The Pineland Star

DEDICATED TO THE PROGRESS OF PINELAND AND SURROUNDING COMMUNITIES

VOLUME ONE, NUMBER 12 | THE PINELAND STAR, PINELAND, TEXAS, THURSDAY, JULY 10, 1958 | $2.00 PER YEAR

Market News from Southern Pine

For the past two weeks our Seat sales have not been as strong as we would like. However, we feel that business will pick up shortly after the holiday season. Although we are having a slight lull right at this time, over all we have had an astounding increase in sales for this year over last.

Don H. Burnley, Asst.
General Sales Manager

The hardwood market continues firm and the volume of business satisfactory. This is, of course, the season in which hardwoods generally are hard to move. The reason is the mid-summer furniture shows. The furniture manufacturers, as a rule, do not buy lumber until after the shows as they are cautious and await to see how well their new designs and finishes are received at the shows.

The orders for the treating division of Southern Pine Lumber Company have been very disappointing this week. However, we do have a substantial quantity of orders on hand but we have been held up on shipping some of them. Competition among the treating plants is very keen and has been more noticable this week than it has in the past several years.

E. Price,
Asst. General Sales Mgr.

There has not been much change since our report last week on our hardwood demension sales, as business through our regular channels to the furniture manufacturers is very slow at the present time. However, we have had approval on the sample submitted to John Tarleton State College, a division of Texas A&M College, for a contract which we will start on promptly; also, on the contract for the furniture at the Rice Hotel, Houston. We still think that business will be fair after the furniture markets are over and the salesmen get out on the road, but it will probably be after the middle of August before we can see much pick-up.

C. H. Sanders, Temple
Precision Wood Parts

The volume of SPIB 77 and 78 pine lumber sales is not robust but the rate of sales is active enough during June to indicate a fairly healthy market. We always expect a slight lag in sales during the latter part of June each year due to the proximity of the Fourth of July holiday weekend. The majority of our customers prefer to place orders after the holidays so that they might more accurately indicate their needs rather than place the order just prior to a holiday for delayed shipment. Our inventory of No. 2 and No. 3 Common SPIB 77 and 78 lumber is depleted and this slight holiday lag should enable us to balance that inventory. Although we cannot predict it, we are in hopes that the third and fourth quarters will prove active in industrial sales enabling us to better move our No. 1 Common and Better inventory.

Sales of SP Supreme Oak flooring will be off for the entire month of June in comparsion to prior months of the year but this lag in sales was expected. In spite of this buying inactivity for the entire month, we did manage to book several very attractive orders during the third week of June and those orders should help to reflect a slightly higher selling average for the month. Generally our Oak Flooring markets cannot be considered excellent but we do feel we can classify our market as good and a sufficient sales volume should continue.

R. M. Burns

NAMES OF THOSE WHO REGISTERED TO RUN IN NEXT WEEK'S ISSUE

Because of limited space, names of out-of-town people who registered during the July Fourth celebration had to be left out of this week's issue of the Star.

The list will be run in next week's issue.

Ducking Stool Nets $27.00

Money donated to the Service Club from the Ducking Stool Friday totalled $27.00 according to Bill Nichols, Club president.

Arthur Temple, Jr. proved the star attraction. Or maybe the ball throwers who chose him for a target had a truer aim. Either way, he splashed under fifteen times.

Running a close second, Jack Sweeny was dropped into the water ten times, M. M. Miller, school superintendent, six times and Willard Neal, personnel director, seven times.

A further impressive note: the ball throwers were not people anxious to even a grudge. Rather, they were the town's best Little League players, vying for the most hits.

Wilson Captured Friday Afternoon

James M. Wilson, assault defendant who escaped from the Sabine County jail June 30, was apprehended Friday, July 4, at 1:30 p.m. in the woods one mile east of Ferguson's store near the intersection of old Texas highway 8 and High way 96 in the south end of Sabine County, and placed in the county jail in Hemphill.

Wilson escaped from the jail sometime Monday night by opening two jail doors with a key he had fashioned from tin cut from a tobacco can, according to Sabine County Sheriff Everett Smith. A sanity hearing for Wilson had been scheduled for Monday morning in district court.

Wilson, 46, had been held in Sabine County jail since May 6 on two counts of assault with intent to murder. He was charged with shooting his two stepdaughters, Elaine and Betty Jo Franklin at their Pineland home last April. He then turned the gun on himself.

