Diboll -- The Lumber and Wood Products Capitol Of The South. Home Of The Temple Industries

Political Rally To Be Held In Miller Park Tonignt At 8 p.m.

BY BETH DURHAM

One of five Angelina County political rallies will be held here tonight, beginning at 8 p.m. at Miller Park.

The rally tonight is the third of five rallies scheduled in Angelina County preceding the Democratic primaries on July 28. The first rally was held at Central on July 12, the second Tuesday night, July 17, at Zavalla. Fourth speaking will be at Huntington on July 24, with the last coming at Lufkin on Thursday, July 26, just two days before the all-important primary.

Speakers who have participated in the previous speakings and who will probably be present at tonight's rally include: R. B. (Bryan) Byrd, Rufus F. Red and Charles Ruth, campaigning for state representative; H. L. Edwards and Judge J. W. Summers, candidates for Judge of the second Judicial District; and James A. Morris and Billy Lee Thompson, for county attorney, (Morris is the incumbent candidate). Raymond Durham and Leon Jones, candidates for the sheriff's office.

Moderator for the rally tonight will be David Evans, who also moderated the other rallies at Central and Zavalla. At Central he introduced three local men who spoke in behalf of candidates running for governor. They were: W. Lee O'Daniel, by Polly A. Durham; Price Daniel, by George K. DuPuy; and Ralph Yarborough, by H. R. Rolston. It is not known whether they, and candidates for commissioner and constable will speak here tonight.

(NOTE: When the News-Bulletin went to press Tuesday it was not known whether the Diboll-Lufkin Pony League All-Star game was to be played here or in Lufkin. Those interested in attending the stump speaking tonight should inquire about a possible change in location of the speaking.

—pd—

We are proud to have made contact in recent weeks with such newspapers as The Panola Watchman at Carthage; The Silsbee Bee at Silsbee; The Madisonville Meteor at Madisonville, The Jasper News-Boy at Jasper; and The Sabine County Reporter at Hemphill. All are truly fine weekly newspapers, and I'm sure we can prosper much by reading these publications which have been established for so long — from thirty to ninety-two years.

—pd—

I hope that all our readers caught the notice on P4 of last week's paper which explained our stand in the local constable race.

Personally, I am still undecided as to who will get my vote on July 28.

—pd—

Newspapers of the past two weeks have contained many political advertisements, political editorials, etc, etc. The News-Bulletin has been no exception. We have tried to present a clear picture to our readers where politics are concerned.

This newspaper is not backing ANYONE for office. We believe that the people of Diboll and surrounding communities have judgement enough to know who their choice should be. If you don't, I'll be glad to tell you as one voter to another.

But I believe that on July 28, the voters of this precinct, this county, and this state, will go to the polls in record number to register their feelings for the persons they would like to see represent them for the ensuing term.

I hope this trust in the voters of this area is not betrayed on July 28.

—pd—

Bill Moss, who prints this paper each week over at Normangee, Texas, tells me that he has ideas for improving the general excellence of this newspaper in the near future.

Bill has been printing The News-Bulletin for about two years now. The quality of printing is steadily improving and we both hope to give people of Diboll and South Angelina County a better newspaper as time goes by.

—pd—

Orchids to editors of Jacksonville Daily Progress who gave us very nice mention in one of last week's editions.

—PAUL DURHAM

Burke Lodge 833 Holds Meeting Sat.

A called meeting of the Burke Masonic Lodge No. 833 was held Saturday night, July 14, for the purpose of installing officers.

Installed at the meeting were: Lamar Bunch, worshipful master; H. E. Whitman, senior Warden; Leroy Smith, Junior Warden; V. B. McKinney; chaplain; and Wallace Dean, senior deacon.

REVIVAL NOTICE

Everyone in and around Diboll is invited to attend revival services at the Diboll United Pentecostal Church this Sunday to hear the Evangelist Reverend John and Mrs. Kershaw preach and sing. You will not regret it and I'm sure you'll want to hear them a second time.

