Diboll -- The Lumber and Wood Products Capitol Of The South. Home Of The Temple Industries

Estimated 500 Hear Political Talks At The Village Last Thursday Nite

Little "D"

BURL GRIFFIN and BRUCE GEORGE discussing subscription rates with N-B editor. . . FRED SIMPSON trying to decide between air cooler and air conditioner at Cash Drug . . . PAUL SPIVEY quitting job in Lufkin to take position with Village Furniture Co. here . . . MRS. DARWIN KERR arranging for new church series to begin in N-B this week . . . Postmaster B F. HINES setting friend straight on methods of stamp collection . . . DIBOLL has a new depot agent, MRS. MOON; her husband has the same job in Lufkin; they're from Garrison . . .

—pd—

Folks over at the Lakeview Addition are getting their own church, we understand. Up until now the church has been operated under direction of First Baptist Church. They will now operate separately, with their own pastor, own church name, etc.

Congratulations to Bro. Don Turner and people of Lakeview for a job well done with the mission.

—pd—

Advertising pays. Today people are pouring millions of dollars into the advertising kitty. Sometimes it pays, sometimes it doesn't. One of the times it did was last weekend at Village Furniture as Bob Scoggin did a record business as the result of circular and newspaper advertising

We like to believe that advertising in The News-Bulletin is more effective for the immediate Diboll area, since we believe that people around here pay more attention to the newspaper than to circulars.

Any arguments?

—pd—

Beginning in early August, we plan to circulate The News-Bulletin on the rural routes out of Diboll and Corrigan. This service will help our advertisers and should also bring in a great many more paid subscribers.

—pd—

'Voting Intelligently Is Citizens' Responsibility' says the Houston Chronicle. And they are so right.

The Lufkin Press has indicated that 1956 will be a light election year They might be right, judging from the lack of talk concerning politics, platforms, and candidates in general.

From our standpoint at this time the election would seem to go: A runoff between Yarborough and Price Daniel for governor; very close between Will Wilson and Tom Moore for attornney general; another close one for Jack Brooks and Melvin Combs; good chance for runoff in lieutenant governor's race — A. M. Aikin, Jr., C. T. Johnson, Ben Ramsey and John Lee Smith running. Ramsey may have a head start; Bill Elkins and Martin Dies could be very close in running for congressman at large; John C. White may be our commissioner of agriculture again; and Earl Rudder looks good for another term as commissioner of the general land office.

In the lolcal balloting, Dan Fenley is probably in the lead in what would be his first elected term as constable of Pct. 5; Bryan Byrd could nose out Rufus Red and Charles Ruth for state representative post; J. O. Stubblefield looks good as commissioner; and Raymond Durham an inside chance of defeating Leon Jones for sheriff.

These are not predictions, but merely a resume of how we may think the voters in South Angelina County feel toward some of the candidates.

Our system of guessing could be way off base, however.

—PAUL DURHAM

BULLETIN

Crockett beat Diboll 5-0 in little League game playyed here on Monday night.

Crockett advanced to semi finals.

The Little League Crockett Team advanced into Semi-finals game against Jasper Tuesday night.

Winner of that game will play winner of San Augustine-Silsbee game Thursday night.

NOTICE

A revival at the Pine Valley Church near here began Saturday night and will continue until July 29, Rev. Ellis Smith, pastor announced.

Rev. Ernest Rowles of Woodville is conducting the revival and his daughter is pianist

The public is invited.

An estimated 500 people were on hand at 8:00 p.m in The Village last Thursday night to hear candidates for precinct, county, state and federal offices boom out their appeal for votes from people of Diboll and South Angelina County. The speaking was the third held in Angelina County during the current campaign. The fifth and final speaking, or rally, is on tap for 8 p.m. tonight at Lufkin.

Dan Fenley, candidate for the Constable of Pct. 5, lashed out at a local personality supposedly scheduled to garner an undetermined amount of write-in votes next Saturday. The personality, O. A. (Jay) Boren, did not announce for the office. It is said, however, that an indefinite number of votes will be cast in his favor on the write-in ticket. Some campaigning has been done in Mr. Boren's behalf by some of his friends.

