# Foreword

Page 6

Our school days are filled with cherished memories. Some you remember better than others, such as that important game you wanted so much to win, the class parties, the club meetings, the picnics, the thrill of being a senior, and at last the wonderful feeling of accomplishment when that coveted diploma is placed in your hand.

To help remember these special moments, we present to you the 1967 Centralian.

# Junior Red Cross

The Junior Red Cross is the school student's Red Cross. It is the young people's participation in a nationwide voluntary organization serving in American tradition of neighbor helping neighbor. The schools and the American Red Cross have worked together to realize these aims since 1917, when the Red Cross was asked by leading educators to provide a meaningful youth service program.
