Soaring Eagles Drop Jacks, 53-50; Locals Meet Tigers Fri. In Final Hardwood Play

Boy Scout Sunday To Be Observed

Observance of Boy Scout Sunday will take place Sunday, February 12, in all churches of the Pineywoods District, according to Rev. Robert Meir, chairman of the District Protestant Relationship Committee.

"Each church will observe a Boy Scout Sunday in its own way by recognizing the 46th anniversary of Boy Scouts of America," Meir said.

All Boy Scouts, Cub Scouts and Explorers are urged to attend church regularly, but on Scout Sunday, they are asked to appear in uniform. It is desirable that each one attend with his family in the church of his choice.

In observing Boy Scout Sunday, ministers will emphasize the spiritual ideals of Scouting in their sermonns; Cub Scouts, Explorers, and leaders will participate in the worship services; Scouts will serve as ushers. — Some churches will present God and Country Awards and also recognize boys of the congregation who in past years have received the God annd Country Awards.

Churches will give special recognition to unit leaders of the Cub pack, Scout troop and Explorer post, sponsored by the church.

P-TA Celebrates 59th Anniversary

The 59th anniversary of the National Congress of Parents and Teachers will be observed by some ten million members over the nation this month, Feb. 17 being the birthdate of the founding of the organization.

At the first national meeting in Washington, D. C., called in 1897 by Founders Alice McLellan and Phoebe Apperson Hearst to invite mothers to join in a program to help children everywhere, the suggestion was made that such a program could best be developed throughstate organizations.

The Texas Congress became a part of that national organization October 19, 1909, in Dallas, and today has a membership of 533,203, ranking fourth in the nation.

Lumber Jack's 16-5 Record On The Line As They Make Last Ditch Stand Friday

BY AMOS LEWIS

Bennis Franks Lumberjacks dropped their second thriller to Woodville Friday night, 53-50.

By defeating the Jacks, the Woodville team now looms as a favorite to wrap up the district title. Too, their 8-1 record against Diboll's 7-2, will make them the district winner according to 'Hoyle' unless Diboll can take their game with Trinity tomorrow night.

The Jacks met Hudson last Tuesday night. Although results of that game were not available for this paper, Diboll was favored to take the game via a 15 point licking given the Hornets on Jan 17 in Diboll.

BACKS TO WALL

Coach Franks commented on Sunday that though his team had "their backs to the wall", there was still a good chance they could take both second round and district honors from Woodville.

Should Diboll beat Trinity on Friday, (considering they took Hudson Tuesday night), they will meet Woodville in a 'sudden death' game on a neutral court. That game would decide the winner of the second round of play.

NOT THERE YET

The Jacks certainly aren't to that stage yet, however, they had little trouble in romping past Groveton last Tuesday.

Friday's game at Woodville was a bit different.

Rainy, freezing weather may have dampened Diboll spirits, but they had little effect on the Eagles. Bryant Kolb and Jimmy Chapman remained hot for the loop leaders, as they hit for 16 and 11 points.

BAD FOURTH

Ken Burnett counted 17 for Diboll. Jim Bobbitt connected on 12 markkers before fouling out with four minutes left in the 4th quarter.

His absence hurt the Jacks measurably, although Ronnie Moyers performed well at his guard post.

The Locals led at the end of the first quarter, 24-22 and 43-41 at the beginning of the 4th quarter. The Eagles rallied to outscore Diboll 12-7 in the last stanza and wrap up the important tilt.

Little "D"

R. B. WILLIS, SR. pushing Publich School Week for March —MR. and MRS. JACK SWEENY taking Sunday afternoon drive — ditto GRESHAM TEMPLE and family — MRS. PRESS HOLCOMB giving Stanley party at WILLIS JORDAN home — HUGH DAVIS still looking for place to live after returning to Diboll — HAROLD GEORGE, now a teacher at the junior high school in Houston, in town last weekend — BILL FERGUSON recent transferee from Lamar at Beaumont to Sam Houston at Huntsville — Lamar Lewis, journalism major at the University of Houston, was in town over the weekend— MRS. J. T. HUTSON having trouble keeping supply of home baked pies on hand.

