Committeemen were informed that an exhibit was being prepared for submission to the Civic Aeronautics Board Chief Hearing Examiner.

It was reported that plans were progressing nicely for the Air Show to be held at the Angelina County Airport on July 4. The show is being sponsored by the Aviation Association with chamber aviation committeemen also assisting in the planing.

The need for road repairs on the Airport road was discussed. Manager Herman Brown was asked to ask Precinct Commissioner to repair the road prior to July 4.

	Fred Hutson	Joe Stegall	Herman Brown
	M. G. Kreuter	R. B. Stroud	Judge Rolston
	J. B. Perry, Jr.	John R. Winston	

Chairman O. L. Hubbard presided at the meeting.

Chairman Hubbard requested District Highway Engineer J. M. York to outline the right-of-way problems. Mr. York discussed with the committeemen the problems of securing right of way for West Side Loop and for U. S. 59 stating that in many cases costs had been excessive and delays had been brought about.

Judge Rolston stated that one of the problems was that the right-of-way on the two projects was in one precinct which brought on excessive cost. He related that of the $150,000 warrant funds made available that $100,900 had been spent. He further stated that five tracts were to be secured before completing the right of way for West Side Loop 287. It was also stated that the Special Commission appointed by the County officials had also granted higher valuations on property than some leaders felt was a fair price.

Opinion was expressed in the meeting that the county needed a permanent right-of-way officer particularly to secure right-of-way tracts for U. S. 59 North to the Nacogdoches County Line.

Highway Department officials also stated that one of the delays on securing right-of-way was the certificate of title papers being delayed.

The suggestion was made that the Advisory Committee meet with the County Commissioners Court members and with officals of the highway department. Motion was made by J. B. Perry, Jr., seconded by Marvin Kreuter that the City-County Advisory Committee meet with the Commissioners Court. Motion carried.

It was decided that the meeting would be held Tuesday, August 15 at 7 P. M. at Eason Lake Club House for steak supper at which time the problems would be further discussed.

Adjourn.

Herman Brown, Meeting Sec'y.

O. L. Hubbard, Chairman

February 10, 1960

Present: Jack Tucker
Edwin T. Arnold
Dr. Peyton L. Denman
Elwyn Gipson
Wilbur Kent
Harry Kerr
Norman Norris
Milton Smith
John D. Smith
Herman Brown

Also present were members of the City Commission, Bayo Hopper, W. C. Royle, and City Manager Harold Schmitzer and City Secretary Lynn Durham.

Chairman Jack Tucker presided at the meeting and welcomed the City officials who were present at the meeting.

Elwyn Gipson, chairman of the Beautification and Civic Pride Study Committee presented copies of a detailed study on Beautification and Civic needs conducted by the committee. He read each item noted in the report, copy of which is filed with these minutes. Various discussion was evidenced as Chairman Gipson read the report.

Chairman Tucker thanked the study committee for doing a good job.

Ways and means of bringing about action on the report were discussed. Motion was made by Elwyn Gipson seconded by Ed Arnold and Norman Norris, that the committee accept the report and that Chairman Tucker be authorized to name a three-member committee to outline a possible course of action for the committee. Motion carried. Suggested course of action was outlined as follows:

"Refer some provisions of report to City Officials, through those officials present.

Refer long range projects to the Chamber of Commerce Board and to the City Planning Commission.

Take up downtown section of the report with the Retailers Committee of the Chamber of Commerce.

Refer certain findings of the committee to the Highway Committee.

The Civic Improvement Committee should consider sponsoring a general Clean up campaign and ways and means educational campaign to acquaint all citizens with the needs and findings as presented in the report.

Make pictures and movies of conditions for use in educational and publicity campaign."

Chairman Tucker stated, that he would select the suggested three-member committee at a later date.

Adjourn.

	Latane Temple	Dr. B. D. Rhodes

Chairman Ward Burke presided at the meeting.

It was decided that the teachers reception would be held at 8:30 a. m. at Senior High School Auditorium for introductions and entertainment, and in cafeteria for refreshments. Motion was made by Howard Walker and seconded by Joe Anderson.

W. Joe Anderson, Chairman, Lee Friesen and Dexter Satterwhite were named to make contact with civic clubs and ask the clubs to have representatives to attend the reception.

Pat Scoggins, Chairman, W. C. Royle and Guy Carlton were named to arrange for coffee, doughnuts and cold drinks.

Manager Brown related that Bill Schahn had agreeed to have a 10 boy choral group entertain for the reception.

It was suggested that the committee arrange for door prizes and make special introductions of new teachers.

It was announced that teachers county-wide would be invited and also including teachers from Pineywoods Business College.

The Committee decided to have a reception and furnish refreshments for Negro teachers at 2 p. m. on August 31, at Garrett school.

D. C. Satterwhite

Herman Brown presided in the absence of Ward Burke, chairman who had to be out of town.

The matter of Business-Education Day was thoroughly discussed. It was decided that it would be desirable for business men to visit schools and actually attend classes and see the school working under normal conditions.

It was decided that the special day should be set for 10 A. M. to 12 noon, Thursday, April 14, that the Education Committee would attempt to get a minimum of 150 industrial, business and professional people to attend the schools for just two hours, such time includes the visitors eating at the school's cafeteria.

The matter of vocational guidance was discussed. Superintendent Anderson, reported that the numerous business and professional people who gave technical lectures from time to time at the school classes was a good service.

Herman Brown presented the idea of presenting community scholarships to students who made outstanding achievement, that clubs had discussed the proposal but had not come to any conclusion and had requested the Education Committee to consider the proposal. It was stated that service clubs preferred to keep their identity with any project they might be helping to finance. General opinion was that at least a $200 scholarship should be offered, that there should be at least three scholarships and possibly six considered. Committeemen were requested to think about the possibilities and be prepared to offer suggestions at the next meeting.

Committeemen were asked to consider ways and means to make the annual teacher reception a better activity.

Adjourn.

	George H. Henderson, Sr.	R. C. Trimble
	S. W. Henderson,Jr.	M. F. Wichman

Chairman Ed Wagoner opened the meeting and reviewed the forestry field day held for FFA and 4-H Boys in the Spring.

The matter of sponsoring observance activities for National Forest Products Week, October 16-22 was discussed. Upon motion made by J. Shirley Daniel and seconded by John W. Cooper the committee voted to request the Mayor of Lufkin and County Judge to issue a Forest Products Week Proclamation.

Considerable discussion was had relative to the possibility of wood products industries making their weekly payroll in silver dollars or in two dollar bills. Motion was made by Herman Bate secondedby M. L. Wilkinson that the Manager and Chairman investigate the possibilities of each procedure as far as the banks are concerned and ask industries to cooperate in making payments either in silver dollars or in two dollar bills. Motion carried.

Display of forest and wood products on trailers was discussed. General opinion was that display of posts, lumber, creosoted materials and such products would not attract the public attention. Motion was made by Harvey Sprott seconded by John Cooper that truck-trailer exhibits of "finished" wood products be displayed on Saturday October 22, such display being contingent upon the weather. Motion carried.

Manager Herman Brown and Chairman Wagoner were requested to arrange for as much publicity as possible for the National Forest Products Week such as radio, television and newspaper publicity.

Adjourn.

Chairman O. L. Hubbard presided at the meeting.

Chairman Hubbard and City Manager Harold Schmitzer reported of the Chamber's and City Official's appearance before the State Highway Commission on April 26, 1960 on the application for business routes redesignation for Highway 103 and U. S. 69. Committeemen were informed that Highway Commissioners gave them a good hearing and that those who attended the hearing were hopeful of approval.

The Committee asked the Commission to: Designate a business route for U. S. 69 from Kurth Drive North of town on North Raguet to Frank Street, extend from Frank to Herndon to connect to West Dozier; extend to North First, travel South on First Street to E. Denman, and continue East on Denman to Chestnut Street and connect again to the regular route for U. S. 69 East of town.

It was stated that should approval be given on the business routes designations that improvement and widening would be necessary on N. Raguet to Abney and eventually to Frank, widening on E. Dozier and widening on E. Denman from South First Street to Dozier.

The proposal requested that business route for Highway 103 be approved to extend from Highway 103, "Y", West of town on N. Raguet to Frank, on Frank to W. Dozier and on E. Dozier to E. 4th, on East 4th to East Lufkin Avenue and East to Timberland Drive, North on Timberland to regular Highway 103 at Timberland and Atkinson Drive.

The City's problem of securing right-of-way for widening projects were discussed.

Committeemen were informed that the Civic Pride Study Committee's report among other recommendations on streets, urged consideration for planning on greatly needed railroad underpass in the general downtown area, elemination of dead end streets and the planning of cross-town thoroughfares.

The Committee again cited the need for continual consideration for long range planning and eventual improvement (as finances are available) for; Widen and extend E. Dozier street from N. First to Timberland Drive.

Cross-townthoroughfare connecting the West side of the City to the South and East sections of town.

Improvement of East Paul to Herty as an alternate route from the Herty-Paper Mill area.

Widening of East Shepherd from Angelina Street to East Lufkin Avenue intersection.

MINUTES
HIGHWAY COMMITTEE AND CITY COUNTY ADVISORY COMMITTEE
August 9, 1960

Present:	B. E. Atkinson	J. B. Perry, Sr.	John D. Smith
	W. R. Beaumier	H. J. Shands, Sr.	J. F. Burris
	Pitser Garrison	B. M. E. Smith	O. L. Hubbard
	S. W. Henderson, Jr.	Milton Smith	R. D. Warren
	Fred Hutson	Joe Stegall	Herman Brown
	M. G. Kreuter	R. B. Stroud	Judge Rolston
	J. B. Perry, Jr.	John R. Winston	

Chairman O. L. Hubbard presided at the meeting.

Chairman Hubbard requested District Highway Engineer J. M. York to outline the right-of-way problems. Mr. York discussed with the committeemen the problems of securing right of way for West Side Loop and for U. S. 59 stating that in many cases costs had been excessive and delays had been brought about.

Judge Rolston stated that one of the problems was that the right-of-way on the two projects was in one precinct which brought on excessive cost. He related that of the $150,000 warrant funds made available that $100,900 had been spent. He further stated that five tracts were to be secured before completing the right of way for West Side Loop 287. It was also stated that the Special Commission appointed by the County officials had also granted higher valuations on property than some leaders felt was a fair price.

Opinion was expressed in the meeting that the county needed a permanent right-of-way officer particularly to secure right-of-way tracts for U. S. 59 North to the Nacogdoches County Line.

Highway Department officials also stated that one of the delays on securing right-of-way was the certificate of title papers being delayed.

The suggestion was made that the Advisory Committee meet with the County Commissioners Court members and with officals of the highway department. Motion was made by J. B. Perry, Jr., seconded by Marvin Kreuter that the City-County Advisory Committee meet with the Commissioners Court. Motion carried.

It was decided that the meeting would be held Tuesday, August 15 at 7 P. M. at Eason Lake Club House for steak supper at which time the problems would be further discussed.

Adjourn.

Chairman George "enderson presided at the meeting. He requested Herman Brown, manager to explain the purpose of the meeting. Mr. Jim Ames was introduced. Committeemen were informed that Mr. Ames and others were proposing to establish a poultry processing plant and that discussions has been had with chamber officials relative to locating on part of the 26-acre industrial tract located in East Lufkin.

It was explained that the manager and the president had discussed the proposed plant with Mr. Ames and his assoicates and therefore Herman Brown suggested that the Industrial Committee recommend to the Board of Directors that the Industrial Foundation give to the builders of processing plant two acres of land should they get the deal worked out to form the plant.

There was considerable discussion relative to the matter of policy as to whether or not the Industrial Foundation ought to give land but rather ask at least the land cost in dealing with any prospective industry.

Motion was finally made by W. R. Beaumier and seconded by John D. Smith that the committee recommend to the Board of Directors that two acres of industrial site land be provided to Jim Ames and associates, provided they build a poultry processing plant on the land. Motion carried.

Mr. Ames also requested the committee consider recommending to the Board of Directors that the Industrial Foundation build the proposed plant building on a lease-purchase agreement on a 10-year amortization basis. He advised that he had discussed the matter with his bankers and was informed by the bankers that the funds could be borrowed with proper endorsement of the loan which the Industrial Foundation would have to sign should the Foundation agree to building the building. Cost of the building was set at approximately $30,000.

There was discussion as to whether or not the committee ought to recommend to the board the approval of such a proposal until the Industrial Committee was given more details as to the actual stipulations and wording of the agreement. It was pointed out that should the committee deem it wise to

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

recommend the proposal to the Board and that if the Board agreed with theplan that before final adoption by the board such contracts would have to be written and presented for the Board's final approval.

Motion was made by Pitser Garrison seconded by H. J. Shands, Jr., that the Industrial Committee approve in principle the plan presented by Mr. Ames to build the poultry processing plant on a two-acre site under lease-purchase agreement whereby the Industrial Foundation will suffer no loss; and provided that the building cost be within reason and further that the obligation of the foundation be underwritten by the proposed corporation and by others whose financial strength is considered adequate by the Board of Directors of the Lufkin Industrial Foundation. Motion carried.

Adjourn.

Manager Herman Brown informed committeemen that an official of Smith-Blair Company of South San Francisco, California was due to come to Lufkin on Thursday for a conference with Texas Foundries officials and also with the chamber of commerce relative to the possibility of locating in Lufkin. Site needs for the firm were stated to be 5 acres of land located on rail facilities.

Motion was made by W. R. Beaumier seconded by J. B. Perry, Jr., that the Industrial Committee offer the Smith-Blair Company a five acre industrial tract to be taken out of the 26-acre industrial land located in East Lufkin or should the site not be acceptable that the chamber offer $6,000 to apply on any other site which the company might select as suitable. Motion carried.

It was stated that Brookshire Borthers Grocery was interested in a possible location for a wholesale warehouse and might want to consider the Industrial Foundation owned property in East Lufkin. The committee approved in principle the chamber official's working with the Brookshire group on use of industrial land.

H. J. Shands, Jr., presented a proposal made by Falcor and Frank Perry on the old tobacco farm located on Highway 69 West, about three miles west of Lufkin. The proponents offered 100 acres of land on the South side of Highway 69 through which the St. Louis and Southwestern Railroad traversed as possible industrial development. The proposal offered the 100-acre tract without cost to the chamber of commerce if in return the chamber of commerce, or the industrial foundation would install a water line to the property so that the proposed industrial site could be served and also provide water for a 400-acre proposed housing development across the highway. The estimated cost on the pipe line, about three miles, was given as $42,000.

Numerous questions were presented about the property such as gas utility, railroad switching limits, and general land costs in the area.

During the discussions the possibility of securing property adjacent to the old city airport land investigating the cost of getting rail and other facilities arranged and developing a large industrial park in that area.

MINUTES-INDUSTRIAL COMMITTEE
JULY 1, 1960

Present: George Henderson, Sr.
W. R. Beaumier
J. F. Burris
Elbert Clark
Virgil Moon
J. B. Perry, Jr.
R. B. Stroud
H. J. Shands, Jr.
R. H. Dencan
John Henderson
Marvin Kreuter
Joe M. Anderson
Herman Brown

Absent: Pitser Garrison
E. L. Kurth, Jr.
Pat McCann
Herman Taylor
Glen Causey

George Henderson, Sr. presided at the meeting.

New members of the committee were introduced.

Herman Brown, Manager related the 26-acre industrial site located in East Lufkin had been cleared of timber and brush. He stated that the next step was to have the property levelled by pushing dykes onto the land. Cost of the dirt moving was estimated by committeemen at $1,200. Motion was made by J. F. Burris, seconded by J. B. Perry, Jr. that the site committee secure bids and estmates on the levelling work. Motion carried. Chairman Henderson requested J. F. Burris also serve on the committee.

The old City Airport property was discussed. Need for a railroad into the property was discussed. It was stated that right-of-way easements would have to be secured. It was stated that TSE Railroad had once agreed to build a spur to the site should a freight revenue industry be secured. Opinion was expressed that a definite agreement should be secured from the city of Lufkin on price of the airport acreage.

Herman Brown reported that the Lufkin Industrial Foundation had a cash balance of $1,435.70 and owed $5,000 on the 26 acre East Lufkin site.

Manager, Herman Brown reported on the following new industry prospects.

Kay-Brunner, Los Angeles Company reports delay indefinitely in locating the proposed axle assembly plant. Visited Lufkin in March.

Southern Pine pre-fabricated homes, new corportation. Organization factory. Will take time in setting up. Other cities asking for plant.

