Class of 1997

In 1993 when we started this journey there were 165 of us. This year is 1997, and many that started have fallen by the wayside. They are gone but will always be tucked away in our memories. The ones that will truly be remembered are those that have perservered through good times and bad. In our high school career we have been called many things lazy, unresponsive, and unaffected, but the one thing that we cannot be called is quitters. We have always fought for what we believed, and we have all ran the race together, and even tried to help those who lagged behind. So, Seniors of 1997 take with you the same principles that you held so dear in High School and make a place for yourselves in the world. Never forget from whence you came or the valuable lessons that you learned here at our Alma Mater, and always press forward with earnesty because without struggle there is no success. Our motto ladies and gentlemen "We are one, but with many views." To the Senior Class of 1997 from Patrice Scott, Jennifer Steel, Mayra Zarzoza, Barbie Frankens, Brandi Clark, Noemi Torres, Amy St. Ama, Catheryn Hawthorne, John Wilson, Marcus Coleman, Damien Young, Dewayne Ligon, Jimmy Henry, Niya Guillory, Shante Kennedy and Elizabeth Hernandez.

Eric Cavazos , Josh Stifle, Lucio Monrroy and Tony Silva put their heads together before the big game, while Terrick Bussey and Po-Mac look crazy.

The seniors got their seating positions on Friday morning and some still haven't learned not to talk while being given instructions.

Mrs. Swor and Mrs. Cordell prepared the chairs for the rains that never came. Rain was the main concern about having graduation in the new stadium but fortunately it never came.

He talked of how Mrs. Stubblefield's death made them mature early and see the harsh reality of life. He talked about the fighter in Jose Sarmiento. "He never quit, so why should you?"

The Top Ten

COW BUDDIES

Diboll's FFA had another good year and brought home a lot of awards. In the county hay judging contests held in the fall our teams captured first, second and third place - shutting out all teams from other county schools.

Our state-winning forestry team from last spring competed in the National Contest in the fall in Kansas City. They placed 15th out of 38 states. This is the first time a team from the Diboll FFA has competed at the National Contest. Timothy Bounds was recognized as high-point individual in tree measurement and volume.

At Upper Neches Soil and Water Conservation District Contest in the spring the Diboll Plant ID teams placed first and second, the land judging team was first and the forestry team was second. The high-point individual for the Plant ID was Marci Smith, Austin Jackson was the high-point individual in land judging and Jennifer Webb was the high-point individual in forestry.

At the Area IX Judging Contests the AG Mech team was fourth, the Ag Economics team was third, the forestry team was eighth and the pultry team was second.

The Ag Mech project was Grand Champion at the County Show and the projects won six blue ribbons and one red at the Houston Livestock Show.

The Diboll FFA placed seven hogs, one lamb, four steers and two pens of broilers in the sale at the Angelina Youth Fair.

The annual FFA Fish Harvest was once again a huge success. Here members of the FFA bring in their catch.

Lumberjacks enjoy success in new stadium but end result is second straight 4-6 season

The Lumberjacks had a great season at home this year. That is something they have not had in a while. The varsity Lumberjacks started the season off very good on one side of the ball...**DEFENSE**. They held the Kounze Lions to minus 7 total yards of offense in the season opener but lost. The Jacks had an excellent home-opener and upended the Kirbyville Wildcats **29-7**. The Jacks showed off their defense again in the next game against the Groveton Indians. Well, half the game anyway. The underdog Jacks proved to everyone that they could play with the Indians in the first half. The Indians scored right off the bat to start the second half and the Jacks lost **35-14**.

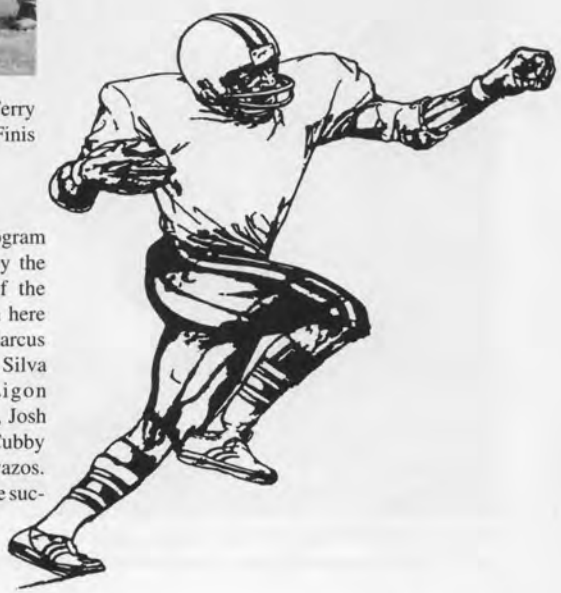

The next game for the Jacks was the one of the worst games of the season. It was against the AltoYellowjackets and the Jacks lost **40-8** here at home. The Jacks first district games was against the defending district champion Rusk Eagles. The Jacks were not ready to play that game and lost **55-0**. The Jacks then came back home to face the good ol' Bulldogs down from Corrigan. The Jacks won the game **37-21** after two games that they wish they would have never seen. The Jacks then lost on a rainy night in San Augustine to the Wolves **27-18**. The Jacks then traveled to Huntington where they demolished the Red Devils **44-7**. The Jacks set themselves up for a chance at a playoff berth with a win in their last game of the season against the Center Roughriders. Diboll could not stop the Roughriders and QB Ben Wulf and lost **49-2**. The Jacks are looking to have a better season in 97-98.

