This is the 50th anniversary edition of "The Lumberjack," which was originally called "The Pine Echo." See more about the first yearbook on Page 2.

This year has been a year of changes at DHS. We've had two principals, two librarians, four new coaches and two superintendents. See page 4 for more details.

Academically speaking, DHS is making the big-time. Our UIL contestants won district again, and ACADEC finished fifth in Texas. We are proud of our best and our brightest.

Sports-wise, we made a bigger splash, and some of the boys say that we had more discipline this year.

The girls' basketball team went to the playoffs for the very first time.

"From The Pine Echo to The Lumberjack"

Diboll High's 50th Yearbook

"THE PINE Echo" was the first yearbook published at DHS, and this is what the cover looks like.

The first yearbook ever published at Diboll High School was called "The Pine Echo," and was printed in 1944 during World War II. The organization of the yearbook was much like we still use today. The emphasis, however, was different.

The first two pages of the book were pictures of Superintendent Wilbur F. Pate, Principal J.B. Gibson, and six faculty members. Teachers were Juanda Davis (home ec), Myrtle Roach Durham (math), Evelyn Matthews (science), Ruth Pouland (English-Spanish), W.B. Rumbo (agriculture) and Dixie Merle Whitehead (business).

In the student portrait section, there were only 25 seniors, 31 juniors, 38 sophomores and 24 freshmen. The seventh and eighth grades were pictured, but they shared one page.

They elected Mr. and Miss DHS, but they did not name them in the annual. We found that they were Clarence Curry and Erlene Donahoe.

Senior favorites were Clifton Havard and Mabel Nivens, and Junior favorites were Betty Sue Wiley and Johnny Edwards. Favorites in the Sophomore class were Mary Ellen Nichols and Donald Saxton while Freshmen favorites were Joyce Hayes and Billie Jordan.

They had only six clubs, FFA, Home Economics, Dramatic Club, Spanish Club, and Newspaper and Annual staffs.

The school had a six-man football team which consisted of a total of 12 players on the entire team.

There were only six pages of ads in the book. Ads were purchased by Hubbard & Melton, Berry's Furniture Co., the Senior Class of 1944, Van Marshall & Son, Lon Smith Dry Cleaning, Southern Pine Lumber Company Store, Sherod Powell, Diboll Motor Co., Temple Manufacturing, Southern Pine Lumber Company, J.C. Smith Groceries & Feed, Lufkin Photo Studio and Lufkin Auto Parts.

THE NEW High School, built in 1988 and '89, was part of a $5 million bond election passed in 1986. Before DHS was relocated here, the school occupied what is now Diboll Junior High School at 403 Dennis.

ERLENE DONAHOE was the 1944 Miss DHS. She was also part of the Dramatic Club and a member of the Annual Staff.

Times have changed

There have been many administrative changes in the 1993-'94 school year. Things change every year when students come back to school, but this year the administration changed and the rules really changed.

When school started, Mr. Bill Ward was the superintendent for Diboll Independent School District, and his wife, Nita Fran, was the new librarian at DHS. Dr. Gary Campbell had been hired to take Bobby Baker's place as DHS principal. Dr. Campbell was principal at DHS until late October when Mr. and Mrs. Ward decided to move to Lancaster where Mr. Ward took over as their superintendent. DISD's Board hired Dr. Campbell as superintendent, which left DHS without a principal and the Media Center without a librarian.

In November, Diboll School trustees hired Mr. Rick Cowan from Montgomery as DHS principal, and Mrs. Sally Macher took over as the new librarian. In addition, Vice Principal James Porter retired at the end of this school year.

MR. BILL Ward served as the superintendent of Diboll ISD until he left for a new job in Lancaster in October, 1993. He was superintendent here for over two years.

AFTER SCHOOL, Junior Shannon Oswalt is involved in taking oral quizes over Bible verses in conjunction with her church group. Shay's team placed second from the 38 competing teams, and she placed eighth highest individually. She has been "Bible Quizing" for three years with a youth group from the First United Pentecostal Church of Lukfin.

ONE OF the most active students at DHS this year is Joseph Phipps. He is shown here at the state track competitions at the University of Texas at Austin in May. Joseph was also president of the Senior Class, a member of the National Honor Society, a member of the Theater Arts Club, and won honors for outstanding play as a linebacker on the football field. He won a $104,000 four-year football scholarship to attend Texas Christian University in Fort Worth. At the state track meet, Joseph finished fifth in the state of Texas in the 110m hurdles with a time of 14.4 seconds.

