EDITOR'S MESSAGE

As the year draws to a close, we look back with pleasure upon the events that have filled our cup of memories to overflowing. We have attempted to capture the best and most outstanding of these memories between the covers of the 1963 CENTRALIAN.

We consider ourselves very fortunate to have an advisor as capable as Mrs. Clelon Hayden to help us over the rough spots; and we cannot adequately express our thanks to our photographer, Mr. Mark Foster, whose patience and cooperation with the annual staff were truly astonishing and always appreciated.

We hope that we have succeeded in our endeavor to present a good annual to you, the students of Central High. With the sincere wish that each of you will find among these pages something special--something you will remember for a long, long time--we give you the 1963 CENTRALIAN.

C. H. WHITSITT, Superintendent of Schools

Congratulations to the Annual Staff and Sponsor for having successfully compiled another edition of our "Centralian." We always admire and appreciate the many hours of planning that are involved in our yearly publication.

To the principals, faculty and student body, I take pride in working with you toward our goal of making Central School one of the best.

As you turn through the pages of time, may you always remember, "Few Things Are Impossible to Diligence and Skills."
