Thompson Returns From Convention In New Orleans

Clyde Thompson returned this week from the Southern Forest Fire Prevention Conference in

New Orleans. Superintendent of logging for Southern Pine Lumber Company, Thompson attended the convention, held April 13-14 at the National Bank of Commerce Building.

The local leader heard a fiery speech Friday night by Howard Pyle, former governor of Arizona, now deputy assistant to President Eisenhower. Mr. Pyle addressed some 1200 persons of 16 Southern States and declared that—". . . forest fire prevention is everybody's business. ."

MASS EDUCATION

One of the chief means of preventing forest fires is 'mass education' the convention found.

Such things as the general public burning their land for the 'land's benefit' was cited. This of course is not true, and was vividly pointed out by attending Southern foresters.

Other foresters called for a stronger enforcement of the arson laws.

FIRST STEP

Mr. Thompson said that the recent convention is actually the first step that has been taken toward preventing forest fires on a general scale in the great South. It is expected that the 1200 foresters, educators, and manufacturers who attended the convention will generate enough interest to further promulgate interest in the wildlife problem.

LOCAL LEADER

Clyde Thompson has long been a civic leader in Diboll for many years. Immediate past president of the Angelina County Chamber of Commerce, Mr. Thompson is at present engaged in a program to obtain city mail delivery for Diboll. Elsewhere on this page is the story of the recent purchase of 100 million feet of pine timber by Southern Pine Lumber Company, a venture in which Mr. Thompson also figured prominently.

J. A. Pate is in the New Herman Hospital in Houston for further treatment of a leg injury he received last October.

Elsewhere in today's paper is a short story about four attractive high school girls who have fashioned a pleasing, country quartet. Mention is made that Dibollians are interested in getting the girls a TV spot.

Television station managers might do well in giving the girls a chance onn the local show.

Having read some of our recent articles about the old timers of our community, several readers have pointed out that a survey of the town's young people would make good reading. This angle will be exploited in next week's edition.

The purchase by Southern Pine of 100 million feet of timber last week is history making event for Diboll. One of the largest timber transactions ever made in this area, Southern Pine continues its constant watch for similiar deals which would be strengthening to the economy of the community.

Methodist Church To Hold Revival Here

The State Fair's 1956 premium book will be available in the month of May.

Hi-School Quartet Rates High Here

BY BETH DURHAM

A group of Diboll High school students are well on their way to becoming the best entertainment group that school has produced.

Misses Pat Jordan, Shirlene Holcomb, Donnie Weeks, and Betty Faye Brown sang at a special banquet in Shreveport last weekend in some of their many social and civic appearances of the season. The quartet has appeared before the local Lions and Booster clubs, banquets, church functions and in school plays, singing popular and other songs with unusual teenage ability.

The girls are generally accompanied on the piano by Miss Ruby Ann Ashworth.

Several folks in this area are trying to figure a way to get the young ladies on a TV spot.

Woodville District Plans Rally Day

The Congregational Methodist Woodville district will have a rally day at the newly organized church in Diboll on the fifth Sunday in April.

Services will begin at 10:00 a.m. Rev. Harold Pitts will conduct the services, lead the singing and arrange special music.

Texas Visitor Not Another St. Patrick

Floyd Premeaux of Buloxi, Miss. fought a winning battle with a 23 inch coral snake here Saturday and says that hereafter his visits to Texas will be few and far between.

A friend of Mrs. Bobbie Jean Medina, Mr. and Mrs. Ollie Johnson's daughter, said that he had never seen a coral snake, and thought the colorful reptile was a harmless grass snake.

He killed the coral about one half mile behind the Treating Division on the Pine Valley road.

If he had known how deadly the coral was, Mr. Premeaux said, the snake would probably still be alive today!

A LETTER TO EDITOR

The Story that was in the News-Bulletin April 12, 1956 about the vote on consolidation of Burke School with Diboll — should be explained more fully by going to Burke some night before May 12. I don't see any reason for objection to this idea.

I am interested in the school because I have six children in school. I have two in high school in Diboll.

The article that was in The News-Bulletin leads me to believe that someone may be in error, and I quote Mr. Pate:—". . . that the idea for consolidation came from the Burke residents. The Burke school board refused to have anything to do with the election, although they voted no objection to an election if it was what the citizens wanted . . ."

I can't believe that the seven good men on the Burke school board will not attmpt to tell the people what they think will be best for the school.

I say again: Mr. Pate should go before the people and tell them all the facts, after all, consolidation will in time help Diboll schools as well as Burke. Some people think there is some thing WRONG or HIDDEN as a petition is circulated.

Me, I am for consolidation one hundred percent.

