THE FANG

Copied from an original at The History Center 2025:012 www.thehistorycenteronline.com

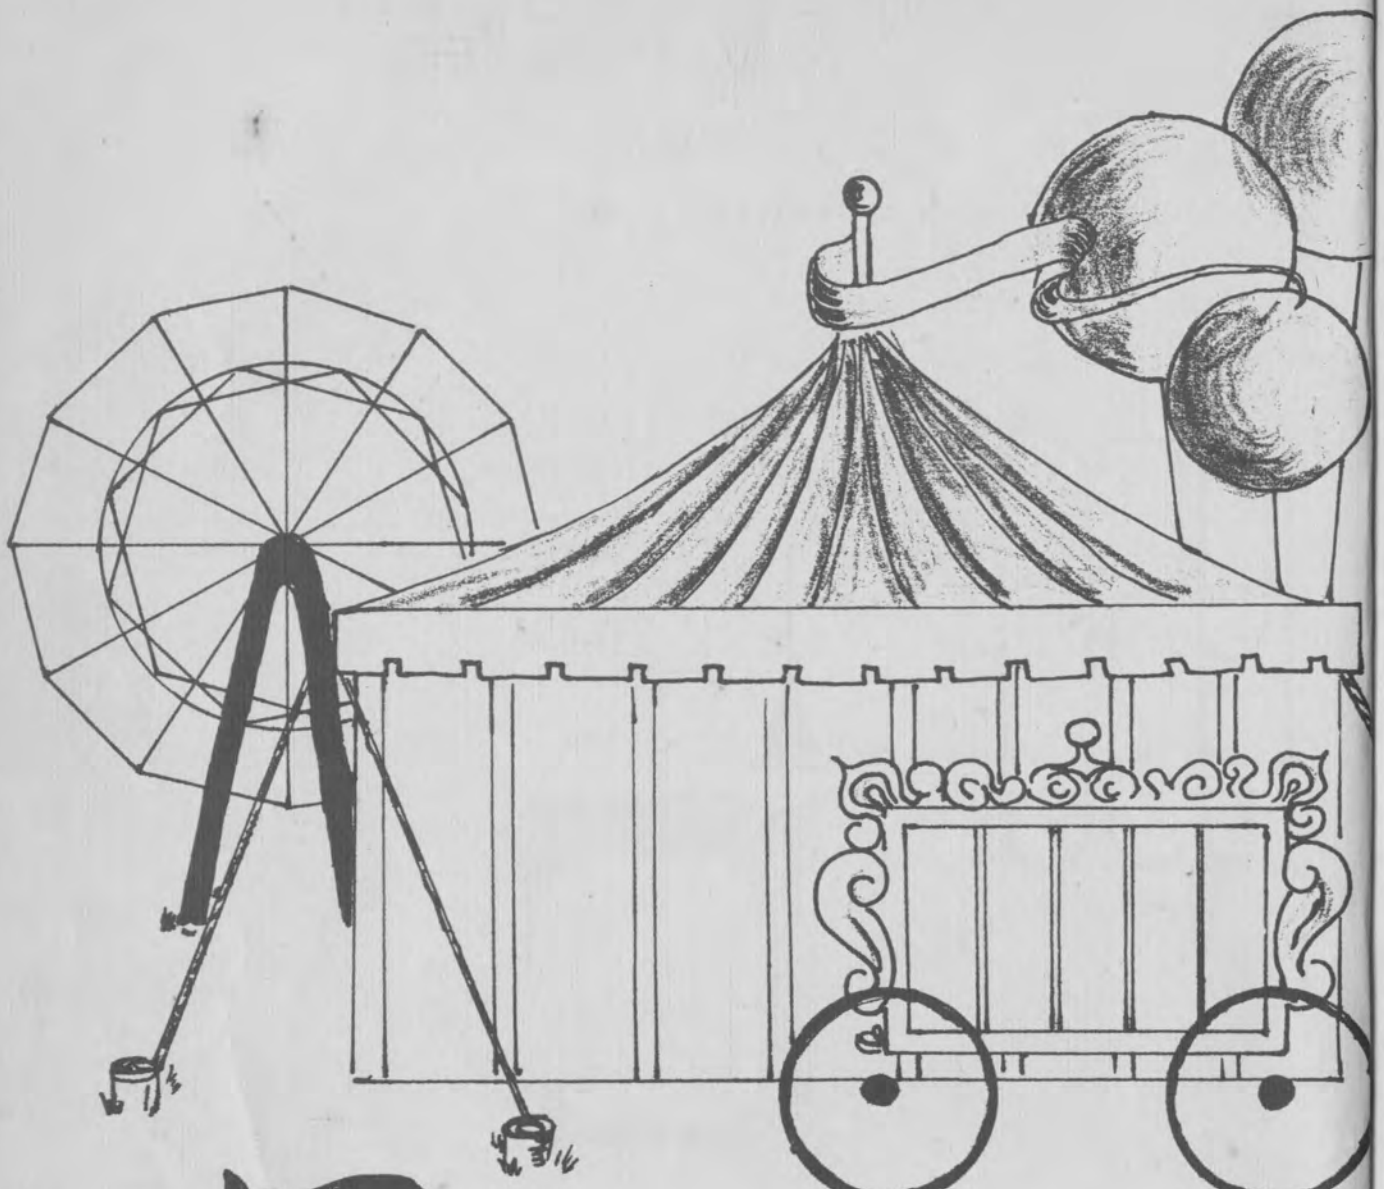

LUFKIN SENIOR HIGH SCHOOL

Proudly Presents

THE

1950 LANG

Copied from an original at The History Center 2025:012 www.thehistorycenteronline.com

