WORDS FROM THE PRESIDENT

Dear Alumni/Alumnus/Former Teachers:

This completes my second year as President of this organization. As President, I've seen a tremendous change in the overall response to the work this association has undertaken. At times it appeared that all efforts put forth were in vain. However, when all tabulations were completed, our pluses far outweighed the minuses. When faced with some of the most perplexing problems, those that were loyal to the organization united as a strong force to overcome these adversities. A philosophy that we held onto was: "Forgetting those things which are behind us, we press forward to a higher level."

This souvenir book was conceived and published to serve a two-fold purpose — that of enhancing all aspects of the former school and the preservation of the memories of a bygone era. So that it's heritage, a legacy will be preserved for generations to come. This book is being dedicated to the memory of Ms. Inez Smith Sibley, a long time teacher who touched the lives of every student that passed through the hallowed halls of H. G. Temple. Ms. Sibley, through her of teaching, influenced many of her students to reach for the stars. She left behind an epitaph that no man can ever re-write nor the sands of time erase. We, the officers and members of the H. G. Temple Alumni Association, salute this great educator.

A special thanks to all the members that gave 110% of their time and effort to make this book a special one. For without you, success could not have been achieved. To Jim Ligon, the creator of this book who through many long hours of tedious work and the attention given to the smallest detail to ensure it's perfection, we say "Thank You."

This souvenir book is sent forth with an earnest sincere desire that it many find a place in each home and prove to be a memento of an era in history close to all of us.

"DO YOU REMEMBER?..."

1. H. G. Temple played basketball on the ground.
2. There were only seven men on the football team.
3. The steps went over the fence to get into the school yard.
4. Each class had a play at the end of the school year.
5. There was a flying jenny in the school yard.
6. The tri-fold doors were opened for the General Assembly.
7. Jim Ligon played the piano and J. W. Armstead sang.
8. When we would sing on the school bus all the way to a game and back again.
9. Herbert Allen cooked biscuits in the homemaking class.
10. The outside drinking fountain.
11. The outdoor toilets.
12. Most of all, do you remember the good times we had at H. G. Temple High School?
13. The Bright Spot, Rogers Skating Rink & Cafe, Froggy Bottom, Flunky's, Mr. Pap's, Eva Dell's Cafe, Pray Davis Shoe Shine Stand, Pomp Davis, Red Stand, Miss Lee's Hot Dog Stand, South Side, Joe Diamond's #1 and #2, Mitchell's Cafe and most of all, the old K. P. Hall.

Special thanks to all who donated photographs of the many old time snapshots and groups.
