Foreword

The Diboll High School Annual Staff takes pride in presenting to our students, teachers, parents, and patrons the 1981 edition of the Lumberjack. For it is all of you who make our school and community what they are. Diboll is a small town when compared with other cities, but it has played a big role in our lives. As time passes, the moments we have shared here will become more meaningful to us all.

Our schooling has involved us in constant challenges to solve problems, to meet class assignments, to finish reports, and to prepare for tests. But the rewards for successfully meeting these challenges, and thus acquiring an education, are innumerable.

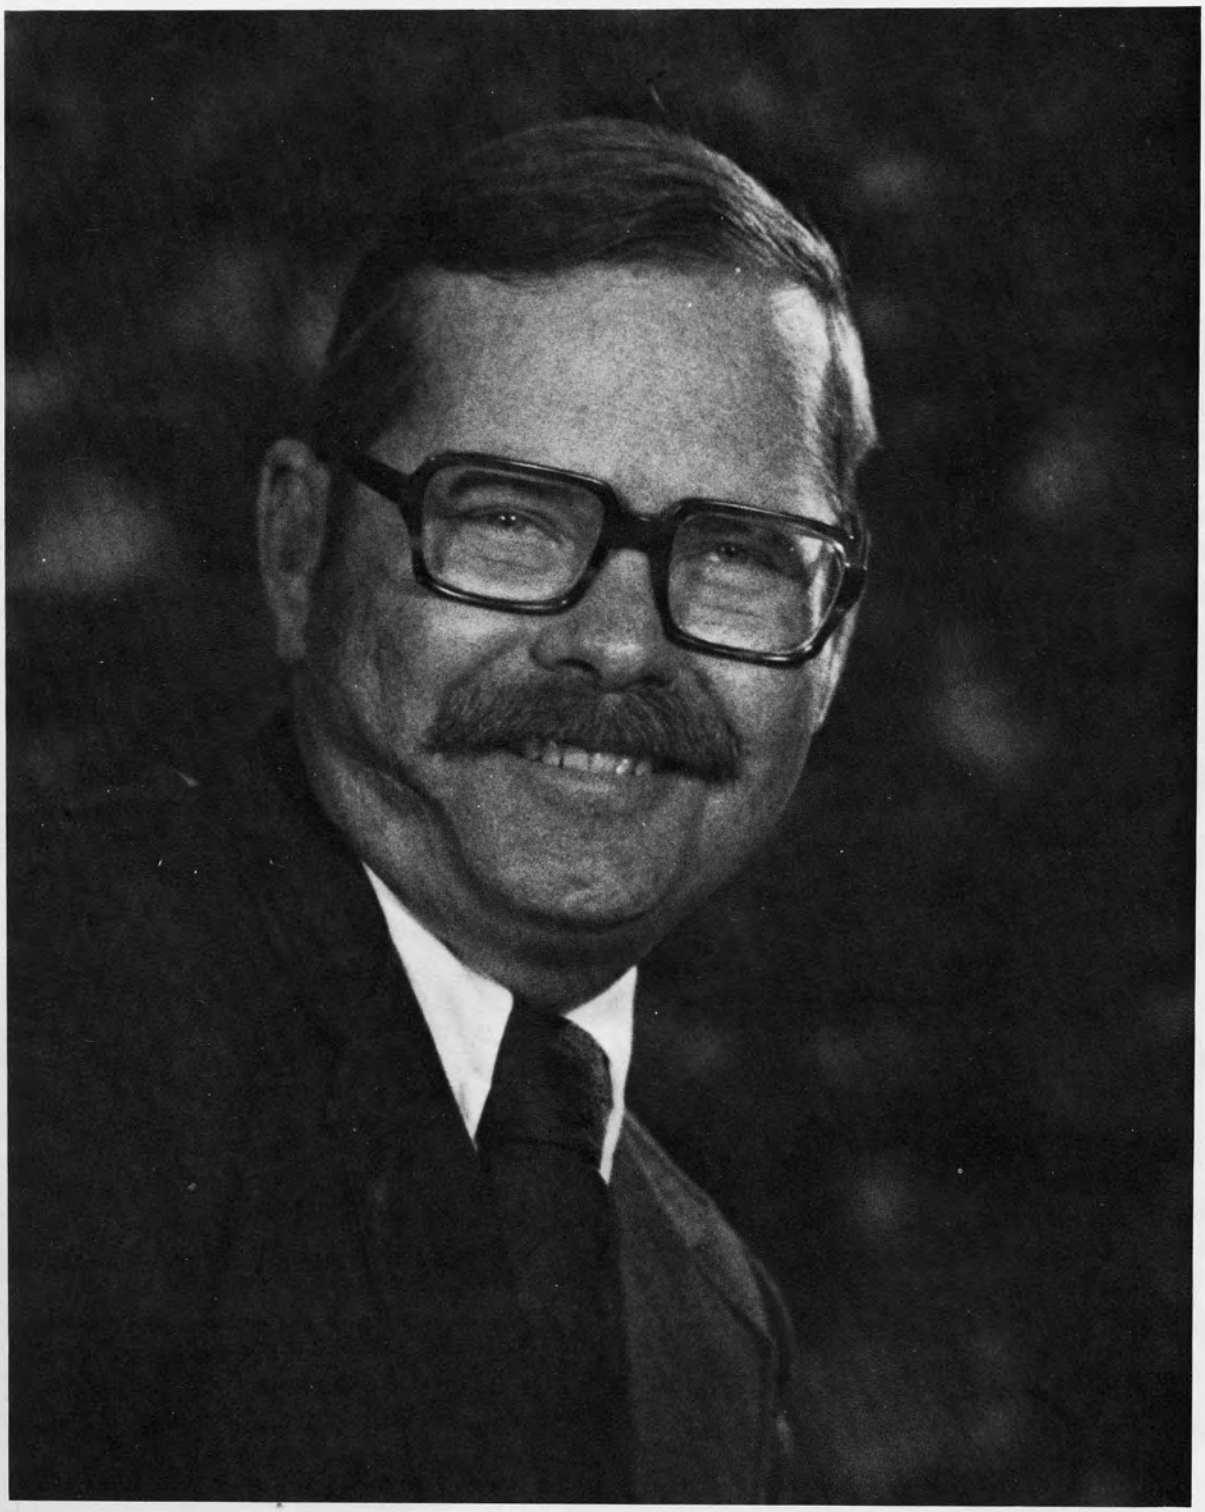

But there are other things besides structured teaching which have contributed to this memorable year such as athletic events, pep rallies, the Junion-Senior Prom, band contests, and many extra-curricular activities. We thank all those who made these events possible.