Sincerely,
EUGENE BAKER

What Burke Folks Are Doing . . .

Community Chest Members Named

Community Chest President Roy Kurth, Jr., Wednesday named the members of the Executive Committee for 1956. Named to the committee were: H. J. Shands, Jr., Cliff M. Estes, J. F. Burris, Calvin Lawrence. Edward P. Trout; W. Joe Anderson, Louis Renfrou, S. W. Henderson, Jr. and R. W. Wortham.

President Kurth and Executive Director Herman Brown also serve on the committee.

All Voters In Consolidation Election Must Have School Property Listed

CALVIN LAWRENCE, Rhoda Faye Chandler and Leo Coody of Southern Pine's accounting department, pause a minute from the day's work. Mr. Coody joined the Diboll office only recentally having worked at Pineland for 16 years. He plans to move here at the close of school. At present he visits his wife and little daughters in Pineland each week-end.

Election Set For May, 12th

Voters in the Diboll-Burke election on consolidation for the schools must have taxable property listed on the school tax roll in one of the two districts, Supt. W. F. Pate said Monday.

This will be in addition to the voter having his current poll tax receipt.

The election will be held May 12, with the polls being open in both Diboll and Burke. Diboll must vote to 'accept' and Burke must vote to 'consolidate'.

Both schools stand to benefit from the consolidation, Pate said It will give Diboll better than 1000 students in average daily attendance and will assure Burke residents of keeping their children close to home. Both school boards agreed earlier that the building would stay in its present location with classes continuing as usual. The only difference would be that Burke would be a Ward School of the Diboll district, the Diboll Supt. said.

No other changes are anticipated at plesent.

Mr. Pate said that there is much interest in the proposed consolidation, and that he would try too keep the public advised on the move as best he could.

Southern Pine Buys 100 Million Ft. Timber

Southern Pine Lumber Company of Diboll and Pineland have today completed arrangements with International Paper Company for the purchase of 100,-000,000 feet of pine timber and an undisclosed amount of hardwood timber, it was announced today.

The pine timber involved is the old Frost block near Nacogdoches which Olin Matheison Chemical Corporation sold recently to International.

"This purchase will be an agreeable supplement to our operations and will strengthen our perpetual forestry program at Southern Pine Lumber Company," according to Arthur Temple, Jr., president.

"It fits in with our enlarged job security program at our two plants and will give us additional pine lumber production to meet our increasing demand".

Timber involved lies in the following counties of Texas:—Nacogdoches, Angelina, San Augustine, Shelby, Anderson, Cherokee, Hardin Houston and Jasper, Liberty, Newton, Orange, San Jacinto, Trinity and Tyller.

The purchase adds another to the chapter in the great story of forestry and sawmilling in E. Texas. T. L. L. Temple, founder of Southern Pine Lumber co. and E. W. Frost, founder of Frost Lumber Company, started their first mills at about the same time in Diboll, Texas, and Nacogdoches, Texas. They—were in fact partners in at least one joint lumber venture prior to the turn of the century.

Frost Lumber Industries, as it was later called, passed into the Olin empire in 1951.

It was from Olin Matheison that International acquired the timber now purchased by The Southern Pine Lumber Company—Southern Pine Lumber Company, in contrast with Frost, has remained in control of the heirs of its founder and has diversified its activities in forest products industries to incllde the full gamut from lumber to paper. It boasts of being the most fully diversified in the industry and of having brought automation to sawmilling.

International Paper Co. and Southern Pine Lumber Company are recognized nationally as two leaders in the science of responsible forest cultivation.

International has interests in the United States and Canada.

Those of Southern Pine Lumber Company involving several forest products industries and thirty-five retail yards are confined to Texas.

"Our effirient use of our forest resouces makes Southern Pine the logical market for the sellers like International Paper", says Temple.

"Our program for complete conversion of timber and for marketing of forest products make it economically feasible for large companies to seek us as a specialist in the field of forest products."

Temple Steel Makes 1,000,000th Item

Temple Steel Products of Lufkin manufactured its millionth item at noon last Friday. John E. Moran, general manager of the plant, made the announcement.

Currently, the company is working on a concrete contract to produce tail assemblies for a signal flare, used by the Army and Navy.

On the same day that the company produced the one millionth tail assembly, another section of the plant produced its first brass parts for toilet seat hardware.

As the production increases on the hardware item it is expected that the local plant will manufacture 40,000 toilet seat items a month. The hardware is being manufactured for Temple's Pineland plant, which produces the seats.

Although Temple Steel is located outside Lufkin in the Industrial subdision, the Temple family maintains Southern Pine Lumber Co. at Diboll. That co. is the father of all Temple Industries.