Fenley's opponent in the constable race, C. C. Perkins, told the folks he had also paid his $183 00 filing fee and that he would appreciate a good vote on next Saturday.

BYRD SPEAKS

Bryan Byrd, candidate for the state representative, got a good reception from the Diboll crowd. Mr. Byrd is presently the county tax-assessor-collector, and is opposed in the current race by Rufus Red and Charles K. Ruth.

CROWD DWINDLES

Following Mr. Byrd's speech, about 9 p.m., the crowd began to dwindle. By the time Tom Moore made his talk, and three Angelina citizens rose in support of three favorite candidates for governor, less than 100 Dibollians were still on hand.

OTHER CANDIDATES

Other candidates on Thursdays program were: Billy Lee Thompson and James Morris, for county attorney; Mrs. Melvin Combs, whose husband is seeking Jack Brook's job as U. S. Representative; Leon Jones and Raymond Durham for sheriff; E. A. Goolsby, Calvin Pouland, and J. O. Stubblefield for commissioner of precinct one; and Judge Charles B. Walker, candidate for re-election as associate justice of the 9th Court of Civil Appeals.

Three gubernatorial candidates represented were Ralph Yarborough by H. R. Rolston; W. Lee O'Daniel by Polly A Durham; and Price Daniel by George K. DuPuy.

ANNOUNCEMENT

TO THE VOTERS OF PCT 5
ANGELINA COUNTY

I want to take this means of expressing my appreciation to the people of the precinct for the wonderful cooperation you have given me during my brief tenure as Constable.

During the past year, with your cooperation and understanding I have managed to do a pretty good job I think. Above all I have tried to be fair, honest, and impartial in dealing with all my fellow men. I hope that the voters of the precinct agree with me on that point.

The above, plus my record of AT LEAST as many convictions as any other constable has had, should qualify me to ask you for my first elected term.

I will do my best in the future to make you a better Constable, and to perform my duty to the best of my knowledge and ability.

Sincerely
DAN FENLEY
(Pd. Pol. Adv.)

PERSONALS

George Pedigo (Rat) Johnson is scheduled to enter Memorial Hospital in Lufkin August 1 for surgery. Mr. and Mrs. Aden Johnson of Victoria visited the

Bottom Row: Billy Bowman, Gerald Crawford, Roland Brent, Bobby Griffin, Lawrence Capps, Jerry Telford, Beau Smith

Highlights and Sidelights

From Your State Capitol

Saturday is V-Day ... "Voting Day" in Texas. It's the Democratic primary!

It could be the biggest voting day in Texas history. Paid poll taxes and exemptions total a record-setting 2,410,188.

Not all these peopie will mark balots. Some are Republicans. They don't vote in a Democratic Primary. And some Democrats will stay home.

Not since the Ferguson Era have more than 80 per cent of qualified voters turned out for a primary. General elections have run higher. Biggest vote ever cast in the state was 2,075,946 in the 1952 general election. This was an 87 per cent turnout. Highest primary vote so far was the August, 1954, total of 1,458 220

Whether candidates in their final fervent appeals, these last few hours, wil be able to stir out more voters remains to be seen. Even harder to predict is who will have the edge in major state races. Most informed observers hedged their guesses with "ifs," "buts" and "maybes."

They watched the straw votes and sample polls, checked the betting odds, but still weren't sure Major causes for unsureness is that rapid growth and shifts in Texas' population have wiped out many of the old rules of thumb on what it takes to win.

Fifteen years ago the rural vote was all-important. Non-metropolitan votes still are in the majority and they are "dependable" votes. However, the five major cities have between them nearly a million eligible voters -- 917,269. In this big city market, labor claim a 450,000 to 500,000 "sphere of influence" vote. -- But admitted it couldn't deliver that many in a bloc to anyone.

Another big question mark is how much voters will be influenced by the three segregation-related referendum issues.

HOW TO VOTE

How to vote on referendums-A check of voters who cast absentee ballots reveals much confuson about how to vote properly on the three referendums.

Robert Cargill, chairman of the Texas referendum Committee, puts it simply, in these words: "If you are opposed to mixed schools, mixed marriages and illegial federal interference, vote FOR all three propositions.

Due to the wording of the referendums, it is necessary for one to vote for the measures if he is against the subjects that each covers.