As a staff we have attempted to depict every day campus life as well as the more exciting and memorable moments so that you will be able to recall your own fulfillments and achievements as well as those of others. We can only hope that you will laugh a little or cry perhaps as you turn the pages. This is our portrayal of the 1980-81 school year.

The 1981 Lumberjack Staff

Copied from an original at The History Center. www.TheHistoryCenterOnline.com

Dedicated to

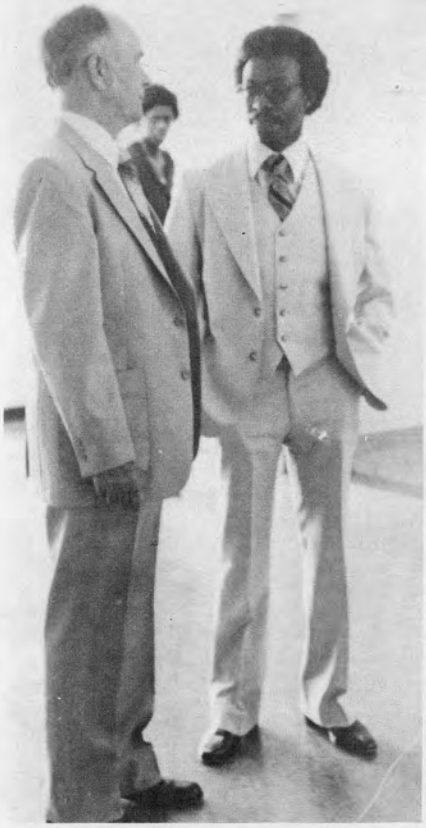

Mr. John Ingram

—for the great job he has done as director of the DHS Lumberjack Band for the past five years. Under his leadership the number of students participating in the band program has greatly increased and the quality of their performance has shown constant progress. It is people like Mr. Ingram who give us inspiration and who encourage us to accomplish all we can in life. God Bless you, Mr. Ingram.

