Mary Beth,

I don't have any idea what I am going to say. I haven't practiced what I was going to say. I will say what is in my heart and what I feel.

Mary Beth, you know how I feel about you. I have, and will never meet anyone as sweet as you. You are just, and even more than a sister to me.

I will never forget all the fun we have had. Remember all the times we have played monoply, the times we have sung (especially in church).

Wasn't that walk fun. That is ~~four~~ something else to add to our memories.

I feel as if I have known you ~~of~~ all of my life (I wish I had). You have the "most wonderful" family in the world and I love yall with all my heart.

God Bless You,
Love You
Alvis

Foreword

The 1965 CENTRALIAN is a simple pictorial record of a year in your life at Central School. This year was basically the same as any other school year. We worked and played, studied and had fun. There were the ball games and social activities. Voices were hoarse from yelling at the pep rallies and games. There were serious times with examinations, happy times with many triumphs. We joined in the noontime rush to the cafeteria and lingered behind on the way to classes.

Tomorrow, when it is not easy to think back to 1965, you will appreciate the CENTRALIAN even more than you do today. For you these impressions have been recorded and we feel certain you will treasure this book of memories.

ADMINISTRATION

The quality of mercy is not strained;
It droppeth, as the gentle rain from heaven
Upon the place beneath; it is twice bless'd —
It blesseth him that gives, and him that takes.

Superintendent

Time has a way of dragging with young people to the extent that, at times, a day seems like an eternity. Your four years in high school probably has seemed interminable to some of you. Later in life, when an hour appears to be only a few minutes long, you will look back upon your high school days and think of those four years as the best four years of your life.

We have tried to make those years profitable ones for you, and at the same time happy ones. Only time will tell whether we have been successful, and only you can be the judge of that success.

Pausing at the intersection, we see the "stop" and "go" lights beaming down on us. These lights are the seven people who compose the Board of Education for school district 3-907. Although little known to most students, the school board is faced with the important tasks of forming school policies, keeping the school provided with necessary equipment and helping the school to run smoothly. We owe our sincerest thanks to these people who devote much of their time and energy to improve the school.

Centralian Farewell

Our book is finished and the year draws to a close. Ahead lies banquets, graduation, summer vacation, summer jobs, and for many the plans and preparation for higher learning and a college education. The '65 CENTRALIAN Staff has sought to build a book which would in a special way reflect Central School 1965. As the halls grow dim and the classrooms quiet, we hope this book will bring back the memories of this year and hold this living school forever in your memory. We give thanks to our inspiring sponsor, Mrs. Clelon Hayden.