Activities after school hours

REBECCA SIDES frequently participates in beauty contests and pageants. Here she is giving her speech at the Miss Ellis County Pageant on "Children of Divorce."

CHASITY SMITH spends some of her free time keeping baseball scores for Diboll's youngsters at Old Orchard Park.

We do well in school, but our lives do not stop there...

These students are all active in some kind of worthwhile endeavor after school is over with for the day.

The activities range from riding bulls in rodeos, taking oral quizes on Bible verses, competing in beauty pageants and keeping score at Dixie Youth baseball games during the spring and summer at Old Orchard Park.

Some of DHS students even run 110m hurdles in their spare time, and learn to compete with the best hurdlers in Texas.

Their outside activities may or may not be school-related, but these activities take up much of the students' time.

From these various activities, they learn to compete and to achieve.

These students will have good futures with their heads on their shoulders because they will be well-rounded individuals.

'94 graduation exercises

90 Seniors "walk" on May 27 at DHS

Members of DHS's 1994 graduating class received more scholarship money this year than usual, an estimated $220,000.

Graduation ceremonies were held at 8 p.m. on May 27 in the DHS gym. The keynote speaker for the evening was Angelina County's Assistant District Attorney, Lisa Burkhalter.

The 1994 graduates walked down the aisle with smiles on their faces. Most graduates were happy because they had succeeded in reaching their first educational goal. For others, it was also a sad time because they were aware that after graduation night everyone would go their separate ways.

Regardless, most graduates felt relieved that the ceremony was over, and most felt like -- "Mission Accomplished!"

TAMIKA MOORE, Star Corlee and Joe Stephens work diligently on their computer layouts to get their yearbook pages completed on time.

This year's yearbook staff worked hard getting their publication, The Lumberjack, ready to be published. This is the 50th anniversary edition of DHS's yearbook, which has a theme of "Mission Accomplished."

Adviser Sue Perkins found a copy of the very first DHS yearbook called "The Pine Echo." It was published in 1944.

She took pictures of some of the inside pages of that first annual, and they appear on pages two and three of this book. As anyone can tell, we have come a long way since 1944!

The staff members started their business this year by selling ads to businesses in Diboll and Lufkin and other surrounding communities.

The staff raised a total of $5,200 as a result of their advertising sales.

Once sales were over, the students started making their layouts in the computers, and taking pictures and gathering their information to write captions and stories for their individual pages.

Spanish Club travels to Six Flags

The Spanish Club gives DHS students the opportunity to become involved in community activities and to learn how to work compatibly with one another.

This year, the Spanish Club decorated and entered a float in the Homecoming parade. They also sponsored a food drive for the poor and needy in Diboll at Christmas.

The Spanish Club sold candy as its fund-raiser. They used the money they raised to take a trip to Six Flags over Texas on May 14.

The Spanish Club is a great club for those students who would like to become more involved in their community and for those who enjoy the Spanish language and culture.

The Spanish Club is sponsored by Mrs. Teena Kellam.

Club goes to Houston

The French Club, which is sponsored by Mrs. Glenda Jones, gives DHS's French students the chance to take a closer look into the French culture.

This year's French students hosted a breakfast for the faculty to express their appreciation for them. The breakfast was a great success, and will probably be held again in the future.

On April 15, the Club took a trip to Houston. While they were in Houston, they toured the Museum of Fine Arts. They also ate lunch at an exclusive French restaurant, La Columbe D'or.

The club meets on the first Thursday of each month in Mrs. Jones' room.

The officers of the French Club are George Soto, president; Jeremiah Phipps, vice president; and Sonia Reyes, secretary/treasurer.

Geography Club

This year was the debut of the Geography Club.

Sponsor Frank Lane said the group's membership was outstanding for its first year.

They elected four offficers along with two representatives from each ethnic group that is represented at DHS and the club's first year membership reached 105.

The Geography Club had activites such as a geography dance, a cultural food festival and an Easter bunny give-away, which served as a fund-raiser for the organization.

Other activites of the club included two field trips and five dances.

Back in the late summer, the school's new director Ms. Cathie Cain arrived.

She graduated from Stephen F. Austin State University in Nacogdoches. She was the band director at Garrison High School before coming to Diboll.

Generally sports turned out to be a better year for the Lumberjacks. The one possible exception to this was the varsity boys' basketball team which, despite multiple layers of talent, didn't advance to the playoffs.