Sincerely,
Oscar M. Pearson

Ralph Magill Named To Lions Committee

Ralph Magill of Diboll advised The News-Bulletin Monday that he has been appointed Chairman of the Zoning Committee of the Texas Lions Cubs. Magill was advised of theappointment by E. A. Stanfield of Lufkin, who is deputy district governor.

With the appointment the local druggist automatically become a member of the cabinet of the Lion's governor, Joe B. Redmon. The next cabinet holding one meeting of clubs from Diboll, Huntington, Lufkin, Chaeland, and Crockett. The zoning committee meets three times this year. Mcgill is also immediate past presiident of the Social club.

New Arrival

Charles and Shirley Smith of El Paso announced the birth of a baby girl, Jill Lynn on July 7. Charles is the son of Mr. and Mrs. Frank Smith of Diboll.

BULLETIN

All Little League games for this week have been postponed so that the All-Stars can have sufficient hours of practice before the All-Star Tourney starts next Monday. See story elsewhere in this paper as to time and place of first LL-All Star game.

PERSONALS

Mr. and Mrs. Mike Skinner and children of Victoria are visiting Mrs. Beulah Goins and family this week.

Mr. and Mrs. Val Werner of Houston were Diboll visitors on Sunday. She is the former Mrs. Willard Dunkleman.

PLATFORM IN PRACTICE—Lieutenant Governor Ben Ramsey, during a two-day rest from state-wide campaigning, checks a field high in crimson clover on his farm near San Augustine, Texas, with his daughter, Ann, atop the family pet, Button. Ramsey, a staunch conservationist, has restored scars of erosion on his farm through planting of soil-retaining grasses, to rolling fields of year-round pasture for his small herd of cattle.

Stubblefield To Make Commissioners Race

TO THE VOTERS OF
PRECINCT ONE:

In making this announcement I want first to thank the voters of Precinct One for the many votes cast for me in the past. I also want to thank the citizens of the whole County for the splendid cooperation given me during my administration in office. It his truly been a pleasure to serve you as your County Commissioner.

As you well know, the Commissioner's office is one of the most important offices in the county. — The Commissioners Court is the hub and center of the county government. The Commissioner's office is an administrative office. The county judge and four commissioners are the board of directors of a very large corporation, and the citizens of the county are the stockholders. Therefore, it behooves the citizens, as stockholders of the county, to select the very best and most qualified men available to administer the business of the county. They should be men with a high degree of integrity and honesty. They should be capable of handling the affairs of the county in a legitimate manner that will be to the best interest of all of the people.

Your Commissioners Court directs the spending of a very large sum of money each year, and the amount is growing year by year. For instance: in 1947 the budget of this county was $416,565.72; in 1950 it was at $527,927.67, an increase of $111,361.95 in three years from 1947 to 1950 or an average increase of $37,120.65 per year. This year, 1956 our budget is $691,272.52, an increase of $163,344.85 in the six years from 1950 to 1956, or an average increase of $27,224.14. These figures do not include the $100,000.00 that will be spent this year on the old jail building. You can see by these figures that the county business is a big business, and that it should have men at its head who are sober, sound-thinking, and capable of getting value received for all the tax money they spend.

Your County Commissioner should be a man who can withstand pressure and keep his temper under control at all times and nnot be swayed or pushed around by high pressure men who have selfish mptives. We need more men in public office who fear no man who can only destroy the body, but rather men who fear God who is able to destroy both body and soul.

Therefore, Ladies and Gentlemen, I gladly submit to you my record, both in office and as a are not familiar with my record, I urge you to check it thoroughly before you cast your ballot on July 28th.

I have been conservative and economical and have tried to get a dollar's value for every dollar of your tax money spent.