Wisconsin Centrifugal Foundry, Waukesha, Winconsin, Mr. Temple and Mr. Kreuter have talked to the firm. Undecided as to location. Considering existing plants.

Heltzel Steel Form, Warren, Ohio, undecided about going ahead with Texas plant. Mr. Bob Smith of T. L. Smith Company working with committee urging Heltzel to locate in Lufkin. Visited Lufkin in March.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

Big Three Welding, Houston, Decided to remain in Houston.

Huntengburg Furniture, Huntengburg, Indiana. George Henderson has been in contact with firm for number of years. Texas plant still in talking stage.

Manager Herman Brown informed committeemen that delaited information and data had been provided for Leslie Brooks associated of Tulsa, Okla. which firm was representing a client proposal to build some sort of steel fabrication plant which would employ several hundred people. The consulting firm had reported to date that the manafacture would not allow the release of the firm's name.

It was stated that the Chamber had a verbal option agreement with Atkinson Candy Company for 5 acres on Highway 94 for a new candy plant. The deal is being held up over building finances, it was reported.

MINUTES
Legislative Committee
Angelina County Chamber of Commerce
March 11, 1960

Present: Dr. Charles C. Murray, Dr. William A. Mitchell, Horace Cardwell, Clyde Thompson, George Clarke, Howard Walker, A. B. Cudlipp, Sr., Herman Brown, Thomas J. Moroney

Dr. C. C. Murray presided at the meeting. He outlined various legislative issues now before the Congress. Each issue was discussed thoroughly as to its merits and its effect upon Lufkin and the citizens of the area. The committee, by unanimous vote took the following action:

1. Strongly opposed the Forand Bill, HR 4700, proposing to pay hospital, surgical and nursing bills of those on old-age security and for those who currently are working but would come under provisions of old-age security, such measure estimated to bring 14 million people under its provision.

2. Opposed the Secondary Boycott measure S. 2643 and HR 9070 which proposed to legalize secondary boycott picketing on the construction trades.

3. Opposed Federal Aid for School Construction, S Bill 8 and HR 1028 which in the opinion of the committee leads toward Federal control of education.

4. Opposed any amendment to weaken the Connally Amendment to the International Court ratification law. Connally Amendment gives United States the right and privilege of deciding on its own, whether or not an issue is a domestic problem.

5. Opposed the Minimum Wage Bill, S 1046 and HR 4488 on the grounds that the small and strictly local business owner and operator should not come under the National Labor Relations Act, that it would damage the small business owner.

Manager Herman Brown was asked to get out a Legislative Bulletin to the Congressional Action Committee, Board and to other members of the Committee outlining the issues and stating the committee's position.

Adjourn.

Herman Brown, Meeting Secretary

Dr. C. C. Murray, Chairman

TO COMMITTEE MEMBER
who was absent at meeting: If you're concerned in the above recorded action, please say "yes" on the attached card and we will record a foot note on the original minutes. HB.

MINUTES, MERCHANTS MEETING

MINUTES, RETAILERS MEETING

October 17, 1960

Present: Herman Taylor, Herman Brown, Mrs. Arthur Bresie, John Miller, R. Squyres, Riley Haygood, Arthur Nelson, Jim Clark, Earl Redford, J. C. Holliday, John Brooks, Ralph Riley, Fred Daiches, Ned Barrett, Walter Phillips.

Chairman Brooks and Herman Brown reported that there has been some misgivings about the one-half holiday for November 11, Veterans Day and the Veterans Day observance ceremonies. Considerable discussion was had as to whether or not Veterans organizations would come up with an enthusiastic and good program.

It was decided that chairman John Brooks, Ralph Riley, Herman Taylor and Fred Daiches meet with representatives of the Veterans organizations and check further into the matter of a celebration and closing. General opinion was that if the matter could not be resolved that a referendum among retailer committeemen should be taken.

Motion wás made by Herman Taylor seconded by Jim Clark that Manager Herman Brown be requested to recheck with Band Directors and ask if bands could be furnished for a Christmas parade for Friday November 25 at 2 p. m. instead of Saturday 26. Motion carried.

It was announced that the committee on Novmeber 11 would meet as soon as a contact could be made with American Legion and Veteran of Foreign Wars Organizations.

Adjourn.

Herman Brown

MINUTES
Retailers Committee
Angelina Chamber of Commerce
April 29, 1960

Present:

W. C. Royle	Mrs. R. A. Kennedy
Robert Austin	James E. Clark
Mrs. Arthur Bresie	Herman Taylor
John D. Smith	Hoyet Williams
Joseph Tatum	Ralph Riley
Burton Riley	John Thompson
Mrs. Johnnie Crawford	A. L. Nelson

Chairman John Brooks presided at the meeting.

Considerable discussion was held concerning Veterans Day November 11, 1960. Chairman Brooks reported that a sub-committee had met with representatives of the American Legion and Veterans of Foreign Wars and that their organizations would support a program whereby merchants would observe a half holiday but would assist Veterans Organizations in holding an effective Veterans Day Program featuring a parade and special dedication services.

Motion was made by Joseph Tatum seconded by Ralph Riley that Retailers committee approve the program as outlined, open at noon and close at 6 P. M., on November 11, 1960. Motion carried.

The Veterans Day Program Committee was named as follows: Ralph Riley, Earl Medford, Walter Phillips, John Miller and Herman Taylor.

Adjourn.

MINUTES
Retailers Committee Meeting
Angelina County Chamber of Commerce
March 3, 1960
Lufkin, Texas

Present: Johnnie Crawford, R. A. Kennedy, Bobbie Bresie, Bertha M. Smith, Robert Austin, John D. Miller, Walter L. Phillips, Joseph Tatum, Barney Bernard, Howard Walker, Gary Eaves, Glennie Delle Thompson, J. C. Holliday, Wendell Roberts, Foster W. King, Fred Daiches, Herman Taylor, Elbert Clark, Jim Roper, John D. Smith, R. A. Brookshire, Monroe Waak, Elmarie Meadows, John Brooks

Herman Brown

Chairman John Brooks presided at the meeting.

Observance of Holidays to be observed for 1960 was discussed. It was suggested that stores close on Memorial Day, May 30, instead of Veterans Day, November 11. Merchants in general objected to closing on several holidays in the fall of the year.

Motion was made by John D. Smith seconded by Jim Roper that retailers vote to close on July 4, September 5, Thanksgiving, November 24, Christmas, December 26, and New Year's Monday, January 2, and that a sub-committee be named to contact Veterans organization officials and confer with them relative to substituting Memorial Day for Veteran Day as a "closing holiday" for Lufkin. Motion carried. Committee named: Earl Medford, Chairman, Walter Phillips, ~~Gary Eaves,~~ and John Miller.

A Christmas Season Opening and Parade Planning Committee was named as follows: Fred Daiches, Chairman, Joe Tatum, Elbert Clark, Mrs. Roy Swann.

Manager Herman Brown showed the new Solicitations Card for display in stores and asked merchants to help distribute the posters.

A map of the downtown business section was shown by Manager Herman Brown. Possible "off street" parking lots were discussed. The need for improving the parking in the downtown area was cited. A committee to study parking problems was named as follows: Herman Taylor, Chairman, Fred Daiches, Burton Riley, and J. B. Perry, Jr. Retailers also discussed the need for eliminating the practice of "feeding" parking meters by people who desired to park all day.

Chairman Brooks named a committee to work out an action program on recommendations made on the downtown section by the Beautification and Civic Pride Study Committee. Committee are: Walter Phillips, Byron McNeil, Earl Medford, Mrs. Bobbie Bresie, Hoyet Williams.

Merchants were urged to visit industrial firms during industry Week, April 1-7.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

A Film "Main Street and the Minimum Wage" was shown. Retailers were urged to express their views to representatives in Congress on legislation affecting retail employees. Legislative measures S1046 and HR4488 were also discussed, each calling for $1.25 minimum wage and would cover all retail employees.

SPORTS COMMITTEE MEETING

Saturday, March 5, 1960, 9 A. M.

Present: Horace Cardwell, C. W. Alexander, Joe Anderson, George H. Henderson, Jr., Tommie Massingill, Herman Brown

Horace Cardwell, chairman presided at the meeting.

Joe M. Anderson a member of the committee and President of the recently organized Lufkin Sports Association, related that the sports association was sponsoring a banquet for the Lufkin Basketball Team to be held March 11 and asked the endorsement and support of the Chamber Sports Committee.

Motion was made by C. W. Alexander seconded by Burton Riley that the committee endorse the Sports Association banquet, and support the event. Motion carried.

It was stated that the Huntington team was to play in the finals for the Class A High School Basketball Tournament. It was decided that the committee would sponsor an honor banquet for the Huntington team and also for the Central High School girls' team which teams would be playing in the tournament the following week.

In discussing sports and recreation needs the committee again cited the need for improved baseball park facilities and the need for city maintenance of parks, buildings and grandstands built and erected by the leagues of the youth baseball program.

Angelina County Chamber of Commerce
Minutes - Agriculture Committee
May 17, 1961

Present: Roy Hurst, Herman Bates, Johnny Childers, Chester Davis, O. L. Hubbard, Davis McKinzie, J. L. Newbill, Robert Pouland, Dexter Satterwhite, M. F. Wichman, Charlie Richardson, Hayne Daniel, R. L. Lehman, Bobby McCurry, Harold Strong, A. Jeffro, T. R. Freeman, and Herman Brown.

Chairman Roy Hurst presided at the meeting. A report on the March 27 annual Junior Livestock Show was made by Manager Herman Brown who reported as follows: Above market premium paid boys, $1,744.73 (not including calves where purchasers paid boy direct); Reimbursement of boys who lost money, $81.50; Prizes and Premiums paid for Breeding Division of show, $275; Award Ribbons, $27.03; General Expense, telephone calls, postage, $37.98; Judges Expense, $35; total $2,201.24. Income, $2,180.22. Unpaid pledges, $105.

Changes suggested for the 1962 show were offered as follows: Hold "fat steer" show and sale in February; start fat steer feeding program on October 1; Offer prize or premium to boys whose calves should be graded choice or premium; Select a Grand Champion and a Reserve Champion in the "fat steer" division; Deliver steers and show animals to show pens on evening before show date; Arrange for judge to explain grading to boys giving reasons for grading calves commercial, good, etc.

It was suggested also that the Agriculture Committee offer a price guarantee only on one or two calves per boy, but that the boy be allowed to feed as many as five calves and show them and sell them in the sale. This was discussed at length. General opinion was that the chamber, in order to be able to arrange for finances from year to year, should reduce the number of steers (per boy) on which the committee would offer a price guarantee. The 5¢ incentive premium was considered proper. Agricutlure instructors expressed the opinion that they would prefer that the guarantee on number of calves be reduced rather than reduce the per pound price guarantee.

Instructors were requested to indicate the possible number of boys they might expect to have in the "fat steer" program for 1962 and the number of calves they would feed. Possibilities were listed as follows: Diboll, 25 boys-30 steers; Central 15-25; Hudson 25-30; Davis (4-H) 25-30; Diboll, NFA, 5-5; Dunbar NFA, 2-2; Negro 4-H 2-2 and Lufkin 30-45. Huntington, Zavalla, and Redland were not represented.

Chairman Hurst suggested that the other schools be contacted relative to "fat steer" entrants and further that the committee work up some suggested plans, particularly on the steer calf program.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

It was also suggested that if at all possible arrangements be made to have a sponsor for each boy, that the sponsor be notified in advance of the name of the boy he is sponsoring, that if at all possible seats be reserved for the sponsors.

Adjourn.

MEETING FFA AGRICULTURE CLASS INSTRUCTORS
and COUNTY AGENT 4-H ADVISORS
Chamber of Commerce Office
February 10, 1961

Present: Joe Belk, J. W. Dunn, R. L. Lehman, Bobby McCurry, Chester Davis, Harold Strong, A. Jeffro and Herman Brown.

The Committee discussed the proposition of changing the date for the Junior Livestock Show from April 24 to March 27. It was unanimously agreed by all present that the show would be held on March 27.

Adjourn.

MINUTES
AGRICULTURE COMMITTEE
Angelina County Chamber of Commerce
Lufkin, Texas
February 3, 1961

Present: Roy Hurst, Herman Bate, J. F. Burris, Johnny Childers, E. R. Crouch, Chester Davis, Gary Eaves, O. L. Hubbard, Davis McKinzie, J. C. Newbill, Lloyd Parrish, Robert Pouland, Dr. Roy Saunders, R. B. Stroud, Buddy Wichman, M. L. Wilkinson and Herman Brown.

The Committee discussed in detail the 1961 FFA and 4-H Junior Livestock Show, set for April 24.

A re-check on the number of calves on "feed" for the fat calf show and auction revealed that 172 calves were being fed by FFA and 4-H Boys. Several questions were raised as to whether or not the show should be changed to March 27. It was decided that the Agriculture Instructors and 4-H Advisors should talk to the boys and the parents and hold a meeting on February 10 at which time the instructors and advisors would inform the Agriculture Committee whether or not the date should be changed.

It was agreed that Roy Hurst arrange for the selection of a judge and also to name a committee to work out finances for the show.

Adjourn.

ANGELINA COUNTY CHAMBER OF COMMERCE
MINUTES, AVIATION COMMITTEE
May 23, 1961

Present: George Kelly DuPuy, Ele Baggett, Jim Burkhalter, Carl. E. Carroll, Ray Fisher, John Winston, Clyde Jordan, Claude Smithhart, Herman Brown.

Absent: W. C. Book, J. A. Burke, James Hunter III, Wayne Jones, C. B. Manning, C. E. Phillips, A. O. McQueen, J. B. Perry, Jr., Leeland Petty, James Reese, Cooper Richards, Horace Stubblefield, H. C. White, Jr., T. G. Walker,

Airport Advisory Committeemen present: Pitser Garrison, Carroll Allen, C. W. Alexander, Bill Busby.

George K. DuPuy, Chairman presided at the meeting.

Four members of the Angelina County Airport Advisory Committee were welcomed to the meeting.

Chairman DuPuy and Manager Herman Brown reported that a final brief on the proposed Shreveport to Austin Airline service had been filed with Civil Aeronautics Board on March 15, 1961.

Airport runway improvement was discussed. The east-west runway was termed to be needing to be resurfaced. Jim Burkhalter advised that FFA inspectors would be inspecting the airport.

Considerable discussion was centered on the need for a new terminal building. It was decided that the committee should continue to cite the need for a new terminal building and work toward that end.

The matter of urging the County to allow private plane owners to build hangers at the Airport to save County's capitol funds was discussed. Members of the Angelina County Advisory Committee related that they were considering recommendations to the County Commissioners on possible agreements which might be made between the County and private firms or individuals for building hangers at the Airport. Advisory Committeemen indicated they might later need the endorsement of the Aviation Committee on the hanger matter.

Herman Brown advised that the local terminal waiting room should be air-conditioned, that he had calls about it. Jim Burkhalter said that the airport was supposed to secure two room air-conditioners from the County Hospital.

Chairman DuPuy indicated another meeting would be held in July.

Adjourn.

CITIZENS MEETING
on Angelina County Right-of-Way Problems
Angelina County Court House
Thursday-March 2, 1961 - 7 P. M.

Judge H. R. Rolston presided at the meeting.

Judge Rolston stated that the emergency of providing Right-of-Way funds for U. S. 59 and state 63 near Zavalla, utility, moving and debt on utility adjustments for right-of-way already secured totaling $136,000 had been taken care of as a result of meetings held with Chamber of Commerce Committees. He advised that the state would pay one-half of the right-of way costs.

It was explained that the County Road Bridge Fund had furnished about all funds that could be taken for right-of-way purposes.

Judge Rolston stated that the purpose of organizing a County-wide County Planning Committee to work out ways and means to provide finances of right-of-ways on a long-range program. It was suggested that the County Planning Committee plan for needs as far as 10 years in advance if at all possible.

Motion was made by Billy Lee Thompson seconded by W. L. Vanglahn that Judge Rolston be authorized to select a committee to nominate a President Vice-President and a Secretary.

Judge Rolston named a nominating Committee as follows: J. F. Burris, Ward Burke, Bebe Townsend, C. W. Penley, Robert Hutson. The Committee retired from the room to select officer nominees. When the Committee returned C. W. Penley reported for the committee and nominated the following officers:

President, H. J. Shands, Sr.
Vice President, R. B. Stroud
Secretary, Herman Brown

Mr. Penley made a motion that the nominees be elected, J. F. Burris seconded the motion.

