The Pineland Star

DEDICATED TO THE PROGRESS OF PINELAND AND SURROUNDING COMMUNITIES

VOLUME ONE, NUMBER 13 | THE PINELAND STAR, PINELAND, TEXAS, THURSDAY, JULY 17, 1958 | $2.00 PER YEAR

Market News from Southern Pine

The hardwood market continues firm and we are shipping a good volume of hardwood lumber, the over all picture for the hardwood operation at Pineland looks very good.

The Treating Division is operating full time, though business as a whole is spotty, we have a better week this week for orders then we had the week of July 1. Prices continue to be soft.

Ed Price
Asst. General Sales Manager

SPIB 77 lumber products sales are back to normal after a slight lag in sales just before the July 4 holiday period. Sales continue heavy to framing, sheathing, and decking materials. We are still not able to supply the demand for our common lumber and have an over supply of finish items. The condition has permitted us to make some price increases in common items but has caused us to reduce the majority of our finish prices. The volume continues to be satisfactory.

The sale of SP Supreme Oak flooring continues to be satisfactory and we are increasing the prices of all items except clear oak flooring. Actually, the price of no.2 Common Oak Flooring now compares with the price of this same item just prior to the complete breakdown of the oak flooring market about two years ago. Other grades, however, have not reached a comparable level. Our efforts are concentrated toward developing better markets for those grades. Volume continues satisfactorily.

R. M. Burns
Asst. General Sales Manager

The sales office for Temple Seats received today a large contract which was awarded us again for another six months period.

During the month of June we had a fairly good month in as much as we were able to sell and ship practically our entire production.

Don H. Burnley
Asst. General Sales Manager

Bennie Alford Makes Statement To County Voters

I would like to inform the voters of this county that I have not made an active campaign for the office of County Treasurer of Sabine County.

I feel, that since my opponent has been unable to conduct one, I would have been taking unfair advantage of him; and if I am the type of person who will take advantage of another man's ill fortune to advance myself, then I am not the type person to serve as a public official.

I simply submit my background and experience for your consideration.

I am a native of Hemphill, forty-two years of age. My parents are George W. Alford (Deceased) and Clara Chambers Alford.

A veteran of 4 years and 9 months service during World War II. Member of American Legion Post 197 of Hemphill. Clerk in Hemphill Post Office for two years - Resigned Civil Service Commission with Postal Department to manage Sabine Theatre for my wife, Bessie Smith Alford.

Stepfather of 17 year old Sammie Kay Smith. Member of First Baptist Church of Hemphill. Teacher of Adult Golden Circle Sunday School Class for two years. Have worked in Hemphill P.T.A., am past president of the Hemphill Band Boosters. Member of Hemphill Lions Club and past president of that organization. Member of Hemphill Independent School District Board of Education for several years, and at present am first vice-president of the board.

If elected to the office of County Treasurer I will consider it a Sacred trust and endeavor to justify the faith which the voters place in me.

Your vote and support will be greatly appreciated.

Sincerely yours,
B. A. (Bennie) Alford

FISH FACTS AND FANCIES

Latest scoop on the fishing scene was a tale told by Mr. Herschal Jordan of an expedition to Dam B last Wednesday. It seems that Mr. Jordan and Bill Low were fishing below the spillway at Dam B and caught 300 goo. The fish, all relatively large, were caught in approximately 3½ hours. Mr. Jordan, brown eyes twinkling, said nobody would believe the story although it was true. Doubters and disbelievers are urged to check with Mrs. Bill Low. It was understood that she had the job of cleaning the fish.

Mr. John Charles Wood of Nederland is visiting in the home of his grandparents, Mr. and Mrs. John Ogden.

Homer Hogan Statement to Friends of Prec. 1

ARE IMPORTANT TO YOU!

When you see the letters "SPIB" stamped on lumber, you know it's a safe buy. Strong, dry, and serviceable. The Grade-Mark and Mill Number are stamped there, too, for proper usage, and identification of manufacturer. Insist on quality . . . ask your retail lumber dealer for:

TEXAS GROWN Southern SPIB GRADE MARK HERE MILL NUMBER HERE YELLOW PINE

Each responsible lumber manufacturer listed below assures you that each piece of lumber stamped with the SPIB Grade-Mark and his mill number has been properly manufactured — KILN DRIED — inspected and graded under the strict Southern Pine Inspection Bureau standards.

ANGELINA COUNTY LUMBER CO.
SPIB No. 45 and No. 74
KIRBY LUMBER CORPORATION
SPIB No. 37
W. T. CARTER & BROTHER
SPIB No. 122
SOUTHERN PINE LUMBER CO.
SPIB No. 77

WHAT DOES SPIB MEAN?

These are the initials of the Southern Pine Inspection Bureau. When they appear on lumber, it means that lumber has been skillfully manufactured, properly seasoned, expertly graded and inspected . . . to give long, satisfactory economical service.

New Senate Hand Aided Democrats

When William A. Blakley was appointed to the U. S. Senate in 1957, he was a political unknown in Texas. But Washington awaited his arrival with great interest. So close was the party balance in the Senate that Blakley's vote was the difference between Democratic and Republican control.

True to his Democratic tradition, Bill Blakley voted with his fellow Democrats. They have been in control ever since.

Now Bill Blakley seeks his first elective term in the U. S. Senate. A vote for Blakley is a vote for sound, Democratic government.

(Pol. Adv. Paid for by Jim Blundell)

Sure-footed Man Serves Texas

The colorful language of the ranch and trail seems to fit Bill Blakley, who made his start in life as a working cowhand. He still rides and ropes with the hands on his ranch at roundup time.

Speaking of Blakley's service as U. S. Senator in 1957, the *Dallas News* said: "... If he was as unassuming as an old boot, it was nevertheless a well polished boot that never wobbled or wandered from its purposeful path. For this man Blakley is a sure-footed man who knows exactly where he stands and what he believes."

Texans will vote to return William A. Blakley to the Senate on July 26 because he truly represents the spirit, traditions and views of all Texas.

Blakley Story Is Typically Texan

The typical American story is of the poor boy who made good through his own efforts. This is the story of Bill Blakley, born in a covered wagon while his parents were on their way to homestead in Oklahoma territory. He has come a long way in 59 years. Said the *Austin American-Statesman*, when William A. Blakley announced for the Senate:

". . . He was a top-hand cowboy; he was a crackerjack bank clerk; he was an exceptionally good accountant and lawyer. We have an idea that he is going to be a refreshing, able political candidate. He would make a great United States Senator."

Vote for Bill Blakley on July 26 — an able man whose only ambition is to serve all of Texas.