School Board

Seated: James Rhone, Vice President; Charles Havard, President; Milford Ruby, Secretary; Standing: Stacy Cooke, Nancy Holubec, Clyde Cheshire, John Ralph Fouland.

Out of turmoil and strife, amidst divergence of thought, comes objective decisions and calmness and mind. Tomorrow's leaders are victors in the battles of today's life. Clear heads will blend truth and fact in obtaining successful solutions to trying problems.

Dedication, diligence of effort, loyalty to one's family and self, and a genuine desire to make this a better world are criteria for leadership.

Take pride in your accomplishments. Be optimistic toward what the future holds for you. Assume your share of the responsibility in adult society and stand ready to reap the rewards of a fulfilling life.

Through times good and bad your school memories will remain. Time will dim the band and enhance the good. Good luck to all of you!

Sincerely,

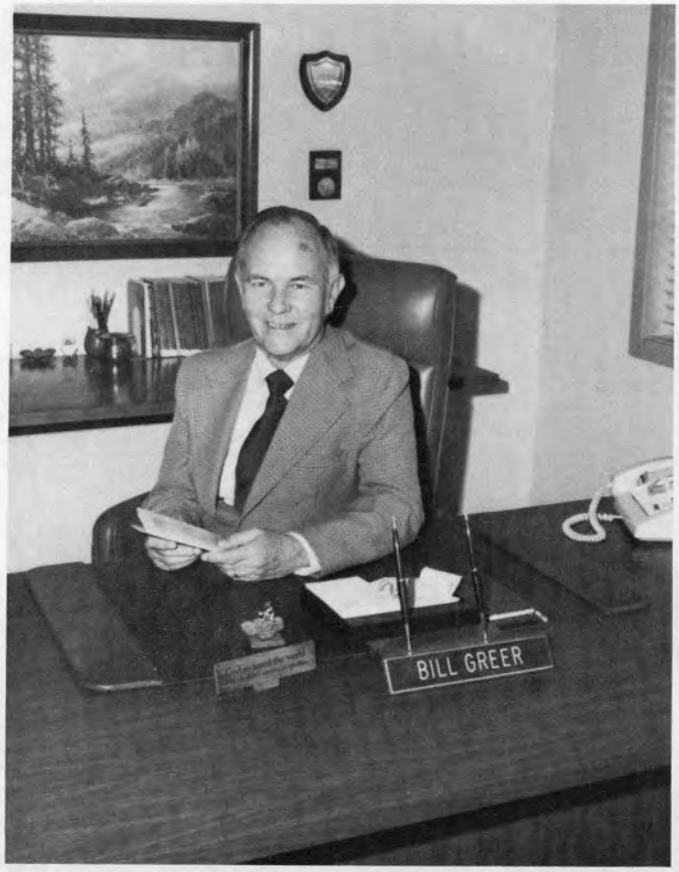

Don Robbins

Jimmy Teal

Jimmy has been very visible in campus life all four years at DHS. He was honored by being selected by his fellow students as class favorite every year he has been in high school. He served as senior class vice-president. He made all-district in basketball his sophomore and junior years. He made all-district in football his sophomore, junior, and senior years. He was district long jump champion his junior year. He was named basketball player of the year his senior year. He received the W.F. Pate award in 1981. Jimmy was "student of the month" in January of 1981. He plans to attend Texas A and M on a four year football scholarship.