I have greatly improved all the roads in this precinct. When I took over the duties of this office, the school busses and the rural mail carriers were having a great deal of trouble trying to make their daily runs. On many, many days, during the rainy season the school busses and mail carriers just could not get over all the road, but now it is different. Now they never miss a day's run due to impassable roads.

I have opened up approximately twenty miles of new dirt roads in the county. As the co. develops, more new homes are built in rural areas and that calls for more roads.

I have constructed twenty-one miles of county Farm-to-Market roads and have three miles more under construction at this time. When they are completed in about 90 days, that will be a total of twenty-four miles of hard surfaced roads I have constructed in the past six years. This is a record of which I am very proud. I hope that I may live to see all the main roads is the county paved.

I believe in a progressive, economical county government. I believe in being fair and impartial to all the people. I am opposed to wasteful usage of the people's tax money. I am opposed to a raise in tax renditions. I believe that the natural growth and prosperity of this county will adequately take care oof the expenses of the County provided the money is properly handled.

Now, friends, I believe in view of my experience in handling the County's business, my experience in building and maintaining roads, and in view of my record of handling the affairs of the County in an economical way, fair and impartial to every one, with no special privilege to any one, I would urge you to earnestly consider my candidacy for re-election to this office. It will be impossible for me to see all the voters of this precinct before the election due to the amount of work of this office. I will appreciate it very much if you will accept this as a personal solicitation for your vote on July 28th. I promise to do my very best to make you a better commissioner in the future than I have in the past.

Yours For Better
County Government,
J. O. STUBBLEFIELD
(Pd. Pol. Adv.)

Fiber Insulation To Be Produced By By Southern Pine And Distributed Certaineed Products Corporation

Southern Pine Lumber Company and Certainteed Products Corporation, two companies whose plans for expansion have been prominent in financial news during the past few weeks, jointannounced today a tenyear contract for the manufacture and distribution to the nation's markets, of a new Texas product, —fiber insulation board.

Southern Pine Lumber Company will produce and Certainteed has contracted to sell a line of fiber insulation products such as sheathing, roof insulation, acoustical tile, etc, derived from forest waste in a plant to be located at Diboll, Texas.

The announcement of the agreement between the two companies follows a June 11 news release by Southern Pine in that it was stated that a $4,000,000 plant with an annual capacity of 1000,000,000 square feet of fiber board would be erected.

Certainteed's ascumption of a role of distributor for the product completes every phase of planning.

The announcement made jointly by both companies is the latest of several stories released by each company foretelling integration and expansion. The addition of exclusive sales rights to Southern Pines fiber insulation board production follows closely Certainteed's recent announcement of plans for a $32,000,000 expansion in the gypsum field. Gypsum is the principal raw material from which plasterboard, a building material, is manufactured. Certainteed has also been in financial news because of a proposed spin-off to its stockholders of Bestwall Gypsum Company stock.

Certainteed made news in the Southwest when it acquired control of Wm. Cameron Company, a dominant producer of millwork for home construction and a distributor of building materials through wholesale and retail divisions.

Southern Pine Lumber Company set off a chain of announcements last February when it let it be known that it had merged with Temple Lumber Company to bring under one mantle over 400,000 acres of the South's timberlands, two of the nation's largest sawmills, thirty-four retail building material stores and a host of forest products activities. Since that time it has added 100,000,000 feet of timber acquired from International Paper Company and expanded its retail division by 20 pct. It has announced the fiber board plant and a multimillion dollar expansion of its Pineland plant. It has spun off to its original stockholder, Temple Manufacturing Company, a subsidiary which produces 70 pct. of the beverage cases of Texas, Oklahoma, Arkansas and Louisiana.

★ Favor Returned After 35 Years

John Riley Huffman is a man who doesn't easily forget a favor. Even though it was extended him 35 years ago.

On July 5, 1921, Huffman was pinned beneath a fallen tree near the home of Mrs. Dosia Smith. No one else was around. Hearing his cries of help from where he was so painfully pinned, Mrs. Smith ran to see what she could do for him. He requested a cold drink of water. She ran back to her home, drew up a bucket of well water, gave him the drink and at his request splashed the remainder over his face. Later she summoned help in lifting the log and freeing its victim. This all happened at 10 o'clock in the morning.