Industrial Fund Gets Additional Money

More funds were received into the Lufkin Industrial Foundation Thursday, J. B. Perry, Jr., reports. Firms sending funds were: Gresham Temple, Humble Oil, $200; Lufkin Telephone Exchange, $500; Hollywood Shop, $75; Curtis Swain Insurance—$75; Dr. Wm. A. Mitchell, $75; Cut Rate Furniture, $75; Shady Acres Courts, $25; Lufkin Coca Cola Bottling Co., $500.

Caravan Sales Net $130 In Trip Here

The Caravan Sales for the Blind netted $130.00 in its one day stay at Diboll last Friday. said Ralph Magill, president of the local Lions Club.

Plans to canvas Diboll with the assorted items made by the blind people in factories at the Houston and Ft. Worth plants failed to materialize, when an inadequate number of Lions appeared to volunteer their services, Magill said.

The Caravan, which has for sale brooms, mops, doormats, dish cloths and other household items, will be featured in Diboll again next year.

"We plan a bigger and better sale for next year, and the Lion's Club is proud to have been a helping hand in this year's effort to help blind folks in the State of Texas," the Lions president concluded.

Baptist WMU Honors Senior Class

The WMU of the First Baptist Church honored the senior class of 1956 with a banquet at the community house on Monday.

The garden theme was carried out with the banquet hall gaily decorated as a garden.

Huge pots of greenery enclosed the banquet area. The llong tables were covered with beautiful flowers. Beautiful Texas Blue Bonnets laid alongside a trail of tiny shels formed the road leading to the ladder marked success. Pictures of the senior cllass were posted along this trail that had its end under a rainbow.

Mrs. E. P. Ramsey Sr. welcomed the Seniors and their sponsors. Larry Weber brought the Students response. Bro. Turner acted as Toastmaster and presented Mr. Mack Runnels of East Texas Baptist College who was the speaker for the occasion.

Mrs. H. E. Whitman, Mrs. Paul Stovall, and Mrs. Joe Spivey were in charge of the decorations. Mr. Shinke gave assistance and hard work in making the arrangements.

Mrs. George Smith and Mrs. Joe Bob Hendrick were in charge of the Food Committee and the lack of any leftovers spoke of their accompliishments. It was enjoyed by all who attended.

Diboll's Miranda Faces Defeat Thurs.

Diboll's Frances Miranda failed to repeat as the 1956 Spelling Bee champion last Thursday at Lufkin. Don Traylor of Hudson was crowned this year's champion as Frances failed to spell 'bridle' correctly. She represented this area in the regional spelling meet at Houston last year. Traylor will fill the same capacity this year.

Participants had to be in the eighth grade or under, and 14 years old or younger.

Tom Hooser of the Lufkin J-Cees, was coordinator of the spelling bee.

Other entrants were: Clarice Alexander, Kurth Annex; Betty Ruth Ainsworth, Fairview; and Mary Aline Mosley, Lufkin Jr. High; Sam Harris, Herty; and Roy Dale Lewis, Central Elementry.

Bill Saxton Reports Three Awards

Bill Saxton, Training Union Director of the First Baptist Church reports that his Training Union won three of the Banners awarded the Quarterly Training Union Meeting at the Calvary Baptist Church in Lufkin. The First Church Diboll was awarded the attendance for having the most representatives at the meeting. They also won the effeciency banner for the Cradle Roll Department of which Mrs. H. E. Whitman is director and The Junior Department of which Mr. Tommy Lewis is Director and Mrs. J. H. Weeks Sponsor.

Harold Trimble to To Hold Services

Dear Friends

As a part of their work in Humble's Refining Research Laboratory, Humble scientists bombard petroleum hydrocarbons with electrons in a 2-million volt Van de Graaff Accelerator.

But if you ask one of these scientists what he expects to find, he'll answer, who knows!

For this is fundamental research. Results may be quick or they may be a long time developing. Who knows?

. . . Perhaps the scientists will find a way to increase the yield of useful products from a barrel of crude oil.

. . . Perhaps they'll be able to make improvements in the fine products already supplied you.

. . . Perhaps they'll develop an entirely new group of petroleum products.

Who knows!

This much, however, is certain: Humble research scientists at Baytown use every device of physics, chemistry, mathematics and mechanics to provide you with more and better petroleum products.