Our story this week about the local basketball outlook could be misleading. It is next to impossible for us to get the result of games played on Tuesday in Thursday's paper.

We doubt that it happened, but if Hudson beat the Lumberjacks Tuesday night, Bennis Franks charges have no hope of another shot at Woodville.

Just a word of explanation until a later deadline can be established for reporting ball games.

Another exclusive News-Bulletin feature appears in this edition. Several times in this column we have asked for reader's suggestions on what they think would make good feature stories.

If you like the stories we have been carrying, why not let us know.

Most people don't like 'hot-rods' or the ones that drive them —However, there is some confusion as to exactly what constitutes a true hot-rod.

I certainly don't profess to be an enthusiast or an expert on these cars, but I do believe the following points are true:

1. Most hot-rod followers like to build different types of cars. They want them to run smoothly and rapidly. Most hot-rods are minus the muffler, which adds a couple of miles at top speed.

2. Real hot rodders do not display the sound of their car, sans muffler, anymore. Many people, however, remove the muffler from their car. Some replace it with special noise mak-

3. I feel that few, if any cars, equipped with these special devices are any faster than many standard makes. The driver succeeds nevertheless in sounding like a B-36 coming down the road, thus causing folks to deplore hot-rods and hot-rod clubs.

These are just a few observations. Everything today is being done for the teen-ager. Special records are made for them, special clothes, special exhausts for the cars.

It seems a lot of people are making a lot of money via the teen-ager.

It seems too that some of us somewhere down the line are failing in trying to help at least a few of them become leaders. Leaders on whom we, in our old age, must depend.

—PAUL DURHAM

THE RIGHT ROAD

The first plane bought by the Temple Industries is the Cessna 180 shown in the background. Gentleman with hat in hand is D. D. Devereaux, retired construction foreman, who has watched Southern Pine Lumber Co. graduate from the horse and buggy day into this atomic age. Horace Stubblefield is the pilot standing next to Mr. Devereaux. Employed by Temple Associates Box Factory, Horace alternates with A. O. McQueen on flights.

Fleet Of Planes Important To Southern Pine Lumber Co.

Seven times around the world. That is the equivalent distance travelled during 1955 by the little fleet of Temple Industry planes soon to be based on the new Diboll Airport.

Southern Pine Lumber Co.'s Twin Cessna and Cessna 180 and Temple White's Beechcraft Bonanza logged more than 900 hrs. in the air during 1955, according to A. O. McQueen, head pilot for Southern Pine Lumber Co.

Such are the travel demands of leadership in the lumber industry and the round handle industry.

Does flying pay?

"You bet!" says Arthur Temple, president of Southern Pine and Temple White Company.

"If these planes had no other value to us, their worth maintaining constant close contact with our customers would justify our owning them. One of our managers of sales can be on the spot in a matter of minutes if a customer requires personal help in handling a large order. Our top sales executives can make frequent trips to the yards of our customers for first hand information on the problems of retailers without having to neglect the many duties which they have to deal with at their desks.

"We also make it a practice to fly interested customers to our plants so that they can see for themselves why our lumber is worth more to them. We find one trip of this kind is more valuable to one of our customers than all the talk and pictures in the world."

BUSY EXECUTIVES

Executives of Southern Pine Lumber Co. are very active in industry affairs as witnessed by the fact that Arthur Temple is president of Southern Pine Association, vice-president of the National Wooden Box Association, member of the board of the National Lumber Manufacturers Association, etc.

Latane Temple is chairman of Trade Promotion Committee of Southern Pine Association, and chairman of the Marketing Committee of Southern Pressure Treaters' Association and member of the Special Marketing Committee of the Texas Lumber Manufacturers' Association.