Meeting Chairman Judge Rolston asked if there were any nominations from the floor. No other nominations were presented. Motion was made by Bryan Byrd seconded by J. F. Burris, that the officers be unanimously elected by acclimation. Motion carried.

H. J. Shands took the chair to preside at the meeting. District Highway Engineer outlined tentative highway and road and right-of-way needs for the next ten years. Mr. York described the following possible Highway Improvement projects for Angelina County from 1961 to 1970 and the estimated Right-of-Way costs as follows:

HWY.	LOCATION	LG.	ESTIMATED RIGHT OF WAY COST
U. S. 69	From Pollok to Intersection of S. H. 103 & U. S. 69 North of Lufkin	9 Mi.	$ 206,000
U. S. 69	From end 4 Lane So. Lufkin to Huntington	7 Mi.	106,000

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

S. H. 63	From U. S. 69 in Zavalla to point 4.0 Mi. S.E.	4 Mi.	36,000
U. S. 59	From and 4 lane No. Lufkin to Angelina River	5.4 Mi.	60,000
Loop 287	From Intersection S.H. 103 & U.S. 69 N. E. to U. S. 59	3 Mi.	64,000
Loop 287	From U. S. 69 So. Lufkin , N.W. to U. S. 59	4.5 Mi.	89,000
S. H. 103	From U. S. 69, 1.1 Mi. N.W. of Lufkin S. W. to Loop 287 (St. Louis S. W. Underpass)	0.4 Mi.	28,000
			$ 589,000

Mr. York also stated that he estimated that there are to be 33 miles of road to be built in the McGee Bend Reservoir Area, which included the extension of Farm Road 842 from Moffett to Highway 103 near Rocky Hill and the road from F. M. Road 58 East of Diboll to Zavalla, and the road from Ora to Zavalla. also An estimate of 50 additional miles of farm to market roads during the ten year period. Mr. York emphasized that data presented represented somewhat hurried estimates, that right-of-way land costs were arbitrary for estimate purposes at $500 per acre.

Motion was made by Ward Burke seconded by C. W. Fenley and Sam Hawthorne that officers through counsel and advice from the commissioners court be authorized to name other members of a County Planning Committee of approximately twenty persons and suggest that the County Planning Committee name an Executive or Steering Committee. Motion carried.

In addition to the County Commissioners and officials fifty-one other citizens were present. The following Chamber of Commerce Highway and Advisory Committeemen were present: Earl Medford, Joe Stegall, J. F. Burris, H. J. Shands, Lloyd Moore, B. M. E. Smith, R. B. Stroud, Herman Brown, and Chamber of Commerce President, Ward Burke.

Adjourn.

Herman Brown, Secretary

H. J. Shands, President

ANGELINA COUNTY CHAMBER OF COMMERCE
MINUTES
HIGHWAY COMMITTEE
CITY COUNTY AFFAIRS ADVISORY COMMITTEE
FEBRUARY 21, 1961

Present: H. J. Shands, Sr., Lloyd Moore, B. M. E. Smith, John Redditt, Joe Stegall, R. B. Stroud, Howard Walker, C. L. DuPuy, Earl Medford, J. F. Burris, O. L. Hubbard, Herman Brown

Other citizens, not on the committee were also present. The meeting was a joint meeting between the City-County Affairs Advisory Committee, Highway Committee and the Commissioners Court members. Judge H. R. Rolston presided at the meeting.

Judge Rolston outlined the financial needs for highway right-of-way program as follows: State 63 (near Zavalla) $36,000; U. S. 59 North $46,000 and Utilities moving $14,000; and Utilities adjustment debt (U. S. 59 South and other) $40,000 - Total $136,000.

It was stated that the State Highway Department would pay one-half of the right-of-way cost.

County Auditor Otto Brittain posed the question whether or not to borrow $100,000 which could legally be done by the county, to be paid back over a 3-year period.

Commissioner Sam Poe proposed the voting of a County Road Tax. He said continued drain on the Road and Bridge Fund would be leaving rural residents of county without good roads. It was stated that the Road Tax would go to Road and Bridge Fund from which "other" funds could be transferred to right-of-way fund.

Auditor Brittain stated that a $100,000 3-year loan would cost each precinct per year as follows: #1 - $16,000; #2 - 8,000; #3 - $9,600; #4 - $6,400.

Judge Rolston advised that a 20¢ road tax based on $25 million valuation (county valuations less Homestead exemptions) would bring in an estimated $48,979 per year based on 95% collections. It was further stated that the people could vote as much as a 30¢ tax.

Auditor Brittain reported the financial balance at the end of the year for each precinct for a 6-year period as follows:

1955		1956		1957		1958	
#1	$16,522	#1	11,547	#1	271	#1	$4,741
#2	8,765	#2	4,756	#2	10,019	#2	441
#3	9,081	#3	3,528	#3	11,221	#3	20,959
#4	1,090	#4	5,618	#4	3,037	#4	1,614

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

	1959		1960	
#1	$2,334		$ 647	
#2	3,906		832	
#3	28,046		11,426	
#4	8,652	(O.D.)	1,185	(O.D.)

Excessive right-of-way costs and greatly need equipment cost since 1958 were blamed for drain on fund balance.

Commissioner Poe stated that the County would always be meeting a crisis from time to time unless permanent planning for roads was done and a ways and means of financing was settled upon.

John Redditt suggested the formation of a permanent planning group and make plans as far as 10 years ahead. He urged commissioners to go ahead and vote to secure a $100,000 loan and then make plans to take care of the future.

Highway Committee Chairman H. J. Shands suggested taking care of the emergency so the U. S. 59 four-lane program could go forward, and also start now to make plans for the future.

Committeemen present favored the $100,000 loan to take care of the current needs and favored the setting up of a county-wide planning commission on right-of-way and County roads.

The Commissioners went into an official session and voted to secure a $100,000 3-year loan with the understanding that a planning group to find ways and means to finance future right-of-way needs be set up.

Commissioner Sam Poe thanked the two committees.

MINUTES
Civic Improvement Committee
Angelina County Chamber of Commerce
Lufkin, Texas March 10, 1961

Present: Norman Norris, Dr. Marion Croley, Harry Kerr, Wilbur Kent, Wilson McKewen, Dr. Robert Ray, Dr. R. E. Read, Dr. George Thannisch, Reginald Squyres and Herman Brown.

Absent: Elwyn Gipson

Norman Norris, Chairman presided at the meeting. Program of work suggestions were read to the committee as follows: Continue civic pride program; consider a "red tag" marker campaign to point unsightly conditions within the city; request retailers to take definite action on downtown civic pride and modernization program; continue work on new post office project; investigate the advisability of recommending the building of an all-purpose civic center; work with the City Planning Commission on the preparation of a City Master Plan; continue to stress emphasized program on out-door toilet elimination; cite the need for a City-County Health Unit.

Ways and means to get more litter bags used by motorists was discussed. It was suggested also that the committee suggest to companies having 55-gallon drums or barrels to sell, to point out, that such barrels are illegal for use as resident area trash or garbage receptacles.

It was decided that the color slides made last year continue to be shown to clubs and organizations, that additional before and after pictures of unsightly conditions be taken. Possibility of conducting a photo contest for unsightly, trash and unattractive conditions for use on an educational program was discussed but no action taken.

The possibility of getting Boy Scouts to place red tags throughout the community at spots where trash had collected, unmowed lots and other unsightly conditions was discussed.

Manager Herman Brown advised the committee that the Retailers Committee had appointed a subcommittee on Civic Pride and Modernization for the down-town area.

Chairman Norris, announced that he would contact the City Manager about having city trucks dump dirt being taken off paved streets on the lot on the corner of W. Lufkin Avenue and Cotton Square, Herman Brown advised that the Scouts were supposed to aid on beautifying the lot by spreading soil and dirt when the chamber could get it hauled to the lot.

In the discussions on the possibilities of an all-purpose civic center the idea was offered that an Atomic fall-out shelter be built into the plans. Some discussion was held on the building of a Coliseum but it was generally believed by those present that the Coliseum and the civic-center were two separate projects. The City commended the city officials for the placing and painting of the trash receptacles in the downtown area.

Adjourn.

MINUTES
Education Committee Meeting
Angelina County Chamber of Commerce
May 22, 1961

Present: William Drew Perkins, J. A. Anderson, Dr. Peyton L. Denman, W. C. Royle, Jim Stephens, Herman Brown and Guy Carlton.

Absent: O. L. Finley, John Henderson, Dr. Juan Martin, Dr. Rhodes, D. C. Satterwhite, Howard Walker, James Whitten.

Others Present: Tim Harvey, Hudson; Thomas Fields, Huntington; and L. C. Billingsley, Redland.

Chairman Wm. D. Perkins presided at the meeting. The matter of the annual reception for teachers was discussed. Herman Brown related Education Committee activities of past years. It was the opinion of the committeemen that the reception should be held for all teachers of Angelina County, that such a meeting would be more successful if held in the evening, informal in nature, with entertainment and refreshments and special recognitions for new teachers.

It was decided that the reception for the white teachers of the county would be held at 7:30 P. M., Tuesday, August 29 and on Thursday, August 31 for the negro teachers of the county. Chairman Perkins advised that arrangements and program chairman would be named later.

The matter of vocational guidance, career days and ways and means whereby the committee could assist schools wad discussed. It was finally decided that the chamber would serve as a clearing house to provide resource speakers for school classes when requested by the various schools.

Business-Education days were discussed but no action taken.

Adjourn.

ANGELINA COUNTY CHAMBER OF COMMERCE
MINUTES
FORESTRY COMMITTEE
February 22, 1961

Present: E. R. Wagoner, K. L. Burton, Shirley Daniel, Art Lehman, John Cooper, J. M. Clark, Gilbert Simmons, Herman Brown

Chairman Ed Wagoner presided at the meeting. He reported that at the request of the chairman and Manager Herman Brown, that County Judge Rolston and Mayor Jim Waters had issued a special Arbor Day proclamation, January 20, 1961.

It was decided that the committee would sponsor observance activities for National Forest Products Week, October 15-21. Various ways and means were discussed, such as, proclamation, newspaper, T. V. and Radio publicity; posters, exhibits, and circulation of $2 bills on forest products payrolls.

Mr. Wagoner reported that the Livingston Forest Exposition and Festival would be held October 26-28, 1961.

The proposed Timber Theft Bill to be introduced in the Texas Legislature was discussed. It was explained that the present law made the theft a felony charge, that juries were reluctant to find persons being charged of timber theft guilty because of the felony penalty. The proposed bill would reduce the violation to a misdemeanor and thus enable more convictions for timber theft and therefore become a deterrent to the theft of timber. Mr. Wagoner stated that Senator Martin Dies, Jr. would likely introduce the bill soon.

Motion was made by J. M. Clark, seconded by John Cooper that the committee endorse the proposed timber theft bill. Motion carried.

It was pointed out that there were 2 million fringe acres of timber which were not under fire protection by the Texas Forest Service. Mr. Wagoner reported that the Texas Forest Service wants to place an additional 500,000 acres under protection, that this would require $84,000 for the first year (for 6 two-man crews and equipment) and $44,000 for the second year. It was explained that the Texas Forest Service total budget request for the biennium was $965,000 including the increase asked to handle 500,000 additional acres. Ed Wagoner stated that the Texas Forestry Associaton was supporting the budget increase request.

It was decided that Forest Product industries and organizations be urged to enter in Fire Prevention Week activities, including any parade which might be held.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

Announcements were made about the National Soil Conservation meeting, at Nacogdoches, February 24 and a meeting of Foresters April 17, to be held at Lufkin or Nacogdoches.

The wage and hour bill was discussed but no action was taken.

The Barrett proposals on small owner forest problems were discussed. The proposal in question were contained in a speech made at athe National Association of Consulting Foresters Meeting in November, 1960 by Leonard Barrett a retired United States Forest Service official. The proposals were somewhat of a summary of ideas, suggestions, opinions and studies made at 25 regional and state meetings held between August 1958 and 1959. Opinion was expressed that some of the proposals were too much of the give away subsidy type. John Cooper mentioned that Chief of the U. S. Forest Service had stated that he knew nothing of Mr. Barrett's plan to make such a speech, that all of the ideas and suggestions developed in the various meetings had not been considered or approved by the U. S. Forest Service.

Committee Chairman Wagoner was fearful of the far-reaching proposals of the Barrett report becoming portions of unsound legislation. It was decided that the committee take an attitude of alertness and be prepared to oppose legislation which the committee might consider not to be in the public, land owner and forestry industry interests. General opinion was that needs were being met.

Adjourn.

ANGELINA COUNTY CHAMBER OF COMMERCE
MINUTES
HIGHWAY COMMITTEE
CITY COUNTY AFFAIRS ADVISORY COMMITTEE
FEBRUARY 21, 1961

Present: H. J. Shands, Sr., Lloyd Moore, B. M. E. Smith, John Redditt, Joe Stegall, R. B. Stroud, Howard Walker, C. L. DuPuy, Earl Medford, J. F. Burris, O. L. Hubbard, Herman Brown

Other citizens, not on the committee were also present. The meeting was a joint meeting between the City-County Affairs Advisory Committee, Highway Committee and the Commissioners Court members. Judge H. R. Rolston presided at the meeting.

Judge Rolston outlined the financial needs for highway right-of-way program as follows: State 63 (near Zavalla) $36,000; U. S. 59 North $46,000 and Utilities moving $14,000; and Utilities adjustment debt (U. S. 59 South and other) $40,000 - Total $136,000.

It was stated that the State Highway Department would pay one-half of the right-of-way cost.

County Auditor Otto Brittain posed the question whether or not to borrow $100,000 which could legally be done by the county, to be paid back over a 3-year period.

Commissioner Sam Poe proposed the voting of a County Road Tax. He said continued drain on the Road and Bridge Fund would be leaving rural residents of county without good roads. It was stated that the Road Tax would go to Road and Bridge Fund from which "other" funds could be transferred to right-of-way fund.

Auditor Brittain stated that a $100,000 3-year loan would cost each precinct per year as follows: #1 - $16,000; #2 - 8,000; #3 - $9,600; #4 - $6,400.

Judge Rolston advised that a 20¢ road tax based on $25 million valuation (county valuations less Homestead exemptions) would bring in an estimated $48,979 per year based on 95% collections. It was further stated that the people could vote as much as a 30¢ tax.

Auditor Brittain reported the financial balance at the end of the year for each precinct for a 6-year period as follows:

1955		1956		1957		1958	
#1	$16,522	#1	11,547	#1	271	#1	$4,741
#2	8,765	#2	4,756	#2	10,019	#2	441
#3	9,081	#3	3,528	#3	11,221	#3	20,959
#4	1,090	#4	5,618	#4	3,037	#4	1,614

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

	1959		1960	
#1	$2,334	#1	$ 647	
#2	3,906	#2	832	
#3	28,046	#3	11,426	
#4	8,652	(O.D.)	#4 1,185	(O.D.)

Excessive right-of-way costs and greatly need equipment cost since 1958 were blamed for drain on fund balance.

Commissioner Poe stated that the County would always be meeting a crisis from time to time unless permanent planning for roads was done and a ways and means of financing was settled upon.

John Redditt suggested the formation of a permanent planning group and make plans as far as 10 years ahead. He urged commissioners to go ahead and vote to secure a $100,000 loan and then make plans to take care of the future.

Highway Committee Chairman H. J. Shands suggested taking care of the emergency so the U. S. 59 four-lane program could go forward, and also start now to make plans for the future.

Committeemen present favored the $100,000 loan to take care of the current needs and favored the setting up of a county-wide planning commission on right-of-way and County roads.

The Commissioners went into an official session and voted to secure a $100,000 3-year loan with the understanding that a planning group to find ways and means to finance future right-of-way needs be set up.

Commissioner Sam Poe thanked the two committees.

CITIZENS MEETING
on Angelina County Right-of-Way Problems
Angelina County Court House
Thursday-March 2, 1961 - 7 P. M.

Judge H. R. Rolston presided at the meeting.

Judge Rolston stated that the emergency of providing Right-of-Way funds for U. S. 59 and state 63 near Zavalla, utility, moving and debt on utility adjustments for right-of-way already secured totaling $136,000 had been taken care of as a result of meetings held with Chamber of Commerce Committees. He advised that the state would pay one-half of the right-of way costs.

It was explained that the County Road Bridge Fund had furnished about all funds that could be taken for right-of-way purposes.