For example, the first proposition reads "FOR (or against) specific legislation exempting any child from compulsory attendence at integrated schools attended by white persons and negroes.

Proposition number two reads "FOR (or against) specific legislation perfecting state laws against intermarrage between white persons and negroes.

Third proposition says "FOR (or against) the use of interposition to halt illegal Federal encroachment."

The use of double-negatives is most confusing.

Voters should also remember that they may split their votes on the referendum, if they wish For example if a voter were opposed to mixed marriages and illegal federal interference, but not opposed to mixed schools, he would vote FOR the two propositions, and against the latter.

"IKE" BOLTS CAUCUS—Bill Elkins, candidate for Congressman-at-large holds a family campaign conference with Bill Jr. 18, Ellen 16, [illegible] The dogs are "Adlai" and "Ike"

Diboll To Have New Baptist Church Sun.

Diboll will have a nnew Baptist Church Sunday afternoon July 29 when at 2:30 p.m. The Lakeview Baptist Mission will become the Lakeview Baptist Church. This fine congregation has conducted their own affairs completely independent of their mother church and sponsor the First Baptist Church since last September. Recently the First Baptist Church voted in conference to organize the Mission Congregation into a church and to deed to them free and clear all properties held by the First Baptist Church in Diboll along with all furnishings of the First Baptist Church desiring to become charter members of this new church.

The Lakeview Mission was begun under the pastorate of the Bro. Rufus Zachry now of Second Baptist Church Marshall, then pastor of Diboll's First Baptist Church. Bro. Zachry wil be here to preach the organization Sermon. Brother Delton Cooper who was also associated with the Mission in its earlier days will be present to lead the singing. Rev. C. L. Garrett association Missionary of the Unity Baptist Association will preside as moderator at the service and will present the church to the council of pastors of the other churches of the Unity Association.

All pastors of Unity Association have been invited to attend and have a part in this service. Brother Turner, pastor of the First Baptist Church Diboll, said that he hoped to see as many visitors and friends of this new church present as possible. This church is being born right Bro Turner said. The mother church is happy to see their child assume the place they intended for its conception. They have our blessings and good will. Bro. A. D. Kyle Jr. is the Mission pastor.

★ Local Flicker Seeks Full House

Shirley Daniel of the Timberland Theatre said here today that he was going to make an all-out effort to get the people of Diboll into his theatre next week—Tuesday and Wednesday—for the big family night feature.

On those two nights, the entire family, regardless of number, will be permitted for a minimum fee of 50c, Daniel said.

"This will be our hot-weather special. I know folks will enjoy this top notch movie in the air-conditioned Timberland," Daniel told a reporter.

If a good crowd is on hand next week, Daniel said he will continue the 'hot weather special' through the month of August, and possibly the rest of the year.

"We now have the best in movie entertainment. — "Backlash", our movie next Tues.-Wed. is a good one, and I want the people of Diboll to see the effort we make to bring the best movies into town."

S-P Lbr. Co. Takes On New Color

BY BETH DURHAM

Green is now the color.

Southern Pine Lumber Company recently discarded its five year old policy of retaining blue as the official Company color.

Residents of Diboll doubtless have noticed the change in color of almost all vehicles from blue to green in recent weeks. Most recent paint job was applied to Texas South-Eastern's new diesel engine. The engine was ordered in blue from a concern in Pennsylvania before the Southern Pine officials decided on the color change.

The vivid green further accentuates the Temple decal on each pieche of machinery, each vehicle, and also makes for a much nicer letterhead as far as the office force is concerned. A slightly different decal was also put into use by Southern Pine vice president Latane Temple three months ago.

Mr. and Mrs. Lefty Vaughn returned Sunday from a week's vacation trip to New Orleans.

Mr. and Mrs. J. A. Massey of Baytown visited the Chandlers last weekend.

Ed Watson and his wife are recent vacationers, as are Mr. and Mrs. Sage Ward.

"Why don't you go down and ask Bulganin and Khruschev if they won't please call off their peace offensive?"

