TEACHER OF THE MONTH

Mrs. Cook is "Diboll High School" to many former students, fellow teachers, and students now attending Diboll High School. She is as much a part of this school as the lockers and the desks. I think it is no mystery why Mrs. Cook is so endeared and respected, the real answer is this: she cares.

She really cares for every pupil in her classroom as if she were a mother to each one. So much coldness and mechanical teaching is prevalent today (especially in large schools) that it is very refreshing and enlightening to see one who is really concerned about her job and the students who look for her guidance.

One can never express appreciation or thanks for a person so completely vital and necessary as Mrs. Cook is to this school system. So many good deeds of service have come from her almost unnoticed and unpraised. A person like this is never really appreciated until her many contrivutions are gone. Then her absence is felt.

When we lose her, it will be with much reluctance and sadness, and many lasting memories. We love her; she will be missed.

LUMBERJACK

It's just the little things . . . that you remember about a school day; the way a hand touched yours, the warm friendliness of your gang around the locker, the tense moments of a tied score, the good feeling of achievement when someone said, "Nice going." These are the incidents that you will recall and treasure long after you have forgotten the big occasions. These are the things that make a year unforgettable.

DEDICATION

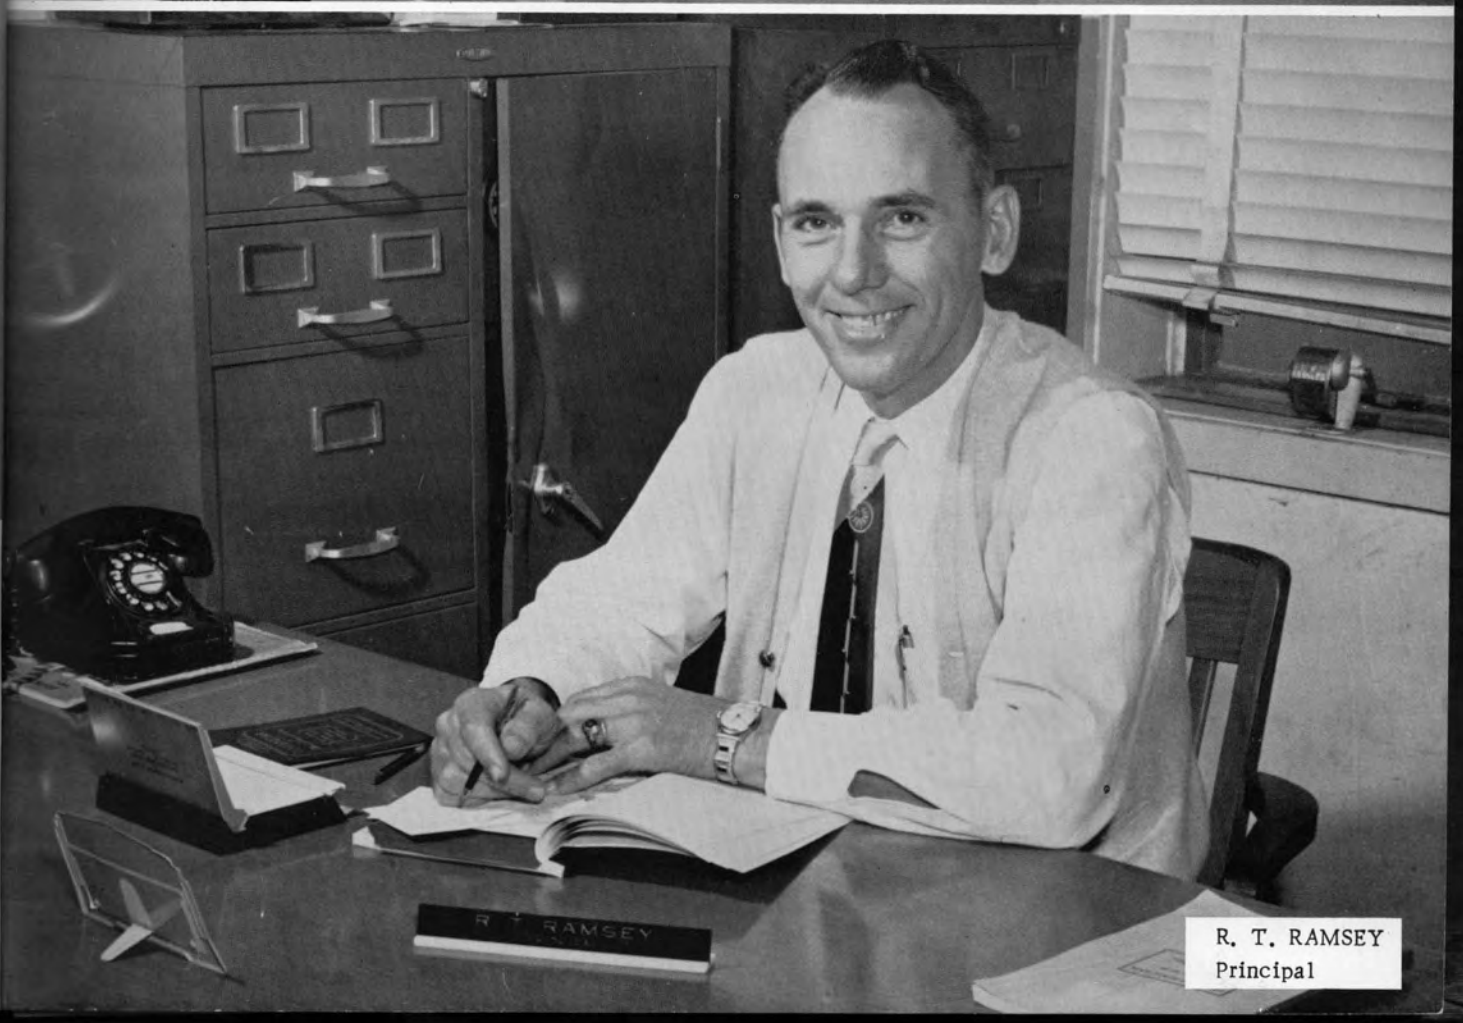

She has understood our problems, assisted us with patience of steel, listened to our complaints with an admirable smile, inspired us with confidence, encouraged us when we were disheartened, and enhanced our chance for success.

Her determined effort to make us satisfied and happy shall always be remembered as one of our most precious high school memories. Words can't express our appreciation for her various contributions; but to show how much we love, honor, and respect her, the 1960 LUMBERJACK staff dedicates this yearbook to MRS. DIXIE COOK.

DRUM MAJOR

BETTY HANNAH

Being Drum Major for a band is a duty which takes patience and loyalty. Betty has served very well in this capacity. She has been in the band since grade school, playing baritone and French horn. When only a freshman, she was serving as a twirler, and in her sophomore year, she was head twirler. Since her junior year Betty has been Drum Major for the Lumberjack Band. She has captured several honors both in marching and twirling contests, as well as in playing competition. We salute her as being a fine Drum Major and band participant.

THE LUMBERJACK BAND

The Lumberjack Band, led by Betty Hannah, has been a great asset to Diboll High School this year. No pep rally, bonfire, or ball game would have been complete without the band to lead in the cheers. They deserve a round of applause from the whole town of Diboll.