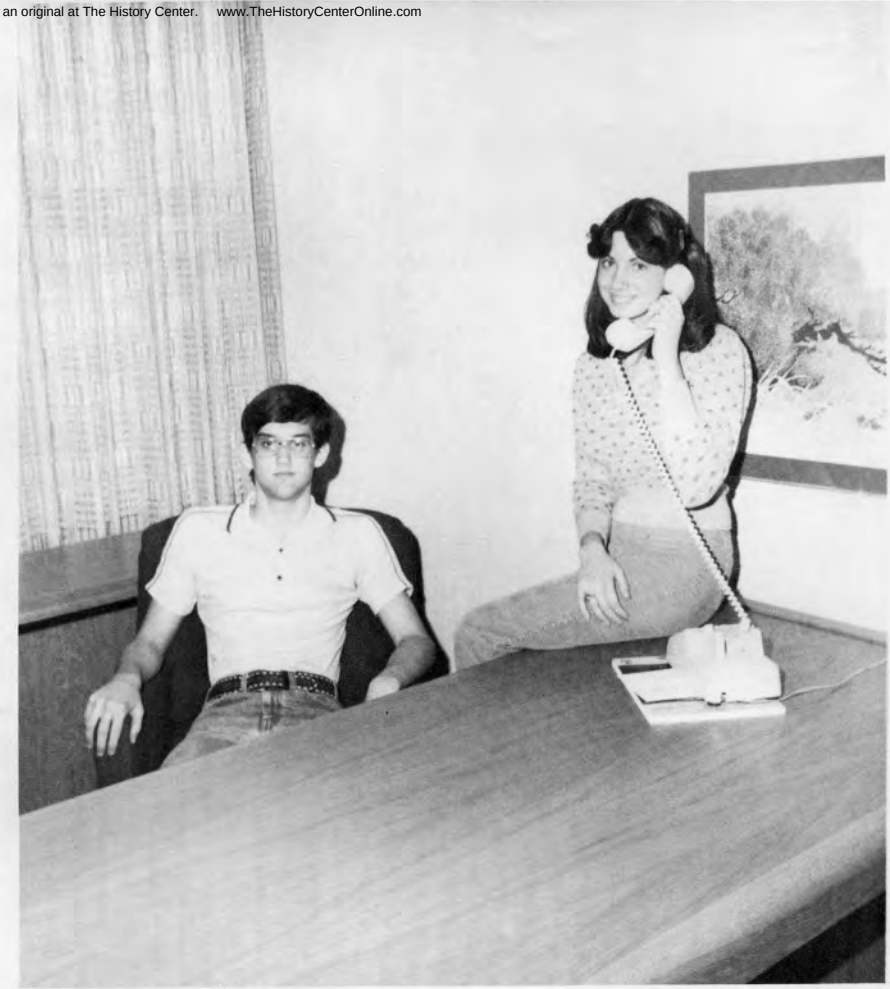

Angela Gordon

Angela has been active in DHS campus life. She has been very popular among both students and faculty. She was freshman class favorite, and sophomore and junior Homecoming duchess. She was initiated into the National Honor Society her junior year. She participated in the UIL literary events, entering shorthand and typing her junior and senior years. She was listed in "Who's Who in American High Schools" her junior year. She plans to attend Angelina College and major in Business.

19-AAA District Basketball Team

The 1980-81 varsity Diboll basketball squad set a school record for most victories in a season as the Jacks won the district 19-AAA title and soared to a record of 31 victories, 8 losses.

Diboll recorded a 14-16 non-district record against many first-class opponents in the area by participating in several tournaments as well as individual games which often would match the Lumberjacks against Conference AAAAA teams such as the Lufkin Panthers. This difficult non-district competition proved to be excellent preparation for the Jacks in district play as Diboll lost only one district game, a 29-28 decision to the Hudson Hornets in Hudson. Because of this loss, however, Diboll finished in a three way tie for the championship of first round of district play with Hudson and Hemphill.

Diboll won the second round by going undefeated in the second round and defeating Hudson in Diboll in a 50-45 double-overtime thriller. Diboll then breezed through the district play offs in Nacogdoches with victories over both Hemphill and Hudson to claim the district championship.

The Grand Champion

The 1981 Grand Champion steer of the Angelina County Junior Livestock Show belonged to DHS Freshman Bryan Hatthorn. This was a first for the Diboll Chapter of Future Farmers of America. The chapter had shown the reserve champion before, but not the Grand Champion.

