H. G. Temple Elementary School

"Education is not learning the facts, but the training of the mind to think."
Albert Einstein

This has been a great year! You are learning to think for yourselves. This is a lifelong lesson you must acquire to be successful in the future. I encourage each of you to continue learning. The world is your classroom. Do not hesitate to go boldly into it and accept any challenge you meet. You will be successful whenever you choose to be. Make me proud and be sure you keep me updated on your progress.

Sincerely,
Melinda Dover
Principal