Wilson and the two girls were treated at a Jasper hospital and then transferred to a Galveston hospital where all three recovered. Wilson was released from the hospital May 6 and immediately transferred to the jail in Hemphill.

According to Deputy Sheriff Fults, Wilson's sanity hearing is set for Monday, July 28, in district court.

Center Rodeo Caravan to Be in Pineland July 11

A caravan from Center, representing the Shelby County Sheriff's Posse Rodeo will arrive in Pineland Friday, July 11, on part of a good-will tour to publicize the rodeo which will be held in Center July 17, 18 and 19.

A committee of Pineland businessmen will be on hand to greet the caravan. Members of the committee are Earl Culbertson, Joel Sample, Bill Bertrand, J. B. Hayes, W. C. Davis, Jr., and Bill Swearingen.

Baptist Church Has Summer Youth Director

David Cordell of Houston, 25, a graduate of the University of Houston, and at present a student at Southwestern Baptist Theological Seminary in Fort Worth has arrived in Pineland to become Youth Director for the chruch during the summer months.

The first Youth Night will be tomorrow at 7:30 p.m. in the First Baptist Church. Games, indoor and outdoor, are planned and refreshments will be served afterward.

A Junior choir, composed of children 9 to 12 years, will be organized, and practice meetings will be held each Saturday afternoon at 2 p.m.

The Youth Choir, with all children from 12 up, will have its meetings Wednesdays after Mid-Week services, in the church.

Mr. Cordell, who led the singing during the recent Baptist Revival, is already well known, and Brother Shaw, pastor of the church, hopes everyone will attend the first Youth Night tomorrow, so that plans may be announce dfor the coming weeks.

Daughter of H. L. Bradshaw Dies in Wreck

Funeral services for Mrs. Lexie Lucille Daniel, 44, of Orange, daughter of H. L. Bradshaw of Brookeland, were held 2 p.m. Monday in the chapel of Stringer Funeral Home of Jasper. The Rev. Wilford H. Parker, pastor of Hillcrest Baptist Church, Jasper, officiated. Burial was in Memorial Park Cemetery, Jasper.

Mrs. Daniel was killed in an automobile accident near Kountze Saturday, July 5. Her daughter, Susan, who was riding with her at the time, was injured and is in Hotel Dieu Hospital in Beaumont reported to be in "fair" condition.

At the time of the accident, Mrs. Daniel was returning home from Camp Niwana, Girl Scout camp, near Woodville. She was traveling south and met headon a car driven by Robert Thomas Scott, Jr., Hillister Negro. Officers said Mrs. Daniel died instantly with a broken neck. Scott was injured as was Gloria Nash, 20, of Beaumont, who was a passenger in the Daniel car.

Mrs. Daniel was a native of Sabine County and had lived in Orange for the past 10 years.

She is survived by her husband, Lloyd Daniel of Orange; one daughter, Susan Daniel of Orange; and her father, H. L. Bradshaw of Brookeland.

Pallbearers were B. A. Reid, John Veatch, S. N. Brandon, James L. Walker, Huett Alexander, Hollis Brandon, Palmer Conner and Adela McElroy.

"Pineland on Parade" Attracts 6,000 To Big July Fourth Celebration

Land Donated for Airstrip By Palmer Conner and SPLC

Palmer Conner and Southern Pine Lumber Company have donated 95.73 acres of land to the City of Pineland for a new airport, according to an announcement made Tuesday afternoon by Carl H. Sanders, Mayor.

Engineers from the Texas Aeronautics Commission in Austin and Fort Worth will be in Pineland next week to make arrangements to begin construction arrangements.

Site for the new airport, already approved by the T. A. C., is approximately 500 feet east of the intersection of Highways 1 and 96. The runway will run parallel to Highway 96.

Mayor Sanders states that the City of Pineland is grateful to Mr. Conner and Mr. Temple for their contribution of land which makes this airstrip a reality.

Julian Smith Praises Pineland

To the people of Pineland:

I would like to take this means of complimenting the people of Pineland for their July 4th celebration. The hospitality, exhibits, program, Barbe-cue and display of fireworks all made a very interesting and pleasant day.

Julian "Doc" Smith

CEMETERY WORKING

There will be a cemetery working at Griffins Cemetery Saturday morning, July 19. Everyone is invited to come and bring tools to work with.