Judge Rolston stated that the purpose of organizing a County-wide County Planning Committee to work out ways and means to provide finances of right-of-ways on a long-range program. It was suggested that the County Planning Committee plan for needs as far as 10 years in advance if at all possible.

Motion was made by Billy Lee Thompson seconded by W. L. Vanglahn that Judge Rolston be authorized to select a committee to nominate a President Vice-President and a Secretary.

Judge Rolston named a nominating Committee as follows: J. F. Burris, Ward Burke, Bebe Townsend, C. W. Fenley, Robert Hutson. The Committee retired from the room to select officer nominees. When the Committee returned C. W. Fenley reported for the committee and nominated the following officers:

President, H. J. Shands, Sr.
Vice President, R. B. Stroud
Secretary, Herman Brown

Mr. Fenley made a motion that the nominees be elected, J. F. Burris seconded the motion.

Meeting Chairman Judge Rolston asked if there were any nominations from the floor. No other nominations were presented. Motion was made by Bryan Byrd seconded by J. F. Burris, that the officers be unanimously elected by acclimation. Motion carried.

H. J. Shands took the chair to preside at the meeting. District Highway Engineer outlined tentative highway and road and right-of-way needs for the next ten years. Mr. York described the following possible Highway Improvement projects for Angelina County from 1961 to 1970 and the estimated Right-of-Way costs as follows:

HWY.	LOCATION	LG.	ESTIMATED RIGHT OF WAY COST
U. S. 69	From Pollok to Intersection of S. H. 103 & U. S. 69 North of Lufkin	9 Mi.	$ 206,000
U. S. 69	From end 4 Lane So. Lufkin to Huntington	7 Mi.	106,000

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

S. H. 63	From U. S. 69 in Zavalla to point 4.0 Mi. S.E.	4 Mi.	36,000
U. S. 59	From and 4 lane No. Lufkin to Angelina River	5.4 Mi.	60,000
Loop 287	From Intersection S.H. 103 & U.S. 69 N. E. to U. S. 59	3 Mi.	64,000
Loop 287	From U. S. 69 So. Lufkin , N.W. to U. S. 59	4.5 Mi.	89,000
S. H. 103	From U. S. 69, 1.1 Mi. N.W. of Lufkin S. W. to Loop 287 (St. Louis S. W. Underpass)	0.4 Mi.	28,000
			$ 589,000

Mr. York also stated that he estimated that there are to be 33 miles of road to be built in the McGee Bend Reservoir Area, which included the extension of Farm Road 842 from Moffett to Highway 103 near Rocky Hill and the road from F. M. Road 58 East of Diboll to Zavalla, and the road from Ora to Zavalla, also. An estimate of 50 additional miles of farm to market roads during the ten year period. Mr. York emphasized that data presented represented somewhat hurried estimates, that right-of-way land costs were arbitrary for estimate purposes at $500 per acre.

Motion was made by Ward Burke seconded by C. W. Fenley and Sam Hawthorne that officers through counsel and advice from the commissioners court be authorized to name other members of a County Planning Committee of approximately twenty persons and suggest that the County Planning Committee name an Executive or Steering Committee. Motion carried.

In addition to the County Commissioners and officials fifty-one other citizens were present. The following Chamber of Commerce Highway and Advisory Committeemen were present: Earl Medford, Joe Stegall, J. F. Burris, H. J. Shands, Lloyd Moore, B. M. E. Smith, R. B. Stroud, Herman Brown, and Chamber of Commerce President, Ward Burke.

Adjourn.

Herman Brown, Secretary

H. J. Shands, President

MINUTES
HIGHWAYS AND ROADS COMMITTEE
APRIL 19, 1961

Present:	H. J. Shands, Sr.	Joe Stegall
	Lloyd Moore	R. B. Stroud
	J. B. Perry, Jr.	J. M. York
	B. M. E. Smith	Herman Brown
Absent:	John Redditt	C. L. DuPuy
	Howard Walker	

Others: J. M. York, District Highway, a guest at the meeting.

Chairman H. J. Shands, Sr. presided at the meeting. Mr. Shands asked that Manager Herman Brown read suggested projects for the committee's consideration and adoption. Suggested projects and program of work for the committee were read. Each of the suggested projects were discussed separately. After full discussion of each item the committee's program of work was adopted as follows:

Sponsor the continued improvement and extensions of the alternate business routes recently designated by the highway department, with emphasis on the widening of Denman from South First street to Chestnut street.

Work with the County and highway department on locating and building an underpass under the T. & N. O. Railway as near the downtown business district as is feasible.

Work with the City and the City Planning Commission on street improvements, paving, drainage and right-of-way problems.

Ask the Commissioner's Court to request the highway department for an extension of Farm Road 324 along the old Diboll Highway to the City of Diboll.

Work with the County Commissioners in every way possible to assist them in securing right-of-way for highways and farm-to-market roads.

Ask city planning commission to make plans for improving East Paul street to Herty.

Cite need of widening of E. Shepherd from W. Angelina to E. Lufkin Avenue intersection.

Work with County Commissioners and Highway Department on access roads to McGee Bend Reservoir recreation areas.

Consider need for cross-town thoroughfare connecting West side of City to South and East sections of City.

Oppose transfer of $15 million highway transfer of farm-to-market funds by oppose proposed repeal of Colson-Briscoe law which presently allows $15 million funds annually to be

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

taken from the general fund for farm-to-market road construction.

Chairman Shands reported that the work of completing the County Planning Commission was nearing completion and that a meeting would be held at an early date. He related that about twenty citizens of the county had been appointed to serve on the Planning Commission and that most of them were accepting the appointment to serve as a member of the Planning Commission.

GOODWILL AND CONVENTIONS

Activities Memorandum: April 7, 1961

Chairman Reagan Parker and President Ward Burke welcomed 500 Junior High School Student Council meeting delegates at Junior High School. The Chamber of Commerce provided convention envelope packets containing candy, pencil, and pictorial informational folder about Lufkin.

The following members of the committee greeted delegates at the East Texas Development Association meeting held at the Angelina Hotel, 10 A. M., April 7: Reagan Parker, Chairman, Ben Ammons, Hershel Dixon, Jim Gaston, Raymond Geye, I. G. Long, K. Morris, Walter Phillips, J. Luke Powers and Jim Waters. Though the East Texas Development Association meeting attendance was low, the local Goodwill and Conventions Committee did an excellent job of extending Lufkin hospitality to all visitors.

MINUTES
Goodwill and Conventions Committee
March 2, 1961

PRESENT: Reagan Parker, Ben Ammons, Hershel Dixon, Troy Dungan, Jim Gaston, Raymond Geye, Robert Gilliam, I. G. Long, Tommie Massingill, Horace Watson, Leeland Petty, Walter Phillips, Dayle Smith, Jim Waters and Herman Brown.

Chairman Reagan Parker presided at the meeting. He requested Herman Brown, Manager to outline the convention activities of the chamber.

Manager Brown reported that the chamber was assisting the Texas Chapter, Society of American Foresters on their convention to be held in Lufkin on March 24, that the chamber was mailing 250 letters to the members and would otherwise assist the local forester committeemen.

Other convention activities were outlined as follows: East Texas Chamber of Commerce Convention, Mt. Pleasant on April 6-7; Junior High School Student Council, area-wide, 500 students involved, April 7; Real Estate Board and Instructional Meeting, April 25; District American Legion meeting April 29-30; Lions-Sheriff's Posse Rodeo, May 17-20, and Dogwood Festival at Woodville, March 25.

The matter of Goodwill trips was discussed. It was suggested that the Chairman and the Manager discuss the possibility of the committee assisting the Lions-Sheriff's Posse in a joint rodeo booster and goodwill trip.

Chairman Parker appointed Jim Waters, Chairman Raymond Geye and Tommie Massingill to select a young lady as Duchess to the Dogwood Festival.

Ways and means to secure conventions were discussed. Committeemen were urged to be on the alert and ask every local group to invite conventions to Lufkin.

Adjourn.

Meeting of Highways and Roads Committee
Angelina County Chamber of Commerce
May 1, 1962

Present: Joe Stegall, Ottis Lock, John Redditt, B. M. E. Smith, R. B. Stroud, H. J. Shands, Sr., J. M. York, Herman Brown, and Reagan Parker.

Chairman Joe Stegall presided at the meeting. He read Program of Work Suggestions as follows:

"Work toward the securing of finances for railroad underpass in downtown section.
Seek meeting of State, county, city and railroad officials for the purpose of projecting plans for an underpass project. Such plans may well need to be coordinated with financing plans or bond issue to provide for other city needs such as street rights-of-way.
Work with Angelina County Planning Commission and Commissioners Court to secure right-of-way for highway projects.
Work with State Highway Department, County Commission, and Angelina Development Association on planning and building access roads to McGee Bend recreation areas in Angelina County.
Discuss long-range plans for street development with City Planning Commission."

Much discussion centered around the downtown traffic problem in crossing the railroad. District Highway Engineer J. M. York stated that State financial assistance might be secured if the underpass should be located in a business route for a state highway. Calder square was listed as a possible location for such a proposed underpass. Committee member Ben Smith asked if there was a possibility of moving the switching yards.

It was decided that the committee recommend to city officials that some definite plan be considered to relieve the downtown traffic over the railroad and that the committee offer to City Commissioners and City Planning Commission to work out a finance plan.

The matter of highway right of way was discussed but it was believed that no immediate action was required.

The committee decided to sponsor formal opening ceremonies at the Angelina River bridge on U. S. 59 North to open the first five-mile segment of the four-lane highway between Lufkin and Nacogdoches. District Highway Engineer J. M. York stated that the opening if desired could be held during the week of May 20-26 which was National Highway Week. Chairman Stegall and Manager Herman Brown were authorized to confer with Nacogdoches officials and if they desire to participate in the ceremonies to proceed to arrange the event and invite one of the members of the State Highway Commission to attend the event.

Reagan Parker, President stated that the suggestion had been made to him that Angelina Street be opened from West Denman to Feagin Drive and thus open a thoroughfare from West Side Loop No. 287. It was stated that when the committee should get a conference with city officials on highway and street improvement matters that the suggestion would be offered to them.

Adjourn.

Herman Brown

INDUSTRIAL COMMITTEE

Meeting and Luncheon, April 6,1961

Re: Exylin, Inc. Dallas - Dun & Bradstreet C + 1½ (75,000 - 125,000 Good)

Present:	George H. Henderson	Herman Taylor
	J. B. Perry, Jr.	John Henderson
	J. F. Burris	Marvin Kreuter
	Elbert Clark	Glen Causey
	R. B. Stroud	Herman Brown
Absent:	W. R. Beaumier	Pat McCann
	Pitser Garrison	Virgil Moon
	E. L. Kurth, Jr.	Joe M. Anderson
	H. J. Shands, Jr.	

Chairman George H. Henderson presided at the meeting. Mr. Alfred Zoble and Mr. Kent Weiss of Exylin, Incorporated of Dallas, Texas, manufacturers of plastic bags and raincoats were introduced. Mr. E. R. Williams, industrial consultant for Texas Power & Light Company who accompanied the industrialists to Lufkin was also introduced.

Mr. Zoble explained that they had a plant in Dallas, that of recent date they had acquired a plant in Mt. Vernon, Indiana and planned to consolidate the production capacities and operation of the two plants. He stated that they did not want to locate in Dallas, that operation and labor costs in an outlying city would be more attractive than in Dallas. He stated, however, that a 50,000 square foot building was being offered them for $6,000 per year, but that preferred to have the business in Texas. In the discussion, the visitors stated that first requirements would be for 20,000 square feet of plant space, that they would eventually employ 300 people. Mr. Zoble stated it would cost from $500 to $650 per employee to train local people to become sewing machine operators. Mr. Zoble and Mr. Weiss suggested that the community should pay costs for training at least 150 employees at an average cost of $500 per employee. Mr. Zoble explained that skilled trained machine operators were available in Mt. Vernon, Indiana at a lower hourly rate than in Dallas.

Building possibilities were discussed. The old McKinney Ammunition Box factory building containing 30,000 square feet was suggested as a possible temporary location of one which could be expanded.

The visitors were informed that building a suitable factory plant building would cost approximately $4.00 per square feet exclusive of air-conditioning and any special or peculiar features. The visitors were informed that the community usually offered to erect a building on a lease-purchase agreement wherein the new industry would make monthly payments with an option to purchase the building, usually on a ten year agreement.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

Taxes, living conditions, productivity of local labor, abundance of female labor prospects, markets, governmental cooperation were subjects for discussion.

Committeemen related to the visitors that the chamber of commerce or the community had never entered into any sort of agreement to pay a subsidy for employee training. They were told that the community would be interested in trying to work out a good site location and the erection of a suitable building thereon for such a plant.

It was agreed that after luncheon adjournment that Mr. Stroud and Herman Brown show the gentlemen two local plants which employ women and also to take a look at the ammunition box factory frame building.

Adjorn.

MINUTES
Legislative and National Affairs Committee
Angelina County Chamber of Commerce
June 6, 1961

Present: W. R. Beaumier, Horace Cardwell, Elbert Clark, George Clarke, W. F. Collins, S. W. Henderson, Jr., Ottis Lock, Dr. Marion Croley, Dr. Charles Murray, J. B. Perry, Jr., Clyde Thompson, Ward Burke, Howard Walker and Herman Brown.

Absent: Dr. R. K. Arnett, A. E. Cudlipp, Sr., Curtis W. Fenley, Sr., Pitser Garrison, Earl Medford, Ulen Medford, Dr. William A. Mitchell, John Redditt, H. J. Shands, Sr., R. B. Stroud, and Walter Trout.

Mr. Ward Burke, President of the Chamber and Mr. Fred Pool, Manager of the East Texas Chamber of Commerce were also present.

Chairman W. R. Beaumier presided at the meeting. Mr. Fred Pool was introduced and he discussed the state's fiscal policy and the need for working out a suitable growth tax plan to finance the needs of state government. Mr. Pool appealed to business men to become really active in government affairs. He urged the committeemen to write Governor Price Daniel about a tax plan. Mr. Pool advocated the general sales tax.

HR 7300 the Thompson School subsidy bill was discussed. Committeemen upon a motion made by J. B. Perry, Jr., seconded by George Clarke unamiously voted to oppose the Bill.

HR 640 known as the Boggs Bill was discussed. Chairman Beaumier stated that the Bill would, if enacted, clarify the matter of business men having the right to deduct as expense funds which they might spend in opposing legislation which might be detrimental to their business.

Motion was made by S. W. Henderson, Jr., seconded by J. B. Perry, Jr., that the committee endorse the passage of the bill. Motion unanimously carried.

HR 6028 Area Redevelopment Bill which among other provisions proposes to allow 40-year house loans. It was stated that the Senate had passed SB 1922 and tacked a token down payment of $555 on a $15,000 home but that HR 6028 the House Version of the legislation-did not at the present time contain any provision for any down payment. Motion was made by Howard Walker seconded by Dr. C. C. Murray that the committee oppose the Bill. Motion unanimously carried.

Committeemen were informed that the State appropriations Bill contained a "rider" which would allow Dentists of other states or dentists of the Armed Forces to receive license to practice in Texas without taking the Texas Dental Board Examination. The committee took the position that any reciprocal arrangements on recognition of dentists of other states should be made between specific states to assure that dentists coming from other states had met requirements imposed by the State of Texas. Motion was made by Dr. C. C. Murray seconded by Dr. Crowley that the committee oppose the measure and urge its removal from the appropriations Bill. Motion unanimously carried.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

Legislative and National Affairs Committe Minutes
June 6, 1961

The matter of Foriegn Aid was discussed. It was stated that business men should always oppose Foriegn Aid. Committeemen were of the opinion that the principle of Foriegn Aid was completely wrong and further that the present Foriegn Aid program has not been directed in the proper direction. The example of only 4% being allocated for twenty Latin American Republics--which Republics had always voted with and supported the Mutual States in Western Affairs. Motion was made by J. B. Perry, Jr., seconded by George Clarke. Motion unanimously carried.

Committeemen were urged to start thinking now about candidates for future elections, that the time to properly influence legislative trends was before the election.

Dallas was cited as a city where business men went out and drafted conservative citizens to run for the state legislature.

Adjourn.

Herman Brown, Manager and Meeting Secretary

ANGELINA COUNTY CHAMBER OF COMMERCE
Minutes, Publicity Committee
July, 6, 1961

Present: Leeland Petty, Lee Butler, Tommy Lanyon, Walter Phillips, Darrell Yates, Ray Cornelius and Herman Brown.

Leeland Petty, Chairman presided at the meeting.