At exactly 10 o'clock last Thursday morning, July 5th, John Riley Huffman drove up in front of Mrs. Smith's home laden with gifts. She couldn't imagine what all the gifts were for, because she had forgotten the incident and had to be reminded what it was all about.

But John Riley Huffman—hadn't forgotten.

—Sabine County Report.

James Canter To Be Assistant Coach

Nacogdoches—A former all-conference quarterback at Stephen F. Austin State College is returning to his alma mater as assistant football coach.

The appointment of James Canter, football and baseball star of the late 1940's, has been announced by Dr. Paul L. Boynton, SFA president. Dr. Boynton said that Canter, since 1954 head coach at Beckville high school, will serve as assistant coach, health and physical education instructor, and director of a mens dormitory.

Canter becomes the second assistant to Harold J. Fischer, a newly-appointed athletic director and head football coach at SFA. R. A. (Babe) Curfman, 1955 Line Coach here, remains as first assistant.

A native of Kilgore, where he earned high school all-conference honors in 1946 in football and participated also in basketball, track, and baseball, Canter lettered three years at SFA. At SFA, he also won all-conference recognition as a football quarterback and as a baseball pitcher.

Following his graduation in 1950 from SFA, Canter became assistant coach at Gladewater high school. He held that post until 1954, when he was named head coach at Beckville.

In 1954, Canter received a master's degree at SFA.

Canter is married to the former Miss Luck Kennedy, of Nacogdoches and Longview. The couple has three sons, James, Stephens, and John.

Leroy Porter Named To School Board

Leroy Porter has been named to succeed Jack Sweeny as the seventh member of the Diboll School Board, and Woodrow Crawford was named to replace Calvin Lawrence on the Board of Equalization. Lawrence was elected to the Board at the last trustee election.

The announcement came this week from Supt of Schools, W. F. Pate, who said the action took place at the last board meeting, following Sweeny's removal to Pineland and another job with Southern Pine Lumber Co.

Bill Elkins Seeks Congressional Post

BIL ELKINS

Bill Elkins of Dallas, candidate for congressman at large, visited here today in his effort to take a personal campaign for election to all 254 counties in Texas.

He is traveling alone in a pick up truck equipped with a public address system and with his campaign slogan "Texas Needs A Good 'Bill' in Congress" on the side.

The 38-year-old businessman is campaigning on a platform to call for the refusal of foreign aid to those countries who in turn aid the communists, the elimination of government waste and the reduction of income taxes.

"The two greatest dangers to America are communism and bankruptcy. It's past time to demand full value for our tax dollars whether they are spent in foreign countries, for defense programs or for domestics projects.", he said.

Mr. and Mrs. Linwood Smith and son Stephen are visiting Mr. and Mrs. J. C. Smith .They now reside in Angleton, Texas.

Tidwell, Fenley Managers

LL Stars Meet Crockett Here Monday Night

The Diboll Little League All-Stars take on Crockett All-Stars in Diboll Little League park on Monday night, according to the league president Calvin Lawrence.

Lawrence said that the winner of the Diboll-Crockett tilt would play the winner of the Jasper-Silsbee game, which also will be played Monday night at Jasper. The second elimination game to be played Tuesday night at Jasper.

This is the first round of the area tournament. Winner in the Tuesday's game will play a team from the Beaumont area. That winner will then proceed to the district playoffs. That site has not yet been named, since next week's series including Diboll is one of the first to be played in Texas Little League circles this year.

Diboll has not yet completed it's Little League season. Games have been postponed so that the All Star Team can practice. Games next week may also have to be put off if Diboll advances past Crockett Monday night.

Alf Tidwell was elected to head the All-Star group as manager. He is assisted by Yankee pilot Dan Fenley. Tidwell is the manager of the second place Cubs.