DEPEND ON RAILROADS

"We could not take part in industry affairs to the extent we do if we had to depend on slower means of transportation,' — according to Arthur Temple.

"Our first love will always be the railroads, of course, since they are among our best customers. Whenever possible, even if we have our own planes, we travel by rail.

"The work we do in industry affairs is one of our obligations as a leader," according to Mr. Temple.

"Every industry worth its salt fights to hold its markets against competing products. This is true of pine lumber, oak—flooring, pressure treated materials, boxes, in short, all of our products. We here at Southern Pine are very proud of the part the Temple Industries have had in holding and broadening the markets on which the operation of our plants and yards depend."

Is there any advertising value to having three Temple Industries planes displaying the Star and the Pine Tree all over the continent?

No, according to Latane Temple, general sales manager and vice president of Southern Pine.

"But people know when they see that symbol circle in for a landing that they are looking at a Company that stands for progress. It doesn't hurt to have people know that your outfit is tops and that we mean to keep it that way."

PRROTECT FORESTS

Primary reason for Southern Pine Lumber Company owning planes is to offer protection to is great forest resources against fire.

By spotting and directing the control of one small fire, the planes pay for themselves, according to Arthur Temple.

The planes are connected by Company radio to Southern Pine cars and forest vehicles.

March 5-10 To Be Public School Week

A release from Austin appeared in this publication last week Gov. Allan Shivers proclaiming March 5-10 as Public Schools Week in Texas.

Committees have been set up over the state to help with the events which take place durlig one week of each year.

These committee members are helping school administrators in their town in preparing displays and serving as guides on open house day.

Committee members for District 20 are: R. B. Willis, Sr., of Diboll; J. D. 'Red' Conditt, Lufkin; B. L. Williams, Nacogdoches; Wilburn L. Carrell, Huntington; and Louis D. Reeves, of Garrison.

Baptist Report

Mrs. E. P. Ramsey, president of the Woman's Missionary Union of the First Baptist Church reports that both the Clem Hardy Circle and the Lottie Moon Circle of the WMU were well represented at the meeting. The Clem Hardy Circle of which Mrs. Ruth Ward is chairman was in charge of the program entitled God Save America which presented the work of the Home Mission Board of the Southern Baptist Convention.

Unity Baptist Have Brotherhood Meeting

The Brotherhood of Unity Baptist Association met in a regular quarterly rally with the Happy Hour Church, on Tues- [illegible] 7th The program began at 7:30 featuring Royal Ambassador work, under the direction of Tom Padgett, and a message by Mr. Bob Beaty, who is well known as a layman from Carthage, Texas.

Dr. Mayo McClain of Livingston is Brotherhood President, and Mr. V. B. McKinney of Diboll is program vice-president. Happy Hour is one mile northwest of Lufkin.

Lumberjacks Win One Out Of Two

Lumberjack B Squad won a fair split in their two games of last week, much the same as their varsity brothers.

They skipped past Groveton Tuesday, 43-24. Larry Weber scored 10 points, followed by Ron Moyers with 9. Joe Dial of Groveton hit for 6.

The B'ers dropped a 53-41 decision to Woodville Friday nite.

Ron Moyers and Amos Lewis hit 12 each for Diboll and Sheffield collected 19 for the Woodville team.

Last Rites Held For Thomas Fenley

Funeral services for Thomas Milledge Fenley were held on Thursday at 3 p.m. in the Gipson Funeral Home with the Rev. Billy Thomas officiating. Burial was in Garn Cemetery.

Mr. Fenley, 71, who lived on Rt. 4, Lufkin, died late last Wednesday in a Lufkin hospital after a long illness. He was born in Angelina County and had lived in the county all his life. He was a member of the Bethlehem Methodist Church.