The Committee had a thorough discussion of publicity folders, brochures, community publicity pamplets etc. Manager Herman Brown showed copies of the pictorial informational folder which he said should be revised. Ways and means for improving the folder were discussed. Lee Butler , KTRE-TV and Radio offered the services of the firm's photographer to make publicity pictures.

Motion was made by Lee Butler seconded by Walter Phillips that the Chamber of Commerce revise the publicity and information folder. Motion carried.

It was decided that when the folders were printed the business firms be made an offer to secure extra copies, at the time that the chamber was having the printing done, for any business firm which might want to make individual business firm distribution of the community folders.

Herman Brown advised that it would take some time to assemble picutres and materials for the folder.

Adjourn.

MINUTES
RETAILER COMMITTEE MEETING
NOVEMBER 30, 1961

PRESENT: Bill Cone, Ralph Riley, Fred Daiches, Bill House, Herman Taylor, John Miller, Elbert Clark, Jim Clark, John Parker, Robert Austin, Monroe Waak, Ken Wealand, Herman Brown.

Minutes of the August meeting were read by Herman Brown, The success of the Christmas opening parade was discussed. It was suggested that consideration be given to starting the parade at 2:30 p. m. in 1962 instead of 2:00 p. m.

"Family Night" promotional events were discussed. Motion was made by Elbert Clark, seconded by Ken Wealand, that the merchants sponsor "family night" shopping events on December 8 and December 15 and to remain open for business until 8:00 p. m. on each of the days. Motion carried.

Late closing hours to allow additional shopping time for the customers of the area were discussed. Motion was made by John Parker, seconded by Herman Taylor, that the stores present observe 6:00 p. m. closing hours on December 11, 12, 13, 14, and 16. and observe 8:00 p. m. closing hours from December 18 through 23 and that other stores be urged to participate in the same closing hours. The vote: 7 for, 2 against, motion carried.

Manager Herman Brown stated that he would get out a letter immediately to the Retailers Committee and advise them of the committee's action and urge that all stores, excepting drug stores and cafes observe the closing hours.

The group present agreed on working out some sort of an announcement advertising page to publicize the December 8 and December 15 "Family Nights."

Adjourn.

ANGELINA COUNTY CHAMBER OF COMMERCE
MINUTES - RETAILERS MEETING
AUGUST 24, 1961 - 2:30 p. m. HOTEL

Present: Ralph Riley, Herman Taylor, Robert Austin, Bobbie Bresie, Burton Riley, Bill House, KEn Wealand, Joe Tatum, H. McClure, Gary Eaves, John Brooks, John Miller, Bryon McNeil and Herman Brown.

Chairman Ralph Riley presided at the meeting. He discussed the new wage situation and stated that it might be necessary for some firms to change store hours. Soft lines firms related that for the most part they prefered 8:30 a. m. to 5 p. m. on week-days and 8:30 a. m. to 6 p. m. on Saturdays. The general idea was that no material change in store hours would be made. Some department stores advocated 9 a. m. to 5 p. m. week days.

The matter of stores staying open until 8 p. m. one evening a week was discussed. Varying opinions were expressed relative to the merits of staying open for benefit of customers for one evening each week. It was suggested that Department Stores and Specialty Shops discuss store hours and possibly the evening opening at a 4:00 p.m. meeting on Friday, August 25.

The group unanimously set Friday, November 24 at 2 p. m. as the date and hour for the official Christmas Season opening.

It was suggested that stores remain open until 6 p. m. each evening for Christmas shopping for December 18 through December 23.

Motion was made by Byron McNeil, seconded by John Brooks that the committee commend the City officials upon the good work done on clean-up during the Summer. Motion carried.

The matter of some firms joining together to give away an automobile during the Christmas Season was brought up from the floor and discussed. The discussion centered around the theatre program where in tickets were required to be purchased at the Theatre in order to be eligible for the auto drawing. The complaint was registered that during the Christmas shopping season, when parking space was a premium that the car was parked in various downtown parking places and thus eliminated some customer parking each day.

Motion was made by Herman Taylor seconded by Burton Riley that the Retailers Committee request that the County Attorney enforce lotery laws in Lufkin. Motion carried.

Herman Brown was requested to seek possible attractions for the Christmas opening parade.
Adjourn.

MINUTES
Retailers Meeting
April 21, 1961

Present: Ralph Riley, Chairman, Herman Brown, Reagan Bowman, Gene Brookshire, A. L. Nelson, O. L. Hubbard, Hershel Dixon, Kenneth Barfield, Hoyet Williams, Walter Phillips, John Miller, Royce Christenson, Cliff Bolt, Ed Havard, Robert Austin, Bill House, Charles Hatcher, Elliott Cavanaugh, Frank Ideylott, Henry Gallip, Fred Ellis, Jeff Noble, Hugh Byrd, W. C. Royle, and Walter Roberts.

Chairman Ralph Riley presided at the meeting. He related to the merchants that the Lions Club and Sheriff's Posse would be making trips throughout East Texas on April 28 to advertise the May 3-6 Rodeo. He suggested that the merchants get up special advertising and print the section a week early and have 2,000 copies ready for the boosters to distribute on the trips.

Hugh Byrd, parade chairman, informed the retailers that ten high school bands had been secured for the parade, that numerous industrial units would assure the parade of being a mile-long or more.

It was suggested that newspaper advertising be selected for either Sunday 31 or Tuesday, May 2 with the 2,000 copies to be printed in advance.

Motion was made by Bill House seconded by John Miller that the retailers support a special section of rodeo advertising with the ad to be taken on May 2, but that 2,000 copies be printed and ready for distribution by April 27. Motion unanimously carried.

Manager Herman Brown, reported that his office would send out special publicity to newspapers and radio stations, write all Mayors and all chambers of commerce about the rodeo booster tours, and send schedules of time arrivals on the April 28.

Kenneth Barfield requested that advertising copy be turned in early as the advance sections would have to be made up and printed early.

Merchants were urged to go along on the April 28 booster trips and also to place decorated commercial entries in the rodeo parade scheduled for 4:30 P. M., Wednesday, May 3.

RETAILERS COMMITTEE
March 7, 1961

Present: Herman Brown, Robert Austin, Clifton L. Bolt, Joseph Tatum, W. C. Royle, Lee Brookshire, Royce Christenson, Ralph Riley, John Miller, Ed Havard, Fred Daiches, Jeff Noble, L. J. Conner, Elliott Cavanaugh, A. L. Nelson, and W. H. Johnston, Jr.

Ralph Riley, chairman presided at the meeting.

Retailers were urged to support the Junior Livestock Show scheduled for March 27.

Manager Herman Brown warned Merchants about various rackets and schemes and urged them to check carefully before buying.

"Going out-of Business" advertising was discussed at length with the committee taking the stand that such continued actions were unfair practices.

Retailers were urged to continue to support third Wednesday Bargain Day.

The possibility of conducting a mystery shopper contest and a sales clerk award was discussed but no action was taken.

The committee discussed the possibility of working out some sort of special award attraction for monthly Bargain Days. A committee composed of Robert Austin, John Miller, Bill House and Jeff Noble was named to recommend a plan.

Adjourn.

MINUTES--RETAILERS COMMITTEE
Angelina County Chamber of Commerce
February 7, 1961

Present: Ralph Riley, Chairman, Herman Brown, Barney Bernard, Jeff Noble, Arthur Bresie, Herman Taylor, Fred Daiches, Robert Austin, A. L. Nelson, John D. Miller, William B. House, Jerrell Weir, Charles Hatcher, Joseph Tatum, Tom Tatum, Walter Roberts, Raymond Levy, John D. Smith, J. B. Perry, Jr., J. E. Clark, Charles Turner, Elbert Clark;

Ed Havard, R. A. Brookshire, Wendell Roberts, Gary Eaves, Fred H. Ellis, Jr., Eugene Brookshire, Reagan Bowman, Oscar Brookshire, Bobbie Bresie, Bryon McNeil, Hershel Dixon, Riley Haygood, Lee Schurtz, Foster W. King, Jim Roper, O. L. Hubbard, Glenn Causey, Ralph Danley, Ben Ammons, Elliott Cavanaugh, L. J. Conner, Monroe Waak, Earl Medford, W. H. Johnston, Jr., and Reginald Squyres.

Chairman Riley presided at the meeting and welcomed retailers present at the meeting.

The following committee appointments were announced: PARKING, Elbert Clark, Chairman, Herman Taylor, Fred Daiches, John Miller, Joseph Tatum, Walter Phillips and Bill House; STORE HOURS, Bill House, Chairman, Earl Medford, Mrs. Roy Swann, Burton Riley and Hoyet Williams; MODERNIZATION AND CLEANUP, Jeff Noble, Chairman, John Brooks, Lee Brookshire, Mrs. Arthur Bresie and Hershel Dixon;

HOLIDAY OBSERVANCE, Herman Taylor, Chairman, Elbert Clark, Robert Austin, Mrs. Arthur Bresie and Joseph Tatum.

Chairman Riley announced that he had appointed the Holiday Observance Committee in advance of the date for the Retailers meeting in order that the committee might hold a meeting and make recommendations on the Holidays to be observed by the Merchants of Lufkin. Herman Taylor, chairman of the committee reported for the committee and recommended that the stores close on the following named Holiday dates: Memorial Day, May 30 as an observance for veterans; Independence Day, July 4; Labor Day, Monday Sept., 4; Thanksgiving Day, November 23; Christmas Day, Monday December 25; and New Year's Day, Monday January 1, 1962. Motion was made by Herman Taylor seconded by Byron McNeil that the recommended Holidays be observed. Motion carried.

Motion was made by Elliott Cavanaugh seconded by Bill House that Honest Bargain Day be promoted on Feb., 22 and further that such a bargain day be held and promoted by the merchants every third Wed., during the year. Motion carried. Chairman Riley stated he would request city officials to make parking meters free on February 22.

Individuals present were requested to take a Solicitations Card and display it in their respective stores.

It was decided that the next meeting of the committee would be held on March 7.

MINUTES
SPORTS COMMITTEE MEETING
February 22, 1961

Present: Joe M. Anderson, Chairman, C. W. Alexander, Russell Bourquein, Horace Cardwell, W. F. Collins, Ed Havard, George Henderson, Jr., Dr. H. L. Hughey, Roy Hurst, Ted Maberry, Benton Musslewhite, Robert McLaughlin, Buddy McKinney, Dr. Dan Spivey, George Wayland, Herman Brown and Dr. George Thannisch.

Joe M. Anderson, Chairman presided at the meeting. Dates and time for future meetings were discussed. It was decided that 5 P. M.- Monday's was the most acceptable time to hold the meetings.

The holding of a banquet for the Lufkin High Basketball Team was discussed. Some members expressed the opinion that county school teams should be included. Herman Brown stated that Banquets for county schools had only been held when such schools had won or was runner up in State Tournaments, that respective school communities had always held banquets for their teams. Chairman Anderson stated that since Huntington was still in competition and could become a winner that a joint banquet would be possible.

It was decided the committee would approach service clubs about such a noon-day banquet being held a joint meeting or at a specific club with the Chamber helping the club or clubs financially so as not to cost the club extra expense.

It was decided that the committee would sponsor and assist on promotion of a Junior Boys and Girls Tennis Tournament, tentative dates for which tournament had been set for June 19-22.

The committee also voted to sponsor the Junior Fishing Rodeo at Ellen Trout Lake. General opinion was that fishing time for the fishing contest should be reduced to one-half day. It was agreed that chairman Anderson would contact Paul McWilliams, City Recreation Officer and work out details for the event and to set a date.

Chairman Anderson informed committeemen that he had offered the services of Sports Committeemen to the school's coaching staff to help encourage boys to participate in school athletics. Committeemen were urged to attend the Spring practice scrimmage game to be held at close of Spring football training.

Thorough discussion was held on the possible organization of a Quarterback Club. Committee members were almost unanimous in favor of organizing such a club. It was finally decided that a committee composed of Buddy McKinney, Benton Musslewhite, C. W. Alexander, Joe M.Anderson, George Wayland, and Herman Brown ask to appear before the Lufkin School Board and advise the board of the committee's desire and intention of organizing a Quarterback Club as a football booster group.

It was also agreed that the committee would assist Lufkin Youth Baseball Association in the Summer League Programs.

Adjourn.

Herman Brown, Mgr., & Meeting Sec'y.

Transportation Committee
Angelina County Chamber of Commerce
April 20, 1961

Present:	R. A. Jackson	B. J. Peel
	C. O. Watts	W. F. Collins
	Dayle Smith	Jim Gaston
	Reagan Parker	Herman Brown
Absent:	R. A. Corbett, Jr.	H. C. Walker
	Robert Denum, Jr.	A. G. Perry, Jr.
	M. S. McMullen	

Herman Brown, manager presided at the joint meeting of the Rail, Rates and Motor Freight divisions.

Rates Chairman, C. O. Watts and Bus-Truck Chairman Dayle Smith were present. Rail Chairman Virgil Moon was not present, being on vacation.

Program of Work objectives were adopted as follows:

Promote transportation advantages of Lufkin as a commerce, trade and industry center.

Provide Industry Committee with specific rate information and data which may be required.

Cooperate with other committees on the downtown railroad underpass problems.

Study street traffic conditons and make recommendations to committees and to city officials.

The committee also expressed considerable concern about traffic conditions at Junior High School and pledged its support to the City officials, Planning Commission and Police Department on any feasible effort to lessen the conjestion. In the discussion the possible opening of Jodie street from Raguet to S. First was mentioned.

It was also decided that the committee make special publicity announcements about Transportation Day to focus attention on the importance of the transportatio industry.

The committee joined the Angelina County Safety Commission, and Civic Improvement Committee in citing the need for elimination of blind corners which are traffic hazards and will call upon citizens through an educational and publicity program to eliminate the hazards. It was mentioned that a few years ago a series of "blind corner" pictures were published to point out the hazard conditions to traffic. It was suggested that a check be made on the possibility of securing another series of pictures for publication.

The committee unanimously voted a motion expressing appreciation to the City Administration and to the Police Department in their efforts to improve traffic and transportation conditions and took note of the fact that some suggestions made by the committee in past years had been adopted by the City officials.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

The matter of "outlaw" hauling, by truckers not certified for public service or public carrier through Interstate Commerce Commission permit was discussed. It was decided that the matter was not one for the committee's action. However, it was decided that should specific cases be pointed out that such information could be forwarded to the Interstate Commerce Commission.

Discussing the traffic conjestion the committee noted that in some cities retired people had been employed by the city government to work on an hourly basis for an hour and one-half in the morning and an hour and one-half in the afternoon at certain schools to direct traffic before and after school. Arlington was cited as an example where such a worker would work at $1.00 per hour and thus relieve the regular police department officers from the task and at the same time give five-day a week protection for the children. The committee decided to bring this sort of suggestion to the city and school officials for consideration and possible action.

Adjourn.

MINUTES
Angelina County Planning Commission
Angelina Hotel - May 12, 1961 - 7:30 P.M.

Present: Leroy Patterson, Bebe Townsend, J. A. Barge, Vela Driver, Kenneth Nelson, Bayo Hopper, O. L. Finley, Ottis Locke, C. L. Franklin, Percy Simond, Billie Lee Thompson, Dr. B. H. McVicker, Lee Oliver, J. Carter Denman, H. J. Shands, R. B. Stroud, Herman Brown and B. L. Walters.

Absent: Arch Hinson and S. W. Henderson, Jr.

Others Present: County Commissioners Court Members: Judge Rolston, Hamp Davis, T. B.Parker, W. T. Parker and Sam Poe.

H. J. Shands, Sr., Chairman presided at the meeting. Chairman Shands read a list of the members of the newly appointed Angelina County Planning Commission. He stated that the group serve in an advisory capacity to the County Commissioners and the County Judge, first on matters of highway right-of-way financing and possibly later on other county projects. County Judge Rolston was requested to inform the committeemen present of the county's need in the way of right-of-way fund for roads.

Judge Rolston outlined highway and right-of-way problems as follows: The problem of providing right-of-ways for state and county projects is a difficult one. Land values are high. The county needs an advisory group to work with Commissioners. The County Road and Bridge Fund can't buy any appreciable right-of-way after present road projects are completed. The McGee Bend Dam project will have a gigantic impact on the economy of the area but will also require good roads, and of course, necessary right-of-way. Judge Rolston suggested that a citizens committee give consideration to various ways and means to finance future highway and road right-of-way needs. He indicated that the citizenship of the county would have confidence in recommendations made by an advisory group such as is being organized.