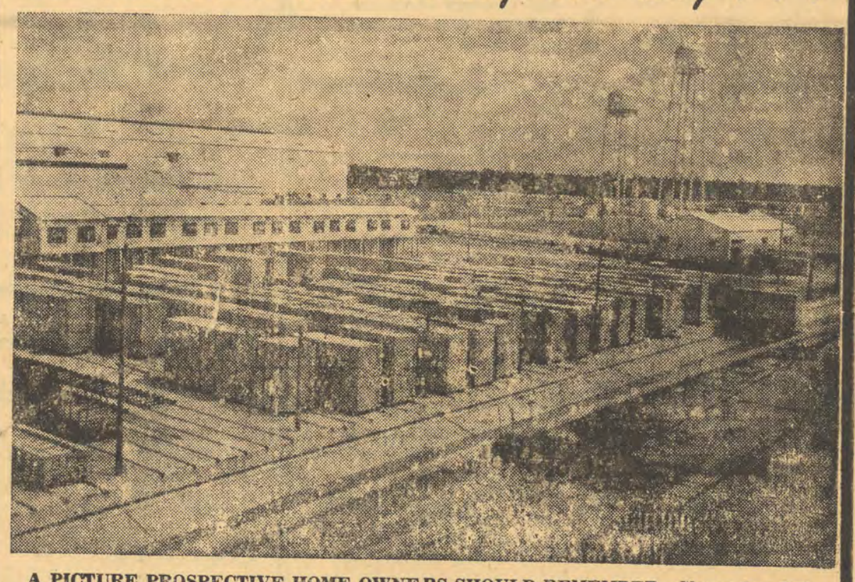

Two quick examples: The specifications for Esso Extra gasoline, the formula for Humble Uniflo motor oil. These, without question, are the finest products you can use in your car.

Sincerely

HUMBLE OIL & REFINING CO.

C of C Is Striving For 400 Members

The Chamber of Commerce membership committee met on Wednesday and outlined work to push the Chamber membership to 400, Lee Friesen, chairman said.

Twenty-five members have been secured since January 1st. The committee lacks but 28 to reach the goal of 400. Committeemen were busy Wednesday in rounding up prospects.

The committee also plans for membership work in Huntington and Diboll.

"Our chamber operates county wide and renders valuable assistance to all our county citizens. We have members in Diboll and Huntington but hope to secure cooperation of other citizens in the county." Mr. Friesen said.

Price Daniel Makes Bid For Governor

U. S. Senator Price Daniel made a positive and definite announcement of his candidacy for Governor Monday night. He has pledged to wage an active and vigorous campaign in every section of the state.

Two weeks earlier on March 12 Price Daniel announced that he was ready and willing to run for Governor and thought that he could serve best in that office during the next two years, but he left his final decision to the people of Texas and asked that they write him their advice —He said, "you employed, me to serve in the Senate, and I do not feel that I should seek a change while serving in this employment without your whole hearted approval."

Daniel said that 29,352 Texans had written their approval and offered their support, as only 429 had expressed their opposition.

In Monday's announcement, Price Daniel reviewed again his 12-point program and said that his campaign would stress four particular points;

1. Honesty and integrity in the halls of government.

2 Honesty and integrity in the political campaign. On this he said, "Texas needs clean politics as much as it needs clelan government." He promised to keep his campaign on a high plane regardless of the bitterness and name-calling that others might employ.

3. Restoratioon of unity and good will among the peoplle of Texas.

4. Protection of the rights of Texas and its people against futher Federal encroachments, and especially against domination by "certain national pressure grps. which will try to capture the Governor's office this year for the candidate of their choice."

Band Concert Plans Progress Here

Plans are progressing for the Diboll High School Band concert which will be held at 8:00 p.m. Friday evening on April 27. The high school gym and stage will be set for the event.

Popular music and marches will be played by the 40 member unit, supposed to be the last for band director Victor Roper, who is moving to Houston at the close of the school term.

For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord.—(Romans 6, 23.)

Even in the full vigor of mortal life, a sinful man may be as one dead, for his soul and his conscience, all beauty and kindness are dying within him. But the magnificent promise is that through Christ Jesus the Savior, he still may be redeemed.

DISTRICT FIVE

Monday evening, April 9, the District Five, Area Nine FFA met at Lufkin high school.

The purpose of the meeting was to conduct several district contests. The contests were the FFA talent contest, Sweetheart contest and Public Speaking.

The two winning talent teams were from Hudson FFA and the Central FFA. Members of the teams were as follows: Clifton Foster, Kenneth Crawford and John Sifford, Hudson; Alfred Jarvis, David Edward, and Tommy Crawford, Central.

Girls entered in the Sweetheart contest were as follows:... Evelyn Moore, Centerville, and Cora Dwire, Groveton, Patsy Thompson, Central, Carolyn Kelley, Diboll, Virginia Scoff, Huntington and Vista Watson, Apple Springs. The girls winning the contest were Evelyn Moore, and Cora Dwire.