Survivors include his wife, Mrs. Loshia Fenley of Lufkin; five sons, Craft Fenley, Pete Fenley, Jim Fenley and Haskell Fenley, aff of Lufkin, and Dan Fenley of Diboll; two daughters Mrs. A. O. Alexander of Port Neches and Mrs. Jimmie Modisette of Crosby; one brother, Deed Fenley of Shepherd; four sisters Mrs. J. T. Chambers, Mrs. C. H. Bickford, both of Lufkin, Mrs. C. W. Matthews of Henderson and Mrs. Coke Garrison of Houston, and 10 grandchildren.

Funeral arrangements were under the direction of Gipson Funeral Home.

Farmers Security Benefits Shown

Many Angelina County farmers have already filed tax returns for the 1955 calendar yr., according to L. R. James, District Manager of the Social Security Administration, at Lufkin. They are paying the self-employment tax this year for the first time for social security protection. James emphasized that all farmers who cleared $400 or more in 1955 from his farming must file these returns by Feb. 15, 1956 (or April 15, if any of their 1955 income). Proper tax returns and advice concerning taxes can be obtained from the District Director of the Internal Revenue, Dallas.

"This social security credit will mean much to farm families", James explained. "Suppose we take the case of a farmer with a wife and child. His earnings up to $4200 a year are taxable for social security. In the event he should die soon after the close of his second crop year under social security and had made the maximum of $4200 in both years, the widow and a small child would receive a monthly benefit of $162.80.

Diboll High Band To Sponsor Band Calendar

Starting next week, the members of the Diboll High School Band will attempt to contact everyone in the city of Diboll and the surrounding community to see if they wish to have their name listed on their birthdate on the Diboll community calendar.

On the front of the calendar will appear a picture of the Diboll High School Band as has been the custom in the previous two years. There will be ads of local business firms on the calendar.

Birthdays, anniversaries and meeting dates of local organizationswill be listed. The calendars wil run from May 1956 till April 30, 1957. All listings must be in by February 25. If you are not contacted and wish to have your birthday and anniversary listed, please call on any band member.

The idea of the Community Birthday calendar is to build a friendliness and cordial relationship among all the people of the district, in addition to the valuable information it contains. —

Calanders are to be sold at cost, and the proceeds raised by the names listed on the calendar will be used for the Diboll High School Band's benefit.

Listings on the calendar will be 25 cents each and the calendar will sell for 50 cents. After the calendars are printed they will be distributed by the solicitors.

Wilson-Windsor Wedding Held

Miss Virginia Ray Wilson, daughter of Mr. and Mrs. Charlie Wilson of Diboll, and Gary Eugene Windsor, son of the late Mr. and Mrs. Dave Windsor of Diboll, exchanged marriage vows Saturday Feb. 4 at the residence of Mr. Leonard Windsor, brother of the groom. Rev. Frank Wheeler of Diboll, pastor of the Second Baptist Church performed the ceremony.

Serving Miss Wilson as maid of honor was Miss Marion Reeves. The groom's best man was A-3c Billy Ramay. Others attending were Mr. and Mrs. Charlie Wilson, parents of the bride, Miss Emmie Windsor, an aunt of the groom, Mr. and Mrs. W. D. Windsor and son, brother of the groom and Mr. and Mrs. Leonard Windsor and children.

The bride is a graduate of Diboll High School. The groom also attended Dibol High School before going into the Air Force.

The couple plan to make their home in Victoria, Texas, where Mr. Wilson is stationed.

$133.03 Collected In Mothers' March

Mrs. A. R. Weber, chairman of the 1955 Mother's March on Polio, announced this week that this year's march netted $133.03. The drive was carried on last Monday night between the hours of 6 and 8 p.m.

The chairman pointed out that this total is under the amount collected by Diboll mothers in last years effort to aid in the March of Dimes. However, the Dibollians gave quite a lot to the East Texas Telethon several day ago., which makes the picture somewhat brighter.

Burke mothers waged a more successful drive the same night in netting $141.

W. C. ROYLE Typewriter Co.

This firm, located at 3rd and Laurel Ave. in Lufkin is your dealer for the popular Underwood typewriters. The popularity of these machines are known throughout the country.