Chairman Shands named an Executive Committee as follows: O. L. Finley, Chairman, Ottis Locke, Bebe Townsend, Bayo Hopper, R. B. Stroud, Joe Carter Denman, with Chairman Shands and Secretary Herman Brown to serve as ex-officio members of the committee. Mr. Shands requested that the committee study possible ways and means of providing financing future for right-of-way needs. It was stated that the committee would report to the full membership of the Planning Commission and later the Planning Commission in turn would make recommendations to the Angelina County Commissioners Court.

T. Parker, Commissioner, Precinct No. 1 stated the members that Precinct 1 was having to pay $30,000 annually on right-of-way bonds or a total of $230,000.

Commissioner Sam Poe, Commissioner, Precinct No. 2 reminded members that the airport needed improved, that a new terminal building should be built, that the east-west Runway should be repaired and that all of the required "clear zones" had not been secured and completed.

A general discussion on tax and right-of-way problems followed.

Adjourn.

Minutes, Agriculture Committee Meeting
Angelina County Chamber of Commerce

May 7, 1962

Present: Davis McKinzie, J. F. Burris, E. K. Crouch, J. C. Newbill, Lloyd Parrish, Robert Poland, Louis Renfrow, W. E. Wood, M. F. Wichman, and Herman Brown.

Absent: Gary Eaves, O. L. Hubbard, Roy Hurst, Earl Medford, Walter Ramey, Dexter Satterwhite, Dr. Roy Saunders, R. C. Trimble, Charlie Richardson, Ottis Lock, Gene Brookshire, ~~Bill~~ GENE Benefield,

Chairman Davis McKinzie stated that the purpose of the meeting was to discuss sponsorship of the Junior Livestock Show. General opinion was that the committee should not ask merchants and business firms to contribute but about $3,000 for the show.

Manager Herman Brown outlined three "fat steer" exhibit plans as proposed by the FFA and 4-H Agriculture instructors and advisors. Plan No. 1: proposed two calves per boy for grading and the offering of 5¢ per pound for Choice grade; 4¢ per pound Good grade and 3¢ per pound for Standard grade. The plan would assign FFA and 4-H exhibitors to business men sponsors. It was stated that Plan 1, based on the same experience of the 1962 Junior Livestock Show would cost $200 or $300 more than the 1962 "fat steer" premium cost. Plan No. 2, also to provide for individual sponsors proposed five calves per boy for 60% of Chapter enrollment and proposed a flat premium of $30 for Choice Grade, $20 for Good grade and $10 for Commercial Grade for each calf or steer shown in the show. Based on the 1962 show experience this plan was said to likely cost approximately $2,800. Plan No. 3; proposed to limit the calves to 70% of the Chapter and allowed three calves per boy and proposed 7¢ per pound for Choice, 5¢ for Good and 2¢ for standard. Based on the 1962 show experience this plan was estimated to cost $4,400.

Committeemen were concerned over the fact that the Auction Barn could not accommodate sufficient crowds to assure business men sponsors a good opportunity to view the show. It was suggested that a reserved section for sponsors be arranged.

The committee favored Plan 2, with considerable modification. Motion was made by J. F. Burris seconded by W. E. Wood and was voted and adopted that the committee offer to sponsor the Junior Livestock Show in according with the following outlined Plan:

"Start feeding program by October 1, continue feeding program for 140 days. Hold the sale at the Lufkin Livestock Commission Auction Barn. Have the Chamber of Commerce Agriculture Committee to contact business and professional firms for finances and sponsorships by September 15 and assign FFA and 4-H Boy calf show exhibitors to business men sponsors by November 15. Pay a flat premium of $30 each

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

for calf judged or graded "Choice" and $20 for each calf judged or graded "Good". The Committee also approved a limit of 150 calves for the entire "fat steer" division. Limit of 2 calves to each boy, quotas not transferable. Deadline for entering calves, October 1. Deadline for Calves to be in show barns, evening before show and sale date. Calves to be sold are to be vaccinated.

In offering the plan the committee also suggested to FFA and 4-H Advisors that calves to be purchased for the feeding program not be more than 375 in weight, but that such a suggestion could not be adhered to by the boy.

Chairman McKinzie and Manager Herman Brown were authorized to submit the plan to FFA and 4-H Club Advisors and work out details of the sponsorship in accordance with the plan as voted and outlined.

It was also decided that the committee, if the show should be sponsored, would request business and professional firms to sponsor calves at $25.00 per calf as a means to secure necessary finances.

Adjourn.

Herman Brown, Manager &
Meeting Secretary

Davis McKinzie, Chairman

Minutes, Agriculture Committee
Angelina County Chamber of Commerce
Lufkin, Texas
March 27, 1962

Present: Davis McKinzie, Flower Burris, Gary Eaves, O. L. Hubbard, J. C. Newbill, Robert Poland, Louis Renfrow, M. F. Wichman, Charlie Richardson, Gene Brookshire, Herman Brown, Bobby McCurry, R. L. Lehman, Joe Belk, Harold Strong, A. Jeffro, Hayne Daniel, Herman Bate, and Charles Brown.

Absent: E. K. Crouch, Roy Hurst, Earl Medford, Lloyd Parrish, Walter Ramey, Dexter Satterwhite, Dr. Roy Saunders, R. C. Trimble, Ottis Lock.

Chairman Davis McKinzie presided at the meeting. He requested that Herman Brown, manager outline details of the recently held 6th annual Junior Livestock Show.

A report on the success of the show was given by the manager. It was reported that the show cost was $3,891.97 for incentive premiums and for breeding show prizes. Receipts for the show were given as $2,415.37 which included $814.74 paid by some sponsors direct to the boys. Therefore, it was reported that Expenditures over receipts were $1,476.60. Breeding show prizes were listed as $290.00 which cost was said to be included in the over-all cost for the exhibits. A total of 22 of the 198 calves graded "choice" and 110 calves graded "Good".

Discussion centered around ways and means to secure more participation by business and professional firms, how and where to hold the show in order that a greater public could witness the show. It was suggested that possibly the show could be held at the new Lions-Sheriff's Posse arena. The problem of weather was described as being a factor with which to account in trying to hold a show outside. Agriculture teachers and 4-H advisors present recounted cost problems involved with the feeding program for the boys, that unless there was some premium incentive paid that the boys could not make expenses on the program.

The committee was much in praise for the Lowrey Brothers and the Lufkin Livestock Exchange for cooperating with the group. Space at the show for spectators was listed as a prime drawback for larger crowds.

It was decided that Bobby McCurry of Diboll would head the Agriculture and 4-H Advisors Committee to work out plans which the group would consider feasible for the 1963 show as far as the exhibits, feeding program and premiums were concerned.

The committee authorized Chairman McKinzie to name a sub-committee to study financing and ways and means to secure greater participation and report back to the committee. Mr. McKinzie stated that he would like a little time to think about the matter before naming the committee.
Adjourn.

AVIATION COMMITTEE
Bill Busby, Chairman

Continue efforts to improve the Angelina County Airport.

Work with all interested groups on necessary financing. Express chamber's views on priority of improvement needs, such as runway rebuilding, runway extension, building of a new terminal building, etc. work first toward most important improvements.

Try to get airport access road improvement and maintenance problem worked out.

MAINTENANCE

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

MINUTES, AVIATION COMMITTEE

Angelina County Chamber of Commerce
March 27, 1962

Present: Bill Busby, Carl E. Carroll, George Kelly DuPuy, Pitser Garrison, Jimmy Hunter, S. W. Henderson, III, C. B. Manning, Curtis Swain, R. B. Stroud, Claude Smithhart, B. W. Young, Herman Brown.

Bill Busby, Chairman presided at the meeting. He reviewed the work of the committee in the past on various problems with regard to airport improvement, maintenance, airline services and air transportation in general. Chairman Busby appointed the following sub-committees:

AVIATION: GENERAL
H. C. White, Jr.
Jimmy Hunter
Carl Carroll
B. W. Young
Horace Stubblefield

AIRPORT: MAINTENANCE AND OPERATION
J. B. Perry, Chairman
Carnes Manning
Ray Fisher
R. B. Stroud

AIRPORT: IMPROVEMENT & FACILITIES
Curtis Swain
Cooper Richards
S. W. Henderson, III
W. C. Book

AIRPORT: FINANCING AND ORGANIZATION
Pitser Garrison, Chairman
John Winston
George K. DuPuy
Claude Smithhart
A. O. McQueen

It was suggested that the Committee recommend the creation of an Airport Board to administer and govern the airport. Members present were of the opinion that the Committee should work toward the possibility of requesting the County Commissioners to agree to the appointment of such a board.

The matter of a great need for additional hanger space at the Angelina County airport was discussed. It was stated that since the county could not finance hangers that the Committee consider the matter of recommending an over-all plan to build and finance hanger space at the airport and seek an agreement from the county. It was stated that owners of private and company planes would assist on such a program to provide hangers.

It was decided that a committee composed of Pitser Garrison, Curtis Swain and Carnes Manning be named to formulate a plan for building and financing such proposed hangers and report back to the committee. The general idea was that after approving of a definite hanger and finance plan, the Aviation Committee would seek the support and approval of the Lufkin Industrial Foundation as a vehicle through which to make recommendations and proposals to the Angelina County Commissioners Court. Chairman Busby asked that the committee make its plans and investigations and report to the committee as soon as possible.

Adjourn.

CIVIC IMPROVEMENT
PROGRAM OF WORK
1962

Continue civic pride educational and civic improvement program as advocated by civic-pride study group.

Request Retailers Division to take definite action on downtown store front modernization, paint-up and general town cleanup.

Urge enforcement of weed cutting ordinance. Seek cooperation of railroads to keep rights-of-way more attractive.

Seek some dramatic campaign, drive or event to create town-wide participation in a gigantic cleanup of all sections of Lufkin and other county towns.

Support any feasible plan to create a city-county Health Unit.

Discuss long-range planning looking toward the building of an all-purpose civic center. Investigate the possibilities of building a combination civic center and fall-out shelter.

ANGELINA COUNTY CHAMBER OF COMMERCE
MINUTES
CIVIC IMPROVEMENT & MERCHANTS DIVISION SUB-COMMITTEEMEN
JUNE 28, 1962

Present: Wilson McKewen, Walter Atwell, Fred Daiches, Joe Tatum, Bayo Hopper and Herman Brown.

Bayo Hopper, Chairman of the Civic Improvement Committee presided at the meeting.

Numerous ways and means to organize an effective business and residential cleanup and civic improvement dirve or campaign were discussed.

It was generally agreed that emphasis on the activity should be centered on the downtown section using the preliminary survey made by the Sherwin-Williams Company officials as a base. It was also decided that survey or listing of unattractive conditions or improvement needs should be made, that city officials should be contacted relative to cooperation on the project.

The idea of conducting a contest among Civic Clubs was suggested. The suggestion advanced the idea that the town could be divided into sections with various clubs being assigned a section to work on cleanup and improvement with the chamber offering trophies and prizes.

The committee decided on the civic club type of approach, that Chairman Hopper and Manager Herman Brown should contact the City officials and ask for an inspection tour and then later report to the committee about organizing clubs for action on the cleanup contest.

It was agreed that the committeemenwould work toward getting the campaign and contest started by Labor Day week in September.

Adjourn.

MINUTES, CIVIC IMPROVEMENT COMMITTEE
ANGELINA COUNTY CHAMBER OF COMMERCE
April 18, 1962

Present: Bayo Hopper, Walter Atwell, Rufus Duncan, Norman Norris, W. C. Royle, Wilson McKewen, Dr. Dan Spivey, Jack Tucker, Dr. George Thannisch, and Herman Brown.

Absent: Gordon Horn, Elwyn Gipson.

Chairman Bayo Hopper presided at the meeting. He read program of work suggestions as follows:

Continue civic pride educational and civic improvement program as advocated by civic-pride study group.

Request Retailers Division to take definite action on downtown store front modernization, paint-up and general town cleanup.

Urge enforcement of weed cutting ordinance. Seek cooperation of railroads to keep rights-of-way more attractive.

Seek some dramatic campaign, drive or event to create town-wide participation in a gigantic cleanup of all sections of Lufkin and other county towns.

Support any feasible plan to create a city-county Health Unit.

Discuss long-range planning looking toward the building of an all-purpose civic center. Investigate the possibilities of building a combination civic center and fall-out shelter.

Manager Herman Brown read a number of civic improvement suggestions from the Civic Pride Study Report, including need for downtown modernization, cleanup, beautification, street and curb improvement and park improvement. It was stated that the "Yard Beautiful" program was carried on during the summer for two years recognizing homes where excellent yards had been kept.

Improvement of the lot downtown on West Lufkin Avenue near Perry Brothers and across from the Library was discussed. Former Chairman Norman Norris reported that the lot had been filled in by the city in cooperation with the Chamber of Commerce.

Chairman Hopper stated that a representative of the garden clubs had offered to work with the committee. It was decided that the garden clubs or a garden club be requested to work with the committee in beautifying the downtown lot in question by planting grass and working out a way of mowing and maintenance.

The committee was advised that work on securing improved conditions relative to store trash, boxes and refuse evident on Calder Square would be renewed with the City officials, that at one time an agreement had been reached whereby a large steel box-type container would be built for the placing of trash for the city trucks but that the city had not gone through with the arrangement. It was also stated that adjacent stores had agreed to participate in the cost of building such a container.

A committee composed of Wilson McKewen, Rufus Duncan and Walter Atwell was named to meet with a modernization sub-committee for the downtown section named by the Merchant's Committee. Committeemen were told that the Merchants group would bring in a specialist to be provided courtesy of the Sherwin-Williams Company to assist in a needs survey.

The committee renewed its pledge to cooperate with the City Planning Commission.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

Long-range projects such as a civic center were discussed, but no action was taken.

The matter of seeking city assistance in improving and creating off-street parking alongside the Cottonbelt Railroad tracks from Angelina Street to Second Street was discussed. Members present voiced the opinion that this project should be renewed, that at least an effort should be made to get one of the blocks developed.

Chairman Hopper asked if members preferred to meet at noon. A noon meeting seemed to be preferred by a majority of the committeemen.

Adjourn.

ANGELINA COUNTY CHAMBER OF COMMERCE
MINUTES, EDUCATION COMMITTEE MEETING
AUGUST 14, 1962

Present: Wilson McKewen, W. Joe Anderson, Elliott Cavanaugh, C. W. Fenley, Jr., W. C. Royle, D. C. Satterwhite, Howard Walker, and Herman Brown.

Chairman Wilson McKewen presided at the meeting. First order of business was to formulate plans for the annual reception for teachers. It was decided that the reception be held on August 27 at 10:30 a. m. at the High School cafeteria for white teachers of the county and at Garrett School at 2:30 p. m. August 27 for negro teachers. Herman Brown was asked to arrange for doughnuts and drinks.

It was decided that retired teachers be invited to the receptions.

Committeemen were informed that a greeting-type card was mailed to all teachers prior to the close of the Spring school term containing the following message:

> "We take this means to express our appreciation and thanks to you for having done a good job of teaching the boys and girls of this community during the past school term. We extend to you our very best wishes for a happy, relaxing and eventful vacation from your teaching duties.
>
> It is our hope that we will have the privilege of seeing you again at our annual reception for teachers to be held at the start of next school term." Sincerely,

The card contained the names of the Education Chairmn, President and Manager of the Chamber of Commerce.

The suggestion of sponsoring a Business-Education Day was discussed. It was decided that a sub-committee composed of W. C. Royle, Elliott Cavanaugh, Howard Walker and Herman Brown discuss B-E Daywith school officials and recommend plans for the committee's action.

It was suggested that the Committee should recognize students honored by being included into the National Honor Society. It was decided that the Manager should investigate the possibilities of having a luncheon to recognize such students andpossibly others of outstanding scholastic achievement.

The committee decided to invite civic clubs and organizations to attend the teachers reception.

Adjourn.

FORESTRY COMMITTEE
1962

Support program sponsored by Texas Forestry Association.

Sponsor series of observance events for National Forest Products Week, October 21-27.

Work on a program for high school classes to visit wood products industries.

Secure wood products motion picture films for showing to school and club groups.

Urge Legislative and National Affairs Committee to take whatever action necessary to express local views on legislative issues affecting forestry and forestry products.

Point out the need for all groups interested in forest and wood products to promote greater utilization of wood products.