Football came from a 0-10 season last year to 2-8 this fall. There were many highlights of the gridiron season-Damien Mark and Zicorian Coleman, to name only two. Damien broke the school's single game rushing record against Huntington with 314 yards. In the same game, Zicorian broke the state interception return record with a 104-yard run.

For the very first time, the girls' basketball team went to the playoffs against the Lady Mustangs of Madisonville. The game was close, and ended up 58-55. Next season is their year.

Boys' track won district for the first time since 1972 with 180 points. Girls came in fourth with 43points. The boys sent 10 tracksters to regionals. Joseph Phipps was the lone Lumberjack going to state in the 110m hurdles, and he finished fifth in Texas. Jose Mireles went to state, too in cross country, and finished 30th.

Kristen Bradford went to regionals in the high jump and ended up fifth.

"WHATEVER IT TAKES"

The Diboll Lumberjacks turned a 0-10 season of a year ago into a 2-8 season under the coaching of new head coach and athletic director, Finis Vanover.

As Diboll turned the season around they showed improvement in almost every position over last year.

Diboll ended up with 1,750 yards rushing, and Damien Mark led the rushing attack with 786 yards and nine touchdowns. Mark also broke the single game rushing record with 314 yards.

Archie Jackson had 314 yards and three touchdowns, despite the fact that he played only five district games. Corey Horace rushed for 196 yards, while QB Charles Moses ran for 195 yards, and both had one touchdown. Malcolm Starghill got 184 yards.

Diboll had 932 yards passing with QB Jesse Wallace throwing for 556 yards, and Moses threw for 376 yards.

Joseph Phipps had the hot hand this year as he caught 18 passes for 458 yards and a 25.8 yards per catch average along with three touchdowns. Mark caught seven passes for 170 yards and one touchdown. Starghill caught six passes for 118 yards and one touchdown, while Mike Suarez caught six passes for 74 yards.

Defensively, Phipps had a great season with 110 tackles and caused five fumbles. Robert Garcia had 72 tackles to help the 'Jacks defensively. Zicorian Coleman broke a state AAA record by running back an interception for a 104 yards for a TD against Huntington.

Coach Finis Vanover said, "I want to thank the seniors especially for their effort and commitment and the great way they handled the changes this year." He also said he "could not be more proud of anyone than I am of Damien and Zicorian. They have accomplished something truly great and they did it while helping the team."

The season had many positive notes and gave the 'Jacks some solid goals from which to build next year. ***-By Damien Mark***

Jose' finishes 30th in state

AT THE state meet in Georgetown, Diboll senior Jose Mireles finishes 30th in state cross country competition.

Except for two seniors, Jose' Mireles and Shelly Castillo, the young cross country team was made up of freshmen and sophomores.

This is the second year that Jose went to compete at the state meet in Georgetown.

The road to state was very hard for Jose this year. He finished second in district, and placed eighth at regionals. In the state meet, Jose finished 30th out of more than an 100 runners.

Shelly was expected to go to state this year but again got sick just a few days before she had to leave for district competition.

She was a good runner, trained hard for long, hard, lonseome hours, and her illness was a hard blow for the girls' cross country team.

Next year the cross country team will still be young and have strong talent. The coach will expect some of the members to excel, and again go to state.

The teams look for an even better season in 1994.

Probably the biggest honor that students at Diboll High bestow upon two of their peers is the honor of being called Mr. and Miss Diboll High School. This year LaToya Lamb was elected Miss DHS and Joseph Phipps was chosen as Mr. DHS.

Class favorites were also elected. Senior favorites were April McClain and Brad Hampton, Juniors Daniel Zarzoza and Claudia Roman, Sophomores Christy Hearne and Rayburn Horton, and Freshmen Marisa Fernandez and Lucio Munrroy.

A bright spot in the year was the ACADEC team which won first in this region. Later the team went to the state meet in Sinton and won fifth place in Texas' small school division plus having two of the state's top ACADEC students, Trey Wilkerson and Erin Kellam.

For the second straight year, DHS's UIL group won first place in district competition. Accordingly, UIL coaches took 19 students to regionals at Blinn, and three advanced to state. They were Trey Wilkerson, Erin Kellam and Jermiah Phipps.

Homecoming boasted its traditional courts but this year each duchess also had her own court. Queen was Shelly Castillo, and duchesses were Marisa Fernandez, Griselda Reyes, Briza Mancha and LaToya Lamb.

The ACADEC team of Diboll won first place at the Region VI ACADEC meet at Deer Park High School, and went on in February to win fifth place at the state meet in Sinton.

Erin Kellam placed third overall and won first in science, language and literature, second in fine arts and third in economics and speech. Patrick Kilgore placed third in math, social studies and fine arts.

