BECOME A BETTER CITIZEN

Have you ever noticed that the people who find the most fault with the way the government is run are usually the ones who don't even bother to vote? Wind-bags are apparently inactive individuals. If you sincerely want to have a well-run town, you must start when you are still in school to participate in junior activities. If there is a junior guild of any description, join it. By doing this, you have begun to take an active interest in the affairs that influence the conditions in your community. You are then able to discuss current subjects because you have reliable first-hand information. If your town is trying to raise money for a special project, get out and help. Don't sit back and try to advise how the drive should be run. People will be glad to take your advice if you will actually lead them. If tickets must be sold, sell them. If posters must be made, make them. The important thing is really to work.

You will find action more fun than grumbling, and it will help you to become a better citizen.

LILIES SIGNIFY EASTER SPIRIT

The white lily stands for purity. Artists have pictured the angel Gabriel coming to the Virgin Mary with a spray of lilies in his hand to announce that she is to be the mother of the Christ child.

The lily is also the sign of the Resurrection. As a symbol of the Resurrection these flowers adorn churches during the Easter season.

What could be a more fitting symbol of the Easter spirit than this flower — the Easter lily? Its tall, slender, green stalk is the symbol of the reawakening of spring; and these crowning blossoms, pure white and with perfect grace, seem to bear a message of solemn, holy joy.

The first and most popular lily used for this purpose was the madonna lily, which grows wild in southern Europe. Since the madonna does not bloom in time for Easter, the Bermuda lily has come to be preferred.

The Bermuda lily blooms in the early spring in its native island, Bermuda, or in hot houses in cooler climates. Great shipments of these lilies come from lily fields of Bermuda to the flower markets of the United States each year during the Easter Season.

TIPS FOR TEENS

Curb Service:

A girl should not propose stopping anywhere to eat when she is with a date, because the expense will necessarily be his. On the other hand, when he suggests food, he will want her to show some interest. She should appear to enjoy her food and to have an appetite even if she is not hungry.

When you are not in the mood for a restaurant or a dinner, you may want to stop somewhee for curb service. This generally means that someone will come to your car for your order, bring it on a tray that fastens onto the drivers door, collect the bill, and when you have finished, remove the tray.

On a date a girl should not give her order to the "car hop." She should wait for her escort to ask her what she wants. When the food comes, he passes it to her with a napkin. She should never reach across him to the tray. When two or more girls or a group of boys are together, the one beside the tray should act as host or hostess and serve the others in the car.

Cast of Play Announced

Mr. Tom Jack Lucas has announced the cast for the dramatic club's spring production, "A ROOMFUL OF ROSES." The cast is as follows:

Larry Fallon — David Dial
Nancy Fallon — Lynette Kimble
Grace Hewitt — Carol Robinson
Jane Hewitt — Jeanie Wayland
Dick Hewitt — Bryan Applefield
Jay Fallon — Reagan Bradshaw

ARE YOU TENDER ABOUT GENDER?

Reading "Seen Around L. H. S." last week, I noticed that Billie Pate and Jerrie Menefee received college data from Texas A&M. This got me to thinking of all the girls that have boys' names and vice-versa. Did you realize that this is the case of many students at L. H. S.

A little digging reveals a number of names used by both sexes to the confusion of everybody. Here are a few students who possess these names:

GIRL

Johnnie Jordan, Jerry Menefee, Billie Pate, Pat Bennett, Denny Eldridge, Mickey McWilliams, Arlie Lawrence.

BOY

Johnnie Morrison, Jerry Adams, Billie Ray, Pat Foley, Denny Marshall, Mickey Starling, Arlie Ellis.

I'm sure that this causes confusion for these people and results in many amusing incidents. Just think GIRLS — you may get drafted. And BOYS — maybe you'll get invited to a pajama party. WHO KNOWS! ! !

DEAR DEE

Dear Dee,
Do you think that my boy friend should tell me how to wear my hair? He is always telling me to cut it because he trips over it.

Long-haired friend

Dear Long,
If I were your boy friend I would make like Delilah and "cut out."

Dear Dee,
Mother simply will not consider my dating college men. Don't you think she is a bit strict?

Sassy Sue

Dear Sassy,
Your mother is definitely right. In my opinion, a girl should not be permitted to date college boys until she is at least eight.

Dear Dee,
Mother is getting worried about my lack of interest in girls. I'll only be young once, so why can't I enjoy it? I am 82 years old.

Young 'N Spry

Dear Spry,
Don't worry about her nagging much longer; she must be about 107 now.

Dear Dee,
I am chubby, but have toothpick legs. What can I do?

Fatty

Dear Fatty,
Try jumping rope; it'll shake some of that fat to your legs.

Latin Club Members To Attend Convention

Twelve students representing the Latin Club of Lufkin High School will attend the Latin Convention that is to be held in Port Arthur, on April 9. The convention is being held in order to provide a day of various activities concerning Latin Origin.