Offer cooperation to Texas Lumber Manufacturers Association.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

MINUTES
Forestry Sub-Committee
July 5, 1962

Present: John Cooper, Chairman; Barney Glade, Ed Wagoner, Bill Arlen, Jack Mims, Kenneth Burton, and Herman Brown.

The committee discussed activities for National Forest Products Week, scheduled to be observed October 21-27. General opinion was that the committee should seek the cooperation of the Lufkin News in the publication of either a special tabloid on wood products industries or the publication of a special news section on Wood Products Week, such as the Family Weekly. It was decided that the chamber should write a letter to all wood products industries and send out a questionnaire seeking historical and other information on the industry and ask for a picture of each industry which would be used for publicity purposes during Forest Products Week.

The committee also decided to work on getting civic club programs together and also provide a film presentation on Forest Products industries to all of the schools in the county which would allow such films to be shown at assembly programs. Kenneth Burton stated that most of the schools of the county had indicated a desire to have such a film program for their schools. Ed Wagoner was requested to seek television program time on At Your Service for KTRE prior to Wood Products Week. Mr. Wagoner suggested that the committee secure a statement from Mr. Arthur Temple, Jr., who is currently President of the National Lumber Manufacturers Association.

The committee also discussed a plant visitation program for school classes. It was generally agreed that the plant visitation program shoudl probably be spread out over a period of months during the next school term rather than try to arrange for plant visitation on the part of the students during Forest Products Week. Manager Herman Brown advised that about 13 of the 18 wood products industries had returned inquiry cards signifying that they would accept students in plant tours. It was decided that the committee should invite all of the superintendents of Angelina County schools to a meeting for the purpose of further exploring the plant tour program possibilities for next school term and ask the support and aid of the superintendent in outlining such a vocational program.

It was suggested that the manager and chairman work toward holding such a meeting in the month of August.

Adjourn.

Herman Brown, Manager and Meeting Secretary

John W. Cooper, Chairman-Subcommittee

MINUTES, FORESTRY COMMITTEE
ANGELINA COUNTY CHAMBER OF COMMERCE
Lufkin, Texas March 30, 1962

Present: Barney Glade, K. L. Burton, John Cooper, J. S. Harper, Jack Mims, Harvey Sprott, S. W. Henderson, Jr., M. F. Wichman, E. R. Wagoner, and Herman Brown.

Absent: Herman Bate, J. M. Clark, J. Shirley Daniel, Gary Eaves, Art Lehmann, Donald C. O'Neil, Gilbert Simmons, R. C. Trimble, Luther Holland.

Chairman Barney Glade presided at the meeting. Program of work suggestions were discussed.

It was decided that sponsoring a forestry field day for 1962 was not necessarily needed in view of good forestry management now being practiced. The committee also decided to delay the proposed sponsoring of a forestry essay contest in the school students of the county.

Committeemen pledged full support to the Texas Forestry Association and offered support to the association's annual meeting, scheduled October 26 in Beaumont.

The committee voted to sponsor a series of activities and events to observe National Forest Products Week scheduled for October 21-27. A committee composed of John Cooper, Chairman, Jack Mims and Jess Harper were named to formulate plans for the observance activities. Suggestions for the week's events were as follows: Poster distribution, radio, television and newspaper news and publicity; exhibits in banks, hotels, and motels and speakers for various groups.

The proposal that investigation be made relative to the possibility of High School Classes of Angelina County High Schools be scheduled to visit wood products industries was met with approval. It was also suggested that a Forest Products Film be made available for showing at assemblies and at other groups to spotlight and emphasize the importance of the wood products industries. Herman Brown mentioned that there were 19 wood products industries in Angelina County. Ken Burton was named Chairman of a committee to be selected to work up schedules and make contacts with industries and with schools.

It was mentioned that the Association of State Foresters had gone on record as being against any sort of "crash" program on forestry, that such a program was not to the best interests of the general forestry program.

The committee agreed to request the chamber's legislative committee to be alert on legislative proposals and measures which might have adverse affect on forestry and forestry products and take proper action to inform legislators of the views of the committee and of people in Angelina County.

Round-table discussion was had on forestry problems. General opinion of all committeemen present was that the chief present need is for greater utilization of pine timber and forest products. It was agreed that the committee should work with all groups which have goals for promoting a greater wood products utilization, particularly the Texas Lumber Manufacturers Association.

Adjourn.

HIGHWAY COMMITTEE
Joe Stegall, Chairman
Program of Work Suggestions

Work toward the securing of finances for railroad underpass in downtown section.

Seek meeting of State, county, city and railroad officials for the purpose of projecting plans for an underpass project. Such plans may well need to be coordinated with financing plans for bond issue to provide for other city needs such as street rights-of-way.

Work with Angelina County Planning Commission and Commissioners Court to secure right-of-way for highway projects.

Work with State aHighway Department, County Commission, and Angelina Development Association on planning and building access roads to McGee Bend recreation areas in Angelina County.

SDiscuss long-range plans for street development with City Planning Commission.

Meeting of Highways and Roads Committee
Angelina County Chamber of Commerce
May 1, 1962

Present: Joe Stegall, Ottis Lock, John Redditt, B. M. E. Smith, R. B. Stroud, H. J. Shands, Sr., J. M. York, Herman Brown, and Reagan Parker.

Chairman Joe Stegall presided at the meeting. He read Program of Work Suggestions as follows:

"Work toward the securing of finances for railroad underpass in downtown section.
Seek meeting of State, county, city and railroad officials for the purpose of projecting plans for an underpass project. Such plans may well need to be coordinated with financing plans or bond issue to provide for other city needs such as street rights-of-way.
Work with Angelina County Planning Commission and Commissioners Court to secure right-of-way for highway projects.
Work with State Highway Department, County Commission, and Angelina Development Association on planning and building access roads to McGee Bend recreation areas in Angelina County.
Discuss long-range plans for street development with City Planning Commission."

Much discussion centered around the downtown traffic problem in crossing the railroad. District Highway Engineer J. M. York stated that State financial assistance might be secured if the underpass should be located in a business route for a state highway. Calder square was listed as a possible location for such a proposed underpass. Committee member Ben Smith asked if there was a possibility of moving the switching yards.

It was decided that the committee recommend to city officials that some definite plan be considered to relieve the downtown traffic over the railroad and that the committee offer to City Commissioners and City Planning Commission to work out a finance plan.

The matter of highway right of way was discussed but it was believed that no immediate action was required.

The committee decided to sponsor formal opening ceremonies at the Angelina River bridge on U. S. 59 North to open the first five-mile segment of the four-lane highway between Lufkin and Nacogdoches. District Highway Engineer J. M. York stated that the opening if desired could be held during the week of May 20-26 which was National Highway Week. Chairman Stegall and Manager Herman Brown were authorized to confer with Nacogdoches officials and if they desire to participate in the ceremonies to proceed to arrange the event and invite one of the members of the State Highway Commission to attend the event.

Reagan Parker, President stated that the suggestion had been made to him that Angelina Street be opened from West Denman to Feagin Drive and thus open a thoroughfare from West Side Loop No. 287. It was stated that when the committee should get a conference with city officials on highway and street improvement matters that the suggestion would be offered to them.

ANGELINA COUNTY CHAMBER OF COMMERCE
INDUSTRIAL DEVELOPMENT COMMITTEE
1962
PROGRAM OF WORK SUGGESTIONS

Secure additional funds for Lufkin Industrial Foundation. Pay balance owed on 24-acre tract.

Depending upon finances secured, purchase additional site land for use in industrial development.

Seek ways and means to encourage all citizens to become "salesmen" for Lufkin and Angelina County in efforts to attract new industry.

Promote better relationships between business, industry, management, and employees. Support existing industries, and focus attention on the industrial economic impact on the community. This may entail the creation of an industry Relationships Committee.

Sponsor a special industry visitation program on a large scale, something new and different from programs sponsored in past years.

Seek to establish Lufkin as a location for distribution warehouses.

Revise economic data and information for industrial contact work.

MEETING
INDUSTRIAL SITE SUB- COMMITTEE

MEMO:

The Industrial Site Sub-Committee met in Mr. Pitser Garrison's office Friday, August 17 at 9 a. m. Present were Herman Brown, John Henderson and Rufus Duncan and Pitser Garrison

The committee discussed various proposed sites for Industrial Parks. Renewal of negotiations on the L. H. Denman property was discussed. It was reported that Mr. Denman might be willing to sell but that numerous conditions seemed to accompany an indication to sell.

The Committee reviewed possibilities on the Singleton Estate property and the John Winston property. It was decided that the committee take another look at the Singleton property before making further recommendations to the Industrial Committee or the Board of Directors of the Chamber of Commerce.

Signed: _____
Herman Brown

MINUTES, INDUSTRIAL COMMITTEE
ANGELINA COUNTY CHAMBER OF COMMERCE
LUFKIN, TEXAS DECEMBER 17, 1962

Present: E. L. Kurth, Jr., Pitser Garrison, W. R. Beaumier, L. A. Douglas, John Henderson, Roy Kurth, Jr., C. W. Medford, Virgil Moon, H. J. Shands, Jr., Herman Taylor, Herman Brown, and Reagan Parker.

Absent: Elbert Clark, R. H. Duncan, Marvin Kreuter, J. B. Perry, Jr., and R. B. Stroud.

E. L. Kurth, Jr. presided at the meeting. Chairman Kurth requested Vice-Chairman Pitser Garrison who had been working with the Site Sub-Committee to report recommendations which the Committee desired to make.

Mr. Garrison, speaking for the Committee, presented written descriptions of two tracts of land, both of which the Committee recommended that the Chamber develop simultaneously.

The tracts were designated as follows:

PURVIS PROPERTY: The Committee termed the tract as desirable by reason of having state highway frontage, access to rail, utilities, and located within the city limits of Lufkin. The property was described as having two pipe lines thereon, but the Committee did not feel that the lines would be of great importance as a hindrance. The Committee reported that the property could be purchased for $1,200 per acre with 10% or 15% down on a ten year payment plan at 6% interest. The Committee recommended the purchase of 80 acres of the 117 acres in the tract.

SINGLETON PROPERTY: The Site Sub-Committee recommended that an option agreement be worked out to secure a 300 acre tract; that the first 20 or 30 acres could be purchased at a cost of $500 per acre with option to purchase the balance on a series of annual options over a ten year period at a graduated price per acre, so that at the conclusion of the contract the Singleton property would average $1,000 per acre. It was stated that the Singleton property was located North of town on the Old Nacogdoches Highway and a portion located on and alongside a road leading to Ellen Trout Lake. It was also pointed out that the property presented some problem with respect to sewer facilities, but in the opinion of the Committee could be surmounted. It was further pointed out that the property would be excellent for development of both light and heavy type of industry. The Committee reported also that in the proposed contract the Chamber would agree to extend utilities and rail facilities to the property.

In discussing the recommendations of the Industrial Committee reasoned as to whether or not the Chamber could afford to purchase both tracts. Industrial Committeemen questioned whether or not the Chamber could raise sufficient funds to develop both tracts. Discussion then

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

centered on which tract to recommend to the Board.

Motion was made by C. W. Medford, seconded by Roy Kurth, Jr., that the Industrial Committee recommend to the Board of Directors that the Chamber approve the purchase of the Singleton property under a plan to be worked out with the Singleton property owners as outlined in the recommendation by the Site Sub-Committee. Motion carried.

Adjourn.

MINUTES
INDUSTRIAL DEVELOPMENT COMMITTEE MEETING
LUFKIN, TEXAS
July 10, 1962

Present: E. L. Kurth, Jr., Pitser Garrison, W. R. Beaumier, Elbert Clark, L. A. Douglas, John Henderson, Marvin Kreuter, C. W. Medford, Virgil Moon, J. B. Perry, Jr., H. J. Shands, Jr., Herman Taylor, and Herman Brown and Reagan Parker.

Absent: R. H. Duncan, Roy W. Kurth, Jr., R. B. Stroud.

Chairman E. L. Kurth, Jr., presided at the meeting. Pitser Garrison, Chairman of the site bus-committee was requested to present a report on additional site investigations. Mr. Garrison reported that he had received another proposal from members of the Singleton Estate. Maps were shown on the tract, north of town, containing 257 acres in one tract and 70 acres in adjoining tracts owned by the Estate. It was further reported that the Singleton people wanted $1,000 per acre for the property but that they would accept a proposal to purchase the land on a graduated price scale starting at $500 per acre for the first 20 acres with the future purchases increased over a ten-year period to a point that the average price for the land would be $1,000 per acre. It was also reported that the Singleton people would want utilities extended by the chamber or the Industrial Foundation to the first 20 acres purchased under such an option agreement.

It was also reported that timber on the Denman property has been cruised and that there was an estimated $7,500 value in timber on the property. Mr. Garrison reported that Mr. Denman has agreed to sell the property, 185 acres, for $750 per acre and retain the timber thereon, that the property was crossed by U. S. Highway 59 and was also served by two railroads. He reported also that the property could be purchased with a down payment of $10,000 to $25,000 with the balance to be paid over a ten year period at 6% interest. He stated that it was the recommendation of the site sub-committee that the chamber directors be requested to secure an option to purchase the Denman property and further to conduct an Industrial Foundation funds campaign to buy the land and develop it.

Mr. E. L. Kurth stated that the Angelina County Lumber Company would give the Industrial Foundation a five-year option without charge on the fifty-acre tract adjoining the Denman property at the same price per acre which might be paid for the Denman property.

Motion was made by W. R. Beaumier seconded by J. B. Perry, Jr. that the Industrial Development Committee recommend to the Board of Directors of the Chamber of Commerce and Industrial Foundation that the chamber secure an option on the Denman property at $750 per acre on the ten-year amortization plan and further that the chamber of commerce also request an option of the Angelina County Lumber Company's fifty acres which joins the Denman property at the same price. Motion carried.

Chairman E. L. Kurth reported to the committee that the owners of Wynnwood Products company in Jacksonville, Texas had purchased a plant in the East and wanted to move it to Texas, and, that an effort was being made to locate the plant in Lufkin to use waste products from Angelina County Lumber Company. He further reported that the company would require about ten acres of land and would employ about 100 people.

Copied from an original at The History Center, Diboll, Texas www.TheHistoryCenterOnline.com 2018:001

It was reported that the officials of the company had stated that they planned to check into possibilities in other cities.

Committeemen pledged support in the effort to locate the wood products plant in Lufkin.

Adjourn.

Herman Brown, Manager

E. L. Kurth, Jr., Chairman

Industrial Development Committee
Angelina County Chamber of Commerce
June 6, 1962

Present: E. L. Kurth, Jr., Pitser Garrison, R. H. Duncan, John Henderson, Reagan Parker, Elbert Clark, C. W. Medford, Virgil Moon, J. B. Perry, Jr., and Herman Brown.

Absent: W. R. Beaumier, L. A. Douglas, Marvin Kreuter, R. W. Kurth, Jr., H. J. Shands, Jr., R. B. Stroud, and Herman Taylor.

The sub-committee on sites, Pitser Garrison, John Henderson and R. H. Duncan reported investigations on site possibilities. The committeemen reported that they had investigated the 400-acre tract known as the Old Tobacco Farm on Highway 69 West; the Harrell property (now owned by Gordin Riley of Corrigan) and the City Airport Property as one unit; the Singleton Estate property, northwest of town; and the Denman property located north of town on U. S. Highway 59 and on the Southern Pacific and A. & N. R. Railroad.

The committee placed the Denman property as the most desirable; the Singleton property, second; Tobacco property, third; and the Harrell-Old City Airport property, fourth in desirability for industrial development.

The committee reported that it was believed that the Denman property could be secured for $750 per acre but that Mr. Denman wanted to retain the timber on the property and thus the per acre cost would be increased. Mr. Garrison reported that the property could likely be purchased with a down payment of from $15,000 to $25,000 and with a ten-year payout at 6% interest.

The committee discussed the possibility of trying to purchase the property and securing the timber in the deal, that it might be advantageous in development for the timber to be cut as the property was developed. Mr. Kurth volunteered to have his company men to make a survey on the tract to provide an estimate on the value of the timber. Committeemen discussed the possibility of securing an option for six months in order to give the chamber time to formulate plans for a community-wide finance drive for Industrial Foundation Funds to purchase the lands and to develop the tract.

It was also stated that the Angelina County Lumber Company owned fifty acres adjoining the Denman property which would be desirable for development by the committee. Mr. Kurth offered to give an option on the land for five or six years at a price not to exceed the price which might be agreed upon to pay for the Denman property.