Make the work of your secretary or yourself a pleasure by purchasing an Underwood typewriter. You will praise its easy touch, and be proud to send out letters that have been typed on an Underwood Typewriter.

The W. C. Royle Typewriter Co offers a repair department where experienced typewriter men can repair clean or replace broken parts at a reasonable charge.

Employers who have the interest of their employees and business at heart will do well to consult this firm in Lufkin and let them solve all your typewriter problems. Phone 3-4479, or 3-4470 for information. You can also rent typewriters here.

AN OPEN LETTER

I want to thank everyone in Diboll who have patronized the Diboll Gulf Service while it was under my management.

It has been an honor and a pleasure to serve each and every one of you, and I sincerely hope that I may be able to be of service to this community in other ways in the future.

Again my thanks to you. And keep giving Diboll Gulf Service and Hugh Davis your business!

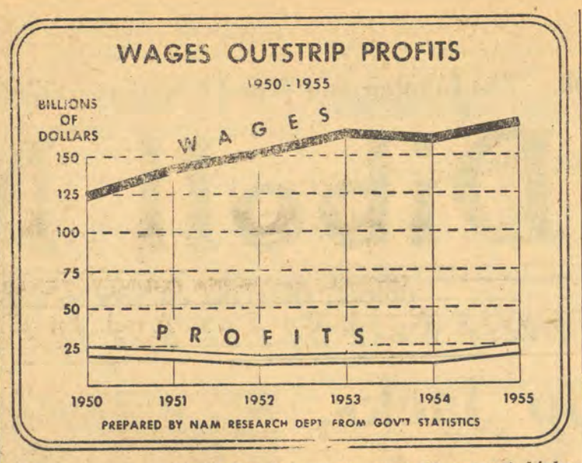

Sincerely,

Zelda Deane Arrington

The eyes of the Lord are in every place, beholding the evil and the good.—(Proverbs 15,3.)

Ever present and enveloping us as the air we breathe is the Holy Spirit, God He knows the good and helpful things we do for others, and we are blessed He also knows every evil thought and desire we hide but, merciful, will help us overcome them.

Total wages and salaries in 1955, except for government payrolls, were 39 percent above those of five years ago. The total climbed from 124 billions of dollars in 1950 to 173 billions the last year. This was a record high level. It was the result of the greatest number of persons of working at the highest pay rate in history. Average hourly wages in manufacturing, for instance, were 28 percent higher than during 1950.

Total corporate profits, on the other hand, were about the same as in 1950. In that year profits were 22.1 billions of dollars, — somewhat higher than the 21.8 billions estimated for 1955. Despite the greatest production and sales year ever, a larger number of corporations earned no more than they did five yeas ago.

Fruit-Flavored Dessert is Appetizing

The whole family will enjoy this delicious Apple Charlotte, made with enriched white bread.

A variety of tempting desserts and other appetizing foods can be easily prepared with the wholesome enriched white bread available to modern homemakers at food stores everywhere. In addition to its daily service with family meals, the tender slices can be used in stuffings for meat and fowl, in meat loaf and fish cake mixtures and as a base for creamed main dishes. No matter how it is served, today's enriched white bread provides extra nourishment and is a good source of the cereal proteins, B vitamins and iron so essential for good health and energy. So nutrition experts recommend that bread be included in every meal, especially for growing children and in sound reducing diets.

Today's Apple Charlotte is one of the good-tasting, satisfying desserts made with enriched white bread. A free, 16-page booklet called "New Hot Breads," containing nearly eighty additional recipes, may be obtained simply by sending your name and address to Crown Zellerbach Corporation, Western Waxed Paper Division, 2101 Williams St., San Leandro, Calif.