Those planning to attend the convention include John Anderson, Elizabeth Book, Jerre Callon, John Collier, Denny Eldridge, Carol Estes, Jeffrey Geye, Doris Hood, Donna Hufham, Carolyn Rushing, Joseph Spitler, and Alice Ward.

Miss Lucy Melear, sponsor of the Latin Club, is in charge of the costume contest.

The club members will participate in certain contests which include costume, delegates, and various workshops, and attend a luncheon given for those attending the convention.

F.H.A. Week Planned

The F. H. A. members have planned April 3-9 as a week of activities in which each member will participate. Each day has a specific significance. Sunday, each F. H. A. member is to attend the church of her choice. Monday is a day of rest in order to prepare for the full week ahead. Tuesday is Color Day; on Wednesday, the members will give a tea for the teachers at free period; Thursday there will be a Mother-Daughter Banquet; Friday is Good Deed Day; and Saturday is Family Day.

Latin Students Hold Banquet Toga Style

The Latin Club Banquet was held on Friday, March 25, in the L. H. S. Cafeteria at 7:00 p.m.

The event was sponsored by Miss Lucy Melear and the Latin Club.

John Anderson, President of the Latin Club, protrayed Caesar and gave the invocation in Latin. Elizabeth Book portrayed Caesar's wife, Calpurnia.

The tables were decorated with flowers and small candles. Guests or the "Roman Masters" were seated on blankets for the tables were only a few inches from the floor.

Members of the Latin Club were dressed in the traditional costume, the toga, for the banquet. Slaves marched in with finger bowls and served the food at the command of their masters. Also, certain slaves were called upon to entertain with songs and dances. Sharon Metcalf, Donna Lemke, and Doris Hood were among the entertainers.

Between the main course of the dinner and the dessert an offering was made to the "Gods." After the dinner was completed all of the slaves entertained their masters by singing a song paying tribute to Caesar. This tribute to Casear ended the banquet.

Other guests that attended the banquet were the sponsor, Miss Lucy Melear, Miss Florene Fuller, and Miss Beryl Boozer.

Future Teachers Plan Picnic

The Future Teachers held their regular meeting Thursday, March 24, 1960. It was decided that the spring social will be a picnic to be held April 12, at Sue Ann Rucker's farm.

An all day P. T. A. meeting will be held on Friday, April 1, in the auditorium. Each period during the day, two girls from the F. T. A. will go to the auditorium and act as pages.

Visit Your Library!

Library Week is being observed this week. It should be observed not only this week, but every week. The library will provide a point of interest for every student if he will use it. The people who really want to get ahead use the library. If you haven't visited lately, you should make a special effort to do so.

When I visited the library, I found many books of interest to teenagers. Some of the latest books in the library I would recommend to read include:

A Teenage Guide to Personal Success — Ferrari, Boy Trouble — Du Jardin, For Teen Ages Only — Richardson, Dear Teen Age — Van Buren, The Enchanted Summer — Kissinger, Monitor and the Merimac — Pratt.

Bill Hodges Bowls For Fireballs

Wayne Montes

Bill Hodges is one of the best bowlers in the Junior League. Bill is the son of Mr. and Mrs. Bill Hodges of 107 Jodie. He is a junior and his favorite pastimes are footabll and bowling.

Bill began bowling last spring when Lufkin Lanes opened and since that time he has acquired considerable skill.

He bowls for the Fireballs who were last year's champions for a great deal of the season. He is also the League secretary for the Junior League. He has bowled over two hundred several times, including 249, 238, 213 and 240. His highest 3-game series was 518. His current average is 158. Other members of the Fireballs are Jack Klein, Al Wittliff, Joe Dunn, Johnny Dunn, and George Porter. In a recent game the Fireballs defeated the Char-boys by a very impressive score.

Good luck to Bill and the Fireballs in the upcoming bowling season.

David and Mack Coward Proud of Trophy

Coward Brothers Win Trophy

Kent Henson

In the picture above, the Coward brothers are clutching a trophy won with their black '57 Chevrolet. They won it at the Dayton strip which is about 11 miles south of Livingston on the Houston highway.

Mack and David took turns driving, but it was Mack, the owner, that was driving when the trophy was won. They were competing in "B" gas class. Mack beat a '59 Chevrolet El Camino to win the trophy.

Just for fun Mack ran a Model "A" coupe that was out of his class. It had an engine like Drinkerds that was bored and stroked to 411 cubic inches. He beat Mack in about 3 car lengths. Mack did pretty good considering the difference in the power to weight ratio.

The Dayton strip has no car inspection and the entrance fee is only a dollar, but this doesn't mean that it's a snap to win. It seems like a good way to gain some experience in close competition.

A salute to Mack and David for a job well done.