An equal number of four Yankees and Cubs were named to the roster, with three Indians and three Dodgers rounding out the team.

Pitchers who may see action next week are: James Arnold, Tommie Fenley, J. R. Pouland, Roland Brent, and Gerald Crawford. A starting pitcher for the Monday game has not been named at presstime.

Other members of the mythical team are: Leon Tidwell, Ernest Camp, Lawrence camp, and Beau Smith, Jerry Telford, Paul Murphy, Bobby Griffin, Denny George, and Billy Bowman.

League president Lawrence said he hoped that all Diboll will turn out Monday night in support of the little fellows.

-About People You Know-

Doris and Bill Duty of Monahans visited relatives and friends here last week. She is the former Doris Ballenger, daughter of Mr. and Mrs. Dewey Ballenger.

Mr. and Mrs. Wilbur F. Pate are proud owners of a new 'delovely' DeSota.

Dr. and Mrs. Stanley Stevenson had a two-ton air conditioning unit installed in their new Pinedale home last week.

John Lea recently returned from fishing trip on the Gulf, and reports that sand trout are biting.

Mr. and Mrs. Tommy Nickar visited Mr. and Mrs. O. D. Stivers last week.

Mrs. Mary Lou Durham and her oldest daughter, Ethel Duoto, of Houston returned Sunday from a brief vacation drive into West Texas.

Mr. and Mrs. Sage Ward left on their vacation Monday.

They will go first to New Braunfels, then on to other parts of Texas.

W. F. Pate spent all day Sunday at Diboll High School in observance of a 12-hour alert from the ground Observor Corps. Mr. Pate, supervisor of the Diboll unit, has had no help thus far in GOC work here.

Carl Ferguson was in town the last weekend, showing off his new automobile.

Work on Temple-White office building in the industrial section is nearing completion in the first work stage. Officials hope the new building can be occupied around the first of August.

A miscellaneous shower honoring Mrs. Donald Pinkerton, nee Elaine Bunch, was held Friday night at the community center.

Cash Drug Store No. 3 is now giving green stamps, according to manager Ralph Magill.

Ralph, Pris, Bruce, and Mike Magill are enjoying the addition of a new car to the family's possessions. It's a renovated English Ford, the possession of which lends prestige to any family, says druggist Magill.

CLASSIFIEDS

WANT TO SELL. Want to sell good house in Lakeview.—Want to get my money out of it, notes are $25 per month. See Crockett Luce at house No. 940.

I have a pressure cooker at my home belonging to a friend. It was left there llast December. Will owner please contact me. Mrs. Jewel Estes.

PERSONALS

Mrs. W. F. Purdy is back home after undergoing surgery at McAllen hospital.

Mr. and Mrs. Bob Burns and family are visiting relatives in Wisconsin and Missouri.

Mr. and Mrs. W. J. Remmer of Dallas were weekend guests of Mr. and Mrs. A. L. Banks.

Fatigue Problem On Crowded Highways

AUSTIN, Texas - Reunions, Rodeos - Fishinng trips. From now untol school starts, vacationing Texans will take to the highways by the thousands.

They are likely to find the roads more crdwded than at any time in the state's history.

From year to year, total trdfic volumn has climbed steadily, Highway Department surveys show. In addition, vacation mon ths bring a steep jump.

August especially is a headache for the Department of Public Safety. Accident rates climb sharply. During the past five years August accident rates have been from3 to 27 per cent higher than in July.

"People try to over-drive on a long vacationn trip," says Asst. Chief C. G. Conner of the Texas Highway Patrol. "Fatigue is a particular problem. Speed is another."

They can't do much about people who drive when they are too tired, Conner admits. But comething can and has been done about speed.

"Installation of radar detection devices has had a tremendous impact onn driving practices," said Conner.