Duchesses were also elected. They were Senior LaToya Lamb, Junior Briza Mancha, Sophomore Griselda Reyes and Freshman Marisa Fernandez.

In a little different twist and in an effort to get more students involved in Homecoming festivities, this year each class elected ladies-in-waiting to attend their duchesses.

Ladies-in-waiting were Freshmen Elizabeth Hernandez, Jodi Jones and Esmeralda Palomino. Sophomores were Kristen Bradford, Christy Hearne and Celsa Reyes.

Juniors were Dora Enriquez, Veronica Sarmiento and Stephanie Smith. Senior ladies-in-waiting were Darla Ford and April McClain.

SENIOR SHELLY Castillo is crowned as the 1993 Homecoming queen during half-time ceremonies at the Diboll-Huntington football game. She is crowned by Erin Kellam as Shelly's escort, Gabriel Reyes, watches in awe.

Mrs. Donna Cassels, the Student Council sponsor, said that plans for next year's Homecoming is to decorate the stadium and to try to have a bonfire again. It has been several years since the Lumberjacks have been allowed to have a pre-Homecoming bonfire.

"We hope to encourage more students to get involved" in Homecoming activities, Mrs. Cassels said.

Along with other Homecoming activities, there was a parade on October 28. The Student Council also sponsored a dance after the game.

Diboll is a small East Texas town that is known for its timber-related companies and industries plus an award winning weekly newspaper.

One of the oldest industries in Diboll was founded in 1898 as Texas South-Eastern Railroad. In 1900, T.L.L Temple wanted to enlarge this train industrry into a shortline railroad. TS-E would now go from Diboll to Lufkin and would connect with Southern Pacific and Cotton Belt. This presented a new way for Temple to move logs.

As time passed, Temple's business grew. On September 22, 1900 corporate papers were written, and these articles were submitted to Mr T.L. Smith in October and then recorded them with Texas' Secretary of State.

Now TS-E operates over 18 miles of track. The company owns three electric locomotives, and the engineers run them with pride.

It's Just A Piece Of Paper

Or is it?

For mingled with every paper fiber are the joyful tears of triumph and accomplishment, the sweat of hard work and perseverance, the lasting impressions of friendships and associations. Threads in the fabric of your life.

This simple piece of paper carries a lifetime of meaning. It is a bookmark in your history and a passport for your future.

Temple-Inland, through the Temple-Inland Foundation, is proud to support continuing education through two education programs: the Scholastic Awards Program and Scholarship Program.

This year alone, over $885,000 will be awarded through the Scholastic Awards Program to the top two ranking students in each high school throughout most areas where Temple-Inland operates. And last year, over $133,000 were paid in scholarships to children of our employees.

Temple-Inland enthusiastically salutes the seniors of 1994.

A piece of paper? It's no more than what you make of it.

Hats Off to the Class of '94

You've earned your diploma, and that's an accomplishment to be proud of. It's a great feeling to finish something you started long ago—especially when you consider how much there is to look forward to. Your only limit is your imagination. In honor of your graduation, we salute all the members of the Class of '94.

Pictured here are (front, l-r) Greg Handy, Brad Hampton, Dettrick Hubbard, Eugene Sandoval, Marcos Perez; (middle) Franklin Woods, Jose Mireles, Gabriel Reyes, Daniel Thomas, Demetrius Vinson; (back) Coach Ronnie Reed, Joseph Phipps, Dushon Goff, Troy Dixon, Damien Mark, Charles Moses and Coach Randy Gattis.

Happy retirement, Mr. Porter...
We will miss you!

Toward the end of the spring semester, long-time vice principal, James E. Porter, decided to end his 28-year teaching and administrative career with Diboll ISD.

Mr. Porter came to Diboll in 1966 and for his first 10 years here, he coached football and taught science, physics, biology, geography, Algebra I and Algebra II.

His administrative years here were spent as principal at Diboll Junior High and principal and vice principal at DHS. He's been vice principal here for 10 years.

He worked under five superintendents at DISD--Wilbur Pate, David Foster, Jim Dunlap, Bill Ward and Dr. Gary Campbell.

Mr. Porter has been a disciplinarian and a good friend to students and teachers alike, and he will be missed.

MR. PORTER receives a special plaque for the many years that he gave to Diboll ISD.

MRS. PORTER displays the special cake that was made for Mr. Porter, a-la-horse.

MR. JESSE Bradford says goodbye to Mr. Porter at his retirement luncheon.