Lumberjacks end season at 12-14.

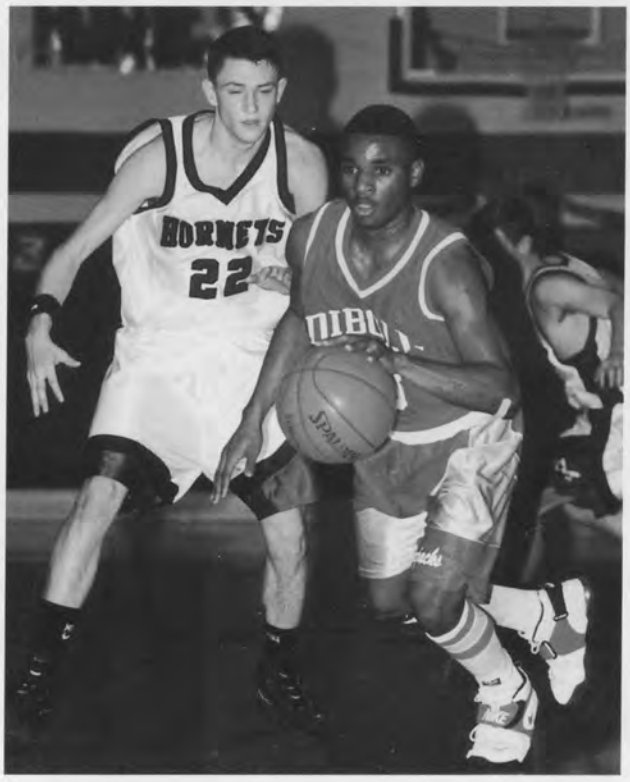

The Lumberjacks began the district campaign on Jan. 2, trying to get into the playoffs. The Jacks looked to depend on their defense to keep them in the running for a playoff spot. The Jacks went 3-4 in the first and second round and that wasn't good enough to put them in the playoffs. The Jacks played their last game in Central and lost to the Bulldogs by 3. For most of the team Central was their last basketball game as a Lumberjack since a majority of the players were seniors.

Dedication of the 1997 Yearbook to Mrs. Beth Stubblefield

TO MANY CITIZENS OF DIBOLL AND THE SURROUNDING COMMUNITIES MR. AND MRS. STUBBLEFIELD WERE KIND AND EXTREMELY HARD-WORKING PEOPLE. HORACE "STUBBY" STUBBLEFIELD WAS RETIRED AS A CORPORATE VICE PRESIDENT OF TEMPLE-INLAND AND WAS ALSO RETIRED AS PRESIDENT OF SABINE INVESTMENT COMPANY. MRS. BETH SUBBLEFIELD WAS A LONGTIME EDUCATOR IN THE DIBOLL INDEPENDENT SCHOOL DISTRICT AND WAS A SCIENCE TEACHER AT DIBOLL JUNIOR HIGH. MR. AND MRS. STUBBLEFIELD WERE KILLED IN A FATAL ACCIDENT INVOLVING THEIR VEHICLE AND A TRAIN. THE CLASS OF 1997 WAS THE LAST GROUP OF CHILDREN THAT MRS. STUBBLEFIELD TAUGHT BEFORE SHE PASSED AWAY. SHE WAS A GENEROUS TEACHER WHO WANTED HER CLASS TO UNDERSTAND AND LEARN WHAT SHE WAS TEACHING. MRS. STUBBLEFIELD WAS DEMANDING IN HER TEACHINGS, BUT SHE WAS THAT WAY BECAUSE SHE LOVED US. MANY STUDENTS HAVE BEEN TAUGHT A VARIETY OF LESSONS FROM THIS WONDERFUL LADY. SHE ENJOYED WORKING WITH UNDERPRIVILEGED CHILDREN AS WELL AS ALL STUDENTS. TODAY THE STUBBLEFIELD LEARNING CENTER IS IN OPERATION ASSISTING OTHERS SO THAT THEY MAY GRADUATE. THE STUBBLEFIELDS WERE EXTRAORDINARY PEOPLE WHO LOVED THEIR COMMUNITY. THEY WILL ALWAYS BE IN THE HEARTS OF THE PEOPLE THAT KNEW THEM. TO MR. AND MRS. STUBBLEFIELD THE CLASS OF 1997 WANTS TO SAY WE MISS YOU AND YOU WILL FOREVER BE IN OUR THOUGHTS.

We get a lot out of the forest because of everything we put into it.

Every day, people everywhere use thousands of different wood and paper products without much thought of where they came from. At Temple-Inland, that's all we think about, as we strive to balance the endless demand for products with the need to perpetuate the diversity of our forests.

On our more than two million acres of forestland, we practice responsible stewardship that ensures a healthy, productive forest, minimizes the impact on wildlife, maintains environmentally sensitive areas and provides for the needs of future generations.

Of course, applying good forest management is nothing new for us. We started our first tree nursery in 1956, and today plant seven new trees for every one harvested. Policies that ensure the protection of waterways and enhance the aesthetic beauty of our forests have been in place at Temple-Inland since 1975.

Through a host of stewardship efforts, Temple-Inland is helping make sure that there will always be a steady supply of wood. Because there's no other way to get what American families need out of the forest than to put more into it.