Motion was made by C. W. Medford seconded by J. B. Perry, Jr., that the Industrial Development committee recommend to the Board of Directors that the chamber seek an option, a six moths option, if possible on the 185-tract, north of the city, at a price not to exceed $750 plus the per acre value placed on the timber by committeemen following the timber value survey; and further, that the Industrial Development Committee in the report to the Board also recommend that a "community-wide" funds drive be staged for the Industrial Foundation to provide finances for land purchase and for site development, such funds drive be proposed to be worked out on a three to five year pledge and payment plan for business firms and citizens to pay into the Industrial Foundation. Motion unanimously carried. Pitser Garrison, Vice Chairman of the Industrial Committee was requested to present the recommendation to the board.

Adjourn.

Herman Brown, Manager

E. L. Kurth, Jr. Chairman

ANGELINA COUNTY CHAMBER OF COMMERCE
INDUSTRIAL DEVELOPMENT COMMITTEE
MINUTES
March 19, 1962

Present: Mr. E. L. Kurth.,Jr., Pitser Garrison, W. R. Beaumier, Elbert Clark, L. A. Douglas, R. H. Duncan, John Henderson, Marvin Kreuter, Roy Kurth, Jr., C. W. Medford, Virgil Moon, J. B. Perry, Jr., H. J. Shands, Jr., R. B. Stroud, Herman Taylor and Herman Brown.

Chairman E. L. Kurth, Jr., presided at the meeting. Herman Brown, manager briefly reviewed the work of the committee for the past year. It was stated that the Industrial Foundation owned 24 acres of land in East Lufkin, that one small industry had been located thereon during the past year which employed sixty people or more. It was stated that the Foundation owed $3,300 plus about $50 interest to the present date.

It was agreed by those present that the chief problem was to acquire suitable tract or tracts of land and to develop an industrial park or an industrial sub-division. Development of from 100 to 200 acre tracts was termed to be most desirable. Manager Herman Brown stated that when the Post Office site contract was completed the Chamber of Commerce would have $45,000 income from the sale of the two-acre site; that it had been the general idea by board members and industrial committeemen in the past to use a considerable amount of these prospective funds for the purpose of carrying on industrial development work and securing options on needed industrial site land.

The sites committee together with Vice-Chairman Pitser Garrison was requested to look into site possibilities and make recommendations to the committee.

Pitser Garrison stated that Lufkin should go forward on industrial development, that site costs should be estimated and a definite funds program organized wherein all business and professional groups would be requested to make financial investments in the Industrial Foundation; that citizens and workers be given opportunity to pay any amount. He further stated that some citizens and business people who had been found to criticize the chamber of commerce on its industrial program be asked to get on the line and help to carry on a program of financing and development. The suggestion was also made that such a funds drive could be arranged on a five-year pay plan with negotiable notes or pledges signed so that banks could advance the Foundation money on such negotibale instruments.

It was agreed that following recommendations to be made by the sites sub-committee, the committee would consider an over-all development costs and a package estimate and proposal.

Other items discussed at the meeting included visitation programs for industry, recognization of industry during Industry Week in April better relationships between industry and general business.

MAIL ORDER MINUTES

MINUTES
Legislative and National Affairs Committee
February 22, 1962

Present: Dr. C. C. Murray, J. M. Anderson, W. F. Collins, Pitser Garrison, Bill Perkins, R. B. Stroud, Walter Trout, Herman Brown.

Dr. C. C. Murray, Chairman presided.

1. Federal Aid to Education: The committee discussed the various programs on federal aid for education. Members present voted to oppose federal aid to education in any form including college scholarship grants and class room grants. Committeemen reasoned that federal aid will eventually lead to federal control. It was pointed out that nearly $6 billion has been proposed for federal aid to education in eleven different catagories.

2. United Nations Bonds: The committee took the position that the United States should not finance the entire United Nations operation; that if Unted Nations bonds sale was absolutely necessary that the United States purchase only a fair share of the bonds. It was the opinion of the committee that our country should not purchase "one-half" of the $200 million dollar proposed bond issue.

3. Foreign Aid: Continued opposition to foreign aid was voiced by the committee and voted to its opposition to waste in foreign aid, to urge no further expansion of foreign aid and to advocate a general reduction of funds expended to other countries of the world for ~~federal~~ U. S. aid.

4. Medical Care of the Aged: The committee discussed the Kennedy plan for medical care of the aged under the Social Security system. The committee opposed expansion of Social Security to include medical care for the aged.

5. Boggs Bill: Members present again went on record as favoring the proposals made in the Boggs Bill. The bill was described to contain provisions which would clarify expenses incurred by business men in making trips to appear at Congressional hearings in the interests of legislation which might affect their businesses. The bill proposes to allow business expense deductions for such trips and appearances before congressional committees.

6. Federal Wage Increases: The committee discussed the proposed across the board wage increase for federal employees. Action on the matter was deferred until a later date.

7. Postal Rates: The committee discussed postal rates but did not take any action for or against the proposed rate increases.

Adjourn.

MINUTES
Publicity Committee Meeting
Angelina County Chamber of Commerce
June 21, 1962

Present: W. R. Beaumier, Virginia Allen, Lee Butler, Tommy Lanyon, Joe Rich, Darrell Yates, R. E. Cornelius, and Herman Brown.

Absent: Bill Bogart, Bob Bowman, Bill Carter, Royce Christenson, Sam Griffin, Leeland Petty, and Roy Myers.

W. R. Beaumier, Chairman presided at the meeting. Copy for a proposed revision of the chamber's pictorial and informational folder were presented and reviewed by the committee. Suggestions were made as to the contents. It was estimated that the folders would cost from $125 to $150 for 5,000 copies. Chairman Beaumier and Manager Herman Brown were authorized to proceed with the printing of the folder.

The possibility of erecting highway billboard welcome signs was discussed. It was stated that some of the service clubs were interested in the possibility of erecting welcome signs with service insignas thereon. It was decided that the chamber offer its cooperation to the civic clubs in the matter of investigating the costs and possibilities if the club so desired.

A city-county map and informational brochure prepared on Lufkin printed courtesy of four firms, Lufkin News, Oakley-Metcalf Funeral Home, Temple Lumber Company and Lufkin National Bank was shown to the committee. The committee commended the group on publishing the folder.

Manager Herman Brown reported that he was investigating the cost of printing a new city map, that it would likely cost $150 for a printing of 5,000.

Folders, educational, and publicity pieces prepared and distributed by the chamber were shown to the committee.

Round-table discussion was had on publicity matters.

Adjourn.

Herman Brown

MINUTES, Retailers Committee
Angelina County Chamber of Commerce
Lufkin, Texas November 13, 1962

Present: Elbert Clark, Herman Taylor, John Miller, Jim Lacy, Ken Wealand
Bill House, Ralph Riley, Jim Clark, Cliff Bolt, Bobbie Bresie.

62

Chairman Elbert Clark presided at the meeting. The plans for the Christmas opening were discussed.

It was decided that the stores would remain open until 7:00 p.m. on Friday, November 23, the day of the Santa Claus Parade and Christmas openings.

A motive was made by Ralph Riley, seconded by Bill House, and carried by that the stores observe the following closing hours for the Christmas Shopping Season:

December 6, 13, 20---8:00 p.m.
December 15---8:00 p.m.
December 17-22---8:00 p.m.
December 24---5:00 p.m. or the store's regular closing time.

It was decided also, that the stores would start giving the Santa Ride Tickets on Saturday, November 17th.

The possible locations for the Santa Rocket to pick up the kiddie passengers were discussed. Suggested places were West Dozier, East Dozier and Second, and at the Lufkin National Bank Parking Lot. The committee decided that the matter be left to the Parade Committee.

Meeting adjourned.

Herman Brown, Mgr.

Elbert Clark

MINUTES, Merchants Committee
Angelina County Chamber of Commerce
Lufkin, Texas March 28, 1962

Present: Elbert Clark, Elmarie Meadows, W. H. Johnston, Jr., Ed Havard, Clifton Bolt, R. A. Brookshire, J. A. Brooks, Bill House, Wendell Roberts, Jerry Brown, Mrs. J. L. Noble, Katherine Swan, Mrs. Johnie Crawford, Red Daiches, Jim Clark, John Parker, J. K. Wealand, O. L. Hubbard, John R. Knight, A. L. Langford, W. C. Royle, Pitser Garrison, Gary Eaves, Burton Riley, Herman Brown.

Chairman Elbert Clark presided at the meeting. He introduced Mr. Pitser Garrison, Vice Chairman of the Industrial Development Committee whom he had requested tospeak briefly relative to the work being done by the Industrial Development Committee. Mr. Garrison outlined the work of the committee. He related that criticism had been directed toward the chamber on its industrial development program and went on to remind those present that it requires a lot of work, time, planning, and money to carry on industrial development; that far too many people were prone to allow others to carry on the program. He related that the sites sub-committee hoped to recommend the acquisition of a 200-acre tract for development as an industrial park. Mr. Garrison related that in financing such an industrial park that the committee would require cooperation of the entire citizenship with investments from $1.00 upward. He further stated that he could envision a finance plan for industrial development in a five-year plan to pay for land and development requirements.

Upon a motion made by Bill House, seconded by R. A. Brookshire, merchants voted to observe Holidays as follows:

May 30, Memorial Day (Wednesday)
July 4, Independence Day (Wednesday)
Sept. 3, Labor Day (Monday)
November 22 Thanksgiving (Thursday)
Dec. 25 Christmas Day (Tuesday)
Jan. 1, 1963 New Year's Day (Tuesday)

Chairman Clark appointed a Christmas Parade Committee as follows: Fred Ellis, Chairman, Foster King, Ralph Riley and Jim Clark.

A. L. Langford, of Sherwin-Williams Company upon request of the Manager informed merchants that his company would be glad to bring in a specialist to assist with survey plans on modernization and improvement needs of business sections. It was stated that Chairman Clark would name a committee to meet with the company's representative when he could come to Lufkin.

over

Manager Brown and Chairman Clark urged merchants to support HR Bill 10608 introduced to provide some relief in tax matters on funds which small business firms might put back into inventory. Motion was made by Burton Riley seconded by Mrs. Jeff Noble that the committee endorse the bill and through the Manager transmit its action to Congressman Dowdy and Congressional Committeemen. Motion carried.

Herman Brown related that the City of Lufkin had granted "free parking meters" for the third Wednesday of each month, Bargain Day. Merchants were urged to take every means to keep "all-day" parking off the meters on the special trade day.

Whether or not to throw candy for the Christmas Parade was brought up from the floor. Chairman Clark said that the Christmas Season planning committeemen would take the opinions expressed into account.

Mr. Clark thanked the members for being present. The meeting adjourned at 11:00 a. m.

MINUTES
Group - Retailers Meeting
February 8, 1962

Present: Lee Butler, Royce Christiansen, Hank Huggins, Cliff Bolt, John Parker, Fred Daiches, Ralph Riley, Roger Richmond, John Brooks, Bill House, Robert Austin, Joe Tatum, John Miller, Bill Carter, Herman Brown,

The group discussed the third Wednesday Bargain Days and it was suggested that a retailer-wide sales promotion be promoted for George Washington's Birthday Anniversary, February 22. However, considerable discussion around the fact that regular third Wednesday Bargain Days were held on Wednesday of each month and that it might well be confusing to start changing the day of the week, and further since the third Wednesday in February was just the day before the Washington Birthday Anniversary that such a promotion could well be held on Wednesday as well as any other day. Motion was made by John Brooks, seconded by Ralph Riley that the merchants sponsor a George Washington Bargain Day on Wednesday, February 21. Motion carried. Herman Brown was requested to contact city officials and seek "free parking meters" for February 21.

It was announced that the chamber had written letters of appreciation to the Police Department for their fine work done on the part of the Police Department during the Christmas holidays and particularly for the department's public warning that shoplifters would be prosecuted.

Manager Herman Brown asked those present to be thinking about the possibility of cooperating with an industry committee on an industrial week visitation program by providing merchandise prizes which he suggested that the merchants contribute and that such prizes be divided among the industries where visitation would be made to be used as door prizes to attract people to the industry on visitation day.

The possibility of having such promotions as Miss Easter Bunny contest, billboard advertising, and the working out of a telephone warning system among merchants to warn against hot-check artists and other types of schemes to which merchants are being subjected was discussed by the group but not formal action was taken.

Ways and means to advertise the February 21 sales event was discussed. It was agreed that newspaper and radio-TV representatives at the meeting work out suitable joint promotions, if possible, and if joint promotions were not feasible that each media work out special advertising packages and offer the promotion to merchants for the purpose of advertising the Bargain Day event.

Adjourn.

Herman Brown

MINUTES, SPORTS COMMITTEE
ANGELINA COUNTY CHAMBER OF COMMERCE
LUFKIN, TEXAS DECEMBER 18, 1962

Present: C. W. Alexander, Lee Friesen, Benton Musselwhite, Roy Sinclair, George Wayland, Joe Anderson, and Herman Brown.

Chairman Joe Anderson presided at the meeting. The Committee discussed the possibility of a special sports banquet for the Lufkin Panthers Football team. It was explained that the Lions Club had already scheduled a football banquet for February 5. Sports Committeemen who are members of the Lions Club explained that the Club would want to keep identity as sponsor of the banquet but would probably go along on inviting other club members and citizens of the town to attend with Lions Club members having first choice on reservations. It was decided that further talks would be had with Lions Club officials to the point that the Committee assist the Club presenting outstanding banquet.

The Committee decided to raise a "Coaches Appreciation Fund." It was decided that the committeemen present be the fund raising committee. It was also decided that several firms in town be requested to be receiving stations for the funds which the Committee hoped would contribute to the fund. It was also decided that names of donors would be published but that amounts contributed would not be published. It was decided that the following firms or organizations be requested to receive the appreciation donations: Chamber of Commerce, First State Bank, Lufkin National Bank, Cash Drug Store No. 1, Henderson-Medford Motor Company, Mill Supplies, Home Savings and Loan, and Lufkin Federal Savings and Loan.

It was suggested that letters be written to the large industries relative to donations.

Adjourn.

Herman Brown

Minutes, Sports and Recreation Committee
Angelina County Chamber of Commerce
Lufkin, Texas December 7, 1962

Present: C. W. Alexander, Lee Friesen, George Henderson, Jr., Roy Sinclair, George Wayland, Ben Weber, and Herman Brown.

Chairman Joe M. Anderson Presided at the meeting.

Plans were formulated for the 2 p.m. Pep Rally for the football team to be held at Calder Square on Friday, December 7. It was stated that the Junior High School Band and Junior Student Body would march from Junior High School to the Pep Rally. Committeemen were assigned to control traffic at each intersection on Angelina Street from the Junior High School to Calder Square.

Plans were also made as follows: Conduct a Caravan to Tyler for the Regional High School Playoff Game on Saturday, December 8. It was decided that the Caravan would leave at 11:15 a.m. from U. S. 69 North at the "Y", travel to Tyler, and assemble on U. S. Highway 69 just north of Loop 323 where Tyler Police would escort the Caravan to the Rose Stadium. Meeting for the Tyler Caravan Assembly was set at 1 p.m.

It was also states that two buses were being chartered.

The matter of raising funds for a gift to High School Coaches was discussed. Committeemen were of the opinion that the funds should be raised. It was decided that Chairman Joe Anderson advise School Superintendent that citizens planned to raise the money.

Assignments were as follows: West Denman, Police; Jackson Street, Lee Friesen; Burke Street, Roy Sinclair; Townsend Street, Ben Weber; and Shepherd, George Henderson, Jr.

Adjourn.

Minutes, Sports and Recreation Committee
Angelina County Chamber of Commerce
Lufkin, Texas September 25, 1962

Present: Joe M. Anderson, Horace Cardwell, Lee Friesen, Roy Hurst, W. W. Lowe, Roy Sinclair and Herman Brown.

Chairman Joe M. Anderson presided at the meeting.

Most of the discussion centered aroundSummer athletics, (mainly baseball) for youth and High School Athletics in this particular instance, football. Concern was expressed for lack of support and fan interest.

Chairman Anderson stated that he was informed that School officials would cooperate with the committee and sports fans in the organization of a Quarterback Club or some sort of Panther "L" Club.

The Opinion of the members, however, was that any boosters organization to be organized should not be called"Quarterback" Club.

Committeemen favored the organization of such a club and requested Chairman Joe M. Anderson to check further with Superintendent Dr. Gerald Barber again and possibly with School Board members before calling a general meeting to organize the booster club.

The need for the building of a cinder track for high school track teams use was also discussed but no action taken.

Adjourn.