All-Stars Defeat Diboll Nine Tuesday

The Trinity Valley All-Stars took the measure of Diboll's Pony League All Stars with a double win at Trinity last Tuesday night, 11-0 and 9-3. Diboll whipped the boys from Trinity County, 6-5 in the first game of the series at Diboll Monday nite

Larry Goins picked up the win at Diboll. Trinity's Price was the loser. Diboll managed only five singles off Price, however, and nearly lost the game via the miscues in the outfield. Diboll outfielders ran together no less than four times Monday night.

Bill Powers absorbed the first loss at Trinity Tuesday night in the 11-0 Trinity conquest. Young was the winner. ....

Pitcher Billy Pate slapped a home run and pitched a mediocre game in the second affair, but Diboll miscues and solid hitting by the Valley All-Stars when it counted spelled the six run margin.

Trinity lost straight the two games to the Lufkin Pony League last Thursday and Saturday, as Lufkin advanced to district play.

Mrs. Betty Barrett returned Sunday from a brief vacation to California where she visited her husband. He is in the armed services

Church of Christ Speaks

Christians Are Devoted To Restoration Of New Testament Christianity

Christians are devoted to the restoration of New Testameent Christianity. It is not our mission to be another denomination, but rather to urge all religious people to return to the simple plan of God. It is our plea that this is a solution to the problems that confront a divided Christendom. We desire that ultimately the church for which Christ died may supersede all the movements of men, and that his people may be one in every sense of the word. May His Church shine in all its beauty and glory.

No Book but the Bible,
No Creed but the Christ,
No name but the Devine,
No plea but the Gospel.
No aim but to save,
In Christ—unity
In opinions—liberty.
In all things—charity.

pray, but for them also that believe on me through their word; that they may all be one; even as Thou. Father art in me, and I in thee, that they also may be in us; that the world may believe that thou did'st send me." —John 17:20-21.

The Apostle Paul said:

"Now I beseech you, brethren, through the name of our Lord, Jesus Christ, that ye all speak the same thing, and that there be no divisions among you —but that ye be perfected together in the same mind and in the same judgement. For it hath been signified unto me concerning you . . . that there are contentions among you. Now this I mean, that each one of you saith, I am of Paul; and I of Apollos; and I of Cephas; and I of Christ. Is Christ divided? Was Paul crucified for you? Or were ye baptized unto the name of Paul?" 1 Corinthians 1.10.13.

a Dog's Life

HOT WEATHER DOG CARE

By Bob Bartos
Prominent Dog Authority

Dogs are like people in that they can get very uncomfortable during hot weather, if proper care isn't taken. For example, most veterinarians advise stripping or clipping dogs with long, thick coats, which is a change from previous times when it was generally understood long coats insulated the dog against heat.

Always have plenty of fresh, clean water for your dog. Keep it cool and free from dirt and insects by setting the water pan in an up-ended wooden box and turning the open side away from the sun. See that your pet has a cool, shady place to rest.

On extremely hot days, sponge your pet, or spray him with the hose. Obviously, you shouldn't let him exercise too strenuously. Feed him in the evening and reduce his ration. Use a good flea powder or a sponge bath containing a flea control solution on him every week — and check him for ticks, if you live in an area where they're prevalent.

Never leave your dog in a closed car during hot weather. Park in the shade and open the windows several inches on both sides.

Some breeds of dogs are particularly susceptible to heat prostration due to breed characteristics. Furthermore, dogs that are overfat, weakened by disease, and old dogs (who are often suffering from heart disease) are more likely to suffer from the heat.

For prompt first aid, place the dog in a tub of cool water, or put him in front of an electric fan and soak him repeatedly with water until his temperature drops. Call your veterinarian.

Feeding Tip: During hot weather a dog needs less food. Underfeed rather than overfeed a mature dog during hot weather. A good quality dog food such as Friskies will supply his needs, and assure that he is fed a balanced, complete ration.

Dog of the Week: BULLDOG

Non-sporting dog. Average weight: 50 pounds. Height at shoulder: 15 inches. Coat: Short, straight, flat, smooth and glossy. Color: White, brindle, solid red, fawn, piebald.

"DRIVING THROUGH THE YEARS"
The story of the Motor Car
THE COMFORTABLE RIDE - YESTERDAY AND TODAY

Autos faced the problem of comfortable riding from the beginning: first there were poor roads, and the typical "carriage" frame giving no comfort at all.