Studies made before and after radar use was begun onn state and federal highways in November 1954, show: (1) excessive speeding dropped from 21 to 15 per cent, (2) accidents dropped 3.4 per cen and (3) deaths dropped 1.9 per cent.

During the same period accidents on the non-radar-patrolled stretches -- farm to market roads city streets, etc. - - climbed 13 per cent. A simular increase could have been expected on the state and federal highways, Conner believes, especially since total millage increased also - nearly five per cent.

Had normal trends continued, 181 more lives would have been lost in 1955.

"There's one advantage in buying rock 'n roll records — when they wear out, you can't tell the difference.'

Sen. Daniel Lashes At Narcotic Handlers

LIBERTY—Senator Price Daniel said today that the narcotics under-world and other elements of organized crime are—"throwing their forces against me in the race for Governor because of my fight against them in the past and because they know I will continue to fight them in the future."

Daniel, at his home near Liberty, said he had heard threats of political reprisals from dope traffickers in San Antonio and from former race horse bookie parlor operators in Fort Worth and Galveston.

Daniel is co-author of the new Federal legislation against the dope traffic, and when Attorney General of Texas he put the race horse gambling wire syndicates and their sources of communication under an injunction which is still in effect. He stressed—that he knows of no connection between the narcotics traffickers and the gambling syndicates.

"I do not know yet who these people will support, but their influence will be the money they can spend,' Daniel said. "I know that no candidate for Governor would intentionally or knowingly accept their help, but I warn all candidates who are accepting anonymous contributions from their audiences to beware of any large amounts that may be dropped in the barrel or the hat by such sources."

Parking Lot Under Construction Here

A temporary parking lot is being graded off in the immediate area of The Village, according to Southern Pine engineer J. D. Winder.

Mr. Winder said that present plans did not call for hard-topping the parking area, although posts will be driven at regular intervals so that parking will be made easier.

No estimates have been made as to how many cars the lot will accommodate.

P-E Teachers Given Reassurance

Physical Ed Teachers Reassured -- Physical education teachers won't be out of jobs if proposed new high schoo graduation requirements are adopted.

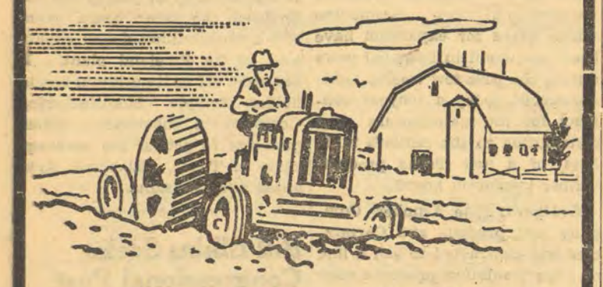

Commissioner of Education J. W. Edgar clarified the plan for alarmed teachers. Physical education and health courses are required by state law, he said.

A state Board of Education study committee recommended they no longer be counted among the 16 units required for graduation. Committee suggestions were part of an overall effort to strengthen high school curricula academically, especially inscientific studies.

Rev. Dubberly To Conduct Services

The Reverend Emmett Dubberly, District Superintendent of the Nacogdoches District will preach at the First Methodist Church here next Sunday, according to D. Townes Windham, pastor.

Rev. Windham said that Sunday School lessons would be cut short so that the Morning Worship program can start promptly at 10:45 a.m. Church will be dismissed at the regular time.

FARMING PROFITS

It's not easy to make money on the farm today. It requires good machinery and the best modern methods, such as proper crop rotation, and soil-building plants and the necessary fertilizer to enrich the soil.

At this bank we are always interested in the farmer's financial welfare, and ready to cooperate in aiding his progress.

Two Mercury Lights Added In Pinedale

Two mercury-type street lights were erected in the Pinedale Addition directly in front of the Teen Town recreation hall last week by Texas Power and Light Company workers.

The lamps, plus several outdoor barbecue pits, were suggested by J. D. Winder and Arthur Temple, Jr. several months ago in the hope that Dibollians would use the area for outdoor dinners at night.