APPLE CHARLOTTE

1 loaf sliced white bread
Butter or margarine, softened
4 cups (2 cans) thick applesauce
1½ cups golden raisins
2 cups sugar

Spread softened butter or margarine over bread slices and fit slices snuggly into bottom and around sides of a mold or 2-inch deep casserole. Combine applesauce, raisins and sugar and cook very slowly over low flame until a thick puree is formed, about 20 mins. Turn hot apple mixture into bread-lined mold and cover evenly with additional buttered bread slices. Bake in moderate oven (325°F.) until bread is evenly browned, about 40 mins. Serve with plain or whipped cream or with warm apricot sauce.

Baptist To Have Car Caravan

Mr. V. B. McKinney of the local First Baptist Church was in charge of the program for the meeting and presented Bro. Bob Beaty, a layman, from Corthage as the principal speaker of the evening.

A special caravan of cars was arranged for leaving the Diboll Church at 7:00 p.m. These quarterly Brotherhood meetings do so much to increase the effectiveness of Brotherhood work in our churches, Mr. McKinney has said.

BULLETIN

Mr. D. L. Helton, who has been bed-ridden for several years, underwent surgery this past week in Houston.

His jawbone was removed and repplaced with a plactic bone, according to recent reports received from Houston.

Did It Myself!
Paneling Is A Cinch
For The Man Handy With Tools

I used Quality Southern Pine . . . used white paint and wiped it before it dried. First time "The Boss" really appreciated my do-it-yourself efforts. The trick is to get the RIGHT paneling. Be sure yours comes from the best of the big mills. Look for the SPIB mark on the end of each piece. It will show you the true grade . . . but the important thing is the numbers 77 or 78 . . . they tell you that your paneling came from the Southern Pine Lumber Co. mills. There isn't anything better than that.

Its The Law . . . In Texas

COURTROOM DRAMA

We've all seen a great many courtroom dramas in the movies, on the stage, or on TV. Too many, some say, but there's no denying the drama to be found in the courtroom.

A theater seat or a comfortable chair in front of the TV screen is the closest many of us ever get to a courtroom. It's by such a vantage point that most of our ideas come today about court procedures and how a trial is carried on.

Stage and screen trials normally present only the highlights and take many shortcuts in the interest of brevity and audience appeal. Often an attorney is pictured making objection after objection to the questions and answers as witnesses testify. He makes these objections vehemently, pompously, or sarcastically—and often in a voice louder than necessary—according to the demands of his role, and depending upon whether he's on the side of the villain or the hero. The judge then raps for order, and booms out, "sustained", or "overruled", and those of us in the audience usually are at a loss over why he made his decision.

In a real courtroom it's true that attorneys protest against what's being done or said, as a means of assuring a fair trial, and the judge must allow or disallow each objection.

The principals in the real courtroom are just practicing common sense when they follow the "rules of evidence" in placing facts before the judge and jury. If there's to be a fair trial and a just verdict, there must be true facts.

200 Lawyers Attend Workshop

Austin—Some 200 Texas lawyers attended the State Bar Second Annual Workshop-Conference for committees and local bar officials here Saturday, Feb. 4, Maurice R. Bullock of Fort Stockton, state bar president, announced.

The one-day meeting featured addresses by Vern Sanford, general manager of the Texas Press Association; William B. Ruggles, editorial page editor of the Dallas Morning News; A. P. Murrah, federal appellate judge of Oklahoma City; and President Bullock.

The conference group included local bar presidents and secretaries and local committee chairmen, as well as State Bar section and committee chairmen. Representatives of capitol press, radio and television also attended.

Bullock said the meeting was a concerted endeavor to bring before local bar officials practical information to enable all to do a better jobon behalf of the profession. In addition to general sessions, there were individual conferences of grievance committee representatives as well as special and standing committees.

A public relations session over which Homa S. Hill of Fort Worth, public information committee chairman, presided, included addresses by Hill and by William J. Rochelle of Dallas, committee chairman.

DIBOLL NEWS-BULLETIN

Austin —An extensive program for construction of new Reserve armories in Texas has been announced by Brig. Gen. Lewis S. Griffing, Chief of Texas Military District.