As engines and car bodies developed, riding comfort was sought. Solid rims were replaced by solid rubber tires, then with pneumatic tires.

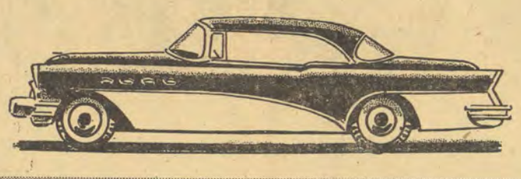

With better roads better tires, and better springs (but still carriage-type springs) riding got smoother...

It wasn't until the late twenties with hard-surfaced roads, the new balloon type tire, better frame construction, that cars started on their way to real comfort...

...reached finally in the "million dollar ride" as exemplified in BUICK'S coil-spring, X-frame ride.

Delicious Ham And Cheese Wrap-Ups

When leftover ham is a problem, you can mix up a tasty sandwich with a spicy ham and cheese filling and serve hot from the oven in individual jackets of aluminum foil. This is wonderful party fare and will be an instant success at bridge luncheons and TV suppers.

The sandwich rolls can be prepared ahead of time, then encased in squares of Alcoa Wrap, the sturdy new aluminum foil. Sealed in the foil they can be stored in the refrigerator or freezer until serving time. The filling will stay moist and flavorful, while the bread will retain freshness. To serve, bake on the oven rack for 10 minutes, then turn down the foil covering and serve hot. For outdoor eating, these delicious snacks can be heated right on the grill or in the campfire.

Hot Ham and Cheese Wrap-Ups

- 1/2 pound boiled or baked ham, unsliced, or leftover ham pieces
- 1/2 lb sharp cheddar cheese
- 1/3 cup sliced green onions
- 2 hard-cooked eggs, sliced
- 1/2 cup thinly sliced pimento-stuffed olives
- 3 tablesoons mayonnaise
- 1/2 cup chili sauce
- 12 frankfurter rolls split
- 12 six-inch squares, Alcoa Wrap

Cut ham, cheese into 1/4 inch cubes. Combine with onions, eggs and olives, Mix mayonnaise and chili sauce, pour over ham mixture and toss until well blended. Pile mixture into split rolls and wrap each roll in a 6-inch square of aluminum foil, twisting ends securely. Bake 10 minutes at 400°F. Serve each roll in its foil wrap. Yield: 12 sandwich rolls.

Mr. and Mrs. Weber Entertain Guests

Friends of Mr. and Mrs A. R. Weber enjoyed a dinner of barbecue chicken at the Weber home last Tuesday, July 17.

They were Mr. and Mrs. H. B. White of Bogulusa, La., Mr. and Mrs. H. C. White, Sr., and Mr. and Mrs. H. C. White, Jr. of Lufkin.

All are executives of Temple-White Company, Inc., local manufacturer of handles.

Pine Bough Serves 3,781

The Pine Bough Restaurant here has now served 3,781 customers since its preview opening only two short months ago. This news was released Tuesday by operator Julius Bird. Mr. Bird said that this figure was building every day and that both tourists and Diboll people are patronizing the new establishment in a very good fashion.

The former Carthage restauranteur told The News-Bulletin that he and his staff had concentrated on giving promp, efficient service during the first few months of operation, but that plans were being laid for presentation of several 'special features' for Dibollians.

"We have in mind a special barbecue supper strictly for the people of Diboll for each Friday night," Mr. Bird said. "This is in answer to many requests we have had along the lines of entertaining our Diboll friends.

When these plans are completed we hope to have Dibollians in by the hundreds each Friday night to eat barbecue with us. And, we want them to dress informally as if they were eating supper at home That applies at all times, of course.'

Mr. Bird said he would inform Dibollians of further plans concerning the barbecue as soon as possible.

Local Girls To Receive Special Recognition At Encampment

TALK REA CONVENTION PLANS—Lieutenant Governor Ben Ramsey of San Augustine, (left) during a campaign stop over in Austin, goes over plans for the national Rural Electric Cooperative Association annual meeting to be held in Dallas in 1958, with R. A. Yarbrough, (right) manager of the Gates City Electric Cooperative and NRECA board director. Ramsey has been attorney for the Deep East Texas Electric Cooperative since its formation 17 years ago and is a familiar figure under the Big Top at annual meetings throughout the state.

