DEDICATION

The Seniors would like to dedicate this annual to Sammy Pinner, who during his short life brought much joy and laughter to the many boys and girls in his large circle of friends.

Sammy was killed in a fatal accident in the year of 1958.

OUR SUPERINTENDENT

As we come to the close of another wonderful school year, may I take this opportunity to express my most gracious gratitude to the faculty and student body for the many achievements of the year.

May I encourage those of you who are leaving our school to continue with your education. As you take your place in society, you will find that there is a constant need for more education. We enlarge our life through education, both as a person, as well as a nation.

THE FACULTY SPEAKS

Congratulations to the annual staff for a job well done. May the memories of our present school year center around the treasures of faces, fact, and laughs that we have all enjoyed together.

We are the first to recognize the tireless efforts that have been entwined in our book of remembrances.

May the best be yours for having contributed to such a worthwhile cause as our annual of 1960-1961.
