TO ALL STUDENTS OF THE DIBOLL PUBLIC SCHOOLS

GREETINGS:

It is indeed a very great honor and pleasure to have been with you for these many years. I have grown with you in more ways than one. I sincerely thank you for having had a great deal of respect for me and my ideals. I know that I will miss you more than you will miss me, for as time rushes by, everything will take on a different look, but there is one thing that I desire you to know and that is that I will always hold you near and dear to my heart.

I hope that you will take every advantage to avail yourself of the many opportunities that will present themselves to you; especially the opportunity to do good. May you always remember that there is a supreme architect of the universe to Whom you must answer at the last day; and I pray that your answer will be, "Lord I have done my best to follow Thy lead."

Always your friend

I trust that each of you have gained new knowledge and new skills this school year that will enable you to adjust to, and be able to make the best of, whatever the future may hold.

If ever I can be of any help to you, please allow me.

Drum Major
Sharon Brown

Being Drum Major for a band is a duty which takes much time and patience. Serving as the Drum Major for the Lumberjack Band the last two years, Sharon has fulfilled her job to the utmost. Her band experience could be the reason for her ability as a Drum Major. Sharon has been in the band since the 6th grade, playing the clarinet. When only in the 8th grade, she was serving as a Majorette. Since that time Sharon has captured several honors both in twirling and playing competition. We salute Sharon as being a fine Drum Major and band participant.

Drum Major, Sharon Brown is accompanied here by Majorettes Lane Yates, Suzanne Stubblefield, Betty Kaye Lester, Deanna Ramsey and Bessie Burkhalter.