Mr. and Mrs. B. E. Broach, Martha, and Mr. J. W. Jenkins of Carthage spent the weekend with their daughter, Mr. and Mrs. Elmer Earl McDonald and Sabrina.

Service Club and PTA Net $150 July Fourth

According to Earl Culbertson, the Service Club both at Friday's celebration netted an approximate $50.00.

The P.T.A. booth, according to Mrs. M. M. Miller, finance chairman for the next year, netted $100.00.

Mr. Culbertson said the Service Club booth actually took in about $150.00 during the day, but dednctions for expenses had to be made and were quite high.

Refreshments in the P.T.A. booth were all donated beforehand as a result of a day's solicitation by Mrs. Miller, Mrs. G. W. Russell, Jr., PTA President for next year, and Jesse Cammack, member of the finance committee. The profits for the PTA booth, therefore, were clear.

Junior Girls Of First Baptist Attending Camp

Junior girls from the First Baptist Church attending the East Texas Baptist Encampment in Newton this week are Gloria Jean Jackson, Susan Hall, Virginia Woods, Loraine Graham, Sandra Lewis, Brenda Shaw, Brenda Lindsey, Bevely Nichols, Martha Pierce, Betty Jo Franklin, Charlotte Conner, Denise Ezernack, Frances Smith.

Counsellors who accompanied the girls are Mrs. Bernis Graham and Mrs. A. J. Jackson.

Miss Hall Engaged To A. J. Capelan

Mr. and Mrs. Alton Willie Hall announce the engagement and approaching marriage of their daughter, Wanda Annette, to Aubrey Jack Capelan, son of Mr. and Mrs. Albert Blum Capelan of Shreveport.

The wedding will be solemnnized by the Rev. C. S. McIlveene at the Lakeshore Baptist Church at 7:30 o'clock in the evening on Friday, August 22.

Maternal grandparents of the bride-to-be are Mr. W. C. Conner and the late Mrs. Nora Conner. The paternal grandparents are Mr. and Mrs. W. D. Hall, all of Pineland.

Miss Hall is now attending Northwestern State College in Natchitoches, Louisana, where she is a member of Delta Zeta Social Sorority.

Mr. Capelan is a graduate of Northwestern where his fraternity affiliation was Tau Kappa Epsilon.

The young couple will make their home in Shreveport.

A crowd estimated at 6,000, the largest to ever assemble for any celebration in Sabine County to this newspaper's knowledge, attended the July Fourth "Pineland on Parade" event held in Pineland.

The day was highlighted by tours through the new mill of Southern Pine Lumber Company, recognizing former residents of Pineland and those who traveled the furtherest distance.

Ed Nations and Sam White, both 90 years of age, were presented Armour Star Hams, compliments of IGA Supermarket, for being the oldest people present.

J. V. Reid, who began work in Pineland in the year 1906, making his employment record the oldest for the town, received an Elgin watch, compliments of Bertrand's Pharmacy.

Mr. and Mrs. Ida Bowden of Brawley, California, traveled fartherest for the event, and were presented a Temple chop block.

Albert Gonzales of Nederland took home the Homelite Power Saw, compliments of Minyard and Company, Jasper, Paul Harvey of Hemphill, the portable T. V. compliments of Home Furniture and Appliance Company, and Norrie Smith of Hemphill, the maple credenza compliments of Home Furniture and Appliance Company.

H. W. Whitehead Takes Part in Parachute Jump

FORT CAMPBELL, KY. (AHTNC)--Army Pvt. Harold Whitehead, son of Mrs. Eunie Whitehead, Route 1, Pineland, Tex., recently participated in a tactical training parachute jump conducted by the 101st Airborne Division's 502nd Infantry at Fort Campbell, Ky.

Whitehead, a rifleman in Company B of the infantry, entered the Army last August and received basic training at Fort Ord, Calif.

The 17-year-old soldier attended Pineland High School.

Mr. and Mrs. W. S. Burch, Jr. from Dallas spent the weekend with Mr. and Mrs. W. S. Burch, Sr.

Martin Dies, Sr. Main Speaker

Martin Dies, Sr. of Lufkin was the principal speaker of the day. Dies' speech, in keeping with Independence Day, was based on the patriotic theme bringing out that it was everyone's solemn duty to preserve the Republic always with the Christian concept in mind that all men were created equal.