Every soul is a circus,
Every mind is a tent,
Every heart is a sawdust ring,
Where the circling race is spent.

Vachel Lindsay

Copied from an original at The History Center 2025:012 www.thehistorycenteronline.com

MISS BERYL BOOZER

To Miss Beryl Boozer this 1950 issue of FANG is affectionately and gratefully dedicated.

From the inception of the yearbook in 1939, hers was the hand and brain that nurtured FANG through its cub years and brought it to adulthood to take its place among other Texas high-school annuals. And during the current year, though teaching in another school of this system, she returned on numerous occasions to assist the sponsor and the staff.

In addition to her work on the annual she, through the years, has been active in other extracurricular fields and has carried a full teaching load.

To an unusual degree she typifies the ideal teacher and leader.

GEO. H. WELLS
Superintendent

LUFKIN PUBLIC SCHOOLS

110½ W. Dozier
LUFKIN, TEXAS

T. G. REDDITT
Business Manager

To the Students of Lufkin High School:

A modern high school has many interesting activities and varied opportunities for self-expression and personal achievement. Here as in the great Circus each of the actors must choose a part and then do their best to make the total performance as fine and successful as possible. Only as each act is perfected and faithfully performed will a school or a circus gain a great reputation.

It is our hope that when the curtain call comes each of you will be ready to perform your part in the activities of Lufkin High School in a manner most creditable to yourself.

Geo. H. Wells,

Geo. H. Wells, Superintendent

Copied from an original at The History Center 2025:012 www.thehistorycenteronline.com

LUFKIN HIGH SCHOOL

WADE H. KEENE, PRINCIPAL

LUFKIN, TEXAS
May 5, 1950

To the Students:

You have reached another milestone in the process of preparing for adult life and full citizenship. The world has need for people with the proper outlook on life. It has been our aim at Lufkin High School to assist you in acquiring training and experience in ''How To Think''. If one has acquired that one phase of education all others will be easy.

As the years go by it is hoped that you will look back, with pride, to your accomplishments while in Lufkin High School. You are now equipped to proceed to greater accomplishments as you continue your education.

We expect each of you to bring honor to yourselves, your school and your country at all times.

Yours truly,

W. H. Keene

THE *Vital* LINK *in Texas' Industrial and Agricultural Development*

Not too many years ago, the burden of building our great state rested upon the shoulders of strong, sun-tanned Texas pioneers. They fought their way across the vast expanse of plains, overcame mountains of hardships, and by sheer determination, moulded the first form of Texas agriculture.

Texas farming and ranching today provides America with the most varied and nutritious diet in her history . . . enabling us to feed famished millions the world over . . . and because of the endless stream of raw materials, jobs are made possible for thousands of men and women in our own Texas industries and hundreds across the nation.

The introduction of high-voltage electric power transmission lines by the Texas Power & Light Company in 1913 contributed the vital link needed for the furtherance of industrial and agricultural development. TP&L is farm-experienced and farm-minded. For 36 years Texans have witnessed a continuing demonstration of Texas Power & Light Company's dependability and economy. Today, TP&L is the electric source to more than 250,000 customers, of whom more than 87,000 are farm and rural families.

More than 15,000 miles of transmission and distribution lines, including 9,000 miles of rural lines, in the area served permit farms, ranches and industries alike, to have dependable, low-cost TP&L electric power when and where they need it.

With the same foresight and careful management demonstrated by those Texans who founded this Company, Texas Power & Light Company is constantly planning and building for the future needs of the farms, homes, businesses and industries that are making Texas the most desirable state in which to live and work . . . a greater Texas of the future.

PINEYWOOD BUSINESS COLLEGE

The management and the faculty of the Pineywood Business Junior College in Lufkin congratulates the members of the Senior Class of 1949-50 of the Lufkin Senior High School upon their approaching graduation.

We encourage you to accept your opportunity to make preparations for an excelent paying position in Stenographic, Secretarial, Executive Secretarial Work, Junior Accounting and Business Administration, or Traffic Management.

The Pineywood Business Junior College has the approval of the Veterans Administration, the National Council of Business Schools, and the State Department of Education in Austin.

Registration Week will be June 2 through June 7, 1950, for the summer semester. Write, telephone, or visit the College Office for information or for a conference.