In the Coronation Ceremony at Pineywoods Baptist encampment this week Misses Linda Bartee, Sandra Bartee, and Carmen Miranda were recognized as Maidens in the girls auxilary of the WMU. These girls have obtained this recognition by the learning of a certain number of Bible verses and missionary information. Maidens Polly Weeks and Sandra Powell, Tommie Ann Lewis and Betty Jean Hendrick were advanced to Ladies-in-waiting at the Same Coronation service.

More than 600 girls from the 2nd District of the Baptist General Convention of Texas met at Pineywoods last year for this camp. It is expected that the attendance this year will be at least the same. Bro. Don Turner, pastor of the First Baptist Church, will serve as the Camp Pastor this year.

Mrs. Sherod Powell, and Mrs. E. P. Ramsey attended as the Sponsors for the Girls from Diboll. Mary Louise Wiliams from the Lakeview Baptist Church attended with the group from the First Church.

The Baptist men helped Mrs. Box in siding her house on last Tuesday. All Baptist men were invited to help.

The Burke Elementary school has a new principal, Mr. Alton Hart. Welcome, Mr. Hart.

Bro. T. C. Jones, J. T. Jones, and Lou Emma Havard went to the encampment at Pineywoods two weeks ago. They reportedly enjoyed it very much.

Mr. and Mrs. Woodrow Lee, Mr. and Mrs. Harry Nivens visited Mr. and Mrs. Jerry Vernon of Houston last Sunday. The Vernons repaid the visit Sunday.

Mr. and Mrs. Marlin Austin visited relatives in Dallas last weekend.

Mr. and Mrs. B. B. Franklin have a new granddaughter, born last week.

$4 Million Plant Gets Underway

The very first steps in construction of the $4 million fiber board plant were begun here the last week.

Bulldozers and saw crews moved into the location Monday of last week. Location for the new industry is directly across the mill ponds from the sawmills which is near the southern tip of Southern Pine's Treating Division.

Although the clearing process was off to a rather slow start, construction is expected to be in high gear by early September.

'IN THE VILLAGE'

Supporting Your Town

Merchants who do not advertise are invited to read the following from the American Bankers Magazine, as it might let you have a new slant on business, your own business, as well as the matter of the building of your own town.

"No business man in any town should allow a newspaper published in his town to go without his name and business being mentioned somewhere in its columns. . . This does not mean you should have a .... whole, half or even a quarter page ad in each issue of the paper, but your name and business should be mentioned, if you do not use more than a two-line space.

"A stranger picking up a newspaper should be able to tell what business is represented in a town by Looking at the paper. The man who does not advertise is doing an injustice to himself and the town. The man who insists on sharing the business that comes to town, but refuses advertizement of his own, is not a valuable addition to any town. The life of a town depends on the live, wide-awake and liberal advertising business man."

East Texas Forest Lands Show Million Acre Increase In Survey

East Texas has almost one million acres more forest land than in 1935, according to a 1953-55 survey of the State's forest resources. The increase is due to reversion of abandoned upland farm lands to forests.

A report of the survey was released by Dr. A. D. Foweiler, director of the Texas forest service, and Philip A. Briegleb, director of the southern forest experiment station of the forest service, U. S. Department of Agriculture.

The forest survey was a joint effort of the southern forest experiment station, the Texas forest service, and several units of private industry.

The units of industry were Champion Paper and Fibre Company, Southern Pine Lumber Company, International Paper, and the Olin Mathieson Chemical Corporation.

The aid rendered by these organizations in the form of manpower, equipment use, and aerial photography made it possible to complete the job in a relatively short perod of time.

Forests cover 11,655,900 acres of the 19,038,700 acres of total land in the commercial timber belt of East Texas. The most heavily timbered portion is the Southeast.

The volume of all merchantable trees totals 7 billion cubic feet, of which over half is in softwoods. Softwoods are mainly the southern yellow pines, but include cypress and red cedar as well.

Volume in sawtimber trees totals 26 billion board feet the survey found. Softwood sawtimber has risen 26 percent since 1935 in Southeast Texas, but—has declined 46 percent in the Northeast. For East Texas as a whole the change in sawtimber volume was insignificant.