Dies expressed his fondness for the people of this area, stating that neither he nor his father had ever failed to receive a majority vote from the citizens of Sabine County.

During the years from 1950-1958, this East Texas area lost 5 percent of its people, Martin Dies said, and has not kept pace with the growth shown in other parts of the state.

Our potentials for East Texas, however, are unlimited, Mr. Dies stated. Especially are we blessed with an abundant supply of water. And our natural resources are almost unlimited. Therefore, growth and progress for the future cannot fail to come about.

The people of Pineland, Mr. Dies said, form the most law abiding ,patriotic, community in the state of Texas, and he expressed the fact that he was both proud and honored to have been asked to speak at Pineland-on-Parade.

Preceding the main speaker, Arthur Temple, Jr., president of Southern Pine, stated that he took real pleasure in the day. the chance to mix and mingle and to get old friends back. He said he accepted compliments on the new saw mill only in the name of the people who had made progress possible, not only from Pineland but those from the surrounding area, Hemphill, Bronson, Jasper, San Augustine, and Brookeland.

Latane Temple, another official of the firm, served as master of ceremonies and spoke on the fulfillment of the viion the company and the people have had for many years. Jack Sweeny, manager of the Pineland plant, gave a brief address of welcome to the crowd.

The program Friday afternoon began at 4. The crowd sat on hardwood logs and listened to the speakers.

HELICOPTERS FROM DIBOLL LAND DURING MORNING CELEBRATION

Arrival and landing of the Bell Aircraft helicopter from Diboll Friday morning at 11:30 attracted wide attention and literally stirred up the dust.

Cap Kimbro, the pilot, and the helicopter were from Fort Worth.

Aboard were Eddie McFarland, Angelina County Judge, Aubrey Cannon and Calvin Lawrence, members of the Diboll Booster Club.

In a brief ceremony to symbolize Pineland hardwood and Diboll pine, Bill Nichols, president of the Pineland Service Club was presented a pine tree by Calvin Lawrence, president of the Diboll Booster Club. Nichols, in turn, presented Lawrence with a hardwood tree. The pine tree was set out on the spot of preentation. Lawrence took the hardwood tree back to Diboll.

Five army helicopters, returning to Fort Polk from the Angelina County Air Show in Lukfin, flew low and buzzed the crowd Friday as Latane

NEW DeWITT HATCHERY IN SAN AUGUSTINE offers GOLDEN OPPORTUNITY for PROFITS FROM POULTRY

DeWitt's brand new hatchery located in San Augustine is nearing completion and will be open for business real soon. It is located on Highway 21 on the east side of San Augustine. Watch for date of grand opening to be announced soon.

