This is our school! We are proud to be a part of it! Each little event added to the big moments makes our school life an industrious and happy one. Taking part in the many activities, attending the various events, and just being part of the C.H.S. spirit are a few of the many memories we wish to recall.

TO THE STUDENT BODY:

You live in a wonderful age! During this school year you witnessed one of the greatest scientific achievements in the history of this nation. The first of our astronauts circled the earth and returned safely to his base. Imagine what a new and wonderful field of endeavor has been opened to the youth of our land.

Only those with knowledge, imagination, strength, courage, and willingness to work will be able to take full measure of the opportunities afforded, and to scale the heights of human achievements. May each of you purpose in your heart to achieve the best you possibly can in your chosen profession.

Not all are endowed with the same talents but each has equal responsibility to achieve the best, the highest, and the noblest in his life.

May success attend your efforts!

Sincerely yours,

F. L. MOFFETT
Superintendent

TO THE STUDENT BODY:

May I extend my congratulations for a beautiful job, the 1961-62 "Roughrider." I am sure you will cherish it in the coming years.

The future holds for you new friendships, new challenges, new studies, new jobs. When trying to reach your goals, do not ever double-cross your own conscience; above all, do not lose your faith in people. I truly hope that each of you will make your life's work a fulfilling experience. Remember, you have a chance to succeed, and great deeds are the fruit of big dreams.

Sincerely,

R. E. Malone