The big increase in softwoods in Southeast Texas reflects the great progress that has been made in improving forest productivity during the past 20 — years. "This achievement," Mr. Briegleb said "is a challenge to all of us. The skill and foresight that brought about these results can do the same in the rest of the State's commercial timber belt."

Fire, insects — disease and other natural agencies annually kill about 50 million cubic feet of timber in East Texas, of the part nearly 0.2 billion board feet is saw timber.

When losses from such causes are allowed for net growth in East Texas forests amounts to 440 million cubic feet of timber annually, incuding 1.7 billion board feet of sawtimber. In the year 1954 when the latest cutting statistics were compiled, logging removed 302 million cubic feed of lumber including 1.5 billion feet of sawtimber.

State Fair Musical To Show 'Can-Can'

Dallas—The State Fair Musicals will return to producing its own shows July 23 with the opening of "Can-Can" starring The Incomparable Hildegarde. The first three shows of the season were Broadway productions of recent hits:

Not only does July 23 mark the beginninngof the musicals as produced by Charles R. Meeker, Jr., managing director, it takes on national significance as the debut of the glamorous Hildergarde in a book show. "Can Can might have been written for the chanteuse as it contains Cole Porter tunes of the continental fllavor that Hildegarde has so made famous. Among its hit tunes are "I Love Paris" and "C'est Magnifique."

"Can-Can" will play at the air-conditioned State Fair Auditorium through Aug. 5.

Colored School NEWS

The P-TA of the R. G. Temple High School, raised $300 in their Summer Beautification Drive, in a program, unday, July 15, 1956. Rev. Turner and Rev. Kyle were the guest speakers at the program. The money will be used to beautify the school campus with the work being done by the Boy Scouts and to help send the Boy Scouts to summer camp on July 29, 1956. The boys have already started campus improvements.

The State Department of Education has approved plans for the addition of a Vocational Agricultural Department at the H. G. Temple High School which will be in operation shortly before the opening of school.

Paul Tucker Says Cafe Open 24 Hours

Paul Tucker, operator-owner of PPaul's Cafe on the north edge of town, announced this week that his cafe is now open on a 24-hour schedule.

The cafe, formerly Fenley's Cafe, is staffed with personnel from the Diboll area, and is air cooled.

One of the most effective forms of out-door living is to have a very large indoor area facing onto an outdoor paved patio.

1956 OUTLOOK FOR EDUCATIONAL GIFTS IS $500,000,000

Carl A. Kersting

NEW YORK—Giving to higher education should reach an all time high in 1956, if the pace of contributions during the first four months of the year is maintained according to Carl A. Kersting, newly elected president of the American Association of Fund-Raising Counsel. The total of such giving should exceed $500,000,000.

Completed reports of giving to education in 1955, and 1956 gifts already announced indicate the total giving to higher education this year may reasonably be expected to increase from 20 to 25 percent above the previous year.

The American Association of Fund-Raising Counsel is a nonprofit organization of firms engaged in fund-raising for philanthropic, religious, educational, health and character-building agencies which are supported by voluntary giving. In the past twenty-one years, members of this Association have aided in raising nearly $7,500,000,000 for gift-supported organizations.

Most people do what they are requested to do, successful people do a little more.

"Women are unpredictable.—You eever know how they're going to manage to get their own way."

"Once a girl says "I Do", she usually stops doin'" — Herb Shriner.

New Firm Shows Wares At Dallas

Horace Stubblefield reported Saturday that Angelina Furniture Manufacturing Co. received its fair share of attention at the Dallas Furniture Show last week —Stubblefield is vice-president and general manager of the local firm.

The new Diboll concern started building its single line bedroom on a production scale only two months ago, and still operates as a subsidiary of Temple Associates Box Factory.

Stubblefield said he felt that the firm benefited greatly at Dallas from the standpoint of experience and general knowledge gained.

Bob Holt, Stubblefield's assistant, also attended the show and accepted orders from buyers.

Mr. and Mrs. Bob Scoggin of Village Furnniture also attended the Dallas show last Wednesday.

Aug. 1, 1790—First U. S. census turned up 3,939,217 population in 16 states and the Ohio Territory.