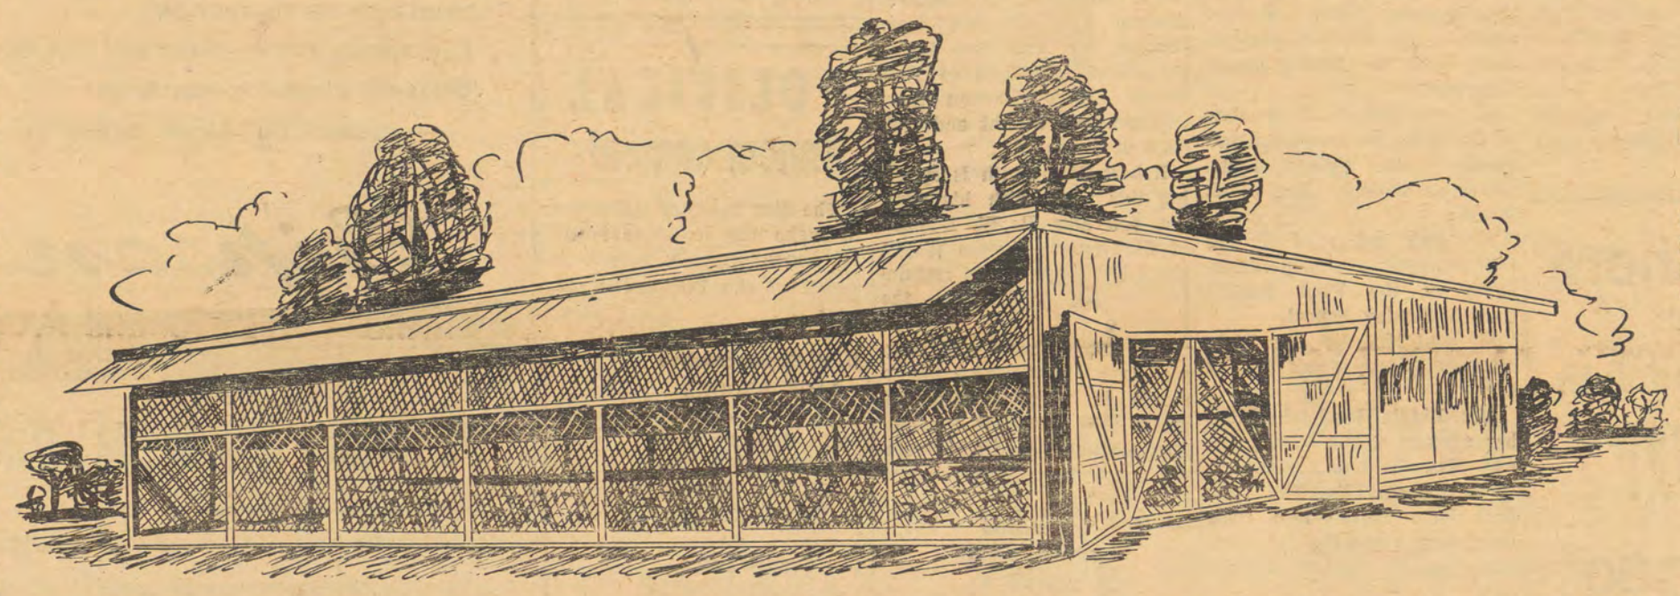

— WANTED IMMEDIATELY —

25,000 Breeder Hens Needed At Once to Supply Hatching Eggs For DeWitt's San Augustine Hatchery

DeWitt's new hatchery in San Augustine will have a capacity to set 250 cases of eggs per week. We want these eggs to be produced right here in this area.

Sabine County is ideal for hatching egg production. We have mild winters - - ideal for egg production. While summers are hot, with open houses, and special fogger fans, we can get good production, even in July and August. This hatching egg program is ideal for anyone who has a few extra hours each day. Work is not heavy and actually most of it can be done by the woman of the family or the elder children - -1,000 hens takes an area of about 30 x 120 feet of 3600 square feet. Your range area and brooder house will take up about an acre. The income possible from this project is about like adding another 50 acres of good farm land to your farm.

YOU CAN HAVE THIS HATCHING EGG FACTORY WITH 1000 WORKERS MAKING YOU MONEY!!

THIS IS THE HOUSE WE RECOMMEND

We have construction plans for this style house that we can furnish you free of charge. We also have plans for other type houses available for you. This particular house, however, is about the most economical we have found, and it works just as good as the more expensive house.

"Whitey" Goodline Says....

THIS "EGG FACTORY" CAN EARN YOU OVER $4,000 PER YEAR ADDED INCOME FOR ONLY A FEW HOURS WORK EACH DAY

Poultrymen on DeWitt's flockowner program are reporting profits of over $4.00 per hen this year. Which would mean a profit of over $4,000.00 per year on this size poultry house. On DeWitt's "Full House" program where you keep this house full of breeders every week of the year, you can earn even more. Where else on your farm can you make this much money on less than an acre of ground?

I'll be in our San Augustine Hatchery Friday and Saturday, July 11 and 12. I'll be glad to talk to you about our hatching Egg Contract. We'll be looking for you.

A. C. "Whitey" Goodline is in charge of DeWitt's breeding flock program. Whitey has a B. S. Degree in Poultry from Louisiana Tech at Ruston and a Master's Degree in Poultry from Louisiana State University. He also has lots of pratical poultry experience to back up his technical training. Whitey knows his business and is anxious to help you plan your poultry project.

IS THERE MONEY IN Producing Hatching Eggs?

This is a question asked by most prospective flockowners. It is our honest opinion that a complete program of producing hatching eggs can be far more profitable than just producing market eggs. Here's why ——

1. SERVICE PROGRAM
Flockowners who sell eggs to us have the advantage of servicemen who know their business and who are not trying to sell you any high sounding product for big prices. Their job is to make you the most money they can by getting more of the pullets you buy into the laying house at the lowest possible cost . . . get the most eggs out of each hen at the lowest possible cost . . . and to make you the most money.

