This yearbook portrays those of us at Diboll High involved in the many activities of the 1966-1967 "SCHOOL YEAR". This year at Diboll High included guidance and counseling by a competent FACULTY and ADMINISTRATION; co-operation and participation in active ORGANIZATIONS; pleasure in many exciting SPORTS; appreciation and happiness in STUDENT LIFE; respect and compatibility by energetic UNDERCLASSMEN; and completion of a job well-done by dignified SENIORS.

DEDICATION

TO THE FOOTBALL TEAM AND COACHES

To a magnificent team, who by their courage, and hard work have made 1966 a memorable year of football at D.H.S. These boys will be best remembered for their fairness on and off the field; for their fierce fight against seemingly insurmountable odds; for their good, clean brand of football; and, of course, for bringing winning football to the DHS campus. To a conscientious, faithful and inspiring coaching staff, who by their splendid direction led the boys to a season of glowing victories.

TO THE BASEBALL TEAM AND COACH

This 1967 Lumberjack Baseball team is a credit to Diboll High as well as the whole town of Diboll. To name the outstanding players we would have to name the entire team. Just about every member of the team did something outstanding during the season, and most more than once. They had their bad days, as every ball club will have, but when the chips were down they came through for DHS like the champions they are. To Coach Gartman who directed the boys to a season of many victories.

SUPERINTENDENT

To the Students of the Diboll School:

I take this opportunity to express my sincere appreciation to you for your overall work. I am aware that all of you are not so punctual but the majority are and we know that this majority will be the top people in the future. To you who do not want to succeed in school I would like to say that this mark will follow you through life. It isn't too late yet for most of you to change and have a desire to be among the top people in your society in the next 5 to 20 years. May the Lord Bless all of you, may your returns be commensurate with your investment.

Sincerely,
W. F. Pate

66-67 JACK CHEERLEADERS

The CHEERLEADERS have contributed greatly to the spirit at all games and pep rallies during the past year. Using new techniques of cheerleading, the five cheerleaders have tried to boost team participation and student body interest at sports activities.

The cheerleaders spent a hard week this past summer at S.M.U. Cheerleading Clinic. Here they learned many new yells. To top off the week they won two honorable mention ribbons. They competed with around ten other schools. We were one of the few smaller schools there.

The 1966-67

Lumberjack basketball B-Team had an outstanding year. We only lost one district game and tied with Hudson for zone championship. We also won a trophy at a B-Team tournament in Woden.

1966-67 was one of the best years in DHS's athletic history. The football team came up with its winningest season ever; we had a respectable basketball season; faired well in track; and of course, we had that outstanding baseball team.

Much of this success belongs to one--Johnny Jones.

Johnny's outstanding defensive play in football earned him All-District honors. His phenomenal rebounding and defensive play made him an All-District performer in basketball. The 880 and broad jump proved to be his specialties in track and the 6'3" senior copped All-District honors in this sport.

Thus Johnny became Diboll High's first three sport All-District performer since the 1959-60 season. And, he was the first Negro athlete to do so.

The lean senior's personality matches his athletic ability---he's one of the best-liked students in school.

We are extremely proud of Johnny's accomplishments and trust that he has set a good example for others to follow.

CLASSES

Diboll High School has 187 students and each one is basically a typical teenager. And teenagers will have their problems, crises, ups, and downs; but they, more than any other generation, have their fun. They talk on the phone, go to bed late, attend their club meetings, buy crazy things, and take a lot of dares.

But they are aware of their responsibilities, too. They strive to elect only the most capable officers, and their representatives are to be accomplished young men and women. The students of a high school like to think for themselves, yet they respect those who train their minds. Some have decided on their future vocation and are now preparing for it. One of the most valuable things a pupil learns is his right to individuality, so students consistently endeavor to be original.

These are the classes of Diboll High School.

SONG "Born Free"

MOTTO "It matters not how we die,
But rather how we live."

The seniors had a very active year:

The seniors showed their talent in a talent show they presented in the fall, and the play they presented in the spring.

They took a trip to Six Flags with the money they earned through the school year.

They all had fun at the Come as you are breakfast Mrs. Ray Rector gave them.

The seniors and their dates enjoyed the party the parents gave them at the Old River Club.

The seniors ended their active year with graduation on May 28.

The Seniors left the school $500 for a covered walk.