Study of a modern tennis court for the same area is now on the planning board of the local Lions Club.

Girls Auxiliary To Attend Encampment

District Two Girls Auxiliary of the WMU will attend the Pineywoods Encampment next week July 23-29, says Bro. Don Turner of the First Baptist Church here. About fourteen are expected to attend.

Last year some 600 girls attended the encampment from this area. Mrs. Aaron Hancock will be the camp missionary, and Bro. Turner will serve as camp pastor.

Report Shows Texas Water Declining

Worse and more of it - More and more Texans have less and less water. In its monthly report the State Water Board listed these gloomy details.

Texas reservoirs were down 17 per cent, and observation wells and springs were at all-time lows

Storage in Trinity River basin lakes was at 27 per cent of capacity; in Red River lakes, 55 per cent, in Lake Texhoma, 51 per cent.

Famous Comal Springs near New Braunfels ceased to flow for the first time in history.

Ground water levels, below average in almost all areas, hit relows in four areas.

No general area of the state could claim normal rainfall. Statewide precipitation was 46 per cent of normal.

CLEAN UP—PAINT UP

Mr. and Mrs. W. M. Pate and daughter, Jo Anne, of Big Sandy were visitors of Mr. and Mrs. J. A. Pate and boys Saturday.

Miss Patsy Sherwood is attending the Methodist Camp in Palestine this Week.

Humble To Have Interesting Programs

Interesting films on the mining and processing of Gypsum will be featured next week on—The Humble Company's TV program, Texas in Review. Viewers will see how gypsum is made into plaster and wallboard in a big gypsum plant at Sweetwater, and pictures of other gypsum plants at Acme, Hamlin and Rotan.

Texas' biggest peach shipper, Matt Ward, will be shown at work in Gilmer. The firm will show how more than 50,000 bushels of peaches are picked, mechanically sorted and shipped to various parts of the country.

Texas in Review can be seen Monday over KRLD-TV Dallas at 10 p.m.

Tuesday Texas in Review may be seen at 6:30 over KTRE-TV Lufkin.

ATTEND CHURCH SUNDAY

TROPHY TO TEXAS' TOP TRUCKER

C. J. Van Beekum, Inc. of Lubbock has received the state's highest award for traffic safety during 1955-56. Hauling explosives and blasting supplies, Van Beekum's fleet of 20 trucks has traveled over a million and a half miles in the past two years without a single accident. The annual contest is sponsored by Texas Motor Transportation Association and Trailmobile, Inc. Shown at the presentation of the grand trophy during the Texas trucking industry's convention at Houston are, left to right: Rufus Jones, assistant to the president of Trailmobile, Cincinnati, Ohio; C. J. Van Beekum and his wife, who shared the proud moment; and James E. Taylor, executive director of TMTA, with offices at Austin.

Operation Alert Set For July 20th

Operation Alert Ssheduled - - Would Texans know what to do if atomic bombs fell? To find out, a full scale drill will be held July 20.

Five key areas -- Houston, El Paso, Austin, Waco and the Fort Worth-Dallas area -- will be assumed hit by bombs between 11 a. m. and 1:30 p. m. that day.

Smaller towns and rural areas also will participate in Operation Alert. Many have been designated as reception centers for evacuees from cities.

State Civil Defense and Disaster Relief Headquarters in Austin has asked all mayors, county judges and other local civil defense officials to cooperate.

Strategic industrial centers, such as Beaumont - Port Arthur, will practice vacating plants and schools. Military bases will test their full-scale emergency measures.

Puruose of the drill is to show up any flaws inn nthe plan where by federal, state and local officials and trained volunteers would cooperate to sope with a major catastrophe.

Nationally, Operation Alert will presume 52 cities bombed. FCC has ordered all radio and TV stations off the air at 3:10 p. m. July 20. Special civil defense frequencies, 640 and 1240, will be used for test broadcasts of disaster instructions.