2. YEAR AROUND GUARANTEED MARKET
We guarantee to buy your eggs every week the year around. So you have no worry at all about your market. We'll take the eggs.

3 LARGER EGGS SOONER
Our broiler strain is bred to lay large eggs early. By the time these birds are 8 months old about 80% of the eggs are acceptable for hatching. Many times at 10 months of age every egg, except cracked and dirty eggs, are taken for hatching and paid for at hatching egg prices.

4. NO FUSS—NO BOTHER—NO CRATES—WE DO IT ALL FOR YOU
While you have to clean eggs you don't have to grade them. We take all the eggs your hens produce. We grade them at our Hatchery. All you have to do is to see that your eggs are clean. . .put them in cases that we furnish. . . deliver the eggs to our Hatchery twice a week.

5. CHECK EVERY WEEK
After your birds are laying you get your check every week. You don't have to collect a little money here, a little there. We send you one check to cover each week's eggs.

6. FEEDING PROGRAM
We figure the feeding program out for you that has worked best for our flockowners. Our feed program is set up to take advantage of your home grown grain. You feed about 50% grain and about 50% mash under our program.

7. ADVICE ON NEW PRODUCTS — NEW WAYS TO SAVE MONEY
We are a nationwide organization. We have men in about every major poultry area. Every new thing that comes up we usually know about it very soon. This helps us keep ahead of the field—and it will help you make more money.

So, if you consider all points and if you want to be in the poultry business, our hatching egg program is the best. Most profitable poultry deal you can get—year after year.

During 1959 More Than 2 1-2 Million Dollars Will Be Paid Poultrymen Who Produce Hatching Eggs For DeWitt Hatcheries. You Can Be Part Of This Program --- ACT NOW!!

Myrt Rathbone Reminisces on Early Days Here

The time was 2 in the afternoon Friday, the 4, 1958.

The place: the Hardwood Shipping Shed. Here registration desks were set up, plant tour groups were formed and started, and old-time sawmillers were happily visiting.

Myrt Rathbone was in the midst of giving me his mailing address for a subscription to The Pineland Star.

"Fifty years ago today," Myrt told me, "at this very time of day my daddy and I drove into Pineland for the first time."

"We had left Garrison, Texas, the day before, driving two horses hitched to a buggy, and it had taken us from 6 a.m. that Fourth of July day to get from Rosevine to Pineland.

"My daddy, V. E. Rathbone, was a tie contractor, and he was looking for a job."

Mr. Nath Weatherford walked by and Myrth called to him.

"Come here, Nath. Remember the first Fourth of July picnic ever held in Pineland?

"It was in full swing when we drove in that day; in a clearing amid virgin pine trees growing where the Baptist Church now is.

"I sure do remember," Nath Weatherford said. "It was the first picnic in Pineland. Everybody was there, and we were making lemonade and serving it from a number 3 washtub."

"I remember," Myrt added. "The lemonade in the tub, and even more vividly do I remember the big old gray horse hitched onto the flying jenny for the amusement of all us kids."

"Pineland will always be home to me," Myrt said.

4th Celebration

Continued from page one

Temple was giving recognition to outstanding guests attending Pineland-onParade.

Mr. Temple apologized for any person represented that he might have inadvertently missed.

3500 PEOPLE EAT DELICIOUS BARBECUE

Ben Anthony of Diboll and his helpers deserve credit for preparing and serving the delicious barbecue supper Friday evening.

Approximately 3500 people were served plates with barbecued beef, baked beans, potato salad, bread, onions, and pickles.

FIREWORKS PERFECT CLIMAX TO CELEBRATION

The fireworks display Friday evening was a perfect climax to a perfect day.

Described as Niagra Falls, Merry-go-Round, Ivy Vine, Crystal Garden, Devil's Tail, Shower of Pearls, Bandwood Dardanells, Fountain of Youth, giant ground displays were interspersed with colorful aerial displays visible for miles around.

Pinelanders worked faithfully and very hard to make Pineland-on-Parade Friday the 4th a success.

Only careful, detailed, and extensive planning could have resulted in such a pleasant preciseness of scheduled events.

The town sparkled. Decorations were attractive. Every yard and house reflected the pride of its occupants.

The Management of Southern Pine Lumber Company extends individual, sincere, and grateful thanks to each person in town.
