It's a Lumberjack thing!

We think we can all agree that the 13 years of school we hoped would end soon went by way faster than we expected. One day we're taking out our nap mats getting ready for our favorite part of the day and the next thing you know we're filling out schedules for junior high. Then, in the blink of an eye, we're getting fitted for our cap and gowns. Although we came to school on our "last first day" brave and ready for the year to end, we are constantly asked by our parents, teachers and ourselves: "Are you ready?" Over the years we've been taught many things. There's only so much someone can remember, but one thing we do know we can all remember is where we came from: troublemakers, smart kids, athletes. No matter what we were deep down inside we always knew who we were. We became great people thanks to Diboll High. Now, we are entering adulthood, and we're more than positive we all have bright futures ahead of us and dreams to fulfill because...

"It's a Lumberjack thing!"

Donald J. Trump, billionaire businessman and reality TV show star, was elected as the 45th president of the United States on Nov. 8. While his opponent, Democrat Hillary Clinton, the first woman nominated by a major political party to run for president, received more popular votes, Trump won in the Electoral College, 304-227. He is the first non-military leader and non-politician to win the job.

Trump said it was time for Americans "to come together as one united people." In her concession speech, Clinton said, "Donald Trump is going to be our president. We owe him an open mind and a chance to lead." President Obama reminded Americans that we are "all on the same team."

After 108 years, it finally happened. **The Chicago Cubs** ended the longest championship drought in sports when they defeated the Cleveland Indians in seven games to win the 2016 World Series.

Naturally it wasn't easy, as the Cubs became just the sixth team in baseball history to overcome a three-games-to-one deficit to do it. The seventh and final game dramatically went into extra innings, and through a rain delay, before Chicago clinched an 8-7 win.

The city of Chicago estimated that nearly five million fans swarmed into downtown Chicago two days later to attend the Cubs victory parade.

The Women's March on Jan. 21 was a worldwide demonstration in support of women's rights and a variety of other causes, including health care reform and protection of the environment. The March began as an event in Washington, D.C., but companion events were held in cities worldwide and were estimated to involve nearly five million people.

Drug manufacturer Mylan faced harsh criticism after costs of their **EpiPen** injection device, commonly used to treat those who suffer severe allergic reactions, soared to $600. Mylan responded by releasing a generic version.