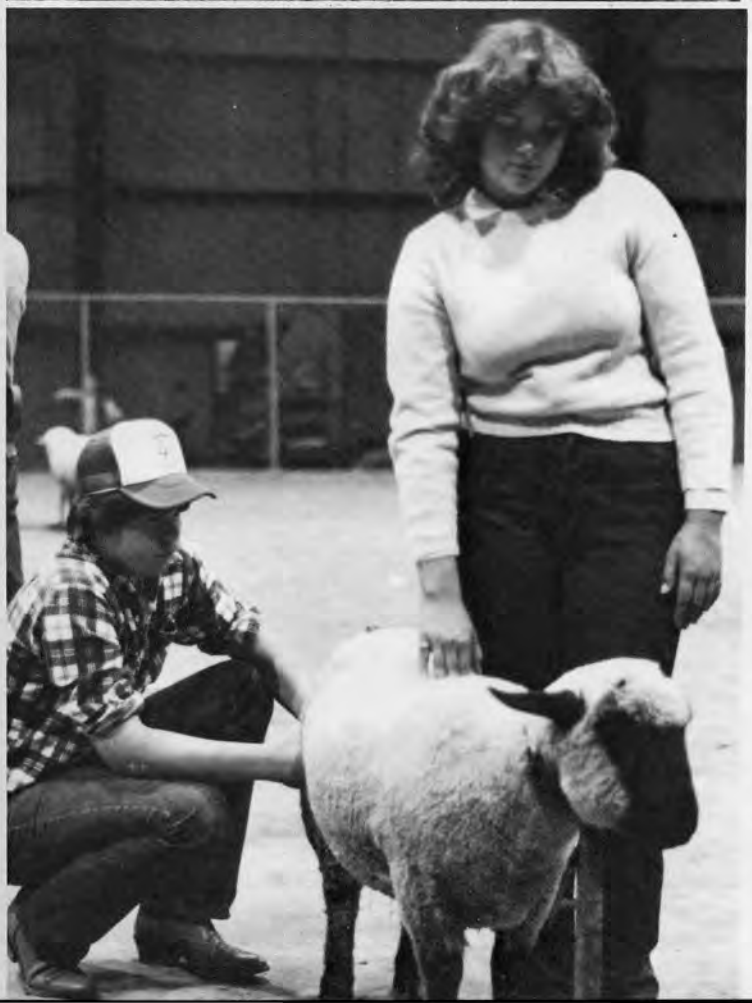

The steer, which was a Simmental Brahaman Cross, was from the John Ralph Pouland herd. The steer weighed 515 pounds when Bryan purchased it. The animal gained 545 pounds to reach a total of 1,060 pounds.

The Champion was purchased by the Texas National Bank after very lively bidding which set a new record of $8.00 per pound for a grand total of $8,480.00

Copied from an original at The History Center. www.TheHistoryCenterOnline.com

Pictured on this and the two following pages are DHS FFA students and some of their projects for the year. The FFA had a successful year at the Angelina County Jr. Livestock Show having earned more than $28,000 at this show. Diboll placed 13 out of 16 steers in the sale, including 3 of the top 4. Andy Gossett showed the grand champion pen of rabbits while Vicky Scarborough had the 3rd place lamb in the show. Four market hogs from Diboll also placed in the sale. Diboll FFA'ers won 7 blue ribbons in the beef and dairy breeding division, including the reserve champion beef animal and reserve champion dairy cow. Numerous ribbons were also won in the rabbit division. The show exhibits of the Diboll FFA placed second in the show.

Star Teacher Award

The Student-Teacher Achievement Recognition Award was presented to Mr. Willerson by the Angelina County Chamber of Commerce at a luncheon to honor all Star Teachers and those students from various county schools who choose them. Mr. Wilkerson was selected by Senior Brian Miller. The students select teachers each year who they feel had an important influence on their education.

Government Class Made Trip to Austin

The students were pleasantly surprised to catch a glimpse of Vice President George Bush as he waved a cheery greeting and flashed a big grin as he was being escorted to the House of Representatives to deliver a speech.

