Mr. and Miss DHS

Audra Harris

I want to thank all of the seniors for giving me the honor of being chosen Miss DHS. Thanks for always being there for me and supporting me in everything I do. I feel we are a very special class and each one of us have shared special memories that we'll never forget. Good luck after graduation, I hope everyone will be successful and make something of themselves. Thank you once again for giving me this honor and for making my senior year something I will never forget.

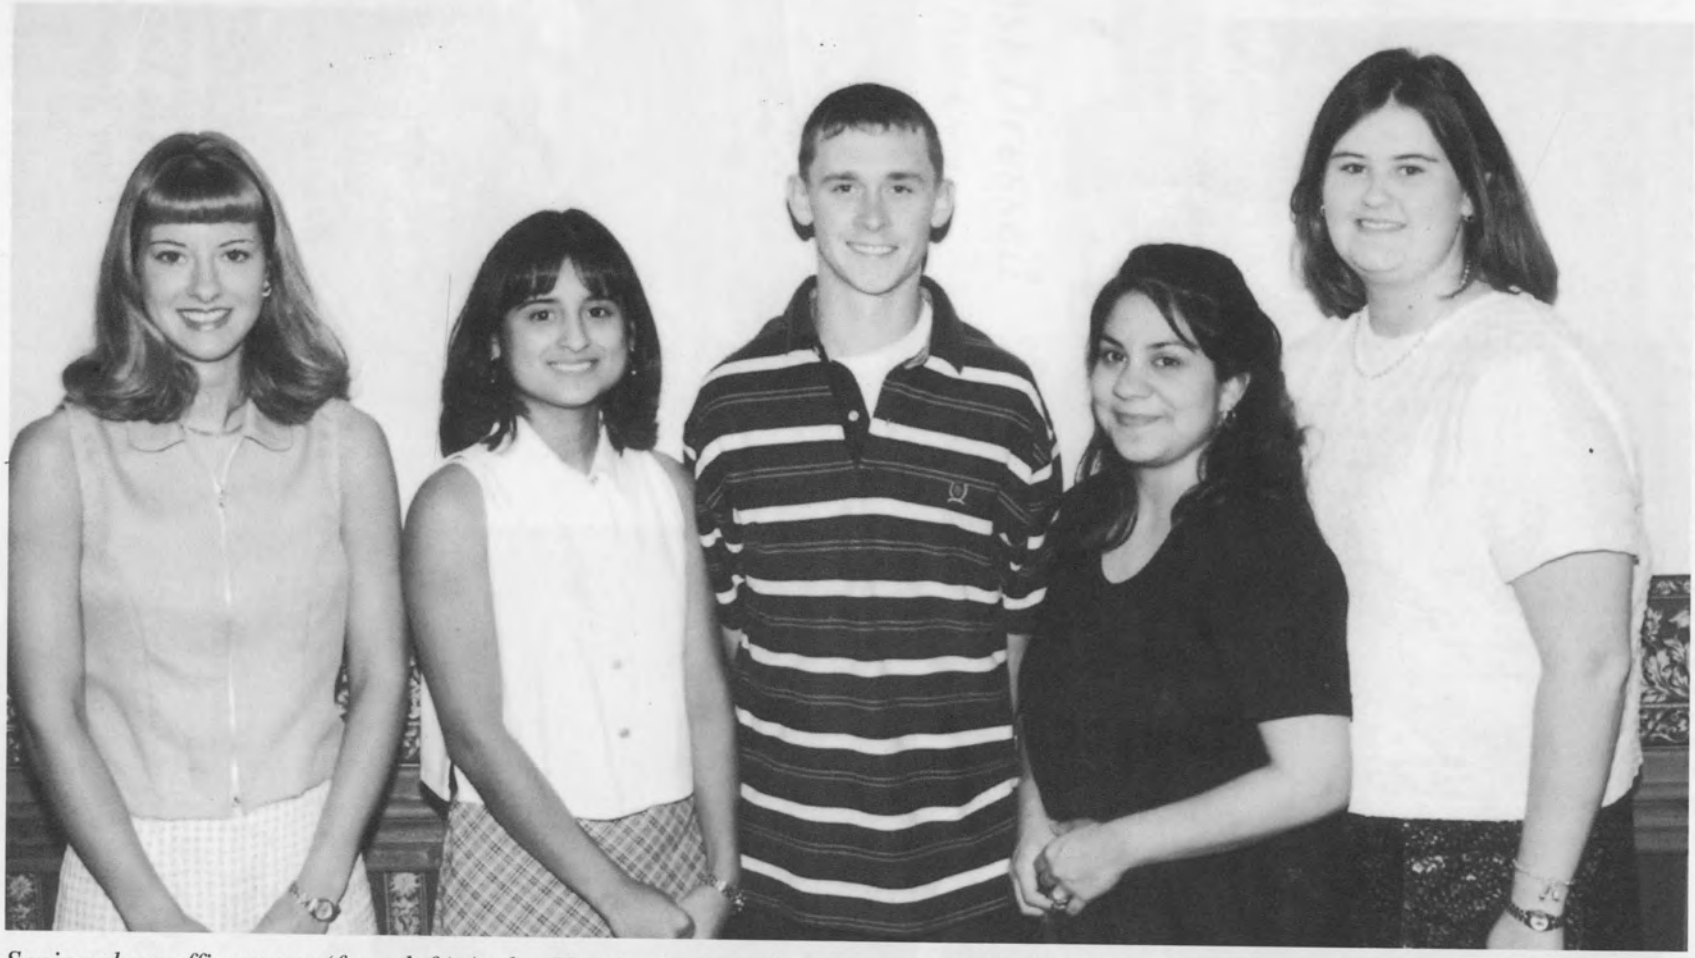

Phillip Chapman

Being named Mr. DHS is an honor that I will cherish for the rest of my life. Not for the title, but for the thoughtfulness of my fellow classmates in expressing their confidence in me to represent the class of 1998. I want to thank God for all that He has given me and the opportunities He will give me to accomplish for the future. I will look back on my years at DHS with great memories of friends, teachers and all the fun times we have shared.

I want to thank all my classmates for supporting me over the years. Maybe in a small way we have improved our school or had a positive influence on someone's life. I wish all of you the best of luck in whatever challenges you may encounter in life. Always remember your friends at DHS. May God bless and keep you from harm's way.

We get a class ring every year.

1997 marks the eighth year the Temple-Inland Foundation has presented $1,000 Scholastic Awards to the top two graduating seniors in school districts throughout our operating areas. This year, 1,020 awards are being presented, bringing the 8-year program total to **$6.6 million.**

Our resources extend beyond the forest. That's why we invest in the future of youth who live in our communities.