This program, according to Griffing, is aimed at furnishing suitable training facilities for the expanding U. S. Army Reserves, expected to result from passage of the Reserve Forces Act of 1955.

At the present time permanent type Reserve armories are located at Houston, Beaumont, Ft. Worth and Austin. In other Texas cities and towns, Reserve training is conducted in either leased, rent-free facilities, or at Regular Army installations.

Already under construction is a 200-man-type armory at Huntsville which is expected to be completed Feb. 29; a 200 man armory at Lubbock about Aug. 31; 400-man armories at Dallas and Waco about Dec. 31; and an additional 1,000 man armory in Dallas expected to be completed about March 31, 1957.

General Griffing stated that it is expected that armories will be constructed in many more Texas cities and towns as fast as the Reserve strength in those cities and town increases.

Four Texans Attend President's Breakfast

Four participated in the 4th Annual President's Prayer Breakfast sponsored by the International Christian Leadership organization last week, and Senator Price Daniel was elected as president of the group.

The Texans were all at the speaker's table with President Eisenhower, and all took part in the inspirational meeting attended by 800, including the Cabinet and most of the members of Congress.

In addition to President Eisenhower, who was born at Denison and Senator Daniel, there was Howart E. Butt, Jr., of Corpus Christi, noted Baptist layman who made the main address. The fourth Texan was Mr Conrad Hilton, owner of many of the nation's leading hotels, who was host for the annual breakfast.

Dahiel also presided at other meetings being held last week during the Annual Christian Action Conference sponsored by the International Council of Christian Leadership and International Christian Leadership—(USA). The organization sponsors weekly breakfast meetings devoted to prayer throughout the United States and in many foreign countries. The Senate, House, many government agencies, and business and labor are holding these breakfast meetings each week in Washington.

Army Plans Reserve Drive For Feb. 22

Austin—A one-day, all out-recruiting effort will be made by U. S. Army Reserves in Texas on February 22.

Aimed at increasing the total strength of the Army Reserve Forces in the Lone Star State, teams composed of Reservists and Regular Army Advisory personnel will make personal calls on prospective enlistees in the 70 cities and towns in Texas where Reserve units are located.

Gov. Allan Shivers has signed a proclamation designating Washington's birthday — Wednesday, Feb. 22—as U. S. Army Reserve Day in Texas, "in honor of the Father of Our Country and the Commander in Chief of the Continental Army."

The Governor's Proclamation not only praises the contribution made to the national defense effort by the ReRservists but also urges young men to seriously consider doing their part by the joining of a U S Army Reserve Unit.

February 22 also is the final day of National Defense Week. In this connection President Dwight D. Eisenhower said, — "Our Reserve strength is more important today than ever before. It is therefore gratifying to learn of the plans for National Defense Week—under the slogan 'Reserve Power Is National Defense." I am delighted to endorse this undertaking, which I hope will receive the greatest possible measure of citizen cooperation and suppart."

Clean Up This Week

Highway Patrol To Be TV Feature

Texas has one of the finest highway patrols in the nation. And next week, The Humble Co. Texas In Review program will show how Texas Highway Patrolmen are trained. The filmed program will go with the candidate from the time he sends in his application to his graduation from the school. There will be comprehensive films showing classrooms and what type training, both mental and physical, each highway patrolman has to pass.

Another interesting feature on thesame program will show how pressed wood is made from the shavings at a plant in Jacksonville, Texas. This pressed wood has many uses including table tops and drainboards.

Texas in Review can be seen February 12 on KPRC-TV, Houston, 10 p.m., and KTRE-TV, In Lufkin, 10 p.m.; on Monday, Feb 13, on KVDO-TV, Corpus Christi, 9:30 p.m.; KRLD-TV, Dallas, 7:30 p.m.; and WOAI-TV, San Antonio, 10:15 p.m.