Turn to page 116 for identification

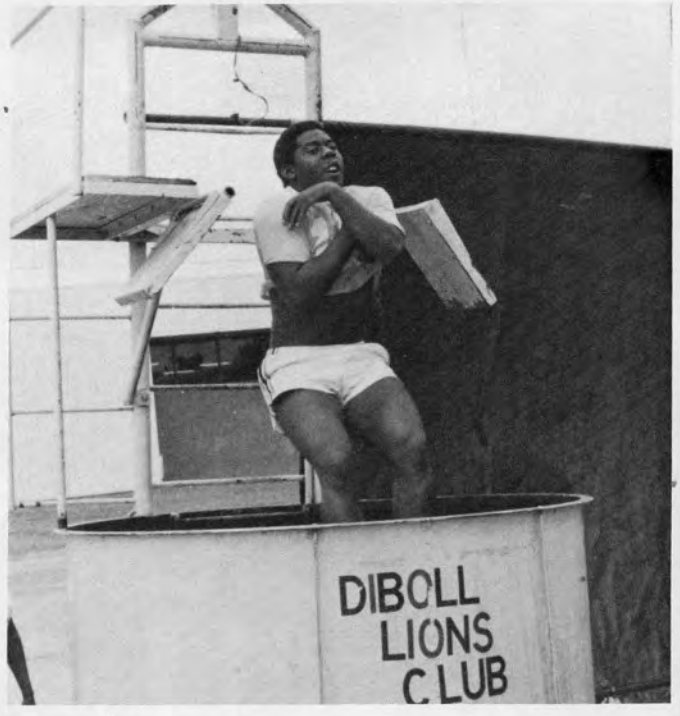

Copied from an original at The History Center. www.TheHistoryCenterOnline.com

HOW WE LOOKED

A Diboll student has many faces. He is a shy kindergarten child; he is a boisterous fifth grader; he is a scared freshman; he is an over-confident senior. She is a laughing first grader; she is a tearfully happy junior high cheerleader; she is a stary-eyed junior with her date at the prom. A Diboll student is all of these and much more. Turn the pages and see for yourself.

Henry Fox, Jr., Won First in State Competition

Fox, a seventh grader, placed first for an individual historical project in a contest sponsored by the Texas State Historical Association. His project, "Diboll Country," gave a broad overview of the history of Diboll from geologic origins to the Spanish era.

Picture identification for pages 136-137:
P. 136—Debra Scott, Rulaine Capps, Tabitha Maxey, and Evelyn Walker
P. 137—Claundra Hawthorne, Robbie Ashworth, Emily Cheavens, Lacey Yates, Donya Taylor, and Ursula Younger

You can help.

You've heard a lot about the need to conserve electricity and all forms of energy. Not only does conservation help save our nation's precious energy resources, it helps you and your family save money since the cost of energy is a big chunk out of most families' budgets. You can help your family by doing your part... make sure you close doors and windows when the heating or air conditioning unit is on; don't "graze" when you raid the refrigerator – know what you want before you open the door; hot water takes energy – try a shorter shower; and make sure the television or stereo is off when you're through with it. Work with your family to save energy now... you'll help make sure there will be enough for everyone when you start a family of your own.

Your Future And Ours

Our young people represent more than just a generation. To us, students mean the future; our hopes for the coming years rest firmly on the shoulders of the young men and women of our community. Whatever will be accomplished in this world in years to come is the responsibility of our youth. Because you **are** our future. And we support you.

As we work on today's problems by constantly improving our pollution control systems, cutting our own energy use by 336,000 cubic feet of gas per day, and investing in production machines to meet the world's increasing demand for LUFKIN energy-producing equipment, we realize that answers for tomorrow's problems will come from today's students. That's why we support East Texas schools and deserving students with scholarships and employment opportunities for business/vocational students. Ours is a two-fold commitment to continue to serve East Texas as a *"good citizen"* both today and tomorrow.

ANGELINA COLLEGE

HIGH SCHOOL—COLLEGE CONCURRENT ENROLLMENT PROGRAM

Selected high school seniors may enroll at Angelina College for the summer, fall and/or spring semesters under this program. These high school seniors have the opportunity to broaden their total educational experience while completing their high school requirements. Enrollment in any freshman level course for which the student has adequate preparation is possible. A high school junior can begin this program during the summer between his junior and senior year in high school. Permission of the high school principal and parents is required for any student entering the program. College credit for courses taken will be awarded immediately after high school graduation. For additional information, contact the Office of Admissions at Angelina College. 713-639-1301
