Foreword

Into these pages we have mingled yesterdays memories and the joys of today with the dreams and hopes of tomorrow. Yes - we're tired, but glad for we know that you will treasure all these pages from the day that they are bright and new until the time shall come when you will open the cover to find them yellow, yet precious with age. Not until then will our goal have been fully accomplished and our work rewarded. Not until then will we feel worthy of saying, "well done."

Dedication

We, the Seniors of 1963, wish to dedicate this last collection of our works to the man who guided us for the first three years of our high school careers. We all miss him and are attempting to honor him in this way. He was a kind resourceful man whom we honored and loved. He stood as a pillar of strength in all we did. We hope this in some way will let people in later years know how we felt about a truly great man. Thank you,

MR. MALONE

In Appreciation

To Mr. Lawrence, our beloved janitor, we wish to express our appreciation for his assistance, patience, and thoughtfulness. Each of us sincerely extends his fondest thanks and best wishes for the future. Mr. Lawrence was janitor at Center High School for nearly twenty-one years. Thank you again.

F. L. MOFFETT - Superintendent

TO THE STUDENT BODY:

Your days have been so busy that you have had little time for reflection on the importance of this school year in your life. However, in the years to come, you can wander down memory lane with this, your Treasured Yearbook. It will tie you to those happy hours that are gone but not forgotten.

You have been a wonderful group and I appreciate every courtesy you have shown me. I hope that every aspect of success may be yours!

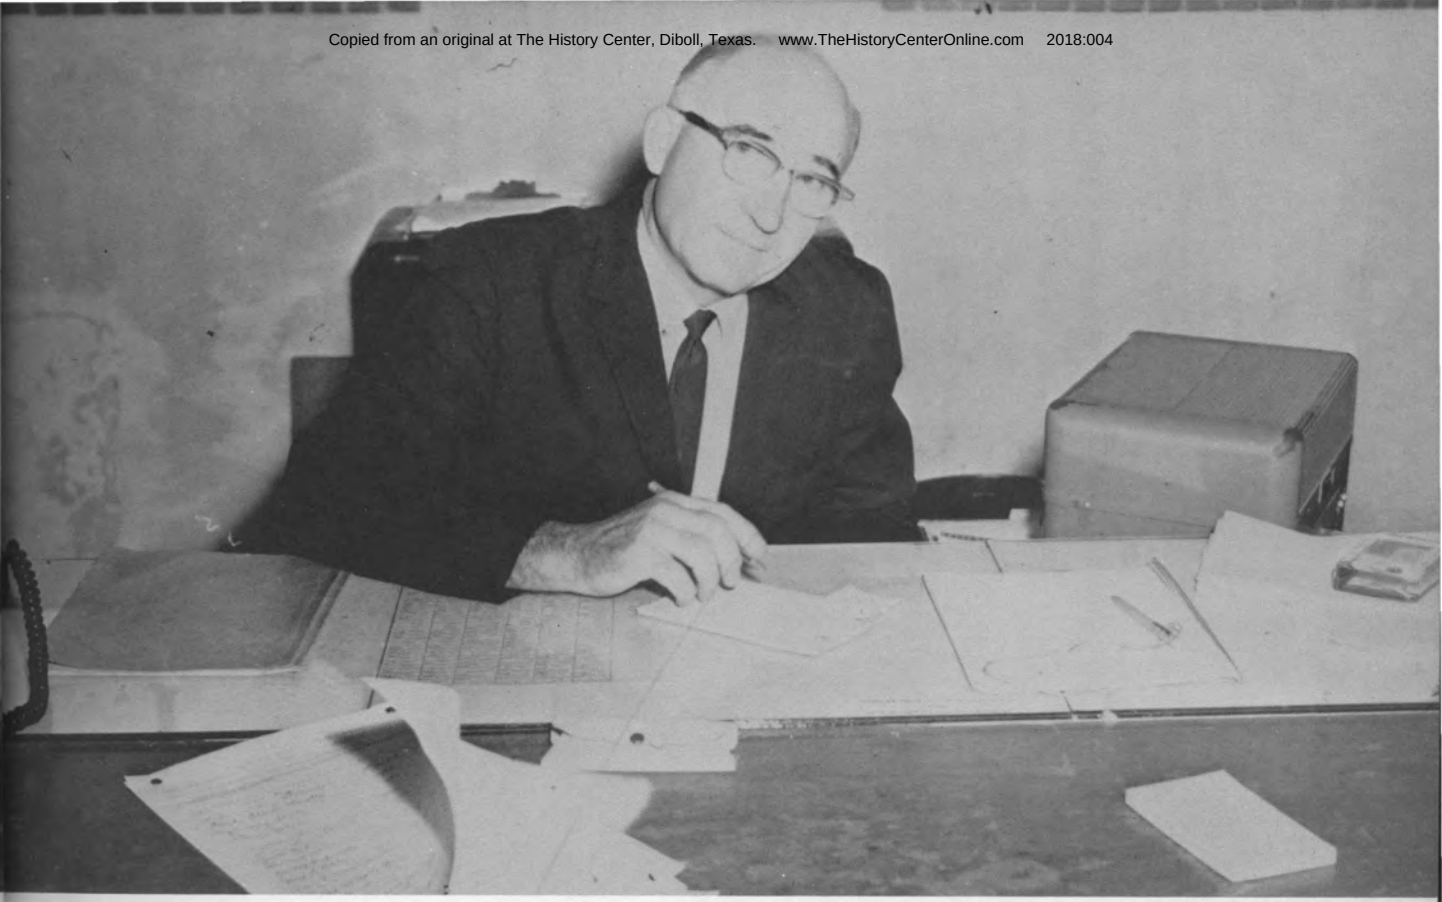

May the love of the Master rest in the hearts of each of you and may each of you so live that the full potential of his mind be reached.

Good luck to each of you!

Sincerely,

F. L. Moffett

CHESTER McLEROY - Principal

STUDENTS:

It is my pleasure to congratulate the Annual Staff and it's sponsors for this excellent edition of the ROUGHRIDER. You will be rewarded many fold in the years to come by the memories recorded in this book.

I wish to take this opportunity to thank the faculty and the student body for making this a fine school year for me, even under trying conditions. Without your help and co-operation this would not have been possible.

May God bless you in everything that you undertake in life.

Sincerely yours,

Chester McLeroy