Teague has said that The American Legion's bill would cost $77 000,000,000 by the year 200. Commander Wagner termed the $77 billion cost estimate as — "fantastic."

NOTE: The entire text of this article will be printed in this paper on request; showing the benefits which would be received by veterans to which the Hon. Mr. Teague was so opposed.— To the veterans this is not a give away—YOU EARNED IT.— — And The American Legion Is not trying to PRESSURE ANYONE They are only trying to keep people like OLIN TEAGUE from taking our Veterans Hospitals and other benefits from us — which he himself has possibly taken his ample share. —M. B Andrews.

Teague Says 'Baked Buzzard Good Diet For Veterans; To Teach Them Lesson He Says

(The Following Is a reprint from The Texas Legion News—An official publication by the American Legion we hope that the contents will be receieved for what they are desired to reflect from the American Legion's way of thinking to veterans livelihood as compared to the thinking of such men as Olin Teague)

Washington, D. C., June 20—The American Legion's War Veterans Security Bill, which was reported out by the House Veterans Affairs Committee on June 8, was expected to come up for a vote in the House of Representatives on June 27.

The amended Bill contains the principal provisions as well as the number—H. R. 7886— of The American Legion's top priority legislative measure this year. Normally, bills must clear the House Rules Committee before coming to a vote on the floor. But since pension bills are considered "privileged legislation" The American Legion's Bill skirts the Rules Committee and goes directly to the House floor for debate and action.

Six amendments were attached to the Bill by the House Veterans Affairs Committee. As amended, the Bill now goes beyond the provisions of the original War Veterans Security Bill and provides for liberalizing service connected disability and death compensation and burial allowance benefits as well.

WAGNER SUPPORTS BILL

National Commander J. Addinton Wagner in a statement released to the press here immediately following the House Committee action on June 8, said The American Legion "heartily supports" the bill as reported.

He said The American Legion is "sincerely grateful" to those members of the Committee who voted infavor of it and expressed confidence that it would receive a majority vote when it reaches the House floor.

Following committee action, Chairman Olin Teague of Texas charged that The American Legion had pressured Committee members into voting for the Bill. Teague predicted that the House would defeat the bill and — — "TEACH The American Legion a lesson."

Commander Wagner stated in reply that Teague's prediction "will prove to be as erroneous and baseless as the charge he had made against his Committee members". Wagner said that — "apparently Mr. Teague is disappointed at being outvoted.

The American Legion Chief said Teague can criticize the Legion "all he likes" Wagner added.

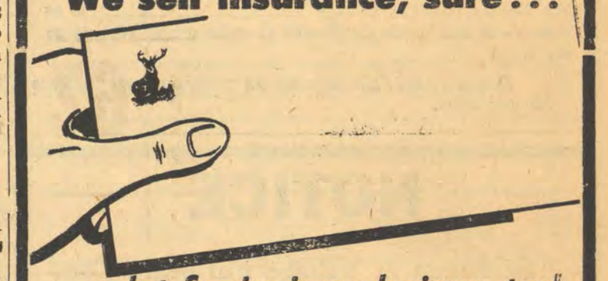

"Of much greater concern to us is the fact that he (Teague) has seen fit to add to the public misunderstanding and confusion regarding the Bill. He has done this by circulating cost estimates which have no basis in fact and which can be interpreted only as a rather frantic attempt to defeat the legislation."

Hey!.. I got a bonus Today!..
I get a bonus* every day...
I cook Electrically!

He isn't the only one getting extra dividends on the job . . . the Mrs. gets a bonus every time she flicks off the switch of her electric range! What we're talking about is
*BONUS HEAT
. . . or the heat that's still cooking, although the current is turned off.
That's one of the many advantages offered by a modern electric range. Its top elements retain some heat which is usable for a short time after the switch is turned off. Its oven with insulation on all six sides, cooks three-fourths of the time with the electricity off.
